The University Union is the hub of student life on campus. Students frequently visit the Union each day to eat meals in the cafeteria, purchase books and supplies in the bookstore, attend organizational meetings, attend activities sponsored by campus groups, or just to relax in the Snack Bar with a coke. The Union is situated on the Hillsborough River which provides a magnificent setting for outdoor picnics and activities.

University Union Services

Check Cashing:

Checks are cashed in room #1 with a $50.00 limit and a charge of 10c per $10.00. Students are strongly advised to have a local checking because of the difficulty encountered in cashing out of state checks.

Game Room:

Pool tables, table tennis and electrical skill games are located on the second floor. Athletic equipment can also be checked out.

Movie Tickets:

Tickets to local movie theatres can be purchased for $1.25 which is a tremendous savings.

University Union Hours —
8:30-11:00 p.m. Monday to Friday

The first glimpse of the University of Tampa will be of thirteen silver minarets which stand above the buildings and trees of the city. These minarets, each representing a month in the Moslem year, have long been a symbol of Tampa and educational opportunity. They rise from the main University building (Plant Hall), erected in 1890 as the Tampa Bay Hotel by railroad and shipping magnate Henry B. Plant at a cost of $3,500,000. Considered the finest example of Moorish architecture in the country, this building is five stories high, 1200 feet long, and contains more than 500 rooms. It has been host to crowned heads of Europe and to Teddy Roosevelt and his Rough Riders during the Spanish-American War. Once the hotel was the center of the social and cultural life of Tampa. Today the building houses classrooms, laboratories, offices, clubrooms and the Henry B. Plant Museum which preserves many of its original furnishings and objects of art.

Leased from the City of Tampa in 1933 for 99 years, the building has been modernized and restored for more efficient educational use, yet continues to reflect the Tampa tradition.

The University was founded in 1931 by public-spirited community residents to provide higher education for young people who lacked the financial resources to go away to college.

Today it is a residential institution enrolling students from nearly every state in the union and many foreign countries. Its qualified, attentive faculty and small classes provide the elements of a sound liberal arts education.

Although the University bears the name of the city in which it is located, it is a private institution. It is non-denominational, chartered under the laws of the State of Florida as a nonprofit corporation, and is governed by a self-perpetuating Board of Trustees elected from among leaders in business, industry and the professions. For more than 40 years, it has stood as a “Landmark of Learning” in the Tampa Bay area.
