

Kabuki Dancers come alive

The mysticism and charm of oriental culture will come to life on stage at the University of Tampa's Folk Theatre tonight under the spell of Ayako Uchiyama, accomplished interpreter of traditional Japanese dances and an authority on Japanese drama.

Miss Uchiyama, widely recognized for her expertise

on the dramatic import of Japanese dances, will lecture on "Theatre Arts of Japan," using slides for illustration.

This will be followed on Friday at 1 p.m. by a solo Kabuki Dance concert. The program opens with a beautiful temple dancing girl lost in admiration, progressing from stylized steps adapted from the

Noh Theatre through gestures suggesting her emotions and reaching a rapid tempo climax.

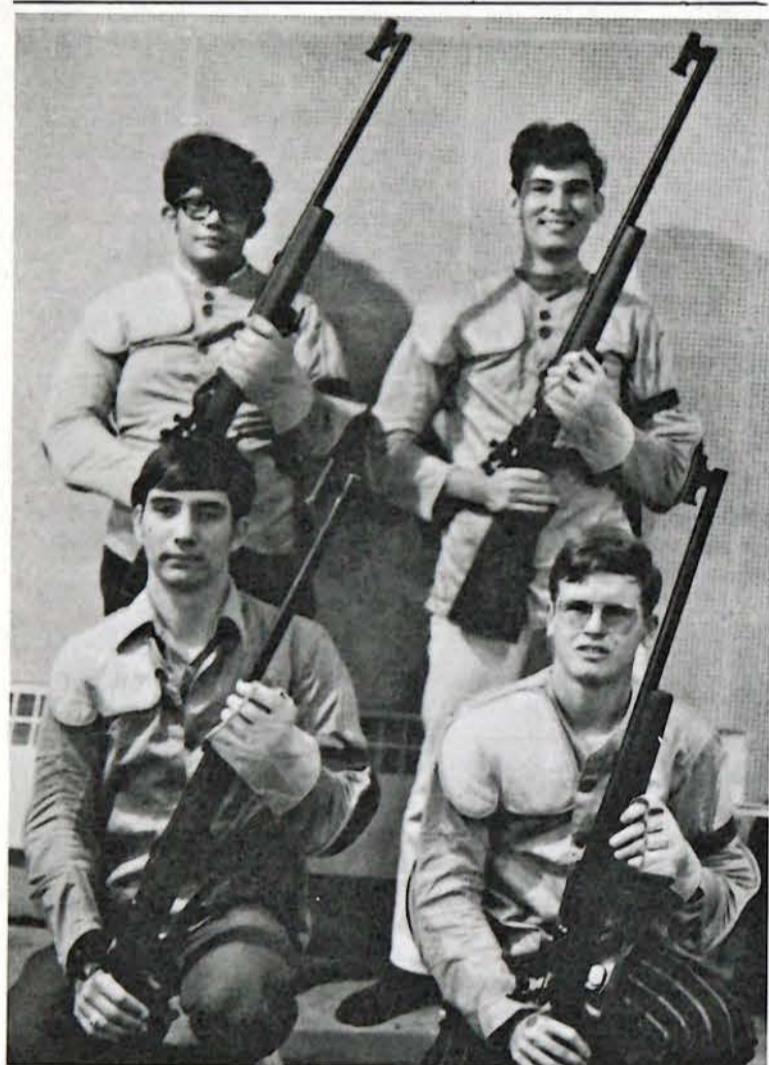

Accompaniment will be provided by the samisen, three stringed guitar used by geishas, at times augmented by flute, drum and voice.

A native of Hokkaido, the artist is a foremost exponent of dances and songs of the Ainu, aborigine class of Japan. For her own version of these dances she won the Hokkaido Cultural Prize in 1955.

Miss Uchiyama studied Kabuki dances at the Mizuki School and learned shimai, or Noh dancing, at the equally renowned Hosho Noh in New York, she studied modern dance with Martha Graham.

These varied interests contribute to highly perceptive views on Eastern and Western art and to the original choreography that is her forte.

Sponsored by the Special Events Committee, her performances at the University of Tampa are open to the public without charge.

The first University of Tampa Rifle Team takes a break after finishing fifth in a field of 18 Marine and Army Reserve units in their very first match.

Rotary Club of Ybor City seeks candidates

Danilo V. Fernandez, President of the Rotary Club of Ybor City, has announced that the club is seeking young men and women in the Tampa area as candidates for Rotary Foundation educational awards for study abroad in 1973-74.

Four types of educational awards are offered by the Foundation: Graduate Fellowships, for those between the ages of 20 and 28, with a bachelor's degree or equivalent; Undergraduate Scholarships, for those 18-24 with a minimum of two years of university level work; Technical Training Awards, for those 21-35 with a secondary education and at least two years' Awards to Teachers of the Handicapped for those 21-35 who have been engaged as full time teachers of the mentally, physically or educationally handicapped for at least two

years at the time of application.

Each award covers round-trip transportation, educational and living expenses for one academic year, and, if necessary, funds for intensive language training.

The Rotary Foundation is a non-profit organization supported by contributions from Rotarians and Rotary clubs in 149 different countries. Since 1947, the Foundation has awarded more than \$12 million for its various programs, and more than 4,700 young men and women have gone to countries other than their own for a year of study.

Further information about these awards is available from Rotarian Jackson Parmer, 3300 Lykes Avenue 33609 - Ph. 872-6792. The application deadline date is March 15, 1972.

Harold's Club to open this Saturday night

by Barry Lydon

It won't be long before the only gambling Casino in Florida will open its doors. At 8 p.m. this Saturday night, Harold's Club will open at the University Union. Crap tables, roulette tables, chuck-a-luck tables and of course blackjack tables will be scattered throughout the decorated Union. The Casino will be open from 8 p.m. until 3 a.m. The Moroccan Queen Contest will take place in the dance hall at 9:30 p.m.

University Professors and Administrators will perform in the union as dealers. Dr. Owens, Mr. Sliz, Dr. West, Dean Benton, Mr. Hayes, Mr. Terry, Mr. Leith, Dr. Ford and

other professors have already consented to deal.

Dress is semi-formal and no jeans will be allowed. Boys must wear coats and ties, girls will be permitted to wear pantsuits. Cost is \$1.50 per couple or \$1.00 stag.

Local merchants have donated gifts to be auctioned off at the end of the evening. A band will provide music for those who want to dance or just listen. Harold's Club is the biggest event on campus this spring.

Any professor or administrator who would like to work for Harold's club is asked to contact the Student Program Council at exts. 200 or 283.

Two year ROTC program available in Bay Area

The United States Army is presently offering college men the opportunity to be commissioned as Second Lieutenants after only two years of on-campus ROTC instruction. Selected students can take advantage of this opportunity by attending a six-week ROTC Basic Camp after their Sophomore year and completing the Army ROTC Advanced Course in their Junior and Senior years.

The two-year program is designed specifically to fill the needs of Junior College graduates and students of four-year colleges who have not taken Army ROTC during their first two years.

Students who plan to earn a Baccalaureate Degree at one of the colleges offering the Army ROTC Advanced Course may qualify for commissions at that school. The student at a four-year college which does not offer Army ROTC may be able to enroll in the program of a neighboring institution where such instruction is available.

A six-week Basic Camp substitutes for the first two years of the normal four-year ROTC program. Except for this, the two programs are the same. Students will receive approximately \$150.00 plus all costs (transportation, food, housing, etc.) for the Basic Camp and \$100.00 per month while enrolled in the Advanced Course

during their Junior and Senior years. Two-year program students will also be eligible for all scholarships available to Army Advanced Course ROTC students.

Bay Area Junior College students graduating this year and Sophomore students at the Bay Area four-year colleges are eligible for this program, provided they enroll as a special student in the Army Advanced ROTC Course at the University of Tampa while attending a local four-year college during their Junior and Senior years.

The deadline for completed applications is March 21, 1972. Interested students can contact the Professor of Military Science, University of Tampa, for further information and assistance in applying to this program.

Radio Club to begin

A meeting to ascertain interest in the organization of an Amateur Radio Club at the University of Tampa will be held in Seminar Room One in the Library at 7:30 p.m. on Thursday, February 17. The meeting is open to anyone with an interest in amateur radio. Dr. Strothers will be the faculty representative. A film of general interest will be shown.

UT students chat with Shirley Chisholm on her recent visit to the University of Tampa.

SGA survey results announced

1. Do you favor President Nixon's proposed visit to the People's Republic of China?
Yes 309, No 56, No Opinion 47
2. Do you favor membership in the United Nations for the People's Republic of China?
Yes 278, No 80, No Opinion 30
3. Which of the following would you favor in a Republican presidential primary held today?
73 Pete McCloskey, 217 Richard Nixon, 62 Ronald Reagan
4. Which of the following would you favor in a Democratic presidential primary held today?
9 Birch Bayh, 5 Henry Jackson, 46 George McGovern, 24 George Wallace, 19 Hubert Humphrey, 88 Edward Kennedy, 114 Edmund Muskie, 78 John Lindsey
5. Should the Federal government assume a greater role in environmental pollution matters?
Yes 333, No 8, No Opinion 8
6. Do you favor legalizing abortion for consenting patients?
Yes 329, No 15, No Opinion 10
7. Do you favor relaxing pornography laws?
Yes 179, No 119, No Opinion 65
8. Do you feel that the use of marijuana should be legalized?
Yes 228, No 109, No Opinion 56
9. Have you ever smoked marijuana?
Yes 206, No 132, No Opinion 36
10. Are you aware of the laws prohibiting the use and/or possession of marijuana and the penalties if found in violation?
Yes 397, No 4, No Opinion 9
11. Do you approve of pre-marital sex?
Yes 393, No 16, No Opinion 10
12. Have you ever engaged in pre-marital sexual relations?
Yes 297, No 96, No Opinion 14
13. Do you agree with the Selective Service System's plans to abolish the draft?
Yes 289, No 103, No Opinion 9
14. Do you support the idea of an all-volunteer army?
Yes 306, No 96, No Opinion 16
15. Do you feel that steps toward full integration are being uniformly enforced through the United States, in the North as well as in the South? Yes 15, No 308, No Opinion 94
16. Do you agree with the premise that violence may be a legitimate means of dissent?
Yes 59, No 204, No Opinion 136
17. Do you feel that Japan is a serious economic threat to the United States in the area of foreign markets?
Yes 209, No 111, No Opinion 63
18. Do you agree with the present Administration's proposal to "bail out" Lockheed Corporation by means of a guaranteed Federal Loan? Yes 58, No 204, No Opinion 193
19. Do you support President Nixon's proposal for a guaranteed annual income? Yes 38, No 227, No Opinion 139
20. Do you agree with recent attempts by Governor Reagan of California to put able-bodied welfare recipients to work on public projects? Yes 216, No 76, No Opinion 68
21. Would you support armed intervention on the part of the U. S. in the Arab-Israeli conflict?
Yes 89, No 311, No Opinion 8
22. Now that 18-21 year-olds can vote, if you are 18 have you registered? Yes 115, No 236, No Opinion 32
23. Do you attend church services regularly (at least twice a month)? Yes 180, No 215, No Opinion 16

Shirley Chisholm speaks at UT

by Barry R. Lydon

Mrs. Shirley Chisholm, first black woman elected to Congress and Democratic Nominee for president, spoke before a small crowd of 150 last Wednesday, February 9 in the International Room of the Union.

Mrs. Chisholm, the third presidential candidate to be brought on campus by the Student Program Council within the past two weeks, spoke on the problems that affect the minorities of this country, the Blacks, Indians, and the Mexican-Americans.

Representative Chisholm spoke in a clear unemotional tone of voice, unlike the previous candidates. Poverty was the main point of her speech along with the fact that there are plenty of capable women who could take the place of men who hold high public offices. Mrs. Chisholm stressed that "Women should run for public office for the sake of their children."

The crowd was not as large as expected. After her speech, Mrs. Chisholm held an informal question and answer period before retiring to the President's Dining Room for refreshments.

Pat Biber to return to UT

by Barry R. Lydon

Pat Biber, former University of Tampa basketball star, is hoping to return to the University to finish his degree next summer.

Pat was paralyzed from the neck down last August in a car accident while enroute to visit another Spartan great, Frank Robinson. There was little hope for recovery from the accident, but a miracle is in progress and Pat can now move his arms and with the use of motorized splints on his hands, doctors say he can learn to type. Pat's mother, Mrs. Biber said there's nothing that would be more encouraging to Pat than to hear from some of his old friends at Tampa. New students who didn't know Pat are also asked to drop him a line. The address is Pat Biber, Highland View Hospital, Cleveland, Ohio 44022.

What Can I Say - it's SGA! ^{by} *Stygles*

What a way to start off the new '72 semester. In case you were late in receiving the news, we now have Guest Privileges. Starting February 23rd every weekend (with the exception of spring vacation, and exam week), we will be having regular hours of visitation. Fridays and Saturdays 6 p.m.-12 a.m., and Sunday 6 p.m.-10 p.m.

Those organizations wishing to participate in the Moroccan Queen contest, must sign up in Dean Johns office. The only requirement for the girls is that they must have completed 88 hours. The judging will take place during Harold's Club.

Would you believe that we almost had an increase in the parking fee? Well, thanks to the Traffic Committee it was vetoed, as were two appeals from professors on their parking violations. Speaking of Traffic Court — anyone interested in contributing ideas for the improvement of fines, appeals, and late charges, or any other suggestions, please forward your suggestions to box 1876.

Elections for Student Government positions are almost upon us. Anyone interested in campaigning for a position must have attended five SGA meetings. (In the case of President and Vice-President, ten meetings.) There will be a suggested convocation March 17th at Falk Theatre for campaign speeches.

Maureen Startt congratulated the representatives present for helping enact the advances made by SGA. She furthered the hope that this year will be as good as the last.

TKE overhaul's house

The fraters would like to welcome the following new brothers. They are: Dave Bruss, Bill Drummond, John (Lester) Ehme, Danny Ferrazza, James Folkemer, Bill Morrissey, Pete Solyer, and Bill Varian. Welcome and congratulations!

The fraters are also pleased to announce that the T.K.E. house will be completely overhauled. Along with the new remodeling there is a new social chairman. The brothers are looking forward to many different and exciting social affairs. On the fourth of March the fraters

will have an annual paddle party to welcome in the new initiates.

The brothers of T.K.E. did an excellent job on the Gasparilla Day Coke sale. This helped increase the funds for our weekend.

SPECIAL NOTE:

We would like to apologize to Janice Baker and Rodney Piatt for forgetting to mention the recent lavalierment and Rosa Drummond who were married over the vacation. The fraters wish them a fruitful life together.

D-Phi-E congratulates officers for spring semester

D-Phi-E congratulates its new officers for the coming year. President, Elizabeth Lambert; Vice President, Katherine Lipa; Pledge Mother, Susan Anfanger; Secretary, Cheryl Charles; Treasurer, Marilyn Dury; SGA Rep., Maureen Donahue; Panhellenic Rep., Cheryl Charles; Parliamentarian, Maureen Donahue; Rush, Judith Engleman.

We are also happy to welcome Maureen Donahue, Marilyn Dury, Judith Engleman, and Katherine Lipa, who were initiated Sunday, February 6.

On February 5, Delta Phi Epsilon moved from the second floor of Howell Hall to the first floor. The Delta Epsilon chapter now occupies the Alpha Sigma Alpha room. The outside door was repainted as were the shelves and inside doors.

We are busy preparing for Rush and are really looking forward to having some more fun this year.

D - Phi - E congratulates Margaret and Ken on their engagement.

Sig Ep does it again this year

Once again Jose Gasparilla Day proved to be a day of great accomplishment for the brothers of Sigma Phi Epsilon. If it wasn't the ferocious ambition of Debbie Stringham selling programs, it was the crushing looks of Nickolas D'amato selling rain hats that helped grasp the desired funds for the brothers.

Sig Ep would once again like to thank Zeta for another fine and charming young lady who was added to the realms of "Sig Ep Sisterhood."

We would also like to thank Don Lewis and Rodney Dobler for taking the risk of having us all over for the Gasparilla smash! That's the "Sig Ep" spirit.

ZTA car wash

Did you miss our big car wash last weekend? Due to the State Fair we were unable to have it, so look for it this weekend.

The sisters wish to congratulate Laura Wood for being our candidate in the Moroccan Queen contest.

Special Events

The Special Events Committee of UT is planning programs for the year. Students who would like to work on this committee or have ideas for programs or speakers should contact Mr. Herman Saatkamp, chairman of the Special Events Committee.

Panhellenic

The members of the Panhellenic Council feel that it is time to explain ourselves and Sororities.

A Sorority is an association of women based on mutual respect, happiness, cooperation, love and friendship. The sisters work together for the benefit of the chapter. The amount of work and love that they put in determines the enjoyment they obtain from their sisters. Sororities promote scholarship, leadership, good citizenship, and lifelong friendships. All Sororities have philanthropies and support them with fervor and interest.

The National Sororities on campus have formed the Panhellenic Council to help each other and to work for the common cause of keeping sororities on campus. Panhellenic sets up the activities and rules for Rush, helps the school with public relations throughout the U. S., and helps freshmen and transfers become acquainted with the school and the city.

Rush is that period of time during which those girls who have signed for Rush meet the various sisters in the three sororities during parties. Sign up for Rush is open until noon February 15 in the Dean of Women's Office.

Women's Club holds supper

Hobbies of University of Tampa personnel will take luck tonight and like it too. That's the date of the UT Woman's Club pot luck supper in the International Room of the University Union. Coordinating the 5:45 p.m. program are Mrs. Clara I. Szilassy, Mrs. Gwyn Decker and Mrs. Susie Truxillo.

Following the supper, University personnel will receive a cultural expose of India, Bolivia, Hungary and Europe through a slide presentation, "Visiting the World." Guest speakers will be Mrs. A. J. Jani, India; Mrs. Peter Koopman, Bolivia; Mrs. Sandor Szilassy, Hungary and Mrs. Stanton Truxillo, cosmopolitan Europe. Mrs. Samuel Brick is chairman.

RICHIE HAVENS AT PLANT PARK

What can I say except fantastic! It was all anyone could say after Richie Havens played his set. Havens played and sang well, the backup musicians played well, the sound system was good, and the audience was great.

Havens really gets involved in his music and that of others. I watched him backstage as he got off on the music of the act before him. When they finished, he said, "Those guys were really good." At the "end" of his set, he left the stage playing the guitar, and when I got backstage, he was walking around still playing, and he kept playing as he came back for his encore. He pounds his guitar as he plays. Broken strings and worn varnish around the guitar sound hole attest to that. He played his best material including, "Here Comes The Sun," "Handsome Johnny," and "Freedom."

We rapped some before he went on, and I asked him about Woodstock. He said, "there were 800,000 people there and not 400,000 as the press said. You just double what the papers said and you've got the real number."

When asked if anything like Woodstock would ever happen again, he replied, "No, because Woodstock came off accidentally. No planned festival could ever come near to being as good as Woodstock. The next big festival will be held by the government. Can you imagine if Woodstock was put on by the government or some guy running for office, how many hundreds of thousands of votes that would be? 800,000 votes, man! Mark my words, the next festival will be put on by the government."

He wore a variety of necklaces, including two keys and a crowbar. "The crowbar was given to me from the band Crowbar. One key is the key to Heaven and the other is the key to Earth. If I can't get into Heaven with the key, I'll use the crowbar."

"Hey looka yonder, tell me what's that you see, marching to the brotherhood war, looks like Richie Havens with a guitar in his hands, marching to the brotherhood war, yes, marching to the brotherhood war."

The appointment of Earl Bruce as the new head coach of the Spartans has brought on many questions about his offensive theory. He's from Ohio State and they haven't thrown much in the past few years.

Woody Hayes is their head coach and even before Bruce was the coach of the offense, Hayes ran 80% of the time.

Coach Bruce said he will run from the I formation but inside information tells me he favors the triple option. This could mean an offense similar to the one Colorado used this past year. They ran the triple option off of the I with the fullback playing the role of a Wishbone fullback, running basically inside and down in a four point stance. Colorado also sprinted out and used the play action pass when it did throw the football, which was sometimes 20 or more times a game.

If this offense is used, and used properly, Coach Bruce's theory on offensive balance will be achieved.

With the talent the Spartans have, both strengths of the offense will be utilized. Paul Orndorff is the ideal fullback and Alan Pittman, Frank Pitts, Ken Moorhead and Ernie Dubose can all run outside effectively.

With Buddy Carter and Freddie Solomon running and throwing to Mark Wakefield, Bob Stranger and Decoven McCarty, The Spartans can pass with the best of 'em.

Coach Bruce's record speaks for itself. He coached at Massillon, Ohio in the best high school for football in the nation next to Coral Gables. He took them to titles there. He coached in the Mid-America Conference, the greatest for coaches and Ohio State, Big Ten champs two out of his 3 years there as offensive coordinator. If he can get a good staff, something Tampa failed to do last year, the Spartans can be on top in '72.

Girls team has 2-0 record

The Women's Varsity Basketball team, with a 2-0 record, scored victories over Manatee J. C. and Florida Presbyterian in the first week of competition. The team traveled to Manatee on February 8th and had little difficulty winning their opening game by the score of 58-19. Elaine Honig with 23 pts., and Pam Bohl, with 20 pts. were the high scorers for Tampa. The Spartans had a "rougher" evening on February 10th, when they hosted Florida

Presbyterian and defeated them by the score of 37-36. Playing the second half without the services of starter and co-captain, Linda Nagle, the team kept pace to squeeze by.

In addition to Linda Nagle, this year's squad consists of co-captain Betty Lambert, Nancy Kalafus, Elaine Honig, Pam Bohl, Judy Engleman, Debbie Matheson, and Diane Metz.

The team travels to Lakeland on February 17th to meet Florida Southern.

A fun game is in store

by Barry Lydon

For the second time within a couple of months the Freaks from the University of Tampa have challenged the Pigs of the Tampa Police Department to fight it out, not on the streets, but rather on the basketball court at Howell Gym on Thursday, March 2 at 7:30 p.m. In the first battle in November the Pigs demolished the U.T. Freaks at Cascaden park in a softball game.

An added attraction at Howell Gym that night will be a student-faculty game. The faculty will be under the leadership of Coach David Hayes.

There will be no admission charge to the games and the public is invited. A donation will be collected at halftime to be contributed to the Police Athletic League.

Students who are interested in participating or desire additional information should contact the Student Program Council office, room 1 of the University Union.

Bruce names Spartan staff

by K. R. Lombardia

Head Coach Earl Bruce pieced together part of his staff last week as he named to his staff, three former assistants to ex-coach Bill Fulcher.

Charlie Lyle, a full time assistant and Gene King and Jim Williams, two part-times have been retained. Four other full time assistants are expected to be named soon.

Lyle, who is a former UT player handled the defensive secondary.

Williams coached the defensive ends and is a former quarterback from Florida A&M. Williams is a former coach at Blake High in Tampa from 1950-1965. He was named coach of the year in Florida in '59, '62 and '64.

King, another former Tampa footballer handled the wide receivers in 1971. He coached at Robinson High in Tampa for 9 years.

With distribution of the University of Tampa's catalogue for the 1972-73 academic year, Tampa's famed Landmark of Learning attains new heights. The program offered appears to be highly pleasing to Junior Cynthia Ann Hanas, who is majoring in elementary education. The unusual shot of the jetliner and minarets outlined against the full moon appeared originally in the Tampa Times.

Spartan Baseball Team gets ready for '72 season

by K. R. Lombardia

Coach Dan Sikes started the 1972 season with the first scholarships ever awarded to Spartan baseballers. The Spartans look to field as a strong team in '72 with many Tampa area boys in the starting lineup. Tampa is one of the strongest areas in the nation for baseball, especially the area west of the University.

Cecil Kent leads the mound crew and he's from Hillsborough High. Kent was 9-0 as a senior and 11-0 playing American Legion ball the summer after his senior year. Paul Groschild is another returning letterman from last year's ballclub.

The catcher is Mike Rubio from Leto High in Tampa. He was All-Western Conference three years and played J. C. ball the last two years. His back-up is Andy Alvarez from Jesuit High in Tampa.

The first baseman will be Burt Ramos, another Leto High product who made All-State his senior year. Ramos played J. C. ball last year and is only a sophomore.

The second baseman looks to be Tommy Sordelli from New York who played football here last year.

The shortstop is All-American candidate Billy Atkins. Atkins is a senior and is probably the greatest shortstop in the history of U.T. Atkins was last year's captain.

Third base and left field seem to be wide open with many men fighting for position.

In centerfield is speedy Rick Hernandez from Tampa Catholic High. Hernandez had many offers but chose Tampa. He was tutored the last four years under brilliant coach Pete Muby at Catholic. Muby is the greatest coach in the state of Florida in the prep ranks.

In right is another returning letterman Sonny Hester from Baltimore, Maryland.

Tampa will be playing all area schools and some out of state schools coming through the West Coast. The Spartans will play their final games in Miami against the arch-rival Hurricanes.

All games will be at Sam Bailey Field on the north campus and everyone should support the Spartan diamond-men at their new home.

Delta Sigma Pi

The brothers of Delta Sigma Pi gave their first guest speaker a warm reception on Tuesday night, Feb. 8, 1972. Mr. Frank Megna, the Branch Manager for Metropolitan Life Insurance Co. in Tampa, talked about the opportunities in the insurance field. He presented the brothers with frameable replicas of the Declaration of Independence.

Delta Sigma Pi's check cashing operation is in full swing 10 a.m. to 3 p.m. daily. NOTE: A service charge of \$5.00 will be levied for checks that are returned due to "Non Sufficient Funds."
