November 5, 1975

## Both Men and Women Excell

### Crew Showed Speed in Boston Regatta

Crews from the University of Tampa traveled to Boston two weeks ago. Rowing powers such as Harvard and Cornell will remember the U.T. squad more for their rowing ability than their tans and sun bleached hair.

This was the second time U.T. has entered crews in the Head of the Charles Rowing Regatta. In the '74 race U.T. entered a womens four with coxswain which faired well placing 7th out of 14 boats. A mens intermediate eight as well as a womens four made the trip this time.

The womens crew, which did not have a set line up until a week and a half before the race due to loss of key personnel, finished 16th out of 37 colleges and boat clubs. The men who entered one of the youngest crews in their event placed an impressive 11th out of 40 entries.

The mens crew composed of freshmen Mike Stancil, Randy Ruditz, Kirk Logan, Mark Clements, John Ray, Charles Dickens and Coxswain Barney McCord as well as Sophomore Harry Edenfield and Junior Dave Thomas received high praise from those who saw them row. "If they don't have the best form they sure are the best dressed" commented an oarswoman from Duke University. The calm waters on the Hillsborough River enabled the mens eight to get a lot of rowing time in this fall thus making them one of the sharpest looking boats on the Charles River. Head Crew Coach Tully Vaughan bought all members of the squad red warmup suits with University of Tampa displayed on the back. These uniforms drew many envious glances from other rowing teams.

The weather the day of the race was hardly ideal. A light rain had fallen in the early morning hours and the overcast sky and 50 degree temperature was in contrast from what our team was used to at home. The three mile race was to be rowed into a headwind and a slight current. The fast times that all the competitor had hoped for seemed to be nonexistent.

The girls pushed off the dock at Northeasterns Boathouse at 10:00 Sunday morning to row up to the starting line for the second event of the day. The women's four race was scheduled for 10:25 and our girls were seated in the number five position. A head of them was archrival

Radcliffe College. The girls got off to a good start and passed Radcliffe at the mile mark. However, a surprisingly strong boat from MIT passed our girls with half a mile remaining. Although the girls did not improve upon the seventh place finish of a year ago they were not disappointed in their performance.

The men who were seated in the 27th position in the intermediate eights event. It was one of the most competitive races of the day. On their shoulders rested the fate of the University's crew program for the future.

When they reached the starting line the UT's eight found themselves surrounded by 39 other crews. Some teams had crews entered that averaged over 200 pounds. "It really scared me when we got up close to those other shells and I saw how big those other guys were" said a member of UT's boat "Our boat only averages 165 pounds and those guys were huge."

The Spartans got off to a poor start and Dartmouth who was seated behind them quickly challenged. However, U.T. held off the green machine and went on to defeat them by a 15 second margin. At the two mile mark the men passed Georgetown who was seated 25th and with less than 200 meters to go they flew past Notre Dame and Schylkill boat clubs who were ranked 26th and 23rd respectively.

"We did what we had to do," remarked a UT oarsman "we passed as many boats as we could and nobody passed us." The Spartans learned later that they had the eleventh fastest time (16:48) for the three mile course. Their time was 1.9 seconds out of 10th and 3.4 seconds slower than the place finisher. Last year a time of 16:48 would have captured second place and the winning time of 16:03 by the University of Pennsylvania was five seconds off the course record.

Over 3,000 oarsmen were entered in this regatta representing some 126 clubs, schools and colleges. The accomplishments of the University of Tampa's team indicates the resurgence of the crew program here at the University and hopes are high for the building of a National Championship Crew.

Randy Ruditz

## Rat Problems

An increase in enrollment brings more problems than over-crowded dorms — more students spending time in the Rat. Barry Lydon, manager, saw he would need more help and posted a "Help Wanted" sign. Barry had no idea what he was in store for.

Only two positions were open, but applications came in by the dozens. After the first three days, 181 persons had applied and the number kept growing. Within a week, Barry had well over 200 replies for the jobs. He quit counting and took down his sign.

On the applications, students were asked why they wanted the job, they gave such reasons as "financially embarrassed" "nothing better to do" "its a good place to meet people."

After weeks of screening and interviewing, Barry made his decision. It was based upon the date application was received, class and need of applicant. Barry was especially sympathetic toward persons with financial difficulties.

Coming up, on November 14 is the Video Soccer tournament. Those interested can still sign up. There is a \$1.00 entry fee. Prizes include, first-hotel weekend for two and \$25.00 cash; second-dinner for two at the Japanese Steak House.

Upcoming events in the planning are foosball, pinball and beer drinking tournaments. December 10 the Rat will hold its New Year's Eve Party.

Pat Haynes

## New Cafeteria Director

Mr. Morris Pennock, who had been Director of Dining Services in our cafeteria for seven and a half years, said farewell on Thursday, October 16. Mr. Pennock has been promoted to Regional Sales Director of ARA Food Services, and has moved to Tennessee. Everyone was sorry to see him leave, but also very happy for him. We all wish the best of success to the man who did an excellent job, along with Mrs. Pratt's office, in setting up the whole system.

Mr. Pennock will be back to visit us during Parents' weekend and again in January.

Mr. Pennock's successor is Mr. Tim McEndefer. We have already seen Mr. McEndefer fall right into action with his first success, our elegant "Evening in Paris" French dinner.

Best Wishes to both of them.

Cheryl Mogul

## 50's Party Held

Dr. Lohman's Contemporary Themes class, "Decadence: Hippies Then and Now," decided they would like to understand more about the 50's, the era they were studying. An era of black leather, bobbie socks and bubble gum.

The date was set for October 24 and would get underway around 8. Music was provided by Rockin Rose - Larry Rosenthal - the Wolfman of UT. An entertainment committee took care of decorations and the punch, which some said added much life to the affair.

A contest was held for the most authentic teen-angel. Boppin' Becky Burnett won hands down, with her outfit of rolled-up years, saddle shoes and a letter jacket.

A few other professors were asked to act as chaperones, but no one wanted to - they all came as kids. Those teachers who showed up added a little extra to the party with their dances.

"It was like wow! I had the best time, that is, what I remember," was heard from everyone who attended.

The next era the class will study is the 20's. Since the 50's party proved to be so successful, a hearty effort is being made by the students for a Roarin' 20's bash.

Pat Haynes

Want to learn more about yourselves and others?

The Counseling Center will be scheduling group sensitivity sessions for students interested in learning and exploring new ways of awareness and getting in touch with themselves and their environment. If you wish to participate in such an experience, please stop by the Counseling Center, Science Wing 200, and arrange to be in the group.

ROLL BACK TO ARROWHEAD — The high speed camera stops the Thunderbird wingmen during one of the team's most exciting maneuvers. The Thunderbird aerial demonstration show will be featured at the MacDill AFB Open House, November 9, 1975. (U. S. Air Force Photo)

## Apathy Hurts Library

This letter is being written in disappointment. As members of the student body and as elected student leaders, we are disappointed at the lack of enthusiasm and cooperation received by the faculty and the student body, concerning the Library Assistance Act.

The Library Assistance Act was enacted last year by the Student Government for the purpose of donating good use by faculty and students. Many of the books purchased are in good condition, usually new except for possibly a semester's use and at such a low cost that they were almost a steal.

It seems that everyone, faculty included, is always griping that our library is inadequate, doesn't have the necessary books for respective courses, the books are outdated. This act was established to end these gripes and at no cost to the student or to any division. We in Student Government felt that this donation would be our donation to the academia of UT.

Since the beginning of the semester, at all SGA house meetings and in the Minaret, we have asked for volunteers to help us in the selection and purchases of these books. The work entailed giving up a maximum of three selected alternate Saturdays to go to Haslam's Bookstore in St. Petersburg, check their numerous isles of books, selecting the needed and worthwhile books and then purchasing them through SGA. Needless to say, the response was poor. Out of all the possible organizations, fraternities, sororities, dormitories and just the concerned student, only 17 people volunteered. That's more than a poor turnout, that's a shame! It's pretty obvious to see from the poor turnout that SGA gets in the House of Representatives every Wednesday night that nobody really cares at all at UT except a handful of people.

During the first week of school, letters were sent around to ALL faculty members informing them about the Library Assistance Act, its purposes and objectives. This letter also asked the faculty to please submit to SGA any lists of books that they needed or thought would be beneficial to the student in relation to his courses. A deadline of one month was given. By the end of this month, out of 100 letters, we received only 9 responses! Is that a poor response or what?

Reminders were then sent to each faculty member again in thinking that maybe the letter was misplaced or through the hassles of the new semester they were unable to write up a list. Again only two responses. One week before our first trip to Haslam's a memo was sent informing

each faculty member that we were going and that their presence was appreciated since it would make our task easier. Well, only one faculty member came and two informed us they wanted to come but could not on this date. Where was everyone else? How can the faculty talk about apathy of the students when they have it in their own ranks?

If we could have had just one member from each division or department, we could have done more than 75% of the groundwork and the ones who would have benefitted would have been the faculty.

How about starting a new trend at UT and everyone participate to make this school a worthwhile and United establishment. If you are concerned and want to help, speak up, PARTICIPATE! If anyone would like to help out on the Library Assistance Act, drop a note in the SGA mailbox. Our next trip to Haslam's will be announced. We hope more students and faculty will join us.

Respectfully submitted

The Minaret accepts articles from all interested persons. All editorials must be signed, though names will be withheld on request. Deadline is noon every Wednesday P. O. Box 2757. Printed by The Free Press Publishing Co., Inc. The Minaret is published weekly by the students of the University of Tampa, 401 West Kennedy Blvd., Tampa, Florida 33606.

## New SPC President

Congratulations to Sharon Greene, the new SPC president. The Student Program Council here at school sponsors such things as the kit-kat klub, our weekly movies, street dances, the Starlight Ball and homecoming. The club is always open for suggestions and they would like to see more people get into it. Any student can participate in its meetings on Thursday nights at 9 p.m. in room 3 of the Union. Sharon hopes to fill the position of president as well as former president Otto Von Eilbergh has done this past year and a half.

## COUPLES ONLY

The Career Counseling Center, directed by Dr. Tim Russell, has organized another new program titled "Couples Growth Groups." It is for married couples who get along fairly well, yet want to improve their relationship and for unmarried couples — engaged, living together or just dating, who want to stop and look over their relationship and see where they are going.

Dr. Russell, who was involved in couples counseling for three years at the U. of Fla. Mental Health Clinic, has come to Tampa U. with much experience. In the "Growth" program he will focus mainly on ways which couples can strengthen their relationships by identifying their differences and learn how to deal with them in a (more) positive way.

Dr. Russell plans to place the participants in groups of four or five couples, so that the couples will be free to deal with their problems in small groups, married couples will be segregated from unmarried couples.

The program will be composed primarily with verbal exercises that involve talking with one's partner and with others in the group. These exercises should then be practiced at home along with some non-verbal methods.

Each group will meet once a week for 5 weeks, for a period of two hours per session. One member must be a student. No specific times have been set up because it will be decided according to the couples convenience.

In conclusion, it should be noted that this program is not for couples with deep, serious problems, who may meet with Dr. Russell on an individual basis; but with couples who just want to better their relationships and be happier.

Couples interested may stop by the counseling center in Sc. 200 or call - ext. 405.

Cheryl Chamness

## 8 Ball Tournament

Tonight at 7 o'clock, the University of Tampa's Intramural 8-Ball Championship begins.

If you're not playing, come watch anyway. Who knows, you may find your roommate to be another Minnesota Fats.

\*Next coming attraction: Table Tennis Tournament starting next Tuesday. Sign up now.

## Antique Candle Holders

The woodworking class of the Industrial Arts Department is constructing ANTIQUE CANDLE HOLDERS. In keeping with the forthcoming BICENTENNIAL, pine will be used. This lovely set of candle holders currently sells for \$35.00 in better department stores. For students and friends of UT, we will sell this set for a very nominal fee of \$5.00. Order early to be sure you will have a set.

Please call any of the numbers below:

INDUSTRIAL ARTS SHOP ..... 253-8861 Ext. 229  
OFFICE ..... 253-8861 Ext. 228  
TAMPA ..... 238-5742  
ST. PETE ..... 345-6524

## Course in Marine Ecology Planned for Intersession '76

This year our biology department is planning several courses for intersession, one of which is a course in marine ecology. Great interest is anticipated, so think about this ahead of time if you may want to participate. There will be dive sites in the Gulf of Mexico, and also off Egmont Key. There are prerequisites: the course is open only to certified scuba divers, and required are a course in marine biology or zoology, plus a year of general biology. There will be a lab fee to cover the cost of operating the boats. The course will run from May 3 to May 21. It is too early to sign up now, but when the details concerning registration are available, they will be posted on the division's bulletin board.

## SENIORS GRADUATING

Seniors graduating in December to please come to the Bookstore for cap and gown measurement.

Hours: Monday 8:15 to 6:15  
Tues. 8:15 to 6:15  
Wed. 8:15 to 6:00  
Thurs. 8:15 to 6:15  
Friday 8:15 to 5:00

## Wrestlers Win

The Florida State Federation Tournament for high school and college freshman wrestlers was held October 25, 1975 at Clearwater High School. Marty Jones and Steve Starzinski took first place in their respective weight classes. Bart Lenhard, Victor Green, and Jon Williamson placed second in their respective weight classes in the tournament.

On October 31 and November 1 the Tampa Wrestling team opened their 1975-76 season by attending the Cougar Open in Miami. Along the teams in attendance at this tournament are Florida Tech and Florida International. Last year Dave Hauser took second place in his weight class. The results of this tournament will be in next week.

Debbie Everhart

## WANTED DEAD OR ALIVE

## MINARET STAFF WRITERS

## Photo Show Open To All

Applications are now being accepted for the second annual Old Hyde Park Photo Show sponsored by the Suncoast Photographic Society (SPS) from 9 a.m. to 5 p.m. Nov. 15 in Tampa. (Rain date is Nov. 22).

Entry blanks are available by writing SPS, P.O. Box 2964, Tampa 33601, or by calling Gordon Engebretsen, 935-0435, or Art Kirby, 876-2967, Tampa. The show is open to all interested photographers. Registration is \$5 for SPS members, \$15 for non-members.

The show will be held on South Dakota Avenue between Swann and Snow (the Old Hyde Park-Boneshakers Restaurant area). Set-up time will be from 7-9 a.m. and judging at 11 a.m.

## BIKECENTENNIAL

Be a leader of our nation's Bicentennial celebration. Bikecentennial is seeking 1400 leaders to run the inaugural tours in 1976 of the first Trans-America Bicycle Trail. Leaders will receive food, lodging, and normal tour services as well as a small daily expense allowance, all part of an adventure of a lifetime.

Over 50 courses will be offered at four major training centers in Oregon, Colorado, the Midwest and the MidAtlantic regions. The seven-day sessions include classroom and field instruction in bicycling technique, safety, repair, group dynamics, touring and special bike and camping skills and first aid. In addition to the training centers, courses will be held at Pt. Reyes, N. California; Missoula, Montana; and in New England from April 10 through 16, 1976. Cost, including food, lodging, instruction, books and materials, is \$75.00.

BIKECENTENNIAL, a non-profit, charitable organization, is sponsoring the tours varying in length from 12 to 82 days, covering up to 4,500 miles of America's most historic and scenic regions. The establishment of the Trail marks the beginning of a long term commitment by Bikecentennial to develop a network of long distance bicycle trails criss-crossing the U. S.

For further details on Leadership Training Courses and an application write:

BIKECENTENNIAL '76  
P. O. Box 1034  
Missoula, MT 59801

## ORGANIZATIONS

### Pen & Sword Society

**SUCCESS!!** We had one of the most successful 'Get Acquainted' parties of the century. The turnout was good and the participation was fantastic. Thanks to the wives who took the time to prepare the snacks and help by contacting the other wives and breaking the ice. Most of all, many, many thanks to Bert. We just couldn't have had such a successful party without all your efforts. We do appreciate it. During the party we attempted to crown a new 'Sail Boating Champion' but due to an unexpected tidal wave the race couldn't be completed... right Dick? The 'Horse and Buggy' riding was going great until someone put a dime in the machine. Doug learned some new phrases in the English language and we all received a good lesson in Army map reading. We are sure to have a follow-up party so come to the next meeting on November 14th and let's talk it up.

The polls are still open so if you haven't voted yet stop by and cast your ballot.

Here are the candidates...

<b>PRESIDENT:</b>	<b>VICE PRESIDENT:</b>
Earl Friesel	Fred Lagergren
Larry Martin	(unopposed)

<b>SECRETARY:</b>	<b>TREASURER:</b>
Pete Grey	Rick Bowen
Rod Liles	Tom Jost
	Richard Rockwell

<b>CHANCELLOR:</b>	<b>ACADEMIC CHAIRMAN:</b>
Larry Jordan	Jerry Huffstickler
Wayne Minardi	Austin Snipes
Doug Miyamoto	

Don't forget our 1st Annual Costume Party Nov. 7. Jerry

## Pi Kappa Phi

First off, the brotherhood would like to thank everyone who contributed to our "Trick or Treat" for UNICEF drive last week, it was a great success.

The brotherhood would like to give our special thanks to our two new faculty advisors this semester, Coach Turner and Dr. Walston. Also a very special thanks to Dr. Farkash who has helped us so much in the past. We all hope he will continue.

Our new Assistant Treasurer this Semester is Jewel Peresman and as everyone knows UMOC is here. We urge everyone to get out and vote for the MAN you think is the most qualified.

October 22nd will live long in the memory of the Pi Kapp's of '75 for this was the night we initiated our new daughters and rosebuds. We would just like to say that we feel there is no girl more beautiful than a girl who wears the emblem of Pi Kappa Phi.

Our competition car washes last weekend were both great successes with the brothers easily defeating the pledges, daughters, and rosebuds.

Last Saturday night was the Knight of our annual Halloween Costume Ball. The man from Playboy was there and he never had a better time, but everyone knows if you want to party, just find a Pie Capp. Super Lu provided the music. As usual his show was TREMENDOUS, thanks again Super.

All the Brothers hope the Pledges enjoyed their first journey into the wilderness. We guarantee more to come.

Our intramural football team secured a place in the playoffs with a hard fought victory over the Wrestlers. This game was especially difficult with the absence of our star Quarterback, Tony Falci, better known as "The Juice". Tony is out for the season because of a car accident. We all wish him a speedy recovery. He couldn't been hurt too bad considering the location of his injury. Thanks goes to the BEAVERCREEK BOY, Ed Wiseman for pulling that ball out from under his shirt in the end zoned or we never could have won. Volleyball is coming up and our team is tough and ready to play. Rav and Pooh are confident that the championship will be ours.

## Baseball In The Spotlight

Big question on the Tampa U. campus is the continuing improvement shown by the U.T. baseball team.

Coming off a so-so year, Coach Frank Pernuy sees a much improved club and is hoping for a .500 season or better.

The Spartan Baseball Team has played nine-pre-season games thus far. Although Tampa did post a fine showing against regular season for Eckerd College, winning 6-5 and losing only 1-0 in a recent doubleheader, these pre-season games do not actually mean too much to the ballclub. It's those regular season fall games that count on the record.

The team had an excellent turnout when practice started a few weeks ago. Trainer Louis Diaz noted that over sixty-two players come out for these first few practices and now the roster is down to just twenty-six.

"It was no easy job to make this team, Diaz commented the men that made it were up against rough odds."

Coach Pernuy and Trainer Diaz say the word is that this years schedule is the toughest of all the schools in Central Florida.

The Spartans are a member of the Southern Conference, one of the top ranking conference under N.C.A.A. control. The conference consists of Class A.A. Division 2. standouts Eckerd College, Stetson, Rollins College and Florida Southern.

Florida Southern, a former N.C.A.A. champion, has always been the team to reckon with. The report on them says that they will once again be strong.

Two ballplayers to cook for this coming 1975-76 season are Paul Russo and John Sylvester.

Russo, the Spartans third baseman, has been a pro prospect ever since he set foot on the Spartans infield. Now in his senior year, he is highly regarded by the St. Louis Cardinals as a young man that can do it all. A fine hitter and an outstanding third basemen, Russo should be outstanding for the Spartans.

Sylvester, a junior, plays the outfield. He was the Spartans Most Valuable Player of the 1974-75 season. He was also named honorable mention on the Southeast Conference for last season. Sylvester hits with good power, has a good arm and can make the big play.

Seven additions onto this years team make Coach Pernuy optimistic.

The club has recruited ten newcomers from the Tampa area.

Danny Vasquez, a sophomore utilityman, hopes to fill in at shortstop.

Roddy Alvarez, Jeff Camera, Jerry Matisak, and Tonny Ciccarello are all outstanding ballplayers.

The one weakness of the Spartans is found in their pitching.

The ten pitchers on the roster have not as yet showed the strength and desire needed to hold out the Spartans stiff opposition in this coming season.

The acquisition of freshman pitchers Harold Lewis, Marc Ketly and Richard Buchanan should help out a great deal.

The Fall Baseball Season will start sometime in February against Vanderbilt University.

Cy Sinar

**Infielders:** Bobby Diaz, Drew Hansen, Mike Randle, Danny Vasquez, Paul Russo, David Prigge.

**1st Baseman:** Roddy Alvarez, Bob Wolff, Jerry Camera.

**Outfielders:** Tony Ciccarello, Eddie Camunas, Jerry Matisak, John Sylvester.

**Catchers:** Claud Caruso, Danny Bazarte, Dennis Lopez.

**Pitchers:** Gary Lowen, John DeVino, Brian Doyle, David Pulver, Levin West, Mark Ketley, Alex Riseman, Harold Lewis, Bruce Hiers, Richard Buchanan.

## Lacrosse In The Tampa Bay Area

Lacrosse, the only modern day American sport which was in existence in July 1776 is relatively new to Florida, but under the auspices of the Florida Lacrosse League it is spreading quickly in the State. For the 1976 season, beginning January 10 there will be five college clubs and six unaffiliated teams playing a 75 game schedule. The local Tampa Bay Lacrosse Club is recruiting new players and seasoned veterans for its 14 game schedule.

Lacrosse is an adaptation from an ancient form of Indian warfare. It is currently played as a spring sport by over 300 colleges in the United States and double that number of high schools and preparatory schools. Baltimore is the hotspot of the sport in the US, but it is played widely in Long Island and New England. The sport is spreading around the country and there are club or college leagues in Colorado, Texas, Ohio, California and in the Pacific Northwest.

Lacrosse has one of the longest and most colorful genealogies in American sports history. The letters of the early French explorers, missionaries and settlers are full of notes about the Indian game of *baggattaway*. There has even been some talk of the Vikings bringing the game to America in the tenth century, a theory supported by numerous references in medieval Icelandic prose to a ball game that was similar to modern lacrosse in its wild spirit. On June 4, 1763 Ojibway and Sac Indians encamped near the British garrison at Fort Michilimackinac on Lake Michigan invited the Redcoats to a *baggattaway* match in honor of King George III's birthday. A trapper at the scene wrote, "Hundreds of lithe and agile figures were leaping and bounding on the plain. Rushing and striking and tripping their adversaries or hurling them to the ground, they pursued the contest and amid the laughter and applause of the spectators." The game was in fact a ruse to divert the attention of the British soldiers and the garrison was soon overrun by these early "lacrosse players."

Today's game has been trimmed in size from the 600 players and ten to 15 mile field of play in former days. There are ten men to a side, the field is 110 yards long and 60 yards wide. The ball is about the size of a tennis ball, but made of hard packed rubber. The action is similar in some respects to ice hockey and has justly been named the fastest game on two feet."

The Tampa Bay Lacrosse Club played its first game in November 1972 against the University of Florida in Gainesville in the shadows of the 61,000 seat Florida Field on a soggy afternoon.

## Intramural News

Men and women's volleyball games will begin Tuesday, Nov. 6 at 3:30 in the fairgrounds. All teams and team managers please check your boxes in the Intramural office.

Badminton sign-ups are now over and play will start soon. Please check Intramural mailboxes for schedules.

There will be a meeting on Wed., Nov. 5 at 4:30 in the union, Room 3 for all volleyball officials and team managers. This is an important meeting. All teams must furnish at least 2 qualified officials for this sport.

American Conference	National Conference
C. C. & Co. .... 6-1	PI Kappa Phi .... 6-1
TKE ..... 6-1	Nasty Magraders .. 6-1
Theta Chi ..... 6-1	

One of these teams will be the Intramural Flag Football champs. It's very hard to give any predictions as to who will win in both divisions. All five teams are very tough and have a lot of pride. The playoffs and finals are up for grabs but one thing is for sure each game will be a good one. Go out and support the team of your choice.

In Co-Rec football, the Recreation Club did it again by winning over C. C. & Co. On Monday, by a score of 12-0. Once again the combines passing and running of Debbie Wilcox and Terry Ovalle proved the winning factors. With guys like Dan Lea, Gene Moll and John Heath on the team, there's a good reason for winning. For C. C. & Co., the disadvantage was the absence of an eight player but next week they'll be out in full force and practiced to play. There was a guest appearance by Dean John Meyer for C. C. Also drafted by C. C. for the afternoon from the PI Kapp team was Kathy Hoyne, UT's female answer to Mark Wakefield. Thanks for playing Kathy. Everyone is having fun in this new intramural sport and we hope that it catches on as time goes on. Come out and watch on Mondays at 4:30 and rest on your teams.

the day after Homecoming. The game on a wind and rain whipped field yielded a 7-7 tie and marked the first encounter between two native Florida lacrosse teams. Lacrosse came to Florida in the early 1950s as a substitute for a shrine benefit football game in West Palm Beach. Many northern college teams such as Duke, Army, Princeton and Navy came to the east coast of Florida for their spring trips.

Several University of Tampa athletes played in that first all Florida game in 1972 and the Tampa Bay Lacrosse Club has drawn heavily from UT ever since. Would-be Tampa footballer Dan Rauh was a defensive star on the first Tampa Bay Club and "Irish Tim" O'Brien, a fleet-footed red head who came to the University from Maryland scored a key goal in that first game against the Gators. Joel Hamburger was a starter the first year as was Randy Hecht. Jeff Molofsky of the Class of 1974 and a high school All America in lacrosse from Severna Park, Maryland was a charter member of the TBLC and Molofsky, now a Hillsborough County teacher, remains a standout midfielder in the League. Future UT involvement in TBLC and in lacrosse generally will rest on Tom Bernadzikowski, a high school player at Milford Mill in Maryland. Bernadzikowski, who notes that there are openings at all positions for the upcoming 1976 Tampa Bay season, encourages all seasoned players and raw recruits to contact him at Post Office Box 1767, University of Tampa for further information on practices, equipment, etc.

The Tampa Bay Lacrosse Club is comprised of college and post- or pre-college players from Hillsborough, Pinellas, and Manatee counties and plays a 14 game schedule within the Florida Lacrosse League. At the end of March TBLC cosponsors the Suncoast Lacrosse Tournament which brings northern college teams to Tampa for two weeks to play a round robin tournament among themselves and against Florida teams. Past northern visitors have been Army, Air Force Academy, Williams, Dartmouth, Kenyon and St. Lawrence Univ.

The TBLC opens January 10th against Jacksonville Lacrosse Club and the next day in Gainesville renews the old rivalry against the University of Florida. Other clubs on the schedule are Florida State University, University of Miami, Florida International University, Orlando Lacrosse Club and the Pensacola Naval Air Station. The season ends on April 3, 1976 against crosstown rival, University of South Florida. Anyone wanting to learn a new game, play a challenging schedule of Florida college lacrosse teams celebrate the American Bicentennial in an athletic manner and hopefully someday bring collegiate lacrosse to the University of Tampa should contact Tom Bernadzikowski.

## Pen and Sword Going To The Dogs

You bet, the dog track that is! It's Pen and Sword Night on the 28th of November at the Tampa Greyhound Track. The evenings activities start at 2000 hrs. and include a buffet dinner in a private dining room, private betting windows, closed circuit TV, full view of the track and an open bar.

The cost for this evenings entertainment is \$6.00 per person, including free admission to the track. Pen and Sword members and their guests wishing to attend are requested to purchase their tickets in the Pen and Sword office prior to the 21st of November.

John

## Costume Ball Nov. 7

The unexpected is expected at the Admiral Benbow Inn on Friday night, the 7th of November, when the Society hosts its 1st annual costume ball for the entertainment of its members and invited guests.

Complementing the mood setting sounds of The Desert Winds brass band, playing our favorite tunes of today, will be the cozy setting of the Three Bays Ballroom.

It has been overheard that some of those expected include such characters as Scarlet O'Hara and Mr. Spock, while Andy has always to be a Soldier, and Tom has started developing Gorilla-like tendencies. The Tooth Ferry, the Rhinestone Cowboy, Frankenstein, and Raggedy Ann may be there too!!

No matter who comes unexpectedly, even if you come as yourself, we're looking forward to meeting you there — for the fun of it. And remember, reservations aren't necessary — just come and have a good time, and why not... it's on you!!
