TAMPA JUNIOR COLLEGE BULLETIN

NOVEMBER 30, 1932

This bulletin is issued weekly by the Publication Committee of the Student Council for the information of students and instructors.

ASSEMBLY THURSDAY

All students will be expected to attend the assembly Thursday, December 1, at six-thirty. Classes will be suspended until seven-thirty.

CHRISTMAS HOLIDAYS

Christmas holidays will begin at nine-thirty Friday night, December 16 and end at three o'clock Monday afternoon, Jan. 2.

BOY'S BASKETBALL

Boy's basketball practice will be held in the girl's Phy. Ed. room on Monday, Tuesday, and Friday nights at nine-thirty. Coach Walter Burrell is in charge and wishes to see a large number of candidates turnout.

ATHLETIC ASSOCIATION NEEDS MEMBERS

Every student is asked to do his bit toward buying Athletic Association membership tickets. Help the basketball teams get started. The girls need uniforms, and the Association needs money to purchase letters for lettermen. Come on! Don't wait to be pushed; volunteer. Show the Spartan spirit. Your dollar ticket will permit you to see all home games--boys and girls. The schedule includes the league games of the newly-formed Florida Intercollegiate Freshman Conference, of which we are a member. The Conference consists of the following colleges:

St. Petersburg Junior College
Ringling College
Southern College Freshmen
Stetson University Freshmen
Florida Military Institute
Florida Military Academy
Miami University Freshmen.

Each team will play at least one game here.

STUDENT COUNCIL MEETING

All members of the student council should meet in room 212 at 6:00 Friday night.

CANDIDATES WANTED

Every girl in the college has a chance to make the basketball team. The squad is practicing three times each week at Lee playground. Miller Adams is in charge. Those interested should report at nine o'clock Friday morning.

The remaining officers--Wofford Waite, Ray Kimball, Louise Leonard, Miller Adams, and Jack Fitzgerald--are from schools out of town.

That Dean Coulson and Dr. Becknell went fishing at Port Tampa, Thanksgiving? By wrapping the lines around the piles and breaking them on the barnacles, the fish outwitted the pair for a while, but, undaunted, the two fishermen exchanged their lines for antennae wires and landed a fine twelve-pound Ra-b-lo. Fishing is not only the holiday, but also the Saturday diversion of the Dean and Dr. Becknell.

That 39% of the students at Tampa Junior college are studying to be teachers, and 13% are entered in the school of Commerce?

That 25% are wholly and 27% are partly dependent on their own efforts to pay their way through college?

That five students have scholarships to Tampa Junior college?

That of the entire student body, 45.1% are from Hillsborough and 27.4% are from Plant?

That students from the following places are attending Tampa Junior college: Leipsic, Ohio; Baltimore, Md.; Lucedale, Miss.; Valdosta, Ga.; Charlotte, N. C.; Morristown, Tenn.; Greenwood, S. C.; Atlanta, Ga.; and Ashburn, Ga.

That the average age at Tampa Junior college is 19 years, the oldest student being 50 and the youngest 15?
