## FAREWELL MESSAGE TO THE CLASS OF 1951

By E. C. Nance, President

The topsy-turvy condition of the world, the uncertain destiny of the future of our civilization, the wistful mood in which all of us face each day are current facts that presents a real handicap to optimism and hope.

In another age two thousand years ago—when the immediate prospects for the peace and prosperity of the human race were just as bleak and black as they are now, the Apostle Paul defined faith as "... Assurance of things hoped for, a conviction of things not seen." In the trying years ahead we shall all be turning to St. Paul's resume of the glorious history of the past (the eleventh chapter of Hebrews) for refreshment of our morals and courage. In a brief, paragraphic summary of the achievements of many heroic men and women who had labored, fought and died for the just and righteous cause of humanity Paul tells us that they—

*"Through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, quenched the power of fire, escaped the edge of the sword, from weakness were made strong, waxed mighty in war, turned to flight armies of aliens."*

Today, we see in these words of St. Paul history, prophecy and promise, and we must face the future with these stirring words in our hearts and believe with St. John that "This is the victory that overcometh the world, even our faith."

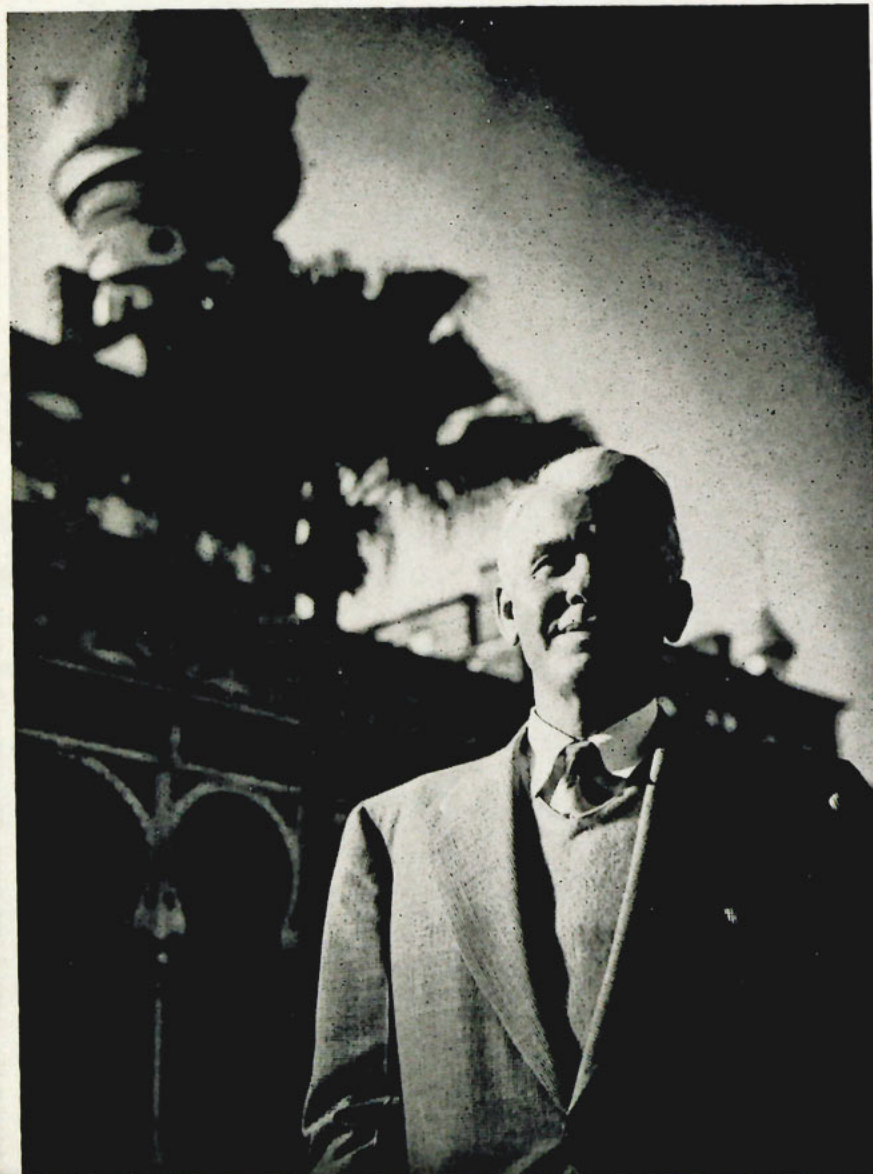

Nietzsche said many foolish things, as every man does in the course of his life, but he left one timely exhortation which we might ponder with profit, "Throw not away the hero in thy soul."

Dr. Johnson once said of Oliver Goldsmith "He would be a great man if he realized the wealth of his internal resources."

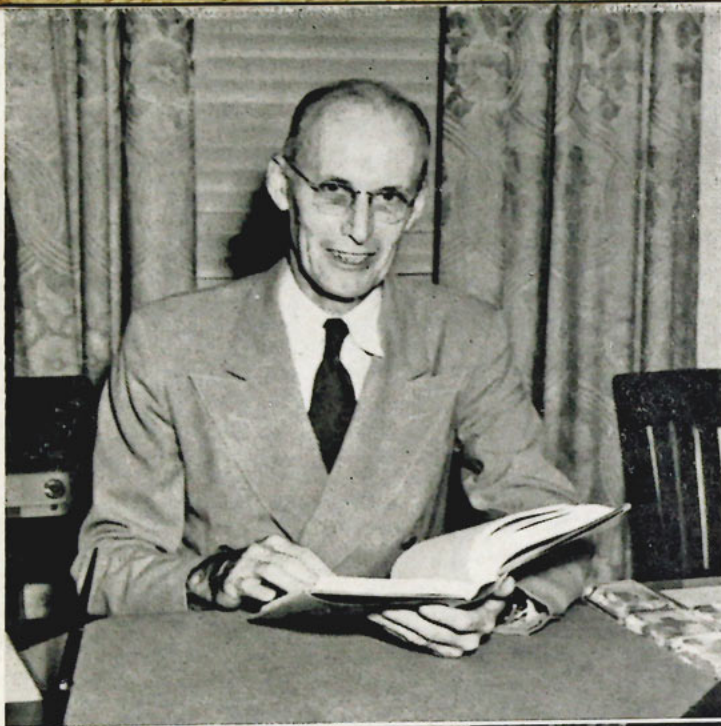

We hope that you have received from the University adequate professional preparation, plus, if you did not already have these when you came to us, a better understanding of and a deeper love for our country; a keener sense of the responsibilities and obligations of citizenship in our democracy; the training and the will to think straight and fearlessly; a sound understanding of and a quickened interest in the common problems, hopes and aspirations of the world community; an intelligent desire to see justice, righteousness, goodwill and peace established among all nations; a love of truth, beauty and goodness wherever you find them.

You leave your beloved Alma Mater with the full support of our fervent prayers for your welfare, happiness and success.

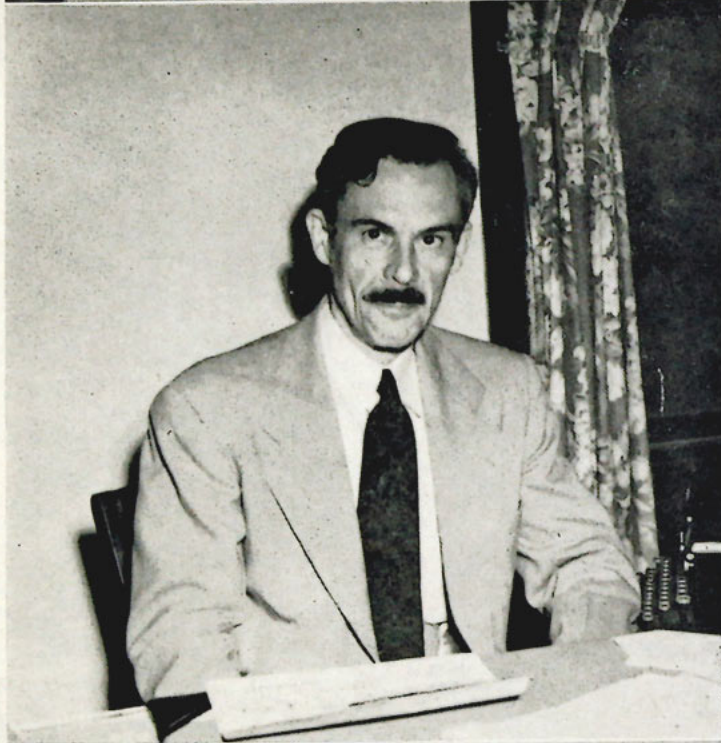

God Bless You

## STUDENT SENATE

### This Was The Year

This was the year for the student senate. Spring of '50 found a riproaring campaign under way with many candidates bucking stiff competition to gain votes. The final tabulation found the man of the hour, Howard Sypher, elected as the new student body prexy.

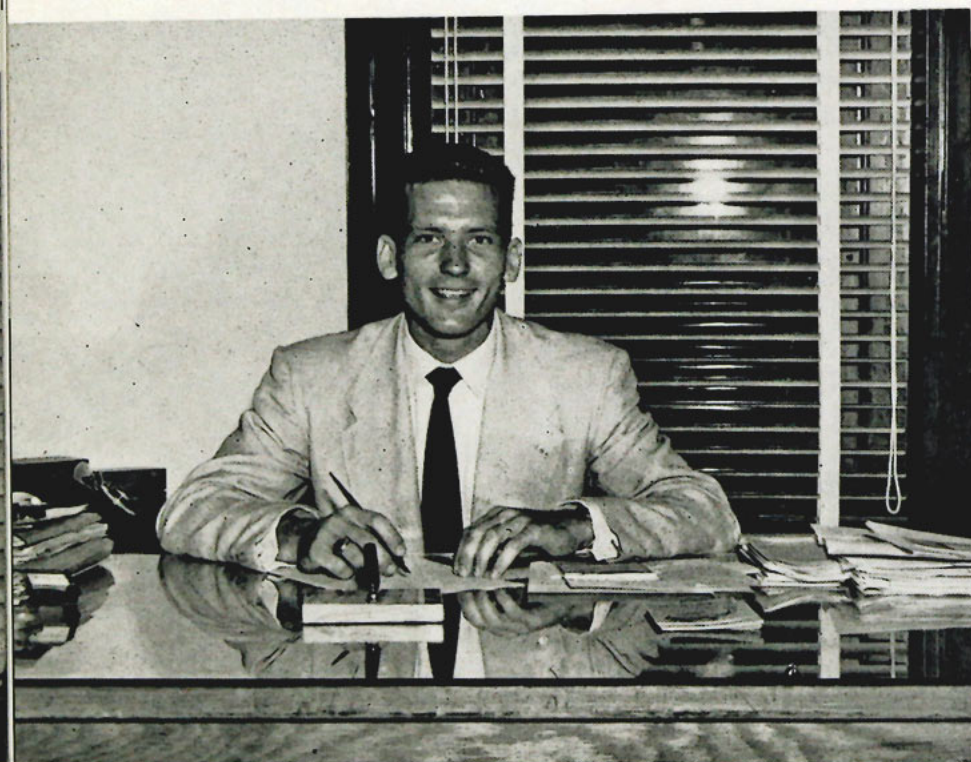

Chosen as Junior Class President in '49, How-

ard seated himself behind the desk to handle the biggest job of all and carry the senate through one of its best years.

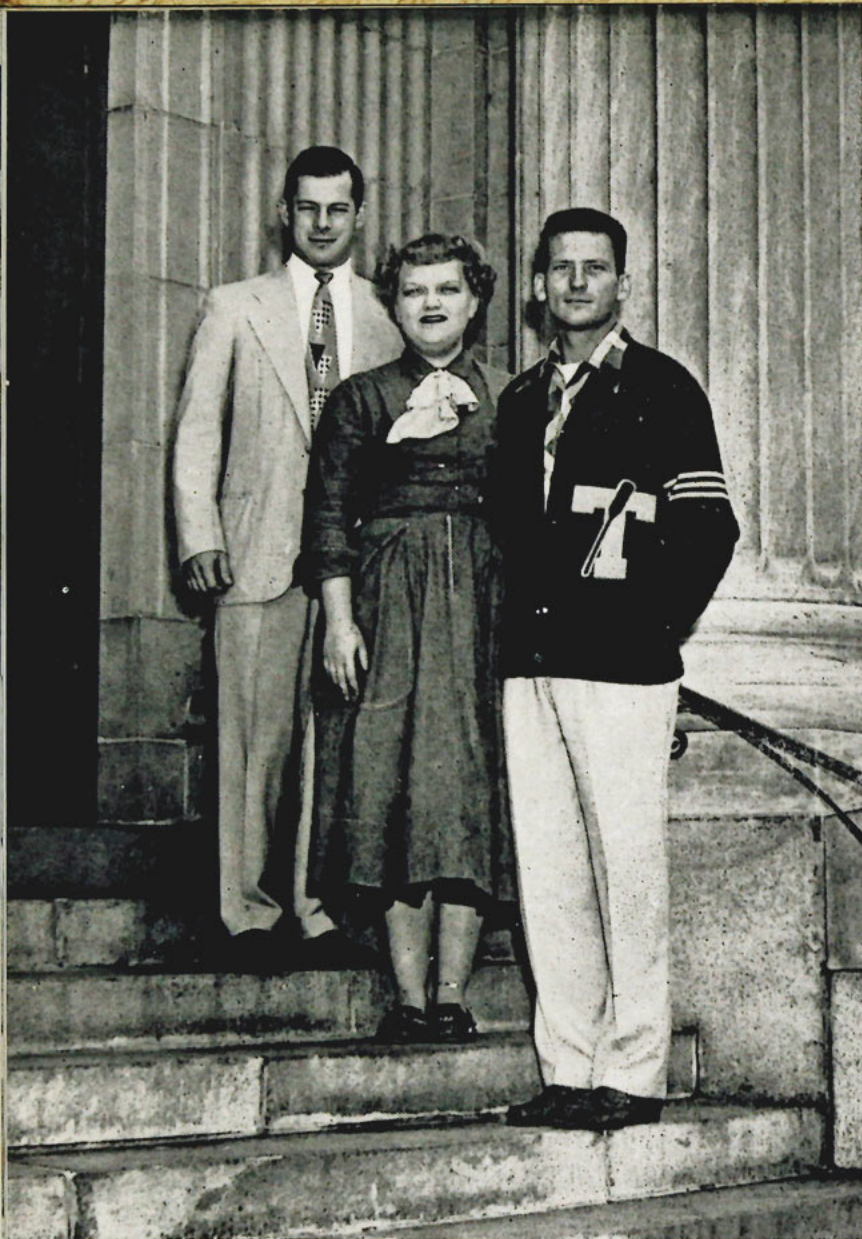

The students found Howard always ready and willing to listen to their problems or suggestions, and to face any problems that arose.

At the start of second semester an election was held to fill the vacated office of President and Vice President. Sypher was called into service and Stalnaker was forced to leave due to illness. New officers elected were William Clark as President, and Glenn Massey as Vice President.

## SENATE REORGANIZED

Completely reorganized and placed on a full year activity basis, the senate won the praise and admiration of many students and administrative officials. This was the first time in the history of the University that the Student Government operated as an official body during the summer session. Fall term found the senate in full swing and ready to handle the year's activities.

Don Munn, Senior Class representative, headed the delegation of Tampa students attending the Miami Student Government Convention. Information obtained from this meeting helped the senate to organize its staff into a smoother and more efficient group.

The biggest problem to face the senate was the Parking Problem. The 1950 Fall semester brought more and more cars to U.T.'s campus and the available parking lots were overflowing. An appointed committee undertook an immediate investigation. With the cooperation of the Tampa Traffic Department, the main parking lot was paved and marked off with proper spaces. Additional space was provided in the vicinity of the Athletic Building. Ralph Steinburg was appointed parking commissioner to handle any future problems in this field. All students were issued windshield stickers with which to identify their cars and a traffic court was established to take care of all violations.

## AID TO STUDENTS

Volunteering their assistance, senate members placed themselves at many points of the registration procedure offering advice and aid to new students.

Rat week caught many an unsuspecting Freshman bowing to the desires of upper classmen. Under the able leadership of Junior Class President, Warren White, the new students were well briefed in the one week's activities and fun was had by all under the approval of the Administration.

The book exchange was continued through the services of the Senate. This served as an outlet for used books and became a great help to many students who wished to sell their used text books.

Among other duties, the Senate took on the responsibility of furnishing transportation and care for all wheelchair students wishing to attend sports events and social functions.

## BIGGER HOMECOMING

The big project was the '50 Homecoming celebration. Months of planning and preparation brought forth the biggest and best holiday weekend ever seen for U.T. Parade Marshal, Bill Stalnaker, sounded the command to step off the procession of floats that brought students, alumni, and citizens to jam the downtown streets of Tampa.

VAL RIPLEY  
Editor in Chief

'51 saw a bigger and better newspaper under the conscientious leadership of Junior-classman, Val Ripley. It was the first time in several years that the staff had been so well organized as to promote staff interest in presenting news to the student body. The editor-

ship was placed in the able hands of Senior, Carl Erickson, after Ripley resigned to return to the United States Merchant Marine. Carl followed in Val's footsteps to bring to the students the best in news and articles of interest.

## ALPHA GAMMA

At the second assembly of the year, Alpha Gamma sorority received the Intramural Trophy which is given to the winning team in the women's division. The sorority had first place in basketball, volleyball, softball and bowling, and second place in hockey. On November 28, after the Appalachian-Tampa game, we had the Hobgoblin Hop at the Hellenic Center. The dance was very successful.

During Homecoming we reached the heights by winning the prize for the best float in the parade, the award being presented to us at halftime at the Homecoming game. The active chapter entertained the alumnae after the game with a buffet supper at the Hillsboro Hotel.

The most important event of the year has been the redecoration of the sorority room, which now is equipped with new furniture, rug and drapes. To celebrate the event the active chapter gave a housewarming at the sorority room which was attended by both the active and the alumnae chapters.

## DELTA KAPPA

Many honors came to members of Delta Kappa sorority in 1950-51. Louise Jenkins and Dorothy Bachman were elected to Who's Who. Glenn Massey was elected Vice President of the Senior Class and President of the Intersorority Council, and Joan Wuertz was chosen Secretary of the Junior Class.

Georgia Reed received the Higgins Scholarship Pin for having the highest scholastic average for the previous semester in the sorority. Anna Ruth Beck and Mary Ester Bartlett were in the Court of the Homecoming Queen. Mary Ester was also named Miss Tampa of 1950.

Lena Moore Gantt, Glenn Massey, Alice Thomas, Mary Ester Bartlett, and four pledges, Layne Anderson, Sylvia Hainsworth, Joyce Boothby, and Marjorie Christensen, were elected as daughters of Sigma Kappa Nu.

The year was highlighted socially by the Night Club Dance, and, in the spring, the Lead Out Dance, introducing the new pledges. The sorority gave a Thanksgiving breakfast and a Christmas party and dinner. They also prepared baskets for needy families on both occasions. The Delta Kappa float won second award at Homecoming.

## SIGMA THETA PHI

The Sigma Thetas had for the theme of their float this year "The University of Tampa Unites the Nations." Pat Batts was chosen a member of the Queen's Court at Homecoming.

Pat Batts was also a sponsor for the Beta Chi 'T' Dance this year, and Mitzi Hoffer was chosen to be a sponsor for the Rho Nu Delta Carnation Ball.

The first social event of the year was the "Cha Chi Woo," the Holiday Ball, which was held at the China Clipper. In January the members and alumnae had an informal party on the Causeway. The rushing season for the sorority began with a Hobo Party given by Sigma Theta alumnae.

Our social year closed with the traditional Stardust Ball, held in May at the Tampa Yacht and Country Club. At this time the pledges were formally introduced. Each pledge was introduced through a large silver star and was met by her sorority mother, who presented her with a gift. The last girl to be presented was named the outstanding pledge and was given a pledge ring.

## ZETA DELTA PHI

Zeta Delta Phi gave two very successful dances, the Cabaret Dance in February, and the Cinderella Ball in May. The latter was held at the Tampa Golf and Country Club at Forest Hills.

The sorority won the intramural bowling championship. Two of our members held class offices this year. Lula Belle Stalnaker was Secretary of the Senior Class and Mary Sheridan was Vice President of the Junior Class. Evelyn Perez served as Secretary of the Newman Club. Marion Terry and Michalee Slavin were prominent in University dramatics.

Lula Belle Stalnaker was a sponsor for the Beta Chi 'T' Dance and the Rho Nu Delta Carnation Ball.

The new sorority room has been attractively furnished, and one of our pledges, Carol King, is painting several pictures which will be placed there.

An important event was the forming of the Zeta Delta Phi Alumnae Club. Louise Clayton was elected President, and Meredith Weber and Katherine Sible were chosen Vice President and Secretary-Treasurer respectively.

## BETA CHI

Beta Chi was outstanding in intramural sports in 1950-51, winning the football championship and placing third in basketball and volleyball.

Bill Stalnaker, Jose Unsiog and Paul Danahy were elected to Who's Who. During the first semester Bill Stalnaker served as President of the Senior Class and Vice President of the Student Body. Another member of the fraternity, Bill Antonini, was President of the Panhellenic Council.

At Homecoming the fraternity was host to the alumni at a breakfast at the Floridian. Shirley Rhodes was the Beta Chi candidate for Homecoming Queen.

During the Christmas holidays, Beta Chi moved into its new rooms on the second floor of the University building.

On December 11, Mike Diaz resigned as President of the fraternity, and Harry Seely was elected to succeed him in that office.

The fraternity promoted a very successful project and were able to donate \$175 to the University Scholarship Fund.

Among the most successful social events of the year were Beta Chi's traditional 'T' Dance, held in October, and the fraternity's annual spring dance, the Bowery Ball.

## KAPPA SIGMA KAPPA

The Fall Dance, held on the front porch of the University, opened the social season for Kappa Sigma Kappa. The new fraternity song, "Darling of Kappa Sigma Kappa," written for and dedicated to the local chapter by Spencer Williams, noted New York songwriter, was introduced.

At Homecoming the chapter entered an impressive float, depicting "Peace Through Education." During Homecoming week rooms were provided at the Hillsboro for the alumni and visiting guests.

In December, the fraternity made its annual contribution of Christmas gifts to all children at the Florida Avenue Children's Home.

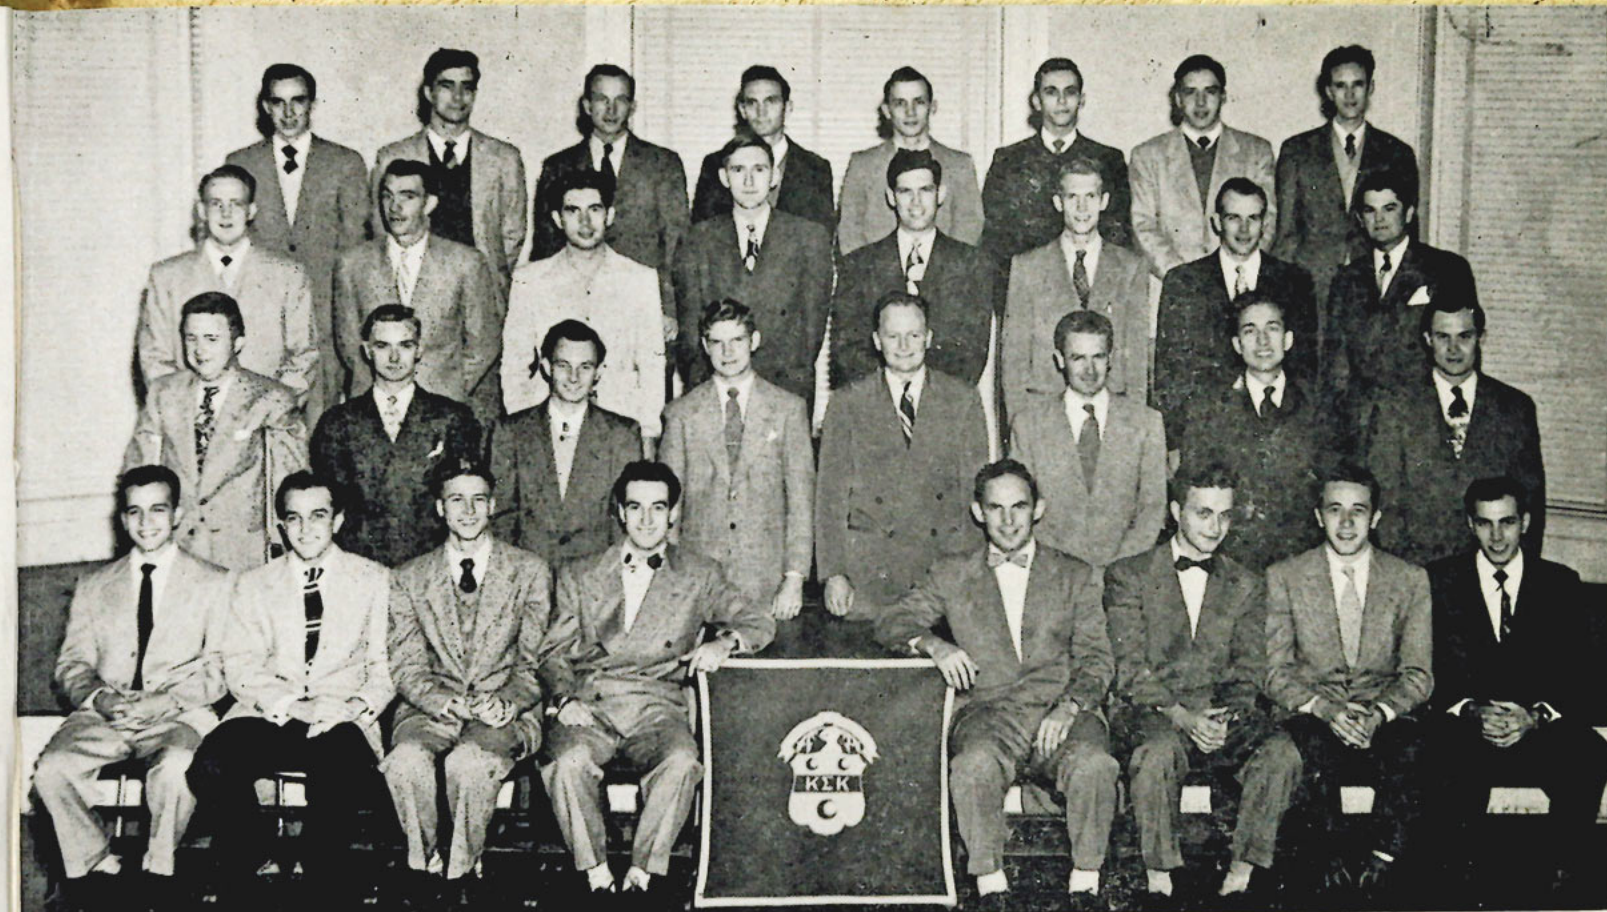

The big event of the year occurred in March when the fourth Anniversary Ball was held at the Crystal Ball. Miss Francella Smith was presented as the Fraternity Sweetheart, climaxing this most enjoyable event. Presentation of the Most Outstanding Pledge award was made to Freddie Spencer.

In the short span of five years, the Florida Alpha chapter of Kappa Sigma Kappa has grown from a small local group to the leading Florida chapter of this national fraternity.

## RHO NU DELTA

Rho Nu Delta fraternity gave two outstanding dances in 1950-51. The first of these was the traditional Carnation Ball. The second was the annual Beaux Arts Ball, held at the University of Tampa and recalling the era of the Gay Nineties when the building now the home of the University was the fabulous Tampa Bay Hotel. The Beaux Arts Ball is for the fraternity's scholarship fund which makes a year of college work available to a worthy high school graduate.

Among other events on the social calendar of the year, one of the most memorable was the Anniversary Banquet of Rho Nu Delta. In the spring, the fraternity held its annual beach party at Pass-a-Grille.

This year, as in other years, the fraternity was one of the leading contenders for the intramural championship, and at this writing is second from the top, having the same position among University organizations that it held last year at the close of the intramural season.

## SIGMA KAPPA NU

Sigma Kappa Nu had seven members in Who's Who this year. They were Howard Sypher, Donn Munn, Warren White, Avron Bryan, Harry Bryan, David Barksdale, and Jack Hendricks. Howard Sypher was President of the Student Body, Donn Munn was Senior Class Representative, and these two members were also named respectively Junior Lion and Junior Rotarian of the year. Warren White was President of the Junior Class. Geo. Hoppe won state championship for fencing. Henry Bryan was elected for All-States basketball.

At Homecoming the fraternity held open house at the Hillsboro, and the actives and alumni joined in arranging two parties, an example of the growing cooperation between the actives and alumni that made the year a notable one in this respect. Our candidate for Homecoming honors, Mary Esther Bartlett, was chosen to the Queen's Court. Our float won first prize in the Homecoming parade.

The traditional Christmas Dance and Gardenia Ball, both held at the Cuban Club, picnics at Lowry Park, and our twelfth annual Daughter's Day, with a luncheon at Rubin's were all very successful.

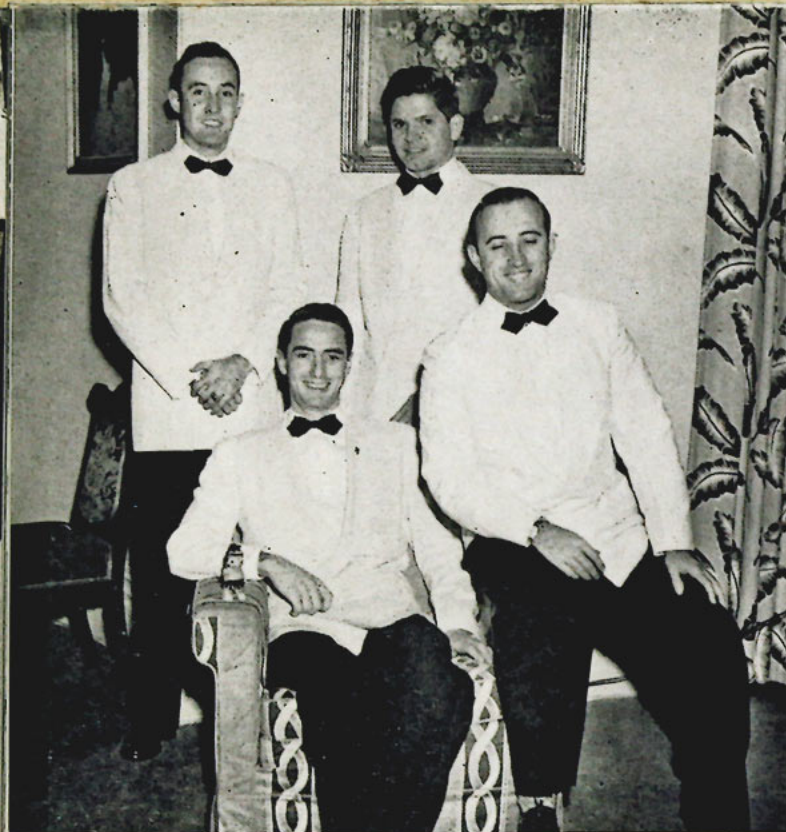

MEMBERS: FIRST ROW: VICTOR FRESH, PET MORGAN, JOE ROMEO, JACK HENDRICKS, DON MUNN, DAVID BARKSDALE, DESMOND VICKERS, JOHN BLACK, VERLIN GUERNSEY, JACK THATCHER, HOWARD SYPHER. ## TAU OMEGA

Tau Omega maintained a well-activated group despite the several changes in executive officers. Ralph Kitchen was elected as President when Joe Pupello was unable to continue in this office. Other officers elected were Richard Klassen as Treasurer and Jim Mann as Vice President following the graduation of Julian May.

The members opened their fall activities by promoting plans for redecoration of the fraternity rooms.

Homecoming found T.O. among the top. The combined efforts of the actives and alumni put another T.O. in as President of the University Alumni Association. The fraternity took second honors in the parade division and saw their Homecoming representative, Miss Pat Batts, selected as one of the Queen's Court.

In sports, Tau Omega was handed a series of defeats in football but came back to take second place in the basketball league.

Of the other activities that rounded out the season, the annual Candlelight Banquet and Ball was acclaimed one of the most beautiful in the history of the fraternity. The traditional Ring Dance brought a climax to the social calendar.

The '51 Spartans

Last season the Spartans worked out dazzling combination plays which completely befuddled their opponents. The success story, however, began when Frank "Fireball" Sinkwich and his trusty cohorts came to town to coach our University sports.

If we look into the records of these men we can see why the Spartans clicked like clockwork. Every one of the coaches was once part of a great football team.

Our Head Coach, Frank Sinkwich, gained immortality on the football playing field at the University of Georgia. He became even a greater name player after he served with the Detroit Lions, New York Yanks and Baltimore Colts. His ability to coach won him the position of Head Coach with the professional Erie Vets. In 1950 he accepted the

Head Coaching position at the University of Tampa. Shortly thereafter, he won his way into the hearts of the local citizens with his sincerity and proposals of building a great little football team at this University.

Coach Sinkwich brought with him John Vardian of Johnstown, Pennsylvania. Vardian played with the famous Amphibs of Ft. Pierce while serving with the United States Armed Forces. He also played with the Miami Seahawks and the Baltimore Colts. He was also a player coach for the Erie Vets. John Vardian is the Spartan Backfield Coach.

Sam Bailey of Sanible, Florida, also came to Tampa as a part of Sinkwich's coaching staff. He won four letters in football at the University of Georgia, two letters in track, and one in both baseball and basketball.

Coach Bailey played pro football for the Boston Yanks, Richmond Rebels and Erie Vets. He also played basketball for the Richmond Vanguards and the Georgia All-Stars. In his spare time he performed on the diamond with semi-pro baseball clubs in Georgia and Florida.

Marcelino Huerta of Tampa, according to Coach Wolfe, late coach of the University of Florida, has exceptional talent for coaching. Marcelino played outstanding ball at Hillsboro High School and was widely acclaimed by the public. He was called into the armed forces and upon discharge he entered the University of Florida and played three years of outstanding football at guard.

## TAMPA 13 — CAMP LEJEUNE 7

Vince Chicko's scintillating 80-yard return of a pass interception in the third quarter, together with an opening period score by Lou Sequella, catapulted the Spartans into a lead they never relinquished as they upset the host Marines in their eagerly awaited opener.

The contest was hardly five minutes old when Sequella took a pass from John Lahosky to mark up Tampa's first 6 points. Mraovich converted and the Spartans clung to this tenuous margin till the third quarter. Lejeune then opened up its passing attack in an all-out effort to even the score, but it backfired when Chicko snatched an errant aerial and raced his game-winning yards.

The Marines fought doggedly back, scoring one touchdown late in the final quarter, and with seconds left in the game, completed a desperation pass to the Tampa one yard line. At this point the game ended, leaving the Spartans a scared but deserving victor.

### TAMPA 7 — JAX TEACHERS 20

Black disaster struck an overconfident squad in this game as the teachers from Alabama romped home an easy winner. Displaying a surprisingly potent brand of offensive and defensive football, the Teachers rolled to a 14-0 lead at half time while restricting our forces to a net loss of 28 yards.

The Tampa offense was simply stymied every time they attempted to make a game of it, and it wasn't until the final period that the battered Spartans picked up their lone score. Ironically, the offensive team watched from the sidelines as Vince Chicko, for the second time in as many games, intercepted a pass and sped to paydirt. The 64-yard theft was just too little and too late.

Lashley charges down to put an end to a long Stetson run

### TAMPA 13 — WOFFORD 0

Eighty-five hundred jubilant Tampans roared their approval as the Sinkwich Circus soundly thrashed the Terriers of South Carolina in their 1950 home debut. Still smarting under last week's stinging defeat, the Spartans toppled the favored Wofford team in decisive fashion.

Charlie Harris, Vince Chicko and Milo Mraovich sparked the drives which provided the necessary points, but it was the stellar work of the defensive demons that drew the plaudits of the spectators. Time after time they drove the Terrier offense backwards as the crowd sat awed at the performance. In addition to netting just 40 yards from scrimmage, the visitors were handed their first shutout defeat in two seasons.

### TAMPA 27 — STETSON 20

A high-flying Spartan eleven took a near-fatal nose dive in this thriller, as they watched a 27-0 halftime lead melt under a torrid second-half attack by the Hatters from Stetson.

A record crowd of some 11,000 watched the Spartans run rampant over a befuddled Stetson team for two periods, and it appeared as if they would make a runaway of an expected close game. While the defensive team held the visitors in check, Gene King, Ray Jackson and Milo Mraovich guided a high-geared scoring machine to four T.D.'s.

The second half saw the Hatters jump right back in the game with a bang. They scored once in the third quarter when a Spartan kick was returned all the way, and two lightning-like passes in the final frame had our forces reeling. The Sinkwichmen finally dug in to stop any further threats and hand a game Stetson eleven its first defeat of the season.

### TAMPA 19 — APPALACHIAN

### STATE 36

Before 8000 staunch supporters the Spartans dropped their first home game of the season to the strong Appalachian State Mountaineers. The home team made a ball game out of it for the first half but ran out of steam after the intermission.

Milo Mraovich distinguished himself with his excellent punting. Vince Chicko ran back several Appalachian punts for a los-

Hey . . . Wha . . . Hoppen

ing cause. Vince took a handoff of a punt from Gene King on the Spartan 18-yard line and ran it back to the State 29 to set up the third Spartan touchdown.

The deciding factor in this game was the pass defense of State. They intercepted five of our aerials, three of which they ultimately converted into touchdowns.

Marley and Sliman close in on a Mountaineer

Nobody left the game feeling bad about the Spartans. They had a good ball club and put up a much better game than the score would indicate.

## TAMPA 41 — LIVINGSTON STATE 39

In the year's most exciting game the Spartans edged a powerful Livingston State team in the final five seconds of a brutal contest. For four quarters the two teams exchanged the lead every other minute, and with less than a minute to go it looked as though the visitors would leave the field victors.

With one minute and a few seconds remaining, Tampa had possession of the ball

Hook and Al take care of Beach on sidelines

deep in their own territory and the scoreboard showed Livingston leading by four points. Lahosky faked his way by several hard-charging State linesmen and threw a 30-yard pass to big Holland Aplin. Aplin made an impossible catch that threw him off stride and he was downed on the State 28-yard line. The play covered a big 49 yards. With the clock running out on them the Spartans quickly ran another pass play and this time John Lahosky shot a bullet pass to Lou Sequella which ended on the State 14-yard line. The third pass was incomplete and

Sequella eases over a goal line as No. 19 makes faces

Spartan hopes dropped. Not to be denied, the next play was Lahosky to Gene King, and the ball was on the one-yard line with five seconds to play. With the opponents fighting like maniacs to get their hands on him, John Lahosky carried the ball himself and scored the winning touchdown.

This game can be ranked as one of the all-time college football thrillers and our own John Lahosky should be remembered by every fan who saw the game. There was never a cooler field general calling the plays.

Mraovich sidesteps and makes for goal line

## TAMPA 34 — DELTA STATE 6

The inspired Spartans showed a Homecoming crowd of over 7000 fans the potential powerhouse in all of its ultimate glory.

John Lahosky took up where he left off the week before and connected for pass after pass. He was more than assisted by little Vince Chicko, who ran his legs off only to have his efforts called back for penalties.

The mammoth Spartan line played as a unit and the only way the State linesmen could break through was to crawl beneath the turf. Their effectiveness is easily proved by the length of time the Spartans had to throw their passes. Ray Escobar proved the old adage of a good little man being better than a poor big man when he held off the big tackles of State without much effort. This was a game in which most of the glory should go to the unrecognized titans of line play.

## TAMPA 0 — QUANTICO MARINES 48

Tampa's little group of college athletes suffered their worst defeat of the year when they met the mixed team of professionals and

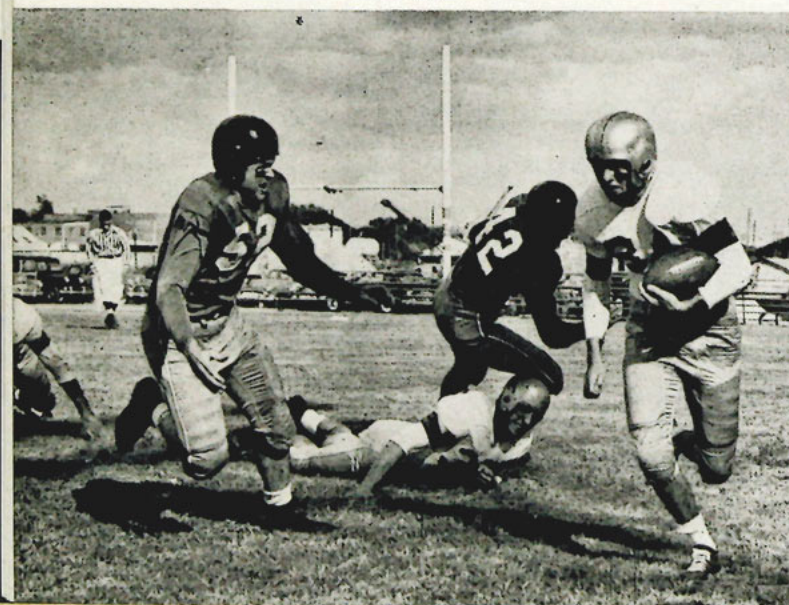

Coach Huerta receives instructions from topside

former All-Americans, the Quantico Marines. When this game was scheduled the Marines were expected to have a team with the same level of players as the Spartans. The emergency of world affairs changed the picture and Tampa decided to play the game as scheduled.

It was just a question of Eddie LeBaron's passes connecting and Lahosky and Jackson's just missing the target by inches. LeBaron is well remembered for his All-American playing for the College of the Pacific and his later career in the professional ranks where he was considered one of the best quarterbacks in the league.

Tampa was unable to penetrate past the Marine 20-yard line. This is not as bad a

Harris moves around end on a pitch-off

picture as one could believe, for all the reports sent back from the game both from the Marine correspondents and from local sportswriters were of the opinion that Tampa possessed one of the finest small college teams to play at the Marine base.

## TAMPA 19 — FLORIDA STATE 35

For three periods the valiant Spartans held State before the smallest crowd of the year in a game played in Tallahassee. The weather was bad and at game time the thermometer dropped down to 33 degrees. At the end of the game there were less than 1000 fans still in the stands.

Vince Chicko provided the biggest excitement for the Spartans when he ran the ball for 92 yards. The gain was provided by a

hard block thrown by Tom Battaglia on the State 30-yard line.

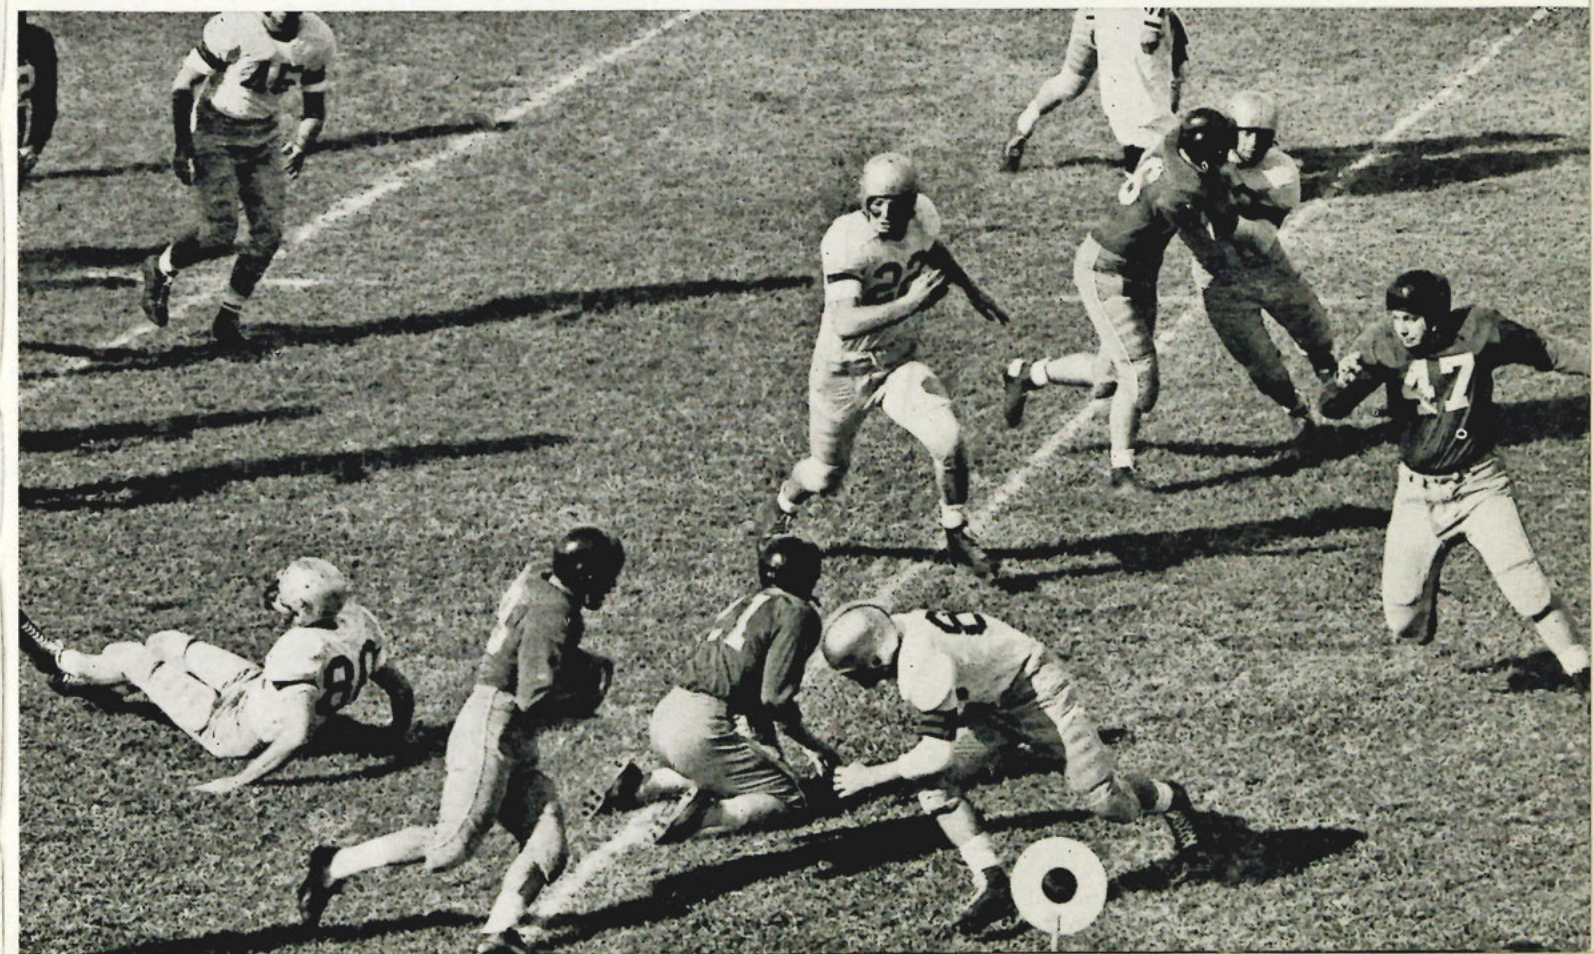

For the Seminoles it was Italiano all the way. He passed, kicked, and ran the ball to provide their big gun.

This win enabled the Florida State team to end the season without a defeat and they were eventually offered their choice of several bowl games including our own Cigar Bowl.

If it had been a three-quarter game the Spartans would have won, but the Seminoles scored 22 of their points in the last quarter.

This game ended the season for Tampa, and for the first year in a good long time they ended up with a better won than lost record — six wins to four defeats.

# BASKETBALL

The Spartan Quintet hit its stride mid-season and had time to defeat every one of its state rivals, thereby retaining the State Basketball Championship at the University of Tampa for two consecutive years.

Sam Bailey coached and conditioned the Tampa squad and produced the greatest little basketball team that this state has ever seen. The Tampa basketball team was recognized as one of the finest small teams in the country.

The Tampa U Spartans started the season on a dismal note when they dropped five straight decisions on their annual pre-season road trip through the northeast section of the country.

Villanova set the quintet back 90 to 63 in a game played in Philadelphia. The Spartans managed to make a game of it for most of three periods but the superior bench strength of the Villanova squad showed its effects in the last few minutes and forged ahead to win at ease. This was the Tampa squad's first game after a strenuous trip and they presented themselves very well for a squad playing their first game under a new coach.

Little Hartwick College met a tired group of Spartans in the second game of the road

trip and just managed to eke out a 69 to 62 win in the final seconds.

From the east coast the Spartans traveled to Kentucky, where a powerful Louisville team was thankful to survive with an 87 to 78 win. Th Tampa squad started to show signs of greatness in this game.

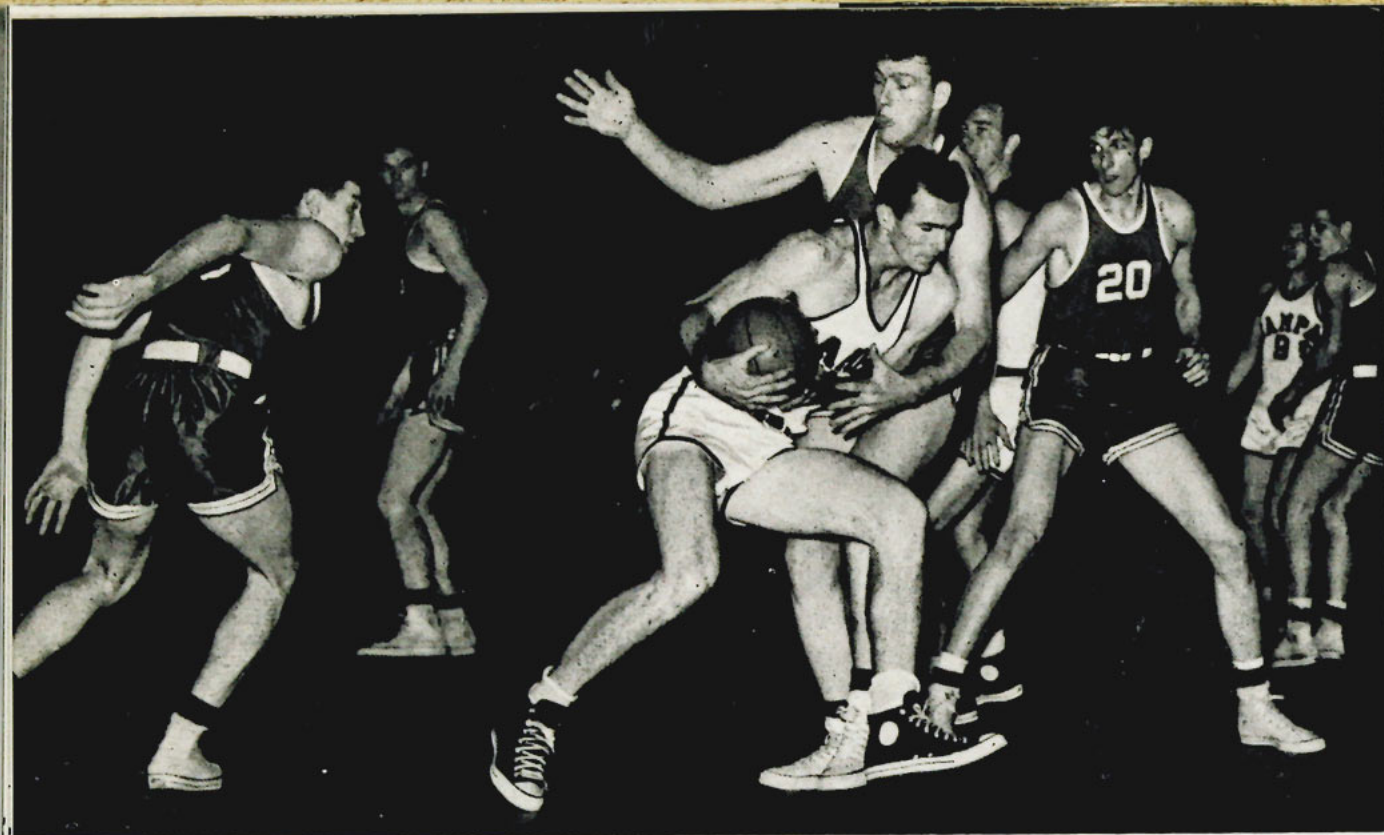

Continuing their visit in Kentucky, the Tampa boys dropped another tough game to Bowling Green 75 to 70. Here again the difference was in the reverse strength of the two squads.

The final and most bitter defeat of the trip was handed to Tampa by the Western Kentucky Hilltoppers 103 to 70. A team that was destined to survive the national basketball competition to rate in the first twenty of the country was just too good for Tampa.

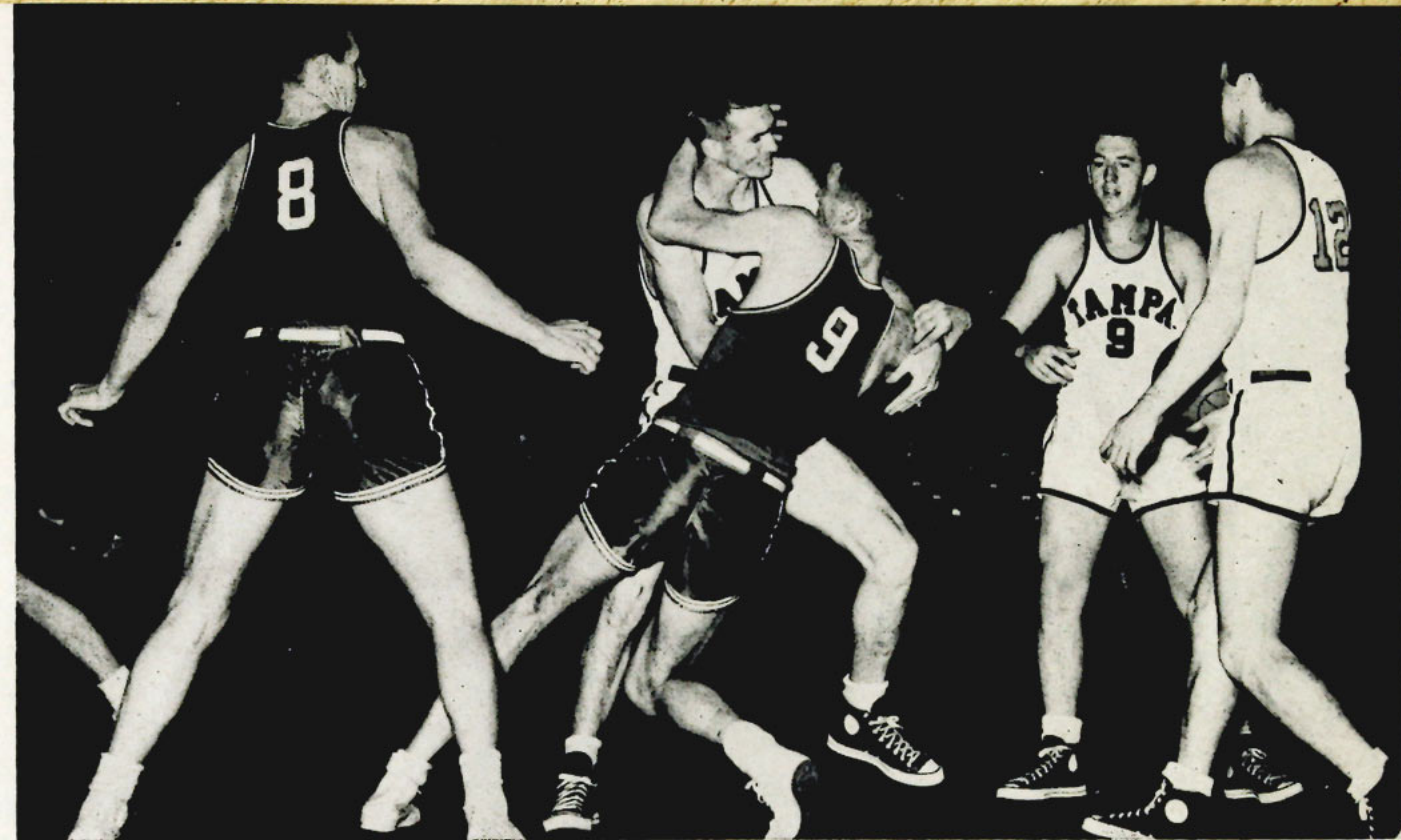

Things took on a much brighter look when the Spartans returned to the familiar confines of the armory and they gained their first win at the expense of Yale. Tampa 72 - Yale 54.

Not letting up, they followed the Yale

victory with a narrow margin of victory over Dartmouth. Tampa 52 - Dartmouth 50.

Tampa reached its greatest total of points for the year when it let off steam against little Patrick Air Force Base 120 to 22. This was the highest number of points scored by a Tampa team in recent years.

Florida Southern tasted defeat when the Spartans led them all the way to win at will, 54 to 40. Tampa was back in its own league and showed its class.

A strong University of Miami team which fully expected to run all over the University of Tampa bit off a little more than they could chew when a smooth, well coordinated Spar-

tan team finished in front 77 to 75. At this point in the season's competition the squad reached the break-even point with five wins and five losses.

After the Miami game the boys felt a mental letdown and dropped a poorly played game to Florida State 80 to 69. This was their first defeat in intrastate competition.

Rebounding from the loss, they defeated the Gainesville team by two points. University of Florida 49, Tampa 51.

For the second time this year the team reached the hundred point mark. Little Rollins lost 74 to 105. This Rollins team was expected to have the powerhouse in state competition but never did get started.

In the return game with Florida State the Spartans had it all the way and won with ease. Tampa 76, FSU 66. In state games the Tampa team was leading the pack with five wins and one loss.

Varying from the local competition the Spartans once again met the Western Kentucky team. This almost proved to be the upset of the year. Western Kentucky finally managed to brake through in the last few seconds to win 67 to 64. This game also brought much favorable national publicity to the Spartans.

The boys from DeLand with a group of giants defeated the Spartans in a mild state upset 69 to 67. Here again the emotional let-down from the prior game took its toll and Stetson handed Tampa its second defeat in state race.

The Georgia Bulldogs roared into town and left with the meekness of a puppy dog when Tampa raced them silly to win 64 to 56.

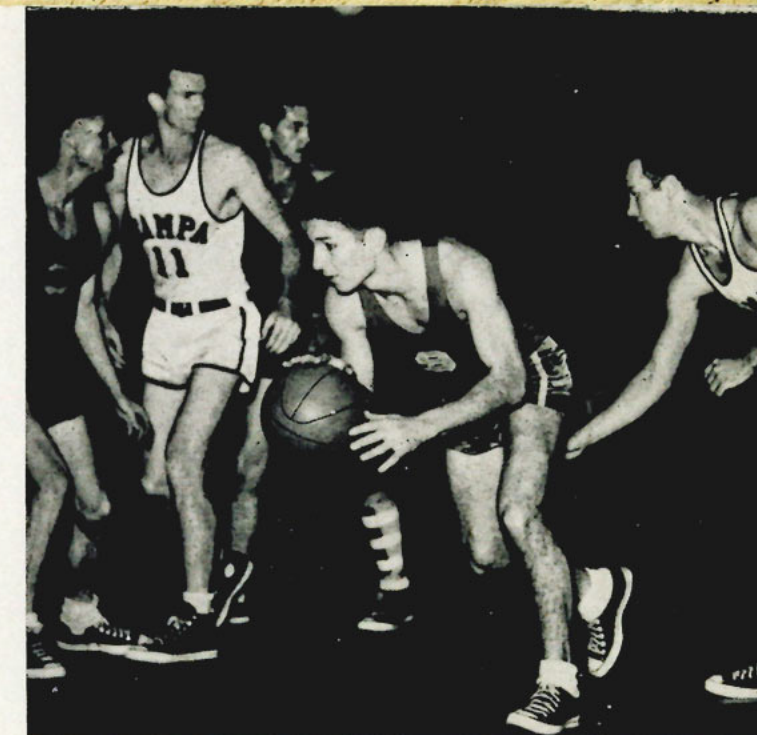

Returning to state games the boys finally hit their stride and won their next four games as follows: Tampa 70, U. of Florida 56; Tampa 65, Rollins 55; Tampa 66, Florida Southern 46; Tampa 94, U of Miami 74. And finally they avenged their first loss to Stetson when they won easily 82 to 65.

During the regular season's play the Tampa team had fourteen wins and eight losses, which is a very commendable record in view of their six losses to some of the finest teams in the country.

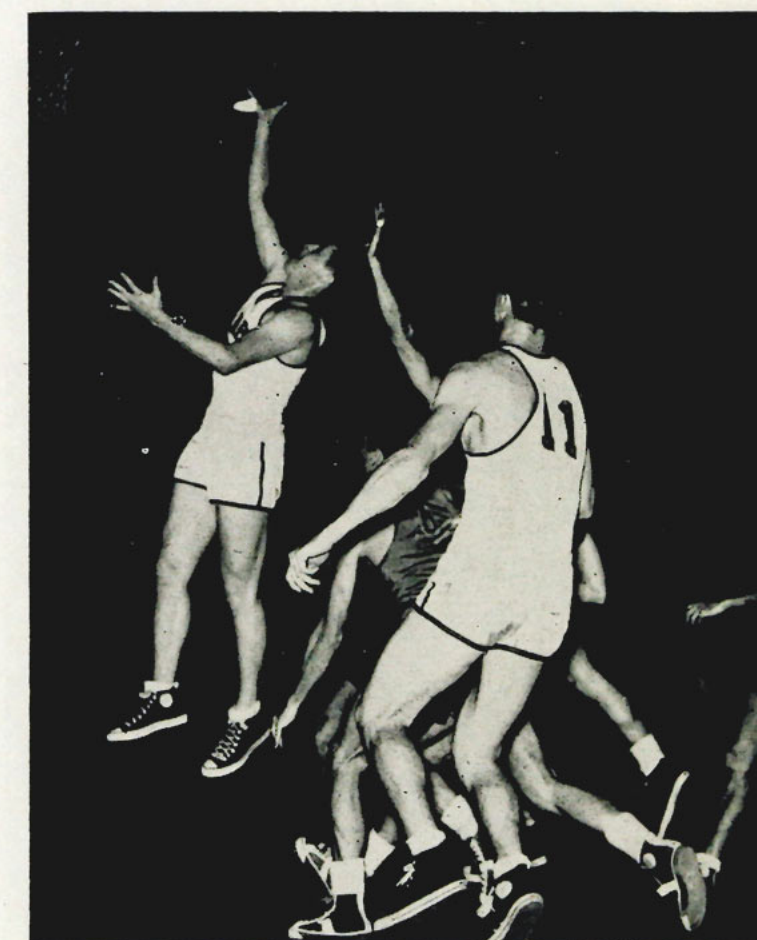

After completing the season the team traveled to Jacksonville to compete in the NAIB tournament. Unfortunately for us, adverse arrangements had been made and because of things that could not be helped the Spartans lost to a fine Georgia Teachers team 75 to 71. This game was described in all the news services as a debacle of officiating. The best team lost to a good team.

In the consolation game of this tournament the boys made it two wins to one over Stetson when they defeated the Hatters 93 to 87.

Although the overall record of fifteen wins and nine losses doesn't seem impressive, just glance back through the schedule and feel as many loyal Spartan rooters do, that Tampa U. was represented by one of the finest small college basketball teams in the country during this past season. We thank them one and all for a job as well done as could have been done under the circumstances.

# CREW

During the rowing season of 1950 the Spartan oarsmen succeeded in capturing the state crown. The only defeats in 1951 were dealt the Tampa boys by a strong Dartmouth crew and, in the Gasparilla Regatta, by Florida Southern. In the victory column the records show wins over A.I.C., LaSalle, Rollins, Florida Southern, Washington & Lee, and Boston University.

In this same year the JV's had a successful season with wins over Dartmouth, W & L, Rollins, LaSalle, Amherst, and A.I.C. At the same time their losses were to Boston U. and Florida Southern.

The Tampa Spartans are extremely fortunate in having as their coach Art Trubiano. Art hails from Keene, N. H., back in the hills of New England. He received his education both at Tampa U. and at Harvard. In '41 he was coxswain of the Spartan crew. While at Harvard he was a member of the 150-pound crew. This is his fourth successful year at the helm of Spartan crew teams.

## The Sinkwich Story

Frank Sinkwich recently became the center of attention in Tampa when he withdrew as head coach from this University. The exact reason for his resignation has not been forthcoming to the public to this date. Even though radio announcers have been highlighting him for several weeks.

The coach it seems was unable to muster sufficient backing to promote the kind of football team everyone wants, but no one till recently would go all out in supporting.

His resignation came as a total surprise and it came just several weeks before the scheduled Tampa - Miami game. The local gentry and the student body wanted the Great Fireball Sinkwich to stay. If Sinkwich quit, football would probably be dropped from the University sports calendar.

With no assurance of the continuance of football and without knowing Sinkwich's exact status, football practice began. Weeks rolled into days and days into hours and the time was at hand when the Miami football team trotted onto the gridiron at Phillips Field. All eyes and ears were focused on this game for it was just what the doctor ordered to see how the Tampa team stacked up for the year.

Here is what happened during game time as reported by Phil Brunet, Sports Editor of the Minaret:

The game underdogs of Tampa U. played the powerful Miami Hurricanes on near equal terms in rain and mud at Phillips Field. After the first five minutes of play the Miami team scored two quick touchdowns making the score 14 to 0 and then it became Tampa's time to dominate the point making department. Lou Sequella took a pitch out from John Lahosky and raced through the complete Miami defense to score. The Hurricanes countered with a drive that was climaxed with Mallios going over from the eight yard line. Tampa roared back when Vince Chicko pulled in a bullet pass across the middle of the visitors line and raced 60 yards for Tampa's final score.

The final period saw both squads feeling the effects of mud and mire and no drive by either team amounted to much. The big thing in the final period was the effective work of Tampa's massive mamoths who didn't give an inch to the forward wall of Miami. This same Miami line was the one that played havoc with such teams as Purdue, Missouri, Iowa and our own Univ. of Florida team.

The final score was Miami 21 - Tampa 13.

Following the game Sinkwich was still hot news on the radio. The releases at the University, regarding this matter, were not sufficient to quench the appetite of the students. And then one day the Board of Trustees clarified the situation at Tampa U regarding football and Sinkwich—the school was to keep both. Sinkwich's resignation was one of a tentative nature. He had asked for support and now had received it.

Radio announcers have changed their themes and at school everyone's emotions regarding this matter have returned to normal.

### OUTSTANDING FOOTBALLERS

The local "doors of fame" opened at the annual grid banquet for Vince Chicko, who was judged the outstanding football player of the season; Ray Escobar, who was acclaimed the outstanding defensive player, and Charlie Harris, the outstanding offensive player.

Vince Chicko was presented the John V. Minardi-Hugh L. McArthur Trophy by Frank Czolyocz for his outstanding playing. Chicko was a favorite of the fans. He, perhaps, has made the most dazzling runs in the history of the University. His dazzling punt and pass returns always brought cheering fans to their feet and they loved him.

Ray Escobar was handed the Larry Steinberg Award by A. J. Mitchell for the seasons outstanding defensive player. Escobar played havoc on his opponents lines.

Charlie Harris, freshman back, was given the Elks Award by Joe Moral, Jr., for his outstanding offensive playing. Young Charlie won a place in the hearts of the fans for his brilliant deceptive running.

## MEN'S INTRAMURALS

Under the direction of Professor Miller Adams the Mens Intramurals has expanded to offer a variety and more varied program. Such sports as handball, bowling, badminton, table tennis, tennis, golf, and basketball foul shooting were added.

At the start of the year, Beta Chi started at the top of the list by taking the football championship. The Rho Nu Delta's shutout Tau Omega to capture the basketball honors. The Independents came into win in volleyball. The Beta Chi's won the track event over Sigma Kappa Nu and both teams were fighting for the top berth in softball as this book went to press.

CONDUCTOR: LYMAN WILTSE

The chorus of the University continued a yearly tradition by presenting the Christmas Candlelight Service. They sang carols of various nations mid the glow of flickering candles. The activities of the chorus have always been kept alive by the large number of students who find pleasure and recreation in singing.

## Drama and Dance

The first production of the Drama Workshop of Tampa University was an original drama, "The Dream-Girl and the Killer." The play, which was billed as a psychopathic melodrama, was written and directed by Dr. Marjorie Barstow Greenbie.

An eerie and decidedly novel effect was gained by having each player wear a rubber mask during the entire second act. The lead roles were taken by Jean Steck, Phyllis Hanon, Charles Wadsworth and Stanley Crocker.

The second presentation of the Workshop was the old favorite "You Can't Take It With You," by Kauffman and Hart. Both faculty and student body were represented in the cast of this production. Mr. Steck, who gave an excellent performance as Grandpa on the opening night of the play was ably understudied by Mrs. Steck, who played the part of Grandpa on the second night of the play.

In the tradition of the theater which demands that the 'show go on,' Mrs. Steck replaced Mr. Steck when illness forced him to miss the second performance. Both were outstanding in the part, and the production was greatly enjoyed by all who witnessed it.

During the season a series of old-fashioned melodramas were staged by "Les Farces," a student organization newly formed this year. These proved a source of much amusement to audiences here at the college and to other audiences throughout Tampa.

The Drama Department is at present preparing to preview a new play written by Dr. Greenbie and Sydney Greenbie. This is "Count Philippe's Wild Orange Tree," which is to be developed as a regional drama for the Tampa Bay area. The story is one of great interest to all Florida residents as it concerns the early settling of this region and the development of the citrus industries. It

deals as well with the picturesque pirates who were once common in this area.

The first act of the play was previewed at Safety Harbor, Florida, on February 25,

outdoors on the Philippe Estate before an enthusiastic audience of several hundred people. The lead roles are taken by Carlo Petrie, who plays Count Philippe, Mari-Bec, who plays Lady Hortense, his young wife,

Our manly hero, Freddie Spenser, confronts the villain, Micky Smarse, in the first melodrama presented by Les Farces, "Where Is My Wandering Boy Tonight."

and Phyllis Hannon, who plays Katharine, his daughter. Supporting players are Mary Esther Bartlett, Chase Robinson, Frank Felicione, Tony Spicola and many others. The scenery for the production is being painted by Alice Jean Small, instructor in art at the University, and Dr. Ramar Fina, distinguished visiting Spanish artist.

It is hoped that this will develop into a

great regional drama.

For the first time, several students were this year initiated into the intricacies of Modern Dance under the able instruction of Mari-Bec Day.

At the beginning of the first semester an extremely interesting and amusing program was presented at Assembly which gave examples of several dance forms.

## THE BEST YET !!

"There is something new at Tampa U." For weeks ahead these words caught the attention of the public and directed it across the Hillsborough River to the great silver towers. What was brewing within the red brick walls of U.T.? Months of planning and preparation finally produced one of the greatest Homecoming celebrations in the history of the University.

Alumni came from near and far to observe the merrymaking. Handshaking and back-

slapping was seen everywhere as grads talked over old college days. The Hillsboro Hotel became the alumni headquarters, with each sorority and fraternity maintaining a room to entertain their alumni.

The festivities got under way with the reception held in the University Ballroom Thursday evening. Friday morning the Sororities and Fraternities started having get-togethers with their alumni and friends at the Hillsboro Hotel. The Student Senate

alumni joined together around the pits and tables to satisfy appetites on a menu that started with barbecued beef and pork, and baked ham, and went on through to coffee and ice cream.

Around 6 P. M. the annual Freshman Pajama Parade began winding its way through the main streets of Tampa. The long winding "snake" line, dressed in everything from bright yellow silk pajamas to red flannels, tramped its way through the streets stopping traffic and drowning the blare of horns with pep cheers for the old Alma Mater. The procession ended at the University where the giant bonfire was started and the cheerleaders led a pep rally, climaxed by the burning in effigy of a Delta State "Greenie."

One of the highlights of the weekend was the Homecoming Ball held Friday evening at the Davis Islands Coliseum. The evening was climaxed by the Coronation ceremony in which Miss Gloria Gonzalez was crowned as Queen. Other lovelies presented in the Queens' Court were Juniors Pat Batts and Mary Esther Bartlett, and Freshmen Anna Ruth Beck and Shirley Rhodes.

At 11:15 o'clock Saturday morning, the Homecoming Parade stepped off toward downtown Tampa. Colorful floats depicting the theme of the Homecoming, convertibles with gay streamers and bearing the lovelies of the campus, and innovations of all descriptions received the applause and cheers of the thousands of spectators that lined the streets.

Luncheons and cocktail parties by the sororities and fraternities filled the interim period between the Parade and Homecoming Game. Delta State played a hard game but

Following the game, the alumni convened at the Hillsboro Hotel for their annual Business Meeting and Banquet. The annual election for Alumni President was held and Rudy Rodriguez was elected. Following the Banquet, an informal dance was held on the Roof Garden.

Still enraptured by the spirit of the day's events and the football victory, hundreds of students jammed the Zendah Grotto auditorium Saturday evening for the Panhellenic Dance.

For the second year running, a pert little hazel-eyed brunette freshman has won the highest honor that a T.U. co-ed can receive.

Gloria Gonzalez was judged the most lovely of the 15 entries in the Homecoming Queen Contest sponsored by the Student Senate. The staff of judges eliminated all but five of the entries and then confidentially selected one to be the Queen. This name was sealed in an envelope to be opened at the Coronation Ceremony.

The four other beauties selected for the Court were Pat Batts, Anna Ruth Beck, Mary Ester Bartlett, Shirley Rhodes.

Gloria is 18 and has lived in Tampa all of her life. In her leisure time she likes to read, cook and play golf. When asked how she liked the male population of T.U. she replied, "I'm engaged".

# THE "Thought"

NOT JUST A PASSING  
THOUGHT, BUT ONE SEARED  
INTO THE MINDS AND HEARTS  
OF ALL OF US WHO REMEMBER  
THE BOY WE PLEDGED INTO THE  
FRAT, MAYBE ASKED YOU TO THE  
FORMAL, BORROWED JOE'S  
NOTEBOOK OR OVERCUT THAT  
HISTORY CLASS---THE MIND  
AND HEART THAT SEES HIM NO  
LONGER, NOT BECAUSE OF HIS  
GRADUATION OR FAILURE, BUT  
BECAUSE OF THE CRISIS THAT  
OVERSHADOWED THE '50-'51  
YEAR AND PUT HIM AMONG  
THE ORIENT'S HILLS. A THOUGHT  
FOR YESTERDAY'S SCHOOL CHUM  
GONE TO ENFORCE THE FREEDOM  
OF TODAY THAT GUARANTEES A  
UNIVERSITY OF TAMPA  
TOMORROW
