

## More Parking Space Announced For Monday

The University of Tampa will acquire 80 more parking spaces Monday, Jan. 17, according to R. R. Whitis, superintendent of maintenance department of the University.

This new area to be available will be between the Municipal Auditorium and the front parking lot.

The parking problem at the University had become very acute during the past few years. The problem was eased that last year by enlarging and the paving the rear lot.

At the first of this semester, more than 650 students of the University filled out cards saying that they drive automobiles at the University. There are some 50 members of the faculty and administration who also drive machines. To satisfy these 700 people, there are some 250 spaces.

With this increase of 80 spaces the congestion will be lessened somewhat.

The Minaret acquired the information of this area being available four weeks ago. The details were turned over to Ernest C. Segundo, University parking commissioner, who then took action.

C. A. Sanborn, city park superintendent, said that before any car could be parked on the property, protection posts would have to be placed around the trees and any other growing specimens.

With full cooperation from Whitis, the ground work for the new parking area will be completed.

"It is hoped that the students will work together with the University and city in protecting the woody plants and parking correctly," said Segundo.

## Studies, Money, and Girls

"Studies, money and girls are three things on the mind of every college student. Money is the most important, without it you cannot have the other two. So save every nickel you can," said Mr. C. A. Phoenix, Assistant Manager of the Better Business Bureau of the Tampa Area Inc., at a recent student assembly.

The Better Business Bureaus were founded more than 35 years ago when it became evident that fraud had struck in the businesses of the United States. At the present time there are 103 Bureaus in the U. S. and 7 in Canada.

Mr. Phoenix warned the women students about buying nylon gar-

Mike Skaroulis kneeling before Bishop Germanos, receiving the blessing of the church after retrieving the golden cross tossed in Spring Bayou during Epiphany festivities at Tarpon Springs.

(Times Photo)

Mike Skaroulis, University of Tampa student, retrieved the gold cross from Spring Bayou in Tarpon Springs in the traditional Epiphany Day ceremony Jan. 6.

Mike, whose home is in Tarpon Springs, was one of about 25 youths who sought to recover the cross thrown into the bayou by Bishop Germanos Poliziodes, of Charlotte, N. C., and New York, in charge of the Epiphany Day rites.

## Hall of Fame Announced

The HALL OF FAME members were announced by Charles Archibald, editor of the Moroccan, with the following Seniors being selected: Mike Capitano, Activities; Nick Waytovich, Athletics; Jim Berfield, Government; Eleanor Ebsary, Organizations; Bob Eustace, Publications; and Joan Hickey, Scholarship.

## Berfield Named To Solicit Students

President Nance has appointed Jim Berfield, President of Student Senate, to act as chairman of the March of Dimes Drive among the students of the University of Tampa. A booth will be set up in the lobby where students may leave their contributions; and presidents of all sororities and fraternities have been asked to request members to volunteer to assist with the campaign on the streets of downtown Tampa.

Members of the University faculty staff, and all other employees may leave their contributions in President Nance's office.

Dr. Nance, as State Chairman of the Polio March of Dimes Drive, is speaking in support of the cause throughout the state of Florida.

## Tampa University Leads Way In March of Dimes

The University of Tampa put the 1955 March of Dimes officially under way in the Tampa Bay area last Sunday evening with a 15-minute television program over WS UN-TV.

Capt. R. E. Bassler, director of public relations at the University, introduced the program. Dean of Women Lucille King then talked to Marie Swingly, paralyzed student and freshman at the University, about the cost and care she has had, paid for by the March of Dimes.

The Sunday evening television audience then enjoyed an operatic number by our own Martha Thrallkill.

Prof. Frank A. Moody, head of the speech and radio departments, interviewed Helen Powell and Caren

(Continued on Page 4)

IDA FELICIONE

Ida Felicione, accompanied by Dean Lucille King, will go to Winter Haven this week-end to compete in the Florida Citrus Exposition contest Monday through Wednesday. The winner of the contest will receive a two weeks' tour of Europe, a complete wardrobe and other wards.

Judging will be based on beauty of face and figure, talent, poise, personality and charm. One of the judges will be Lee Ann Merriweather, Miss America of 1955.

Former U. S. Senator, Claude Pepper will be Commencement speaker, at graduation exercises to be held in the Ballroom on January 28th at 4:00 P.M. Twenty-eight seniors will receive degrees.

Vivian Gaither, principal of Hillsborough High School will be awarded an honorary Doctor of Education degree.

Mrs. Octavia Goodbar, Ph.D., widow of the late Dr. Joseph Goodbar, former head of the Department of Business Administration will receive the University of Tampa Achievement Medal in Humanities.

Marvin Holloway, director of the Tampa Motor Club, will receive the Achievement Medal for his work in the field of public safety.

A bust of General Eloy Alfaro, Ecuadorian patriot, will be presented to the University by Dr. Norberto Salinas de Aguilar, Consul General for Nicaragua.

Graduating seniors are:

### Bachelor of Arts

Robert Edward Beach, English  
Mary Irene Bobbitt, English  
William Warren Hughes, History

### Bachelor of Science

David Nelson Boyd, Psychology  
James Frank Caravella, Bus. Admin.

Merry Vargo Carraway, Elem. Spec.

Nick Castellano, English  
James Robert Chambless, Bus. Admin.

Vincent Clesi, Elem. Spec.  
Walter Weidner Collins, Accountancy

Joseph Boyd Cooper, Phys. Ed.  
Margaret Anne Cuscaden, English  
Josephine Seoane Fernandez, Phys. Ed.

Howard Edmund Furgalack, Bus. Admin.

Claude Leslie Gamble, Bus. Admin.  
Edward Allen Gross, Bus. Admin.  
James Doyle Harper, Bus. Admin.

Margaret Mosbacher Hillier, Elem. Spec.

Zygmunt Andrew Jasinski, Elem. Spec.

Betti Jean Krohn, Music  
John Richard Lamb, Elem. Spec.

Charles Angelo Milo, Bus. Admin.  
John Patrick O'Neal, Bus. Admin.

Doris Eileen Peterson, Elem. Spec.  
Pauline Rametta, Elem. Spec.

Robert William Stafford, Elem. Spec.

Stanley Terry, Soc. Science

John David Tiernan, Elem. Spec.

## Band Helps Inaugurate Governor

Hillsborough County was represented at the inauguration of Gov. Leroy Collins by the University of Tampa band. Our musicians, 40 strong, were among the more than 20 bands that marched in the inaugural parade down the main street of Tallahassee.

While in Tallahassee, the band stayed in the Florida State University dorms, and had the pleasure of dining in the new student union on the campus.

# As We See It--

## A NEW BEGINNING

We are well into a new year and near to the beginning of a new semester of college work. Now is a good time to pause and take stock of what has been done and what can be done in the future.

As we near examination time, we can cram a lot, but we can't make up for time wasted. But there is a week yet in which to make up deficiencies. Not much! But it will have to do.

But with a new semester about to start, it is possible to begin fresh by eliminating errors and omissions of the past. A new year—a new semester—a fresh start—it looks good doesn't it.

## BASKETBALL IS FUN TO WATCH

So the Spartans haven't been winning, but they are playing spirited ball and are good to watch. They might do better if more students were out there watching and rooting.

These youngsters from the playgrounds that are playing before the varsity game and at halftime add to the entertainment value of the games.

We are inclined to wonder why more emphasis isn't put on basketball by the Athletic Department. A good basketball team, properly promoted can be very profitable. It costs much less to equip and transport than a football team. Many small schools have used basketball to make up their athletic deficits.

We feel that the basketball team is being given too little backing by all of us. Student body and administration, both seem to consider it a necessary stepchild.

We enjoy the games. See you there!

## LET'S IMPROVE ASSEMBLIES

In last Tuesday's Student Assembly we notice something that could be done in favor of the improvement of the Ball Room. In the first place we must realize that the Ball Room is a spacious place where some of the most important ceremonies of the campus life take place, like the Commencement Exercises. Now, the room doesn't have the necessary acoustic conditions that a room devoted to such ceremonies should have. I am sure that most of the students and their families would like to hear everything that is going on at their graduation exercises.

If on the other hand, it might happen, as has happened before, that some assemblies have to be moved to that room, and then we students have a nice talk that we can't follow, because it is hard to hear it, specially if it comes mixed with some top hits of the week.

The state of acoustics of that room is a pity, and we think that if it continues that way we are going to see many embarrassed speakers, and other persons without being speakers will be embarrassed too.

# To The Editor--

## HOW TO EAT CROW AND LIKE IT

Recently I wrote an article for your paper which said, in effect, that Tampa U. did not have minarets. Several persons for whom I have great respect, including Dr. Covington, took issue with me on this matter. Dr. Covington contended, that as long as they were towers to which the muezzin had access in order to call the people to prayer, they could be called minarets. His logic was good, but I decided to check with another source. I wrote to the Dean of the School of Architecture at Notre Dame University, Mr. Frank Montana. His reply substantiated the position taken by Dr. Covington. I am willing to go along with these two gentlemen. So long Jackie Cochran! I knew you could never trust a woman!

Sincerely yours,  
"from under the minarets"  
Douglas Dee

## REGISTRAR'S BULLETIN

Registration cards will be given out at the Registrar's office, Jan. 17-21.

Students will fill out cards, get instructor's approval and return cards to Registrar's office, Jan. 24-28.

All students presently enrolled must register on or before Jan. 28. Students failing to do so will not be able to register until the afternoon of Jan. 31.

## A Busy Woman--Dean King

If you sometimes think you have more to do than anybody else and couldn't squeeze another earthly thing into the day's program, just look at the schedule of Mrs. Lucile King, dean of women. It will make you feel like you have more time on your hands than you know what to do with.

Typical of her incredibly busy life was, for example, the first week in November. On Nov. 3, 4 and 5, with Dean Burnside and Mr. Weldon, the registrar, Dean King represented the University of Tampa at a series of College Day conferences with high school seniors in Sarasota, Bradenton, St. Petersburg and Boca Ciega.

MRS. KING

While in Bradenton for the College Day meeting she also gave a talk on "Our Youth," addressing the Bradenton Public Welfare Department on this topic, and her visits to the high schools were hardly over before she was in Fort Lauderdale attending a state meeting of deans and counselors of high schools and universities in session there Nov. 5 and 6.

A project that takes a great deal of her time—it was a project once, many, many months ago when it started, but now it is more like an established institution—is the Foreign Students Panel, a group of University of Tampa students from foreign countries who are often invited to discuss the history, political and educational systems, and traditions and customs of their respective lands before clubs or other groups in the Tampa area.

The panel is now composed of Carmen Wright and Ernest Jordan from Germany, Ernesto Segundo from Cuba, Celestino Fernandez from Spain, and Irvine Read from South Africa. The group has appeared twice in St. Petersburg and twice in Ruskin, speaking before different organizations in each of these places, and has also appeared in Tampa and elsewhere recently.

Dean King is moderator of this panel. But she is too proud of what these students have accomplished to think of the time consumed in terms of hours taken out of a day that is short at best—indeed she enjoys all her work too much to feel that any part of it is the least bit of a hardship.

To her many honors another has lately been added. It is membership in Pi Lambda Theta, national honor sorority for women in education. To be eligible for election to this sorority, one must have the recommendation of two of her professors, and her scholastic standing must be in the upper 10 per cent of her class.

Mrs. King received this honor last summer while attending the School of Education of the University of Michigan, where she pursued studies toward her Master's degree. There were more than 8000 students in the summer class of the School of Education at that time.

In addition to her regular duties as dean of women, Mrs. King is a member of the Tampa Woman's Club and is state chairman of international affairs in The Florida Federation of Women's Clubs.

## LITTLE MAN ON CAMPUS

by Dick Bibler

"If you want to improve your grade, I suggest you drop out of school for a few days."

# No Mail - No Good -

by Celestino Fernandez

The whole student body specially the students that live in the dormitory and the professors have been missing a place in the University where to get stamps during the school day, well, we have to say with proud that thanks to the initiative of the Minaret a stamp machine is going to be located in the Snack Room for the benefit of all the students.

This was the beginning of some inquiring about the mail situation in the University and since the mail coming in and out of campus has been growing steadily it made us to think about the possibilities of opening up a substation inside the building. As a matter of fact that idea occurred long time ago to the administration of the University.

In accordance with Dean Rhodes, Master in Tampa, gave three suggestions about this matter: First the Post Office in Tampa would be glad to sell all the stamps necessary to any office in the University for sale to the students. Second the University could open a Credit Contract Station (which is substantially the same deal Dean Rhodes said) in which the University would pay a nominal amount every year, about one dollar, for the privilege and the Post Office would supply the University with scales, some other equipment and forms. Any person from the University would be name in charge of it and responsible and of course bonded (although no Civil Service examination is required).

The third solution is the hardest

Mr. Moorhead, Assistant Post

(Continued on Page 4)

# THE MINARET

The Minaret is the official publication of the student body of the University of Tampa. It is published bi-weekly during the school year.

The staff welcomes comments and criticisms. Address all correspondence to the Minaret, Room 205, University of Tampa, Tampa, Florida.

# Student Senate

Registration was a much talked about subject at the past student senate meeting. George Grant, senior representative moved that a committee be appointed by the president, James Berfield, to study and make recommendations which will be submitted to Dean M. C. Rhodes, dean of administration. These recommendations will deal with minor details which will help the registrar and his department at the time of registration. Connie Felicione, is chairman of the committee. Other members are Robert Swirbul and Shirley Keen.

The Publication Board under chairmanship of George Grant, reported that applications for both editor of the Minaret and editor of the Moroccan will be accepted at the first of next semester. Other members on this board are Mary Lou Roos, and Dean Goldsmith.

Ida Felicione was accepted as the University of Tampa's candidate for the Florida Citrus contest held at Winter Haven later this month. A three man committee composed of Clint Meadows, Ray Yvars and Robert Swirbul was appointed to encourage more girls from the university to enter the Miss Tampa beauty contest.

A motion by Dean Goldsmith was passed that the executive committee of the student senate make a complete list of standing committees, and define the functions of these committees. The executive committee would work together with Dean King and Dean Burnside.

## Student Senate Attendance January 3 and 10 Meetings

### Present at both meetings:

Jim Berfield  
Mike Capitano  
George Grant  
Dean Goldsmith  
Ernest Segundo  
Charles Archibald  
Shirley Keene  
Joyce Newell  
Rey Yvars  
Mary Lou Roos  
Connie Felicione  
Robert Swirbul  
Rosemarie Rogers

### Absent at one meeting:

Clint Meadows  
Eleanor Ebsary  
Shirley Tucker  
Ida Felicione

### Absent at both meetings:

Carol Brown

## Marines Want You

The Marine Corps Officer Procurement Team will be on the campus on January 19, 1955 to interview students who desire to earn a commission while completing college.

Freshmen, Sophomores, and Juniors are eligible for the Platoon Leaders Class. Training is conducted during two six-week summer classes. Candidates are paid \$149 during the first class and \$183 during the second. Uniforms, meals, and travel allowance are furnished. Members of the Platoon Leaders Class are deferred from induction and are commissioned as Second Lieutenants upon graduation from college.

## Greeks To Have Frolic On Profits

Profit from the Homecoming dance will provide a closed dance, "Winter Frolic," for Greek letter organizations and their affiliates, according to Charles Archibald, Inter Fraternity - Sorority Council president.

He said the dance would be held at Centro Espanol, Saturday, January 29th. Don Francisco and his orchestra will provide the music.

Archibald said dress would not be formal. The dance will be free to members of Greek letter organizations, their alumnae, and members of the faculty.

## New Drama Planned

"The Barrets of Wimpole Street" by Rudolph Beiser is the next play scheduled for production by the University drama department. Mrs. Frances Allen, director, said the play was packed with drama and romance, interspersed with comedy. "It promises," she said, "to be a good choice for our second production of the year."

"A play well known by all theatre goers, it affords excellent opportunities for versatile actors, with twelve good men's roles and five for women. The young in heart will enjoy watching the romance develop between Robert Browning, a dynamic personality, and Elizabeth Browning, already immortal for her beautiful poetry.

## FRATERNITY NEWS

by Charles Nundy

Tau Kappa Epsilon

The members of the TKE/c fraternity spent their Christmas holiday publicizing the University of Tampa by sending copies of the Minaret, bearing pictures and stories of Miss Connie Felicione, Miss Moroccan of 1955, to Tau Kappa Epsilon chapters all over the country. A picture of Miss Felicione was also submitted for publication in the "TEKE," the fraternity's official magazine.

The Tekes were the guests of the Florida Southern chapter for a Christmas party which was held at the Fraternity house, before the party the pledges went through the ritual ceremony. The FSC Tekes are adding a swimming pool and the Tampa colony anticipate many splash partys at Lakeland.

The traditional horseshoe, which is passed along to the youngest TKE chapter, was last reported at Miami (Ohio) University. James C. Logan, Grand President of TKE, will visit the University in April to discuss plans for the installation of the local colony, so from all appearances, Tampa U. will probably be the next to inherit it.

The Tekes pulled a switch on initiation, when they had the pledges capture the Jose Gasparilla. Captured and branded it was, with white paint showing from the black hull proclaiming, "Captured by TKE" and signed with the names of the pledges.

And the switch is this—Tau Kappa Epsilon (c) is cleaning up its own paint. They challenge Jose's pirates to catch them.

## Sigma Phi Epsilon

The old China Clipper at Rocky Point was the scene, Dec. 31, '54, Jan. 1, '55 was the time as a throng of happy people welcomed in the new year at a party given by John Hollon and Walt Minahan with Sigma Phi Epsilon fraternity as unofficial host.

Committees have been formed to make the preparations for the Sweetheart Ball, the time for this dance has been changed due to the dates chosen for Spring rushing. John Hollon will serve as chairman of this committee and he will be assisted by Bill Sams, Dick Cole and Walt Minahan.

Dick Cole was appointed rushing chairman and plans are being formulated for rush parties.

## Tekes to Plan Nat'l Initiation

The local Tau Kappa Epsilon colony may be installed as a chapter in the early Spring, according to Nick Vega, history of the local group. Vega said he had been informed of the probability by James C. Logan, Grand Prytanis (president) of Teke.

Logan said he would be visiting the local chapter sometime in April and hoped a satisfactory date could be arranged.

Vega pointed out that all members including pledges received during the next semester would be charter members of the local chapter of the national social fraternity.

Tau Kappa Epsilon was founded at Illinois Wesleyan in 1899, and now has one hundred and seven active chapters, placing it among the top national fraternities.

ments because if they are not sewn with nylon thread, when they are washed, the thread will shrink and the nylon will not. He also told the students of an experience he had with a pair of mens shoes. They cost \$20.00 and looked like expensive shoes. After the buyer had worn them for a while the sole began to fall apart. When they were examined carefully it was found, that the sole was made of 32 pieces of paper glued together and not leather. These are only a few of the many incidents that come up in the daily lives of the investigators of the Better Business Bureaus.

"If you ever have a suspicion of some fraudulent activity, feel free to call on me. Don't feel embarrassed. We can only help you if you want to help yourself," said Mr. Phoenix in closing.

Gail Potter, who was coordinator in charge of radio broadcasting at the University of Tampa in 1952-53, is engaged in television work in San Francisco, Calif.

Sloth makes all things difficult, but industry all easy.

**Tampa University Leads - -**  
(Continued from Page 1)

Lewis, polio students at the University. They talked about the wonderful care which they have received through the March of Dimes.

Martha Thraifkill and Wayne Merrill, member of the University Glee Club then entertained the viewers by singing "Make Believe."

Guy Bagly, sports forecaster, who followed the March of Dimes show, asked the television audience to send one dime to Polio, University of Tampa.

Dr. Ellwood C. Nance, president of the University, state director for the March of Dimes, has been very busy speaking the past two weeks. While in Jacksonville Dr. Nance delivered seven speeches. He also journeyed to Tallahassee to speak for the benefit of the March of Dimes.

**Registrar Likes Florida**

"I find the people in Florida to be completely charming."

These are the words of the new registrar of the University, Mr. William S. Weldon.

Yet he seems to miss the snow and ice of his winter surroundings at the University of Michigan, where he received his degrees and where he taught history. He holds both the bachelor's and master's degree in history, his favorite being modern European history, especially that which deals with the British Empire.

The registrar was born in Norfolk, Va., although he has spent most of his life in Michigan. His hobbies include his collection of jazz and classical records, reading, and such sports as archery, golf, and tennis. Though he enjoys teaching, he seems to like administrative work better.

SALLY VILLAR

Miss Sally Villar, 840 S. Boulevard, daughter of Mr. and Mrs. O. K. Villar, has been selected to be Greater Tampa Chamber of Commerce representative in the Florida Citrus Queen Contest at Winter Haven next week.

**No Mail - - -**  
(Continued from Page 2)

although if it worked that would be the best solution. The Post Office situated in Grand Central has a concession that expires in June 30, 1956. At that time it goes in auction and the best auctioneer gets it. If Tampa U. makes the lowest bid that would mean a p. o. station subsidized by the federal government with no expense to the University on the other hand the University would be able to profit from it. Of course this is hard on account of the location of Tampa U. a somewhat far from the main street, but if our Administration works hard at it the result might be have it moved to the campus.

The mail coming in and out of Tampa U. amounts at an average of over 2,150 letters per week. Right now the mail is picked up by the mail man three times a day and two deliveries are made daily to Tampa U. One at 10 a.m. and another at 1:00 p.m.

# Sports Views

By Charlie Archibald

**Hats Off to the Cigar Bowl Champions**—The University of Tampa Spartans turned a tremendous team effort into a great victory over the Morris Harvey Golden Eagles in the Cigar Bowl and blanked the opposition 21 to 0. This victory definitely showed that the 1954 edition of the Spartan gridders is the greatest in the history of the University of Tampa. 1955 should be a great year for the Spartan gridders also with a fine nucleus returning.

**Congratulations to the Cigar Bowl committee** which did such a fine job on the annual bowl game. Halftime was a very spectacular affair with numerous bands performing with the University of Tampa band in the lead.

**A Salute to the University of Tampa Band, the Majorettes, the Dancerettes, the Pep Squad and the Cheerleaders** for such a fine job throughout the football season.

**Basketball Team Bolstered** by the addition of football players Jess Davis, Charlie Downie, Dickie Harte and Ron Osler. All of these players are tall, rangy men and should aid in backboard play.

**Remaining Home Games in Basketball** — Jan. 15, Florida Southern; Jan. 22, Stetson; Feb. 4, Troy State; Feb. 7, Pittsburgh; Feb. 17, Miami. Let's have a large student section at these remaining games to be played at Fort Homer Hesterly!

**New Year Predictions** — The Spartan cagers will end the basketball season by copping some important victories... The Spartan nine will have its greatest season in many a year... Our Spartan crew will again receive national prominence for its rowing ability... The Spartan netters will get off on the right foot with victories... The Spartan gridders will have a still greater season than 1954... Student spirit will be at its highest in the history of the school.

**Student Support** — Our Spartan cagers are having a tough time getting on the victory road but much can be said for the difficult schedule they are playing with teams like Pittsburgh, Miami (Ohio), Florida, Rollins, Fla. State, Miami (Fla.) and Mercer. The Rollins game played at home was a good example of the fact that the hoopsters can come from behind as they left the floor at halftime behind 36 to 27—with 14 minutes remaining in the game, the Spartans tied up the game 43 to 43. Although our team did not win this game they did show some terrific competitive spirit. In the Florida game, played at Gainesville, the Spartans gave the Gators a real scare as the Tampans dropped a close one, 68 to 61. At the Rollins game, played at the Armory, the crowd was thin and so was our student section. What about getting behind a team, that with a few breaks, could turn defeat into victory? Win or lose, the Spartan cagers are your team. Saturday night take your date to the Armory for the TAMPA-FLORIDA SOUTHERN basketball game (game time :00 P.M.). **SUPPORT YOUR SPARTANS!**

## Spartans Honored

### Waytovich Named on All-State Team

Nick Waytovich, rugged guard for the Spartans, made the Florida All-State College first team in a poll conducted by Arnold Finnefrock, sports editor of the Florida Times-Union.

Dependable Nick was a repeater from the 1953 first string eleven along with being on the 1953 Little All-American squad.

Here is an account of some of this scrappy guard: In the Chattanooga game, Nick was forced to leave the game twice as Chattanooga backs and heavier linemen tried to go over his guard post but he came back each time and was the Spartan's top defensive man.

In the Stetson game, he recovered an important fumble which later set up a touchdown for Tampa plus making numerous unassisted tackles.

In the line play in the East Carolina game, Nick was tremendous. Weighing 185 pounds, he played opposite 220 pound East Carolina linemen who said after the game he was "the finest guard we have played against this season." Against South Georgia, versatile Nick opened up gaping holes in the opponent's line for Spartan backs to pour through. During the Troy State fracas, he made some terrific tackles unassisted, intercepted a pass and recovered a fumble.

In the Appalachian game, Nick was all over the field, playing a great defensive game plus making two-lane holes in the Mountaineer line.

During the FSU battle, he was one of the Spartan defensive stalwarts in the tight annual affair.

In the final game of the season in the Cigar Bowl contest against Morris Harvey, Nick, in his final game for the Spartans, showed his great prowess by being responsible, along with the other great Spartan linemen, for not allowing the Golden Eagles to penetrate beyond Tampa's 10 yard line. This game was the climax to Nick Waytovich's great career on the gridiron for the University of Tampa Spartans!

Co-captain Nick, vicious blocker, rugged tackler, opportunist on fumbles, and always the last man up on a defensive play, will go down in Spartan football history as the greatest guard to play for the University of Tampa!

### Leathers Receives Honorable Mention

### Caption Lovely Named Outstanding Player

Al Leathers, hard-running full-back, was named for honorable mention on the Florida All-State College football team. During the 1954 season, Al rang up 9 touchdowns and 2 point afters for a total of 56 points and was the leading scorer for the Spartans. He was outstanding in all of the Spartan games with the Cigar Bowl game being his greatest. He compiled the largest running yardage of 92 yards for the University of Tampa in the Cigar Bowl game plus playing a great defensive game. Al has another year to play for the Spartans and should have his greatest year.

Bob Lovely, captain of the Spartans, was the recipient of the outstanding player award from the Tampa Quarterback Club along with Al, who received the outstanding back award. Bob, who was injured in the FSU battle and was unable to play in the Cigar Bowl game against Morris Harvey, also received honorable mention. Throughout the season, he played outstanding football both on offense and defense. Any opponent of the Spartans will verify this statement that "he hits like a freight train." Bob will be back for another season and with Tom Mahin returning from the service the traffic on the off-tackle plays against the opponents should be heavy with the traffic coming the other way going in reverse. Two great players, Al Leathers and Bob Lovely, deserve all the credit that comes their way!

## ROLL OF HONOR

You will find on the north wall of the Lobby a Roll of Honor bearing the names of University of Tampa students who served with the U. S. Armed Forces in the Korean War. This Roll of Honor was presented to the University by the Faculty Woman's Club in April, 1951.

If you know of any student or former student whose term of service included any part of the period from June 24, 1950, to July 27, 1953, please give his or her name to Dr. H. G. Baker, as the Faculty Woman's Club wishes to complete the roster as soon as possible.

## Achievement Medal Received by "Babe"

Mrs. Zaharias, honored citizen of Tampa: Beloved and admired throughout the sports world, your long and amazing record of achievements in the field of sports is already a unique and inspiring chapter in the history of sports, which may never be equalled.

You have excelled with the javelin, high hurdles and jumps in the world-famous olympics; toured the country with your own girls' basketball team; won many championship honors in tennis and swimming; and have broken all records in golf. Five times you were recognized and honored as the athlete of the year and now you have won your diamond-studded crown of glory; that is, up to this date, for we are not sure that you have won your last honor, of being voted the outstanding athlete of the first half of the twentieth century.

When you came back to the golf course from your recent serious illness and operation to mark up two more victories you also won a permanent place of honor in the hearts of all men and women who admire faith and courage.

Mrs. Zaharias, it affords me great pleasure to present to you, on behalf of the trustees and administration, the University of Tampa's Achievement Medal in Sports for excellent performance in golf.

Dr. Ellwood C. Nance,  
President, University of  
Tampa, Tampa, Florida

\*Read on the occasion of a testimonial dinner given in her honor on the fourteenth of December, 1954, in the City of Tampa, Florida, on which occasion Mrs. Zaharias, affectionately called "Babe," received the University of Tampa's Achievement Medal in Sports for excellent performance in golf.

Of good fortune, as of ripe fruit,  
we must make the most while it lasts.

## ACE CLUB LEADS WAY

On the 14th of December, the RNDs defeated the SPEs by a 30-15 score. High scorers for the RNDs were Andy Marcus with 3 field goals and 4 foul shots for 10 points and Roland Acosta with 2 field goals and 3 foul shots for 7 points. Top men for the SPEs were Al Howell with 2 field goals and 2 foul shots for 6 points and Charlie Meyers who scored 2 field goals for 4 points. In the other game played that day, the AC eked out a win over the SKNs 30 to 28. This game was not decided until the final second with Chuck Smith scoring 4 field goals during the game for 8 points for the AC and Kenny Nuznoff scoring 2 field goals and 3 foul shots for 7 points. Dean Goldsmith was high point man of the game with 4 field goals and 3 foul shots for 11 points and Bill Mosher scoring 2 field goals and 4 foul shots for 8 points for the SKNs. This was the tightest game played thus far in the Intramural Basketball League.

On December 16, the AC eased past the TOs by a 43-22 score as Chuck Smith led the scorers with 5 field goals and 5 foul shots for 15 points with Al Saferstein scoring 2 field goals and 5 foul shots for 9 points for the AC. Bill Minahan led the TO scorers with 4 field goals and 2 foul shots for 10 points with Al Leathers, Ted Greene, and Jim Mathis scoring 2 field goals apiece for 4 points off the TOs. In the other encounter, the SKNs got back on the winning road with a 27 to 15 victory over the INDs. Bill Mosher led the SKNs with 5 field goals and 1 foul shot for 11 points with Ed Duray and Dean Goldsmith scoring 3 field goals apiece for 6 points. For the INDs, Jerry Strickland led the scorers with 2 field goals and 1 foul shot for 5 points with Tony Scionti scoring 2 field goals for 4 points. The SKNs defeated the RNDs on Tuesday, Jan. 4 by a 33 to 21 score while the SPEs were

taking the TKEs with a 35 to 17 score in the other game. In the SKN-RND game, Bill Mosher was high point man for the SKNs with 5 field goals and 4 foul shots for 14 points with Dean Goldsmith hitting for 2 field goals and 1 foul shot for 5 points. The RND high scorers were Joe Souto with 4 field goals and 2 foul shots for 10 points and Pete Leto with 2 field goals and 1 foul shot for 5 points.

The SPE high scorers in their win were Sam Reina with 4 field goals and 3 foul shots for 11 points and Al Howell with 3 field goals for 6 points. The TKE high scorers were Charlie Archibald with 2 field goals and 3 foul shots for 7 points and Pete LaBruzzo and Jesse Diaz with 2 field goals for 4 points each.

## STUDENTS! EARN \$25!

Lucky Doodles\* are pouring in! Where are yours? We pay \$25 for all we use, and for many we don't use. So send every original Doodle in your noodle, with its descriptive title, to Lucky Doodle, P.O. Box 67, New York 46, N. Y.

\*DROODLES, Copyright 1953 by Roger Price

"IT'S TOASTED"  
to taste better!

STUDENTS ARE ECSTATIC about Luckies. That's the word, straight from the latest, largest college survey ever. Again, the No. 1 reason Luckies lead in colleges over all other brands, coast to coast—border to border: Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is toasted to taste better. This famous Lucky Strike process tones up Luckies' light, good-tasting tobacco to make it taste even better. So be smart, like the student in the Doodle above, titled: Lucky smoker swinging in hammock. Swing to Luckies yourself. Enjoy the better-tasting cigarette... Lucky Strike.

Better taste Luckies... **LUCKIES TASTE BETTER**...Cleaner, Fresher, Smoother!
