Voting Takes Place Next Friday

No petitions for nominations for the election of class officers had been received by Pat Stuckey, chairman of the election committee, as the paper went to press today.

In view of the fact that the election is to be held Friday, Oct. 20, and the petitions of nominations are due before midnight, Monday, Oct. 16, the election chairman predicts that there will be the usual last minute rush.

The election rules state that the petitions must be signed by at least 10 percent of the voting body involved and must be presented to the election committee by the above date.

Class Offices

The offices to be voted upon are: President of the freshman class; vice president of the freshman class; vice president of the sophomore class; secretary and treasurer of the freshman class; president of the junior class, and secretary and treasurer of the sophomore class. The class officers are to be voted upon by members of the respective classes only.

In the previous elections held by the university each office was petitioned by several candidates and the elections were preceded by rallies and assemblies. It is hoped that the election this year will be carried on in the same spirit as those of previous years.

All petitions must be presented to the election committee, which includes: Dr. Metts, Mr. Berry, Pat Stuckey, chairman, Mary Litschgi and Bill Logan.

Faculty Reception Draws Large Crowd

The annual reception given by the faculty for the students, their parents and friends, was held here recently in the lobby of Tampa university. This affair was the first formal reception to be staged in the new home of the University of Tampa.

The hundreds of guests that called during the evening expressed the hope that the university would succeed in proving a valuable institution. Music for the program was furnished by the school orchestra, under the direction of M. L. Price.

Guests were received at the door and presented to the receiving line by Mrs. T. M. Shackelford, jr., and Mrs. R. J. Binnicker. Mrs. Jerome Waterman and Mrs. John Sultian served coffee and Mrs. F. M. Van Slyke and Mrs. R. W. Simpson served tea in the drawing room. Refreshments were served throughout the evening.

Persons in the receiving line follow: President and Mrs. F. H. Spaulding, Mr. and Mrs. George Howell, Mr. and Mrs. Ernest Maas, Mr. and Mrs. V. V. Sharpe, Mr. and Mrs. Charles A. McKeand, Dean and Mrs. John Coulson, Mr. and Mrs. J. Erskine Hawkins, Coach Nash Higgins, Mr. and Mrs. Edward Hinckley, Miss Charlotte A. Thompson, Mr. and Mrs. Oliver A. Seaver, Mrs. Myra Hooker Steele, Mr. Ridgely C. Dorsey, and Mr. John Gee.

Others assisting in serving and entertaining follow:

Mrs. J. Rex Farrior, Mrs. H. C. Tillman, Mrs. E. D. Lambright, Mrs. J. C. O'Neal, Mrs. Clarence Holsinger, Mrs. J. J. Saxton, Mrs. Ridgely Anderson, Mrs. D. B. Givens, Miss Sarah Keller, Mrs. Ben Hill, Mrs. W. M. Rowlett, Mrs. C. C. Martin, Mrs. C. J. Jackson, Mrs. A. F. Berry, Mrs. Sheldon Stringer, Mrs. L. B. Mitchell, Mrs. H. B. Hutchison, Mrs. W. G. Allen and Miss Margaret Stewart.

4 CHEER LEADERS GIVEN POSITIONS BY POPULAR VOTE

Students Are Appointed In Assembly

At the assembly, Tuesday, Oct. 10, Mr. J. P. Jones gave a stirring talk which he called "My Friends in Hell." He urged the students to give up the old narrow orthodox idea of hell and adopt a Christian attitude tolerance. He said that in the end goodness, truth, and beauty win out regardless of one's creed.

After the assembly Wofford Wait, president of the student body, called a meeting for the election of cheer leaders.

The four boys elected are: Hamblin Letton, Manuel Rodriguez, Madison Post and A. C. Van Dusen.

The election to decide the girls positions will be held again Wednesday, Oct. 11, at 1 p. m., because Aleyn Clayton's name, due to an error, was not submitted to the student body.

Social Groups Are Represented Here

Sororities and fraternities are amply represented in the university this year due to many transfer students. Chi Omega and Theta Kappa Nu lead the list as having the most.

Sororities and their pledges are: Alpha Gamma Delta, Helen Harkness.

Chi Omega, Mary and Margaret Gannon.

Alpha Chi Omega, Valerie Stubbs. Phi Mu, Martha Campbell, Alpha Xi Delta, Carolyn Fine.

Fraternities and their pledges are: Alpha Tau Omega, Lewis Petteway. Theta Kappa Nu, W. C. Buchanan, Jim Biomeley, and Val Kreher.

Phi Kappa Tau, Marion Lee. Phi Kappa Nu, Bert McCollum. Sigma Nu, Don Williams.

Beta Theta Pi, D. B. York, jr. Epsilon Mu Sigma, John Flannery.

Beta Chi Frat Wants Charter

A petition has been submitted to the faculty by a group of students in the university asking for a charter for a local fraternity to be called the Beta Chi.

Charter members of the fraternity are: Octavius Smith, Jimmie Moore, Pat Stuckey, Wofford Wait, Herbert Sullivan, Bill Logan, Ray Kimball, and Bill Hippenmeier.

The fraternity plans a smoker for prospective members next Tuesday evening at the Dragon.

Janitorial Reception

On Monday night, Oct. 9, 1933, an informal reception was held in the lobby of the university. The janitorial staff was in the receiving line, all dressed in the latest fashion. With the arrival of the guest, Shields E. Clark, jr., activities began. Morton Phineas Hackney, in a flowing pink taffeta gown, led the receiving line. Others in the receiving line were Bob Morales, Bill Marbourg, Billy Hand, Winston Rotherert, Pat Stuckey and Buzzy Sullivan.

The receiving line was broken up after all had finished pumping Mr. Clark's hand. There was, then, a unanimous rush for the lemonade and cookies.

After refreshments were done away with, a lemon fight and a football game were enjoyed by all participants using as a field of operation the lobby of our glorious university. At 12:30 p. m., the fashion plates were all herded away by our liberal university curfew law.

Fourteen Try Out For Cheer Leaders At Pep Meeting

Hip! hip! hurrah! Football is here and with it comes yells and cheers.

The student assembly last Thursday morning was turned into the first pep meeting of the year. Hamlin Letton and Manuel Rodriguez, acting captains, introduced the candidates for cheer leaders and then led the student body in several yells.

The captains announced that they needed more yells, cheers, and songs, especially original ones, and that any of the cheer leaders would appreciate suggestions.

Those who tried out for the cheer leader positions are: Hamlin Letton, Manuel Rodriguez, A. C. Van Dusen, Aleyn Clayton, Billy Moody, Torino Scaglione, Sam Harrison, Madison Post, Julia Folsom, Barbara Alexander, Mildred Rupe, Sarah Tyler, Marie Sanford and Jim McNeill.

Wofford Wait, president of the student body, reminded the assembly that at the time of freshman elections, Oct. 20, vacant offices in other classes would be filled. Petitions must be handed to some member of the election committee by Monday, Oct. 16. Those on the committee are: Pat Stuckey, chairman, Mr. Berry, Mr. Metts, Mary Litschgi and Bill Logan.

Wait also announced that there is a shortage of catalogs in the office. All those who have catalogs which are not in use are requested to bring them either to the desk in the lobby or to the dean's office.

College Sorority Holds Weekly Meet

The Delta Kappa sorority held its weekly meeting Monday night at the home of the Misses Marguerite and Mary Litschgi.

The group announced that owing to a change in plans, the tea scheduled to be held Oct. 14, at the home of Miss Louise Leonard would be postponed until the following Saturday—Oct. 21—from 5 to 7 p. m. Faculty sponsors were also chosen.

After the business session, the hostess served delicious refreshments to the guests.

Members present were Miss Dorothy Pou, Miss Hazel Webb, Miss Carolyn Maness, Miss Carmen Cosio, Miss Louise Leonard, and the hostesses, Miss Marguerite and Miss Mary Litschgi.

Jimmy White Scores First Touchdown

Tampa university's 1933 football machine, the latest addition to local gridiron circles, mowed down a light but fast Bowdon eleven at LaGrange, Ga., last night for the initial Spartan victory of the year, 28 to 0.

Jimmy White, former Terrier football star, pushed over the first score for the locals. O'Riley chalked up the extra point for the Spartans with a beautifully executed drop kick between the posts.

The Spartans were outplayed in the early part of the contest but made good advantage of all available breaks. Torres clipped off a run in the opening quarter that was good for 20 yards and paved the way for the initial tally. White, after smashing the line four times, crashed across the goal line.

Penalized 45 Yards

Bowdon's long-legged punter, Dickinson, kept the locals from getting within scoring distance in the entire second period. The Spartans were forced to give up 45 yards in this quarter due to penalties. As the half drew to a close the Georgia gridders took the ball on the Spartan's 45-yard stripe and battled their way to the 13-yard line. A 15-yard aerial heave, Kintz to Dickinson, aided Bowdon's march.

Jack Fitzgerald, of the locals, intercepted another of Kintz's passes and brought the Bowdon scoring threat to an abrupt ending. The Spartans punted and the Georgia outfit took the offensive again. Play terminated in midfield at the whistle for the half.

In the second half the Spartans took the ball on Bowdon's 40-yard line and made a hard drive down the field. The interference got in the way of the backs a number of times but failed to halt the gains. Overstreet, Rodriguez, and Hance figured heavily in the march down the field.

Kick Extra Point

Edison scored the second touchdown, picking up an 18-yard pass from Hance. O'Riley kicked the extra point.

Filling the air with an aerial attack that clicked like clockwork, the Spartans pushed over another score in the third period. Overstreet took the pigskin and went around left end for 25 yards. Hance tossed him a 10-yard pass, and followed this with a 30-yard aerial heave. Hance went across for the score and O'Riley repeated with the extra point.

In the fourth quarter, White kicked out of bounds on Bowdon's 10-yard stripe. Dickinson was hurried on the return punt and his attempt was good for only 10 yards.

Fourth Touchdown

White tossed a pass to Overstreet and then flipped an aerial to Edison that was good enough for the fourth touchdown of the game. O'Riley kicked the extra point.

Bowdon fought gamely up until the last minute but the locals proved too tough a foe. The Spartans were well on their way toward a fifth score as the whistle blew, with the ball on Bowdon's five-yard line, and in the hands of the university players.

Football Boys Get a Break By Winning Game

Bill Hart, manager of the Park theater, did his part to help win the Spartan-Bowdon football game. As an added incentive to the boys to do their best he offered them a free show if they should win. They won 28 to 0 just to make it look convincing.

The other students of Tampa university will be favored with a card issued by the Minaret which will permit them to go to any week day show between the hours of 1 and 6 p. m. for the total sum of 15 cents.

What's In A Cap?

A cap, or not a cap? That is the question. Whether it is nobler in the mind to suffer the snubs and slurs of outrageous sophomores—or to take up arms against a lot of stuffed shirts and—by opposing—squash them.

The freshmen like the Melancholy Dane, are confronted with a difficult situation. On one side of the question, they may submit to the Student Council ruling and wear the soon-to-be-here Freshman Caps. On the other side, they may refuse to submit, and display their personal courage by defying a group whom they far outnumber.

Believe it or not, Freshman Caps were designed by Freshmen for the benefit of Freshmen. The original purpose of these millinery efforts was to provide an easily recognized emblem by which freshmen might recognize freshmen. The caps, by years of general usage, have been so closely associated with the freshman that they partake of any glory or degradation that may become attached to him. Every college student is a freshman once; it would seem the logical course for both the class and the individual members to admit their scholastic standing, and strive to make this standing one of which they may be proud.

There is actual benefit to the wearer in the institution of the Freshman Cap. First, if the frosh be a stranger, the cap serves to identify him to the members of his class. Second, when an indigent member of the class wishes to travel the cap serves as both identification and character reference, to prospective rides. Thus, the caps are an assistance to the progress in both social and physical worlds.

Besides the benefit to the freshmen themselves, the success of the Freshman Caps would constitute a benefit to the University. The sale of the caps would bring in needed money. The use of an official "Rat Cap" would identify the U. of T. throughout the state. Finally, the uncompelled cooperation of the freshmen would prove to the world that both University and Freshman Class were the possessors of the finest variety of that mysterious force School Spirit.

Lack of Spirit

The send-off that the student body gave the football squad Wednesday as the bus pulled out for Georgia was a sad example of a turnout. Out of a student body of almost 300 enrollment, there appeared a mere handful of about 40 students. The rest either were not interested or simply lacked the amount of vitality necessary to traverse the distance.

The crowd made up in spirit what it lacked in numbers, but we can't help wondering with how much pep those few were able to inspire the boys. This small number was backing the team regardless of the outcome of the game. Were the rest of the students waiting to learn the outcome of the game before they gave their support to the team? If so, that is not the kind of spirit which wins athletic contests.

Those boys have been training hard for over a month in preparation for this opening game. It must have been very disheartening to them to discover that the students are showing very little interest in them. In the future let's turn out en masse and prove to our team that we are for them one hundred percent.

Consideration

Students who use the library for studying deserve the courtesy of quiet. Recently there has been a good deal of noise created on the verandah outside the library windows which has disturbed those at work inside. There is enough verandah space so that it is absolutely unnecessary to use that part which circles the library. Let's be considerate and have our fun where it won't disturb others.

The Minaret staff wishes to express its sincerest sympathy to Ruth Kickliter for the loss of her uncle.

The Panther Muezzin By CARL OPP

The courtesy of the "Minaret" in offering a column for the purpose of printing news from Plant is greatly appreciated by the whole school. This news outlet will help very much to make up for the lack of our student publication which, along with printing and journalism, has been discontinued because of the current financial embarrassment in the schools. We take this opportunity to thank the editors and staff of the Minaret for their offer and to assure them that we shall do our best to cooperate fully with them.

Plant Opens Football Season
In their opening game against Bradenton last Saturday the new Panthers gave their lighter opponents a decisive beating. In spite of the victory, however, the playing uncovered many faults that have added to Coach Sarra's already long list of worries.

Plant showed great weakness in receiving and returning punts and the play of the backfield was marred by several fumbles. While some of the misplays were due to nervousness and inexperience, the Panther coach is devoting much time to eliminating all these faults.

Captain Nelson Davis in the line and Paul Schwartz in the backfield were easily the outstanding players, while Francis Kearney and Bill Myers showed up well as halfbacks, and Wallace Hays did his share at left end. Coach Sarra praised the line play and pointed out that "people are apt to overlook the invaluable play in the line and to judge a team entirely on the merits of its backs."

St. Pete Game Saturday

On Saturday, Oct. 14, the Panthers will go to St. Pete to engage the "Green Devils" there. St. Pete's unexpected tie with Plant City last Saturday has put her on the list of dangerous teams and made her a contender for a class A standing. Coach Sarra is making no forecast on the outcome of the game.

The players will go to St. Petersburg via bus.

Matricide Committed at Game

At the Bradenton game the Plant cheering section under the leadership of John Cheny, Dot O'Brien, Hilda Spradlin, and Searcy Farrior performed with the usual vociferation. But, whatever failings the game may have disclosed in the team, the need of some sort of a band for the rooters became sadly apparent. An unusual form of matricide was committed when the students attempted to sing the Alma Mater on which song they performed manslaughter. The deed was not premeditated; but, none the less, the song was certainly murdered. Shortly after this act, Holt Powell, one of Plant's former cheer-leaders, wearing a woe-begone look, smoked glasses, and smoking a pipe, was seen stalking about the stands. Old spirits are coming back to haunt the spectators!

Attempt To Organize a Band

In view of the crying need for a band, several boys who tooted and drummed for Plant last year are making an attempt to have an organization of that kind on hand for the next game. One member stated that if they could not get outside aid to direct them they would try to do the job by themselves. Everyone agrees that a bass drum and a pitch pipe would make a big improvement over last week's performance.

Cheer Leaders

Cheer leaders have not yet been elected for the season but from the following students, four will be elected: Hilda Spradlin, Dot O'Brien, Searcy Farrior, John Cheney, Joe Mickler, Sara Moore, Addie Jo Roudabush, Betty Fisher, and Ray Stubbs.

Rats Given Lung Exercise

The assembly on Thursday morning, Oct. 5 was turned into a pep meeting, and the "rats" were given their first "lung exercises." They did not do so well on some of the yells, and they were soundly booed by the upperclassmen for their lack of vigor. However, after having made several attempts at the different cheers, their volume improved greatly. After Holt Powell gave the meeting its initial send-off the regular cheer leaders led the cheering.

Student Council Elections

Student council elections were held this week and the following persons were elected as officers and members: President, Lucy Jackson.

Senior B representatives: Manuel Pelaez, Jean Lykes, Julian Pate, and Maynard Ramsey.

Junior B representatives: Francis LaMotte, John Tarr, and James Mixon.

Sophomore A representative: Howard Stearns.

Sophomore B representatives: McKay and Taylor.

Hillsborough is off to a flying start with over 2000 students enrolled. As we have no physical education, we're trying out mass education. Some of the study halls are being held in the auditorium as some of the study classes have 200 and more pupils in them. Other subjects dropped from our curriculum are office practice, business administration, botany, zoology, and journalism.

Senior bulletin room representatives nominated 18 candidates for the student council. They will be voted on at an early date and the nine highest will represent the senior class in the council.

We're going to have music this year! Mr. M. L. Price will direct the orchestra, band and glee club. It has been hard for the students to adjust themselves to assemblies without any music. We are fortunate in having Mr. Price back with us this year.

The pep squad got together Monday for their first meeting of this year. While the organization is not complete, plans were made for the cheering section at the game Saturday. Hillsborough has missed this feature at the games with Clearwater and Palmetto. From now on we're going to boost our football boys. If they fail to cross the goal line it won't be from lack of vim, vim and vigor in our lusty yells.

At the opening of school we missed a familiar face. At first we could not accustom ourselves to the fact that Mr. Spaulding would not be with us anymore. As we had to give Mr. Spaulding up we were indeed fortunate in having Mr. Gaither sent to us.

They didn't stop at Mr. Spaulding but got our Scotchman as well. We know they can't think as much of him over there as we did here. Every student in Hillsborough called him friend. It will be hard to find another like him.

P. S. Maybe Mr. McCurdie will read that and be sorry he left us and come back again.

To the University Hillsboreans: We're glad you're there and know your record will be a credit to the Red and Black.

So long,
A HILLSBOREAN.

Question: "Why did you come to the University of Tampa?"

A young lady gave the following as her reasons for coming to college: "As the close of my senior at high school was drawing near my mind was constantly turning to the future. 'What shall I do now?' I asked myself over and over again. There were two alternatives—college or work; I was tired of school, but my father had expressed the desire that I receive a college education. So out of respect for his will I began to make investigations and came here."

Another young lady said this: "A great incentive was the opportunity to attend school in the picturesque and internationally famous 'Tampa Bay Hotel' building, located in such beautiful grounds."

Detention Attendance Poor

Miss Anthony this week stated that the attendance at detention period had been small because of the fact that few invitations to attend had been issued so far this season. Miss Anthony also pointed out that for the first two weeks of school on only one or two days were there more than two or three tardies. This is an excellent record, and she hopes it will be upheld all year.

In Conclusion

Suddenly being called upon to edit a column of this sort makes one feel like a football player who suddenly finds himself with an intercepted pass in his hands and a broken field around him. He knows what he is supposed to do, but he may wonder how to do it. However, with the excellent cooperation of the office force, the faculty, and several members of the student body we were able to rush this column down the field and over the goal line of time.

Student Athletic Tickets

Who wants two dollars?

The University of Tampa football, basketball and baseball teams want every student and parent in the city of Tampa to have the most convenient and economical means possible of seeing their games this fall. They have, consequently, arranged season tickets to sell for \$5.

Now, here's the point. You students cannot afford \$5 tickets. You students want to be members of the Student Athletic association. Now, put two and two together and get season tickets and that membership both for only \$3! Nothing more need be said. You're all going to get them.

In case you would like to know, the funds obtained from these tickets are going to be used to help equip the football squad, and to make possible a program of intra-mural sports.

Attend the Games

In two weeks the first game to be played on Tampa soil under the auspices of the athletic association will absorb all of the interest which should be given to studies. Students will be agog with talk, pep, and speculation. Will the team win?

The team—our team—the boys we see every day—are going out to win. Sportsmanship, practice, our coaching staff—play a part in success or failure. What are the students do? Attend that game—attend it en masse! Not only that, but attend all of our home games!

Up to the present time, we have had no real student organization capable of ably supporting the team. Next week pretty girls and dark, curly-haired men, students, all will begin a drive for membership in the student athletic association. Those who belong to the association will elect members to a governing board for Tampa U's athletics. Each member will receive a book of 20 tickets—for each football, basketball, and base game played at home. The proceeds of membership fees will be devoted to defraying the expenses of the teams.

Students, let's all get behind this athletic association of ours. Let's make every student a member—for every member is a stockholder in the success of the teams!

ROY HUNTER

We regret to inform you that the big event of the year has been postponed. The proposed football battle between the fightin' freshmen and the scrapping upperclassmen has been called off due to the fact that too many players have been seen indulging in ice cream sodas and chocolate nut sundaes in the Dragon and could not possibly be in shape for the gridiron contest.

Coach Higgins refused to sanction the game and we, for one, are darn glad that he did. Not that we wouldn't relish getting out there on the field of play and spilling a few of these high falutin' upperclassmen in a big and handsome way—but then there is always that thought that sticks in the back of our head—what if some guy should sit on our neck during a play longer than usual and we'd be obliged to struggle around the campus with the aid of a crutch for a couple of weeks?

Popular Sport

Football is the greatest and most popular college sport in the world but a fellow takes a lot of chances when he plays it. It's a peculiar thing, too, that you never worry about getting injured and always figure that the other fellow will be the one to get kicked in the head in the next scrimmage. The only time that you get a woozy feeling inside is when one of your teammates is being carried off of the field like a limp rag.

But even then you're more or less inclined to be optimistic enough to believe that your luck is better than his and that you will finish the game unscathed.

So, freshmen, let's challenge the upperclassmen to a touch football tilt. Let's get some class rivalry stirred up in the school even though it be as harmless as a touch football game. Good, clean cut rivalry is the most thrilling and fascinating thing that we can think of. So let's get going, freshmen. Up and at 'em!!!!

Perhaps you have been wondering why those three fellows out at Plant field run around all afternoon in shorts. Well, it seems that they are not members of the grid squad but aspiring candidates for the track team this season. It's true that the regular practice doesn't begin before the second semester but these ambitious lads are going to get an early start on the other sprinters and dash men.

Mile Relay Record

That tall, bronzed fellow is "Monkey Rhines, captain of the St. Petersburg Green Devils track team last year. The next youngster, a head shorter than Rhines and carrying around a trim physique, is Don Robbins, co-holder of the state high school mile relay record chalked up by Hillsborough two years ago. Incidentally, this mark was not smashed in the state meet last season.

The other Spartan is Adolph Ramirez, former member of the Terrier track squad. These fellows are rapidly rounding into shape and we are expecting them to go places under the university colors this year.

Good Backfield

In our opinion Higgins has one of the best organized and all-around backfields in the state. The Spartan four horsemen are Rudy Rodriguez, level-headed quarterback who starred at Plant high school last year, and who is one of the neatest little passers that we have ever witnessed; Marvin Chauncey, St. Pete youngster, who is a vicious blocker and can weave his way through a charging line like a rabbit; Guy Whitlock, stalwart fullback who was instrumental in many a Hillsborough gridiron victory several years ago; and Kenneth Hance, the famous Hance brothers touch-down combination which won prominence at Plant high two years ago.

And that's not all. The second string backfield shows another crop of experienced boys who are slated to see plenty of action this season. Comprising the second team quartet are Buck Torres, light-haired half-back who plays havoc with opposing tacklers in an open field; Ed Carter, stocky lad who matriculated on the Spartan eleven last year; Bill Carr, back-field ace who has shown up splendidly in the scrimmages, and Willie Godwin, former Terrier football star who crashed the high school all-state hall of fame for two consecutive years and won a berth on the All-South-ern eleven last year.

Besides this group of veterans there are still a number of backfield reserves that Higgins can rely on for service in future gridiron battles.

Eight All-State Men

Here's a note for Ripley . . . The Spartans have eight former all-state high school players on the squad. These are Phil Patterson, Gus Muench, and Willie Godwin, from Hillsborough; Rudy Rodriguez, Plant; Johnny Mastry, St. Petersburg; Wilbur Gunnoe, West Virginia; John Edison, Georgia; and Ed Carr, St. Petersburg.

Get an all-star group like this to clicking together and watch the results!!!!

There's a saying out in the Spartan camp that a fellow doesn't know what position he'll play in before the end of the season. In three cases this has proved pretty near to being the truth. Willie Godwin, former Terrier linesman, has been converted into a plunging fullback. With his line charging ability he should be able to clip off two or three yards any time.

Gus Muench, stalwart tackle on the Hillsborough championship eleven last year, is now holding down an end position. Gus may not be so good at snatching passes but heaven help the player that attempts to pull an end run around his side of the line.

Former Terrier Star

The other university player who has been changed to another position is Bert McCollum, who roamed Plant field in a Terrier jersey several years ago at a tackle post. Bert has been doing an excellent piece of work at guard and is one of the best defensive gridders on the forward wall. These changes have all proved for the best. Who's next????

Just a word or two of comment . . . Let's see more enthusiasm around school concerning the football team. Get the old school spirit aroused and put more pep into those yells. Don't sit back and say, "Our student body is too small for any real cheering section." That's all hot air, for our group can make as much noise as the next gang. So, fight 'em Spartans!!!!

University Girls Are Defeated in Volley Ball Game

In their first game of the newly organized City Recreation Department Volley-ball league, the University of Tampa's Spartanettes failed in a last minute rally to overcome an early lead and lost to the Lee Playground by scores of 15 to 9 and 15 to 13 last Thursday night at the Lee Playground.

Playing together for the first time the Spartan outfit showed unusual promise and kept the spectators on edge until the last point. In the first game, the organized Lee Playground girls started with a rush and ran up a large lead on the inexperienced University of Tampa nine. Getting the feel of the game the Spartanettes

came back strong but were unable to score more than nine points in the first game of the two-game series.

In the second game the two teams played more evenly, with the Lee girls holding an edge to the end. The University of Tampa team made a strong challenge, led by Doc Talbott, but the Lee Playground outfit kept a two-point lead in the closing minutes of the last game.

The Spartan girls' team was composed of Dot Pou, Louise Leonard, Annie Maggio, Martha Powell, Teresa Rehak, Marjorie Dennis Mildred Root and Edna Frances Prince.

At the next game to be played at the Seminole Playground Friday, Oct. 13, at 8 o'clock, a captain will be elected to lead the Spartanettes.

College Fencing Team Holds First Official Meeting

The University of Tampa Fencing team, recently organized by Manuel Rodriguez, held their first meeting last Wednesday night under the supervision of Mr. Harry Bierce, one of

the south's premier fencing instructors.

With the advantage of having Mr. Bierce to instruct the Spartan fencers, the University of Tampa is insured of having a representative team. Mr. Bierce is prominent as an instructor of fencing in this state, and is considered quite an authority with foils.

Among those who have signified their intentions of trying for the team are: Don Williams, H. Harris, Sam Harrison, Winston Fowler and Torino Scaglione. All others interested in fencing are requested to communicate with either Manuel Rodriguez or Mr. Bierce.

Horrors!!!! I certainly am ashamed of myself. Two sophomores, Lucile Rosenberg, and Barbara Seckback who attended F. S. C. W. last year were mentioned in this column last week as being "rats."

Alene Clayton, one of the peppy young ladies out for cheer leader, had the distinction of being the youngest student at the university last year. Wonder if it is so this year?

Someone has been asking about Jim Blomely—he attended Birmingham Southern college last year—his home town is Birmingham, Ala.—is a Theta Kappa Nu and makes good grades.

The spacious reception hall of the university was the scene of a free for all party Monday nite. The sanitary engineers (better known to us as janitors) gave a reception for themselves, having punch, cakes and candy for refreshments. Why don't we rate?

Did you know that the university has a second Tammany Hall—(otherwise known as the book store)?

Everybody will be enjoying their smoking around here for the next week . . . Some of the boys and girls got cigarettes galore—some rating as many as six packs last Tuesday, and didn't pay a cent. Who says nothing is ever free?

Perhaps you've heard the one about the grass widow and the cannibal chieftain, but have you ever connected ancient Rome with the pointed-toothed natives of the jungle? Mr. Stienberg (minus his French mus-

Nash Higgins' latest has to do with the dignified "Hahvahd" cheer leader at the Yale game. Anxious to spur his team on to victory, the enthusiastic cheer leader called everyone to his feet and exclaimed, "Now then, everybody, let's, ah, give three rousing cheers for team.
