SPARTAN CAGERS LOSE FIRST GAME

DRAMATIC CLUB IN TWO PLAYS TUESDAY NIGHT

"Elopement of Ellen" Is One

"The Elopement of Ellen," a three-act comedy, and a playlet entitled "Be a Little Cuckoo" will be presented by the recently organized "313 Masquers" dramatic club in the music room of the University Tuesday night, January 14 at 8 o'clock.

The class of Mrs. Elizabeth Connally has been working hard to prepare these two plays and she believes they will be a success. There is to be no admission charge to these productions as they are being presented merely to acquaint the students and people of Tampa with the talent of the student body.

Joe S. B. Coniglio, president of the club, in a statement yesterday urged the student body to take an interest in the activities of this organization, and support it by attending the first major performances of the club.

All Invited

"We extend an invitation to all students and their friends and to all who are interested in our world," Bruce Kelly, publicity director of the Thespians, said.

The group has appeared in several playlets in chapel, over the University radio programs, and at several clubs in the city, and are rapidly building a reputation for their dramatic ability.

The cast of "The Elopement of Ellen" has been announced as follows:

Richard Ford, a devoted young husband, Fred Carter.

Molly Ford, his wife, Ann Peebles.

Robert Sheppard, Molly's brother, Bruce Kelly.

Max Tere Eycle, a friend of Robert's, Trueman Hunter.

Dorothy Murch, engaged to Max, Verna Vining.

Jane Haverhill, majoring in economics at Wellesley, Mary Goulding.

John Hurne, rector of St. Agnes, Bert Hernandez.

Second Cast

Students taking part in the second production, "Be a Little Cuckoo" include: Myrtle Hodge Reece as Mrs. Harvey Parker; Gladys Helen Harrison, Verna Vining, Kitty Lea, as "the girls"—Harriet, Marjorie, and Anna; and Marjorie DeWolf as Lizzie, the scrubwoman.

This is an opportunity for the students of the University of Tampa to show their support to fellow schoolmates by attending the presentation Tuesday night. Everyone is invited and a large crowd is expected to be on hand when the curtain rises at 8 o'clock.

MUSIC FESTIVAL ANNOUNCED

The University of Tampa announces the ninth annual festival of the Florida High School Music Festival association, to be held April 23, 24 and 25, 1936, at Tampa.

The event is sponsored by the board of public relations of the city of Tampa and the convention and tourist bureau of the Tampa chamber of commerce.

PRESENTS PLAYLET

Students from the dramatic department of the University of Tampa presented a one-act playlet at the meeting of the Tampa Woman's club yesterday afternoon.

Those in the cast were Miss Kitty Lea, Miss Louise Taylor, Miss Marjorie DeWolf, and Miss Myrtle Reece. Mrs. R. P. Connally directed the production.

Leading Lady

MARY GOULDING

Who will be leading lady in the production, "The Elopement of Ellen," which will be presented by the "313 Masquers" Dramatic club January 14. She is a sophomore at the University and is very popular in student activities.

Mary Goulding Enters Popularity Contest in Fashion Show at Aud.

Miss Mary Goulding is representing the University of Tampa in a popularity contest held in connection with the fashion show at the municipal auditorium last night and this afternoon at 3:30 o'clock.

Miss Virginia Dowling and Miss Evelyn Lightsey are representing the two high schools, Plant and Hillsborough, respectively. Each person buying a ticket is entitled to one vote. The candidates were selected by the student bodies of the schools.

The show entitled "Color in Your Life" is in the form of a 3-act play presented by Leroy Scarlet of New York. He explains the effects different colors of clothing have on people's personality and disposition. Twenty-seven girls, including queens of the four Latin clubs of the city, are participating in the fashion show. The clothing displayed is furnished by Ernest Maas, Inc.

After each performance a dance is given honoring the models and the representatives in the popularity contest. Everyone attending the show is admitted to the dance for a small fee.

Miller Adams Weds Miss Carolyn Maness

Two of our alumni, Carolyn Maness and Miller K. Adams were married Saturday, Dec. 24, in a quiet ceremony at the rectory of the Episcopal House of Prayer with the Rev. T. H. Young performing the ceremony.

Mrs. Fred Rushing, the former Miss Ruby Knight, was matron of honor, and Miss Ernestine Spain was bridesmaid.

Mrs. Adams is the daughter of Mr. and Mrs. William Maness, 407 East Adalee street. She attended local schools, and received her A. B. degree from the University of Tampa in June, 1935. She is a member of the Sigma Theta Phi sorority.

Mr. Adams, a son of Mr. and Mrs. W. O. Adams, also was graduated from the University of Tampa with a B. S. degree last year and is a member of the Sigma Kappa Nu fraternity. He is connected with the city recreation department.

Mr. and Mrs. Adams left immediately after the ceremony for a short wedding trip, and will reside upon their return at 103 West Lambright street.

SENIOR CLASS ELECTS GUINTA ANNUAL EDITOR

Class Officers Also Elected

Don V. Guinta, member of the senior class of 1936, was unanimously elected editor-in-chief of the first yearbook to be edited at the University of Tampa last Monday morning in a special meeting held by the 1936 graduating class. Other class officers were also elected at this meeting.

The first senior class meeting of the year was presided over by Bill Marbourg, candidate for graduation and president of that group. Formal business was discussed previous to the elections. Some of the most prominent class members were elected to the various offices.

For the first time since the establishment of the University of Tampa, campus organizations were equally represented in the election to honor positions. William Logan, president of the Sigma Kappa Nu fraternity, was elected vice president of the senior class.

The Sigma Theta Phi sorority was represented by Edenia Delaney, who was voted to the office of secretary. Miss Delaney is also a representative to the Student Council.

Virginia Roberts, representing the Delta Kappa sorority, was elected treasurer of the 1936 graduating class.

Bill Marbourg, president of the leading class on the campus, is a Beta Chi member and Don V. Guinta is a Rho Nu Delta man.

Second Annual Attempt

This will be the second attempt for the editing of an annual at the University of Tampa in the past two years. Last year, the senior class, led by the student body president, D. B. York, Louise Leonard, A. C. Van Dusen, Winston Fowler and others, sponsored a drive for the publishing of a yearbook. The campaign did not fulfill expectations and plans for an annual were dropped altogether. However, the 1936 graduates are assured of a yearbook and further details will be published later in the Minaret.

The newly elected editor-in-chief, Don V. Guinta, is president of the Rho Nu Delta fraternity and is a columnist for the Minaret, weekly student publication at the University of Tampa. He is a member of the Quill and Scroll, an international honorary society of high school journalists, whose members are elected for outstanding achievement in the field of journalism. He served on the staff of the Red and Black, Hillsborough high school paper, for two years. In 1932 he served in an editorial capacity on the staff of the graduating class yearbook.

Don is a member of the university debating society and will graduate in June with the degree of Bachelor of Science in Commerce. He will continue his studies in a law school after graduation from the University of Tampa.

Guinta Statement

The 1936 yearbook editor-in-chief said, "I feel honored by the unanimous action of the senior class in electing me as their editor-in-chief. While I realize that the position is the greatest responsibility that could be bestowed on any student, I am confident that under my direction, with the aid of a cooperating staff, we shall be rewarded with the first yearbook of our University. At the meeting Friday, I shall bring up two important points—the name to be given our yearbook and to whom it shall be

Cage Coach

GEORGE K. STRAUS

GEORGE STRAUS IS HEAD COACH OF BASKETBALL

Former Ohio U. and Stetson Star

George K. Straus, former Stetson University star, who was assistant football coach last season, is the new basketball mentor for the University of Tampa.

Straus has had a very colorful cage career for the last 10 years and is expected to make as capable a coach as he was a player.

A native of Youngstown, Ohio, he attended South High school in that city. Playing basketball for that school, Straus was selected both all-city and all-state for three consecutive years, 1925, 1926 and 1927. Playing amateur ball, he made all tri-state—Pennsylvania, Ohio and West Virginia—in 1928.

After graduating from high school, Straus continued his brilliant starring at the Ohio University in Ethels, Ohio, in 1929 and 1930. In 1929, in an amateur tournament at Parkersburg, W. Va., he was again chosen all-state.

At Ohio University he was initiated into the Delta Tau Delta fraternity. "George" came south in 1931 and played for three years for the Stetson University Hatters in '31, '32 and '33.

Local fans will remember him defeating the University of Florida cagers single-handed in a game here in 1933. At the A. A. U. tournament in Orlando in 1933, Straus was chosen all-Florida, and was given the "most valuable player" award.

Straus received his law degree from Stetson in June, 1935. Stetson is declared one of the best law schools in the south. He has recently been admitted to the Florida bar, and is now a "lawyer-coach." At Stetson, he was initiated into the Sigma Nu Phi, a legal fraternity.

He was also a member of the Mystic Crew, an organization composed of the outstanding men on the campus. It recently petitioned the Blue Key, a national honorary frat.

Ed Ray, one of the smartest sports writers in the state, wrote in his "Sports Rays" column in the Tampa Times of Straus, as follows:

"Development of a crack team at Tampa U. will help in building the cage sport here. Straus may be able to turn the trick. If he doesn't, it won't be because he himself was not a great player."

WEST KENTUCKY WINS, 40 TO 18, HERE LAST NITE

McCartney and Sparkman Star for Locals

By HAMPTON DUNN

A strong Western Kentucky State Teachers quintet overpowered the University of Tampa Spartans in the local's first appearance this season, to win 40 to 18, last night on the Davis Islands Coliseum courts.

Led by a six foot six red-headed center, Bill McCracken, the visitors took an early lead and were not threatened during the entire game. McCracken was high scorer of the clash with 21 points. Little Harry McCartney led the Tampans in scoring, tallying three field goals.

Presenting a nice defense and a brilliant offense, the Kentuckians outplayed the Spartans and at no time were in danger of being beaten.

Yorkunas took the first tip-off for the locals, but the Hilltoppers soon gained possession and Mutchler looped a field goal for the first tally of the contest. This was one of the few long shots made by the visitors, as the remainder of the goals were made after a deliberate passing attack carried them underneath the basket.

Tampans Thrill

The Tampans thrilled the crowd with several brilliant long shots. Yorkunas made several long shots from the edge of the court to net 5 points during the game. Mutchler was the Teachers' second high scorer with 8 points.

There were few personal fouls committed during the game, with the Tampans having most of these. Henry Bloom, who had scored a field goal, was taken out early in the second half on fouls, the only player being ejected.

The score at the half was 21 to 10, in favor of the visitors. During the second half, the Kentuckians, who had played in a slow fashion, speeded up and opened a fast-breaking attack which overwhelmed the Spartans.

Clinton Outstanding

Outstanding on the Tampa U. team were Cotton Clinton and Luther Sparkman, two veterans, playing a commendable defensive game.

The box score and summary:

Tampa U.	F.G.	F.T.	P.
Farnell, f	0	0	0
McCartney, f	3	0	6
Yorkunas, c	2	1	5
Clinton, g	1	0	2
Bloom, g	1	0	2
Sparkman, f	1	0	2
Ingram, f	0	1	1
Mazeika, g	0	0	0
<hr/>			
Western Kentucky	8	2	18
Mutchler, f	2	4	7
Reed, f	0	2	2
McCracken, c	9	3	21
Garner, g	1	0	2
Lawrence, f	0	0	0
Ludgown, g	0	0	0
Lamar, g	0	0	0
<hr/>

SORORITY MEETS

The Sigma Theta Phi sorority held a meeting Tuesday night at the University to plan next semester's social events, and to discuss plans for informal initiation of pledges.

Little Johnny had just swallowed a nickel and the frightened mother ran to call a doctor.

Johnny: "But, mother, don't call a doctor, call the minister!"

Mother: "Why call the minister, Johnny?"

Johnny: "Because dad said the minister could get money out of anybody."

A RETROSPECT—1935, AND A PROSPECTUS—1936

A review of the writings in this columnist's memoirs, during the past year, reveals that the year 1935 was one full of many epoch-making and important events and achievements for the University of Tampa.

The past year saw the University enter its fifth year of existence. It saw the first four-year graduation class leave Alma Mater. It saw a second and third batch of two-year graduates, many of whom are now teaching in the schools of the city, county and state.

The past year brought a decided increase in student enrollment, added many new courses to the U. curriculum, and saw the University receive accredited recognition from several of the nation's outstanding institutions of higher learning.

The year 1935 saw the University participate in several activities of interest and of benefit to the public of this city and surrounding environs. The University band gave public concerts on many occasions. Of paramount and unusual interest was the student body's selection of their first "Campus Royalty," and for the first time in the history of this state, a University band led a Halloween Nite parade in which the public at large participated.

What was undoubtedly the year's greatest and most outstanding event was the University's celebration of its first Homecoming. We need say no more on this one, lasting, and memorable day—other than state that the students who took part in this first celebration of "homecoming" will carry it foremost in their memories till "Judgment Day."

The year 1935 saw a beloved Coach, with a well-managed athletic department, place a football team in action which earned the praise and approbation of eminent coaches, players, sports writers, universities, and the general public, for its fair play, perseverance and appearance of our players on the gridiron. The goodwill built by our football players cannot be estimated by pecuniary considerations; and in our opinion, we owe it to a great and able football coach and his excellent staff of assistants.

We saw two worthy members of the faculty pass away; the departure of several faculty members from the University, and the addition of several capable instructors and professors to the faculty list.

Our library was enlarged considerably through purchases and donations of many valuable and useful volumes. Much credit for our well-equipped and attractive library is due to a capable head-librarian.

The past year saw the founding of the University Alumni Association, which we believe to be the year's second most important achievement.

Cupid played his part in rounding out a year chock full of happenings. Several of our most prominent alumni entered the happy realm of matrimony, as did a few members of our student-body. None-the-less eventful was it for other campus folk, who fell to the infatuations of another; our records show seventeen couples are thankful to '35 for having made their first meeting possible on the Tampa Campus.

The year 1935 ended with the third most important event of the year, to our way of thinking, which was the founding of a third fraternity on the Tampa Campus, and the subsequent official recognition of it through the granting of its charter.

We cannot close our reminiscence of the past year without a word of praise and appreciation of the U. faculty. The year saw the University accumulate a faculty group as select and competent as could be desired by any institution our size.

As a whole we believe the year 1935 was good. For the University it was its best yet, and for the public at large it was the best in several.

As the new year gets well under way and begins to lose its freshness we hope to see more and greater achievements on Tampa's Campus.

Even though we will not expose ourselves in making too optimistic a forecast, we believe that the present year will see an enormous increase in student enrollment; the publication of the first Yearbook; the founding of a monthly University literary magazine; the organization of a strong debating team; a great influx of foreign students to our campus; and the addition of new departments of instruction

THIS IS THE LAW

Live Cleanly.

Eat Wisely.

Sleep Adequately.

Exercise Regularly.

Study Methodically.

Save Systematically.

Invest Judiciously.

So—and only so—may you attain health, wealth and wisdom, if you have them not, or retain them if you have them now.

No exceptions can, or will, occur. No half-way measures will suffice. No intentions, however good, will compensate. None but those who obey these dictates may live—happily. The rest must fail, in one way or another.

It is exorable, harsh, unyielding, cruel, perhaps, but nevertheless:

It is the law!

—The Magazine of Wall Street.

Variety's version of the Whoo song:
She took her first gin down,
And her head went round and round
Whoo oooo oooo Whoo ooo ooo
And she soon felt gay.
She put her right foot out
And she turned herself about
Whoo oooo oooo Whoo ooo ooo
And she shook away.
Oh she could do the rumba
But soon she fell in a slumber
Dreaming, dreaming dreams
Listen to the snore come out
She dreamed that she was tight
And gosh she was a sight
Whoo oooo oooo Whoo oooooo
And she dreamed all night.

NICK NACKS

Happy '36 to Caroline and Miller, who have agreed that two live cheaper than one. . . . Another engagement is in the air, but you'd never guess who? . . . After exams are over, we'll have the fair to cheer us up. . . . There's been Goss-IP that it takes a certain young man many crows of the cock to finish his goodnite kiss with S. J. . . . Betty Jo Mims told everybody who passed her on the corner that she was "waiting for a street car," but I ask you, does it take one hour and fifteen minutes for a car to come? . . . How many girls recognize these words from the same certain boy? "You're the first girl I've said this to; you're different from most girls. I could go for you in a great big way." . . . Hamp Dunn is "a little bit independent" but M. A. is making time.

Free Park Theater Tickets go to Carlisle Kyle and Howard Stephens. The Park is Playing "She Couldn't Take It" with Joan Bennett and George Raft and "Your Uncle Dudley" with Edward Everett Horton.

MATER GOOSE RHYMES

A butcher, a Baker,
A candle-stick maker,
Which one does McGucken say?
I think she wants the middle one,
But who stands in the way?
Little Frank Morse sat on his horse
Brushing up his tie.
He rode by a gal's
Who belonged to his pal.
And said "what a two-timer am I."
Craven, Craven, pumpkin eater
Had a queen and couldn't keep'er.
He put her under a lovely spell,
And now he keeps her very well.
Little Miss Powell
Sat on a towel
And said that she would stay.
But along came Pat, and beside her
He sat,
And frightened Miss Powell away.
The girls use to dress like Old Lady
Hubbard,
But now they dress more like her
cubbard.
Mary, Mary, quite contrary.
How does your Monkey grow?
With pretty belles, and raising —,
And pretty maids all in a row?

and enlargement of others already in existence, at the University.

The present year will probably see a bigger and better University publication through the enactment of new policies. We believe the next twelve months will awaken certain philanthropists to the fact that Tampa is no longer in the experimental stage, and will result in the accumulation of a strong and worthy endowment fund.

The year 1936 will witness the graduation of the largest Senior class in the University's history; and it will also have its first team of football to be hit by graduation. We foresee where veterans of the Tampa gridiron, who for four years have held high the traditions of the red, the black and the gold, will come to the sad parting of the ways—but so with each of us.

We conclude by saying that if the past is a reliable indication of forecasting the future, our present year is to be a happy and a prosperous one—to the University and to us alike.

"313 MASQUERS"

We're banded together—with purpose high
The artistic portrayal of drama—to try;
The "313 Masquers"—faithful and gallant
Wish to impress you with their histrionic talent;
Jan. 14th is the date for our trial,
As to nerves and stage fright—we make no denial;
If memory fails,—if we falter and blunder,—
Don't hiss and jeer—and pick us asunder!
We're amateurs now—but some day our name
May be glittering light—on the hi-way of fame,
But the success of our ventures can only be made
By loyal support and Connally's aid
So with college spirit—we'll hide our fear
To give us a hand—we'll hook for you, hear!

THE HEIGHTS AND THE DEPTHS
In silence, bare and cold and empty,
In fearful stillness, bleak and grey,
Oh! joy untold—you came to me,
And all the sadness fled away.

In spring's young gladness, sweet and gay,
Mid April's pleasant, fragrant rain,
Lo! suddenly you left one day,
Now once again all mem'ry's pain.

LESLIE.

THE LAST FRESHIE LASSIE (Parody of The Last Rose Of Summer)

'Tis the last Freshie lassie
Left standing alone.
All her forward companions
Are dated and gone.

No chance for the drugstore;
No fond swain is nigh,
To give cause for blushes
Or heave sigh for sigh.

I'll not leave you, poor damsel,
To squirm in your shame.
Since no other is left here
Pray tell me your name.

Thus kindly I'll take you,
If you'll buy the drinks,
Where your friends are partaking
Of pie a la winks.

So soon you may leave me,
When another you find
Who will ask for a date when
He's not in his right mind.

For life is a game, child;
You'll catch on in time.
There's always a drugstore
If you've got a dime!

—GLADYS GUTHRIE.

Winfield, Kan., not only supplies its own electric power needs, but also furnished this utility for five surrounding towns.

OUT OF THE NIGHT

Headlines!!! For once, the great John E. Edison was not only speechless, but even embarrassed. . . . It sounds impossible but—. It certainly is bad when one of the football coaches at a university dashes about in a very public place and embraces strange women most promiscuously. . . . Anyway—I heard that you were going with Martha Powell (at least, you have so many confabs with "little sis") and John, the only person that woman even resembled was Lufburrow, or was that who you said? Any member of a coaching staff should have more dignity. . . . so try hard. . . . or else your boys (?) won't respect you. . . .

There is a certain couple in school that aren't madly in love with each other, but for some unknown reason they go together. . . . they certainly are not tied securely. . . . However, between the two of them they certainly embarrassed one of our fair coeds, Mildred Allison by name. . . . Overdoses of nerve are bad things and Mildred felt rather peculiar being thrust out on the dance floor. . . . In case anyone of what the noted columnist Red Newton might call "my Five Readers" doesn't know the incident I'm writing about, here are the bare details. . . . Time: way back "when". . . . Place: Freshman prom. . . . Event: One of those "no-breaks." Fair date is dumped on the floor minus a partner. . . . so she sails across the floor to where her date and Mildred are dancing. . . . And so shows an example of a girl breaking during a "no-break" (which she didn't have with her date) at a boys' break dance. Although it was rather embarrassing for fair date, I should diagnose the situation as a very good time to powder the nose. . . . so. . . .

Many people are wondering if Jeanie Trice is still "love-in-blooming" with Theodore Grable since she has taken Doc Craven under her wing. . . . or should we say "wings". . . . We thought that that was settled way back in high school. . . . but if Doc is ace high, check and double-check. . . . but. . . .

There is a rumor rumoring that Kitty Lea is no more. . . . That she is now a Mrs. That type of a rumor is not gossip, probably just plain lies. . . . So, faithful five, find out for sure before you tell your grocery man. . . . I believe you've told about everybody else. . . . However, I'm not prepared to say that they are or aren't. . . . but if they are. . . . I will send them the usual. . . .

It seems like every year, in the edition after Christmas there's always a chance for me to announce that someone is married (and this is no rumor). . . . First year it was Martha Campbell and Bert McCullough; last year it was Marie Wills and Don Robbins. . . . and now, as everyone knows, I wish to extend my felicitations, congratulations, blessings, and huzzahs to Miller and Carolyn. . . . Everyone thought that they'd done it y'ars and y'ars ago. . . . but fools will talk, and the wise people haven't anything to say. . . . so. . . . How many former students did you have dance at your wedding, M. K.? . . . So the dirt columnist checks two more names off the list and wishes them lots of luck (I reckon they've got all the love they need). . . .

Ray Newell states that so far as girls go he KNOWS VERY LITTLE and cares less. . . . Mary Jane has him and I heard that he's not going to have another date until she hits Tampa again. . . .

Howard Stephens says that since football season is over and leap-year season is on, the girls can cease being shy. . . . (This is a paid Advertisement)

Way back in Xmas holidays, we heard the dorm boys had a party at 12 p. m., Dec. 25. . . . "Small breakable gifts" were to be exchanged and they expected to have a grand time. . . . Bob "Blue-Beard" Shoun was to be "Dere Santle". . . . However he never showed up. What we want to know is. . . . did he have those "small breakables" with him. . . . That's reason enough. . . .

An attractive young lady on the train was much annoyed by the efforts of the man across the aisle to strike up a flirtation. He even followed her into the dining car and seated himself at the same table. Picking up the sugar he passed it to her, remarking, "Sweets to the sweet, you know."

Instantly she handed him the cracker jar. "Yes, and crackers to the cracked."

—Ye Mediator.

SPARTANS FACE SOUTHERN TEAM FOR 2ND GAME

Several Veterans on Basketball Squad

By MANUEL RAMIREZ

The University of Tampa basketball team, under the capable direction of the new cage mentor, George K. Straus, will play its second tilt of the 1936 season tomorrow night against the fast Moccasin quintet of Southern college at Lakeland.

The Spartan dribblers will be playing their first season under Coach Straus, former Stetson University football and cage luminary. Coach Straus faces the problem of replacing Eldon Cage, flashy Indiana forward, and Ed "Red" Means, lanky high-scoring center. Cage did not return to school this year and it is very improbable that Means will play due to a knee injury received on the gridiron during the 1934 season.

Ken Hance, who now stars for the Lebanon Valley college "Flying Dutchmen," and Rudy Rodriguez, football ace and a crack guard in basketball, will also be missing from the 1936 Red, Gold and Black quintet. Several other cage stars from last year are missing and the Spartans appear slightly weaker than the 1935 five.

However, new candidates who answered the call of Coach Straus were showing promise on the court.

Lafayette Ingram, Doc Cravon, Conrad Bishop, Joe Mazeika, Henry Bloom, Bill Dmytryk and Alvin Yorkunas are the new faces, trying to break into the limelight.

Veterans returning for another season of basketball include Willie Godwin, Harry McCartney, Earl Hatcher, Luther Sparkman, Cotton Clinton and Crockett Farnell.

The 1936 Spartan quintet will have the task of equaling the records set by former University cage teams here. In 1934 the local hoop squad received only four setbacks in 32 games, three of which were by one point margins. These defeats were made up in return engagements by the Spartans. That year, the University cagers took the city championship and won the west coast medal basketball tournament. The Spartans also set a record high college score by trouncing the Ringling Brothers' college, 82-31, in the same season.

The Red, Gold and Black basketball team again took the city championship last year. This time, however, the Spartans were playing for the Milian Brothers, local restaurant. The 1935 Spartan dribblers also defeated the highly touted Amazons of the basketball court, the touring Berghoff girls of Dayton, Ohio. The score at the end of the odd game was 30 to 23 in favor of the locals.

Tomorrow night's engagement will be the first affair with the Southern college Moccasin since the 1934 football season. The Lakeland school did not put a football team on the gridiron last year due to recent regulations passed by that school.

After the Lakeland game, the Spartans will rest until next Wednesday when they meet the Florida Pipe company or the Cohen Brothers at Jacksonville. The same trip will take the University dribblers to Pensacola to meet the Naval Air Service quintet and to Louisiana and Mississippi.

Cage Star

"COTTON" CLINTON

Who starred in the opening game of the 1936 basketball season last night against the Western Kentucky Teachers at his guard post. Clinton is one of the eight veterans who returned this year. He was outstanding in grid play last season also.

The Spartannes are scheduled to meet the strong Maas Brothers sextet in a practice game tonight on the Y. W. C. A. court at 6:30 o'clock.

The team has been working out on the University court for the last two weeks and is showing well. They defeated the Tampa Teachers in a practice game on the Davis Island court on Wednesday, 34-22.

Although rated far below the Maas Brothers team, the Spartannes will enter the contest with the fighting spirit.

The Women's Athletic association will sponsor a rummage sale early next week and requests all its members and anyone else who wishes to bring all the old rummage that they wish to dispose of to the athletic department. The profits from the sale of the rummage will be deposited in the treasury of the W. A. A.

It is necessary that some funds be raised immediately for the payment of an entrance fee in the city basketball league in which the W. A. A. is placing two teams.

The next meeting of the W. A. A. will be held on Tuesday, Jan. 14, at 11:30 o'clock in the assembly room.

Girls intramural basketball teams will begin playing immediately after exam week. The following teams are expected to take part in the tournament: Delta Kappas, Sigma Theta Phi, Minarets, and Physical Educators.

The winners of this basketball tournament will be awarded a trophy and a medal will go to the outstanding player in the league.

SKN's Win Grid Title; More Intramural Sports

The Sigma Kappa Nu eleven won the intra-mural touch football title Thursday defeating the Sigma Epsilon gridders 6-0 to remain undefeated and unscored on this season.

Led by Buck Buchanan, easily the outstanding player of the year, the S. K. N.'s scored early in the game and then stubbornly held this lead beating back a determined attack by the losers.

This game marked the close of the touch football season, but intra-mural basketball will start next week with several games being played. Horseshoe, tennis, volley ball and other minor sports programs are being planned and participation by all students is expected. If anyone who is not signed

By MANUEL RAMIREZ

The University of Tampa thrill-providing Spartans, who made their last stand of the 1935 gridiron season at Plant field against the "Flying Dutchmen" from the Lebanon Valley College in a charity tilt on Christmas day, today looked forward to new fields to conquer and let King Football pass into oblivion, temporarily at least.

Lose Five Games

Although the final standing showed a loss of five games, the past season was considered highly successful in that the Spartans again rose to the national spotlight by their splendid performances against such strong teams as the Western Kentucky State Teachers college, Cumberland University, and the Lebanon Valley college. The defeat at the hands of the Stetson Hatters was no disgrace at all, since the game decided the mythical championship of the state "little four" conference. The only black mark on the Red, Gold and Black 1935 football season is the 32-7 thrashing given by the Bulldog Brigade of Louisiana Tech.

However, the students and supporters of the University of Tampa may well consider 1935 as a red letter year in football. The Spartans were conditionally accepted by the S. I. A. A. conference of the small colleges in the south. This may be considered the biggest step forward taken by a football team of the University and local fans may be assured of bigger and better gridiron tilts on Plant field from now on.

For the first time in three years of gridiron warfare, the University of Tampa Spartans have won less than six football encounters. The Red, Gold and Black gridders won clashes from South Georgia Teachers, University of Miami, Newberry, Rollins and Troy State Teachers college. The average for the season stands at .500, the smallest winning percentage since the infant Spartan set foot into the football world.

Won 19 Since '33

Now the total number of wins since 1933 stands at 19 with only 11 de-

up to play with any team or club and wish to participate will get in touch with Miller Adams, intra-mural director, or any of the managers he will be placed on a team at once.

First Team Victorious In All-Star Battle

By BILLY HAND

The first team defeated the second team Tuesday in a grid battle between the intra-mural stars at Plant field.

Although outplayed most of the game, the first team scored on a long pass Shepard to Buchanan in the second half and withstood three second team goal line attacks to win 7-0 in a game featured by great defensive play of both teams. Throughout the game there were few long runs or brilliant passes.

The lineups:

First Team	Second Team
Schaub	LE..... Zenidigi
Green	LG..... Wilkerson
Williams	C..... Canary
Wilson	RG..... Thomas
Sierra	RE..... Prado
Buchanan	QB..... Johnson
Shepard	LH..... Upson
Newkirk	RH..... Pittman
Substitutions: Lopez for Wilkerson.	
Officials: Young and Hand.	

"What does your husband call you?"
"Dimples."
"Dimples? I can't see any dimples."
"Well—"

Tourist: "How's business here-about?"
Native: "It's so quiet you can hear the notes at the bank a block away drawing interest."—Bindery Talk.

University Girls Win Practice Cage Game Over Tampa Teachers

The Spartannes, playing their first game of the basketball season, defeated the Tampa Teachers in a practice contest, 34 to 22, Wednesday afternoon on the new Davis Island court.

Leading by 12 points in the first quarter, the University women held the top in the scoring all the way. At no time were the locals in danger of being tied.

Close guarding on the part of the Spartannes held the star of the Teacher's team, Moffat, down to four field goals, a total of 8 points. Excellent passing by the forwards enabled Talbot to score 15 field goals, a total of 30 points, for the University.

Coach Klein of the Spartannes stated that she was well pleased with the showing the girls made in their first game.

The line-ups were as follows:

Tampa Teachers:	FG	FLG	TP
McCort	1	0	2
Williams	1	0	2
Gallacher	1	0	2
Webb	2	1	5
Moffat	4	0	8
Hebb	1	1	3

University:	FG	FLG	TP
Eve	1	0	2
Talbot	15	0	30
Rupe	1	0	2
DeWolf	0	0	0
Dennis	0	0	0
Lufburrow	0	0	0
MacNamara	0	0	0
Powell	0	0	0
Quinn	0	0	0

34

On a certain railroad in Arkansas is a little town known as I. Sawyer, named for its founder. A newly married couple were honeymooning on this road. Approaching this little town the conductor came through announcing the station, and as luck would have it, he happened to be looking in the direction of the newlyweds. "I Sawyer!" called the conductor. Where upon the groom retorted, "I don't give a darn if you did, we're married."

"Can you serve company?" asked the housewife when she was hiring the servant.

"Yes, mum, both ways."

"What do you mean?" asked the puzzled one.

"So's they'll come again, or stay away."—Mutual Magazine.

University Presents Fourth Special Radio Program Over WFLA

The fourth of a series of bi-monthly programs was presented by the University of Tampa over radio station WFLA last Sunday afternoon. The program was arranged and announced by Hampton Dunn, director of publicity for the university.

The University band, under the direction of Prof. August Ingley, was featured in several selections, including the official "Alma Mater" of the University of Tampa, a composition of Ingley's. Other selections were Ivanovici's "Danube Waves," "Ramona Intermezzo" by Lee Johnston, and the "Campus Song."

Miss Ann Peebles, a student of Mrs. Elizabeth Connally's dramatic class, gave a reading, "At the Box Office," a monologue.

Bruce Kelley, a member of the University band, rendered a vocal solo, "As You Desire Me," and played his own accompaniment.

The faculty member who was guest speaker for the program was W. E. Culbreath, an instructor in physical education. Mr. Culbreath gave a very informative discussion on the subject, "The Place of Physical Education at the University of Tampa."

The University alternates with Southern college of Lakeland in giving these "get-acquainted" programs every Sunday. The next University of Tampa presentation will be Jan. 19 at 5:30 o'clock.

Dunn is very anxious to discover the various talents at the school, and those wishing to appear on one of these programs are asked to get in touch with him.

Professor Ingley Publishes Song Book

A 12-page booklet, containing all the major songs of the University of Tampa has just been published by Professor August Ingley with the assistance of members of the orchestra. It is designed to be of aid to students in learning not only the words of the songs but also the music.

Four of the songs included in the booklet are printed with both the words and the music. These are the "Alma Mater," "University of Tampa March," "Campus Song" and the "Coach Song." The music for all of them was written by Professor Ingley. He also wrote the words for all except the "Campus Song," which was written by Joseph Miyares.

Two other university songs were printed without music, the "Victory March," and the "Loyalty Song." The booklet also contains pictures of the band and Prof. Ingley. Copies are on sale at the book store for twenty-five cents.

Royal American Shows Here for the Winter

Back from an 18,000-mile swing across the nation that extended as far north as Edmonton, Alberta, Canada, the Royal American Shows, world's largest midway organization, has started rebuilding operations in their winter quarters on the Florida fairgrounds here.

The big show, which is to occupy the midway at the Florida fair, is transported on a train of 40 double length steel cars which are now parked on fairgrounds sidings. The show will open its 1936 season in January at the Pinellas county fair at Largo and will also be presented at the Orange Festival at Winter Haven, the Central Florida Exposition at Orlando and at several other county fairs.

Carl Sedlmayr, general manager of Royal American, estimated that more than \$50,000 would be spent in improvements while in winter quarters here.

Gleams From the X-Changes

The Trojitan of Troy State Teachers College, Troy, Ala., recently carried an editorial scoring the publicity using the incorrect name of that school. It seemed that several opposing schools called it Alabama State Teachers (Tampa for one), Troy Normal and several other improper names, when the correct one is Troy State Teachers College.

This reminds us that the University of Tampa is referred to by improper names also, the main one being Tampa University. This should be resented because it may cause confusion with the business school here, the Tampa Business University. "Tampa U." is all right to use in heads, but in news stories it is best to use the "University of Tampa."

Nearly half of the front page in the last issue of The Tech Talk, publication of Louisiana Polytechnic Institute, Ruston, La., was devoted to scenes of Tampa and Florida which were snapped by Kenneth F. Hewins, publicity director, on their recent visit to play the Spartans in football. This is splendid advertising for Florida and the chamber of commerce should appreciate it.

Twelve stars of the Hatters, according to the Stetson Reporter of Stetson University, sing their swan song as far as football is concerned. These include Haynesworth, Knittle, Hardy, Kukar, Scherer, Miller, Jackson, Louton, Gordon, Turner, Gannarelli, and Wotring. This should be good news to the Spartans, as the Hatters were the ones who captured the "Little Four" title from the locals.

News gleams:

Fencing has been added to the intramural program of the University of Miami with Capt. Jean St. Maurice, past coach of the United States Olympic fencing team, conducting the classes.

P. D. Goodyear, former Gator football star, has been appointed cage coach at the St. Petersburg Junior College. He prepped at the Lakeland high school, and has held several coaching jobs since his graduation at Florida.

The Western Kentucky Teachers College was selected S. I. A. A. grid champs for 1935 after defeating Centre 13 to 7 in its final game. A copy of what is probably the largest high school newspaper in the country has been received in the Minaret office. It is the Rindge Register, published by the Rindge Technical school in Cambridge, Mass.

Members of the Zeta Tau Alpha chapter at Stetson wore blue and gray ribbons on Dec. 12 honoring the new Zeta chapter at Union University, Jackson, Tenn., which was installed on that day. Greetings were sent by all the other chapters.

Alumni of the St. Petersburg Junior college were welcomed back in a Christmas homecoming dance at the recreation pier, Dec. 28.

Besides a large number of exchanges received by the Minaret, the athletic publicity department also receives several daily papers from all over the state. Students interested are invited to read these papers.

1936 W. E. Boeing Scholarships Offered

The W. E. Boeing scholarships, sponsored by W. E. Boeing during the past six years, will be offered again during the school year 1935-1936 to university, college, and junior college students in the United States and Canada, who are interested in aviation as a career. Four awards in the form of flying, technical, and semi-technical courses with a tuition value of \$9600 will be given at the Boeing School of Aeronautics, a division of United Air Lines Transport corporation.

The scholarships will be awarded on the basis of a thesis competition. To be eligible students must meet the following requirements:

1. They must be male undergraduate students in good standing and in regular attendance in some university, college, or junior college in the United States or Canada, which offers at least two years of work leading to a bachelor's degree in arts or sciences.
 2. They must be of the white race, between the ages of 18 and 25; of average height and normal weight; have normal eyesight, and be free of any physical handicaps.
 3. They must submit a technical or non-technical treatise of not over 3500 words on any aeronautical subject of their own choice.
- Winner of first award in this contest will receive a complete Boeing airline pilot and operations course, covering 250 hours of flight instruction and 3765 hours of ground school, far exceeding the requirements necessary for a transport pilot license. This course includes the latest developments in blind and instrument and landing beam flying. Winners of second, third, and fourth awards may choose one of a number of technical and semi-technical courses and will, in addition, receive 25 hours of dual and solo flight instruction. Two alternate candidates will be chosen for possible awards in the event that winners are unable to qualify physically.
- The scholarship competition will close March 15, 1936, and theses must be mailed before the close of this day. Winners of the 1936 scholarships may enroll at the Boeing school in the quarter beginning July 1, 1936, or the quarter beginning Jan. 2, 1937.
- A circular giving detailed information on the W. E. Boeing scholarships may be obtained by writing to the Boeing School of Aeronautics, Oakland, California.

Spaulding, Hale, Morley Attend Education Meet

President Spaulding, Dean Hale and Dr. C. A. Morley, representing the University of Tampa, attended the meeting of the Florida Education Association, at Orlando, January 2, 3, 4. This was the fiftieth anniversary of the organization. The meeting is held principally for the public school teachers of Florida, but it is important to universities due to the fact that they are training teachers.

Well known men were speakers at the largest gatherings during the meeting. Senator Nye, of Nebraska, was present and spoke on "War and Profits." Governor Sholtz also made an address. The state commander of the American Legion—Arthur Boring—was among the speakers.

The association is an organization of teachers for the purpose of improving the profession. Its annual meeting consists of a number of general sessions as well as meetings of teachers interested in particular subjects as sociology or elementary teaching. Teachers are able to hear speeches by and discuss problems with well-known educators.

Dr. Morley made the following comment on the meeting:

"The Association seems to have a progressive attitude. There is a need for improvement and is trying to make that improvement. One suggestion toward improvement was a recommendation that teachers do not get certificates on examinations hereafter; that is, it must be given only after receiving training. It was also recommended that two-year teachers' certificates should not be issued after 1938. A recommendation was made that the administrative set-up of the schools be changed. So they are trying to improve by raising standards and changing organization."

Negroes Will Have Exhibit at Fla. Fair

With 10,000 square feet of floor space in a new steel and concrete building placed at their disposal, Florida negroes will present the largest colored exposition in the world in connection with the Florida State fair, Feb. 4 to 15, it was announced here by P. T. Strieder, general manager.

The big new building, which is just completed, will be modern in every respect and is large enough to display all of the negro produced products, educational exhibits, handicraft and home economics gathered from every section of the state. The negro fair will be larger in scope than many county and district fairs held annually, fair officials here say.

Alumni News

Last week I told you about the various alumni that were connected in business in Tampa. Now this week I am going to try and trace some of the alumni that are representing us in the various parts of the country.

Louise Leonard, one of the four-year graduates, is teaching school in Haines-City.

Jimmy Moore, also one of the four-year graduates, is teaching in Fort Myers.

Vivian Block and Agnes Whittemore, members of the Sigma Theta Pi sorority, are teaching school in Bradenton. Now let's get out of the state and see just where we are represented.

Martha Outlaw, one of the charter members of the University, is now living in Texas. Marcia Bierman has moved to North Carolina to live.

Bill Longford is attending the Georgia State College, and by the way, in case any of you girls are interested, Bill will be here for the holidays.

Spurgeon Fulford and Carmen Cosio are attending the University of Alabama.

In the nation's capital we have John Flannery and Jimmy Pollard.

These are a few of the students that have attended the University and have gone to some other place either to live or work. There are many, many more and it would take more than this column to tell you all about them.

Perhaps many of you have wondered just who these various people are that I have been telling you about, so next week I am going to introduce you to some of our alumni members so that you may become acquainted with them.

If there is any particular member that you wish to know please let me know and I will be glad to interview either him or her for you.

Senior Class Elects Gunita Annual Editor

(Continued from Page 1)

dedicated. I hope to offer a cash prize aside from printing the name of the student who submits the winning yearbook title, on the fly leaf. Appointments will be made later, with the approval of the senior class and the faculty committee.

A senior class meeting was called for today at 12:30 a. m. Further appointments for the yearbook staff are expected to be made and a discussion of initial movements before the project is laid to rest until after examinations will be held.

"Big Six" All-Star Team Is Selected

Sigma Kappa Nu, "Big Six" touch-football champions, contributed most of the players of the all-star team selected here by the managers and captains of the teams in the league. The fraternity placed five men on the mythical team, Beta Chi two and the Plebes had one man in the selections.

"Bucky" Buchanan, Wauchula flash and Sigma Kappa Nu field general, ran away with the votes to become captain of the all-star team. Buchanan scored 32 points during the past season and was a leading factor in the majority of the fraternity's victories. His excellent passing and brilliant broken field running gave the Sigma Kappa Nu leader a berth on the mythical all-star team.

Jay Toulme, the leading scorer of the season, easily captured a position on the all-star team. His outstanding play throughout the 1935 season won him a place. The Beta Chi triple-threatener was the chief spark plug on that team's victories.

Other players receiving a large number of votes were Johnny Schaub, Sigma Kappa Nu flankman, Billy Newkirk, Beta Chi back, and Byron Wilson, stellar guard of the "Big Six" champions.

The annual all-star game between the first and second team selections will be played on Spartan Field, January 7, 1936, at 11:30.

The selections were as follows:

FIRST TEAM: Schaub, Sigma Kappa Nu, End; Greene, Plebes, Guard; Williams, Sigma Kappa Nu, Center; Wilson, Sigma Kappa Nu, Guard; Toulme, Beta Chi, End; Buchanan, Sigma Kappa Nu, Quarterback; Donaldson, Sigma Kappa Nu, Halfback; Newkirk, Beta Chi, Halfback.

SECOND TEAM: Zendequi, Plebes, End; Wilkerson, Sigma Epsilon, Guard; Canary, Beta Chi, Center; Thomas, Sigma Kappa Nu, Guard; Pardo, Rho Nu Delta, End; Johnson, Sigma Kappa Nu, Quarterback; Pittman, Beta Chi, Halfback; Upson, Sigma Epsilon, Halfback.

HONORABLE MENTION — Evelio Lopez, Eddie Curren, E. Sheppard, Charles Sierra, Edwin Bridges.

The officer took out his book and poised his stubby pencil. "What's yer name?"

"John Smith."

"Yer real name," bawled the officer, who had been tricked the day before.

"Well, then, put me down as William Shakespeare."

"That's better. Yuh can't fool me with that Smith stuff." — Trumbull Cheer.
