MAY, 1958

No. 3

Interest Aroused In Professional Organizations

During the year, considerable progress has been made at the University of Tampa in creating and arousing interest in professional organizations. The University's student FEA has grown in membership during the year from 14 to 107. The new chapter of the Association of Childhood Education which was organized on the campus this year for the first time has a membership of 102 members. Mrs. Ida Eastburn is sponsor of the student FEA and Dr. Louis Robles, sponsor of the ACE. It is hoped we can establish a chapter at the University of Tampa in the near future.

COACH HUERTA MAKES NATIONAL HEADLINES

This is a "hats-off" tribute to a guy who is one of the nation's best coaches, one of the most-liked and popular speakers, especially during the winter banquet tour, and a guy whose tireless efforts have brought the University of Tampa to the front in many ways.

He is Athletic Director Marcelino Huerta who recently set up a nation-wide Easter Seal drive to help crippled children. The following story is reprinted from the March 6 publication of the Tampa Morning Tribune describing the plan:

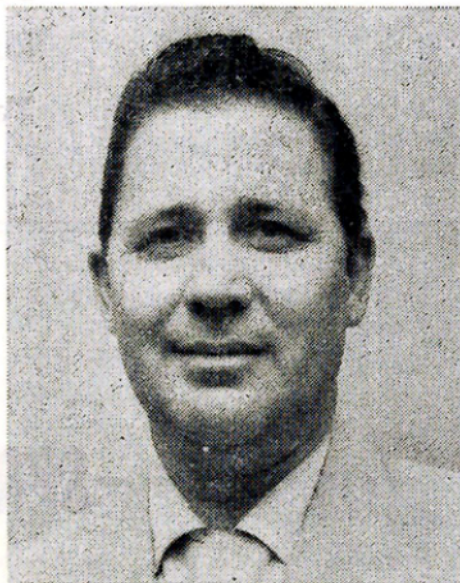

"Football coaches usually are interested in one thing—football teams. But today, as the annual Easter Seal Drive is kicked off, they will forget their individual squads and point for one big push against one common foe.

(Continued on Page 5)

NOMINATIONS FOR ALUMNI OFFICERS AND BOARD

The following persons have been nominated for officers and members of the Board of Directors of your Alumni Association. These names will appear on the ballot which was mailed to all members of the Alumni Association on May 16, 1958.

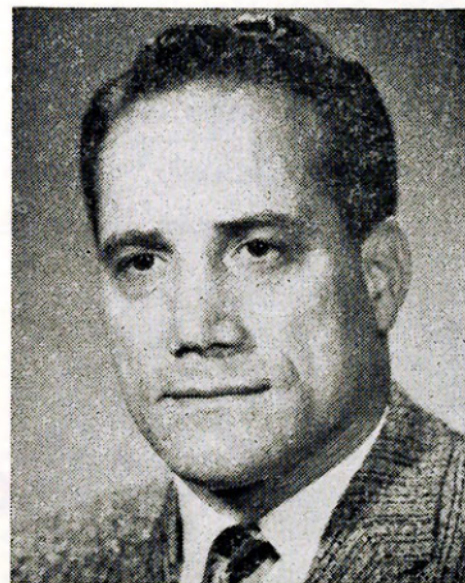

FOR PRESIDENT

GEORGE LYONS

Class of '51. Married. Optician.
University Activities: Sigma Kappa Nu Fraternity, now Pi Kappa Phi.

Alumni Activities: Board of Directors for 2 terms.

ROBERT TRAMONTANA

Class of '37. Married, two children. Optometrist.
University Activities: Football, Theta Chi Fraternity.

Alumni Activities: Member of Board of Directors for 3 terms, Vice-President '57.

(See pages 2 & 3)

TAMPA U. GRADUATE AWARDED FELLOWSHIP

Charles Anderson, who graduated from the University of Tampa in January, has been awarded a fellowship by Oak Ridge Institute of Nuclear Physics.

He will study for a year at one of the four universities which participate in the program: Vanderbilt, University of Kansas, University of Rochester, and University of Washington. The following

summer he will work in the laboratory at Oak Ridge. The fellowship, which includes a stipend of \$3200 and tuition and college fees, will begin in the fall.

Charles majored in physics and minored in mathematics and chemistry at the University, maintaining a high scholastic average. He held a job throughout his college years. By attending summer school, he completed four years of study in three years.

NOMINATIONS FOR ALUMNI OFFICERS AND BOARD

President:

George Lyons '39
Dr. Robert Tramontana '38

Vice-President:

Perry Owen Keene, Jr. '51
Harry Seeley '53

Treasurer:

George Wm. Crites, Jr. '51

Members of the Board:

Bralio Alonzo '39

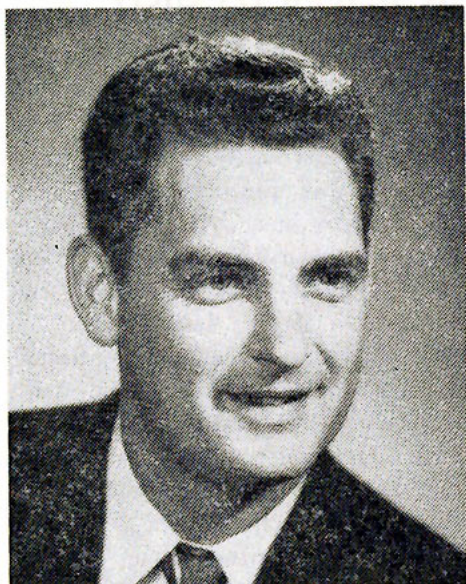

Guy Bagli '50
Elizabeth Stone Cornette '37
Frank Czolgocz '35
Leonard Gotler '50
Tony Ippolito '50
Sam Maratta '48
Jack Menendez '51
Joe Mills '47
Bertha L. O'Hare '51
Rudy Rodriguez '38
Yale Whidden '52

Lest Ye Forget-- **SPRING REUNION**

FRIDAY, 6 JUNE—Alumni Dance — Given to honor the Graduating Seniors to be held at the Hellenic Center after Commencement 10:00 P.M. We need your presence — \$1.00 per person.

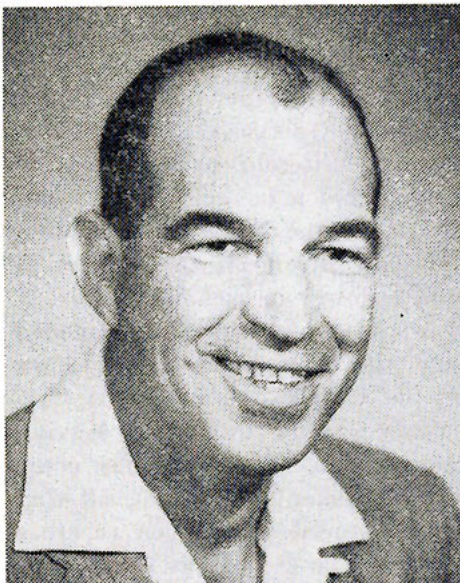

SATURDAY, 7 JUNE—Alumni Luncheon and Annual Business Meeting to be held on the East Verandah at the University, 1:00 P.M. — Buffet \$1.25 please attend! The election results will be announced and we have other important business.

VICE-PRESIDENT

**PERRY OWEN KEENE**

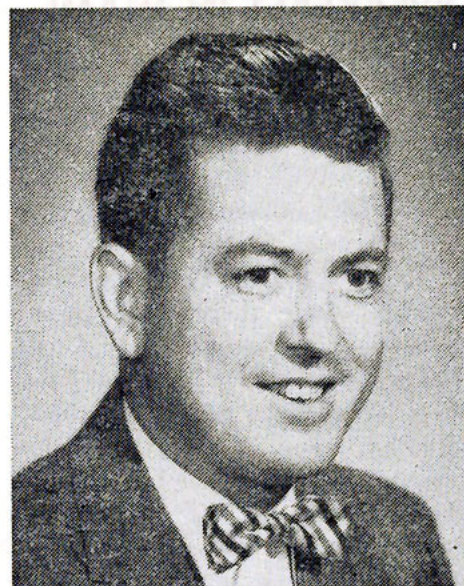

Class of '51. Married. 2 children.
University Activities: Sigma Kappa Nu Fraternity, now Pi Kappa Phi; active in Student Activities.
Alumni Activities: Member of Board of Directors 1 term, Treasurer '57.

VICE-PRESIDENT

**HARRY SEELEY**

Class of '53. Married. 4 children.
Restaurant owner.
University Activities: Sigma Phi Epsilon Fraternity.
Alumni Activities: Member of Board of Directors 1 term, member of Finance Committee.

TREASURER

**GEORGE W. CRITES, JR.**

Class of '51. Married. 2 children.
Insurance agent.
University Activities: Member Theta Chi Fraternity.
Alumni Activities: Member of Board of Directors 1 term, member of Finance Committee.

GOMEZ REPLACES HALL AS BUSINESS MANAGER

After three years of outstanding service as Athletic Business Manager for the University of Tampa, Mr. John Hall has left our ranks to become the Executive Secretary of the Tampa Elks Lodge No. 708. We certainly would like to take this opportunity to wish John best wishes and a successful future in his new job.

With Mr. Hall's departure we now find ourselves with a new Athletic Business Manager, a young

man by the name of Al Gomez. Al is no stranger to the ways of the Athletic Association. As an undergraduate at the University of Tampa he served as an assistant to Mr. Hall for about a year and a half. Prior to that Al had been employed by the Tampa Gas Company. Al is a local boy. He was born in Key West but moved to Tampa thirteen years ago. He is married and the proud father of an eighteen month old boy. Before coming to the University of Tampa as a student in 1955 Al served two years in the Army at Fort Knox, Kentucky and Camp Chaffee, Arkansas.

Along with his other duties Al will take over the job of writing the sports article for the Alumni Bulletin and we know he will do a splendid job and keep us well informed of the sports happenings at Tampa U.

Pancoast, New Spartan Backfield Coach

Fred Pancost, former defensive star at the University of Tampa, has returned to his alma mater to serve as backfield coach of the Spartan football team.

Pancoast will fill the vacancy cre-

ated on the Tampa staff when Angus Williams recently resigned to enter private business.

A standout on Spartan teams of 1949-52, Pancost returns to the University from Hillsborough High School where he tutored the Terrier backs under Coach Hal Griffin last season.

Regarded by Huerta as "one of the greatest defensive football players I have ever seen," Pancost was a student assistant at the University in 1955-56 before moving to Hillsborough and "is a welcome addition now that he is back at the University".

Married and the father of a daughter, the 25 year old Pancost started his football career at Pensacola High School and won a scholarship to the University of Tampa when he caught the eye of Spartan coaches in a contest against Hillsborough.

Breaking into the two-platoon line-up as a freshman, he played four years at defensive halfback as the Spartans compiled some of their best records.

Ballots for the second annual election of officers of the University of Tampa Alumni Association by mail will be sent out beginning May 16, 1958. They will be mailed to members of the association only. If you wish to vote in the coming election of officers be sure that your membership contribution reaches the secretary of the association before June 2. All contributions should be made out to University of Tampa Alumni

Association and mailed to:
Dean B. B. Burnside, Secretary
University of Tampa
Tampa, Fla.

BREAKFAST IN MIAMI

The breakfast that was announced in our last bulletin to take place during the F.E.A. Convention in Miami, came off quite successfully. We understand that some were informed that there were no more tickets to be had for the breakfast. This was unfortunate, since there were ample provisions for others to come. Twenty-eight attended, and we could have taken care of about twice that many. And of those who came, most of them did not have tickets beforehand. We don't know how the error occurred at the registration desk concerning the tickets; and we certainly regret if any of you had planned to come and were turned away.

Dean Rhodes greeted the alumni for the university, and Larry Donohue brought the group up on recent happenings as far as the Alumni Association is concerned. Dr. Rex C. Kidd, new director of teacher training at the university, spoke on the recent changes in the teacher training program. A digest of his report will be found in another part of this bulletin. We wish we had seen you there, and we hope we will see you next year at a similar event in Tampa at the university itself.

DR. BAKER GREETSS ALUMNI

I appreciate this opportunity of sending a word of greeting to all the Alumni.

My association with the University, like that of many of you, goes back to the years just after the war. My recollections of 1946-47 and the several years following include such things as Welcome signs stretched aloft between the minarets at Homecoming; front-porch shows, bazaars, and dances; the Back to School Dance, the Gay Nineties Costume Ball, Fun-za-la-Fun; gatherings of the Spartan Wives and their families; students canvassing from door to door for money for the Endowment Fund; students wheeling the big balloons in the Christmas Parade in exchange for a substantial contribution to that same Fund; and finally, accreditation itself, in the gain-

ing of which for the University so many hundreds of you had a personal share.

These are some of the things that made Tampa U. the friendly, informal, different place it was to us then, and it is such things, combined with the classes and studies, that have given all the Alumni I know, those in school before I came and those who have attended since, the deep affection they have for the University.

Whenever the thought of leaving Tampa for other scenes has come to Mrs. Baker and myself, all that has been needed has been to cross the bridge and meet at every turn those who, so to speak, had their start at Tampa U. and have gone on to successful and respected careers. We are proud to feel that we have had some small part in this.

It is fortunate for Tampa U. that so many Alumni are right here in town. Though I know it is not easy to find time to get over to the building, please do so as often as you can. The students now in school have need of contact with you, have need of your knowledge and counsel, just as you felt the need of that when you were in school and the Alumni were fewer. You can be of help to Tampa U. in another and special way just now when the University is reappraising itself and studying how it can render greater service to this community in the years immediately ahead. Please let us hear from you.

We salute you all, and shall hope to see you around the old hotel at, if not before, Commencement and our Spring Reunion.

Dr. Howard G. Baker

NEW PROGRAM OF REQUIRED COURSES

Dr. Rex C. Kidd

Some changes in the courses required in education have been approved and will go into effect during the 1958-59 school term. Some of the changes will become effective the fall semester of the 1958-59 term, others the spring semester. We think this information will be of interest to all alumni in the field of education.

In the program for elementary

DR. BEISER TO VISIT WEST GERMANY

Dr. J. Ryan Beiser has accepted an invitation of the Federated Republic of Germany to visit West Germany this summer.

He will be in a group of 10 educators who will leave New York on June 22 to fly to Dusseldorf via the German airline, Lufthansa.

He will tour German educational facilities and industries and will meet with important men in all fields. He will also have some time on his own for sight-seeing.

Dr. Karl Schoenbach, German Counsel of Southeastern United States, suggested Dr. Beiser. Dr. Beiser received his invitation from the office of the German Secretary of State.

teachers, the courses Education 208, Methods of Teaching Science in the Elementary School, Education 307, Teaching Social Studies in the Elementary School and Education 312, Teaching Arithmetic in the Elementary will be offered as separate courses rather than being included in the internship program as is now being done. The courses, Education 300, The Elementary School Curriculum, and Education 412, Administration and Supervision in the Elementary School will be included in the internship program. These changes will take place the second semester of the 1958-59 term. Also, beginning at this time, the internship program will carry fifteen semester hours credit instead of 12 hours.

The courses 208, 307, 312 when offered as separate courses carry three hours credit instead of two. The education courses 204, Teaching fine and Practical Arts in the Elementary School, Education 230-31, Elementary School Music and Education 305, Methods of Teaching Physical Education and Health in the Elementary School will be reduced from four hours credit to three hours credit. These changes will become effective beginning with the first semester of the 1958-59 term.

In order that no hardship may be imposed on any student, provisions will be made for students to intern under the old program or the new

(Continued on Page 5)

T.U. GRAD SEEKS POST ON SCHOOL BOARD

Ray E. Fernandez, class of 1952, has entered the race for the Hillsborough County School Board in District 2. He is now a real estate broker and has formerly served five years in the Hillsborough County School System.

Ray is married and the father of three children. He served three years in the army and did post graduate work at the University of Florida. He has been active in political affairs serving as president of the Young Democrats of the county and is presently a member of the County Democratic Executive Committee from Precinct 44A.

ATHLETIC BUSINESS MANAGER RESIGNS

Tampa's loss is the Elk's gain.

John Hall, likable, hard-working athletic business manager of the University of Tampa, resigned his post to become secretary of the Tampa Elks.

Hall took over his duties almost immediately.

Hall directed the financial affairs of the Spartan athletic department for three years.

"The loss of John Hall is a blow," said Huerta in announcing the resignation of his athletic business manager. "He did a splendid job for us and we know he will do the same for the Elks."

Al Gomez has been named to fill the position of Athletic Business Manager of the University of Tampa.

New Program of Required Courses

(Continued from Page 4)

program, the second semester of the 1958-59 term. After this semester all students will be required to intern according to the provisions of the new program. Any student interning under the new program who had 300, 412 or any other courses included in the internship will get only 12 hours credit.

In the secondary field under the new program Education 301, The High School Curriculum, will be included in the internship program. The internship will then carry 15

hours credit instead of 12. This change will become effective the second semester of the 1958-59 term. Students interning at the time which had Education 301 will get only 12 hours credit for the internship.

After the courses 300, 301 and 412 are included in the internship, they will be offered as separate courses only during summer school. A new course, The School Curriculum, which will give consideration to both the elementary school curriculum will be offered beginning with the fall semester of the 1958-59 term. This course will be designed to meet the needs of those students that are required to take both elementary and secondary curriculum. This included students majoring in physical education, Art and Music.

One other minor change has been made in the internship. Students will be required to return to the campus during the internship only at the end of the third and sixth weeks of the internship rather than weekly. This change will become effective the fall semester of the 1958-59 term.

Huerta Makes National Headlines

(Continued from Page 1)

Through the tireless efforts of one of the youngest members of the coaching profession, the University of Tampa's Marcelino Huerta, mentors across the nation have banded and will quarterback their clubs in the fight to help crippled children.

Their battle will be under the auspices of the National Easter Seal Drive and wherever there are football teams, the "Huerta Plan" will be in effect.

Form of attack will be for every college football player in the country to help solicit funds on March 29 and because of the "Huerta Plan," officials are hopeful of reaching their goal in every community.

Hillsborough County footballers, both college and high school, will spearhead the drive since Huerta is chairman for the county.

He reported yesterday that "On March 29, every high school and college player in the county will be

out to canvass assigned areas and solicit funds for what we think is a worthy cause."

Locally, the "Huerta Plan" has been in effect five years. Starting in 1953, University of Tampa grid-ders went out en-masse one day during the month-long drives and solicited funds for the Easter Seal Foundation.

The results were so rewarding, Huerta took it upon himself to write every college in the country and urge that they have their teams aid in the drive. In addition, he wrote the governors of every state asking their endorsement of the plan.

Reception was almost unanimous. Huerta received endorsement from more than 40 governors and at their January meeting in Philadelphia, members of the American Football Coaches Association gave unanimous approval to back the drive.

Now, as chairman of local fund raising, Huerta vows to work harder than ever. And, he thinks the other coaches across the country "will do everything they can to make the drive a huge success."

Our Spartan athletes also deserve a big hand for their part in this gigantic and worthwhile task.

JOHN R. HALL

Did you ever have the feeling like the fellow who entered his little boy's bedroom to see whether or not he was asleep. Then when he leaned over his son's bed the boy was slowly awakening from a sound sleep. He reached out, put his arms around his Daddy's neck, looked up drowsily and said, "Aw, Shucks, Dad, I thought you were my dog." Quite a let down for Pop. Somewhat the same feeling that comes over an after-dinner speaker who only is half prepared for his speech, and sweats out a strong and complimentary introduction given him.

Anyway, it was with a real let-down feeling and with sincere regret that I tendered my resignation as Athletic Business Manager at our Minaret Capped University from the office on the banks of the jolly ole' Hillsborough river. Among the many nostalgic moments that I particularly exper-

MOROCCAN

JOHN HALL - - -

(Continued from Page 5)

enced was writing this little message in each issue of the Alumni Bulletin; I really enjoyed doing it.

My three years of association with personable and dapper Athletic Director Coach Marcelino Huerta, Jr., and his competent staff were most stimulating. From my observation, I can say without equivocation, that our Athletic affairs are in mighty capable hands.

Perhaps the most compelling, worthwhile, and "lump in throat" project I've observed during my tenure was Marcelino's "going to bat" for the Crippled Children. . . Chello has worked effectively for the Tampa Elks Lodge's Harry Anna Crippled Children's Home campaign last fall by arranging what turned out to be a real Hollywood thriller of a football game, which resulted in the acquisition of over twenty-five hundred dollars for the Crippled Children's Home at Umatilla. . . . He then furthered this great cause by devising a plan on a National scale by enlisting the support of each State Governor and College Coach in America, whereby all their football players would solicit on the streets with containers on Easter Lily Crippled Children's Day. . . . Incidentally the "Huerta Plan" has been endorsed by the American Coaches Association, and has been established as an annual National Hook-up. . . . I hope the day never comes where our A. D.'s little boy is faced with what the little lad was who was registering in grammar school and the principal asked him if he had any changes of address. "Oh yes, sir," said the youngun, "Twelve times." "Twelve times," the principal asked, "Was your father a minister, traveling salesman, or a Service man." "No sir," the lad replied, a College Coach."
