Dr. Nance Aids Medical Group As Chief Advisor

By NANCY HUMES

Several months ago, a delegation from the National Medical Society visited Dr. Nance at the University and explained an idea they had for a medical college in connection with the University of Tampa. They were informed that the University is not chartered to teach medicine. But as a result of a speech that Dr. Nance had made to a state convention of medical men stating that he would like to see a medical college established near the University that would teach all the healing arts, the National Medical Society proposed to establish such a school in Tampa. Dr. Nance was asked to make the necessary research and contact the necessary people to discover what such a first-class medical school would cost in equipment and the faculty needed. Most of his summer was spent getting this material. Investigation took him to Chicago where he called on the head of the Educational Department of the American Medical Association and met with trustees of the National Education Medical Society. Dr. Nance went from Chicago to Washington, D. C., and New York City where he called on government officials. He also went to Dallas, Texas, where he visited the famous Hoxsey Cancer Clinic which has done such an outstanding work in the treatment of cancer. The proposed medical college has already been announced in the papers and will likely be established on Davis Island.

Not To Be Affiliated with University

The medical college will have no affiliation with the University of Tampa except that their basic sciences will be given to our students. Courses will be offered in all of the healing arts, but only an M. D. degree will be

granted after six years of medical study. One year of internship will also be required. While it was announced that the school would teach chiropractic, osteopathy, and naturopathy, no degree will be given in any of these subjects. They are merely in addition to a straight medical course. For example, a chiropractor studies a certain amount of medicine as do osteopaths and naturopaths. In the case of the chiropractor and osteopath, the manipulative surgery courses are only a small part of their training and would be taught in the new medical college in not more than two semesters.

The theory is that a doctor graduating from the proposed medical college would have all the training that a regular M.D. has, plus special training in the other healing arts of osteopathy, naturopathy and chiropractics.

The relationship Dr. Nance has to the new medical college is acting temporarily as educational advisor, which duties will end when he makes his speech in Los Angeles, on October 16, to the convention. In this speech, Dr. Nance will outline to them the faculty and equipment requirements and educational standards for a first-rate medical school.

Obviously, there will be opposition on the part of the regular M.D., but the opposition is general and would be just as real if the school should be established in New York or San Francisco. The opposition would be on the score that osteopathy and chiropractic and some of the other healing arts should not be taught in a regular medical college.

On his summer trip, Dr. Nance also called on some foundations on behalf of the University of Tampa.

UNIV. NEWS BUREAU GOES ON THE AIR

This coming Friday afternoon at 1:30 an all University of Tampa program, "News and Highlights of the University," goes on the air over station WFLA and will broadcast every Friday thereafter during the current school year.

This program, which is under the direction of Prof. Roy McGillivray and is an all student activity, is one of the most important public relations outlets for the university. Its objective is to bring to the people of Tampa the news of what their university is doing and to further the people's interest in the University of Tampa.

The news bureau is a part of the University Broadcasting Service, and consists of students who gather and write the news that is released by each department. News and highlights of the university is just one semester young and already has achieved for Tampa U. an ever increasing following. The listening audience has been heard from as far as Orlando.

A new staff is running the news bureau this school year. Paul Gorman, formerly of Columbia University and last year's sports editor of The Minaret, has been named editor-in-chief. Mrs. Richard Saxon, last year's editor of The Minaret, is now working in the capacity of news editor. Mrs. Saxon is well qualified for the job because of her wide journalistic background. Nancy Humes, present associate editor of The Minaret, is working as a correspondent for the University News Bureau. Other reporters include Harry Winning, Dolores Patrick, Jimmy Gibson and Bud Reinert, all of Tampa. Jean Frances Carraher of Clearwater, Meyer Lerner and Edith Spiegel of New York round out the news bureau staff.

NOTICE

Students who did not fill out the Student Directory blank when they registered for the present semester are asked to stop at my office as soon as possible to do so, in order to make sure that no name is omitted from the list now being compiled.

H. G. BAKER.

GEORGE HARRIS WINS ELECTION AS FROSH PREXY

George Harris and Richard McIver are the new president and representative of the Freshman Class for the coming year according to results announced by Doyle Bluemle, president of the Student Senate. The primary election was held Oct. 3, and the run-offs were held Oct. 8.

Other Freshmen officers elected at this time were Lamar Davis, vice president, and Patty Ennis, secretary. Harris and Ennis won a definite majority in the primary, while Davis and McIver were forced into the run-offs against Bob Sturgeon and Manuel Valles respectively.

Jimmy Calhoun was unanimously elected vice president of the senior class as he was unopposed. Carmen Palacio won the position of senior secretary over Margaret Anderson and Elena Rivero.

Charlie Hammond won the run-off election for Junior vice president against Jimmy Phillips. Credo Schwab was forced out in the primary.

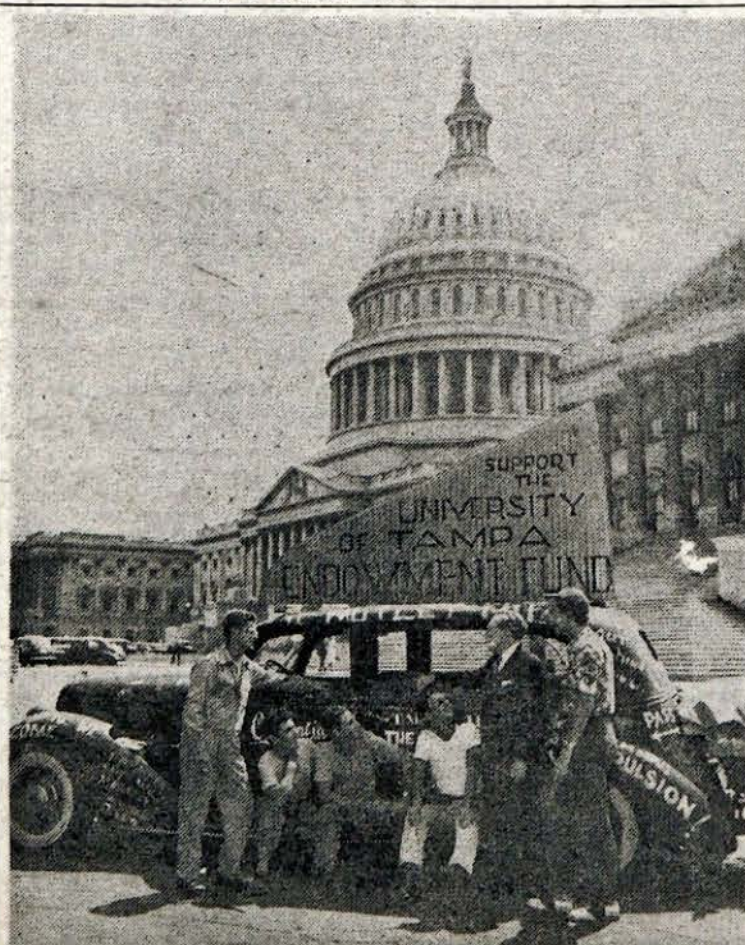

Mary Jo Glenn is the new Junior secretary. She competed with Martha Jackson for this position.

Lin Hall and Tony Ippolito were forced into a run-off for Sophomore vice president with Bob Hancock and Ed Kendrick dropping out in the first election. Hall was victorious.

Barbara O'Berry is Sophomore secretary. She defeated Gene Frances Carraher in the primary.

V. A. MAN HERE

F. J. Gallagher of the Veterans Administration will be at the university the first and third Mondays of each month, during the morning hours, in the office of the building superintendent.

Left to right: Dave Baskowitz, Joe Russo, Vic Leff, Mit Zamore, Senator Claude Pepper, and Jack Cartledge. The five boys are shown talking to Pepper when they stopped in Washington on their way to New York City.

Names Minaret Staff For Current Year

Bob Taliaferro, transfer student from the University of Georgia, will serve as editor of the Minaret for the fall semester, as was announced by Dr. Howard G. Baker, staff advisor.

Assisting the editor is Nancy Humes, associate editor. Betty Dekle will serve as managing editor, and Patricia Ennis as news editor.

Prior to his entry in the University of Tampa, Mr. Taliaferro was connected with the Red and Black, student publication of the University of Georgia. He also attended Southern College where he was affiliated with the newspaper there doing reportorial work.

BLUEMLE TELLS PLANS FOR BIG HOMECOMING

Homecoming this year will be in the style of a Hollywood premiere with such fun-adding things as flood lights and floats to add to the grandeur of the occasion, according to plans announced by Doyle Bluemle, Student Senate president. Further plans are now being made and the alumni will meet with the Student Council to make final arrangements. Homecoming dates have been announced, and the big event will begin Nov. 20, and will continue until the 22. This year's homecoming is expected to be the biggest in the history of the University.

The opening event will be the president's reception on Thursday night, Nov. 20, at which time the alumni, students and faculty of the University will be honored, and the reception will be followed by a dance.

Bluemle has requested the wholehearted cooperation of the student body in helping to make this year's homecoming a success.

New Faculty Assumes Duty

Fourteen new members of the University of Tampa teaching staff have assumed their duties with the opening of the University year.

Coming to the university as associate professor of elementary education is Dr. Zoe Cowen, former head of the department of education and psychology at Bob Jones College, Cleveland, Tenn. Dr. Cowen previously taught in the Georgia university system.

G. E. Heckman, for the last eight years a member of the department of accounting and business administration at the University of Dayton, Dayton, Ohio, has been appointed associate professor of business, commerce and economics, and R. P. Hensley, for many years head of the commercial department of Hillsborough High School, Tampa, has consented to teach in the department of business administration until a permanent appointment to the headship of that department can be made.

Dr. Earle Matthews, state geologist in the soil conservation service, with offices in Lakeland, is temporarily teaching courses in the reactivated department of geography and geology.

The English department has three new members this year.

Dr. Martin I. J. Griffin, who received the doctor of philosophy degree from the University of Pennsylvania and has taught at Canisius College, Buffalo, N. Y., Villanova College, Villanova, Pa., and Duquesne University, Pittsburgh, Pa., has been named associate professor of English.

Stuart Cuthbertson, who holds degrees from the University of Illinois and George Washington University, is assistant professor of English, and E. E. Keller, a graduate of Toledo University and Ohio State University, has been appointed instructor in the English department.

Professor Cuthbertson has been with

the newspaper there doing reportorial work. He headed the sports department of the Pep O Plant, of Plant High School. Mr. Taliaferro, a journalism major, is a native of Tampa.

Miss Humes, who served as managing editor of the Minaret last year, is a senior. In addition to her experience on this staff she has previously been employed by an Indiana newspaper for which she did reportorial work. She was also connected with a college paper in Miami. Miss Humes is majoring in English and art.

Miss Dekle is a transfer student from Brenau College, where she served as head of the feature department on the staff of the Alchemist, student publication. She was also affiliated with the Pep O Plant. Miss Dekle is a pre-law major and a sophomore.

Miss Ennis, who attended Jefferson High School last year performed the duties as editor of the Jeffersonian newspaper. She served on the staff as a reporter, prior to her appointment as editor. Miss Ennis is a freshman at Tampa University this year.

Gotter Heads Business

Leonard Gotter, who is Business Manager, also gave his service to the Minaret staff last semester in the same capacity. He served as managing editor of the Red and Black of Hillsborough High School, where he was a member of the national Quill and Scroll.

In charge of the circulation department will be Glenn Massey. He also served on the staff of the Red and Black of Hillsborough as circulation manager.

Robert Sturgeon will act as assistant circulation manager for the Minaret. Mr. Sturgeon, who is a freshman, is a native of Virginia.

Patricia Thomas will head the feature department. She has had previous experience on the Minaret staff.

Marjorie Stalaland will serve as Exchange Editor. She is a freshman this year and a graduate of Hillsborough High School.

Sports Department

Howard Jones has been appointed Sports Editor. He is a transfer student from the University of Florida and is majoring in Business. Mr. Jones held the position of sports editor on the Pep O Plant.

The staff writers include Bruce Atkins, freshman; Norma Piper, freshman, and Joseph Russo, sophomore.

Dr. Howard G. Baker, dean of men, is, in addition to being the faculty advisor for the Minaret, head of the department of journalism.

This newspaper is a bimonthly publication edited by the students of the University of Tampa.

ADULT ED. G.I. APPROVED

Veterans enrolling for Adult Education Center evening classes, which are holding their first meeting this week, can avail themselves of the GI Bill to defray tuition. Dr. Donald W. Robinson, dean of the Adult Education Center, has announced.

Of the 27 courses listed, only two, those in contract bridge and social dancing, are not approved under the veterans' training program, according to Dr. Robinson.

Tuition is \$10 for each course meeting one hour a week, \$12 for each course meeting 1½ hours, and \$15 for each two-hour course. Students and other persons connected with the University will be enrolled at one-half the announced rates.

REWARD! REWARD!

FOOTBALL vs. ENDOWMENT

Probably the hottest issue to have been aired around the campus in quite some time was the recent announcement from the President's office to the effect that football is again out at Tampa University until next fall.

This was, and is, a terrific jolt to the students of the University because after all, what is college life without the game? Where is the greater part of school spirit without the game? But still a better question would be—Where is the money for which to field a team? Football is an extremely expensive sport. Miller K. Adams, director of athletics, announced that in order to put a team on the field, at least \$30,000 would be needed. This amount would be allocated for the expenses of paying coaches, buying uniforms, lighting both the practice field and the stadium itself, medical care for the players, a training table where the athletes may attain top physical condition, and other such expense.

For the past year the University of Tampa, under the capable leadership of Dr. E. C. Nance, has been engaged in the somewhat fruitless effort of raising \$500,000 so that the University may become recognized by the Southern Association of Colleges and Secondary Schools. In doing so an air show was sponsored, as was a variety show and several dances. To assure ultimate success a competent organization specially trained in raising such funds, namely the American City Bureau, was employed at great expense to the University. But still the goal has not yet been reached. The school is still \$129,000 short of the goal. It is for that reason and that reason alone that football has again been discontinued.

The endowment campaign is to be resumed again this month. Even now key faculty members have voiced radio appeals to the citizens of Tampa. The burden therefore rests upon the conscience of the generous citizens of this city.

Recently the University received from the Spartan Club a gift of 10 lots adjoining Phillips Field. Members of this club will aid the University in sponsoring regular football for the academic year of 1948 and '49, providing the full amount of the endowment fund is raised in the near future.

It has been estimated that students enrolled at the University this year will spend \$1,000,000 in Tampa. Naturally that money would be spent elsewhere if the student were enrolled in college elsewhere.

To quote from a recent report from Dr. E. C. Nance, "The University of Tampa is here to stay. But will it 'stay' by mere 'tin cup' charity and half-hearted tolerance and settle down in apologetic mediocrity while colleges in more progressive communities leave us behind in obscurity to stand and stare at their progress? (After all—the only thing any of us can take with us is the good we leave behind.) Or—will we—members of all classes, creeds, clubs and organizations—unite in generous and enthusiastic support of this public institution and make of it an inspiring shrine to our civic pride and to our devotion to the welfare of our citizens and leaders of tomorrow." Truly a question which only the citizens of Tampa can answer.

HAIL THE FRESHMEN!

In September, 1931, the University of Tampa opened its doors to registering Freshmen as a junior college. Two years later, in 1933, the University became a four-year college. Since that time, approximately 5,000 Freshmen have entered the University. In this large group, we have had people from many countries, members of various races and religions, and persons with a wide variety of philosophies and creeds. It is probable that the University has been responsible for the education of more representatives of widely diversified cultures than any other educational institution of its size.

The above paragraph is meant as a preface for the following statement: In our Freshmen lies the potential for our greatness. Our Freshmen can be our greatest asset in putting the Endowment Drive over the top. You, the Freshmen, as members of the student body, can put your talents to work for your University. Every Freshman has a contribution to make, a contribution he can make, by participating in student activities whenever possible.

To end on a note of lightness, kids, we're really glad to have you with us!

PARKING AROUND THE COLLEGE

Parking around the University since the beginning of school has been a serious problem. So serious, in fact, that the City of Tampa has had to deputize one of our own students to try and correct the situation.

It should not be the responsibility of the City to correct this situation. Every student who owns an automobile should be interested enough in the welfare of the University to do the correcting himself.

This illegal parking has caused a fire hazard, and all students should cooperate with the police and fire department of the City of Tampa in controlling this fire hazard so that there will be no need of further admonition from the city officials.

SHORT SHORT SHORTS

Dr. Nance left Saturday, Nov. 11 for Los Angeles, Cal., where he will address the Annual Convention of the National Medical Society. Dr. Nance will be gone for two weeks.

Harold Williams was elected president, Margaret Anderson was chosen vice president, and Mariam Chastain was re-elected secretary of the Pan-Hellenic Council at the organization's first meeting of the year.

The new president, who was vice president of the council last year, succeeds George Jack, a member of last year's senior class.

Paul F. Straub, World War II veteran, has been elected Junior Rotarian by the senior class. He attended the University of Tampa prior to the war, and now Mr. Straub is resuming his studies here as a member of the senior class.

All University of Tampa students who are interested in dramatics in any way should register in the office of the Dean of Women.

Kappa Sigma Kappa, international fraternity, gave a dance Friday night Oct. 10, at the Skyline Roof of the Bayshore Royal Hotel.

Dancing was from 9 'til 1 and music was furnished by Don Francisco and his orchestra.

Social News

RELIGIOUS ORGANIZATIONS

The Canterbury Club held its first meeting of the semester Sept. 30. Those elected office were Nelson Jones, president; Victor Fresh, vice president; Joan Schwab, secretary; Credo Schwab, treasurer, and Burton Christiansen, parliamentarian.

All Episcopal students are invited to attend the meetings held at 6:00 o'clock each Monday night.

The Methodist Student Organization celebrated its first meeting of the month with a coke party, Sept. 25. Officers of the M.S.O. are Roy Pinch, president; Edith Morgan, vice president; Nita Benton, secretary; Lucy Pelaez, treasurer, and Evelyn Sumner, worship chairman.

All students are invited to attend the worship services to be held in the Assembly Room at 8:15 each Wednesday morning.

SORORITIES and CLUBS

There will be a meeting of the Veterans' Wives Club Oct. 27 at 7:30 P. M. All members are urged to attend, as new officers are to be elected.

Members, pledges and alumnae of Sigma Theta Phi sorority held a get-together breakfast Thursday, Oct. 9 at the Floridan Hotel. Committee for arrangements were Madge Kleinhammer, Julie Daniels and Jean Duket.

Officers for this year are: Miriam Chastain, president; Mike Royer, vice president; Joan Schwab, secretary; Elena Rivero, treasurer; Barbara O'Berry, sergeant at arms; Madge Kleinhammer, intramural manager; Betty Blitch, parliamentarian, and Julie Daniels, historian.

The Sigma Thetas plan a luncheon for the latter part of October, details of which are to be announced later.

New music students eligible for Alpha Mu Tau, provisional chapter of Sigma Alpha Iota, honorary music fraternity of the University, were honored at an outdoor supper at the home of Mrs. Fred Donnelly, Saturday, Oct. 11. A musical program was presented by Miss Jean Wiltse, violinist, and Miss Mary O'Brien, pianist.

The first meeting of the A.M.T. was held Sept. 23. Officers for the year are Mildred DuBois, president; Dorothy James, vice president; Madelyn Boyd, secretary; Patricia Tallant, chaplain; Evelyn Jewell, sergeant at arms, and Mary Jo Glenn, reporter.

Membership is based upon musical talent, scholastic standing and participation in musical activities on campus.

SOCIAL CALENDAR

Methodist Student Organization—Swimming party, Saturday, Oct. 18.
Sigma Theta Phi sorority—Harvest Ball, Friday, Oct. 24.

J. Cartlidge To Edit Muezzin

At the initial meeting of the Quill Club, held Oct. 9, plans were formulated for the first issue of the Muezzin, University student magazine. Elections for officers of the Club were held, and the following were chosen:

President—Frances Saxon,
Vice-President—Duane Locke,
Secretary-Treasurer—Nancy Ellen Humes.

The staff of the Muezzin was also elected at the meeting which Dr. Baker attended as faculty advisor. Those elected were:

Editor-in-Chief—Jack Cartlidge.
Associate Editor—Frances Saxon.
Business Manager—Leonard Gotler.
Feature Editor—Duane Locke.
Art Editor—Nancy Ellen Humes.
Research Editor—Bob Gross.
Editorial Board—Pat Thomas, Andrew Martinez, George Robinson, Sankey Stevens, Tom Carlin, Frances Combie.

Three Plays Planned

Miss Thelma E. Jones, head of the drama department, has announced that three plays have been cast and will be presented this semester.

The plays chosen are "Hay Fever," by Noel Coward; "A Servant in the House," by Joseph Kennedy, and "A Woman of No Importance," by Oscar Wilde.

The cast of "Hay Fever" includes Katherine Sible, Joe Russo, Victor Jeff, Mildred Guthrie, Mike Royer, Ralph Hunt, Barbara O'Berry, Tom Carlin and Doris Johnson. Casts for the other two plays will be announced later.

Miss Jones will direct all three productions. Stuart Falconer has been appointed production manager and will have charge of all stage and publicity work.

New Faculty

(Continued from Page 1)

the Veterans Administration for several years. He was formerly a member of the faculty of Washington and Jefferson College, Washington, Pa. Mr. Keller, prior to four years' service with the U. S. Civil Service Commission, taught for 15 years in Ohio school.

Miss Jacqueline Maupain is instructor in French, and Miss Renee Blumeneau instructor in dancing. Miss Maupain is a native of France and has been a teacher in Paris. Miss Blumeneau, a native of Luxembourg, studied in several European countries. She served with the French underground movement during the Nazi occupation.

Dr. Raymon Bustamente is assisting Prof. Clyde T. Reed in the biology department. J. C. Hartness is part-time instructor in surveying. Julius Felicione, who is with the firm of Jim Quinn, C.P.A., is teaching advertising and federal tax accounting.

Mrs. Louise Waters is teaching four sections of beginning Spanish, and Marty Lyles, chief announcer of radio station WFLA, is assisting in a new course in the fundamentals of radio broadcasting.

BAND TO PLAN PUBLIC CONCERTS

The first in a series of public concerts the University Band is planning for the coming months will be given the middle of November in the Plant Park Band Shell.

The band, with a present membership of 38 and openings for several additional members, is directed by Professor Lyman Wiltse. Drum Major Brockman and Robert Price are assistant directors and Dolores Patrick is head majorette.

Fraternities

On Saturday, Oct. 4, Rho Nu Delta fraternity entertained at a party for the rushees at Treasure Island. Chap-roning were Dr. and Mrs. Baker, Mr. Heckman, and Mr. Cuthbertson. Mem-bers, rushees and "the dates" attend-ing were Tony Ippolito and Lella Mae (Smooty) Moody, Rosario Ciccarrello and "Sis" Blanchard, Frank Accurso and Margaret Dominguez, Joe Gomez and "Sister" Rina, Albert Nieto and Louise Aparicio, Mr. and Mrs. Roy Pinch, Mr. and Mrs. Art Remnet, Mr. and Mrs. Charles Perez, Ralph Vaccaro and Mary Rodriguez, Roscoe Davis and Angie Puglisi, Frank Juan and Undina Valdez, Benny Perez and Minnie Dominguez, Joe Granda and Mary Hernandez, Paul King, Jimmy Phillips, Marcelino Milendreras and Josie Martino, George Grite and Vera Remnet, George Elliston and Sally Rogers, Mr. and Mrs. George Tinin-sky, Bill Bush and Emma Castro, Augustine Gonzalez and Betty Fer-nandez, Charles Diaz and Mary Trivet.

Sigma Kappa Nu fraternity held its first rush party of the season Wednes-day, Oct. 8. Among those attending the informal stag buffet supper at the Jacaranda Tea Room were six alumni. These include T. L. Ferris, C. R. Criddlebaugh, Bob Williams, Bill Reid, David Foster and Byron Wilson.

Members and rushees attending were James Ghiotto, Edward Kend-rick, Harold Keating, Albert McNab, Bill White, John Dekle, George Bick-ley, Hoyt Goodson, Charles Crump-ton, William Kenny, Charles Allen, Tod Roos, Alex Kaiser, Bill Hines, Frank Domsey, Vernal Hair, Jr., Credo Schwab, George Peacock, Robert Mil-ler, Jerry Miller, Jr., Roger Birt, Hor-ace Owens, Jr., Charles Stump, Charles Nash, James Clanton, James Clark, Jimmy Gibson, Henry Tipping, Donald Olson, Jack Hendricks, Paul Emanuel, John Hayes, David Barks-dale, Fred Barksdale, Joe McAllister, Dick Saxon and Dr. Robinson, faculty advisor.

The second SKN rush party, a wiener roast, will be held for alumni, rushees, members, and their dates at Hillsborough State Park.

Sigma Kappa Nu would like to ex-press its gratitude to the Liggett and Myers Tobacco Co., whose represen-tative in the University is Leonard Gotler, for its generous donation of Chesterfield cigarettes . . . they SAT-ISFY!

Members of Tau Omega fraternity entertained alumni and rushees at a stag party at the home of William Paxton of Keystone Lake.

Alumi attending were Jimmy White-head, Bruce Klay, George Jack, Dr. C. John Bittman, Rex Goode, Bud

Pepper, Wilmet Paxton, Robert M. Wilson, Billy Martin, Carl H. Dahm, Fred T. Rogers, Carlisle Hutchinson, and Francis S. Pitman.

Rushees attending were James Clark, Dick Davis, Tom Daley, Bobby Clem, George Timinsky, Alex Kaiser, I. F. Rooney, James R. Cox, Joe R. Masada, Percy Jerkins, Harold Moody, and W. George Irish.

Donald Britt, president of Kappa Sigma Kappa, the college fraternity which "went national" last year, has announced that the growing organiza-tion has now extended its ranks to other shores. The fraternity has been

established in Northern Polytechnic College in London, England. Mr. Wil-liam Johnson and Mr. Ronald Hare, both of London, are the new chapter officers.

Meanwhile, in the United States, the fraternity has grown to 25 chap-ters. Last year the "World Almanac" reported only 15. The first chapter of KSK was founded in 1867 in Vir-ginia Military Institute.

Britt announced also that KSK's first dance was held Friday night, Oct. 10, for members and pledges. The dance was held in the Bayshore Royal Hotel from 9 to 1 o'clock.

Of recent interest to all students is the new Masco Sound System. The idea originated with Dr. Nance, who believes it will be of great convenience to the student body. Records may be

played over this public address sys-tem for entertainment and it may be heard in all dormitories, on the porches, in the student union build-ing, and in some parts of the park.

Spartan Five Gets Set For Opponents By Early Practice

MILLER ADAMS

The University of Tampa's basketball squad got the jump on the majority of their opponents this year by opening their practice session early. Coach Miller Adams had his returning lettermen and new candidates working out for the first time Sept. 26.

With the aid of four returning lettermen and a host of experienced ball players, Coach Adams expects to build up one of the best teams Tampa University has had in many years. His squad should be equal to any team in the state with the possible exception of Miami.

These lettermen are guard, Lyle Weese; centers, Lin Hall and Rene Alvarez; and forward, Dave Barksdale. Lyle Weese saw plenty of action last year. He was used as a utility man but saw most of his action as a guard.

Fortifying the center position are veterans Lin Hall and Rene Alvarez who are both well over six feet tall. Lin filled in at forward numerous times last season and proved himself a valuable man at both center and forward positions. Rene joined the squad in midseason and his presence was well noticed the remainder of the season.

A boy who gave Tampa's opposition plenty of trouble last year was Forward Dave Barksdale, who is back this year to add to the strength of the team.

New men have looked very promising in practice and will be pushing every man for his position. Carlos McNair, a forward, was picked for two consecutive years All-Ridge at Haines City High School. Another forward, Herb Elkins, hails from Connecticut where he was named honorable mention all-state. Of the new men Herb is the most experienced player. His excellent ball handling and passing will prove valuable to the team. At center, George Harris, a six foot three ex-Jefferson basketball is showing up very well on rebounds. Harris was offered scholarships at Hardin-Simmons and the University of Texas. Another six feet three giant, Lewis Alvarez, is expected to see plenty of action at the guard post. Alvarez is very fast for a large man and is a very aggressive player. The season's schedule has not yet been released. The first game will probably be played early in December.

Tau Omega Defeats KSK

The 1947-48 intramural football season opened at the University of Tampa last week. On Tuesday Tau Omega fraternity defeated Kappa Sigma Kappa, 24-0, under the brilliant offensive passing and receiving of Bob Grimsley and "Inches" Hope. In the second contest Sigma Kappa Nu trounced the Rho Nu Delta men 20-0. Thursday the quick long passing of Beta Chi's Bud Reinert caused Kappa Sigma Kappa to go down to their second disastrous defeat by a 30-0 count given at the hands of Beta Chi, last year's football champions. Wright, the big Chi end, proved to be a decisive factor in the overwhelming of Alpha.

Also on Thursday the Ace Club, sparked by "Broom" Escobar, won an easy victory over the independents by a margin of 7-0.

The hard hitting, long passing Buccaneer team sparked by Joe Eckart and Monk Mills handed the Ace Club their first defeat of the year by a 20-0 margin. The brilliant passing of "little Joe," former Farnell prodigy, caused the Ace Club to be constantly harassed. Monk Mills, the Alachua flash, also proved to be a constant menace.

On Tuesday, October 9, the fast moving Tau Omega fraternity chalked up another victory over a very surprising Rho Nu Delta team.

The Old Rose and Blue scored twice under the smart offensive playing of Bob Grimsley and Eston "Inches" Hope. The strong Rho Nu team found consolation in Tony Ippolito and Big Joe Grando. Sad are the men of Delta, for through all of their efforts they could not stop the Tau Omega juggernaut from trouncing them 13-6.

New Gym To Be Built

The new gym which the University of Tampa has been planning for some time will finally get under way within the next 60 days according to Dr. E. C. Nance, president.

To be located at the rear of the Municipal Auditorium, the building will measure 60 feet in width and 100 feet in length with a 22-foot ceiling. With a seating capacity of 500 the new gym will be able to accommodate larger crowds at the intramural and other events which will be held there.

Locker rooms and showers are to be furnished in the gym.

By HOWARD JONES

That T. O. team looked mighty sharp on the first play of the '47 football intramurals. A 30-yard pass was thrown by Bob Grimsley to Buddy Hope and was good for a T.D. The "sleeper play," one of the oldest football plays on record, put the T.O.'s ahead 6-0 in less than one minute of play.

We were certainly glad to hear that Crockett Farnell, a Tampa University graduate and now athletic director at Hillsborough High School, was offered a job as head football coach here. Farnell has turned out some of the best high school teams in the state at Hillsborough. We believe that if he can be obtained for the position, the University of Tampa will again be rated among the top smart college teams in the country.

Tampa's basketball chances have slipped a couple of notches. Two of the most valuable players from last year's squad, Bob Fabian and Gene Besette, have been declared ineligible by Dean Rhodes. Bob and Gene proved to be the deciding factor in many games during the past season. They will be sorely missed and we wouldn't care for Coach Adams' job of replacing them.

The basketball team has been working out on the outdoor courts behind the University on alternate afternoons. These boys certainly will appreciate that new gym.

For the information of all football fans, the intramural games are being played on the lot across from the main gates of Plant Field on North

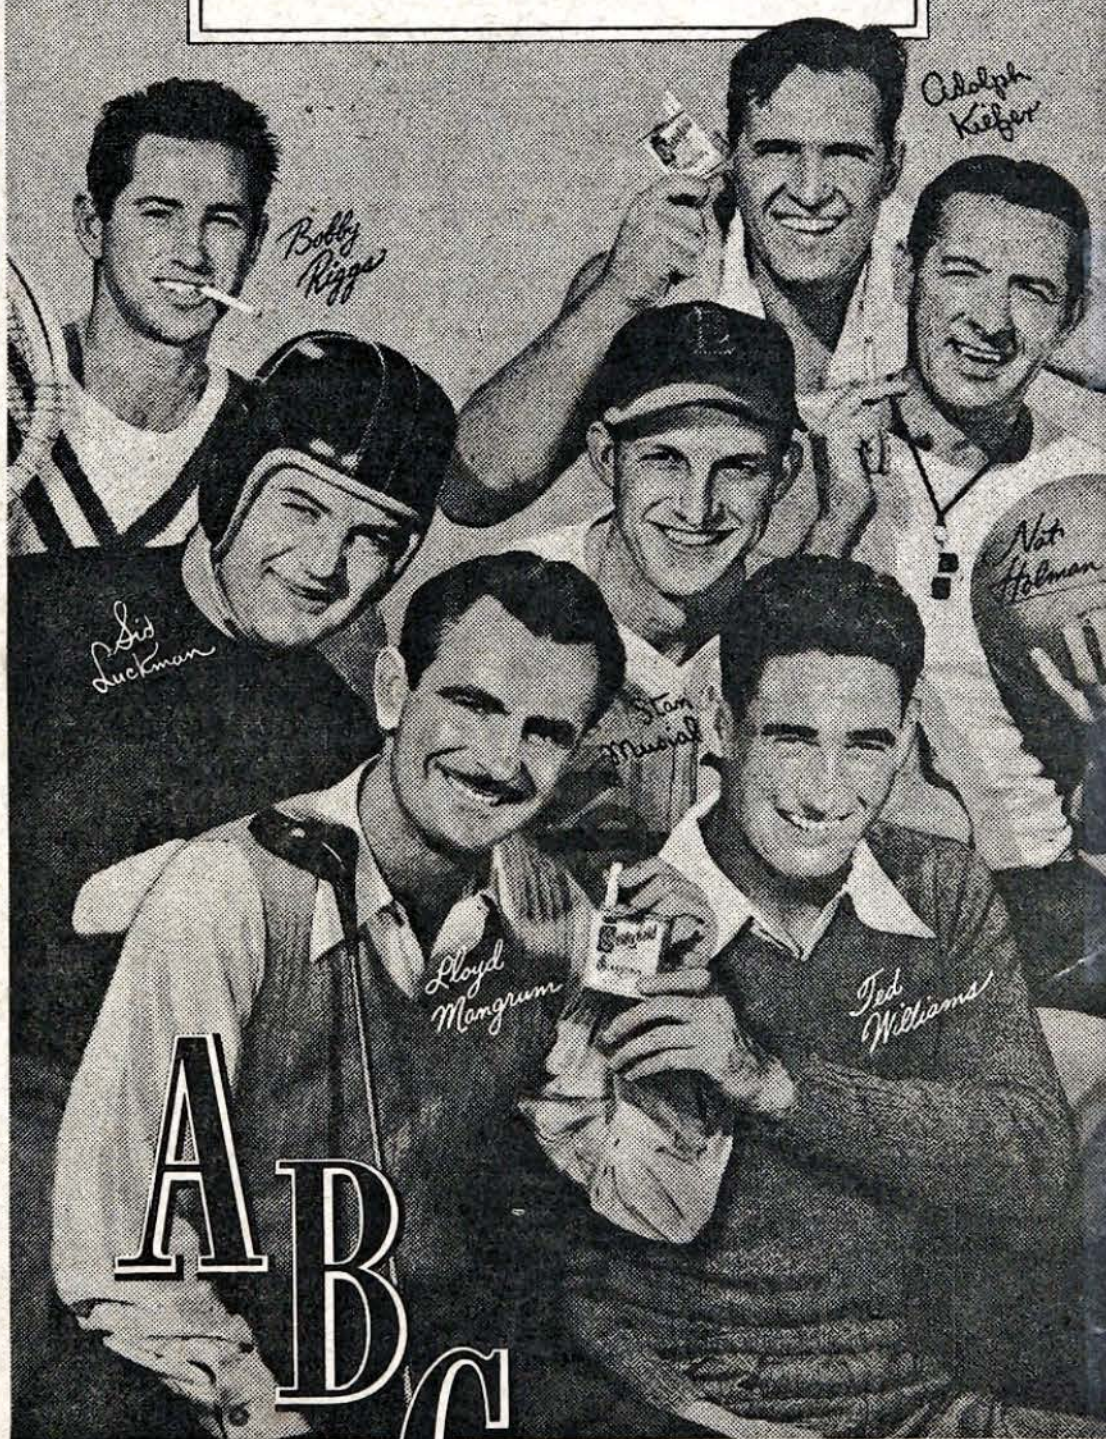

Boulevard. Let's all get out and give the boys a little support.

We are happy to have Gerry Scott covering all intramural games. Any special information the team managers care to supply to Gerry will be greatly appreciated.
