## Tuition Increases With Fall Semester of 1965

University of Tampa officials announced that the cost of tuition at the college will increase beginning with the fall semester, September 1, 1965.

The new rate for full-time students will be \$475 per semester, which will include tuition and all basic fees. For full-time student residents of Hillsborough County the rate will be \$50 less for the academic year.

The revised tuition costs will bring the University of Tampa more closely into line with other private colleges throughout the state, according to the University's business office.

Even under next year's new scale, however, tuition costs at the University of Tampa will still be under this year's costs at other Florida private institutions. A comparison show that University of Tampa stu-

dents will be paying \$344 less per year than at the University of Miami, \$335 less than at Rollins, \$196 less than at Florida Presbyterian, \$90 less than at Florida Southern and \$50 less than at Stetson.

Room and board charges are expected to remain the same when the changes go into effect.

Dr. David M. Delo, president of the University of Tampa, states that the lower rate for bona-fide residents of Hillsborough County was arrived at after intensive study of the school budget by the administration and the Board of Trustees and is in recognition of the fine support given the University by the community.

President Delo added that tuition has been kept low purposely because of the large number of Hillsborough County students attending the college. Today, he stated, 30

per cent of the full-time enrollment is from the county, while 54 per cent is from outside the state of Florida.

The additional income from the increased charges will be used to help the University meet the national competition for superior faculty and will also be used for improvement of the overall educational program.

As an incentive to above-average students who wish to enroll for an academic load larger than normal, no extra charges will be made for enrollment in more than 17 hours per semester. Previously, a charge was made for additional hours over 17. This change is made in accordance with University efforts to grant more academic scholarship aid. Only students who have achieved a "B" average are allowed to carry this heavy schedule of classes.

## "Reynard The Fox" Presented

by Odis G. Richardson

The University Players and drama students presented the delightful children's classic, "Reynard the Fox," last Saturday and Sunday in the Falk Theatre.

Friday, a special preview performance was given for the benefit

of about one thousand Hillsborough area School Safety Patrols. Also invited were the children from the orphanages and children's homes. The sly ole' Fox charmed the boys and girls with a fun filled evening of tricks and wit.

The cast included: Tiecelein, the

crow, Bob Harris; Reverend Epinard, the Hedgehog, Jeff Margardt; Bruin, the Bear, Jim Abruzzino; Ysengrin, the Wolf, Jerry Martin; Noble, the Lion, Odis Richardson; Reynard, the Fox, Bob Levy; and Lendore, the Marmot, Elizabeth Frank.

The backstage crew and staff were all University Players and many new and interesting faces in the drama department.

Mrs. Marcelle Alexander, Administrative Assistant to the Drama Department, and Director of Children's theatre at TU directed the play, with Professor Phillips and staff producing set and design.

New Yorker Carol Newkirk thinks about those rumors that said Florida was warm in the winter, as the temperature drops into the 30s.

## Southern Association Removes Its Warning

The Southern Association of Colleges and Schools has announced that the "warning" issued the University of Tampa in December, 1963 has been completely removed.

The University has successfully met the standards of the Association for which it was in violation, and remains a fully accredited 4-year liberal arts educational institution.

The original "warning" was concerned mainly with lack of operating funds needed by the University to meet the national competition for faculty members and to improve its educational program.

The Association indicated to Dr. David M. Delo, President of the University, that it would have a continuing interest in the progress made by the University toward the completion of a new library to replace the present inadequate facility. Removal of the "warning" was based in part on the report from Dr. Delo that favorable action would probably be taken by mu-

nicipal authorities to make a site for library construction available in the near future.

Architects' floor plans for the library have already been approved by the Board of Trustees of the University but cannot be acted upon until additional space is made available to the college by the City of Tampa.

University officials informed the Commission on Colleges of the Southern Association that the rapid growth of the private, non-profit institution would be blocked if additional land were not made available for University needs.

The University of Tampa anticipates 2,000 full time students by 1970, with an annual university budget of over \$5,000,000 which will contribute materially to the economic welfare of the City of Tampa. Present full-time enrollment is 1,455, with 30 per cent from Hillsborough County; approximately 700 additional Tampa residents are part-time students.

## Nominations For Service Awards

The 1964-1965 MOROCCAN wishes to announce the nominations of the 1965 Service Award. This award is given to eight students and eight faculty members who have helped in the advancement of the University.

The nominations are as follows: Mr. Samuel M. Bailey, Miss Ruth C. Bragg, Dr. Robert J. Dew, Dr. Eustasio Fernandez, Mr. Robert Fernandez, Dr. Martin I. J. Griffin, Dr. C. J. Ho, Col. Frank Hutchins, Dr. Jonsson, Dr. Julius D. Locke, Mr. Robert Lovely, Mr. Joe Martineau, Dr. Alvan R. McFadyen, Mr. Edmund Paul Sliz, Dr. Robert Wean, Mr. Carlos F. Weiman, Dr. Charles R. West, Mr. Malcolm Westly, and Rabbi David L. Zielonka.

Also Bernard P. Alicki, Sue Black, Alan M. Choback, Tom Doan, Penny Donaghue, Monique Groulx, John Hines, Jerry Kutzman, Harry Mulhall, Dick Perrier, Julie Quintana, Joann Russo, Robert Terri, Dave Villari, and George Watson.

## Mail Room To Become U. S. Post Office

On December 1, the mail room will be converted to a post-office which will sell money orders, stamps, and send out registered mail. Post office facilities will be opened for all between the hours of 10-12 noon and 1-3 p.m. from Monday through Friday.

## Calendar of Events

SUNDAY, DECEMBER 13 — 3:00 p.m.

University of Tampa Winter Choral Concert ....Falk Theater

SUNDAY, DECEMBER 13 — 7:30 p.m.

College Bowl

MONDAY, DECEMBER 14 — 8-10 p.m.

President and Mrs. Delo's Open House

FRIDAY, DECEMBER 18 — 8:00 p.m.

Georgetown College Basketball Game .....Howell Gym

FRIDAY, DECEMBER 18 — 7-11 p.m.

Faculty Dinner Dance .....Student Center

MONDAY, DECEMBER 21 — 8:30 p.m.

Young People's Theater .....Falk Theater

# MINARET

The Minaret is published weekly by the students of the University of Tampa, Tampa, Florida. (Publication is suspended one week prior to and one week following vacations.) Editorial content is decided upon by the Editorial Board appointed by the Editor in Chief.

All letters to the Editor are reviewed by the Editorial Board — content however, is in no way altered. Views and opinions expressed in these letters are not necessarily those of the University, the paper, its editors or its staff. Letters must be signed, but the name of the author will be withheld upon request.

## LETTERS TO THE EDITOR

### Half Asleep They Watched Dutifully . . .

Dear Sir:

As usual the Student Congress is doing absolutely nothing, as far as representation of the masses is concerned. Half asleep, they watched dutifully while the Southern University Accreditation Association tacked a "warning" on T.U. last year. The library seemed to be the sore spot. Without delay, Dr. Delo started to work furiously at obtaining grounds for a proposed new library.

Tuesday, December 2; Mayor Nuccio, at a meeting of the town fathers, declared that until the city has a place to relocate the tourist center it will remain where it is. Very few councilmen were willing to speak up for T.U.

One fellow named Lloyd Cope-land laid down the line. He said

that he won't give "one dime" to "private enterprise."

Chairman Doug West maintained that he considered T.U. "just as much a part of the city of Tampa as his own family." But it was Mayor Nuccio's "leave the tourist center where it is" that got the bulk of the applause.

Applause for the stand-patters still proceeded while Carl Brorein, Sr. told legislators the institution (T.U.) must add a library or face possible loss of its accreditation.

Meanwhile, students have continued to pump \$3,000,000 a year into this town — and have yet to receive a cut-rate deal. Most of the blame must go to a middle-of-the-road, tired, dilapidated Student Congress. These so-called "voices of the students" have yet to meet with

Dr. Delo and share his problems. Independents must rely on a newly-formed House of Representatives, since 100% of the Student Congress members are fraternal or sorority-bound youngsters.

The slack is now being felt, and if the Student Congress can't make itself heard somebody better express him or herself, and soon.

But, what the heck! I guess this school (as others), will always have a batch of status-seeking, popularity-artists inhabiting the cabinet posts. The day of the "Me-Tooers" has yet to extinguish itself. Especially at a potentially strong institution of higher learning named Tampa University.

Robert S. Harris  
Sports Writer for Minaret

## Dr. Delo's Christmas Greeting

Mrs. Delo and I extend to all friends and members of the University our cordial greetings and best wishes for a Holiday Season full of joy and one which will remind us all once again of the values we cherish.

The Christmas season is always a time for the renewal of family ties and solidarity; for the cementing of old friendships and the initiation of new ones. At this time when our society and those in all parts of our troubled globe are subjected to such intense stresses and are undergoing drastic changes, it is time again to assay the true values which make our lives full and satisfying and to resolve irrevocably to stress them in the year to come.

Whether it be society as a whole, the family, or the University, we believe that the underlying values are the same. These principles are expressed and emphasized by all for which Christmas and the New Year stand.

May the New Year, then, bring to each of you and yours that true happiness which comes from commitment to things worthwhile, from loving and being loved, and from the knowledge that during 1964 you have made our world a better place for the future lives of those whom you hold dear.

## Who's Who Candidates Selected For 1964-65

Ada Roberts Addison, Suzanne Janet Black, Kenneth J. Bozak, Linda Kathleen Casey, Thomas Lee Doan, John M. Doherty, Penelope Timothea Donoghue, Marilee Morris Duren, Overton G. (Tony) Ganong, Gary Edward Garbis, Ruth Jardin Hayward, John Galvin Hines, Kevin Hughes, Jane Humphreys, Donald G. Koechlein, Elizabeth Mary (Betsy) Madzula, Tyrone L. McMurrey, Barry Miller, Judy Lee Orovic, Rita Elizabeth Owen, Elizabeth Redzig, Janet Louise Rogers, Wilanne Harpe Starling, George A. Watson, Sandra Lee Weingarten.

## S. G. A. News

Minutes of each week's meeting will be posted on the bulletin board near the elevator and in the Student Union.

S.G.A. visited the University of South Florida and received an award for the most representation of the attending schools.

## LITTLE MAN ON CAMPUS

"BETTER TALK SOFTER — I THINK MY HOUSEMOTHER OVERHEARD YOUR LAST REMARK."

## Organization News

### Tau Kappa Epsilon

With our mid-term marks out, Tekes are still holding their scholastic average high. In the last few days, recognition was received from our international headquarters for obtaining last year's honors as being the fraternity with the highest scholastic average.

This week end we will have our Hawaiian party. All the fraters have been looking forward to it for quite some time. Thanks to the work of frater Rosner, we expect to have a good time as always. Also, next week, before our vacation we will have our annual Christmas party.

The Teke pledges being in full swing will have a car wash at Steve Kadir's Standard Station on Kennedy Blvd. The date is December 12 from 9 a.m. to 3 p.m. Tickets are now available.

### Pi Kappa Phi

With mid-terms over, the brothers of Beta Lambda chapter are looking forward to an even more prosperous second half. Improvements are in store for the house as well as intra-mural teams and social gatherings.

Looking back on the first half, we extend our thanks to everyone. We also thank the house mothers, who attended our spaghetti dinner. Dean King, and all the girls of Howell Hall for the open house held a few weeks ago.

### Delta Sig Pi

Our fall rush resulted in pledging thirteen new men. They are Robert Gitchell, Larry Rosenberg, Al Laubsch, Norm Smith, Ron Makinson, Rick Garfinkel, Andy Mirabole, Geoff Brice, Alan Choback, Greg Esposito, Philip Pullara, Richard Diez, Robert Clerk, and Leslie Paston. Thanks go to Phil Davis for a fine rush.

Friday the 13th may have been unlucky for some, but members and pledges enjoyed a tour of the Exchange National Bank with money at hand. Our professional committee is working on a tour of Minute Maid in the very near future.

Business students interested in attending our tours contact any Deltasig.

### Zeta Tau Alpha

All of the sisters are certainly excited about the Christmas Sing on December 11 and are busily rehearsing for the event. The month of December will be a busy one. On the fifth of the month, the Christmas Dinner-Dance will be held in one of the many dining rooms of the Hawaiian Village. An occasion which is likely to be enjoyed and remembered by all present. The following week will find the sisters visiting and taking presents to one of the local child nursing homes.

### Massachusetts

#### Commonwealth Club

The Massachusetts Commonwealth Club is in full swing again this year. Thus far there have been three well attended meetings and on Monday, December 7 elections will be held for this year's officers. The Massachusetts Club is a service organization, on campus, with the purpose of uniting students from the New England area and the hope of forming a strong Alumni Association from the University of Tampa. Through the influence of our organization we hope to help promote enrollment at the University of Tampa from the New England area.

December's plans are a Christmas party for a local orphanage, and also a trip to Orlando for the Annual Tangerine Bowl to support the University of Massachusetts when it meets Eastern Carolina. Our temporary officers are: Dick Perrier, Governor; John Hines, Lt. Governor; Stu Sherman, State Treasurer; Christine Hyland, Secretary of State.

### Sigma Phi Epsilon

The brothers of Sigma Phi Epsilon after returning from the Thanksgiving holiday are back in the thick of studies and working diligently at other projects.

Our immediate projects are concerned with working with the renovation of the Hillsborough County

Hospital, collecting clothes for the needy in boxes which will be located throughout the campus, and our annual Christmas party with Alpha Chi Omega sorority this weekend for underprivileged children.

We would like to congratulate our fine wrestling team and especially brothers Pete Meoli, southeastern heavyweight champion at the Olympic trials at the New York World's Fair last August. Brothers Fred Conte, defending state champion in his class, Barry "Bones" George, Buddy Denholm and pledge Joe Sisca.

### Theta Chi

Now that football season has ended the brothers of Theta Chi are planning a party in honor of their football team members who were forced to miss other social functions due to away games. Brother Paul Sachetti, social chairman, has promised the brotherhood that this will be one of his best efforts.

Brother Jim Caruth has led the volley ball team to two victories. In their first two games victories were scored over the TEP's and TKE's.

The members of the pledge class are really getting into the swing of things. A great interest in intramurals is being shown by the pledges and many of them are taking an active part. A money making project is also being investigated by the pledge class.

### TEP

To further better Greek relations at the University of Tampa, the fraternities of Theta Chi and Tau Epsilon Phi held a joint party which instilled a closer feeling among the brothers of the two organizations (the theme of the party was "Cowboys and Indians" — what else?). We hope the other fraternities participate in joint activities for only closer ties and UNITY will equal a strong IFC and a great Greek community.

At this time, we would like to express our sincere appreciation to those people who attended our Open House as we celebrated our second year on campus. Our alumni as well as the faculty and staff of the university were invited to view the many improvements and additions to our recently purchased house.

### Civinettes

The Collegiate Civinettes of the University of Tampa installed their new officers for the forthcoming year on Monday, November 23, 1964.

The officers are: Sandra Weingarten, president; Hope Harbison, vice president; Ruth Hayward, secretary; Linda Bashline, treasurer.

Elected as Board of Directors are Sue Townsend, Pat Cascone and Mickey Hunt.

Joyce Petillo was elected to the House of Representatives.

## Pearl Buck Visits; Tells Students of Books and China

"The creation of a book is like the creation of a star. A book is the first stirring of an author's heart and mind, just as a star is the first stirring of the cosmos."

With these words Pearl Buck, Nobel prize winner, lecturer, world traveler, and authoress of a score of books including the *Good Earth*, began her talk to several hundred Tampa U students at a special assembly last week.

Mrs. Buck went on to say that every book represents a piece of an author's life and that when we read a book we should feel we're getting to know a person.

Each book grows out of experience, she feels, and an author isn't prepared to write until he has been fully involved with life.

Mrs. Buck lived and worked among the peasants of North China for many years. Out of her indignation at the peasants' treatment by the educated Chinese and at their voiceless state arose *The Good Earth*.

Character, Mrs. Buck believes, is the essence of the many acquaintances of the writer. For example, her work *Command The Morning* was the result of Mrs. Buck's friendship with Arthur Compton and other great scientists. This book portrays the moral struggle in men

— the drama of the human soul. In it, she tells of how these men felt when they finished the atom bomb and had to decide whether to use it for destruction.

As a conclusion to her talk Mrs. Buck made an eloquent plea for the children born out of wedlock both in America and the Orient.

Mrs. Buck described the plight of the unwanted child, living in a society that makes no provision for its existence. The children of American soldiers and Asian women living in countries where American soldiers are stationed, face worse problems than most illegitimate children. They have no families, no orphanages will take them and as Mrs. Buck explained indignantly, "The United States government does not recognize their existence."

These half American children roam the city streets, eating scraps from garbage pails. She warned that such children will grow up hating the parents that abandoned them and will someday become our worst enemies.

It is to help these children that Mrs. Buck founded the Pearl S. Buck Foundation.

## Lynn And Beckett Show In La Monte

The works of artists Nancy Lynn of Tampa and Marian Beckett of St. Petersburg are on display in a two-man show which began at the University of Tampa's Charles La-Monte Gallery Sunday (Nov. 22).

Miss Lynn has studied painting and sculpture under many noted instructors and at the Corcoran, Washington, D.C.; Pennsylvania Museum School, Pennsylvania Academy of Fine Arts and Tampa Art Institute.

She has exhibited at many shows not only in Florida but also in New York, Washington, D.C., and Atlanta.

Miss Beckett has studied with William Pachner of Clearwater and has exhibited in national and regional shows including the Florida State Fair, the Southeastern Regional Exhibition and the Society of Four Arts.

She is teaching art classes in St. Petersburg.

Gallery hours are 2 to 4 p.m. daily, and admission is free of charge.

## Mediterranean Room Is Gift From Mr. and Mrs. Arthur

The Mediterranean Room is the gift of Mr. and Mrs. Edward L. Arthur, residents of Tampa and collectors of antiques. Thanks to the generosity of the Arthurs, our Board of Trustees now has a meeting room furnished with very rare and valuable antiques.

The Arthurs chose the name, Mediterranean Room, for two reasons. First, they brought the furnishings mainly from the countries bordering the Mediterranean Sea, including Italy, France, Spain, and North Africa. Secondly, they found the theme natural to this area — since many Latin people live in Tampa.

Members of the Board will sit in Spanish chairs with gold cushions. Two of the chairs are Spanish 17th Century carved walnut. Their con-

ference table in the center of the room is a Spanish trestle walnut library table, custom made for the room in Spain.

Some of the other furnishing and art objects in the Mediterranean Room include, a Venetian oyster-white gilt rococo carved chest of drawers of the 19th Century, a crystal baccarat 24-light Louis XVI chateau chandelier, two Florentine wrought twined brass ecclesiastical lanterns hung on specially designed poles, a large Persian Uskak palace carpet of the late 18th Century, two small oriental rungs, and two paintings after Velazquez, done by Jose Sanz, famous Spanish artist, with permission of Spain's Prado Museum: "El Principe Baltasar Carlos."

## MAGIC SKIN FOR SPACE METALS

You've seen an apple turn brown where the skin was peeled off. Oxidation is the culprit.

Oxidation also attacks and damages metal parts in space vehicles and jet engines subject to high temperatures.

GT&E scientists tackled this problem, and developed a remarkable new coating that beats the heat and oxidation.

It acts as a protective skin similar to the apple peel.

Innovations such as this are fostered by an extensive research program conducted by General Telephone & Electronics Laboratories. And in part are responsible for the dynamic and continued growth of GT&E.

If research is one of your goals in life,

you might want to know more about General Telephone & Electronics. Full information is available from your Campus Placement Director. Or write to General Telephone & Electronics Laboratories, 730 Third Avenue, New York, N.Y. 10017.

### Pre-Legal Association

The Pre-Legal Association was honored to have as its speakers on December 1, 1964, Mr. Jack Griffin and John Cash of Stetson Law School. These men lectured most effectively on the activities in and outside of classroom learning. This included the social aspects such as Law Fraternities and other organizations as well as membership in the Stetson Student Bar Association. Every student entering the institute automatically becomes a member of this honored group. The purpose for its existence is stated in the

### Constitution as follows:

"The purpose of this organization shall be to promote the interests of its members, to provide a measure of self-government, and to maintain a feeling of good-will and understanding between its members and the administration of the College of Law of Stetson University."

### Music Festival

The Christmas Music Festival was presented Friday, December 11, 1964 at 7:30 p.m. in the Student

Center cafeteria. Representatives of Zeta Tau Alpha, Delta Society, Alpha Chi Omega, Tau Epsilon Phi, Newman Club, McKay Hall, Smiley Hall competed for a handsome trophy with their lyrical renditions of Christmas favorites.

The distinguished panel of judges included: Mrs. Lucille King, Dean of Women; Doctor Stevens, and Professor Malcolm Westly.

Mrs. David Delo and Mr. Michael De Carlo, Dean of Men, joined the panel of judges.

### Tau Epsilon Phi

The Brothers of Tau Epsilon Phi announce a new tradition for the main lobby of the University of Tampa. The honored Greek who has carried our way of life across to the independent students, who has clearly shown that Greeks can be of service to the community of Tampa, who is scholastically stable and who rushes not only for his indicated fraternity but the Greek World itself, we ascribe his name and fraternity to the TAU EPSILON PHI "HONORED GREEK OF THE SEMESTER."

This plaque will be an addition to the honored names we see appearing on independent plaques today. Our plaque will also give credit to those who deserve credit!

### Psi Chi

Psi Chi, the honorary psychology club is very proud of its members, Gerald Kutzman, Sandy Klementis, Harold Delk, and Barry Miller, as they have just attained their second victory in the College Bowl held at the Student Center at 7:30 Sunday evenings.

The matches so far have been the TEKs on November 8 with their brothers Nelson, McMurray, Esposito, and Monks with a score of 185-235 and the SIG EPS on November 15 with their brothers Manzione, Whitback, Oakerson and Brasier with a score of 50-235.

This program has been sponsored by Coach Lovely and has proved very successful. These matches are both beneficial and stimulating to watch. So let's have a real fine turnout at the next announced match.

### Notice To Seniors

All seniors are urged to submit to Miss Evelyn Bennett, Assistant Placement Director, Room 253, a complete list of the extracurricular activities in which they have participated during their college careers. Organizations with Greek titles should be further identified by stating the function. If affiliation is limited to membership, so state.

This information is needed for graduate and professional schools and for recruiters from government and industry. In the absence of this information the University will be able to provide only a transcript.

Statements submitted should be typed. Thermofax copies of the statements submitted will be forwarded to the agency requesting the data.

## John Hines Selected Outstanding Catholic

This year the Newman Club on this campus takes great pleasure in announcing that John Hines, president of the Student Government, has been selected as the "Outstanding Catholic on this Campus."

John's past activities as well as his present ones were a major factor in his selection by the club. His name has been submitted to the National Newman Club Federation in Washington, D.C. where he will be entered into the competition for the honor of "Outstanding Catholic on all American College Campuses."

Other students that were nominated were as follows: Penny Donaghue, Ruth Hayward, and Edward Theogold.

## Students Take Norm Tests

A select group of students are being requested to take a battery of tests to establish norms for the University of Tampa. A random sample will be made from the Senior, Junior, Sophomore, and second semester Freshman class. It will not become part of the Student Permanent Record. Any counseling advantages will be passed on to the student.

## Delos' Hold Open House

President and Mrs. David Delo invite all Tampa U students and faculty members to the President's Open House Monday, December 14, 8-10 p.m.

The Open House has been an annual event since the Delos came to Tampa U. According to President Delo it provides a chance for

the students, faculty, and administrators to mix informally and get to know one another better.

Last year over one hundred students attended the Open House. The Delos would like to see an even larger turnout this year.

The Delos reside at 1815 Bayshore Boulevard.

## CLUB & CAMPUS FASHIONS

BY O. E. SCHOEFFLER, ESQUIRE'S Fashion Director

Tomorrow's forecast could read "Below-freezing temperatures, and snow turning to sleet late in the afternoon." No doubt about it, winter is well on its way. And no self-respecting college man wants to be caught looking through the glass darkly when the big freeze hits. So, a few fashion tips on your cold-weather wardrobe are in order. Let's take a quick run-down on the trends in outerwear for the months ahead.

**THE THIN RED LINE** plummets toward zero, but you'll be snug in your campus tow coat—the cold-weather cover-all. This new "tops-everything" coat is a lineal descendant of the "Ski Look." Its basically bulky, masculine lines are combined with feather-light weight. The tow coat is readily identifiable by its length, which is short—at most, 38"—breaking just above the knee. All-wool or polyester cotton fabrics, usually in a twill or poplin weave, are the most popular in both single and double breasted styles. Color preferences range from tan through dark blue, black, and Loden green.

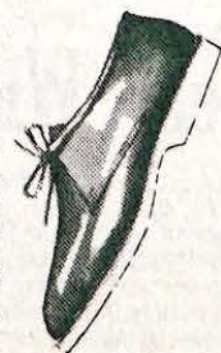

**THE BIG NEWS IS THE BIG S-T-R-E-T-C-H** in all kinds of fabrics, which along with the "Ski Look," are creating a major revolution in sportswear. One-way S-T-R-E-T-C-H is the horizontal give-and-take found in the new ski-inspired jackets. In general, jackets tend toward greater length this year in both belt and zipper front styles. Their added elasticity affords plenty of extra shoulder room. Blue, black, brown and natural tan are the dominant colors. Ski jackets feature concealed hoods which roll into the collar. Quilted fabrics of nylon or polyester cottons continue the popular trend in diagonal and oblong patterns. Professional type stretch ski pants, understated in dark grey, dark blue, and black, are slimmer and trimmer, maintaining the tapered look, along with greater ease and comfort at points of stress.

**SOUND THE TRUMPETS** for the big swing back to leather. Leather sport coats and jackets as well as longer coats in brushed suede and grained leather are definitely in. Leather accessories are big too: bindings on collars, closures, button-holes and sleeves add a distinctive and practical touch. For the more conservative—and for the more formal occasion—woolen top coats in a raglan sleeve, natural-shoulder, single-breasted bold new Herringbone are getting the nod. The Herringbone measures about an inch wide and is made of black and white or grey coarse yarns. Traditional campus styling includes flapped pockets and a fly front. And, of course, the fleece-type camel hair coat remains a campus classic.

and textured sportswear fabrics. A small crown, a narrow brim, and a snap-band complete the picture.

**THE CALL OF THE WILD** comes through loud and clear in the HOOT BOOT. Great for football games and trudging through midwinter slush, the HOOT BOOT is an example of the ideal marriage of fashion and function. This 2-eyelet demi-boot has a shorter rise than last year's models, pointed up by a turnback welt seam. Unlined or—for the cold-weather campus—lined with fleece or shearling, the HOOT BOOT features grained, plain or brushed leathers, with leather or rubber sole. Soft, subtle heather mixtures of HOOT Hose are emphasized by their fleecy finish. They are the answer to the perennial campus demand for practical, easy-care hose.

That's it for the latest word on outerwear. Next month, in plenty of time to prepare you for the up-coming whirl of holiday celebrations, we'll take a close look at the formalwear scene. See you then.

## Spartan Cagers Lose 1, Then Bounce Back Strong

The University of Tampa Spartans lost their season opener against tough and talented Miami last night. Miami downed the Spartans 136 to 119 in a tremendous offensive ballgame before a standing room only crowd at Tampa's Howell Field House. Tampa showed the home crowd that they were a greatly improved team as compared to last year's and had the fans smelling an upset with the second half just under way when they pulled to within six points of the Hurricanes. Miami's All-American, Rick Barry made the difference as he scored 55 points to lead both teams. Tampa showed good balance in the scoring department with 10 players hitting for four or more. Scrappy Tampa guards, Dick Pusins and Vic Thixton led the Spartans with 23 and 22 points respectively. John Pooley had 20 from his forward spot hitting 50%

from the field. Centers Wayne Harden and Ron Stone each played about half the game for the Spartans. Harden scored 13 points and led Tampa in rebounds with eight. Stone had 11 points for the night, hitting five of eight from the field. Thixton led the team in assists with six and had four rebounds to round out a good night for the freshman's first college game. Fouls caused the Spartans a lot of trouble as they had six men foul out and had a total of 39 fouls called on them during the night.

The Spartans next game was December 8 against Florida Southern. It was the second game of the season for the Spartans and also the second F.I.C. game. Tampa Tech also played a game with MacDill Air Force Base at 6 p.m. with the Spartans-Florida Southern game scheduled for 8 p.m.

Vic Thixton

## Diehl Wins Horseshoe Tournament

Diehl of the McKay Hall Dormitory won the University of Tampa Intramural Horseshoe Pitching Contest. Contesting Diehl in the finals was Cullens of the Pi Kappa Phi Fraternity who secured second place for his organization.

A tie for third place featured Dick Messenger of Sigma Phi Epsilon Fraternity and Guerriero of McKay Hall.

A four-way tie for fourth place was awarded to Larry Maier and Dave Vinning of Lykes Hall, Bob Ashmead of Tau Epsilon Phi Fra-

ternity and Kieffer of Sigma Phi Epsilon.

### TOURNAMENT RESULTS

Cullens	PKP	Champion	30
Messenger	SPE	Runner-up	24
Guerriero	MKay	Third	18
Maier	Lykes	Third	15
Vinning	Lykes	Fourth	15
Ashmead	TTP	Fourth	15
Kieffer	SPE	Fourth	10
Alonso	TKE	Fourth	10
Vincent	Ind.		10
Mintz	TC		10
Mohill	Smiley		10
Diehl	MKay		10

## Mat Team Defends Title

The University of Tampa wrestling team has been hard at work for the past two weeks preparing for their opening meets. The Spartans started wrestling in 1962 and have had great success with the sport winning the State Championship three times. Athletic Director Sam Bailey is in charge of the program and Student Coach Len Altramura handles the instruction. Len won the Southeastern Olympic Championship in the heavyweight division last year to add to his many other titles. This year's squad will have eight returning lettermen and 23 freshmen to make it the biggest squad for the Spartans yet.

Fred Conte will return to the 157 class where he won the State AAU title last year. Barry George,

another AAU champ, returns to the 123 class. The outstanding wrestler in the state meet last year,

Steve Lowe, returns to defend his title in the 138 class. Pete Meoli will move up to the heavyweight class this year from the 213 class where he won the Southeastern Olympic tryouts in 1964.

A welcome addition to the team will be freshman Chuck Heindel from Jacksonville. Chuck was another Olympic tryout winner last year. He will be in the 114 class.

"I think this team will have better depth than last year's and we should have a good chance to defend our titles," said Altramura.

Athletic Director Sam Bailey said, "We are real proud of what our wrestling team has accomplished. This is just part of the overall improvement of our athletic program at the University of Tampa."

## T.U. Girls Go Undeclared In Softball League

The girls' varsity softball team won its last two games of the season this week to capture the West Florida Women's Intercollegiate League championship with the first undefeated softball team in the history of the league.

The girls polished off Florida Presbyterian College on November 14 with a 10-5 score and finished the season November 19 with a 20-9 victory over Manatee Junior College. Batteries for both games were Marilyn Bressler and Nancy McCandlish with Bressler allowing only two hits in the FPC game.

Final Spartanette batting averages, which jumped considerably in the Manatee game, show five girls finishing well above the .500 mark. Nancy McCandlish, hard-hitting clean-up batter, took team honors with a .714 league average. Donna Phillips, who holds down the shortstop position and doubles at pitching, finished with .652. Bonnie O'Brien, 3B and playing her last season with the Spartanettes, batted .621. Betsy Madzula, versatile LF and 1B, hit .594, and Karen Rumpf, fleet-footed freshman right fielder, finished with .519.

Judy Alvarez, who played the last three games of the season with a broken thumb, Marilyn Bronstein, a graduating senior and very capable 2B, and Rosalie Coniglio, who traveled the outfield from the CF spot, complete the list of regular starters.

Equally instrumental in the team's successful season are the remainder of the squad, most of whom saw action in every game: Jacque Beltram, C and OF; Cheryl Burford, RF; Candy Drezda, LF; Lenore Gourley, CF; Ericka MacDonald, CF and 3B; and Miriam Pellegrino, OF. Dependable scorekeeper for the squad this season has been Florence Barbour.

### Have A Ball

You can't miss, with a Honda in the family this Christmas. You meet the nicest people on a Honda, and Hondas are more fun than Donner, Blitzen and all the rest of the gang put together. Easy terms, too!
