

FOOTBALL SEATS IMPROVED

of the University of Tampa

STUDENT PUBLICATION OF THE UNIVERSITY OF TAMPA

VOLUME 22

FRIDAY, MARCH 11, 1955

NUMBER 11

As We See It--

ATHLETICS — IMPROVE THE PROGRAM

The University of Tampa needs a well rounded athletic program, geared to the needs of all the students. Sometimes it appears that the program is designed for the city rather than the school.

Football is good. Coach Huerta told us that it pays the entire budget of the athletic department, and then shows a little profit. He showed us figures to prove it. So what happens to the portion of our "activity fee" allotted to athletics in the Spring semester?

We believe that it would be well for the Trustees to allot some money for programs through which more students can participate. Much has been said and written during the last few years about the value to the nation of participation in college athletics. So how can we participate when the program is curtailed?

Basketball was once profitable here. In some schools it even pays for football. Perhaps it could be improved. We had a number of good ball players on the team this year. For the most part they played good ball, but they just couldn't win. They seemed to lack spirit and cohesion. Perhaps if they could have a fulltime coach, and a little support from the administration and the Trustees, they might win again. Maybe?

Baseball has never been promoted here the way it should be. We believe it could be made to pay for itself. Coach Huerta told us that \$1,000 a year would carry a good program. One dollar from each student's fee for athletics would provide almost this amount. Couldn't a couple of tickets be sold for cash with a good team and proper promotion?

What about the lady athletes? They don't have any support for their varsity sports. They pay most of their own expenses. What support they do get comes from the allotment given for all women's physical education; a niggardly sum. It isn't right. And now they aren't to receive regulation letters for varsity participation because, "that would be competing with the men." What's the matter boys—afraid they could beat you on the basketball court?

We need an all around program like the one listed in the catalog. Just for once, wouldn't it be nice to have what we advertise?

Crew is a rich school sport. We are told that it is good publicity to have a crew, and we have a good one. It costs \$1500 a year, to maintain. So why shouldn't some support for it be provided from publicity or public relations funds?

We ask the Trustees—Why can't we have an all around athletic program? If not, why is it in the catalog?

GRADES MUST MEAN SOMETHING

Grades are used to determine the difference between the achievements of individuals. If everyone gets the same grade they have lost their purpose. When a school gets a reputation for loose grading, its grades don't mean much when one of its graduates tries to get into a graduate school.

It is to the advantage of the students to have a valid grading system.

And what if we do lose our accreditation? Then people graduating will not have their credits freely transferable. And an unaccredited institution can't draw many serious students. Its reputation will drop. Prospective employers will not heed its recommendations. These things are especially true of an institution that has been accredited and is then dropped.

The normal grade distribution as given by Dr. Rhodes is 5 per cent "A"s, 20 per cent "B"s, 50 per cent "C"s, 20 per cent "D"s, and 5 per cent "F"s. No professor is required to fail students, however.

Professors are allowed to give 35 per cent "A"s and "B"s. This is a ten per cent margin over the 25 per cent in the normal distribution, which provides a margin allowing for the fact that

(Continued on Page 2)

BEAUTY NEEDS YOUR SUPPORT

The University of Tampa's personal queen of beauty, Miss Ida Felecione, is once more in the limelight as the time draws near for the 28th annual Latin American Fiesta.

Ida, who was recently feted as Miss Tampa, is being sponsored by the University for queen of the Fiesta, which is to take place on March 26th, at the Fort Homer Hesterly Armory. The spectacular and gala event is well worth One Dollar and Fifty Cents admission, and just to add a little more attraction, music for dancing will be presented from 9 o'clock until.

Miss Felecione is meeting some tough competition in the seven other contestants for this honor and she would appreciate all the support we can give her.

The voting will be accomplished by dropping ticket stubs into a box marked with the name of the girl of your choice, and these tickets may be purchased from Ida at any time between now and the 26th.

Let's all support her and show Tampa that College can be beautiful as well as educational.

Do you want to be an editor?? Applications for the editorship of both the Minaret and the Moroccan are being taken by the Senate. Applications must be in before noon of March 28th. They may be left in Dean King's office. The positions are both covered by scholarships.

DRAMA GIVES HIT SHOW

"BARRETT'S of WIMPOLE STREET"

A Review

by Bernard E. Shufelt

"A perfectly tremendous acting job." That was the comment of everyone who saw the Drama Department's second production under the capable direction of Mrs. Frances Allen.

In one of the scenes where Edward Barrett had thrown his daughter Henrietta to the floor and then demanded that she get up, someone in the audience was heard to whisper

(Continued on Page 4)

Accreditation Must Be Kept

Dean Says Grades Are Set Fairly

Dean Rhodes said that, in view of the criticism of the Southern Association of the high grades given by the University of Tampa, he had requested the faculty not to award more than 35 per cent of all grades as A's and B's. He said he was gratified to report that out of the entire regular instructional staff, only 6 members failed to conform to this request.

Dean Rhodes said further that the Southern Association of Colleges and Secondary Schools had sent a committee here to inspect the University while it was still on a probationary status. They told him that our grading system was way out of line with the other schools in the association. Another inspection showing an overly high distribution would likely have caused the University to be dropped by the Association.

Dean Rhodes said that after the 1953 visit of the inspection committee, grades were more in line for a short while. In the Spring semester last year however, grade percentage jumped from 40 per cent "A"s and "B"s to 46 per cent "A"s and "B"s, or a 15 per cent increase.

He said that too many high grades prevented the superior student from showing up well and gave the inferior student grades which he was not entitled to.

The six professors, ranked in order of their excess, are: Prof. Lyman Wiltse, 72.5 per cent; Mrs. Daphne Yvars, 41 per cent; Dr. Fredrick C. Shubart, 40 per cent; Dr. Martin Griffin, 39 per cent; Dr. William Glenn, 36 per cent; and Prof. Clyde Reed, 36 per cent.

Minaret Reports Progress To Student Senate

by Robert W. Martoski

Clint Meadows, senior class president, presided at the March 7th meeting of the senate and along with members present discussed many items that had been tabled at previous meetings.

Bernard Shufelt, editor in chief of the Minaret, gave a report on the first semester activity of the University newspaper. The senate was pleased with the great strides that Shufelt and his staff have made and he received extensive congratulations.

Joyce Newell, junior class representative, made a motion that the senate select both the editor of the Minaret and the Moroccan for the coming year at the first senate meeting in April. The motion was discussed thoroughly and passed unanimously. Bob Swirbul, freshman class president, then moved that all letters of application for editorship be in Dean King's office by 12:30, March 28. Again the senate gave unanimous approval.

George Grant was thoroughly discussed. Bob Swirbul suggested that

(Continued on Page 2)

Athletic Dept. Announces New Seating

Home Side Given

Better seats are to be provided for students at next year's football games according to Coach Marcelino Huerta. Sections H and G on the South side of the stadium are to be reserved for students. This is the "home" side of the field.

During the past season students sat in sections G and H on the North side of the field. Several years ago the student body used this section, but were moved to poorer seats because of lack of interest. Students just didn't attend the games, and these seats could be sold for a better price.

All Students Seats Reserved

Each student will have his seat reserved for him, providing he picks up a seat reservation during the week before the game. During the week before the game each student will be asked to take his activity card to the Athletic Office, and get his ticket. At that time the student will be permitted to purchase a date ticket for the seat next to him for one dollar. The tickets will be sold and issued on a first come, first served basis.

Students who do not pick up their reserved seat tickets during the allotted time will have to sit in the general admission section. His activity card will get him through the gate but not into the reserved seat section.

Seats that have not been reserved by students will be sold to the general public if they wish to purchase reserve seat tickets.

This system is used effectively in many of the larger schools. It allows students who are coming to the game to have the advantage of good seats, while at the same time allowing the athletic department to sell unused seats.

FROSH PLAN "IRISH HOP"

The lobby of the University will be the scene of the first annual "Irish Hop," Friday, March 18, 1955 at 8:00 o'clock.

The Hop is being sponsored by the Freshman class. During intermission the candidates for May King and Queen will be introduced. The May King and Queen will be elected by penny votes. They are being sponsored by all Greek Social Organizations. The coronation will take place at the semi-formal dance at Bartke's Rocky Point on May 7, 1955.

Candidates for Queen are: Rosie Durand, Tau Kappa Epsilon; Barbara Whitley, Sigma Phi Epsilon; Eleanor Ebsary, Sigma Kappa Nu; Alice Ortabella, Tau Omega.

Candidates for king are: Dave Janasik, Alpha Chi Omega; Nick Waytovich, Delta Zeta; Reggie Colvard, Zeta Tau Alpha.

AS WE SEE IT - - -

(Continued from Page 1)

in small classes, the normal distribution curve may not fit exactly. And then too, a professor is permitted to distribute his grades over all his classes.

We think that the grade distribution, as laid down by the Dean, is fair. It is as accurate as any subjective judgement can ever be.

It seems that the many derisive statements made by faculty members in their classes are a disservice to the school. We suggest that they might consider whether they are trying to shift the blame for their grading on to the Dean, instead of assuming the responsibility of their own judgements in an adult fashion.

GIVE THEM A CHANCE

There is no doubt that we have, in the University, boys and girls that are talented, but some of them are not known simply because they probably never had a chance to show their abilities. We have singers, actors, dancers, speakers, etc., that would welcome a chance to become known.

Would it be out of order to suggest to the Administration that they include the performance of one of these talented students in the regular monthly assemblies?

In our opinion it would be great and at the same time would get those students used to performing in public. Another point is that the rest of the student body could enjoy listening to their talented classmates than to some speakers hat we get.

Who knows, but we may have an embryonic singer like Mario Lanza or a trumpet player like Harry James. Who Knows . . .

WHAT - NO ELEVATOR

Yes—we had no elevator service again this past weekend, legal elevator service, that is. What's the matter? We can't all walk up and down stairs you know. If it is going to be this way, the Dean should have his sign taken off the freight elevator so we can ride legally. Forced disregard for one rule causes disrespect for all rules.

SENATE - - -

(Continued from Page 1)

Grant's name be stricken from all committees, that he (Grant) was on. Grant has been absent from six straight meetings. The senior representative, had been very active until recently. Grant was either chairman or on most every committee of the senate. Shirley Keene, junior class secretary, suggested that Grant resign from the Parking Commission because of his inactivity. Clint Meadows said that a resignation would be in order rather than striking his name from the committees. No final decision was reached.

Senate Keys

Meadows then informed the senate that their keys would be paid for out of student senate funds. The key issue was debated at many meetings. The fund was to pay for the original \$4.00 of each key. A problem arose when the members wished a better quality of key. This would cost more, which they would have to pay themselves. When Meadows informed them that the fund would cover full cost of the key, the senate members were pleased.

Revision of the constitution had been talked about many times since the beginning of the school year. Rey Yvars, sophomore class president, informed the senate that Dr. Stuckey, who had helped draw up the original constitution many years ago, has offered to help revise the document.

Greater student representation was the subject of a discussion. Eleanor Ebsary, senior class secretary, suggested that rather than have a large governing body, class meetings could be held to discuss problems of particular classes. Shirley Keene stated that if the senate now organized was functioning properly, there would be no need for more representatives. No definite action was taken by the senate.

Bob Swirbul started a discussion as to changing the qualifications of candidates for student body presi-

dent. Most all the senate members brought forth their thoughts on the subject. It was decided that Connie Felicione, secretary of the Senate, should write letters inquiry to all the colleges and universities in the state. The inquiry would entail questions as to how and when the schools hold their elections and qualifications of candidates, etc.

Student Senate Fund

In the February 28th meeting, with Jim Berfield presiding, one of the longest discussions of the year was held on money allotted the student senate. The senate receives one dollar from each student thru the student activity fee. Berfield said that the fund allotted for the senate during the past few years was not being used to its fullest extent by former senates. He added that the past senates were having a sum of money left over at the end of the year and this automatically goes into the general fund of the University. Berfield stated that at the present time, the senate has a fair amount in the fund. The members discussed how they could spend the money. It was suggested that the policy be changed from having the funds left over at the end of the year automatically deposited in the general fund of the University to having this sum carried over to the next year's senate. Eventually enough money would be accumulated so that "something big" could be purchased for the University, something that the school and students would appreciate. The subject was tabled until a future meeting.

Payne Is Proud Father

Mickey Payne is the proud father of a baby girl born at 3:30 p.m., on Monday, February 28th. The young miss was 20 inches tall and weighed seven pounds and ten ounces. Mickey and his wife Edith named their daughter Joyce Barbara.

Tampa University Appears On T.V.

by Douglas Dee

Our University is well represented throughout the west coast area. Both of Tampa's newspapers employ a goodly number of Tampa students in part-time jobs. On radio station WFLA, we have Al Berry as an announcer-engineer. At WD AE, Don Olsen and Bryan Webb hold forth as full-fledged announcers. Figuratively speaking, Ida Felicione (Miss Tampa, 1955) and Nancy Trousdale (Miss Sarasota, 1955) are excellent examples of the plethora of pulchritudinous pupils (female type) promenading through these portals periodically. Mrs. Allen has given the Drama Dept. the shot-in-the-arm it so obviously needed, thus reaping new glory for the school. In the sports department, the football team garnered most of the eloquent adjectives printed in the press, and justified its existence.

But now, publicity-wise, the University has gotten its biggest break yet. Every Monday afternoon from 3:30 til 3:45, WFLA-TV presents 'The University of Tampa On The Air.' Franklin Moody, Director of Radio at the University, is the host. The first program was televised on February 28th. If you witnessed that dramatic event, you are well aware that the most notable accomplishment of that show was that it

TO THE EDITOR

WHAT'S WRONG WITH TAMPA UNIVERSITY MEN

A poll was taken recently in the lobby. Girls were approached at random and asked just what they thought was wrong with our male population here at our university. Any reference to actual names is purely coincidental.

Jane—Well, my main objection is that they don't ask us poor little girls out enough. The only time I get a date is when there is a big shindig. Darn it . . .

Suzie—It's like this. I get real friendly with a doll in one of my classes and then the next week-end I see him up town with his wife and ten kids. Brother . . . I wish that there was a law to the effect that the married guys have to wear rings.

Lynn—Have you ever taken a good look at them. They dress even scrounger than they did in high school. It is really a crime the way some of them dress. They look like they just got off work (digging ditches of course).

Lynn—Alice may go steady with a doll . . . But he is a crocodile . . .

Lucy—They think that we won't go out unless they have skads of money. How wrong they are. I would be satisfied for a walk around the block with my dream boat.

Sharon—Maybe I am taking a sour-grape attitude but I haven't seen one that I would even go out of my way to say hi to. Perhaps none of them would go out of their way to say hi to me. Ha . . . Ha . . .

Barbara—I can't recall any of them that have any manners. Are the days of chivalry over? We still like to be treated like ladies. I can't think of anything cuter than haven't to open the doors for my boy friend . . . Which I am compelled to do.

That's all for this week sister . . . Perhaps a member of the opposite will answer.

Yours truly,
Janie Wallflower

LITTLE MAN ON CAMPUS

by Dick Bibler

came off at all. That however, is a natural reaction under such conditions. Channel 8 TV is new, The University program is new, and together they are taking those first faltering steps in search of smooth, professional production. A great deal of effort went into that initial presentation. Prof. Moody and several students carried the video portion of the show. Joyce Newell and her assistants worked on the continuity angle. Photographs and slides were donated for the occasion by interested parties with special

thanks going to Mr. Roscoe Frey (Chief Photographer, Tampa Tribune), and Mr. Emmett Mattes (Chief Photographer, WFLA-TV) for their contributions and assistance.

The tentative plan, as outlined by Joyce Newell, is to represent each department of the University on succeeding programs. All phases of campus life will be introduced into the proceedings. The consistent aim of the staff involved is to keep improving the product of all combined labors.

WE WONDER

BY ? ?

Who the girl was that was seen in the men's dormitory one night about two weeks ago?

Who won the game between the Spartanettes and Rollin's?

Why various departments can seldom find out their financial status from business office?

Why students preparing for secondary education have to take 12 hours of a foreign language?

Why Tampa University girls didn't get to go to State College Sports Day at Stetson?

Why one of our male professor's face was slapped by a female student?

Why Political Science professors give topics for lengthy papers that the library has such limited information on?

Why this University can't have more than one day for spring holidays like other universities?

GREEK NEWS . . .

Chose Pledges Sororities To

Who will be the lucky girl? Under the new "quota system" each sorority can only take in 25 per cent of the number of girls who go out for rushing plus the number of girls it takes to make 30 members in the sorority. But, have no fear girls there is still a place for each one of you in sorority life.

According to this system each girl submits a preferential card which may contain up to four choices in the order that she prefers them. The sororities in turn submit a list of the girls they would like to have in the order that they prefer them.

Then Dean King takes each girl's preferential card and compares it to the sorority lists. If the girl's first choice did not bid her then Dean King will look at the girl's second choice, etc.

By now most of you have attended a great many rush parties. Last week all the informal parties were held. There was a shipwreck party, a "heaven and hell" party, a "toy-land" party and a "Spanish Fiesta" party. This week you should all be attending formal rush parties and getting ready to make your choice. Think hard and I'm sure you will make the right decision. But, remember, this is a life-time proposition, so if you're not really sure wait till next semester.

The reason that there is no individual sorority news is that none of the sororities have taken time out to hand any in, so get busy girls if you want to see your sorority news in print.

FIFTY-ONE MEN PICK UP BIDS

SPE Take 19 Pledges

Fifty-one men picked up bids to the five fraternities on campus. Sigma Phi Epsilon took the largest number with nineteen pledges. Rho Nu Delta was second with thirteen, while Sigma Kappa Nu was close behind with twelve. Tau Kappa Epsilon accepted six pledges and Tau Omega had one. They are: Rho Nu Delta— Frank Cacciatore, George Fletcher, Johnny Guagliardo, David Hernandez, Tony Munoz, Robert Perdomo, Paul Proctor, Gonzalo Rodriguez, Donald R. Smith, Paul Tomasino, Walter Wilson, Tony Saladino, and Louis Greco.

Tau Kappa Epsilon — William Banks, Earl E. Cambas, Sam Capitanio, Wayne Merrell, Angelo Perez, and Joe Wilkinson.

Sigma Phi Epsilon — Stanley Coker, Richard Daugherty, William Doran, James Gallogly, Celistino Fernandez, Charles Gooding, Warren Haas, James Kelly, Robert N. Larson, Robert J. Lawson, Robert Maxwell, Loyd E. Pyle, Vincent Petti, Samuel Round, Edward Perez, L. E. Perry, Harold Williams, and Paul Keenan.

Sigma Kappa Nu — Alfred Berry, David Byars, Cecil Cheek, Howard Davis, Robert Martoski, Elmer Nichols, Charles Norman, Frank Scaglione, Eugene Stivender, Marion Wacaser, Richard Wolbert, and Russell Bowman.

Tau Omega — Bob Gambrell.

Tau Kappa Epsilon Plans Beach Party

With Spring holidays just around the corner, the Tekes are busily making preparations for the beach parties. A clean, modern cottage on Indian Rocks Beach has been rented to provide members with living quarters during the splash parties. The cottage contains five rooms, a modern electric kitchen, tile bath, an air cooling system, and is only a short distance from the shore.

Sigma Kappa Nu To Adopt Twelve Daughters, March 21

The Sigma Kappa Nu fraternity of the University of Tampa will honor 12 coeds of the University early Monday morning, March 21. The girls honored will be adopted daughters of the fraternity.

The tradition was originated at the University of Tampa in 1939 by the Sigma Kappa Nu fraternity. While the first day of spring is still very young, fraternity brothers will

visit the girl's residence and present them with a baby bootie filled with spring flowers suspended from silver and black ribbon, the fraternity colors. Acceptance is signified by wearing the bootie around her neck during classes that morning.

Formal "adoption certificates" will be presented to the girls at a banquet.

College smokers know why
WINSTON
changed America's mind
about filter cigarettes!

WINSTON brings flavor back to filter smoking!

■ It didn't take long for word to get around campus! Winston's got *real flavor*—the full, rich, tobacco flavor you want. No wonder so many college men and women are getting together on Winston!

Along with finer flavor, Winston also brings you a finer filter. The exclusive Winston filter works so effectively, yet lets the flavor come right through to you. Easy-drawing—that's Winston!

Smoke WINSTON the easy-drawing filter cigarette!

SPE MOVES IN

The Florida Zeta Chapter of Sigma Phi Epsilon National Fraternity has moved into its own Frat House. Located at 108 Crescent Place, overlooking the tennis courts, the spacious home will house the members and new pledges.

The incorporated alumni association, led by Pres. "Bunny" Mick, made arrangements for the acquisition of the dwelling. Mrs. Louis Oppenheimer will act as house mother for the men.

Other alumni of Sig Ep who were influential in the planning and eventual achievement of this goal are Frank Robinson, Vince Thornton, William Antonini, and Harry Seely. The entire alumni organization, 100 strong, are backing the move by the chapter 100 per cent.

John Hollon has been selected as house manager, and he will work with Harry Seely in connection with the serving of meals which should begin next week. An employed cook will prepare and serve the meals.

Active members waiting the arrival of the new pledges in the home are Bill Sams, Walt Minihan, John Hollon, Joe Thury, Jim Coufall, Vince Berastigue, Art Blau, Lee Pontenburg, Marvin Scott, Stan Crocker, and Bryan Webb.

This marks another milestone in the progress of Tampa University's Greek Letter organizations!

Open house for alumni and friends, faculty and administration, and students will be held some time in the near future.

The Steps We Take

by W. Bruce Banks

This is the time of year for big steps; that is taking into consideration the importance of choosing the correct fraternity or sorority. The rushing for frats is all over now, and only time will tell if the steps taken were the right ones, however, there is one thing sure. If pledges were chosen on their capacity for beer, there are a few who had absolutely no worries.

I hear one of those nurses who are so numerous on our campus now, says that girls should be more aggressive; she must be the one who ran over me on the way to the Government Bldg. yesterday.

Then the little man on the campus tells me he doesn't like the new bloomer styles that the girls are yearning; says he can't see anything but ruffles. I asked him what was wrong with ruffles, but he just gave me a nasty look.

Truly it's hard to write a campus column for T. U. It seems that everything that goes on here is either illegal, immoral, or fattening,

and if there's anything that isn't, it's only because they haven't gotten around to making a rule against it yet.

FUTURE TEACHERS PLAN MEETING

Bob Brenner and Shirley Gooding attended an Executive Council meeting of the Florida Association of Future Teachers of America, at Lakeland on Feb. 26th. Plans were made for the annual convention to be held at Tampa on March 17th, 18th, and 19th. This meeting will undoubtedly be of great interest and importance. All members of Tampa University's F.T.A. organization are urged to attend the convention. There will be interesting speakers and discussion groups along with fine social entertainment. All future teachers will find this convention of invaluable aid to them in learning more about their chosen profession. Remember the dates — March 17th, 18th, and 19th.

REVIEW - - -

(Continued from Page 1)

per, "If it were me, I'd be doggoned if I would." B. J. Brown, as Edward Barrett, provided such a realistic portrayal of the mean and tyrannical father that one wanted to boo him.

It is hard to choose a top female performer. They were all excellent, but it seems as if Diane Bidwell as Wilson, the maid did an exceptional job. Her British accent was the best in the show. Then Sally Lou Correl, as Henrietta, proved a spirited and unhappy younger sister.

Doris Ann Duval did a good job with the part of Elizabeth Barrett, but she seemed not to fit the part exactly. Her normal expression is a bit to petulant for our concept of the gentle Elizabeth who wrote, "How do I love thee? Let me count the ways. I love thee to the depth and breadth and height, My soul can reach when feeling out of sight, For the ends of being and ideal grace."

Vincent Petti portrayed the handsome and gentle Robert Browning

very convincingly. Nicio Vega did a stuttering good job with the part of Octavius. Charles Nundy's whiskers were the mark of the Victorian playboy in the role of Henry Bevan. They were real too.

The same adjectives could be used to describe the rest of the cast. They were: Jack Gonzolez as Dr. Chambers; Barbara Harding as Arabet; Charles Hampton as Septimus; Bryan Webb as Alfred; Lamar Holt as Charles; Vince Tata as Henry; James Friedman as George; Patricia Maddox as Bella; William Viera, Jr. as Dr. Ford Waterlow; and Robert Newman as Capt. Surtees Cook. They were all good actors.

We didn't know there was so much talent in the school. And there may be more, because Mrs. Allen is an expert at developing it.

by Charles Archibald

SPARTAN CREWMEN SHOWED STRENGTH at Lakeland last Friday in rowing the 9/10-mile Founder's Day Regatta race in the rapid time of 4:25.2 . . . Finishing second behind a strong Rollins shell, our boys pulled away from the Florida Southern crew near the finish . . . the stretch drive is always one of the major factors in a race and the Spartans showed they can pull away . . . the crewmen will have two chances to avenge this defeat by Rollins on Saturday, April 25 and in the State Championship Regatta at Winter Park—The April 25 date brings Rollins and the Spartans together here in Tampa—next crew race will be on Monday, March 28 here on the Hillsborough River against AMHERST—for an ideal spot to watch the finish, drive over near the Municipal Hospital near the channel—Let's get out and root our SPARTAN Crewmen on to victory . . .

JVs GAINED EXPERIENCE although losing to the Moccasins of Florida Southern by three lengths . . . Spartan JV time was 4:52.6 for the course . . .

REMAINING HOME SCHEDULE includes AMHERST, Monday, March 28; AMERICAN INTERNATIONAL, Tuesday, April 5; FLORIDA SOUTHERN, Saturday, April 16; ROLLINS, Saturday, April 23.

SPARTAN POST-SEASON BASKETBALL game held at the Hillsborough Gym had our 1955-56 Spartan cagers showing up well in defeating the Alumni 53 to 48 . . . Wiley Cairns tallied 15 points, Chuck Smith, and Howie Bernstein scored 10 points each while Avron Bryan, former Spartan cager, dropped in 20 points for the Alumni . . .

SPARTAN CAGERS ENDED the season in fifth place tied with Florida Southern in the new Florida Inter-Collegiate Basketball Conference with 2 wins and 8 defeats . . . the Florida State Seminoles ended undefeated in the Conference with a 10-0 record to take the winner's laurels . . .

SCHOLARSHIP DAY FOR TAMPA UNIVERSITY has been changed at Sunshine Park to March 15 (closing day) thus enabling the University to reap more profits from the track . . . because of a conflict with the Grapefruit Baseball League opening day on March 10 the date was changed, Frank Hobbs, General Manager of the track announced . . . Hats off to the three great sponsors of Scholarship Days; Tampa Greyhound Track, Jai-Alai and Sunshine Park . . . congratulations go along to all the other donors of the Scholarship Fund!

WITH THE DROPPING OF OTHER SPRING SPORTS we should give our whole-hearted backing to our Crew Team as they engage in some strong races throughout the next 10 weeks . . . there is no charge for watching the shells skim through the Hillsborough River so let's give all the support we can to the SPARTAN Crew . . .

INTRAMURAL SOFTBALL PLAY starts March 15 (Tuesday) and the league should be a tight race this year with about five teams of fairly equal strength among the teams entered . . . foul shooting is now underway . . . as this issue goes to press, the TOs and SKNs are battling in the finals of the Intramural Volleyball League . . . Fencing, Skish, and Tennis are coming right up in intramural play . . . DO NOT FORGET TO SUPPORT OUR SPARTANS on Monday, March 28 against Amherst on the Hillsborough River!

Tampa Finishes 2nd In Founders Day Regatta

Rollins swept to a two-length victory over Tampa and Florida Southern College in the annual Founders' Day Regatta on Lake Hollingsworth this past weekend at Lakeland.

Rollins time for the 9/10-mile race was 4:19.2. Tampa, second, turned in a time of 4:25.2 and Southern, winner last year, finished third in 4:27.4.

The Rollins crew started off at a high stroke and went into the lead immediately. Tampa and Southern

battled it out for second place with Tampa pulling in front near the finish.

Southern won the junior varsity race, beating Tampa by almost three lengths. Southern's time was 4:41.2 and Tampa 4:52.6.

The lineups (varsity):

Tampa—Stroke, Herb Vater, No. 7, Ronnie Pinner, No. 6, Frank Schabert, No. 5, Charley Meyer, No. 4, Bob Philon, No. 3, Larry Mason, No. 2, Johnny Alfano, bow, Dale Nabors, coxswain, Jerry Coyle.

WOMEN'S SPORTS

PROPOSED W.A.A. CONSTITUTION AMENDMENT

Under the present point system of Women's Athletic Association, individual sports have the same value as team sports in the point total for organization champion. The W.A.A. executive board feels that this system is unfair and has proposed the following amendment to the W.A.A. constitution. W.A.A. members may vote on proposed amendment in Mrs. Yvars' office Friday, March 11 until 1:00 P.M.

Amendment to the W.A.A.

Constitution

Section 1. Points shall be awarded for individual participation in all intramural activities.

Section 2. Points shall be awarded to groups for participation.

Group Points

MAJOR SPORTS: volleyball, softball, basketball

1st place60 points
2nd place45 points
3rd place35 points

MINOR SPORTS: bowling, swimming, track

1st place45 points
2nd place35 points
3rd place28 points

INDIVIDUAL SPORTS: table tennis, golf, badminton, tennis, paddle tennis, and horseshoes

1st place35 points
2nd place25 points
3rd place18 points

Individual Points

For each game played . . . 5 points

For winning tournament 10 points

For 2nd place7 points

For 3rd place5 points

Services

For attending W.A.A.

meetings1 point

President of W.A.A. . . . 25 points

Vice President15 points

Secretary and Treasurer .10 points

Sports Manager15 points

Intramural Director . . . 25 points

Referee3 points

Scoring and timing . . . 1 point

PADDLE TENNIS INTRAMURALS

The results of the first week of women's paddle tennis tournament are as follows:

Shirley Tucker defeated Virginia Spadye.

Eleanor Ebsary defeated Carmen Wright (forfeit).

Martha Menendez defeated Doris Cothorn.

Shirley Keene defeated Rosie Durand (forfeit).

Nanette Nivens defeated Janet Addison (forfeit).

Joan Strauman defeated Faye Townsend (forfeit).

Diane Kusmmore defeated Mable Galbreth.

Shirlee Corliss defeated Barbara Whitley.

Penny Hancock defeated Nancy Persbacher (forfeit).

Flo Benitz defeated Diane Achenbach (forfeit).

Jean Whyte vs. Micki Bailey (double forfeit).

The next sport on the women's intramural program is horseshoes which will begin March 24. Names of entries must be in to Bobbie Robles not later than March 16. Check bulletin board for schedule of games. Defending champion is Shirley Keene.

Women's Basketball

(thru March 8)

Men's Intramurals

Ace Club Wins Basketball

SMITH LEADS

WITH 99 POINTS

by Charles Archibald

Wrestling Finals — Winners of the Intramural Wrestling matches included Nick Waytovich (TO), heavyweight; Bill Bosworth (SKN) light - heavyweight; Philip Leto (RND), middleweight; Mickey Payne (SPE), welterweight; Bob Ashburn (ACE), lightweight.

In Intramural Volleyball, the TOs and SKNs are battling for the championship. These two same teams were in the finals in 1954 with the TOs annexing the matches.

Basketball Champion for this current school year is the Ace Club, which went undefeated during the season and boasted of some ace players such as Chuck Smith, Ken Nuznoff, Bill Nuznoff, Mike Skaroulis, Joe Onderko and Manager Art Savoie.

Basketball Finals

Organization	W	L	Pct.	P	O.P.
