**Welcome To The University  
Of Tampa!!!**

university of tampa

TAMPA, FLORIDA 33606  
PHONE: 813 / 253-8861

Dear Student,

On behalf of everyone at the University of Tampa, I'd like to extend to you a warm welcome. The purpose of the The New Student Record is to help you become better acquainted with the University and your fellow classmates. Being a new student at the University, it is not uncommon to feel lost and confused. We will do our best to make you feel at home, and if you have any questions or problems don't hesitate to ask for help. After all we were once new students too!

Possibly the most important thing that you will learn at the University is involvement. Involvement in your studies, in student activities, in the community life, in organizations, and with everyone you will meet. The school can only offer it to you, it is up to you to go out and take advantage of it.

We feel that the University is not only unique in its' looks, but in its' total atmosphere. Again I'd like to welcome you to this atmosphere and wish you a most successful and fulfilling stay at the University.

Sincerely,

*Cindy Sharp*

Cindy Sharp  
Chairman of Orientation

# Academic Life

A typical classroom atmosphere

Studying is sometimes required

Intense concentration

Pointing  
toward the answer,  
Pulling  
for the future —  
Molding  
the life that we call our own.

with different  
interests and  
desires, we all have  
one thing in  
common . . . to  
better ourselves.

Parents Weekend

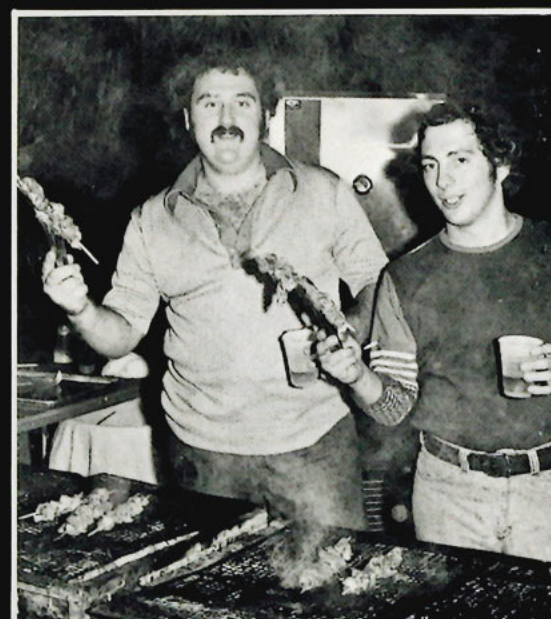

S.G.A. elections in Plant Halls lobby

Plant Park, a nice place to be alone

The thing that goes  
the farthest  
Toward making life  
worthwhile,  
That costs the least  
and does the most  
Is just a pleasant  
smile.

President of S.G.A. (at right) enjoys a cook-out

Learning isn't just  
restricted to the  
classrooms, but is  
found while  
interacting with  
people.
