The Kingston Trio

Kingston Trio Coming To Curtis Hixon Nov. 7

At a meeting with Mr. Sid Morse, Jr., Director of Curtis Hixon Convention Center, it was agreed to engage the Kingston Trio for a performance at the Convention Center on November 7, 1965.

On the recommendation of Mr. Morse and Mr. Manley, it was decided to price the house at \$2.00, \$1.50 and \$1.00. A capacity house at these prices will bring in \$8,040. At a 60% house it will bring in \$4,824.

With the Trio at \$2,500; Curtis Hixon rental at \$900; taxes at approximately \$505; insurance, head usher, head ticket takers and the like, we can expect an approximate expense of \$4,100. This would include approximately \$500 for advertising and \$500 for taxes which, both Federal and State, would be included in the prices above.

The University is expected to furnish the ushers as well as door guards.

Mr. Morse will arrange to contract for the tickets immediately. If they can be put on a reserve basis, he will order them accordingly. If not, they will be simply by color and section. They will also put our tickets in their four distribution locations, such as Belk Lindsey and the like in town. Both believed that distributing the tickets to the High Schools would be a good idea.

We have now committed ourselves to the performance on November 7, at Curtis Hixon Center, at 8 p.m., with a \$2,500 guarantee versus 60%, whichever is greater, and the minimum house scaling of \$8,040.

Economic's Majors Publish Booklet

Under the direction of Charles L. Hyde, assistant professor of economics and business, a group of senior economics students at the University of Tampa has compiled and had published a booklet titled "Some Aspects of Growth and Development."

Professor Hyde said this was a voluntary project and the result of the economic students' senior thesis papers in the class "Economic Development and Growth." There were 14 contributors with Dennis Schill, president of the economics honorary, as editor.

Papers by students appearing in the booklet include such topics as "Population: Some Social and Cultural Aspects," "Government Objectives for Growth and Development."

1965, T.U. Homecoming Plans Announced By Captain Hance

Plans for the University of Tampa's 1965 Homecoming celebration Nov. 18-20 have been announced by Capt. Kenneth P. Hance, USN (ret.), director of alumni relations and Homecoming coordinator.

Main event of the three-day activities will be the Saturday afternoon football game between the Spartans and the Northern Michigan University Wildcats. Kick-off time will be 2:30 p.m. at Phillips Field.

Thursday at 9 p.m. there will be a street dance on the East Side of the main building.

There will be judging of lawn displays on Nov. 19, with trophies to be awarded to the organizations sponsoring the top three. Throughout the week preceding Homecoming, student organizations will be busy setting up lawn displays on the campus and at the fraternity houses.

Friday's events will be sparked by a giant pep rally at 7 p.m. on the Student Center lawn by

the river. Climaxing the evening will be the coronation of the 1965 Homecoming Queen in the University's Falk Theater. Fraternities, sororities and other campus organizations sponsor Homecoming queen candidates. A Skit Night program will follow the coronation.

Saturday's activities will include the annual industrial arts breakfast in the Student Center with alumni as guests, the Alumni Association business

meeting and luncheon at Curtis Hixon Convention Center, elaborate half-time activities at the game featuring the University of Tampa band under the direction of Dr. Noel Stevens, and presentation of the lawn display trophies by the Homecoming Queen.

Saturday night there will be fraternity open houses, as well as the annual student-alumni dance beginning at 9 p.m. at Fort Hesterly Armory.

New Queen To Be Chosen

HOMECOMING QUEEN

For several University of Tampa co-eds, Oct. 29, 1965 was a night to remember, for at 7:30 in the International Room of the Student Center a Queen of Tampa's "Diamond Jubilee" was selected.

To be Homecoming Queen at the University of Tampa a girl must possess a great many qualities. She must take an active

part in a variety of activities as well as maintaining a high scholastic average. Poise, beauty, and personality are also considered.

The actual selection of the Queen is based on a point system. Each contestant must model in school attire, sports attire, and in an evening gown. The maximum point rating in this phase is 50. General poise and personality offer an additional 30 points. These, along with the number of points earned through activities and academic achievement, make up the entire point system.

The decision was a difficult one for the judges, who are all members of the University's faculty. Those competing for the

ATTENTION ALL SENIORS

The Guidance and Placement Office announces that all graduating seniors (either in February, June or August) should report to Room 279A to pick up their registration material for their Placement file. This Placement file will be available to recruiters and educational institutions upon the student's request. It also will be available years after graduation. Remember, the place to report to is Room 279A, Guidance and Placement.

SGA IN REVIEW

by Howard Hossman

At the last meeting of the S. G. A. the problem of student dress and conduct was discussed. Dean DeCarlo denounced the conduct of some of the students. He felt that any student or group which conducts itself foolishly by displaying gross conduct should be asked to leave the University. He also mentioned that it is not only the suspension which will affect the student—the draft may desire these “fall-outs.”

I suppose this will minimize the undesirables in the community.

Another event of paramount importance was the Mississippi football game and the trip in the bus. It seems a bus load of students appropriated some goods from rooms 24 and 25 at the Hartness House. The goods taken in a surreptitious manner amounted to two of Mr. Hartness' fine blankets.

At the Mississippi game several lads appeared slovenly and were criticized for their dress. This short comment was received by mail from the Mississippi State University, “Some members of the University of Tampa were dressed in T-shirts, striped burmuda shorts, and were not wearing socks, which made them appear inappropriately dressed when compared to the students here.” I sympathize!

Fall Rush Period Closes; Pledges To Be Announced

Fraternity Rush ended Thursday, Oct. 28, with the signing of the preference sheets in the Dean of Men's office. The sororities ended their open rush period when the women picked up their bids on Tuesday, Oct. 12.

Rush registration for men was held on Sept. 29, and Sept. 30, immediately followed by the open rush period which lasted until the first of the formal fraternity parties. The parties continued through Tuesday of this week.

The new sorority rushees are as follows: Alpha Chi Omega, Patricia Collins, Kathleen Faraghan, Carol Hutchinson, Betty Ippolito, Joyce LoCicero, Rosalie Pendino, Barbara Sheffield; Zeta Tau Alpha, Beryl Etzel, Frances Foran, Jamie Stone, Donna Zende-gui; Delta, Monique Croulx Oleta Hollingsworth, Patricia Rednor; and Delta Phi Epsilon, Barbara Halpern, and Debra

Shenkman.

The next formal rush period for both men and women will be held near the beginning of the spring semester. To be considered eligible, a student must have completed twelve hours at the University with a “C” average. Women transfer students who have transferred an overall “c” average to this school are eligible without completing the required twelve hours. A student on social probation is not considered eligible as a rushee until the probation period has been fully completed.

All rules for fraternity rush are made by the Infraternity Council and coordinated with the Dean of Men. Sorority rush rules are made and governed by the Pan Hellenic Council and coordinated with the Dean of Women.

Organization News

ZETA TAU ALPHA

The Zeta sisterhood is proud to have initiated Fran Foran, Beryl Edzel, Jamie Stone and Donna Zende-gui as the fall pledges of 1965.

Zeta held its annual Script Dance after the victory over South West Louisiana Saturday, Oct. 16. A good time was had by all students who attended.

Congratulations are in order for sisters Gail Fischer and Hope Harbison for their successful participation in the Moroccan Queen Contest. Gail placed as Lady-in-Waiting and Hope tied down the First Maid position.

Representing Zeta in the Homecoming Queen Contest will be sister Mickey Hunt. Sister Gail Fischer is the Pi Kappa Phi nomination.

We would like to congratulate the other sisterhoods on campus on their fall pledges.

PI KAPPA PHI

The Pi Kapps continue to excel in Intramurals, with three Brothers in the finals in the fast-moving Horseshoe event. In the football season opener the Brothers ran over the hard fighting Theta Chis 13-0. Viet and Pizzano went over for the touchdowns.

The Pi Kapp Rush Party was considered a big success and a good time was had by all.

We would like to congratulate

No material submitted later than 3 p.m. on the deadline day will be printed.

All material submitted for publication must be typed, double spaced, on one side of the paper only. The name of the person or organization submitting the information should be placed in the upper left hand corner of the page accompanied by the address and/or telephone number of the person or organization. The editorial staff makes no guarantee that submitted material will be used.

all the Sororities on their new pledge classes.

Again sports fans “Beware the Mighty Pi Kapp Foo-Bird.” Is still flying high.

ALPHA CHI OMEGA October 8 was a great day for Alpha Chi Omega — Adrienne Menendez was crowned Moroccan Queen and Suzanne Monaco was third maid in her court.

Alpha Chi Omega is very proud to announce its seven new pledges: Patricia Collins, Kathleen Faraghan, Carol Hutchinson, Betty Ippolito, Rosalie Pendino, Joyce LoCicero, and Barbara Sheffield.

Three of our sisters will be participating in the Homecoming Queen Contest and we would like to take this opportunity to wish Cherri Ellis (sponsored by Theta Chi), Terri Melendi (sponsored by Alpha Chi Omega), and Suzanne Monaco (sponsored by Tau Kappa Epsilon) the best of luck. Special thanks go to Theta Chi and Tau Kappa Epsilon for sponsoring our sisters.

Founder's Day was observed with a buffet dinner given by the Alpha Chi Alums. The new pledges provided the entertainment by presenting an impromptu skit.

We hope that everyone enjoyed the lasagne picnic at Lowry Park last Sunday. We appreciate all the help given to us by the mothers of our sisters.

DELTA SORORITY

Delta Sorority proudly announces its new fall pledges: Monique Groulx and Oleta Hollingsworth. Congratulations are also extended to our newest actives: Ruth White, Lucille Lo Presto, Toni Favata, and Carole Endsley.

The sisters of Delta Sorority have just combined fun and service by performing for the children of MacDonald Training Center at their Annual Day of Fun. Girls performing in the Beatle-ette Act were: Rosalie Aprile, Sandy Seed, Marilee Duren and Rosie Coniglio. This is just one of their many service projects

during the year.

To all the Spartan Football players, we would like to extend our congratulations on their previous victories. GO GET 'UM BIG SPARTANS!

SIG EP NEWS

Michael Lavin's Purple Raiders are undefeated in intramural flag football competition. They have been paced by “Stewball” Whitbeck, “Sleepy” Gumaer, and “Jinks” Deeds; however, someone forgot to tell Brother Gary Cagiano that his green sneakers would not go with his purple jersey. The Sig Eps have shown good teamwork and have attracted large crowds to their games.

It seems that the cocktail parties prior to the Varsity football games on Saturday nights have been keeping the Brothers in good cheer during the games.

A party at the Pi Kappa Delta Hall on October 15th was a great success and social chairman Fred Conte has another lined up for November 6th.

T U PLAYERS

FALK THEATRE

Proudly the Tampa U. Players open this season with an amusing farce by John Cecil Holm and George Abbott, *Three Men on a Horse*. The play will run Thursday, Friday, and Saturday, November 4, 5, and 6. All performances are at Falk Theatre. Tickets may be obtained with either a student I.D. or by paying \$1.50.

SOCIOLOGY CLUB

The Sociology Club wants to welcome back all the continuing students as well as the new Freshmen.

Our officers this year are Sandy Seed—President, Gary Garbis—Vice-President, Diane Harder—Treasurer, Judy Spencer—Secretary, and Professor Fisher—adviser. The last meeting was highlighted by discussion about our projects for the coming year—MacDonald Training Center, The Old Peoples Home, and The Childrens Home. Members of the Sociology Club are planning to give generously of their time and effort to help the people of these institutions help themselves.

Anyone interested in sociology who would like to join us should watch for notices about our next meeting. We would love to have you.

Arnold and Mack Win

Freshman Class Chooses New President & Vice President

The Offices of President and Vice-President of the Freshman Class were filled last Thursday afternoon, October 21. Jim Arnold was elected President of the Freshman Class, and Peter Mack

was elected its Vice-President.

When the newly elected President, Jimmy Arnold, was asked to comment on his victory, he replied: "I thank the members of the Freshman Class for the

confidence they had in me and hope that they will continue to support me and help to work for a stronger and more united Class of '69."

Pete Mack, now Vice-President,

also made known his appreciation in his statement, "I appreciate the support Jimmy Arnold and I received, and I will continue to support the Class with as much vigor as I put into campaigning for it. I would like to thank everyone who voted for me and I will do my best to uphold this high office."

Wednesday morning and afternoon (9 A.M. to 6 P.M.) provided the Freshman Class elimi-

nations for the two offices, and Thursday, Oct. 21 (9 A.M. to 3 P.M.) there was a run-off.

The run-offs showed there was a narrow victory for President Jim Arnold. Tom Chambers, losing by only 7 votes (101 to 95) proved himself to be a strong candidate for the high office. The other candidate for Vice-President was Terry Brown, who also lost by a small minority.

Minaret Prepares To Reach For The Sky By Moving To Its New Fifth Floor Office

by Charles Lawson

The first of November may find the Minaret staff in their new offices on the fifth floor. The new quarters are now undergoing remodeling under the direction of Mike Hildreth. This will include painting, paneling, addition of new doors and equipment, and eventual air-conditioning.

Plans for the move were initiated because of the bad conditions under which the Minaret staff must labor in its present offices. The basement location is plagued by frequent floods, stifling heat, and lack of ventilation. For two years conditions have been getting worse and the quality of the

University newspaper has suffered accordingly. Present hazards became so bad that early last spring they were called to the attention of University President Dr. Delo who made a personal inspection. The Publications Committee, headed by Colonel Hutchins, also made an inspection and not long after, Mr. Hildreth suggested new quarters be arranged on the fifth floor.

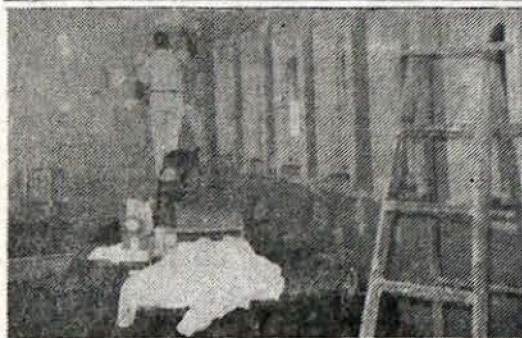

The new offices will be cleaner and more conducive to work. Numerous windows provide good lighting and proper cross ventilation.

Mr. Sliz, Vice President for

Business Affairs, has also encouraged renovation of the new quarters. In the future he hopes to establish a place on the third floor for the Minaret as well as the Moroccan. The third and fourth floor will be evacuated with the completion of new campus dormitories, thus leaving room for new offices and classrooms. These plans should be realized by next fall. In the meantime Mr. Sliz assures us that "the administration has strong interest in Minaret development. The school paper is an essential medium and we hope the students will support it to the greatest extent possible."

Hildreth Leaves Tampa U. To Take Job As Executive Housekeeper At St. Joseph's

by Russel Foster

Mr. Michael K. Hildreth, our esteemed Superintendent of Custodial Services, has left us for greener pastures! "Mike" as he was known to the staff and many of the students, joined T.U.'s maintenance team back in '59 as foreman of the painting crew, and was chosen to organize and head his department in 1961 with 15 employees—which has doubled since then, keeping pace with the University's expansion.

Michael Hildreth

The new St. Joseph's 475 bed hospital will gain Mike's services. He was selected for the position of Executive Housekeeper

er from among a large group of applicants and will supervise 125 employees. Mr. Fred O'Brien, formerly a carpenter in the Maintenance Department, was appointed to take Mike's position.

A native Tampan, Mike spent most of his teenage years under water with the Navy's Submarine Service and took part in many of the naval campaigns in the Pacific during WW II. Oddly enough, his most hair-raising experience didn't occur in the deep blue, but in port when his sub was ordered to get the Philippine Government's gold reserves out of Manila during the time that General MacArthur was evacuating that area. It seems that the Japanese objected rather strenuously to this sort of thing, and the entire operation had to be carried out under an angry hail of lead.

Mike started his civilian career in construction and maintenance in California after the war, then came home to ply his painting trade in the local area.

3-2-1 Spartans Seek Fourth Win

The SPARTANS dropped a hard-fought battle to Delta State Saturday night 33-32. This gave Tampa a record of 3 wins, 2 losses and 1 tie for the season.

Sophomore quarterback Ed Nizwantowski and end Gary Rapp were chosen as the outstanding back and linemen in the game for Tampa.

Picture This In A New Stadium!

Six Coed Teams Competing In Volleyball Tournament

"All work and no play makes a dull boy." With this thought in mind, the physical education department has begun an extensive intramural program which includes male, female, and co-ed participants in a variety of activities. Those teams displaying the greatest ability will receive awards at the Physical Education Banquet.

Great enthusiasm has been displayed for the co-ed volleyball tournament now underway Mondays and Wednesdays at 3:00. The teams participating include three sororities: Zeta Tau Alpha, Delta, and Alpha Chi Omega; and three independent teams. This is a double elimination tournament in which a team must be defeated two out of three times.

This Saturday night Jacksonville comes to town and the Spartans have a score to settle with the Gamecocks. They beat the SPARTANS in the season opener last year 10-8 and Tampa will be looking for revenge. Jacksonville is having one of its best seasons in years and currently has a record of 4 wins and 1 loss. They dropped their first game of the season to Chattanooga and then defeated Howard, Troy, S. E. Missouri and Mississippi College in that order. They will run from a Pro-Style offense that has a split end and a flankerback split out. The Gamecocks like to throw the ball and the game could shape up into a real aerial battle.

Nizwantowski is leading the team in rushing with an average of 5.2 yards per carry. He also leads the team in passing with 39 completions for 73 attempts, good for 592 yards and

5 touchdowns. John Perry, Captain of the SPARTANS, leads the squad in pass receiving. He has caught 30 passes for 331 yards and 4 touchdowns. John also is the leading scorer with 30 points.

The SPARTANS defensive unit have intercepted 7 passes this year. Alternate Captain Dan Sikes and Pat Gispert have 2 each to their credit, while Mike Davis, Vernon Korhn, and George Wright have one each. Defensive tackles Armando Flores and Charles Fours have been outstanding in every game for the SPARTANS, as have defensive ends George Wright and Hank Dixon. Freshmen Ron Brown and Joe Flarity have done excellent jobs for first-year men. Brown has been playing nose-man and Flarity at linebacker.

Attendance for the first three home games this year has averaged around 8,000 fans and the SPARTANS have thrilled them in

every game. The home opener was against North Texas State and they fell to Tampa 17-11. Next came Southwestern Louisiana who had slapped down Tampa last season 37-6. This time the SPARTANS came out on top in another thriller winning 7-6.
