State Student Home Economics Club Names Ruth McCain President

(Picture on Page 4)

The Ellen H. Richards Home Economics club was hostess to the Florida State Student Home Economics clubs at its fifth annual meeting at the University last week-end.

Four hundred home economics students from all sections of Florida attended the business meetings, elected officers, then toured the Florida State fair.

Early morning sessions were devoted to greetings and routine business, followed at noon by a Spanish luncheon at the Columbia restaurant carried out in a Gasparilla theme.

Miss McCain Elected

After special high school and college meetings in the afternoon, Miss Ruth McCain, of Florida State College for Women, was named president of the Florida Home Economics clubs, succeeding Miss Sarah Morgan of the University of Tampa. Tallahassee was selected for the 1942 convention.

Miss Mary Lefler, of the University of Tampa, was elected third vice president and Miss Mary Sears is chairman of the program of work committee.

Special speakers included Dr. James E. Mooney, Dr. Minna C. Denton and Miss Helen Everett, state chairman of Home Economics clubs.

The 1941 joint convention of the Florida Intercollegiate Press Association and the Florida Student Government Association will be held in Miami March 21 and 22, with the University of Miami as host, it was decided at the officers' meeting held at Stetson University last week-end.

The officers' meeting, at which Miss Lucie Lee Marsh, state president of the F. I. P. A., represented the University of Tampa, was held to make plans for the annual convention and to discuss problems which confront college student governing bodies and student publications.

Florida colleges belonging to the group are Florida Southern, Stetson, University of Florida, F. S. C. W., University of Miami, University of Tampa, St. Petersburg Junior college and Rollins. Other junior colleges in the state will be invited to join.

University Variety Radio Show Series To Be Presented

Work has begun on the University variety radio show series to be presented over WFLA, the first of which is tentatively set for the evening of Feb. 25.

A number of original dramatic skits already have been submitted; preliminary auditions have been held and rehearsals will begin immediately, according to Bill Whealton, director.

All types of student talent will be encouraged. Those interested in participating in any capacity are urged see Whealton, Ross Aguirre or Allan Young, or sign the announcement on the bulletin board at once.

Mimi recounts the conversation in a hat shoppe when the saleslady cooed, "But, madam, this is the smartest hat in the place." And the customer quipped, "Yes, I know, but I want a change. That is my hat."

Stalwart Spartans Hit The Line Again In Spring Practice

Pianist Will Give Recital

Miss Haverstick To Present Program In Ballroom Tuesday

Miss Mary Vaverstick, Juillard instructor of music at the University, will give her second piano recital in the ballroom Tuesday night at 8:15 o'clock.

Miss Haverstick displayed masterful musicianship in a former recital, which attracted warm praise.

She came to Tampa U. from the Juillard school in New York, as a representative of that school, after having taught there for several years.

Her earlier background includes some years of study at Juillard, work with Albert Spaulding, the violinist, the coaching of chamber music with Felix Salmond, the cellist, and several summers at the Southern Mountain Music Colony, where she studied with some of America's leading musicians.

Tuesday night's program will be as follows:

Three choral preludes, "Wir glauben All' einen Gott, Schopfer" (Bach-Tausig); "Jesu, Joy of Man's Desiring" (Bach-Hess); "O Lamm Gottes, unschuldig" (Bach-Tausig).

"Sonata, Opus 110," moderato, cantabile molto espressivo; allegro molto; adagio ma non troppo; arioso entente; fuge (Beethoven).

Intermission.
"Polonaise, Fantasy, Opus 61" (Chopin); "Prelude, Opus 32, No. 12," "Prelude, Opus 23, No. 6," "Prelude, Opus 23, No. 2," Rachmaninoff.

"Grand Etude No. 6," theme with variations (Pagnini-Liszt).

Preacher—And when I get through with my sermon I'll ask those of the congregation who want to contribute \$5 towards the mortgage on the church to stand up. In the meantime you play appropriate music.

Organist—What do you mean appropriate music?

Preacher—You play The Star Spangled Banner.

Thirty-Two Report for Action; Five Are Here From Stetson Squad

Thirty-two stalwart Spartans limbered up for football action again as Tampa U's season of spring training got under way Tuesday, giving the new coach Flucie Stewart his first look at the boys on the gridiron.

The group was the University's largest spring squad, but there are still more to come—half a dozen or so others are working at the fair, and will be out next week. They offered to give up their jobs for the grid grind, but Coach Stewart wouldn't hear of it.

Five From Stetson

Eight seniors were missed after their years of dependable service, but the squad was augmented by the fresh squad plus five former Stetsonites, who have changed their names from Hatters to Spartans—Mac Shadman, Willard Knight, Paul Straub, Art Spoltore and Bill Brennan.

The workouts will be short, Coach Stewart said—from 3:30 to 5 or 5:15 o'clock. They started out with calisthenics and leg exercise, and discussions of formations and plays, and won't have any rough stuff until next week.

Practice Games

With the point of view that "you can tell a football player best in a real football game," the coach said, they'll have two or three practice games during the spring workouts.

"I like the spirit of the boys," said "Coach Flucie," as he's sometimes popularly called, "and I believe they can play football. They're in good physical shape, too."

Champ Williams is assisting in the spring coaching. There's been some talk of an assistant coach, and the names of Jack Alexander, former Duke star, and Tom Brown, of Catawba, have been mentioned.

Wins Players' Approval

Coach Stewart's nonchalant manner of handling players to bring out the best football and also keep spring practice lively and enjoyable has won the utmost approval of every boy. His wit and wisdom are enjoyed and respected by every member of the squad, the boys report.

The Coach has emphasized in many informal talks that the primary purpose of every man at the University on scholarship is to receive a college education, and secondly, to have the best football team in Florida.

He may be seen in the lobby talking and brightening up the spirit of the student body around the fireplace. His "fireplace chats" have won him many new friends and they have brought him closer to the student body.

Baptist Students To Go to Lakeland

Baptist student union members of the University of Tampa will go to Lakeland tomorrow night for a party to be given by the B. S. U. of Florida Southern College, leaving the school at 6:30 o'clock.

About 20 University of Tampa students of all denominations will go to Clearwater Sunday for a district meeting of the College Christian Youth conference. Well known religious workers who have taken part on the Chain of Missions program in Tampa this week as well as some of the state speakers who will be at Tallahassee Feb. 21-23 will attend.

In response to a request for another open forum, the B. S. U. will hold a general meeting similar to the last one Feb. 20.

TO YOU NEW STUDES

It's been a long time since the second semester opened—since you new students joined us at Tampa U. You've all become pretty well settled by now; you're "in the groove," and apparently getting along fine.

But we don't want to miss this opportunity to extend a personal welcome to you; to let you know we're glad you're here. We want you to join in our campus activities; let your talents be known; enjoy being a part of Tampa U., and get the most out of being here.

If there's any activity in which you are interested in, ask about it, and no doubt you'll find an opening for you. You'll be welcomed in any and all campus activities.

The student glee club doesn't have too many tenors, or contraltos; the Minaret has an opening for reporters; the dramatics club will hold second semester try-outs—there's room for you in your selection of campus activities. Come along—you'll be welcomed.

ONE FOR ALL AND ALL FOR TAMPA U.

Coach Stewart's policy of working as a group for the betterment of the Spartan football team was met with approval by all players of the football squad.

Cooperation of all concerned in Spartan athletics will definitely improve the conditions caused by previous complication and friction.

Coach Stewart was promised complete cooperation from the Spartan Quarterback club, newspapermen and members of the squad.

Spring opens with all players on an equal basis and with merit only as a means of progress.

If anything, the Spartan football team will be a unit from the coach down to the water boy.

In This Corner

By EYE CUE

Well, folks, the crisis is here. Eye Cue has been valiantly striving all year to prevent this great calamity, but in vain. With relentless persistence he has been stalked by the dread demon of all columnists, until now he is tainted with a stigma of ruin and humiliation.

Yes, the demon—an intangible, supernatural thing which inflicts its victims with a state of mental inertia thereby causing any attempt to write (much less making a deadline) to result in utter stagnated frustration.

Up to now, Eye Cue has somehow been able to produce a semblance, at least, of a column—even if the deadline was miraculously cleared at the last possible moment most of the time.

After all, as a last resort, a few minutes of association with Dr. Berry was nearly always good for some nonsensical material suitable for this column.

But now, our faculty adviser, "Snop" King, has lightly tossed a monkey wrench in the works. "In This Corner must reach the printers by Tuesday night," say he. "Or else the boys down at the office won't take time out from their nightly

poker game to rewrite and set up the thing." . . .

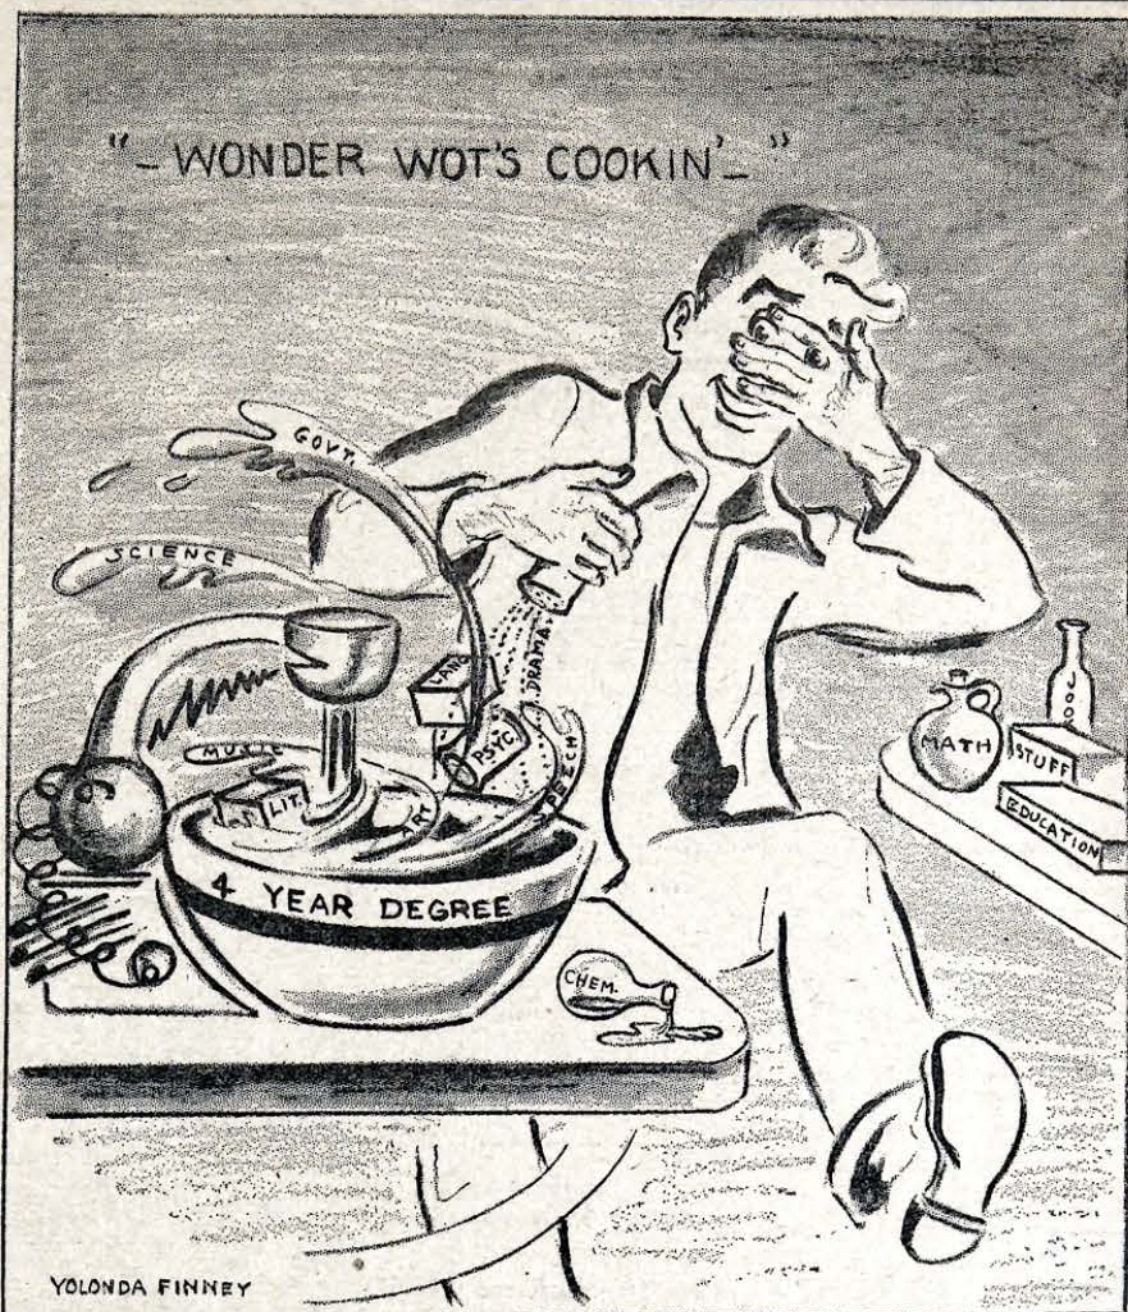

Alas! alack!! (quote the operetta) Deep in the clutches of the "demon," Eye Cue was forced to make a fateful decision.

Rather than disappoint his faithful readers or lose his reputation of always meeting deadlines, your dub (pardon—cub) reporter swallowed his pride and decided to fall back upon an idea which he has thoughtfully retained for just such an emergency.

Dear readers, Eye Cue (oh, the disgrace of it) is going to sponsor a contest. Just as a last resort, now mind you! You have the solemn word of this key-pounder that never again will such underhanded, pseudo-journalistic practices be evidenced on the pure pages of this column.

Now prepare yourselves for a shock. Due to the lack of space in the Minaret this week and other sundry mechanical difficulties, the announcement of the details of the contest will have to be postponed until next week. You have Eye Cue's word that the contest will be both profitable and interesting.

So until next week, so long.

In The Social Spotlight

Dear Maudie:

Second semester is really under the way and there are quite a number of new faces seen around. Greetings to all of you new students. Just make yourself at home and we hope you like us.

Sigma Theta's will celebrate Valentine's by giving a dance in the ballroom tonight. Decorations will be hearts and such carrying out the proper motif.

Dekes are bustling around making last minute preparations for their initiation banquet and dance which will be next Friday night at the Hillsboro Hotel. Big event of the evening will be the announcement of the outstanding pledge, who will be presented a gift from the sorority.

The junior class dance, which was the first event to be held in the new recreation room was a huge success. That class is really going places and working hard for the big Junior-Senior banquet.

From what we hear about the informal initiations they really must have been something. But everybody always has a good time (including the pledges).

T. O.'s have tentatively set April 4 as the date for their ring dance. More details will be given out later.

See you at the dance tonight.

Sally—My boy friend and I have parted forever.

Betty—What? But I thought you said he was one in a thousand.

Sally—He was, but he found out about the other 999.

THE SMOKE OF SLOWER-BURNING CAMELS GIVES YOU

EXTRA MILDNESS, EXTRA COOLNESS, EXTRA FLAVOR AND

Flash from Sun Valley!

EVELYN DOMAN
FIGURE-SKATING STAR

Breathtaking spins, spirals, jumps—there's a thrill in every click of her flashing blades. And afterwards—"A Camel tastes so good—they have so much more flavor," says Miss Doman. But more flavor is only one of the "extras" you get in slower-burning Camels.

LIKE ANYONE WHO
SMOKES A GOOD DEAL,
THE EXTRA MILDNESS IN
SLOWER-BURNING CAMELS
IS IMPORTANT TO ME.
AND THE FLAVOR
IS SO GRAND!

IF YOU SKATE AT ALL, then you know that cutting a pretty figure is not as simple as pretty Evelyn Doman makes it appear. Behind her seemingly effortless grace are hours of hard practice.

She takes her skating seriously . . . her smoking, too. "I smoke a good deal," she ex-

plains. "The slower-burning cigarette—Camel—gives me the extra mildness I want."

Slower-burning . . . costlier tobaccos. Yes, slower-burning Camels give you a fuller measure of flavor without the harsh effects of excess heat . . . extra mildness, extra coolness, extra flavor—and less nicotine in the smoke.

BY BURNING 25% SLOWER than the average of the 4 other largest-selling brands tested—slower than any of them—Camels also give you a smoking plus equal, on the average, to 5 EXTRA SMOKES PER PACK!

CAMEL THE SLOWER-BURNING CIGARETTE

28%
LESS NICOTINE

than the average of the 4 other largest-selling brands tested—less than any of them—according to independent laboratory tests of the smoke itself

NO MATTER how much you smoke, all that you get from a cigarette—all the flavor, mildness—you get it in the smoke itself. The smoke's the thing!

Science has told you Camels are slower-burning. This slower way of burning means more mildness, more coolness, more flavor in the smoke.

Now, these new independent tests reported above—tests of the brands most of you probably smoke right now—drive home another advantage for you in slower-burning Camels—extra freedom from nicotine in the smoke.

Try slower-burning Camels. Smoke out the facts for yourself. Dealers everywhere feature Camels at attractive carton prices. For convenience—for economy—buy Camels by the carton.

Voice Pupils Give Recital In Ballroom

Seven Singers Give Pleasing Program; Are Well Received

Voice pupils of Lyman Wiltse presented a pleasing recital in the University ballroom Wednesday night. Mr. Wiltse and Miss Mary Haverstick were accompanists.

A graceful stage presence marked Miss Daisy Lewis' opening numbers, Haydn's "With Verdure Clad" ("The Creation"), and "Se tu m'am!" (Pergolesi), interpreted in a clear lyric soprano voice with good volume and tonal quality.

Personality in expression and voice control characterized Miss Josephine Price's soprano selection, "Du bist wie eine Blume" (Rubenstein), and her control was especially impressive in the faster, rhythmically lyrical "Whither," by Schubert.

Fred Edwards struck a clear, resonant baritone in the Italian "Invocazione di Orpheo," and attained a vigorous strength and volume in Gounod's Faust selection, "Even Bravest Heart May Swell."

Clearness in enunciation and in tonal quality marked Miss Betty Jo Mims' interpretation of Puccini's "One Fine Day," from "Madame Butterfly," and Sinding's "Sylvain."

Bond Giles, tenor, sang Oley Speaks' popular composition, "Morning," and

Grieg's "I Love Thee," with a good volume, control and quality.

Ease and confidence marked Miss Olive Beebe's selections, "Amarilli" (Caccini), and the spirited number, "On Wings of Song," expressed with a strikingly effective musicianship.

John Trusler, baritone, sang May-beer's lyrically melodious French number, "Ah, Mon remords tu venge," from "Dinorah," in a smooth, easy style, followed by Hageman's "Do Not Go, My Love." Subtlety of expression marked his singing of Clara Edwards' "Into the Night."

Fifty Party Opens Rushing Season For Alpha Gammas

Sorority Has Children's Party for Rushees; Will Have Luncheon Tomorrow

The Alpha Gamma sorority opened its rushing season with a fifty party Tuesday at the home of Miss Odessa Dietrich, 2500 Shellpoint Road. Games of fifty, bunco, bridge and rummy were played and refreshments were served. Miss Mary Collura gave several piano selections.

All party details, including the refreshments carried out the sorority colors of green and white.

Miss Dietrich was assisted in serving by the Misses Olga Martinez, Lois Crespo and Mary Borelli. Mrs. K. K. Berry, sorority adviser and Miss Odessa Morris were chaperons.

The sorority entertained rushees at a "children's party" last night at the home of Lee Duncan, 2411 Riverside Drive. Children's games were played

and refreshments appealing to children were served.

Miss Anna Lazzara was official hostess, assisted by the Misses Kitty Cappello, Nita Medina and Katherine Schiro. Dr. and Mrs. Berry and Mrs. Creek chaperoned the affair.

The sorority will close its mid-term rushing season with a luncheon tomorrow noon at the Tampa Terrace Lounge. The Misses Mary Collura and Anna Lazzara are in charge.
