(2) You think you have to join a club or pay dues.

Believe it or not, it doesn't cost one cent to tryout or to be in the play.

(3) You are too "chicken" to get up in front of "all those peo-

Letters To The Editor

Dear Editor:

Student Congress and the Student Orientation Committee have completed a week of wellplanned activities for the new students.

Meeting planes and trains for one long day in itself was quite an accomplishment. This did much to make the new students aware of our interest in them and of our friendliness towards them.

The Back-to-School Dance was the best we have ever given. The decorations were clever, attractive, and original; the dress and conduct of all attending was perfect. It was a beautiful evening, long to be remembered.

Congratulations to our Student Congress and our Student Orientation Committee. You have set a high standard, and we must all strive to keep it always high.

ZETA TAU ALPHA

Zeta extends a hearty welcome to all incoming students to the University. We are happy to see all our returning sisters and wish to formally congratulate sister Kathy Lowe on her recent marriage to Patrick O'Neil. We are starting the year with a Welcome Back Party for the sisters and their dates. Once again the Zeta's are busy working on their lawn display for Homecoming.

PI KAPPA PHI

The brotherhood would like to take this opportunity to welcome the new students, freshmen and all returning students back for a new year. Also we would like to welcome the TKE's as our new neighbors and wish them good luck with their new house.

Over the summer numerous improvements were made on our house. This was the "kick off" for a complete renovation of the house, which will be continued throughout this year. One of the major improvements is that the house has been air-conditioned on the first floor. Among other things this year the exterior of the house will be completely repainted.

We anticipate our greatest intramural football team, this year. With such starting greats as "Speedy" Wally Gator and the Redheaded Flash, John Shafer.

And finally, let us congratulate the new sisters of Alpha Chi | ton, Ohio.

Omega who went active Sept. | SIGMA TAU DELTA 24th, Elsa Garcia, Kay Isaacson, Terri Melindi, Patty Rim, Carmon Gonzalez, and Rosemary Wade.

We are proud to congratulate Carmen Gonzalez on her winning the Borden's Freshman Award for outstanding scholar-

Last Thursday evening the Alpha Chi Alums honored the collegiate chapter with a fried chicken dinner. They also presented each sister with a favor representing the Alums.

We are looking forward to seeing everyone at the Alpha Chi Script Dance, held after the first home football game on October the ninth. Be ready for a good time.

Congratulations go to sister Judy Orovic on her recent engagement to Lt. Allen Skiff of Patterson Air Force Base, Day-

Sigma Tau Delta, the English honorary fraternity at the University of Tampa wishes to welcome all returning students and new freshmen. We hope that all seniors and juniors interested in applying for membership for the current semester submit their names and grade average to the English Department for consideration. This year Sigma Tau Delta is offering a prize for literary achievement. We hope all interested persons will submit any literary works to the English Department. Deadline for articles is October 31st.

TAU KAPPA EPSILON

The Fraters of Epsilon-Beta Chapter have a new address-200 Hyde Park Place. This is the site of our newly acquired fraternity house which we hope will bring lots of enjoyment to new and old faces alike. It's completely air conditioned, along with adequate dining facilities. Because of Lillie, the TEKE cook, most of the Fraters have already gained weight and it's only been a week! There are two, three, and four man rooms with all the other comforts of home.

Intramural season is coming up and football is first on the list. With our fearless warriors, just to name a few-Big Daddy Long Legs Rosner, Smoke More Than A Pack A Day Pesek, Jawbone Unger, Oddjob Favata, Office Boy Finks, Omelet Petzold, String Bean Alonso, and

The Sig Eps welcome back brother Pet Tomaino who has been touring the country. The brothers are very proud of Danny Cogan and Kevin Hurt who have given their fraternity brothers plenty to cheer about. In my interview with the Colonel, I found him to be a most sincere man who wishes the Minaret to stress the fact that his office is always open to any and all queries from students. As a rule, any difficulties of a student are handled by his adviser. However, if these problems persist, Col. Clifton makes it perfectly clear that he will be available to tackle any problem, whether social, economic, or otherwise, with the student. He is a man who has dealt with men's problems continually in the past, and will, undoubtedly, be of great influence in solving many difficulties of Tampa U. students.

EACHULEA ASHIONS

By CHIP TOLBERT, ESQUIRE'S Fashion Editor

ALL OF A SUDDEN it's happened. "Back-to-College" has been translated from a filmy idea into reality. Already the gears are beginning to turn more smoothly, and, in a few weeks time, Summer '65 will slip away. But who has time for day-dreams? The campus pace is upbeat. Uptempo, too, is the campus fashion picture for Fall. Let's bring your Fall '65 wardrobe up to date with a quick run-through of the latest campus trends in tailored apparel.

AIGH "C" COVERT hits a high note in back-to-college fashions this Fall. Covert cloth, a sturdy, diagonally-woven fabric, will make a strong comeback in suits, slacks and topcoats. Well-known for its hard-wearing, shape-keeping qualities, today's Covert has a smoother look, Primarily loomed of 100% wool, it will also be seen in wool and polyester blends. The Covert suit, crisply tailored for campus wear, will appear in heather mixtures, natural tans, and in muted combinations of blue with brown, gray or green. Another important innovation to watch: green in blends with tan or brown.

SPEAKING OF SHAPE, the most dramatic news in the men's fashion industry today is the ever-widening acceptance of the Shaped Suit. Primarily, the Shaped Silhouette follows more closely the natural athletic contours of the body than the straight-hanging Natural Shoulder style. Its impact will be felt in suits and sport jackets, and will be characterized by a slight suppression at the waist, side vents, and moderately padded shoulders. The Shaped Look spells fashion for '65-and, we think, for many years to come.

CHECK MARKS are another fashion pace-setter in Fall sport coats. They feature a broad variety of pattern sizes-from miniature to bold hounds'-tooth checks. Natural Shoulder styling will predominate in the traditional 3-button models with straighthanging lines, flapped pockets, lap seams, and center vents. But the Shape influence will be felt among the more avant-garde campus trend-setters in 2-button models with a slight contour styling, slanting pockets and side vents.
