Vol. 10—No. 16

## NEW CITIZENS HERE MARK AMERICAN DAY

### Ceremonies Held Friday

Citizens of Tampa who became naturalized during the past year and those of native birth who became of age attended services in observance of "I am an American day" Friday night at the city auditorium.

They also attended a flag ceremony at the University of Tampa Friday afternoon. The university, the division of education of the WPA, and the public sponsorship committee of the WPA cooperated in the programs.

Rabbi David Ziflonka opened the afternoon ceremony with the invocation. This was followed by an address of welcome by Dr. James E. Mooney and greetings by Mayor Chancey. Col. Harry H. Young, commander of McDill field, Cody Fowler, and R. M. Ybor then gave short talks.

Four years ago the department of labor, then in charge of immigration, originated "I am an American day" in order to help the new citizens appreciate the important part they can play in the future of the nation.

The ceremony in the auditorium Friday night was opened by the Tampa U. band. The Marcelo Gonzalez post of the American Legion then presented the colors and the invocation was given by the Rev. Marshall Woodson. Music by the WPA orchestra followed Mayor Chancey's welcoming speech.

Talks were given by W. A. Reilly, head of the Tampa immigration office, Dr. Mooney, Dean Ray V. Sowers of Florida Southern College, Lakeland, and Raymond Sheldon, senator-elect. The ceremony ended with the benediction by the Rev. Louis J. Twomey.

### Bond and Stamp Drive Hits \$2365

E. Carroll Thomas, chairman of the war saving bond and stamps drive, which ended this week announced a total of \$2365 sold. Much pleased with the drive the chairman said, "I want to thank my supporters from the bottom of my heart for their generosity in helping make the drive a success. I know they make this investment in our government, not with the feeling of sacrifice but with the typical American attitude, 'It's a privilege!'"

The "honor roll" which consists of persons buying bonds is as follows: Mrs. Dalzie H. Miller, Dr. and Mrs. B. A. Thomas, Dr. and Mrs. Guy G. Becknell, Dr. Charles Herbert Laub, Mr. Ernest Dossey, Mr. Glenn McRae, Dr. and Mrs. D. E. Bunting, Dr. and Mrs. E. B. Woods, Mr. Ed. Miller, Miss E. Carroll Thomas, and Dr. and Mrs. James E. Mooney.

### 313 Masquers Hold Picnic

The 313 Masquers dramatic club closed its activities for the year with an informal outdoor supper party Saturday at the home of Judith Benson.

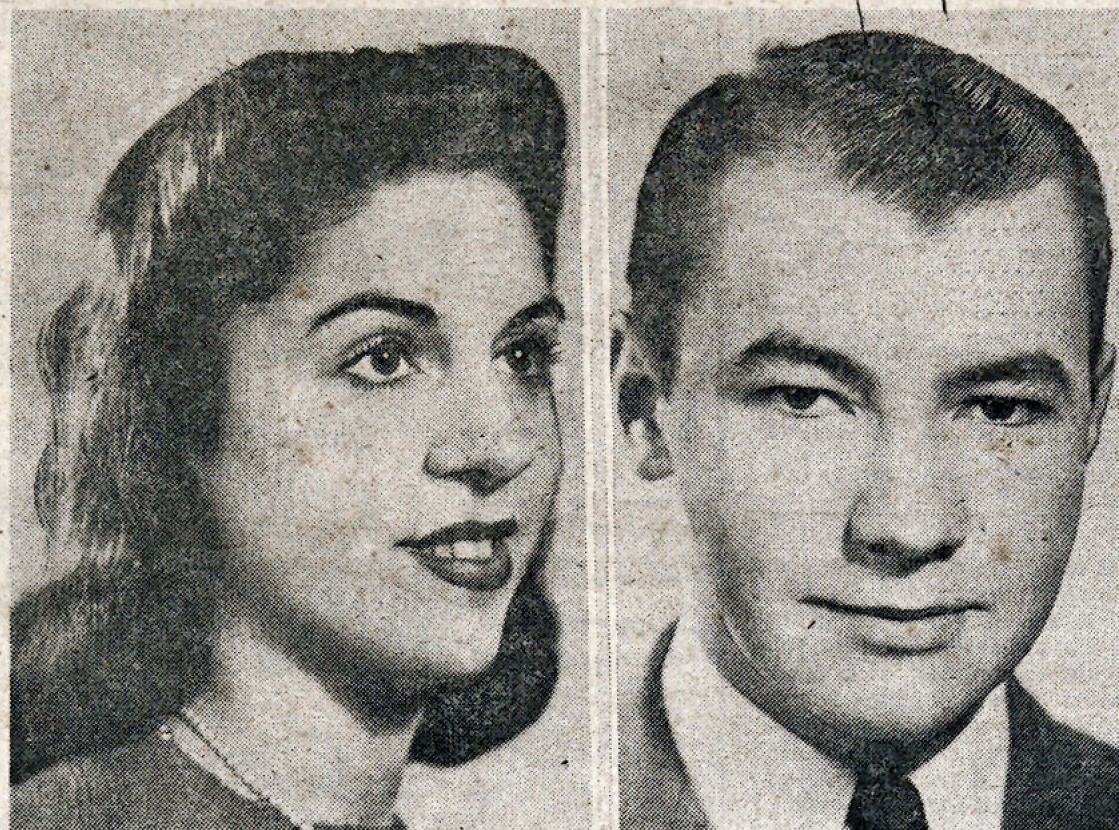

Guests assembled in the late afternoon and supper consisting of salad, frankfurters, baked beans, cakes, and iced drinks, was served. Dancing and informal entertainment were enjoyed afterwards.

Those in charge of arrangements for the party were Judith Benson, Beth Hotchkiss, Dorothy Ann Kelly, June Junt, and Suzanne Jackson.

Officers for the coming year will be elected in September.

### Dr. Amelia Lautz Speaks at Meeting

Dr. Amelia Lautz, head of the department of home economics, spoke by invitation at the annual meeting of the Florida Tuberculosis association. Her subject was "The Part of Nutrition in Prevention of Tuberculosis."

Queen Mary Collura and King Jimmy Whitehead, both members of the Hall of Fame, were crowned as Senior Class Royalty at the Junior-Senior prom on May 14. They were chosen by popular vote of the Junior class.

### Information Sheet On Armed Services Compiled by Faculty

Recently a sheet called "War Service Opportunities" was compiled by Dr. James E. Mooney, Miller B. Adams, and R. H. Kasriel, to acquaint young men with the branches of service and the opportunities they give.

The paper tells the young man what education he must have to enter his chosen branch and how much pay he will receive. It also gives information regarding the length of time the student may remain in college after he enlists.

Branches of the Army Air Corps discussed are: Flying Officer, such as pilot, bombardier, and navigator; ground officer, as armament, communications, engineering, meteorology and photography.

Information concerning deck or engineering officers, naval aviation cadet, non-pilot cadet and training in meteorology is given under the United States Naval Reserve.

The United States Coast Guard's Officer's Reserve and the Civil Aeronautics Administration are also discussed in the paper.

The information was sent to the high schools in order to help students decide into what field they wish to enter training.

### Home Ec. Club Elects Officers

The Ellen H. Richards Home Economics club elected officers at a meeting Thursday.

Mary Lefler was elected president; Nita Medina, vice president; Maelona Cowley, secretary; Dot Giles, treasurer.

These officers will be installed at a luncheon Monday in the cafeteria at 11:30.

Miss Lefler is also vice president of the State Home Economics club.

### Miss Moffatt Is On State Committee

Miss Ruth Moffatt will leave June 1 for Gainesville, where she will spend a week as a member of the editing committee of the Secondary School Bulletin in Physical Education published by the state department of education.

Miss Moffatt was elected second vice president of the Florida Women's Athletic association last week in St. Petersburg.

#### FOTO-FANS, NOTICE

During this week Russell King will show his negatives of this year's and last year's pictures, offering them for sale or allowing prints to be made at cost.

## Whitehead, Collura Senior King, Queen

### T. U. Band Lauded by National Frat Head

In this month's "The Baton" of Kappa Kappa Psi there appears an article concerning the Alpha Sigma chapter installed at Tampa U.

"Most every member of the Tampa University band is a scholarship winner, and consequently, they may be classified as a handpicked group before they enter school," stated Francis Todd former grand president of Kappa Kappa Psi after he came to the university to install the chapter.

Mr. Todd added that "the standards of the Tampa university band are of the highest, they have, above all, the spirit to carry on."

The visitor was impressed by the installation and remarked that "The ceremony was impressive, and the response of the members more than anyone could expect."

Going on he said, "Lyman Wiltse is a fine director and a real leader of men." He sums up his opinion of the fraternity with the statement, "they have a fine bunch of fellows filled with enthusiasm, eager to build and willing to do their part in every respect."

### Alpha Psi Omega Holds Pledging

The Alpha Kappa cast of Alpha Psi Omega, national dramatics fraternity held a pledging ceremony Monday for Suzanne Jackson and Beth Hotchkiss.

Formal initiation will be held Tuesday for these two and Judith Benson at 8 in the new dramatics room. Alpha Psi Omega will hold a luncheon soon. Officers for the coming year will be elected then.

### Jack Tanner Is Beta Chi President

Jack Tanner was named president of the Beta Chi fraternity for the coming year. The new officers were announced at the Bowery ball. Jr. Thornton is vice president; Doyle Bluemle, secretary; Albert Moshell, treasurer; Art Shiro, sergeant-at-arms. They have already assumed office and will hold their positions until next May.

## TWO SUMMER SCHOOL TERMS TO BE OFFERED

### Regular and Special Courses Given

Two summer school terms will get under way at Tampa U. June 15 and July 27, Dean D. E. Bunting announced last week. Students will be able to obtain nine hours credit for the first term and 15 hours for the second term.

In addition to the regular courses of study several special courses will be added to the curriculum. The special courses for the armed services, army and navy, along with the C. P. T. instruction will also be continued.

A new aeronautical education course will be introduced. This course will give the background of aeronautics and general information relating to the subject. It is intended primarily for teachers but laymen who are interested will also be accepted.

In addition to this course there will be a course in southern writers, a course in educational problems in time of war, and a course in physical education. This last is important in view of the fact that our success in this war depends on the physical fitness of our people. A sociology course, "War and Social Change," will be offered.

The courses of study will lead to six degrees: bachelor of arts, bachelor of science, and bachelor of science in education, aeronautics, business administration, and marine engineering.

Applicants for admission should fill out the application blanks which may be received from the Director of Summer School. Tuition is charged at the rate of six dollars per semester hour on all courses. A university fee of five dollars is charged for the summer session. All students must pay this fee.

### Papa's Chickens Organize

One sunny day not so long ago a group of students found themselves with a "whole hour" free! They were all bored so decided to create some excitement. Glenn McRae declared it Sooky's birthday, so the kids could have a party.

The crowd, all eight, piled in Simps' car (oh, for the days before rationing!) and drove to the Colonnade. Here they found tables and chairs in the shade and ordered. Whitehead's order was a 7-Up and a chocolate ice cream cone!

The poor waitress went nuts, and who can blame her? Sooky was presented with an arm bouquet of stolen oleanders and her hair was adorned with pink hibiscus, yellow calendulas, petunias, and white oleanders. She really looked like the Queen of something or other—well, she is, isn't she?

After lunch the group organized a "sorority lunch," dubbed "Papa Dobson's Chickens" and the purpose of this organization is to undermine sensible people. It shouldn't be hard to do!!

Meetings will be held "on the spur of the moment." Bette Campbell is the president for this week and each week this office will rotate alphabetically.

"Chickens" who are charter members are Campbell, Whitehead, McRae, Simpson, Jackson, Jane Hughey, Mary Merle Jones, Butch Wilson, Charlie Slocum, Dot Thonesson and "Boopa" Nichols.

### Students Receive First Typhoid Shots

On Thursday, Dr. Edith Corlew administered the first typhoid shots to the students of the university.

For the next two Thursdays shots will be given. All three are administered for \$1 to students and faculty.

### Art Department Holds Exhibit

Norman Borchardt is again presenting the artistic works of his students. A great many of us saw and appreciated the group of art submitted in the fair. This exhibit will be held May 26th in the ballroom and will be preceded by a reception.

It is an affair that both the students and faculty always look forward to. The work to be exhibited consists of the work done this semester only, which is a good idea for very often art lovers tire of seeing the same work over and over again.

There are a great many new types of sketches and paintings to be shown which will prove interesting to all who attend.

## Tampa's U.'s Passing Parade

We know that we are busy as we go from class to rehearsal and from rehearsal to meeting, but we may not realize how many activities have occupied us during the year.

And we may not recall the various developments which have taken place at the university—new programs and departments, more extensive teaching facilities, guidance for students toward vocations or toward special army service, war activities, extension of dormitories, provision of meals, enlarged bookstore and recreation hall, faculty publications, recitals, special lectures, the E.S.M.D.T. courses, and greater university recognition. We may not be aware of the athletic and intramural sports programs (including the development of a successful university crew) student publications, musical programs, dramatics, dance recitals, fraternity and sorority programs, art exhibits, receptions, meetings of outside organizations, cooperation in local and community undertakings, student government, internship in teacher training, the cooperative plan in secretarial science, the International Relations club, the band fraternity, and student religious organizations. A description of these and others would "fill many books", and still this review would remain incomplete.

There is some value in looking back over the year's work, as we approach final examinations and commencement exercises. The war situation has occupied much of our attention, and yet it has not prevented us from carrying on our studies or from planning the future. This summer some will embark on the accelerated program and enroll for both terms of the summer session. Next year the building of the university will continue to progress.

Two achievements of the year deserve especial mention. The first was the rental of the university building on a ninety-nine year lease from the city, thereby giving the University of Tampa a permanent home of its own. The second was the grant from the county of a considerable sum toward carrying on the university program.

Changes in rooms and furnishings include: The new book store and student union room, which will contribute greatly to life at the university; the beautiful new cafeteria with adjoining rooms for special meetings; the browsing room which tempts the passerby with the slogan, "Keep Ahead of the Headlines"; the hall of aviation, established in honor of Commander Byrd; the mold loft room equipped with special fluorescent lights; the engineering drawing rooms, some of the busiest places in the university; the art studio, a very great improvement over the former art rooms; the new speech room, equipped with stage and special recording machine; and the classrooms for secretarial science students. And these do not include the changes which might be mentioned.

New programs and departments which have been established are: the department of marine engineering, offering work leading to a B. S. degree in this field; the department of secretarial sciences, training for government and commercial positions; the naval reserve training program; the U. S. army air force aviation cadet reserve and college training program; not to

(Continued on Page 8)

## What Next?

Well, our seniors are going to be leaving us pretty soon, so I asked a few about their plans after their graduation. Here are several:

Johnny Kaufman—"I expect to be in the navy."

Katherine Schiro—"Help wanted! One job for one gal just graduated."

Andy Anderson—"Going in the naval air corps and I'm subject to leave the first week in June."

Mary Collura—"Go on a long vacation and then hope that I can find a job."

Louise Griffin—"Work, vacation, and get married at the end of the summer!"

Johnny Wainwright—"It's a race between who gets me first."

Shirley Abell—"You got me!"

David Webb—"I'm going to take a little vacation and then I'm going to let someone else decide for me. You know who I mean—Uncle Sam!"

Suzanne Jackson—"Social Welfare work as soon as school is out."

Olga Martinez—"Working for Uncle Sam and what I'll be doing is a military secret. That's no joke!"

Tom Johnson—"That's a heck of a question when a guy is 21, white and single!"

Gloria Gutierrez—"I think I'm going to get a civil service appointment as translator."

Catherine Whiteside—"My mother's going to give me a whole month at the beach for my graduation present."

Jimmy Whitehead—"I am going sailing!"

Carroll Thomas—"Teach, I guess."

Miriam Quarles—"Spend all my graduation money on bonds."

Students elected to major offices for next year are, left to right, Charles Slocum, president of the senior class; Bill Hayes, president of the student body, and Leo Stalnaker, president of the sophomore class.

## Band Frat Officers To Be Installed Tuesday

Alpha Sigma Chapter of Kappa Kappa Psi will hold installation ceremonies for next year's officers Tuesday May 26, at 12:30 in the studio of Lyman Wiltse, honorary member.

The new officers to be installed are as follows: President, Billy Webb, of Tampa, who in August of 1941 traveled all the way to Corvallis, Oregon, as Alpha Sigma's official delegate to the national convention; vice president, Charles Slocum, of Bradenton; secretary, Glenn McRae, of Tampa; treasurer, Robert Bretz, of Bradenton.

Retiring officers are: President, David Webb; vice president, Glenn McRae; secretary, Bill Hayes; treasurer, Charles Slocum.

The chapter completed its activities for the present year on May 11 when it gave its first anniversary banquet and dance at the American Hellenic center. This event was in observance of the first anniversary of the induction of the local chapter into the national honorary band organization of Kappa Kappa Psi.

At the banquet which was for members, dates, and special guests, short talks were given by Dr. James E. Mooney, Bob Porton, alumni member of the Alpha Eta chapter at the University of Florida; and Lyman Wiltse, director of the university band.

The dance which followed the banquet was attended by invited guests from among the student body. Sponsors for the dance were Miss Virginia Van Wormer and Miss Elsie Gill.

## B.S.U. Elects Officers At Annual Banquet

The Baptist Student Union held its fourth annual Installation Banquet Friday, May 1 at the Y. W. C. A. The officers installed for the coming year were: President, Florence Moore; first vice president, Willie Mercer; second vice president, James Moore; secretary, Frances Wyles; treasurer, Kathryn Perdicaris; publicity chairman, Betty Holton; Baptist Student Magazine representative, Bob Price; Sunday School representative, Frances Alexander; music chairman, Wanda Waters. The speaker was Miss Margaret Kader of Seminole Heights Baptist church. The theme was "Onward Christian Soldiers."

The council is now making plans for the annual trip to Ridgecrest to be held June 10-18. Any Baptist desiring to go please contact Florence Moore as soon as possible.

Fall retreat will be held the week before school opens for the purpose of planning work for the coming school year and preparing a calendar of coming events. Included in this calendar is a party for the incoming freshmen which will be held immediately after the close of the fall rushing season.

One of the highlights of the calendar is the South Wide Student Night program held in the different churches on the last Sunday night in the year. Students speak on the "Value of Christian Fellowship in Colleges" and related subjects.

## Glimpses of Fashion

The girls at the Jr.-Sr. banquet and dance all did the school up proud. No one better looking than the other. For instance Queenie Mary Collura really looked gorgeous in a vermillion red taffeta gown, made simply with gold embroidered leaves to offset the lines. She wore a lovely corsage of amber shaded rosebuds which added the right amount of color to her ensemble.

Jr. maid Nita looked wonderful in a stunning yellow-green and black formal. The skirt was black taffeta with splashes of yellow green butterflies sprinkled over it, and the blouse was of jersey and corresponded in color with the butterflies. She wore a corsage of gardenias with the same in her hair.

The whole dance was a spectacle in itself. I've never seen so many gorgeous flowers, good-looking gals and in their spiffiest formals. I can't blame the gals though, because when you finally reach the top of your goal, that's the time when the spotlight is yours so you have to look your best, so as to outshine the other one. (But that's the nature of a woman!).

By the way Louise Griffin, one of the outstanding Sr. girls, really looked like a doll. Too bad Dick wasn't here to see her because she would have made anybody proud. She wore a white marquisette, off the shoulder gown, trimmed in gold sequins. Everybody could readily see with their own eyes that white is her color.

Gloria G. also wore white but hers was one of those adorable, ever popular piques. They are really the rage and Gloria looked really cute as punch.

Well since I've been talking so

much about the Sr. girls, the Jr. gals did their class up right, too. Nouna really looked like a dream in that unusual head-dress that her sister fixed for her. (Good old Homer!) It really offset her multi-colored dress. I imagine that I should explain it more thoroughly but if you'd like to go into it in more detail, just ask one of the lads. He'll remember.

Well that's about all. Even those I didn't mention really looked swell-elegant and I do wish I had the paper and time to describe all the lovely gowns.

P. S. The boys really did the male population up right too, all decked out in their tuxes.

## S. T. P. Sorority Holds Initiation

The informal initiation of Sigma Theta Phi pledges was held Thursday night at the home of Louise Griffin.

Pledges initiated were Angie Spoto, Vivian Van Wormer, Miriam Davis, Lorraine Ogglesby and Leila Belle Lee.

Following the initiation ceremony and informal party in honor of Mrs. Robert Cross, the former Miss Dorothy Bickner, was given by the members.

Pledges will be formally initiated June 6 at a dinner-dance at the Columbia restaurant. In charge of arrangements for the affair are Gloria Gutierrez, Norma Rollins and Marion Neil.

At the same time of the dinner-dance the installation of new officers of the sorority will take place. Announcement of the names of these officers will not be made public until that time.

## HAYES NAMED STUDENT BODY PRESIDENT

### Other Officers Chosen in Campus Elections

By ROBERT NELSON

Bill Hayes, parliamentarian for the Tau Omega fraternity, was named president of the Tampa U. student body in the annual student government elections last week. Hayes is student band conductor and a charter member of Kappa Kappa Psi, national band fraternity.

Two new class presidents and three student council representatives were also selected in the campus elections.

Charles Slocum was elected to succeed James Whitehead as president of the senior class. Leo Stalnaker, jr., was chosen president of the sophomore class. Neither candidate was opposed. Both candidates for the junior presidency were declared ineligible and this office will be filled by a special election.

Slocum is vice president of the Tau Omega fraternity, assistant band conductor, and vice president of the Kappa Kappa Psi fraternity. Stalnaker is vice president of the Brush and Pallet club, a member of the Young Builders club, and corresponding secretary for the Tau Omega fraternity.

Dot Thonnesen was elected senior class representative. Because of a tie between the candidates for the other senior representatives office, Jane Hughey and Catherine Perdicaris, this office will also be filled at a special election.

Fred White was named junior representative and Don Storms, sophomore representative.

## Henry, Cryan, Bessie Lead in Singles

Drawing to a close, the University of Tampa tennis tournament has been hard-fought all the way through. The competitors have dwindled in their number until there are only a few left to contend for the honor of being tennis champ of Tampa U.

In the singles division, which is divided into two groups, Henry, former junior city champ, has eliminated all competition in his group by defeating Tappen. By beating Randow, Bessie will compete with Jim Cryan to see who is to represent their group against Henry for the men's singles championship.

As far as the doubles are concerned, the competition has been very keen. Cryan-Randow bested Spoltore-Noble, Henry-Heinmuller beat Reinert-Letzner. The finals will probably be between Cryan-Randow and Henry-Heinmuller.

More interest has been shown in the tennis tournament than has been shown in any of the other intramural competition.

## Next Year We'll Miss—

Next year we're going to miss lots of things and lots of people such as Sooky Jackson and her help to the S. K. N.'s.—Gloria Gutierrez, especially by John T.—Mary Merle Jones buzzing around, always busy!—Jimmy Whitehead not being in the bookstore or any place else of importance around here. He'll be making good somewhere else.—Andy Anderson will cause a lonely spot in Dot's heart and an empty space in the Spartans—

Johnnie Wainwright will be gone too. What will the freshmen girls do?—M. S. O. won't be the same without Lula Blake.—Carroll Thomas will be missed by I. R. C. and the Dean's office. Bill Read will be missed by Dot Giles—

"Boopa's" remarks will have to be said to someone else. We hope they can take it!—Moffatt will be a "lone duck" without Louise Griffin, as will the Sigma Theta's.—T. U. will go on ticking in spite of the fact that Olga Martinez and Mary Collura will no longer grace the halls. Both girls have done a splendid job.—

The Minaret hopes Shirley Abell will come back.—We all do 'cause she's pretty swell!—What will the cheering squad do without Butch "Y-hoo" Wilson?—It'll be hard to fill David Webb's place in the band and as prexy of Kappa Kappa Psi.—Beta Chi's, the football team, and the girls will all miss Johnny Kaufman.—What will Nita do without Stanley Moore?—

We'll miss Jack Liebman's piano playing in the "jook room"—We already know what it is to miss Jack Williams and Joe Mills.—They're both in the Naval Air Corps—

These are just a few of the faces and things we'll miss. We'll always look forward to Homecoming to bring the grads back.

## A Toast to the Senior Class

Three years have passed since first we came

Fearful and green and forlorn  
To know you first as sophomores  
Mean and quite true to form

A year passed by and on you went,  
On sophomores then you did frown  
But we stood by and carried on  
While you worked toward cap and gown.

This present year brought us on  
Upper classmen all together.  
We have worked and played and had much fun.

And many storms we have tried to weather.

We have always been behind you.  
Even your banquet, we hate to say  
In a year of turmoil and struggle  
Found us willing but unable to pay.

But nevertheless, dear Seniors  
No matter what we could do,  
In our hearts we honor the members  
Of the class of 1942.

Response.

Now don't you worry Junior  
About what you could not help.  
You were not responsible for the war  
But that dog-gone German whelp.

We are going out to get him  
And the spirit with which we fight  
We learned from the class of '43  
Who fight with all their might.

So here's to the class of '43  
May you win great renown.  
But take some advice and study now  
If you hope for a cap and gown.

ELIZABETH CONNALLY.

## EDITORIAL

Were we to search the English language, in its entirety, no more fitting a title could be found than that by which it has long been known, namely Commencement Day.

It is truly a Commencement Day and marks the beginning of a new era in our lives. We the class of 1942 awake as it were, to find ourselves standing on the Threshold of Life, gazing into the future with a feeling of awe, and wondering what it holds for each of us.

We stand forth prepared to face life's battles, eager and anxious for what lies ahead, and it is only fitting that we should pause to bid a Farewell to our friends at Tampa U.

**Faculty Members:** We extend our gratitude not only for the interest you have shown in the class as a whole, but for your material assistance. Without your guidance we could hardly hope to attain the high ideals which are ours, and although at times your efforts may have seemed futile, we shall endeavor to prove to you in time to come, that you labored not in vain. We are about to depart but before we go, we bid you a fond adieu!

**Fellow Students:** We have come to the parting of the ways. During the past few years we have learned to know and esteem one another more as brothers and sisters than as companions. Many were the happy hours we spent together, but now this will all cease and we shall all leave, perhaps never to be reunited. Reluctantly and sadly we bid you Farewell.

**Graduates:** June 9th marks the end of our College Career. Together we have labored to overcome the many difficulties with which we were confronted in the Classroom; together we have worked and played upon the same campus; together we have met and removed every obstacle which has beset us, but we must part, and each of us must pursue his respective path in life. Some of us may never return, but many are the happy memories which link us with Tampa U. forever. Our future lies in our own hands and in carving it, let each of us remember always to be true to our Alma Mater, true to our Country, our Religion and our God, and success will crown all our endeavors.

### WHAT IS YOUR AIM IN LIFE?

It doesn't make much difference into which field of life-time work you venture. It doesn't even make any difference whether it's great or small. But you can sure bet your life that it makes a great deal of difference how you do it.

This applies in a greater sense to the boys, at the present time. To most of them it seems that they have no choice of the fields from which to select work—it has, in most cases been chosen for them. This, of course, pertains to the army, the navy, or the marine branches of the armed forces of the United States. Of course there is no greater or worthy field in which you can work. At the same time, the rule about doing the very best you can, at any position, still implies.

To do your job in the best way you can, is more important at the present time than ever before. Winning the present war depends entirely upon the way the boys fight. The more will there is to win, the more chances there are to win.

Perhaps fighting isn't our choice for a lifetime job, but there is no end of benefits to be gained from doing it in the best way we can, and doing it faithfully.

Wherever one chances to go, or whatever one chances to take for his work, there will always be a demand for those people who believe in doing right, what they do at all.

Dora Anne Berry.

## Ain't It a Grand And Glorious Feelin'

Aw, gee!

Isn't it swell

To get out of

School again, an'

Go swimmin' and

Fishin' and all that,

And just have fun!

And then . . .

After you've been out

For a month or so,

And begin to miss

Those swell ole pals

You used to see

Every day at school,

Won't it be fun

To come back

And have a reunion,

And see that old,

Old gang of yours,

And meet again

In the bookstore,

And have a coke,

And live the

Summer over again—

And glorious feelin'!

Ain't it a grand

## These Songs Remind Me of You

Isn't it true that almost every song you hear reminds you of someone you know? As music expresses feeling and arouses thought, songs bring incidents people to our minds.

With these thoughts in mind we dedicate these songs to certain people: "I've Been Drafted and Now I'm Afting You"—Frank Cooper.

"Modern Design"—Guilla Bottarri.

"Star Dust"—Judith Benson and Hill rehearsing for 313!

"Now and Forever"—Nita Medina and Stanley Moore to each other.

"I Miss You Co"—Betty Savu to det Bill Brennan, U. S. Air Corps.

## President's Party To Honor Graduates

This year the president's reception for the Senior class will be held at the home of the president on June 8. Dean and Mrs. Bunting and Dean and Mrs. Sanford will assist in hospitalities with President and Mrs. Mooney. The reception will be in the form of a lawn party with refreshments served on one of the porches.

In four months a railway has sent to blast furnaces 2900 car loads, or nearly 1100 tons, of scrap metal from blitzed London.

## Delta Kappa Honors Seniors

Misses Suzanne Jackson, Mary Merle Jones, and Carroll Thomas, graduating seniors, were honor guests at a luncheon given by the Delta Kappa sorority Friday at the Cricket Tea room.

The sorority will install its new officers for the coming year and honor its pledges at a buffet supper and date party to be given the first week in June.

The dance planned for June 6 has been cancelled.

## Remember When?

During the past four years many things have happened at T. U. Here are a few things to bring back memories.

1938-1939:

Tampa U. has largest freshman class in school history. Complete registration totals 529. Sororities and frats pledge 101. Freshmen turn tables on sophs and throw them in fish pool following pajama parade. First motorcade from Tampa U. attends Miami game. New members of Minaret staff include Suzanne Jackson, Miriam Quarles, Tom Johnson, and Mary Merle Jones. Freshman football squad includes Robert Anderson, Howard Beynon, Ed Howell, John Kaufman, John Comporato and Bill Read. Home Ec. club formed, Math club formed.

Tampa U. prepares for first opera, "Castles in Spain", Dec. 17 date for freshman prom. Tampa U. students participate in DeSoto Exposition. First faculty vs students basketball game. Faculty defeats students 12-11. First front porch frolics sponsored by band held on porch. Skins have first daughter day.

Brush and Palette—art club formed. Beta Chi wins intramurals. Chronic couples, Mary Merle Jones has definitely changed from Louis Zendeigui to Jimmy Whitehead; Gloria Gutierrez and Bobby Caldwell; Olga Martinez and Zeno Stalnaker; Louise Griffin and Dick Sleichter; Doris Akard and Roy Pinch; Miriam Quarles and John Kaufman, or it is Ed Howell? Phyllis Flanagan and Bill Read.

1939-1940:

Additions to Minaret staff—Olga Martinez, Paul Byars. Quill club goes national. B. S. U. organized with Bill Gaventa as first president. Olga Martinez heads election committee. Tom Johnson new vice-prexy of sophs and Mary M. Jones, soph class secretary. First freshman guidance court features sophomore Mary Merle Jones as judge. Members of court include Louise Griffin, Mary Collura and Olga Martinez. First train from Tampa U. to Gainesville chartered for game. Fla. beats Tampa 7-0. M. S. O. organized. T. O.'s have first Ring dance. Chorus presents first oratorio, "Elijah." Beta Chi wins intramurals.

1940-1941:

R. B. Fordyce is president of junior class. Dr. James E. Mooney, new president of the University of Tampa. Sororities hold first joint tea at Mirasol hotel. Minaret staff includes: Mary Merle Jones, Olga Martinez, Tom Johnson, Yolanda Finney, Jimmy Whitehead, new head cheerleader. Ed Howell scores first touchdown in Stetson game and will be guest of honor at Spanish dinner. Gloria Gutierrez and Carroll Thomas are first Tampa U. interne teachers. Cafeteria opened for football boys. Robert Anderson elected Junior class vice president. Jimmy Whitehead, secretary. New bookstore opened. Junior class has first Hallowe'en carnival. Student Union room opened for student recreation. Biggest junior-senior banquet and dance in school history with royal theme, held at Palm Room. Phi Alpha, band frat, organized. Beta Chi wins intramurals.

Chronic couples: Priscilla Hunt and Jack Williams; Stanley Moore and Nita Medina; Joe Milla and Hilda Bethea; Ed Howell and Wanda Waters; Bob Anderson and Dot Hill; Howard Beynon and Emma Jane Sacrey; John Comporato and Ernestine Taylor; Elva Parodie and Joe Foersgren.

1941-1942:

Howard Beynon, football captain; Dixie Howell, assistant captain. Class officers: James Whitehead, president; Robert Wilson, vice-president; Marie Lewis, secretary; Mary Collura, Olga Martinez, Alpha G. officers; John Kaufman, H. Beynon, Ed. Howell, Beta Chi officers; Mary Merle Jones, Carroll Thomas, Sookie Jackson and Yolanda Finney, Deke officers; Jack Williams, John Wainwright, Skin officers; Albert Jimenez, Rho Nu Delta prexy; Louise Griffin, Gloria Gutierrez, Catherine Whiteside, Elva Parodie, S. T. P. officers; Jimmy Whitehead, Walter Shiver, T. O. officers.

Aluminum loading and crowning of Olga Martinez as queen. T. O. float wins first prize in Homecoming parade. Olga Martinez heads Moroccan. Suzanne Jackson heads newly formed judiciary. "The Royal Family" presented with Beynon and Sooky in leading rolls. Homecoming game with Rollins—Freshmen build "bone-yard"—we lost—Barry McKinley's orchestra plays for dance.

Social functions come one after another. Kappa Kappa Psi has first banquet and dance. E. J. and Howard announce marriage. Junior-Senior banquet at Columbia with formal in ballroom.—Collura and Whitehead named royalty. Sooky Jackson crowned May Queen at Frolics—Hughey and Gutierrez are maids. Gardenia Ball ends dances. Exams end all of us! ! !

A vast new oil field has just been discovered in Venezuela.

## 68 TO RECEIVE DEGREES FROM U. OF TAMPA

## Commencement Will Be Held June 9

Sixty-eight students will receive degrees at the University commencement exercises June 9. Fifty-one are members of the June class and the remainder completed their work last August or in February.

Graduation activities will begin Sunday afternoon, June 7 at 4 o'clock with the baccalaureate sermon in the student assembly room. Afterward, the Faculty Women's club will entertain the seniors, their families and guests at a reception in the student union room.

Class day exercises will be held Monday, June 8, in the student assembly room at 10 o'clock. The class will, class prophecy, class poem and the history of the class will constitute the program. The class will carry out the tradition of the planting of the ivy at the school.

Commencement exercises will be held in the municipal auditorium Tuesday morning, June 9, at 10 o'clock. Honorary degrees will be conferred at this time to prominent figures of the nation. The annual awards given to the outstanding seniors also will be made.

A list of candidates for degrees is as follows:

Bachelor of Science in Education: Oattie C. Abbott, Sam Bessis, Howard Beynon, Sister M. Charles Raymond Brunelle, Mary Collura, Angelina Cusmano, Wilma Dempsey, Lula Blake Gibson, Mary Louise Griffin, Gloria Gutierrez, Ruth Hoffman, Albert Jimenez, Olga Martinez, Mary Eleanor Mercer, Elva Parodie, Maria Pelaez, Ellen Rice, Nora Roller, Rose Selgado Medero, Ligia Vega, Victor Hatch, Tampa.

Doris Dean Akard, Seffner; Louise Bledsoe, Plant City; Yolanda Finney Pritchard, Bradenton; John Kaufman, Youngstown, Ohio; Stanley Moore, Clearwater; Page Nichols, Tallahassee; Lorraine Nicholson, Ozone; William Read, Traer, Iowa; Geneva Roberts Palmer, Mango; Betty Savu, Warren, Ohio; Carroll Thomas, Zephyrhills; Annie May Tyree, Oldsmar; Mary C. Williford, Ozone; Robert Wilson, Worth, Ill.; Sister Teresa of the Holy Trinity, Washington.

Bachelor of Science: Ross Aquirre, Sarah Barnes, John Bittman, James Dunn, William Gaventa, Amegda Jack, Jack Liebmann, John Wainwright, Orrion M. Schlichter, Jr., Tampa; Edward Howell, Youngstown, Ohio; Patricia Washburn, Dunedin.

Bachelor of Science in Business Administration: Tom Johnson, Samuel Owen, David Webb, Catherine Whiteside, Tampa; Muriel Cook, West Springfield, Mass.; Patrick Delle Donne, Homestead, Pa.; Richard Juby, Dunedin; Gordon Vavra, LaGrange, Ill.; James Whitehead, Jacksonville.

Bachelor of Arts: Nell Clemons, Joseph Lee Duncan, Phyllis Flanagan, Marie Hausrath, Suzanne Jackson, Mary Merle Jones, Katherine Schiro, Edgar Warren Williams, Tampa; Shirley Abell, Agawam, Mass.; Paul Byars, Rhodiss, N. C.; Marie Lewis, Dunedin; Miriam Quarles, Vero Beach.

## Dan Shaw Is Re-elected President Of Sigma Kappa Nu

Re-electing their present president to carry on next fall, the Sigma Kappa Nu's announced Friday night at the Gardenia Ball that Dan Shaw will hold the high office of the fraternity for the coming school year.

Sherman Reed will fill the office of vice president; Merriweather Williams was announced as secretary, and Haze Carlton, treasurer.

Other members of the fraternity elected to offices were: Dick Wozniak, parliamentarian; George Curry, pledge captain; Norman Light, sergeant-at-arms; and Billy Webb, chaplain.

Dan Shaw and Norman Light will serve as Pan-Hellenic representative.

Dressing himself in a hospital in London where he was a patient, Samuel Moseley, aged 71, put both legs in one leg of his trousers without knowing it, tried to walk, fell and fractured a thigh, causing his death.

Sir Goscombe John, who has been awarded the gold medal of the Royal Society of British Sculptors, has presented 50 sculptures, including some of his own, to the National Museum of Wales.

## SPARTANS END SPRING DRILL IN SCRIMMAGE

### Varsity Defeats Fresh- men 1 to 0

By FRANK TESKE

After one month of strenuous spring practice, Coach Joe Justice's Spartans will take it easy now until they return Sept. 1, when they will again get in condition for a tough season of football. Beginning with 30 players, the Spartans have dwindled down until it is expected that about 21 will return next fall.

After the final scrimmage, in which the freshmen were beaten, 12-0, Coach Justice observed, "The men look pretty good, and I believe that our squad will be able to offer excellent competition to any team on our schedule."

Drilling the squad for the last month on the fundamentals of blocking and tackling, Coach Justice, has stressed plays centering around single and double wing formations.

Next season's eleven is expected to consist of 21 veterans plus about 12 new high school graduates from schools in the vicinity. Prospective juniors who played outstanding ball last year and will probably form the hub of next season's eleven are: Paul Straub, Tex Weiner, Junior Thornton, Willard Knight, Jules Pantel, Bill Lassen and Bob Hatch.

Two freshmen who have made good are Jim McFee of Ashville, N. C., and Clark McCullough, a transfer from South Georgia Teachers.

Members of last year's freshman team who will probably play varsity ball are: Tom Lakus, Aubrey Fuller, Jack Layfield and Val Dziewguc.

## Beta Chi's Win I. M. Softball Championship

Without a single defeat, the Beta Chi's have won the intramural softball tournament by taking all opponents. In the last game of the tournament, the BX's downed a six-man Sigma Eps team by the score of 14-4. Rather than forfeit the game, the Sigma Eps spread their men around so that they could cover various positions at the same time. Pat Dell Donne played third and short; Bud Fuller, first and second; Charley Wilson, left and centerfield; and Bob Nelson, right and short center.

In the softball tournament, the Beta Chi's were first; Sigma Epsilon, second; Tau Omega, third; Rho Nu Delta, fourth; and the Sigma Kappa Nu's last.

Score by innings:

	R	H	E
Beta Chi	032	720	14 10 3
Sigma Eps	201	100	4 5 6

## Coach Joe Justice Announces 1942 Football Schedule

Next season's Spartan eleven football schedule has just been announced by Coach Joe Justice. The 21 veterans plus their new team-mates from high school will play most of their games right here in Tampa.

Here is the complete schedule:

- Oct. 2—University of Florida at Tampa.
- Oct. 9—University of Miami at Miami.
- Oct. 16—Alabama State Teachers at Tampa.
- Oct. 23—Mississippi Southern at Tampa.
- Oct. 30—Tennessee State Teachers at Tampa.
- Nov. 13—Rollins at Tampa.
- Nov. 20—Presbyterian at Tampa.
- Nov. 27—Naval Air Station at Jacksonville.

## SPARTANS WHIP DREW THEN LOSE TO LAKE LAND

### Boost Standing of Wins To Thirteen

In a six-inning game, the University of Tampa nine beat the 412th Signalers, 5-4, only to lose the next night in hard fought game to the Food Machinery Tankmen by the score of 11-8.

Tommy Lakus pitched the first four innings of the Spartan-Signalers game and Doug Forster took over for the last two. This game was played in what is known as the Twilight league.

Tying the game in the seventh with a four-run rally, the Spartans were beaten in the eighth by a three-run salvo on the behalf of the Food Machinery Tankmen. The Tankmen, tied for first place in the West Coast league, outlit the Tampa nine, 13-10, Frank Pride, Lakeland second baseman, getting a triple and three singles out of four trips to the plate. Villarosa, Spartan rightfielder, led the Tampa nine with a triple and single.

Forster pitched five innings and then was replaced by Lakus. Score by innings:

	R	H	E
Tampa	130	000	400—8 10 3
Lakeland	131	030	03—11 13 3

When the floor of the Rialto dance hall in Barcelona, Italy, collapsed recently all the dancers slid into the vats of a liquor distillery below, and police and firemen rescued the dancers, 60 of whom were injured.

Large business concerns in Mexico fear that all transportation between that country and the United States soon will be by rail only.

We are saying good-bye to the Seniors in athletics soon so here is a tribute to each of them:

Victor "Joe" Hatch—"Vic" will be sorely missed by all who remain here next year. His wonderful personality gained him many friends. He was the brains of our football squad for the past four years, and was a very capable general; he was also very active in intramural circles. Is Navy bound. Was also member of our first crew.

John Comparato—Comp as he was affectionately called by his school-mates, got married on us. He deserves all the breaks, because he really struggles through school—played varsity football the last three years and active in intramurals.

Stanley Moore—the "wolf" was the unsung hero of our football team last year—playing 60 minutes in six of our toughest games. Stan will be missed next year by many.

Robert "Swede" Anderson, Jr.—We all had our doubts about the lad—even his roomie let out secret recently—the "personality boy" of Tampa U. Andy will be in the Naval Air corps soon. Jr. played varsity football and was outstanding in intramurals. We'll miss Andy next year.

Bill Read—the "fat" man, "glamour boy," etc.—Bill will leave for navy soon—that is, if the army doesn't bid higher.—Bill played varsity football and intramurals—was one of the best

swimmers in this section. We'll miss the "kid" (?)

"Dixie" Howell—the "quiet type"—was one of the best liked men on the campus—climaxed a great career on the gridiron by being selected all state end two years running. Dixie was a member of our crew which finished a successful first season and outstanding in intramurals. Dixie leaves for the Air corps soon after graduation.

Roy Fordyce—"the wolf"—was a leader in campus activities besides playing on the football team—was outstanding intramural player. Leaves for the Air corps soon.

John Kaufman "half pint"—Here is No. 1 man on campus today—a leader in every phase of college life. "Foo" will leave for the navy soon. Was selected all state halfback last year. Set new intramural record of 9.8 in 100-yard dash recently and has been a campus leader since he came to school. We'll miss John—particularly the BX boys.

Howard Benyon—who unfortunately has been called in the armed forces of our country.—Bye captured our football team last year and served that capacity well—has been sorely missed since he left several weeks ago.

Sincerely, ART SPOLTORE.

**GARDENIA SPOTLIGHT**—Sponsors of the Sigma Kappa Nu's annual gardenia dance and their dates were featured in the colorful lead-out at the Palma Ceia country club Friday night. They are, left to right, Miss Mary Foster Perry and Norman Light; Miss Judith Alexander and Dan Shaw; Miss Bette Campbell and Haze Carleton, and Miss Suzanne Jackson and Ensign William Reid. Miss Jackson was introduced as honorary sponsor.

## Gardenia Dance Given By S. K. N.

After an eventful year of school social activities, the Sigma Kappa Nu fraternity climaxed the season with their annual Gardenia Ball Friday night at the Palma Ceia Country club.

Surrounded by a setting of flowers and shrubbery, over which soft colored lights played effectively and Manuel Sanchez's orchestra playing, the ballroom formed an appropriate background for the ceremonies of the dance.

The highlight of the evening was centered in the lead-out, when the dates of the members of the fraternity were introduced and the sponsors of the dance were presented.

A tall stairway formed the entrance for the girls who were introduced by Jack Goodson, master of ceremonies, and met on the stairs by their dates. Lastly three sponsors were introduced, Judith Alexander, Bette Campbell and Mary Foster Perry.

Jack Goodson then made a speech

in honor of the fourth sponsor, Suzanne Jackson who was chosen as a special sponsor in appreciation for the things she has done for the fraternity during her four years at the university.

Stirling silver charm bracelets with a silver heart attached upon which the letters "K. N." were engraved, were given as gifts to the sponsors.

Mr. and Mrs. Miller K. Adams, and Mr. and Mrs. James Nesworthy, chaperons at the dance, were also presented with gardenias.

All the members of the faculty were invited and invitations were extended to the alumni of the fraternity, members of the other fraternities and their dates and special guests.

In charge of the arrangements was a committee composed of Sherman Reed, Johnny Wainwright, Dick Woxniak, and Merriweather Williams, for decorations; Jack Williams, and Dan Shaw, music; Johnny Wainwright and Sherman Reed, invitations.

## Young Builders Receive Charter From Kiwanis

On May 15th the Young Builders' club received its charter from the Tampa Kiwanis club.

Gibbs Harris, president of the senior club, presented the charter to Omar Wilson, president of the junior group at the weekly luncheon in the cafeteria.

T. W. McElvy and Mr. Harris spoke. New members introduced at this time were Paul Rippa, Albert Moshell, Dan Shaw, William Webb, Arthur Trubiano and Marvin Hardin.

The club has adopted a new project for the rest of the year. Each member is donating blood to the Tampa blood bank. The goal is 50 gallons.

## Dot Holcomb New President of I. R. C.

The I. R. C. climaxed their year with a banquet in the banquet room of the cafeteria last week in honor of the retiring officers, and the new officers were introduced. E. Carroll Thomas, retiring president was toast-mistress. Short talks were given by Dr. C. H. Laub, faculty advisor, Carroll Thomas and Dot Holcomb. Virginia Smith gave a reading and Julia Hayman rendered a piano solo.

New officers introduced were: President, Dot Holcomb; vice president, Corinna Gerhart; secretary, Julia Hayman; treasurer, Virginia Smith.

Unique place cards were used and yellow snap dragons were used in the center piece. Those present were: Rosalie Mathis, Dot Giles, Laura Mayor, Julia Hayman, Virginia Bentley, Martha Kellner, Virginia Smith, Dot Holman and Corinna Gerhart, the honor guests.

## Varsity Show Is Given for Soldiers

The varsity show was presented for the second time on Wednesday night at the Municipal auditorium. Soldiers of MacDill, Drew and Benjamin fields were honor guests.

## Teachers Won't Tell

Teachers won't tell very much about themselves, but there are ways of finding out! Here's a little information.

Mr. Nava likes to walk to his home in Beach Park and go fishing afterwards.

Dr. Laub likes the book store, so long as they have what "I like to drink!" What is it, sir?

Coach Nesworthy will have to take his wife "home to mother" for the duration when he leaves for the navy, come July.

Quote Moffatt, in reference to gasoline rationing, "What about my caca-colas?"

Mrs. Barnes says she isn't happy if she has a half-hour with absolutely nothing to do!

Prof Webb was seen walking to school before rationing started. Maybe he was getting into practice.

Mr. King is quite worried, because his "convertible job" won't go far on the gas he has.

Miss Thompson was called "The little woman we see little of!" She says, "Come to the library."

"Popa" got a joke off on everyone at the Jr. Sr. banquet. The best one was when he pulled Sam Owen's chair from under him!

Well, chillun, that's all the dope on ye profs, for now—Hope you feel like you know them a little better!

## Alpha Mu Tau Elects Waters

Miss Wanda Waters, a member of the junior class, has been elected president of the newly organized music sorority, Alpha Mu Tau. Other officers chosen are Marie Lewis, vice president; Mary Cantrell, secretary; Miriam Davis, treasurer; Eleanor Fiske, sergeant-at-arms; Mary Collura, reporter, and Daisy Lewis, historian. Mrs. Lyman Wiltse was selected as adviser.

Membership will be based on musical talent, scholarship and membership in band, orchestra and chorus.

## Suzanne Jackson Crowned Queen Of Porch Frolics

Miss Suzanne Jackson, daughter of Mr. and Mrs. Z. T. Jackson of Tampa, was crowned May Queen at the annual Front-Porch Frolics, sponsored by the Kappa Kappa Psi band fraternity on May 6. Miss Jane Hughey, daughter of Mr. and Mrs. J. C. Hughey of Tampa, and Miss Gloria Gutierrez, daughter of Mr. and Mrs. J. Gutierrez of Tampa, were chosen as maids. The royal court was chosen by popular vote of the student body.

Miss Jackson was presented a bouquet of gardenias and white larkspur and her crown was of gardenias. The maids were given bouquets of pink roses and larkspur.

A program consisting of musical numbers by Dorothy Holcomb and Jack Williams and a dance number by Ella Beth Laird and Phil Lewin, was presented in honor of the royalty.

The front porch was transformed into a carnival with hot dogs, coca-cola, and ice cream booths and games of skill.

Dancing was enjoyed to the music of the University Dance orchestra.

## Beta Chi's Hold Bowery Ball

Members of the Beta Chi fraternity were hosts at a recent gathering at "Diamond Lil's" American Hellenic Center. Dan Franciaco's orchestra entertained the guests and Mr. "Barrelhouse" Read led the square dances. The guy's molls who sponsored the ball were Nita Medina, Hilda Bethea, Dot Hill, Virginia Richlieu, Wanda Waters, Dot Giles, Bette Campbell, and Emma Jane Beynon.

These young ladies were appropriately presented with gifts of ankle bracelets. Special guests at this social function were Dr. "Whiskers" Laub, Mademoiselle Harriet Dobson, Mr. and Mrs. "Tubby" Nesworthy, Mrs. Mary "Babe" Givens, and Mr. and Mrs. "Skinny" Phelps.

It was a very quiet affair and the only accident which occurred was the feather duster falling off Miss Mathis' hat. Everyone was attired in the latest fashion and some of the charming and talented can-can dance girls mingled with the guests. Mr. "Glumney" Bluemle and Mr. "Stinky" Kaufman were in charge of keeping the peace and making arrangements.

## YOUR COLLEGE CAN NOW HELP YOU BECOME A NAVAL OFFICER

**Freshmen, Sophomores, 17 THRU 19. Enlist now!**  
**Stay in college! You may qualify for a Naval Commission on the sea or in the air.**

**Freshmen. Sophomores.** Here's a challenge—and an opportunity! Your Navy needs trained men. Trained men to become Naval Officers! And your college is ready to give you that training now.

### Here's New Navy Plan

If you're 17 and not yet 20, you enlist now as an Apprentice Seaman in the Naval Reserve. You then continue in college, including in your studies courses stressing physical training, mathematics and physics. After you successfully complete 1½ calendar years of college work, you will be given a classification test.

### Aviation Officers

If you qualify by this test, you may volunteer to become a Naval Aviation Officer. In this case, you will be permitted to finish the second calendar year of college work

before you start your training to become a Flying Officer.

However, at any time during this two-year period after you have reached your 18th birthday, you may, if you so desire, take the prescribed examination for Aviation Officer . . . and, if successful, be assigned for Aviation training. Students who fail in their college courses, or who withdraw from college, will also have the privilege of taking the Aviation examination.

### Deck or Engineering Officers

If you qualify in the classification test and do not volunteer for

Aviation, you will be selected for training as a Deck or Engineering Officer. In that case, you will continue your college program until you receive your bachelor's degree, provided you maintain the established university standards.

### Other Opportunities

If you do not qualify as either potential Aviation Officer or as potential Deck or Engineering Officer you will be permitted to finish your second calendar year of college and will then be ordered to active duty as Apprentice Seamen. But, even in this event, because of your college training, you will have a better chance for advancement.

Pay starts with active duty.

It's a real challenge! It's a real opportunity! Make every minute count by doing something about this new Navy plan today.

## DON'T WAIT...ACT TODAY

## Nita Medina Is A. G. President

New officers of the Alpha Gamma sorority were announced at their Spring dance. The officers were installed at an impressive candlelight ceremony at the American Hellenic Center before the dance. Miss Nita Medina was chosen president, and Miss Mary Collura, retiring president, presented Miss Medina a gavel as a gift to the sorority.

Other officers are Miss Katherine Perdicaris, vice president; Miss Frances Piazza, secretary; Miss Gloria Runton, treasurer; and Miss Elizabeth Erwin, sergeant-at-arms. Dr. Amelia Lautz, a guest at the banquet, toasted Miss Medina, and the new president responded with a toast to the sorority.

Immediately after the banquet, the sorority members were hostesses at an invitation dance. The banquet rooms and dance floor were beautifully decorated with pastel flowers, and the new officers, who were guests of honor, were presented arm bouquets of white rosebuds, tied in green and white ribbon, the sorority colors.

Don Francisco's orchestra provided music for the dancing, and sponsors were the Misses Rosemary Didier, Marie Hausrath, and Katherine Shiro. Chaperons at the dance were Dr. Amalia Lautz, Harry Dobson, Mrs. Mary Haverstick Givens, and Dr. Laub.

## Passing Parade

(Continued from Page 1)

mention new national defense courses. Last fall the football team played a hard season, winning five games of a schedule of nine and losing the others by only a small margin. A crew was organized at the university for the first time this winter and made the remarkable record of defeating Ashville by four lengths, the American International college by five lengths, and by breaking the record of the course in its race with Rollins, although in this race it was defeated. Even though the baseball schedule is not yet complete, the team has won twelve games and lost only three. The intramural program has continued to reach an extremely high percentage of the student body.

Publications have interested many throughout the year. The Minaret faithfully reported events from week to week; the Muezzin has selected the foremost literary productions of the year, and the Moroccan is promised by commencement time. From a mimeographed publication, the Muezzin appeared in a printed edition, for the first time.

The musical events of the year included: two recitals by Miss Haverstick, Mr. Parks recital of original compositions, the orchestra concert and dance, recital, the concerto, the oratorio Elijah, the candle ceremony in the autumn, the varsity show, and recitals by students of Mr. Wiltse and Miss Haverstick. Barton Mumaw, American dancer presented a program. In December, the "313 Masquers" presented a 3-act play, "The Royal Family," and this spring a one-act play and dramatic readings. The Front Porch Frolics and the Junior Class Halloween Frolics should be mentioned also. The art department exhibited at the Florida State Fair and will also hold another exhibit before the end of the year.

From the time of the Pearl Harbor attack, the university geared itself on a war basis. Men students enrolled in three companies for military drill under the direction of army officers from MacDill field. Women students registered for classes in first aid and in home nursing and organized the sale of over \$2000 worth of government bonds and stamps. A student's war council was formed representing various groups in the university. The council arranged air raid drills and special assemblies on war subjects. Faculty committees worked in the fields of publicity, counseling, air raid precautions, and the establishment of a reading room for war materials. Dr. Lautz gave public lectures on nutrition. Mr. Wiltse organized public band concerts and weekly sings. Mrs. Connally's drama students appeared before groups of soldiers, and Miss Moffatt's dancers from the varsity show appeared on various programs.

Published during the year was Dr. Cramer's novel "Phoenix of East Hadley" and a mimeographed book by Mr. Mullen and Mr. Mortland in the field of marine engineering.

Buenos Aires, Argentina, expects to save 200,000 tons of fuel a year through its new order closing all motion picture and other theaters an hour earlier, suppressing certain street lighting, and extinguishing all lights in store windows.

## Mary H. Givens Presents Students

Mary Haverstick Givens presented her final recital in the ballroom May 19. A number of music students assisted in presenting selections.

The program included compositions

of the classic and romantic periods and consisted of movements from string quartets, a concerto written for piano and orchestra and piano solos.

The first shipment of citrus fruits to reach Dublin, Eire, in a year, arrived there recently and consisted of 5000 cases of oranges, lemons and grapefruit from Spain.

## Minaret Wants Your Military Address

The Minaret wants to keep up with Tampa U's former students who are in the armed services, so as to publish a list now and then next year. Therefore it is asking present stu-

dents who go into the service to drop a postcard to any member of the staff next year, telling where they are and what they're doing.

For refusing to get off a packed omnibus when the conductress asked him to do so to relieve the crowding, Edmund Johnson, a government clerk, had to pay \$25 in court in Aldershot, England.

The Greatest Air Army in the World  
Needs Flight and Ground Crew Officers

# NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ New Deferred Service Plan Allows You to Continue Your Education ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here — an urgent need here — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

## \$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

## Three Enlistment Plans for College Men

Juniors—Sophomores—Freshmen  
May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

All College Men May Enlist  
for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)

## MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

## ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation — the great career field of the future — this is where you belong. Your place is here — in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today — you can then complete your enlistment before any Aviation Cadet Examining Board.
