

## 51 MEN PLEDGE FRATERNITIES

SECOND IN A SERIES

### INDUSTRIAL PSYCHOLOGY NOW MORE IMPORTANT

Editor's Note: Industrial psychology is becoming increasingly recognized as a vital factor in personnel departments throughout the business world. Industrial psychology and the related field of vocational guidance are currently being extensively utilized by businesses of all sizes, as well as helping individuals plan their careers more intelligently.

by AUSTIN CURRY

Dr. James J. Kirkpatrick is typical of the many outstanding leaders of our community. He is affiliated with Byron Harless and Associates, Inc., in the capacity of Vice President and Director of the Industrial Division. The firm, which renders consulting services to business and industry on personnel and management problems, is the largest psychological consulting firm in the South.

Dr. Kirkpatrick has a formidable background both professionally and academically. He is a transplanted Tennessean having been raised in Johnson City. In preparation for his profession, he covered a wide area not only geographically but also in the field of psychology.

He received his undergraduate training and Master's Degree from the University of Tennessee. While a graduate student, he served as research assistant to the Psychology Department, conducting research on psychological measurement techniques. Prior to receiving his Ph.D., from Syracuse University, he served as project supervisor of the Industrial Service of the university's Psychological Service Center.

At the American Institute for Research, in Pittsburgh, he conducted research projects dealing with selection, training, and evaluation of personnel. In the light of personal experience as a World War II Air Force Pilot, the major portion of his work at the American Institute for Research was centered upon aviation personnel. He has accomplished much in this phase of psychology, and has published many articles on personnel research. Included in his thorough and experienced researching is the development and validation of selection procedures for civil airline pilots and flight engineers, and evaluation and training procedures for Air Force air crew members.

An active participant in community affairs, he is chairman of the Vocational Guidance Committee of the Tampa Kiwanis and renders further service to numerous civic clubs and organizations in the form of lectures and discussions on vocational guidance and industrial psychology.

His membership in the American Psychological Association, the Industrial Relations Research Association, and the Southern Society for Philosophy and Psychology confirms that he is as active in his field nationally as well as locally.

As has been indicated Dr. Kirkpatrick is a definite authority in the field of industrial psychology. He described the field as "comparatively small" and revealed that development since World War II has advanced quite rapidly with particular emphasis on research. Due to the constant and increasing demand for psychologists, students holding Master's Degrees are virtually assured an above average job with, generally speaking, exceptionally good remuneration. He stated, "More and more positions are being opened in industrial psychology by both the Government and private enterprise and while the Ph.D. degree is not now a requirement for the industrial psychologist, the student who goes all the way for the higher degree is likely to have even greater opportunities."

When asked if he would advise any student, presently in college and undecided on a course of study, to enter the field of psychology, he replied, "If the individual possesses sufficient interest and ability to undertake the desired graduate work, I would wholeheartedly recommend that this course of study be pursued."

### Selective Service Test to be Held

College students interested in taking the Selective Service College Qualification Test have until midnight, April 1 to submit application, it was announced today by Dr. R. L. Mohr of the University of Tampa, Test Supervisor. The test center in this area is Room 227, Dr. Mohr's office.

To be eligible to apply for the test, scheduled to be given to col-

lege students throughout the United States, April 19, a student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not have previously taken the test. The purpose of the testing program is to provide evidence for the use of local boards in considering deferment of a registrant from military service as a student.

### Pi Kapps Take Most With 20

### FRATERNITY TO ADOPT DAUGHTERS ON MARCH 21st

The time is midnight, the place any home in Tampa. A knock will be heard on many a door. In all cases a young and beautiful girl will be called to the door. Is its Jose Gaspar making another raid on Tampa? No it's the Pi Kapps out to claim a new bunch of girls, girls who will be taken as adopted daughters of the Fraternity. Yes every year on the first day of spring a new crop of daughters are adopted by the fraternity.

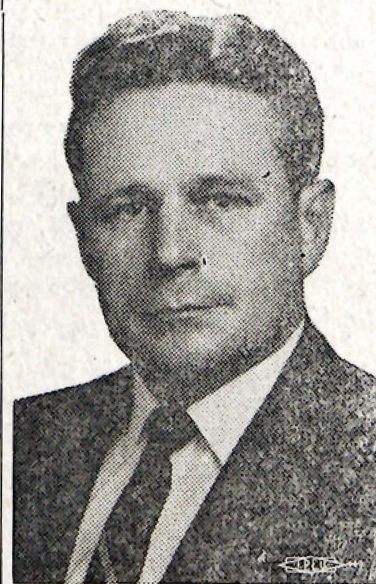

The girls who were adopted last year will become one year old this year. To them will go a birthday cake. To the new daughters will go a new surprise gift, one fitting for the occasion. A banquet will be held on Friday night March 23rd. All daughters will be escorted by their fathers. Pi Kapp fathers, that is.

So girls if you hear a knock on your door at midnight on the first day of spring don't call for the police, it will only be the Pi Kapps out to seize YOU as one of their new daughters. A baby booty filled with sweet peas will be placed around your neck. Wear it with pride to school the next day. It is a sign of distinction. You are a daughter of PI KAPPA PHI.

Old daughters are Nanette Nivens, Catherine Clements, Peggy Garcia, Jerry Davis, Diane Bidwell, Mary Fink, Marilyn Sollish, Phyllis Hagin, Joan Seargent, Ida Felicione, Doris Couthern, Barbara Harding and Joyce Newell.

### Former Student To Run For State Office

Yale Whidden, University of Tampa graduate, with a B.S. Degree in Business Administration, has announced his candidacy for representative in the State House of Representatives from Hillsborough County, Group 2.

YALE WHIDDEN

Whidden, is presently enrolled in the Stetson University College of Law, where he expects to graduate next year.

A veteran of World War II, Whidden, 35 years old and a life-long resident of Florida, is

### MAKE ORGANIZATIONS YOUR BUSINESS

According to Webster, an organization is a group or body of persons working together for a common end or goal. This definition applies to the organization here on the campus too. In your case, you are the "body or group."

It is up to you to take part in the organization and accomplish that end or goal. Everybody should have some other interests besides devotion to studies and adoration of the opposite sex.

If you are planning to be a teacher, join the Future Teachers of America; if you enjoy

dramatics, join the drama organization on campus. There are also organizations composed of members of the same faith.

Now do not get the wrong impression. It is not suggested that you major in "campusology." Instead you are urged to take a more active part in college organizations.

They are for you, the students, and it is your responsibility to show some interest in them.

So come on. Join a club and be somebody instead of just another student.

### HEATING SYSTEM COMPLETED

Now that the warm weather is almost upon us, the newly installed and intricate heating system has been completed.

A total of one hundred and seventy-six wall heating units have been installed in the classrooms, offices, women's dormitory and men's dormitory. The total cost of heating units and their installation came to \$25,887.42. The installation and operating conditions of this elaborate heating system has been in-

spected and approved by the Electrical Inspector of the City of Tampa, Florida.

The old reliable wood fireplaces in the main lobby and the kerosene stoves in the library will still be depended upon in the future.

The completion of this project was long awaited by both faculty and students. Job well done. Congratulations!

### "Son of Erin"

#### Organized

by JERRY GANEY

The charter of the Sons of Erin was approved by the faculty committee on Organizations and the Club is now officially under way. The officers of the club are: Dick Cole, President; Jim Gallogly, Veep; Paul McCauley, Treasurer; and Bill Doran, Secretary. Dr. Griffin and Professor O'Hare were appointed joint faculty advisors.

Those holding appointed positions in the new club are: Phil Sheridan, membership chairman; Walt Minahan, Social chairman and Dick Dougherty, Activities Chairman.

The first meeting was held at the SB Brewery last Friday night for all the new members. Songs and warm feelings were prevalent at this wonderful gathering of the Clans. Plans were discussed at this first meeting for a Saint Patrick's Day dance to be held at the Sulphur Springs Pool pavilion on or about March 17th.

The founding of this club has caused great interest among students and I have heard we may look forward to seeing another club or two designed along the same lines as the SONS of ERIN soon appearing on campus.

## The Minaret

The Minaret is the official publication of the student body of the University of Tampa. It is published bi-weekly during the school year.

The editor welcomes comments and criticisms. Address all correspondence to the MINARET, Box 28, University of Tampa, Tampa 6, Florida.

The MINARET is a student newspaper devoted to the interest of the student, the professor, the administration, and friends of the University, untrammelled by sinister influence from any quarter—the advocate of the right and the denouncer of the wrong—an independent vehicle for the free expression of opinion of all candid, honest and intelligent minds—a medium for free discussion; moral, religious, social, and scientific.

## ABOUT CAMPUS

# Organizational News

by JERRY GANEY  
Zeta Tau Alpha

The ZTA rush parties were both quiet successful. The first was a costume party and the second a formal party entitled, "The Rainbow Coffee."

Newly elected officers soon to be installed are: Mary Lou Roos, President; Mickey Rumori, Vice president; Virginia Spayde, Recording Secretary; Alice Farmer, Correspondence Secretary; Judy Goldsmith, Ritual Chairman; Eleanor Mayo, Membership chairman; Anna Cogno, Historian and Nancy Presbucker, Treasurer.

## Sigma Sigma Sigma

Thirty-eight rushees attended the first Tri Sig rush party at which time the college members of the sorority put on a little skit. The Florida Southern College chapter of Tri Sig attended the party as visitors. The Mothers Club undertook the project of helping with the food and refreshments for the party.

Officers have been appointed to cover the vacancies that have occurred from graduation. These officers will preside for the remainder of the school year. They are: Treasurer, Kay Andre; Recording Secretary, Lalah Tims; Correspondence Secretary, Jay Ellis.

## Alpha Chi Omega

The AXO formal rush party, "The Dream Cake Ceremony," was very impressive by candlelight. Miss Martha Thrill gave a wonderful vocal performance. Cake, Sandwiches and punch were served.

Tomorrow a breakfast will be held at the Morrisonette Room, at which time the "Carnation Girl of the Month," will be chosen. This honor is given to the girl, who in the opinion of her sorority sisters, has done the most to promote the aims and ideals of the sorority for the past month.

Formal pledging will be held March 12th.

## Pi Kappa Phi

Two new chapters of the Pi Kappa Phi fraternity have been installed this past month. They are at Central Michigan College, in Michigan and the U. of Houston, Houston, Texas.

Instead of the usual two rush parties the Pi Kapps gave one big rush party at the Fort Homer Hesterly Officers Club. As a result many rushees are expected to pick up Pi Kap bids.

The Pi Kapps defeated a hard fighting Rho Nu Delta team for the 1956 intermural basketball championship.

## Sigma Phi Epsilon

The Sig Eps report that another of their brothers has gone the way of all flesh or fallen victim to this leap yer; in short the Senior Class Crook was finally caught. William (Lefty) Colditz last week took Miss or rather the ex-Miss Sylvia Guerard for his bride. After the wedding a reception was held at their new home in Weelswood. This makes a total of two of the Sig Eps who have gone during the past few weeks. Publicity director, Ed Merit, says they seem to have started a small scale chain reaction with the announcement

that three Sig Ep brothers gave up their pins recently. They are: Art Blau to Jean Bradley; Frank Kretzmer to Louis Church and Warren Hassle to Diane Bidwell. Ed mentioned a few other names all who have ordered pins they aren't expected to keep very long. Don't ask for names girls you will just have to wait and see.

## Tau Kappa Epsilon

The Tekes were recently visited by the Grand Epi-Prytanis (Veep) Mr. Frank Scott. It is a national policy that all TKE's 131 chapters and affiliates be visited by a national officer at least once a year in addition to inspections by local officials and field secretaries. Scott was making a tour of the Southern chapters.

Nora Vega has been announced as the Teke's candidate for Miss Moroccan Queen. A member of Sigma Sigma Sigma, Nora is currently displaying Angelo Perez's Teke badge.

Tau Kappa Epsilon is the first fraternity to announce support for the college's production of, "Winged Victory." Mrs. Allen, Director of drama, has asked the "Tekemen," the fraternity's vocal ensemble, to appear in the first act of the play. Members will also have minor rolls with Al Harwood, Pantomimist, heading the Teke cast.

## Tau Omega

The Tau Omega fraternity announces the following have picked up their bids: Joseph Slovensky, Mello Rimoldi, Ed Stephens, Mike Whitwell and Ray Poccaro. In addition to these pledges the fraternity also added four honorary pledges: Santo Randagzo, Don Herndon, Ray Suraz and Jim Marshall.

The TO's annual Ring Dance will be held at the Tampa Yacht and Country Club March 16th from 9-1. The highlight of the dance comes when the members present their dates with a ring. The dance will be formal. Sponsors for the dance will be Miss Alice Farmer (ZTA), Mrs. Jean Maffio, Mrs. Ve Sais, and Mrs. Pauline Minahan.

The TO raffle will be held in the lobby at 12:30 March 14th. Two \$25 Savings Bonds will be raffled off.

The outstanding pledges for 1955 as announced by To President are: Bob Gambrel, Les Solomon and Ronald Osler. The outstanding member, Henry Garcia.

## Future Teachers of America

The FTA is making plans to have its meetings on Fridays at 12:30 in order to give more of its members an opportunity to attend.

The Tampa U. FTA is quiet proud of the fact that our own Dr. Cowen attended the White House Conference on Education earlier this winter. Dr. Cowen spoke on this conference before the last meeting. Many educators claim the conference to be the outstanding educational event of the century.

## The Third Side

by Elaine Mikler  
and Austin Curry

A reuent outbreak of "New Car Fever" has taken its toll on several TU personalities. Dean King is now doing fine with a brilliant red convertible. Billy "Crown Victoria" Shields and his blue and white streak may be seen flashing by if your glance is quick enough to catch him. And Ron Dristle claims his "Sunliner" is about the fastest thing this side of Georgia. (Daytona Beach time trials proved him right too.) That certain member of the faculty sporting that sharp Chevy hardtop is Dr. Joyner. Oh man, if you were only single. And we must not forget Prof. Sherer and his dual control job. We too will join the ranks of new motorcar owners if the 14 contests and drawings we are in come through like we hope they will.

Speaking of our famous mode of transportation, Steve Italiano asks: "What is the most expensive car in the world?" (You would think he would say Cadillac since he has one.) No, it is "Your own!" Now that's logical, and we agree especially if you have

about 18 more payments left on the infernal mechanical monster.

Two little hearts that are no longer pining (since the pining) are those of Jane Bradley and Art Blau. It is people like these that we wish the best. And the same to the new Groom, as of Saturday, our boy Bill Hereford.

Now that the Honor Roll and Dean's List have been posted for two weeks it has been observed that the crowd around the bulletin board has diminished. (All right, you characters, can the comments, we made it too.) But what we want to know is how did the Tiddley Winks meeting in the phone booth come out?

The phrase foreign to the english dialect which appeared in the last issue drew many comments and guesses. Jim Crumm said it was . . . Well, never mind, it wasn't that. The nearest translation that could

be gathered was: 'N'uts who are you to tell me what I like.' And for you people who like to play with these bits, we offer the following for interpretation: "Similia Similibus Curant Ur."

These private tutors are really getting a little high when they charge prices like this: Spanish; \$30 a quarter, French; \$20 a quarter, Scotch; \$20 a quart (ull one too.) Hmmm, we are afraid more than the tutors might be a little high on that last one.

The brief preview of that good old summertime weather which we have recently experienced was siezed as the moment opportune by Doris "Lil' Bear" Cothorn, iDana Aispuru, Ann Mayo, Beverly Dobbins, Ed Stevens, Bill Hovance, and several others we don't dare mention for fear of retribution. (NOTE: The aforementioned names and persons should not be construed or interpreted to

be connected in any light with the exception of sun.) These Spartans have inaugurated the the 1956 beach party season in grand style. Of course, if you are among the more fortunate, like Margo Prado, and have a cool pool at your disposal you don't care about the beach. Ah . . . it must be nice.

"A word to the wise . . ."  
Dear Mary kept a tiny book, all inside were on a hook. She played a neat little game; thought it would bring her fame.

She kept them on a string, unaware of what this would bring. She took 'em all for a ride.

Result: Dear Mary is no Bride.

An Oriental Proverb says, "Female who play man like yo-yo, will find out who has last ho-ho."

A prominent professor at Princeton declares that the entire study of Economics may be wrapped up into one sentence: "There is no free lunch." Can't help but wonder what kind of a grade this bit would get from our Economics Professors?

Orchids of the week to: Prof. Ben Sherer, for his fine job as referee during the Intramural Wrestling matches.

And we will depart with the Question of the Week: Have you paid your Income Tax?

## OH YOU KIDS! LUCKY DROODLES!

WHAT'S THIS? For solution, see paragraph below.

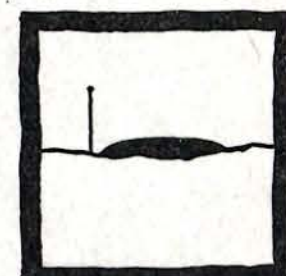

**DROODLES—POCKET EDITION.** There's a pocket edition of almost everything these days. Why not Doodles? This one's titled: Shirt pocket of Lucky Smoker. This smoker might give you the shirt off his back—but he'd sure hang on to that pack of Luckies. Reason: Luckies taste better. You see, they're made of fine tobacco—light, mild, good-tasting tobacco that's TOASTED to taste even better. Matter of fact, you'll say Luckies are the best-tasting cigarette you ever smoked! Better pocket a pack today!

# MISS MARCH

Our "Sweet little miss" for the month of March is just as charming as she is glamorous. (If this be at all possible.) This dish of ambrosia is a perfect example of true Southern beauty and would be promoted to the honorary rank of "Kentucky Colonel" by any red-blooded Southern gentleman.

Elaine, with her warm brown hair (and even warmer brown eyes) is from all appearances naturally endowed with riches. As a matter of fact this little doll did enrich the interior appearance of one of our national banks as a paid employee prior to gracing the halls of Tampa U.

Our Merry Miss has been recognized more than once for her pulchritudinous qualities. The Tampa Junior Chamber of Commerce was fortunate enough to have her in the Miss Holiday contest in 1954. The Tampa U. coed also added to the Miss Tampa contest by displaying her radiant charm and talent in the same year. A large Florida super-market chain selected her from a host of attractive contestants to reign as Miss Publix.

Far from being shy, this "Livin' doll" is the possessor of a personality unexcelled. One of her numerous attributes is that of being an accomplished journalist. And to top it all, this bit of femininity is an honor student.

The lady lovely is currently a definite asset to the City of Tampa Recreation Department. Of course this is only natural for this fun-loving freshman. And what masculine Spartan would not want to play ball with this vivacious gal?

# SPORTS CORNER

by Bill Kirby

While sauntering down to the boathouse on the banks of the beautiful Hillsborough River one afternoon last week in search of something extra special for this column, I spied Crew Coach Bill Stalnaker who came up with just what I needed.

From the confines of his automobile (if you can call "the Bug" that), he produced a scrap book in which were pictures (no!) and records of an internationally known sports figure.

Shown was a muscular young man in different poses and action shots aboard a racing bicycle — a young man who has accomplished many feats in a sport where competition and need for physical fitness could be no greater.

This young man, a member of the University of Tampa crew which opens its 1956 season today, was none other than Sophomore Henry Valencia.

Henry, a likable and serious-minded chap, holds many titles and has set numerous world's records in the sport which ranks as highly in his own country as does our game of football.

Henry, who is from Colombia, a South American country, climaxed his youthful career in 1953 when he competed in the Olympic Games in Mexico. Other events range from La Tour De France, San Paula-American Championship, Carribean Games at Guatemala, Athletic Games at Colombia, the Colombia Interscholar Championship, etc., etc., etc.

Henry holds so many championships they are hard to count. He has broken at least three world's records and has nailed down first place 168 times in 243 starts while winning 19 trophies and 37 medals.

And, now for the understatement of the year: Quite a record there, Henry. It should make all of us proud to have one of the world's outstanding figures on our campus.

**THIS IS DEDICATED TO JOE HEWLETT . . .**

Another member of the Spartan crew is due for special recognition. Joe Hewlett, who is serving his third season on the squad and his first in the varsity shell, has been belittled in one publication by being called a "newcomer" and omitted entirely in another.

Hewlett, who Coach Stalnaker rates as one of the most improved oarsmen, is rowing stroke this season and it a well-deserved position for the hard-working fellow. "When he first came out three years ago and sat down in that boat, I never dreamed that he would develop as well as he has," Stalnaker commented.

There you are, Joe, and Good Luck!

**MASON, VASQUEZ NAMED CAPTAINS . . .**

Larry Mason, one of two returning varsity veterans, was named captain and Pete Vasquez, just out of the service and a member of the 1953 team, was elected pilot of the JV team.

Other members of the varsity squad are Nick Nichols (is that spelled right, Nick?), Jim Newman, Don Phelps, Jack Harnett, John White, Art Blau, Hewlett, and veteran Coxswain Jerry Voyer.

## Minahan Heads Football Letter Winners

### SPORTS

"Bullet" Bill Minahan, Tampa's all-time-great quarterback, and other members of the Spartan football team were honored at the Tampa Quarterback Club's annual banquet held at Bartke's Rocky Point Restaurant recently.

To Minahan, who compiled one of the top passing and signal-calling records for the past four years as the Spartan's No. 1 quarterback, went the richly deserved Most Valuable Back award.

Minahan led Tampa to four winning seasons capped off by eight wins, two losses in 1954 and seven wins, two losses in 1955.

Tom Mahin, Ted Greene, Bob Lovelv, Ed Duray, Ron Osler and Nello Rimolda also received awards at the banquet.

Mahin, 245-pound tackle, and Greene, stalwart center who made the Little-All-America grid selections this past season, shared the Most Valuable Line-man awards. Lovelv, Little-All-America tackle, was selected the Most Outstanding Player on last year's team.

Duray, a guard, Osler, end, and Rimoldi, tackle, were named by teammates as the most underrated players.

Four of the gridgers are in line for professional jobs. They are Lovelv, Greene, Duray and Mahin.

## Pi Kaps Win Intramural Cage Title; Wrestling Gets Underway

by CHARLEY ROBINS

Pi Kappa Phi rolled up a big half time lead over Rho Nu Delta and coasted to an easy 37 to 21 win in a playoff for the Intramural League Basketball championship. Dave aJnasik scored 14 points in the one-sided victory to wind up as the league's leading scorer.

Rho Nu Delta couldn't get started in the early part of the game, and trailed by a 24 to 6 count at the half. The Rho Nu's came vack strong after the intermission but just couldn't overcome the big halftime deficit. In addition to Janasik's 14 points, Curry scored 8, Harte hit for 7 and Powers made 6 for Phi Kappa Pi. Sci-onti scored 10 points for the losers. No other Rho Nu Delta player could score more than one basket against the tight Pi Kappa Phi defense.

### Wrestling

In intramural wrestling last week, Rho Nu Delta placed first in only two divisions, but rolled up a total of 22 points to win the championship over Sigma Phi Epsilon by 4 points. Pi Kappa Phi placed third with 17 points, followed by Aau Omega with 16 and the Ace Club with 5.

In the top match of the day, Dick Harte of Pi Kappa Phi decided Tom Mahin of Tau Omega to win the heavyweight title. Other final round results were:

191 lb. — Sefcik (TO) pinned Minahan (SPE)  
175 lb. — Bosworth (PKP) pinned Solomon (TO)  
167 lb. — Mercandante (TO) pinned Leto (RND)  
157 lb. — Sabella (RND) pinned Miller (SPE)  
137 lb. — Coup (ACE) pinned Curry (PKP)  
123 lb. — Saladino (RND) won over Perez (SPE)

## Crew Opens Season at Lakeland Today In Founders Day Regatta

by BILL KIRBY

Spartan oarsmen, led by recently elected Captain Larry Mason, dip their sweeps in competition today for the first time this season as the 1956 rowing schedule opens for the Tampa crew.

The Spartans travel to Lakeland for the annual Founders Day Regatta in which they will be rowing against Florida's two uppermost crews, Florida Southern College and Rollins.

Tampa will be out to better its performance of last year when it finished a close second to Rollins in the meet with Southern crossing the finish line third.

### Spirit High

The team has put in a lot of work in preparation for its 1956 debut and Coach Bill Stalnaker says that the spirit of the crew is better than he has ever seen it at this time of the season.

"The boys are comparatively light (160-pound average) for a crew team, but they more than make this up with their hard work and mental attitude which goes a long way in determining a winner or loser," Stalnaker said.

The team is inexperienced as far as varsity lettermen are concerned. Only two veterans are back from last year's No. 1 team — Coxswain Jerry Voyer and Mason, who holds down the No. 7 position.

### Three Freshmen

Three freshmen are on the team announced by Stalnaker. They are John White, rowing No. 5, Jack Harnett, rowing No. 4, and Jim Newman, rowing No. 2.

## Nine Spartan Cagers Awarded Varsity Numerals

Basketball awards have been presented to nine players by Coach Gene Biittner.

Receiving jackets and letters were Bobby Bryan, Howie Bernstein, Bill Bosworth and Gene Peebles and Wiley Cairns.

Presented sweaters and numerals were Chuck Smith and Fred Guizielek.

Ed Sparling received a varsity sweater and Al Cason a freshman numeral.

The awards were made last week.

Bryan is a four-year man, Bernstein, Bosworth and Peebles are three-year men and Cairns, two-year.

Smith, Guizielek, Sparling and Cason are first-year players.

## Chuck Smith Takes Scoring Honors; Fred Guzielek Second

Chuck Smith, a 6-7 center, captured scoring honors for the Spartans this season as he poured 306 points through the hoops in 22 regular season games.

Final tabulations show the tall University of Florida transfer, who prepped at Hillsborough High School, sank 109 field goals and 88 charity tosses for a 13.9 average in his first year with the team.

Fred Guzielek, a sharpshooting guard, totaled 265 points to win runnerup honors. Guzielek, from Amsterdam, N. Y., is a freshman who served a stretch in the service before starting his college career. He averaged 14 points in 22 games.

**Bosworth Third**

Bill Bosworth, a three-year letterman from Jacksonville, placed third in the point standings with 89 field goals and 70 foul shots for a total of 248 points. He played 21 games and averaged 11.8 points per game. He alternated between forward and center positions.

Next on the list is Forward Wiley Cairns who tossed in 229 points in 22 games. Cairns, a two-year veteran with the Spartans, recently suffered a severely hurt ankle in practice and missed the Spartans trip to the NAIA tournament in Georgia last week. He is rated as one of the top rebounders on the Tampa squad.

Forward Les Solomon, who played 13 games, scored 209 points.

Howie Bernstein, last year's top scorer in the state with a 21-point average, was hobbled

by an injured ankle most of this season but scored 173 points in 15 games. Bernstein, who plays at guard, lettered for the third year.

**Peeples Make 111**

And last, but not least, of those who scored more than 100 points, is Gene Peeples. Peeples, a guard from Jacksonville, sank 36 field goals and 39 free throws for 111 points in 22 games.

The Spartans, who won 11 games while losing the same number, totaled 1675 points to their opponents 1833 in the 22 games.

## Yale Whidden

married to the former Helen Lindy Waters, and has three children. He is now residing at 3421 Belcher Drive.

His campaign committee will include Gene Lasswell and George H. Lyons, Jr., as co-chairman and T. Truett Ott, campaign treasurer with the official campaign depository at the Broadway National Bank of Tampa, Florida.

The major points upon which Whidden is campaigning are tax revision; reapportionment; atomic power development; schools, teachers, and our children and better road.

## Crew Makes Debut Today at Lakeland

(Con't from Page 7)

The others on the team come from last year's state champion junior varsity team. Nick Nichols is in bow, Don Phelps, No. 3, Art Blau, No. 6, and last, but not least, Joe Hewlett, No. 8.

Many top prospects are out for the junior varsity crew which is captained by Pete Vasquez, who stroked the team in 1953 before going into the Army.

**JV Candidates**

Jim Gable, Jack Bishop, Pete Scaglione, Bradley Wickersham, Donald Felts, Jack Harnett, Henry Valencia, Richard Lovett, John Alfano, Alan Harwood, Jim Puderbach and Ray O'Rourke make up the junior varsity candidates (and we hope we haven't overlooked anyone).

Good Luck, Crew!
