BULLETIN

This bulletin is published by the Publications Committee of the Student Council. It will be issued weekly for the information of students and instructors.

A full holiday will be observed Thanksgiving Day, Thursday, Nov. 24. All classes will be held Friday. Attendance is required.

Any student wishing to attend the Plant-Hillsborough game may obtain student tickets at the special rate of fifty cents by registering in the Dean's office before school closes Wednesday.

The athletic committee is organizing an athletic association among the students and patrons of the college. A one-dollar membership fee will entitle members to attend all the remaining athletic contests scheduled for the year. To save money, and to aid the athletic department, join now and become a charter member of the Tampa Junior College Athletic Association.

At 9 o'clock on Tuesday, Thursday, and Friday mornings, girls' basketball practice will be held at Lee playground, Michigan and Morgan streets. A full schedule is being planned. All girls interested in this sport should report to Coach Miller Adams as soon as possible.

A sub-committee of the student council is drawing up a constitution which will be presented to the student body for ratification in the near future.

Your attention is called to the lunch room which is operated for the convenience of the students. Only the very best of food is served, and as soon as this lunch room proves a success a number of students will be given work that will materially aid them in paying their tuition.

In regard to cutting: No student making a grade of C, or below, for the preceding : No student making a grade of C, or below, for the preceding grade period is entitled to cut his class for any reason except illness, unless he has previously notified and received permission from his instructor to cut at that particular time. By an agreement the student council has reached with Dean Coulson, a student doing B work may cut his class for any sufficient reason provided that the reason is satisfactory to the instructor. If the instructor does not find the reason satisfactory the student is liable to a penalty. An A grade for the preceding period entitles the student to cut when he sees fit without drawing any penalty; this exemption from penalty, however, endures only so long as the student makes up the work he has missed within a reasonable length of time.

Students with grades of C, or below, may be excluded from the final examination in any course in which they have an excess of three cuts.
