3 Students Suspended For Drinking

Players Hold Elections Adeeb Heads APO

The University Players announce their new officers elected at their meeting held in the Falk Theater, Tuesday, September 24, 1963 at 4:00 p.m.

President, Jerry Martin; Vice President, Ruth Pittman; Secretary, Erlene Gladstone; Treasurer, Elizabeth Frank.

Alpha Psi Omega, National Fraternity elected their new officers for the Tampa Chapter (University) at a meeting held in the Falk Theater, Tuesday, September 24, 1963 at 4:00 p.m. They are:

Grand Director, Diana Adeeb; Casting Director, Dennis Smith; Business Manager, Jim Abruzzino.

NEWS IN BRIEF

NATIONAL SPORTS

The Los Angeles Dodgers became the World Champions of baseball Sunday, October 6 when they won their fourth straight game from the Yankees.

FLORIDA POLITICS

On November 5 the citizens of Florida will decide Florida's immediate educational future by voting yes or no to the college building amendment.

Fernandez Appointed To Instrumental Staff By Delo

Dr. David M. Delo, president of the University of Tampa, has announced the appointment of Rodolfo Fernandez of Chile as a member of the instrumental staff of the university's Department of Music.

A native of Valdivia, Chile, Fernandez, a cellist, will teach private cello lessons at the university, Hunter Wiley, chairman of the Department of Music, said. The musician is under contract with the Tampa Philharmonic Orchestra also.

(Continued on page 6)

The following story was released to the Minaret in the form of a memorandum from the Dean of Men. The students' names however, were withheld. The following is directly quoted from the Dean of Men's Memo:

The following action was taken by the University Disciplinary Committee in three cases of students reported for drinking and disorderly conduct at a recent football game at Phillips Field.

CASE 1 — Suspended from the University for one year and not permitted to return. Forfeiture of tuition, fees and rent. Permanent entry on all official records and transcript.

CASE 2 — Suspended from the University for one year with permission to return. Forfeiture of tuition fees and rent. Entry on all official records and transcripts.

CASE 3 — Suspension for one semester with permission to return. Forfeiture of tuition, fees and rent. Entry on all official records and transcripts.

Students who are suspended or expelled from any institution are ineligible for admission to universities and colleges and may not earn credits toward graduation during the period of suspension

In a short interview with Dean DeCarlo, the Minaret was informed that "The Disciplinary Committee felt that it was extremely lenient in their first case. However, any future case will probably result in **EXPULSION!**" This should be taken to heart by all collegiate imbibers.

The age old sport of inebriating oneself while watching another sport seems to have come to a halt at this university.

Headliners To Play For Homecoming Dance

The HEADLINERS consist of four goodlooking, well dressed, talented musicians, vocalists, and entertainers. The leader, Lonnie London, plays bass, has a strong voice, and acts as master of ceremonies for the HEADLINERS.

The HEADLINERS do excellent solos and four-way vocals, and their vocal rendition of the score from Music Man always leaves the audience applauding for encores.

Bobby Lewis, guitarist, is a talented musician and vocalist and one of the finest banjo players in the country.

Ray Clayton, "the Mighty Mite" of the Headliners, is at home whether he is playing alto sax, clarinet, flute, or piano.

Larry Londin, percussionist with the Headliners, is also an excellent ballad vocalist. His feature "drum solo" is not just the ordinary type solo, but a real production that leaves the audience and Larry breathless.

All in all, if it is excellent, music, vocals, or floor shows . . . the Headliners are tops in their field.

The Headliners have had the following successful engagements:

Tropicana Hotel, Las Vegas, Nevada; Congress Inn, Tampa, Florida; Club Laurel, Chicago, Ill.; Lakewood Club, Chicago, Ill.; Cape Colony Inn, Cocoa Beach, Florida; Prince George Hotel, Toronto, Canada; The Suburban, Detroit, Michigan.

FIVE UNIVERSITY OF TAMPA

PROFESSORS PROMOTED

Announcement has also been made of the promotion of five faculty members of the university. They are Rabbi David L. Zielonka, promoted from associate professor to professor of religion; Wallace F. Green, from assistant professor to

associate professor of art; Dr. James A. Chambers, from assistant professor to associate professor of education; and Mrs. Frances Allen and Mrs. Florence Felten French, from instructors to assistant professors of Speech.

ADMISSION: 25c for University of Tampa students.

(50c for General admission not to be publicized outside of the University community).

ON THE CIRCLE

The Canterbury Club wishes to extend a hearty welcome to all new and returning students, especially Episcopalians. The Canterbury Club not only offers a convenient opportunity to the University of Tampa students to get together; but it also allows University of Tampa students to meet students from other upper level schools in this area.

This year Canterbury is planning a series of programs that will be fun; stimulating as well. We will have discussions on such subjects as: "The Playboy Philosophy and the Christian Religion," "Beatnik Poetry," and "Faith and Doubt:

Questioning God." We are also making arrangements to view a popular film with discussion afterwards.

All Canterbury Club meetings are preceded by a delicious dinner, served at 6:00 p.m., at St. Andrew's Parish house. The Parish House is located at 240 Plant Ave., catty corner to Lykes Hall.

Father Caldwell, our sponsor, and myself, Nancy Berenguer, President, are genuinely looking forward to meeting you and giving a hearty and sincere welcome. We are expecting you this Sunday night at the Parish House.

FROM RIGHT FIELD

by Phil Gernhard

"WHO CARES?"

Someone truly concerned with the vital issues of the day, who tries to discuss them with the average young American is apt to run into a very light shrug of the shoulders, and the exasperating reply, "Who cares and anyway, what can I do about it?" People who have experienced this, and I regret to say far too often, turn away extremely baffled and filled with a deep frustration. With each such encounter, they become less confident of the future of this country. Eventually they stop asking or trying to discuss. No longer angry, but very much alarmed, they join those who are growing more and more convinced that Young America, with their apathy, will eventually lead this country down the path to oblivion.

Although I can see their reason for alarm, condemnation is no answer at all. Public apathy is not centered just among the young, but covers the entire population, young and old, rich and poor. Like some insidious disease, it is bringing about the greatest danger to our way of life that has ever existed. I must disagree with the popular opinion that young people, by and large, don't give a hoot for anything except money, fun and games. If we look back, I think we would find that young people of today are much more advanced in their thinking and awareness than in years gone by.

Is my judgment erroneous? Do you really care and just have never taken the time to think about it? Let's throw a few questions at you and we'll see.

Would you care if your father's business was suddenly padlocked by the Federal government because of the great and heinous crime of not wanting a certain individual in his place of business? I think you would care.

Would you care if you had a government whose fiscal policies had put your country into the position that in the event that seven of the countries holding American dollars should demand gold for them, all 183 million of us would be bankrupt overnight. I think you would care.

Would you care if Five Dollars of your own personal money went to build airports overseas, where there has been no air traffic nor any likely prospects in the future. I think you would care.

These are, I'm afraid, just a few of the abuses perpetrated upon us today. It is beyond my comprehension that they could be met with an uncaring attitude.

It will be the policy of this column to seek out pertinent information on matters such as were mentioned and to speculative questions on the real and hypothetical problems of national and international concern. Although the conservative point will be prevalent, agreement with your outlook will not be your sole objective. Disagreement will be welcomed and encouraged. For discussion breeds ideas and ideas bring action. First though, we must rid ourselves of the ever present "Who Cares" attitude. Try it and see. Look into some of the policies and problems of today, it may surprise you and turn out to be very interesting. Remember, that an uninformed citizen, regardless of age, is potentially a dangerous one.

Next: "COULD YOU BECOME A COMMUNIST?"

From The Greeks

ALPHA CHI OMEGA

A cheerful atmosphere brightened all Alpha Chi's on their return to Tampa U. with the refurbishing of our sorority suite.

President of Howell Hall Dorm, Sister Alice Carter, gave a warm welcome to the new Freshmen and returning students. Wilanne Starling and Jane Humphreys are also assisting as dorm counselors. Carol Wilson was chosen dorm proctor by Dean King.

Our returning Big Lyres are Joe Mukleviez, Marc Beaubien, John Hines, Aaron Dowd, Carl Vent, Neil Rowsey, Robin Newbold, Andy DeMeyer, and Charles Lawton. We honor Big Lyres annually on the interest and spirit they have shown in Alpha Chi.

This year we have four Alpha Chi Cheerleaders cheering for our football team. They are Captain Peggy Ferugia, Linda Johnson, Yvette Forman and Alice Carter.

Preparations are underway for the coming of the 1963 Homecoming. We are proud to announce that we have six girls running for Homecoming Queen. The candidates are as follows: Wilanne Starling, candidate for Pi Kappa Phi; Pam Seifert, Theta Chi; Jane Humphreys, the Religious Council; Vilma Hevia, Alpha Chi Omega Alice Carter, the Methodist Student Union and Yvette Forman, Cheerleaders.

Alpha Chi Student Congress members for this year are Roxanne Call and Barbara Ubell, Senior Class representatives; Judy Summerlin, Senior Secretary-Treasurer; Betsy Mazula, Junior Representative, and Mimi Alexander, sophomore representative.

We are proud of our three Alpha Chi's who ran for the Spartan Queen Sports Contest. They are Linda Johnson, sponsored by Tampa Tribune; Vilma Hevia by Goff Jewelers, and Wilanne Starling by the Tampa Times.

Congratulations to pledge Judy Orovic, recipient of the \$200 Borden Scholarship. This honor is awarded annually to the Freshman maintaining the highest scholastic average. Judy's average was 2.78.

We want to extend our very best to sister Joyce Bixby who is now Mrs. John Kern of Pi Kappa Phi Fraternity, our past Sweetheart of Alpha Chi.

PI KAPPA PHI

The Brothers of Pi Kappa Phi Fraternity extend their welcome to the student body and especially the class of 1967.

At the termination of the 1963 year, the Brothers of Pi Kappa Phi were lacking eight of the old stalwarts. Brothers John Kern, Don Loney, George Clement, Leo Diaz, John Wolfe, Dean Burroughs, Grady Sweat, and Gene Green were graduated and now are pursuing their chosen discipline. We the brothers are optimistic, that despite the heavy loss, the 1963 spring pledge class will more than help in fulfilling the established expectations of Pi Kappa Phi.

Our calendar for the year is a well rounded one. It has been planned and formulated to include a sufficient amount of activities to touch on every aspect of college endeavor.

Socially, we have programmed an array of parties ranging from the annual Roman Party to the newly inaugurated Beatnik Party of last year. Athletically, Brother and tackle Jim Motsett, has mustered up a tough football team. Our Fearsome Foursome consists of Brothers Dick Jester, Phil Powers, Jim Gorman, and Rick Whitney.

Academically, our Advisors and Brothers Professor Charles Hyde and Professor William Cyzewski continue to pursue their quest for knowledge. Brothers Hyde and Cyzewski were granted fellowships to the University of Virginia and the University of Chicago respectively, and both have reported lucrative summers.

Archon Aaron Dowd and Brother Mike Busaccos, the enforcer, have prided themselves in maintaining newly established study hours in the house.

In conclusion here's hoping that Brothers Don Small and George Romano have another pleasant five year stay at the University of Tampa. Long Live the Taste King!

TAU KAPPA EPSILON

Tau Kappa Epsilon has begun the new school year with the election of officers which were held at our first formal organizational meeting. The officers are: President, Steve Corrao; Vice President, Tyrone McMurray; Secretary, Bill Peters; Treasurer, Bob Bernstein; Chaplain, Warren Petzold; Sergeant at Arms, Fred Nielsen; Historian, Eric Nelson; and Pledge Trainer, Bob Cheret. Also, we are proud and happy to announce that Eric Nelson has been taken into the fraternal bond of Tau Kappa Epsilon.

The Tekes have planned many fraternal parties and festivities for the coming year, for both the active members and pledges. Our chapter, Epsilon Beta, has also planned new and beneficial projects in line with our motto, "Not for Wealth, Rank, or Honor, but for Personal Worth and Character."

Congratulations are in order for all fraters of Epsilon Beta, for the highest scholastic average for fraters on this campus.

Tau Kappa Epsilon wishes to extend its welcome to the freshmen, and the transfer and continuing students.

DELTASIG NEWS

The International Fraternity of Delta Sigma Pi would like to extend a warm welcome back to another year of college life. And welcome we did! Epsilon Rho chapter donated, as a service to the University, much time and effort in making Fall registration a pleasant one for all new and returning students. The help given was in the capacity of pricing student tuitions.

The professional fraternity is beginning its fall rush program the very first week of October. Don't worry — you'll hear about it.

Brothers Jere Munz, Jeff Garson, and Al Waters have recently returned from the bi-annual 24th Grand Chapter Congress held this year in the mountain resort of Bedford Springs, Pennsylvania. It is felt that the many things the brothers learned there will be of great help to the 35 member chapter which celebrates its first birthday January 26 of next year. Among the highlights of the convention was the election of a new Grand President and officials of the fraternity, informative panel discussions, and fraternal gatherings of the some 400 delegates in a social atmosphere.

Look out for big things to happen this year from the fraternity that means business, Delta Sigma Pi.

Testa-Secca Exhibits Paintings In LaMonte

An exhibition of new paintings by Joe Testa-Secca, well-known Tampa artist and artist-in-residence at the University of Tampa, opened the season of the University's La-Monte Gallery Saturday (Sept. 28.) A reception for the artist, was open to the public.

The exhibition will continue through October 18. This year the gallery will be open to the public from 2 until 5 p.m. daily during exhibitions. Previous gallery hours were Tuesday through Saturday afternoons.

Testa-Secca, who teaches painting classes at the university, is a native Tampan whose work is well-known throughout the city. He designed the mural at the entrance to the Florida State Fair's cultural building, the stained glass windows of the chapel of the new Jesuit High School, and the murals that enhance the Administration Building and Science Building at the University of South Florida.

His 40-foot mural for the Reynolds, Smith and Hill Office in Jacksonville was awarded honorable mention in the 1962 national Gold Medal Exhibition of the Building Arts by the Architectural League of New York. Among the exhibitions in which Testa-Secca's paintings have won prizes are the Sarasota National Exhibition; the Society of Four Arts, Palm Beach; Art Association of New Orleans; Annual Arts Festival, Provincetown; Southeastern Annual Exhibition, Atlanta; Painting of the Year Show, Atlanta; Florida State Fair Shows, 1957-1961, and the University of South Florida's first annual invitational exhibition. In 1956-59, the artist was represented in the U.S. Information Agency show which toured Europe and the Far East.

Testa-Secca received his BA degree from the University of Tampa and holds a Master's degree from the University of Georgia.

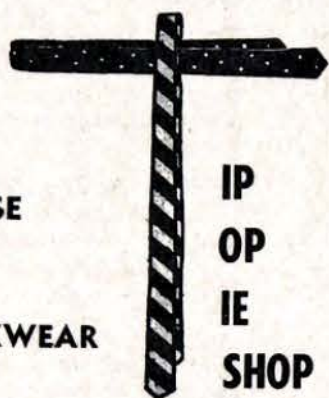

Other exhibitions scheduled in the LaMonte Gallery the coming year are contemporary prints by George O'Connell of the University of Maryland October 26 - November 15; contemporary sculpture by John Armstrong, Ernest Cox, Wallace Green and Vernon Voelz November 23 - December 14; new paintings by the Italian contemporary Silvio Lofredo January 5-25; paintings of William Pachner February 2-22; new paintings by Alfred Nash of the University of Tampa March 1-20, and the annual student art show of the university May 15 - June 5.

WORDS: THEIR CAUSE AND CURE

Today let us take up the subject of etymology (or entomology, as it is sometimes called) which is the study of word origins (or insects, as they are sometimes called).

Where are word origins (insects) to be found? Well sir, sometimes words are proper names which have passed into the language. Take, for instance, the words used in electricity: *ampere* was named after its discoverer, the Frenchman Andre Marie Ampere (1775-1836); similarly, *ohm* was named after the German G.S. Ohm (1781-1854), *watt* after the Scot James Watt (1736-1819), and *bulb* after the American Fred C. Bulb (1843-1912).

There is, incidentally, quite a poignant little story about Mr. Bulb. Until Bulb's invention, all illumination was provided by gas, which was named after its inventor Milton T. Gas

who, strange to tell, had been Bulb's roommate at Cal Tech! In fact, strange to tell, the third man sharing the room with Bulb and Gas was also one whose name burns bright in the annals of illumination—Walter Candle!

The three roommates were inseparable companions in college. After graduation all three did research in the problems of artificial light, which at this time did not exist. All America used to go to bed with the chickens, and many fine citizens were, alas, severely injured falling off the roost.

Well sir, the three comrades—Bulb, Gas, and Candle—promised to be friends forever when they left school, but success, alas, spoiled all that. First Candle invented the candle, got rich, and forgot his old friends. Then Gas invented gas, got rich, bankrupted Candle, and forgot his old friends. Then Bulb invented the bulb, got rich, bankrupted Gas, and forgot his old friends.

Candle and Gas, bitter and impoverished at the ages respectively of 75 and 71, went to sea as respectively the world's oldest and second oldest cabin boy. Bulb, rich and grand, also went to sea, but he went in style—as a first-class passenger on luxury liners.

Well sir, strange to tell, all three were aboard the ill-fated *Lusitania* when she was sunk in the North Atlantic. And strange to tell, when they were swimming for their lives after the shipwreck, all three clambered aboard the same dinghy!

Well sir, chastened and made wiser by their brush with peril, they fell into each other's arms and wept and exchanged forgiveness and became fast friends all over again.

For three years they drifted in the dinghy, shaking hands and singing the Cal Tech rouser all the while. Then, at long last, they spied a passing liner and were taken aboard.

They remained fast friends for the rest of their days, which, I regret to report, were not many, because the liner which picked them up was the *Titanic*.

What a pity that Marlboros were not invented during the lifetimes of Bulb, Gas, and Candle. Had there been Marlboros, these three friends never would have grown apart because they would have realized how much, despite their differences, they still had in common. I mean to say that Marlboros can be lit by candle, by gas, and by electricity, and no matter how you light them, you always get a lot to like—a filter, a flavor, a pack or box that makes anyone—including Bulb, Gas, and Candle—settle back and forswear pettiness and smile the sweet smile of friendship on all who pass!

Intramural Plans To See Big Year At TU

Intramurals begins its new year at the University of Tampa with the appointment of a new intramural director, Nelson Butler. In the first meeting of the year, Butler stressed to the organizations present that a full schedule of sports will be on the slate for the upcoming year. First on the agenda will be fencing to be held October 1 at 4 p.m. Each organization will be allowed two members and it will be a single elimination meet.

A meeting will be held on October 3 at 4 p.m. to set up a schedule for the football rag league. Other sports to be held throughout the year include volleyball, horse-shoes, baitcasting, tennis, golf, basketball, tug of war, and softball.

Organizations thus far represented are Sigma Phi Epsilon, Pi Kappa Phi, Theta Chi, Tau Kappa Epsilon, Delta Sigma Pi, Tau Epsilon Phi, McKay Hall, Smiley Hall, Main Building, and Lykes Hall.

If any other organization would like to enter the intramural league, please contact Nelson Butler as soon as possible.

Lawn Displays, Trophies On Tap At TU

This year the Student Government is urging all organizations to participate in all displays. In the past, full participation has been exercised only by the social Greeks, but this year we want to have as many floats and front yard displays as there are skit participants. If there are two (2) or more independent organizations entering the parade a "Best Independent Float" trophy will be presented.

We feel certain that the religious independent organizations as well as the Honorary Greeks in many cases are financially able to enter these functions. A little ingenuity and willingness can get a great deal donated and by your donation to the parade, we have a great deal more chance of making this year's Homecoming a complete success. Homecoming requires the entire 1600 student body effort and support.

And to those of you who are our Social Greeks on campus, we are urging your sincere thought and imagination in making this an event we will never forget.

In the past there has been a theme and we now wish not to place a worded theme, however, we have decided that all skits and displays must be designed around Homecoming and "The Progress of the University of Tampa." This means they can deal with alumni returning, the dance, the game, or anything you might desire dealing directly with the above. In other words, you may not have themes dealing with education and/or business. This is a Homecoming Parade, not an education and/or business parade. If you wish this type parade, may we suggest that you petition for such at another date. The floats themselves must be centered around the football game and the opponent.

There will only be allowed one (1) convertible car for each organization and besides its float. If you can obtain an antique from 1930 back and wish to decorate it, this may be a second car. Otherwise, you may have only one (1) recent model convertible per organization.

Our committee will be more than happy to help you and advise you of all details. Direct correspondence to Chairman of Homecoming, Student Congress, Box 40, University of Tampa.

The Waterspout

by Al Waters

Minaret Sports Editor

As the 1963 football season is getting underway we are aware that this is another big year for the brave band known as the Tampa U. Spartans. This is perhaps the most significant year in the history of Spartan sports for it is the year of the death of N.A.I.A. college football at this institution.

Oh, but that team doesn't know it. It seems that they are built of aggressiveness and the will to win. The 1963 squad lacks both size and experience, but one look at the record and you won't believe it. Yes, we have one win and one tie, but that tie was as good as a win morally.

Our first opponent, Western Kentucky, had just the week ago, massacred their season's first opponent and the general feeling around the town was that Phillips Field might be converted into a Little Big Horn on the night of the contest. Some of the line stalwarts were nursing injuries. The Western squad heavily outweighed the T.U. eleven and were more than just "highly" favored. When, in the waning moments of the game, big Jim Galmin caught that two point conversion for the 14-14 tie some opinions were changed and we knew that we had really proven ourselves.

Last Thursday, a bunch of scrappy little Mexicans came by to play 60 minutes of feetsaball. But they came billed as Mexico National champs, and that my friend, is Numero Uno! After it was over, they walked out, mucho disgusted as the scoreboard read Tampa U. 33 - Mexico Polytech 14.

So, in looking at our record we can see that this final year could be a memorable one and — cross your fingers — a loss-less one. What's that? We play Mississippi? Well, they are just another highly favored team. Ask the Spartan gridders themselves, I hardly think they will want to settle for a tie.

Quickies: Basketball starts December 3 against the University of Miami. Look for a team preview in the next couple of Minarets . . . also good coverage of the fine intramural program going on now . . . Look for a feature story on Tampa U's Judy Alvarez in the next issue. She is one of the top ten women tennis players in the entire nation . . . Look for a discussion of the death of football in the next Waterspout . . . John Harnett is back with the Minaret giving excellent coverage to the top athletic events at T.U. . . . Say, if you are a female student and would like to write about women's intramurals we have an opening for you . . . That's it for now — be looking for you next issue.

Important Notice To All Seniors

The 1964 editions of the following books are available to seniors and may be picked up in the Office of the Dean of Men:

COLLEGE PLACEMENT
ANNUAL
CAREER

There is no charge for these books.

NOTICE STUDENTS

All students who desire part time employment either during Christmas or permanently should see their respective personnel deans' secretaries for information. This should be done the last of October or just after November 1.

Current Placement Opportunities

For Seniors and Graduates

HARVEY AND HARVEY

Wanted: Accounting major for junior accountant. No age limit. If interested, check with the

Placement Office.

KANE SKYMART

Wanted: Men for retail furniture business. Grow with the industry. Those interested will please check with Miss Bennett in this office.

NEW ENGLAND MUTUAL LIFE INSURANCE CO.

Wanted: Men for sales. Good opportunity. Degree not necessary, but some college required. If graduate, any degree.

Placement Interviews from October 5th to October 18th

CITIES SERVICE OIL CO. INTERVIEWS

Date: October 9 (Wednesday)

Time of interviews: Beginning at 9:30 a.m.

Prospective Business Administration graduates for MARKETING.

(Appointments will be scheduled in this office.)

Date: 16 October (Wednesday)

Time of Interviews: Beginning at 10:00 a.m.

Prospective graduates — any degree.

All organizations are urged to please pick up their mail in the mail room. The mail is piling up.

Tampa U Ties Kentucky; Stomps Mexico 33-14

by John Harnett

For the followers of the University of Tampa Spartans football team, the opening two games of the 1963 season must leave a confused impact on the fan's minds of just how great or how bad their performances were in the games played against Western Kentucky and Mexico Poly.

In the opening game before 8,000 fans, Tampa rallied in the last two minutes of play, and tied Western Kentucky 14 to 14. Tampa drew first blood in the game when guard Ronnie Brett recovered a fumble on Western Kentucky's 14 yard line. Moments later, Fullback Bilily Boyd scored on a 14 yard run around left end. The attempted kick was blocked, and Tampa led 6 to 0 at halftime. Intercepted passes and fumbles hurt Western Kentucky's chances.

Western Kentucky came storming back in the third quarter as Jim and John Burt paved the way to the first touchdown. A intercepted pass led the way to the second touchdown which was helped along on a 17 yard pass play and a 24 yard run by Joe Baird. Both extra points were good, and it appeared as if the ball game was over until Tom Doan recovered a fumble at Western Kentucky's 24 yard line. A 17 yard pass from Bessent to Galmin was the big play, and John Perry capped the drive with a one yard plunge. Then came the vital two point play as Johnson passed to Galmin to tie the score with a minute to go. An attempted field goal from the 41 yard line with seconds to go was no good, and the first game ended in a tie.

A stalled offense and missed tackles were the main disappointments for the Spartans, but they more than made up for it with a determined effort and desire in the last few minutes of the game. Bad weather and a muddy field also did not help either team.

Rain was once again falling lightly as the Tampa Spartans engaged and defeated an inspired Mexico Poly team 33 to 14 behind the flashy end runs of their fleet footed halfbacks and fine passing by both Tampa quarterbacks, Vaden Bessent and Val Johnson. The visitors made a fight of it until tiredness

set in helping Tampa to score its final two touchdowns.

Tampa scored first as John Perry ran 28 yards early in the ball game to score, giving Tampa a 7 to 0 lead and making fans believe that this would be a rout. However, Mexico Poly came right back to score, mainly on their ground game. A fumbled snap on an attempted extra point resulted in two points and a Mexico lead of 8 to 7. Tampa once again beat the clock, and with only 15 seconds remaining in the first half scored as John Perry completed a 58 yard touchdown pass to Billy Howell to make the score 14 to 8 at halftime.

Tampa opened the second half with a score which was highlighted by a fourth down pass from Johnson to Perry which kept the drive going. Mike Buss went over for the score and Tampa led 20 to 8.

A passing attack and a fourth down mistake by a Tampa player led to the second touchdown by Mexico Poly. When it appeared that Tampa had stopped a Mexico drive on its 11, Tampa center Ed Owen engaged in a fight with the intended receiver and Tampa was penalized giving Mexico new life.

A passing attack helped Tampa score again which was climaxed by a 3 yard run by Buss. A final score came when Tampa scored on a six yard run by Perry at the end of the ballgame following an intercepted pass.

Penalties hurt the Tampa Spartans as they were penalized 80 yards, and their interior line was more than matched by Mexico Poly's which forced the Tampa team to go to the outside where they succeeded very well.

Tampa's next opponent will be Southeastern Louisiana which lost to tough Chattanooga by a slim score of 9 to 0 and they cannot afford to make the mistakes against this team as they did against an inspired but undermanned Mexico Poly team. However Tampa's offense showed great potential, and perhaps this will be the key to their next game.

Nine Professors Added To University Staff

The appointment of nine new faculty members at the University of Tampa has been announced by Dr. David M. Delo, university president.

The new faculty members are Dr. Charles R. West, Jr., as assistant professor of philosophy; Roland C. Ting, assistant professor of physics; John H. Lindenmeyer, assistant professor of political science; Traver C. Sutton, assistant professor of biology; Fred Fisher, assistant professor of sociology; Mrs. Elisabeth Sheaff, assistant professor of modern languages; Mrs. Nora B. Helvey, interim assistant professor of modern languages; Harold Nosti, instructor in art, and Nelson Butler, interim instructor in physical education.

In addition, three faculty members of the university have rejoined the staff after leaves of absence. They are Dr. M. C. Rhodes, long-time Dean of Administration who retired as dean last year and returns to the faculty as professor of mathematics; Dr. James A. Chambers, associate professor of education, who received his Doctor of Education degree from the University of Tennessee this summer, and Michael D. Doran, assistant professor of psychology, who has been studying for his PhD degree at Florida State University.

Dr. West holds a BA degree from Texas A & M and MA and PhD degrees in philosophy from Columbia University. He also attended the University of Paris for one year as a Rotary Foundation fellow in philosophy. He formerly served as a lecturer in philosophy at Arkansas State College.

A native of Formosa, Ting received his BS degree from National Taiwan University, Taipei, Formosa, and his MS degree in physics from Kansas State Teachers College. He has taken work for PhD degree at Temple University, Philadelphia, and before coming to Tampa was a faculty member of Pennsylvania State University.

Lindenmeyer, who is a retired Air Force Lieutenant Colonel, previously was professor of air science at Franklin and Marshall College, Lancaster, Pa., where he was commanding officer of the Air Force ROTC unit for four years. He holds BA and MA degrees from the University of Iowa.

Sutton comes to the University of Tampa from Evansville College, Evansville, Ind., where he has been a faculty member for the past six years. He received BA and BPh degrees from Adrian College, an MA degree from Battle Creek College, and an MS degree from the University of Detroit. In addition, he holds an honorary LLD degree from Michigan Lutheran College.

Fisher was a member of the University of Tampa's Evening Division faculty during the 1962-63 year. He holds a BA degree from Calvin College, Grand Rapids, Mich., and a Master's degree in social work from the University of Michigan. He has several years' experience as a high school instructor.

A native of Germany, Mrs. Sheaff has been a resident of the United States since 1954. She received her BS degree from East Tennessee State College and has a Master's degree in German literature from the University of Tennessee.

Mrs. Helvey is a native of Budapest, Hungary, having received a BA degree from the Humanistic Gymnasium in that city. She took additional studies in French at the

University of Grenoble, France. Mrs. Helvey was a French instructor in the University of Tampa's Evening Division from 1960 to 1963.

Nosti, who formerly was a part-time art instructor with the University of Tampa and now assumes full-time status, attended the University of Alabama, Ringling School of Art, and received a BA degree from the University of Washington, Seattle. A resident of St. Petersburg Beach, he has taught community art classes in Pinellas County.

A University of Tampa graduate, Butler received his Master's degree from Appalachian State Teachers College, Boone, N.C. For the past few years he has been a gymnastics instructor with the Tampa Recreation Department.

Rules For Skits Listed By Committees

1. A typed outline must be submitted on or before Oct. 7, 1963.

2. Tryouts (dress rehearsal) will be held on Oct. 10. They will be held at the Falk Theater, starting at 6:30 p.m.

3. The Spartan Splash, as it is to be called, is to be held in the Falk Theater on the evening of Oct. 17, 1963 (Thursday) and is to start at 6:30 p.m.

4. Entries will be of two types, "A" — skits, which will fundamentally be performances sponsored by an organized group. Type "B" — individual acts, consisting of any form of entertainment, such as singing or playing a musical instrument. These acts will not be sponsored.

5. Homecoming this year will be centered around Homecoming at the University of Tampa and its opponent.

6. No professional help or assistance will be allowed.

7. Rules for types "A" and "B" are as follows:

"A" — For this category there will be an entry fee of \$4.00 (this is to cover the cost of trophies), which will be refundable upon failure to make the finals. The skit may last up to seven minutes, but this must include setting up and dismantling of stage equipment. The following organizations have been allotted time in the program upon compliance with the above rules: Kappa Kappa Psi, Theta Chi, Pi Kappa Phi, Sigma Phi Epsilon, Tau Epsilon Phi, Tau Kappa Epsilon, Alpha Chi Omega, Delta Zeta, Sigma Sigma Sigma, Zeta Tau Alpha. Four more places in the program are still open.

"B" — These individual acts will be charged a \$2.00 entry fee, which

Homecoming Ceremonies Underway At University Of T.

Plans for the University of Tampa's 1963 Homecoming celebration October 17-19 have been announced by Lowell T. Freeman, chairman of the Alumni Association's Homecoming committee, and John Hines, student body vice president who will coordinate university activities.

Highlight of the three-day celebration will be the Homecoming football game Saturday, October 19, which will pit the Spartans against Presbyterian College at 2:30 at Phillips Field. Preceding the game,

the annual Homecoming parade featuring gaily decorated floats will leave the campus at 12:30 p.m., winding its way through downtown Tampa to the stadium.

Other activities will include coronation of the 1963 Homecoming Queen and her court to reign over the festivities October 17; the annual student competitions for winning Homecoming skits, lawn decorations and floats; the Alumni Association's barbecue in the Student Center and bonfire and pep rally at Phillips Field October 18, and various alumni and student gatherings throughout the weekend.

Climaxing the three-day celebration will be the Homecoming Student-Alumni Dance October 19 at Fort Homer Hesterly. Having held separate dances in the past, students and alumni will combine forces for a joint dance this year. Several special awards will be made at the semi-formal event, which will feature entertainment by the Headliners of Las Vegas.

Candidates for Homecoming Queen, to be nominated by various campus organizations, will be announced shortly. Judging of the candidates will take place October 4. Announcement and coronation of the queen will be held at the "Spartan Splash" skit presentations the night of October 17 at the Falk Theatre.

Colorful lawn decorations, carrying out the theme of "Beat Presbyterian," will sprout up around the campus and in front of fraternity houses October 15. They will remain on display throughout the weekend.

Alumni barbecue reservations should be made with the college's Alumni Office.

Parade Forms

1. You must let us know in writing where your float exists by Tuesday, September 24.

2. Stripped floats will be inspected on or after Wednesday, September 25.

3. Float diagrams must be turned in to the Dean of Men's Office by October 1, 1963. A \$5.00 trophy fee must accompany your diagram.

4. All floats must pertain to this year's Homecoming Game and its opponent.

5. All organizations will be notified on the point system for judging in October and also on Parade details.

Auditions For New Play On October 7

The University of Tampa Players, the college's dramatic group, has announced that try-outs for "The Visit," well-known tragic-comedy, will be held Sunday, October 6, and Monday, October 7, in the university's Dome Theater. The Players will present "The Visit" in December in the Falk Theater. Joseph Young, Players' director, announced that about 25 men residents of the community, ages 30 to 70, are needed for roles, and five women. Audition time both nights will be 7 until 10 o'clock. Remember, that's October 6 and 7, University of Tampa's Dome Theater.

Robert Miller To Head Department Of Business

Dr. David M. Delo, president of the University of Tampa, has announced the appointment of Dr. Robert E. Miller, formerly of Villanova University, as chairman of the Department of Business Administration and Director of Business Relations at the university.

As Director of Business Relations, a new title at the university, Dr. Miller will work closely with individual business organizations and firms in the Tampa Bay area. He will organize and conduct special programs for business men, not only within the academic framework of the university but also seminars, lectures and other offerings of interest to area business men and their companies. In addition, he will invite guest lecturers from the community to speak to student groups at the university.

"As an integral part of the community, located as we are, I am firmly convinced that the University of Tampa should render an increasing service to the community," Dr. Delo said in announcing Miller's appointment. "The employment of Dr. Miller marks the initiation of a program of cooperation and assistance to business and industry which has long been in the planning stage."

The 41-year-old department chairman, who will also hold the title of professor of business administration, has a background which includes both teaching and business experience. He was assistant professor of economics at Villanova University, Villanova, Pa., teaching econometrics and international management for five years before accepting his present position.

Previously, he was assistant professor of economics at the University of Southern California, Los Angeles, for three years, concurrently serving as president and co-owner of Universal Statistics, Inc., in that city, a statistical consulting firm. He has been active in consulting work and as a seminar leader for business.

A native of Miami, Dr. Miller was instructor of statistics at the University of Miami for one year after receiving his BA and MA degrees in economics from that institution. He holds a PhD degree in economics from Bryn Mawr College. A lieutenant colonel in the U.S. Army Reserves, Dr. Miller has had five years' active duty with the U.S. Army Artillery in Europe and the Far East.

FERNANDEZ...

(Continued from page 1)

Fernandez attended the National Conservatory of Music of the University of Chile, where he studied cello and general music under the direction of Professors Adolfo Simceck and Hans Loewe. He is a graduate of the Teachers College of Valdivia.

He will be presented in the University of Tampa's first faculty recital October 7 in the university ballroom.

Fernandez came to this country in 1961 under a scholarship from the Rockefeller Foundation and the American Symphony Orchestra League to attend musical workshops in San Francisco, Los Angeles, New York and other leading cities. He accepted a contract to play with the Atlanta Symphony Orchestra, and comes to Tampa from that city.

Before entering the United States, Fernandez was a member of the National Philharmonic Orchestra of Chile for a number of years. He has toured extensively with the Symphony Orchestra of the University of the North of Antofagasta, Chile.

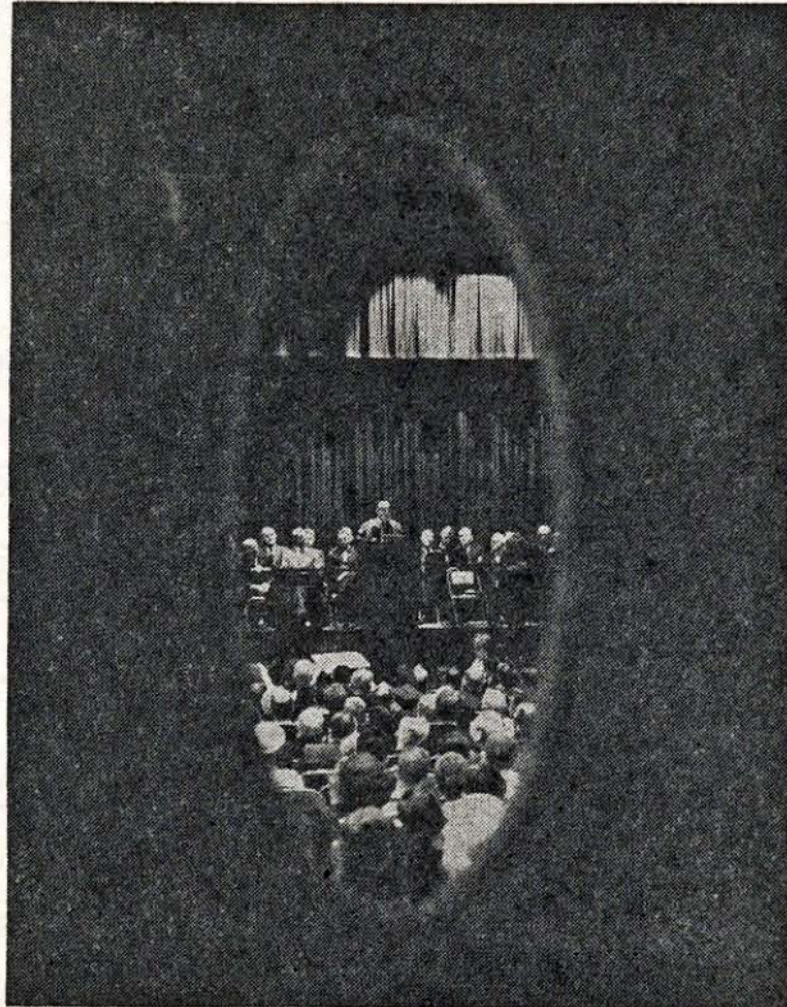

Faculty Recital

The University of Tampa Department of Music will present Rodolfo Fernandez, cellist, and Lucille Dworshak, pianist, in the first faculty recital of the season at 8:15 p. m. Monday, October 7 in the university ballroom.

Both Fernandez, a native of Chile who came to Tampa recently from Atlanta, and Mrs. Dworshak teach private music lessons at the university. Fernandez, formerly with the Atlanta Symphony, is now under contract with Tampa Philharmonic Orchestra. Mrs. Dworshak, well-known local piano instructor, has served as pianist with the Tampa Philharmonic.

The Monday night program which is open to the public without any charge, is as follows: "Sonata in G Major" by Samartini; "Suite No. 1 for Cello Solo" by Bach; "Rhapsody for Cello and Orchestra" by Fuleihan; "Allegro con Brio, from Sonata Opus 6" by Strauss; "Slavonic Dance No. 2" by Dvorak; "Vocalise, Opus 27," by Persichetti; "Gavotte No. 2, Opus 23," by Popper; "Allegro for Cello Solo, from 'Suite'" by Tchernepnine; "Liebesleid," by Kreisler, and "Orientale, Opus 50," by Cui.

Lovely Announces Student Center Activities And Programs

Under the authority of Student Union Director Robert Lovely, an active formal and informal program of events and activities for students at TU is slowly getting underway at the Student Union Building.

Included in this program of events for the forthcoming year are discussion groups, films, lectures, exhibits, dances, and many other forms of curricular and extracurricular activities.

One of the many facets of the different programs was begun the night of September 25, with the first meeting of the Great Books Discussion Group. At these meetings, which will be held every two weeks throughout the year, pre-read selected works of literature will be discussed and evaluated by the individuals present in an open forum type of meeting.

Varied films pertaining to all fields of endeavor are being and will be shown at different times of the year. These will include works from the Bell Telephone series, Twentieth Century, and others pertaining to sports, science, personalities, travelogs, and many more.

One will be able to find lessons in bridge, chess, dancing, and billiards for the women (pool for the men) in the coming months.

Dances sponsored by the different organizations on campus are scheduled, and other free dances will be given by the Student Center itself whenever possible.

Exhibits of the arts and sciences will be shown periodically, many coming from outstanding institutions throughout the United States.

There will be a myriad of different activities for students to participate in, the Student Center is run by the students for the students, throughout the year there will be programs and activities for any interest, look for them, look forward to them.

Periodically as we receive them, the Minaret will publish the different activities and events that will be happening in the Student Center.
