Sharon Loritz Wins Minaret Maid Of The Year Contest; Plasencia Is New First Maid, Porter Takes Second Maid

Sharon Loritz

—Photo by Col. Hutchins

The Minaret staff is very proud to present our Minaret Maid of the Year: Sharon Loritz, her First Maid Elena Plasencia and Second Maid Carran Porter. It was very close voting among the ten girls (and we may add, all of them would have made us proud to have as our Maid of the Year), and we were very much aided by the fact that almost 500 students voted.

The Minaret Maids were selected through the year for: physical attractiveness, pleasing personality and outstanding characteristics, by the Editorial board. The idea to select a Minaret Maid of the Year from all the girls, and give the students a chance to express their opinion through a voting process, came from Mayra Gomez, our Society Editor. Editor Dick Perrier and Mayra organized and carried on the contest. This was the first time this kind of contest was run by the Minaret, and with the co-operation from all the students it will make it possible to repeat every year. The girls were awarded their trophies at the Pi Delta Epsilon and Sigma Tau Delta banquet held in the Floridan Hotel, on May 15.

Baccalaureate Service To Be Held In Falk

Graduation 1965 will be on June 6. The Baccalaureate Service will be held in the Falk Theatre at 11:00 A.M. Sunday. Rt. Reverend Marion Bowman, O.S.B. Abbot, of St. Leo's College, will give the sermon, the subject being "Revolt or

Academic Policy Committee Announces New Regulations

The Academic Policy Committee recently announced new rules for academic regulation.

The committee has done away with probation except for new students from high school and suspension except for disciplinary purposes.

All students below a "C" average will be placed on academic warning. Those below "C" average but above the minimum ratio may continue on warning.

At the end of each spring semester any student below the minimum required cannot register in the fall without signing a Final Warning agreement. If at the end of the fall semester his cumulative quality point average is at or above minimum level he may continue. If not he is dropped.

If the student's cumulative quality point average is 1.00 or above after the semester in which he completes 90 hours is not subject to Academic or Final Warning. A cumulative quality point average of 1.00 is required for graduation.

Any student registered in the

spring semester may go to summer school here. A student must have a "C" average to attend summer school elsewhere.

The minimum levels are:
12-14 hrs. — a .20 cumulative quality point average.
15-34 hrs. — a .40 cumulative quality point average.
35-59 hrs. — a .70 cumulative quality point average.
60-74 hrs. — a .85 cumulative quality point average.
75-89 hrs. — a .95 cumulative quality point average.

Semester in which student completes 90 hours — 1.00 cumulative quality point average.

So that students may fully understand the new Academic rules we are printing a series of questions and answers that may arise about the new policy.

1. How does one get on Academic warning?
A. Fall below a C average.
2. How long can one continue on academic warning?
A. As long as he remains below C

Dr. Delo Congratulates '65 Graduates

To All Members of The Class of 1965:

Mrs. Delo and I extend our heartiest congratulations to you on your achievements and the imminent receipt of your coveted degree. I am sorry to see you leave the University. But I know that as alumni you will be back many times. When you do return, I will look forward to your call at my office so that I may know about your success and keep up with your activities. I hope you will also keep in touch with the Alumni Office so that news of your accomplishments may be recounted in the Muezzin for the pleasure of your friends.

You are leaving the University at a time when great things are brewing. By 1966 we expect to see a major improvement in our whole academic situation as a result of the work of the Commission on Program Revision which began last year. During the four years you have been here you have seen steady progress in all aspects of the University and many of you have contributed materially to that progress. Your work and your support are deeply appreciated even

though it is not possible for me to express that appreciation to you individually and personally.

As I forecast the future, I am confident that we should be able to break ground for the new library in the Fall of 1966. We should open a new dormitory for women at the same time. We should break ground for the new science building in 1968. There will be many other less obvious but nevertheless

important improvements over this period.

Each of you will want to be a part of these new developments which will produce a greater and finer University of Tampa and enhance the value of the degree you will soon receive. For no institution makes real progress without the encouragement, support and loyalty of its alumni.

To each of you I wish the greatest of success and the attainment of your heart's desires.

Cordially yours,
David M. Delo
President

New Counseling Center To Open Fall Semester

When the University of Tampa opens its doors in the Fall semester of 1965, new students will be directed to the Center of Counseling.

Dr. Willis Dunn, the present Registrar, will be director of the new Center and Mr. Don Miller, who holds a Master's degree in Guidance, will be his assistant.

3. How often will the records be examined?
 - A. At the end of every spring semester.
4. What is every student advised to do when he falls below the rule ratio?
 - A. Voluntarily withdraw.
5. Does he have to withdraw?
 - A. No, he may sign a FINAL WARNING AGREEMENT.
6. What is a Final Warning Agreement?
 - A. One in which the student indicates he is not taking our advice to withdraw, but will try to come up to the rule in one more semester. He indicates that he knows failure to do this will mean PERMANENT DROP on his record, with no further appeal.

1965 — The Class of Unrest

At this time last year we stopped to thank the graduates for sticking with the university during its trying years of transition, but this year we think we have something else to be thankful for, namely, the Class of Unrest. Here we are not just referring to student restlessness, but rather to the self-criticism which the administration forced upon itself. For the first time it was realized that bureaucratic pettiness was interfering with the smooth operation of the institution, and for the first time the administration heard the voice of unrest. The voice was a loud one that said that students were being ignored, that the advisor system was breaking down, and that women students were being treated like high school girls.

This year's graduating girls saw new freshman girls arrive each year and they saw many who never returned after that initial year. The majority of those that didn't return looked at their situation and said to themselves, "Here I am an 18 year old freshman, four years from now I'll be a 22 year old senior still having to live in an overcrowded dorm, still having to be in at ten o'clock nights during the week, and still being treated like a freshman." To those girls who had the patience to withstand these ridiculous rules we can extend our thanks, for they made others aware of this situation and now an incentive system is being considered.

Why are so many graduating seniors ready to sigh a sigh of relief? One answer is that they managed to graduate in spite of the inadequate advice and information which they received during their four years. Here they can pat themselves on the back, for they made the university aware of the need for a full time counseling center. While they are at it they might say thank you to Dean DeCarlo and Dr. Dunn for seeing to it that just such a center will be installed next year.

This has been a year of unrest but a year in which, because of Dr. Delo's cooperation, the unrest took on a constructive countenance, unlike the destructive form it has taken on in many of the nation's universities. There have been external advances also, but this year "The class of unrest" can take the credit for our greatest year of internal growth.

NOTE — The Minaret wishes to apologize to Co-ed Vice President Gail Fischer, for the mistake in our last issue which stated incorrectly that Carolyn Showers held that post.

Organization News

Pi Kappa Phi

The 1965 Rose Ball was held Friday, May 7 at the Columbia Restaurant. The Rose Queen for this year is Miss Judy Bonitz. In the Queen's Court are Miss Hope Harbison and Miss Gail Fischer. Brothers receiving awards were Walter Wilks, Outstanding Brother Award; Gene Chlibicki, Scholastic Award; and Lester Pedone, Outstanding Pledge. The weekend continued Saturday with a beach party at Bahia Beach. Sunday there was a picnic at Sam Pupello's house ending a fun-filled weekend.

We would like to take this opportunity to congratulate Sigma Phi Epsilon on their new house; also "Welcome into the neighborhood!"

Finally Pi Kappa Phi Fraternity wishes everyone a wonderful summer.

T E P

The brothers of TEP announced that the Greek Award, going annually to an outstanding male Greek who does most for interrelations among fraternities, went to George Murphy, Tau Kappa Epsilon. A plaque was presented to Julie Quintana, Delta Sorority, in appreciation for her continual loyalty to the fraternity and brothers.

The outstanding pledge award went to Jerry Kaplan. We also presented awards to Alan "Chico" Epstein and Alan Kalsmith for their hard work and loyalty to the fraternity.

We welcome our new brothers and bid farewell to our brothers who are graduating, wishing all a successful future.

Phi Alpha Theta

William Goca, a Clearwater attorney and vice president of the Florida Historical Society, was the guest speaker for the final banquet of Phi Alpha Theta, History Honor Fraternity, Sunday, May 16.

The officers for next fall who were introduced at the banquet are: president, Robert Marsh; vice president, Rodney Durance; secretary, Anne Ferguson, and historian, Gary Garbis.

Durance, Garbis, and Ferguson are the new pledges. Guests at the dinner were Dr. and Mrs. Delo, Dr. and Mrs. Jesse Keene, and Dr. and Mrs. J. Besier.

Next year's president, Robert Marsh, plans monthly meetings with historical films, a seminar on the problems of graduate students, and the presentation of papers.

Sigma Tau Delta

As another school year comes to an end, the members of Sigma Tau Delta, National Honorary English Fraternity bid farewell to our graduating brothers and sisters, and welcome in our new actives: Harriet Agster, Antonia Amoroso, Harriet Aronson, Richard Buckhantz, Buddy Denholm, Tina Dobrocky, Cecelia Fernandez, Joyce LoCicero, Glenna Osborne, Ruth Pittman, Trinidad Rio, Charles Stanton, and Suzanne Vano.

Our annual banquet, which is a joint affair with Pi Delta Epsilon was held at the Floridan Hotel. President Bernard P. Alicki announced at that time the new officers of Sigma Tau Delta for Sept. 1965: Richard Buckhantz, President; Harriet Aronson, Vice Presi-

dent; Suzanne Vano, Secretary; Trinidad Rio, Treasurer; Joyce LoCicero, Historian; and Tina Dobrocky, Pledge Trainer.

Delta Sigma Phi

The pledge class of Delta Sigma Phi, a business fraternity here at the university has just finished their pledge project. The project was to collect books to donate to the library. The unique fact about this project is that the fraternity did not seek to better its financial position by having a car wash or by using other common fraternity projects. Delta Sigma Phi is a fine example of what fraternities can do to express their interest in the university, and perhaps in the future other fraternities may follow its fine example.

McKay Takes Intramural Swim Meet

A strong McKay Hall team, led by Bill Gustavson and Dave Robinson, defeated a large field of entries to become champions of the University of Tampa Intramural swimming meet held at Davis Island Pool.

A close race was watched to the finish with McKay Hall edging Lykes Hall by a margin of only

two points. Lykes Hall earned the second place berth by scoring a total of 26 points. Following close behind were Sigma Phi Epsilon with 21 points and Tau Epsilon Phi with 19. Pi Kappa Phi placed 5th with 11 points and Tau Kappa Epsilon competed but failed to score.

Bill Gustavson led in the individual scoring honors by placing

first in the 50 yard Freestyle, 200 yard freestyle, and anchored the relay team which tied for first place. Wally Wilks of Pi Kappa Phi and Bob Ashmead of Tau Epsilon Phi tied for second place scoring honors.

RESULTS

50 yd. Freestyle — 1) Gustavson, McKay; 2) Wilks PKP; 3) Robinson, McKay; 4) Biallas, Lykes. Time: 24.0.

50 yd. Breaststroke — 1) Ashmead, TEP; 2) Hurt, SPE; 3) Smink, SPE; 4) Meridith, Lykes. Time: 35.5.

50 yd. Backstroke — 1) Biallas, Lykes; 2) Feeney, Lykes; 3) Whitbeck, SPE; 4) Moran, SPE. Time: 31.5.

Co-eds Win At Volleyball

Members of the girls' varsity volleyball team, spurred on by the records of the championship softball and basketball teams this year, took first place honors in the Intercollegiate volleyball tournament held at St. Petersburg Junior College April 8 and 22 in competition against St. Petersburg Junior College, Florida Presbyterian College, and Manatee Junior College.

By winning the volleyball championship, the varsity girls have brought the 1964-65 Florida Intercollegiate Women's League activity to a highly successful finish for the University of Tampa while establishing many "firsts" in the league's history.

Not only have the T.U. girls' teams won all of the seasonal tournaments sponsored by the Intercollegiate league this year, but, in doing so, the teams have gone undefeated in each of the sport seasons

a feat never before accomplished in the Women's Intercollegiate League.

This impressive record has been accomplished through the hard work and cooperation of the following girls who have competed for Tampa U. this year, many having played on all three undefeated teams:

Florence Barbour, scorekeeper; Jacque Beltram, Marilyn Bressler, Marilyn Bronstein, Judy Alvarez Campbell, Rosalie Coniglio, Candy Drezda, Cheryl Burford, Lorraine Giard, Lenore Gourley, Ditty Hollingsworth, Nancy McCandlish, Erica McDonald, Betsy Madzula, Bonnie O'Brien, Elizabeth Petroff, Donna Phillips, Karen Rumph, Janet Stepp, Pat Wolfe.

Green Spartan Crew Takes Punishment, But Looks Forward To Winning Season

From the standpoint of a rebuilding year, the crew team has good success, but from the picture of the won and loss record things could have been better. Coach Jonaitis had a number of freshmen in the Varsity boat and the inexperience caused some trouble this year but with the experience these boys gained we should have a tough squad for the next two or three years. The Varsity boat managed a third place finish in the state race and the JV boat came in second. The Spartans opened the season losing to the eventual state champs, Rollins. Tampa then came home and was beaten by Amherst by 12.6

seconds in a close race. An experienced Purdue team beat the Spartans by two lengths in their next race, but Coach Jonaitis felt the team was coming around. The next race made a good predictor out of the Coach as Tampa defeated AIC by four and a half lengths. This proved to be the Spartans only win of the year except for the outstanding victory the freshmen scored

over Howey-In-The-Hills and the Florida Southern JV team.

Coach Jonaitis said, "I think this race is a good example of what we accomplished this year. We lost a number of our men from last year's squad and thus were forced to go with the freshmen and I think the experience they received this year is going to make us a top-notch team in the future."
