Foreword

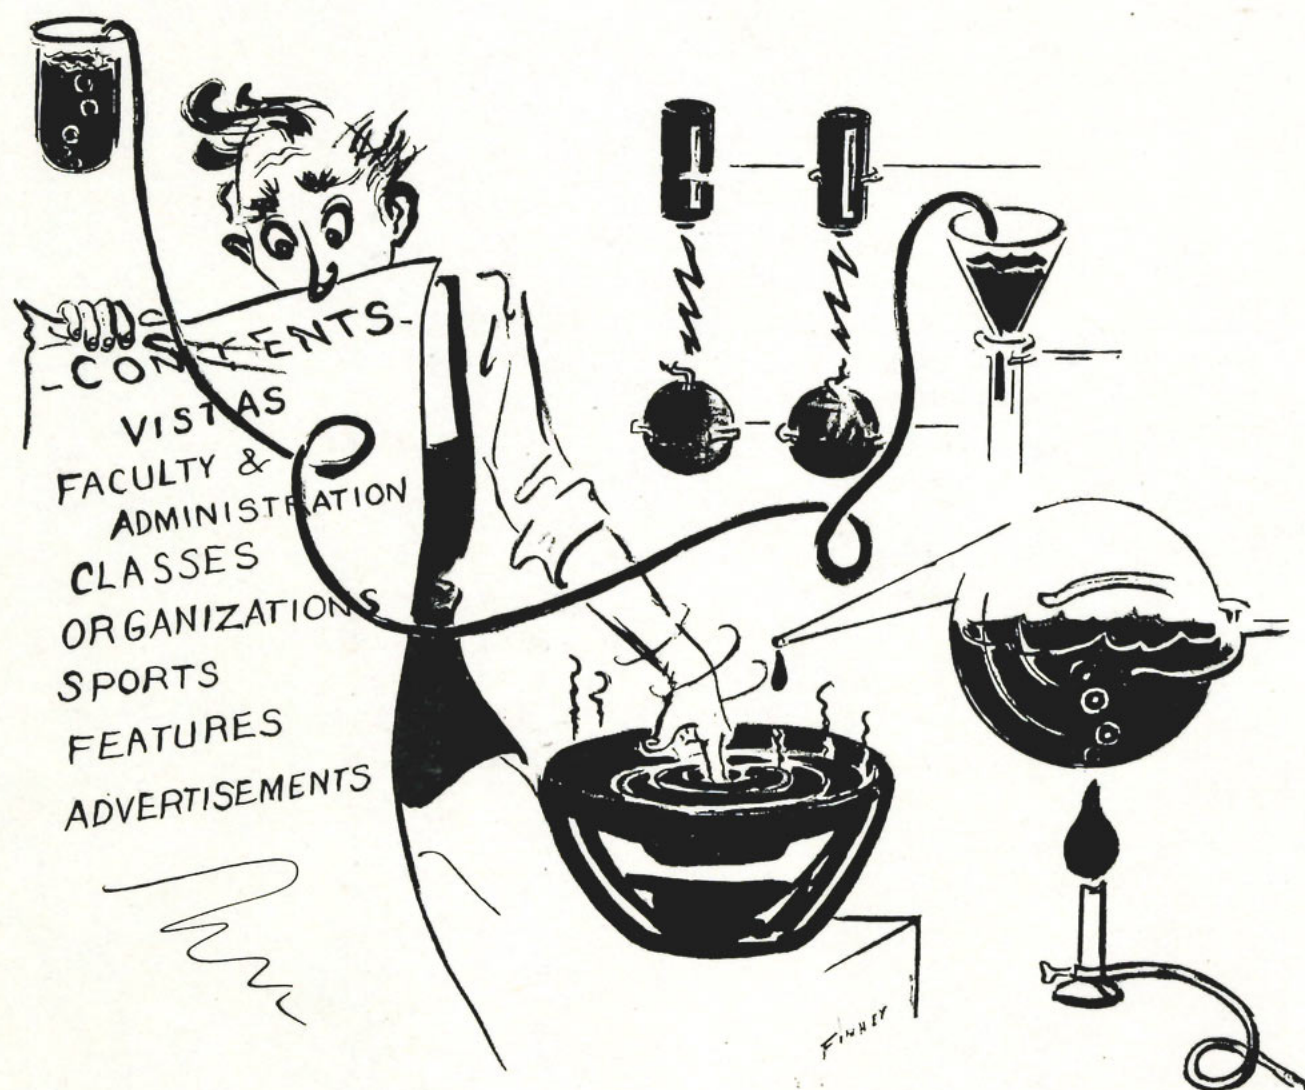

And now it's June again! We have reached the end of a full college year—not just any year, but the year 1941. We leave its memories bound between the covers of this Moroccan.

If sometimes in the years to come upon reopening this book, you can recapture for a little while the feel of the life here at Tampa U., the 1941 Moroccan will have achieved its purpose.

DEDICATION

This book is proudly dedicated to one whose profundity of thought has taught us how to live more completely; whose vital personality, and priceless sense of humor have shown us what education can be—Harry Dobson.

313 MASQUERS

"The Play is the Thing"

The 313 Masquers, one of the most active extra-curricular organizations on the campus, has a limited membership, awarded only after try-outs held each semester. Candidates are judged on voice, interpretation, abandonment, and memorization.

By virtue of a point system based on stage production, acting roles, and general loyalty, 313 Masquers may achieve membership in the honorary dramatic fraternity, Alpha Psi Omega.

Productions during the last year include "First Lady," and "Brief Music."

1940

Sept. 14—Appalachian:

Fresh from their training camp high in the Blue Ridge Mountains of North Carolina the Spartans journeyed to Boone to take on a highly rated Mountaineer eleven. However, the Teachers were able to score only twice, the first coming as a result of a lucky long pass. Beynon plunged over for the Spartan tally. Final—Appalachian 13, Tampa 6.

Sept. 27—Stetson:

After battling to a scoreless tie for the first fifty-nine minutes of the game our boys finally crashed into the win column. They moved ninety-nine yards in four plays to humble the Hatters. Our Champ intercepted a Stetson pass on his own one-yard stripe. Then Levin heaved three passes to Howell, the last connecting for a touchdown. Final—Tampa 6, Stetson 0.

Oct. 5—Florida:

The Spartans fought the heavily favored Gators to a standstill in the first half. However, superior reserve strength soon began to tell and the weary Spartan line began to crack after a fluke safety on a kick-off cost them two points. It was a bitterly fought game as evidenced by the free-for-all in the second half. Final—Florida 23, Tampa 0.

Oct. 11—Miami:

Once again Miami produces a powerhouse attack that completely bewilders the Spartans. Scoring in the first, third and fourth quarters the Hurricanes pounded the Spartan line relentlessly. Tragedy struck in the Orange Bowl when Paul Hance, Spartan back, was tackled by three Hurricanes while returning a punt, and suffered a cracked vertebra. Final—Miami 27, Tampa 0.

SEASON

Oct. 18—Rollins:

Going over, around, and through the battered Spartan line Messrs. Hardman, Lingerfelt, and Co. staged a track meet at Tampa's expense. Brilliant passing set up scores in every quarter. Final—Rollins 39, Tampa 0.

Oct. 26—Georgia Teachers:

The Tampans finally hit their winning stride to crush a valiant Teachers team. After Williams took the opening kickoff for a touchdown it was Tampa all the way. Final—Tampa 64, Georgia 14.

Nov. 2—Stetson:

The Hatters evened things up by taking the Spartans into camp in the second game of their series. A hot day and a poor field slowed up the Spartan attack. Highlight of the game was Champ Williams' ninety-five yard runback of the second half kickoff for a touchdown. Final—Stetson 19, Tampa 13.

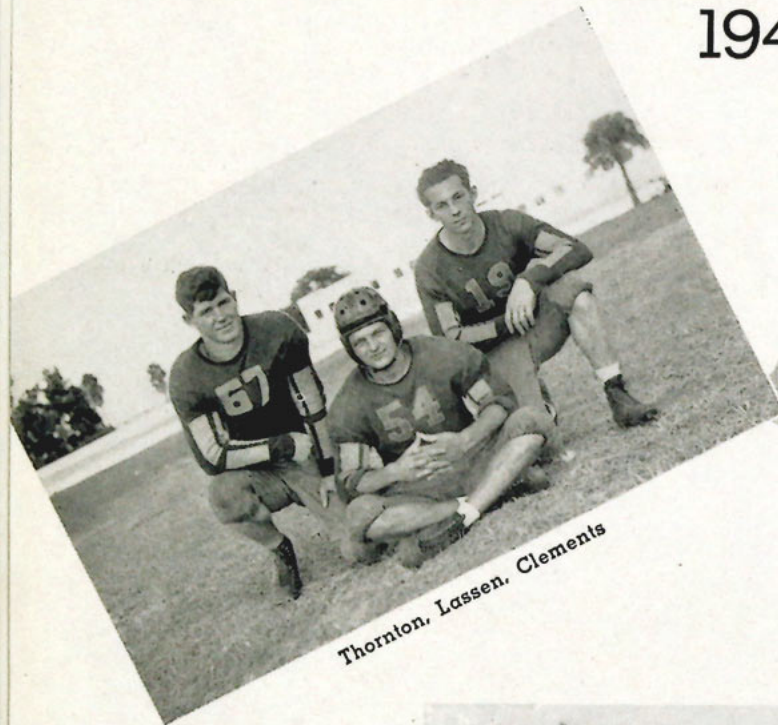

Nov. 8—Oglethorpe:

Playing like demons inspired the Spartans rolled over the Stormy Petrels like the tide. Our boys were led by Quentin, "Champ" Williams who turned in a sensational display of broken field running to hit the touchdown trail five times. Outstanding feature of the game was the downfield blocking of the Tampans, who kept the Petrels splattered on the turf all night. Comparato and Straner also scored on long runs. Final—Tampa 52, Oglethorpe 0.

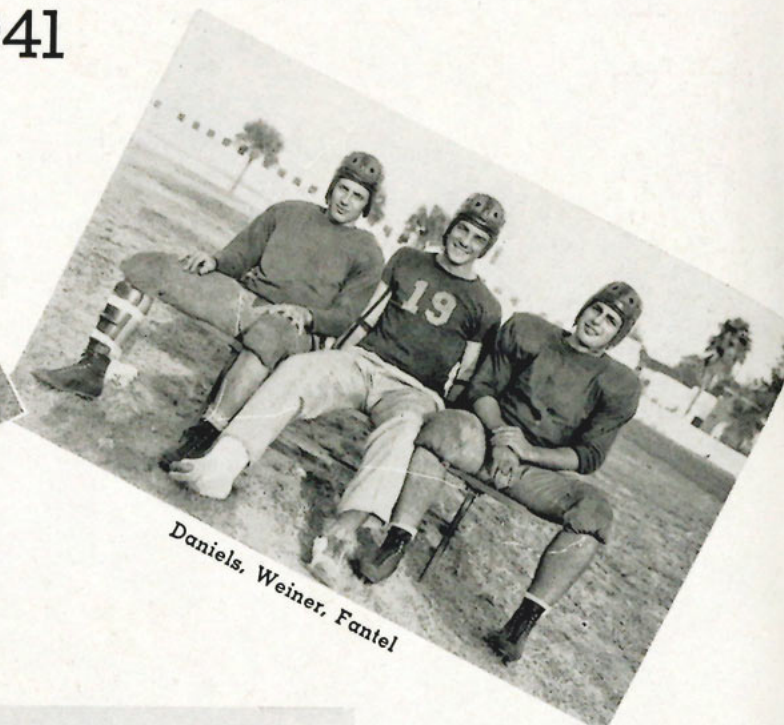

Nov. 22—Rollins:

Once again the smoothest small college football team it has been our privilege to see, humbled our Spartans. Combining deception and power with a bewildering aerial attack the Tars scored four times. Champ accounted for the lone Spartan tally. Straner brought the crowd to its feet repeatedly by racing for gains around Little All-American Lingerfelt's end. Final—Rollins 20, Tampa 6.

BABY SPARTANS 1941

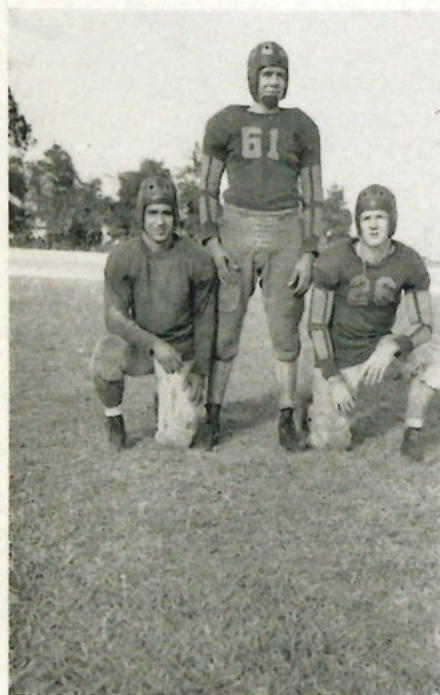

Thornton, Lassen, Clements

Daniels, Weiner, Fantel

Hardin, Myers, Cooksey

Marchetta, Bowen, Weech

Here are the fellows who act as chopping blocks for the Varsity all season. The squad has some excellent material in it and promises to send some first rate players to the Varsity.

Moosey did a great job in developing these boys from high school players to college timber and deserves lots of credit.

The boys didn't win any of their games, but what the heck—we all had a good time.

Coach Manucy

CAP'N HANCE

Breaking a neck in Miami didn't keep Paul Hance from coming to the Rollins game to act as captain

OUR BAND

Here's our band at Stetson where they captured the crowd's fancy with their swing tunes

Here are our high-stepping Drum Majorettes. They make a pretty eyefull, don't they?

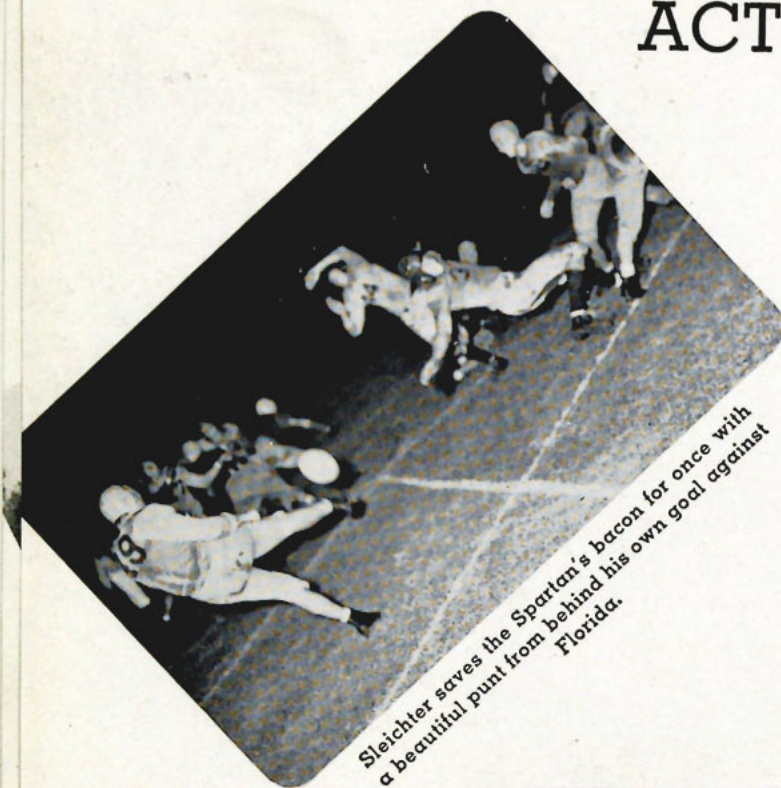

A shot of our starting line-up. How would you like to face these guys in a game? Plenty tough, I'll say.

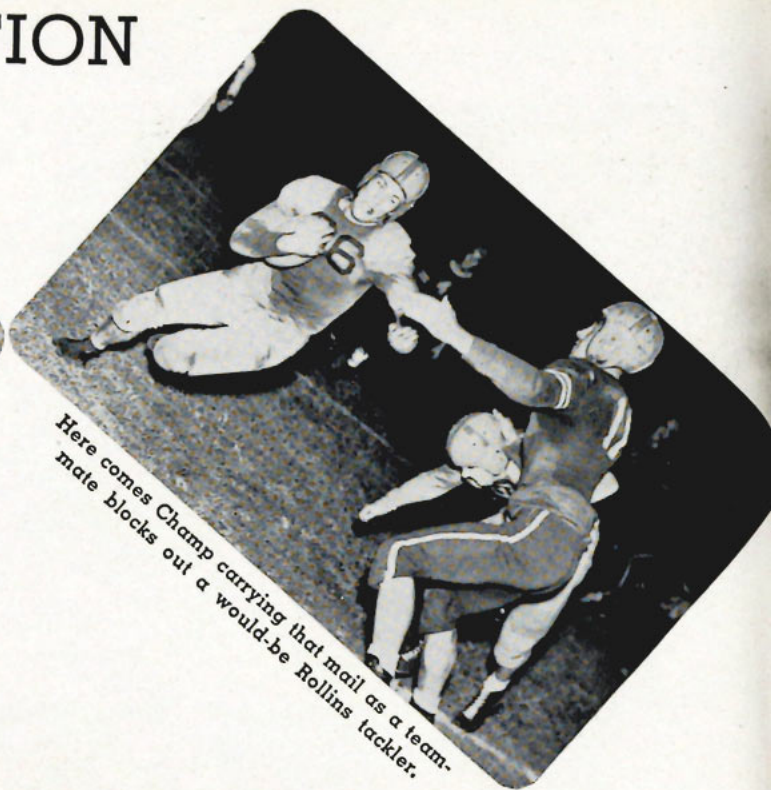

What would a football game be without our cheerleaders to organize our pep and spirit? These guys and gals' specialty was jitterbuggin' for the stands when the band swung out

ACTION

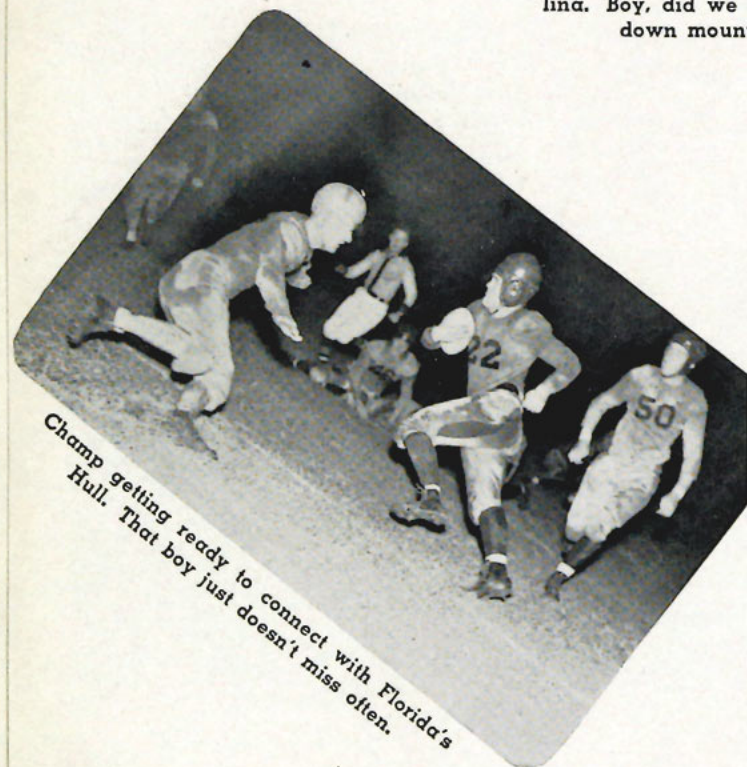

Sleichter saves the Spartan's bacon for once with a beautiful punt from behind his own goal against Florida.

Here comes Champ carrying that mail as a team-mate blocks out a would-be Rollins tackler.

Here's our squad at training camp in North Carolina. Boy, did we have a time running up and down mountains while practicing!

Champ getting ready to connect with Florida's Hull. That boy just doesn't miss often.

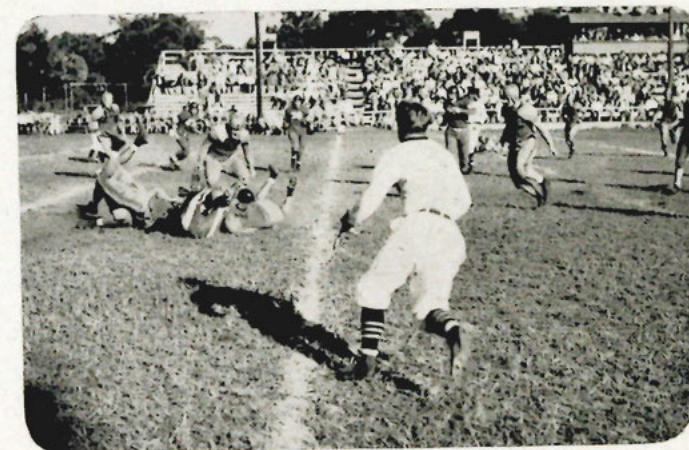

Remember the Florida free-for-all? Zaiko is on the ground. No. 3 was one of the agitators. Right in the middle of it, yes he is not. That's big "Harry" Wolfe hanging one on a 'Gator.

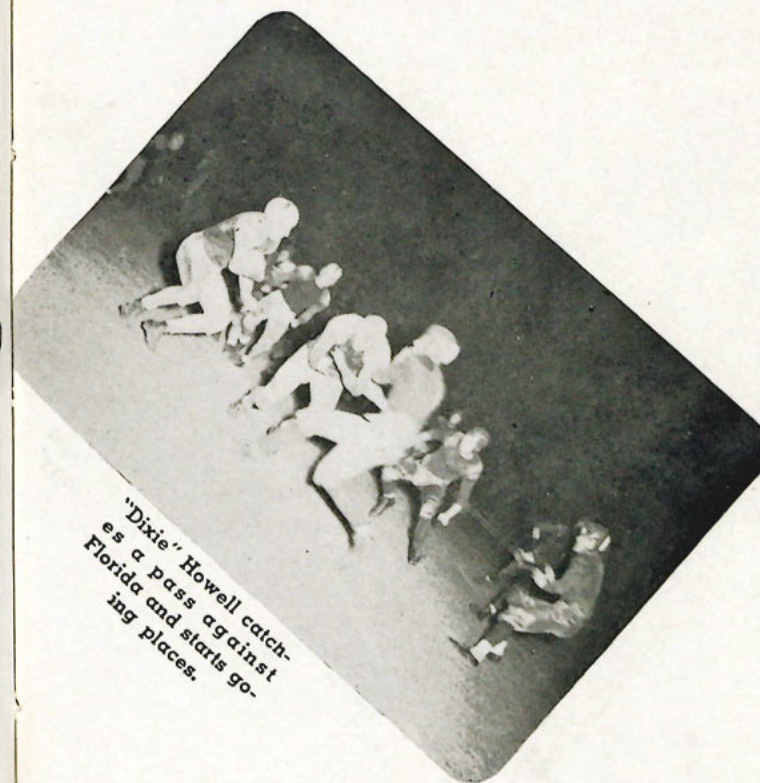

Champ starts on a touch-down run-back of a Stetson kick-off from behind his own goal.

The one that got away. A Tar catches a pass over the Tampa line for a touchdown.

Fumble!

"Dixie" Howell catches a pass against Florida and starts going places.

Buchanan totin' that rock behind Williams against Rollins.

1941 SENIORS

SO LONG FELLAS

Well, boys, it looks as if we have come to the trail's end at last. For four years you have labored to have your pictures on this page, and here it is—a signpost designating the parting of the ways. But before you leave us we want you to know that though memories may grow dim you will never be forgotten. We, the student body, appreciate all that you have done for our University. Your labor, sweat and blood have done much to push Tampa into the respected position which it now occupies. This was accomplished only by hour on hour of practice under a broiling sun or on a muddy field. So don't think we have the idea that football is played just one night a week. We know that it's not the gay party some think it is, so we once again say thanks for your endeavors, and remember that you'll always be Fighting Spartans.

"Champ"

John Brandenberger—5'11"—180 lbs. This guy is the clown prince of football. We may not come out on top always, but if Brandy is there we'll be happy. Underneath his clowning is a smooth loose-hipped runner and a vicious blocker—he likes to throw a football but would rather throw the bull. He's a product of Meridan, Conn., and is a good man to have on your side. Brandy hopes to be a salesman of anything after graduation.

"Brandy"

Paul Hance—5'10"—180 lbs. One of the hardest driving and most elusive backs we have ever seen run. Paul met with a serious mishap in Miami last season. Driving into three husky Hurricanes, he fractured a vertebra. But he's up and doing O.K. now. Biggest football thrill was playing Florida for the first time. He got off several beautiful runs in this game. Another Tampa lad, Paul is looking forward to a nice, long rest. We'll miss ya, Chop-Chop.

"Chop-Chop"

SENIORS 1941

Quentin Williams—5'10"—165 lbs. Champ has been one of the big guns in the Spartan attack for the last three years—one of the best broken-field runners ever developed in this state—also an excellent defensive back—thrilled by scoring five touchdowns against Oglethorpe. Replacing the Champ is one of Coach Stewart's biggest problems. Received honorable mention on Little All-American squad. A Tampa boy, the Champ plans to coach.

"Slick"

Richard Sleichter—6'1"—190 lbs. A very dependable man to have on the flank. Dick's playing made opposing signal callers think twice before calling a play around his end. You could see his grin from one end of the field to the other. Got a great kick out of going high in the air to snatch passes. Hailing from Scotland, Pa., Slick is another one who is hoping for a nice long rest.

Paul Myers—6'—180 lbs. Another good boy to have on the end of your line. Also played in the center position, and efficiently too. Biggest football thrill came as a Freshman, when the under rated Spartan Frosh knocked over a greatly publicized Miami Freshman team in the newly built Orange Bowl. A native of Bexley, Ohio, Paul has his eyes set on a coaching job when he graduates.

"Paul"

1941 SENIORS

"Sally"

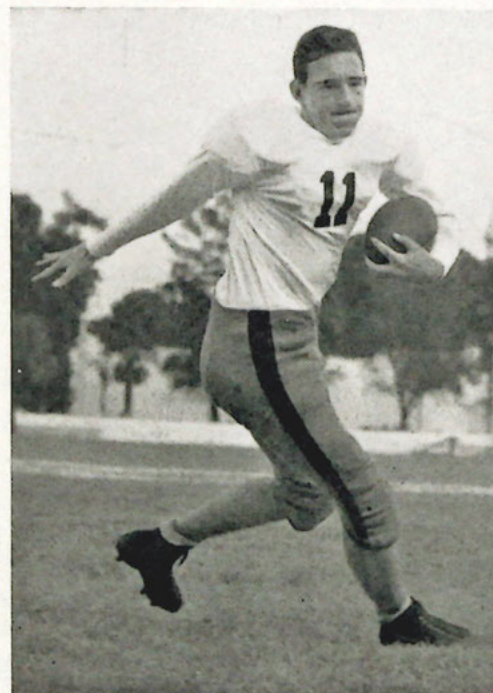

Paul McCloskey—5'11"—180 lbs. A smooth running back who helped prove that beef isn't all that counts. A blocking boy who enjoyed taking care of would-be tacklers when one of his buddies was lugging that rock. Coming from Boston, Mac intends to study medicine when he graduates.

"Dris"

Willard Driskell — 6'2" — 198 lbs. A man who served equally well in the tackle or guard slot. A player who wasn't as aggressive as he was large. Enjoyed breaking up opponent's plays before they developed. A tough down-field blocker on offense. One of the Romeos of the squad. A smooth customer on or off the field. Coming from Fort Meade, Fla., Dris intends to enter the air corps.

Clair Pittman—6'1"—185 lbs. Another utility man who played tackle, guard, or center—one of those fellows who take a delight in making opposing linemen look and feel foolish. Got most fun out of a game with Havana in 1938. Pitt is another product of Tampa and will be hard to replace in the line. Plans to enter the business world.

"Mac"

Coach Nash Higgins

Coach Higgins, who has been Director of Athletics and Head Coach of football since its inception here in the University, resigned his position this year. He furnished a splendid example for his boys and we'll miss him lots.

George Straus
Business Manager

Line Coach "Pix" Pierson

This season was the last for Coach Pierson also. Truly one of the finest men we have ever known, he labored for years with the Spartans and will be hard to replace. Good luck, Pix.

SPRING PRACTICE

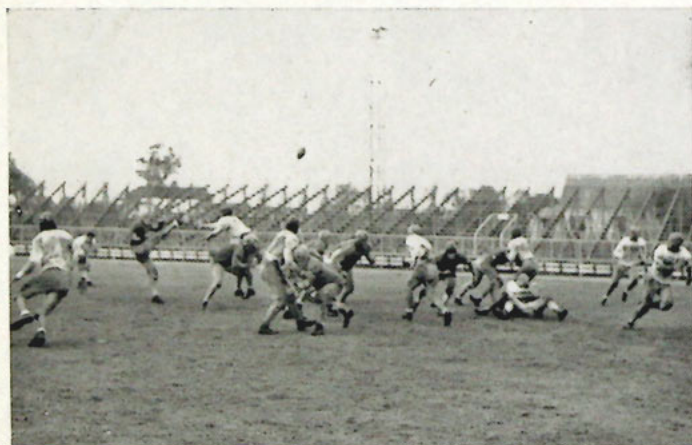

Well, fellas, what'll it be?

Puzzle: Find the ball.

For eight weeks the Spartans have been laboring on Philip's Field trying to learn Coach Stewart's system and get in shape for the forthcoming season. They have played four intra-squad games and your editor thinks that those of you who are around next fall will have a team to be proud of calling your own. Howard Beynon has been elected captain and Ed "Dixie" Howell has been selected co-captain for next season. Good luck to you fellas.

Miller K. Adams, Coach

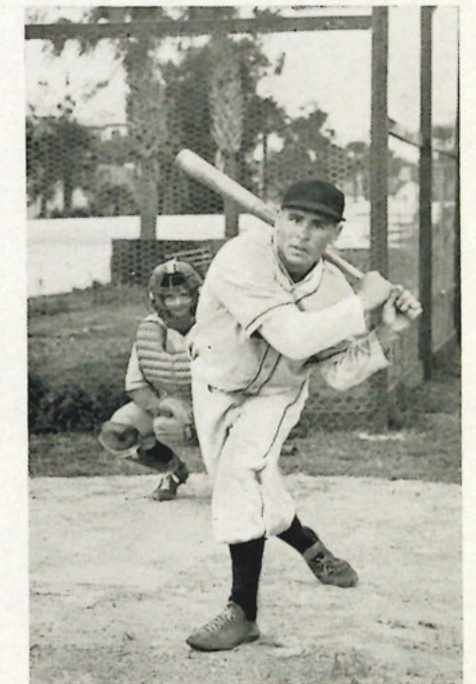

Our Spartan baseball team is something of which we can be justly proud. Only two years old, it is by far the outstanding scholastic baseball organization in the state. Miller Adams deserves much of the credit, but much is also due to the efforts of the boys themselves. Organized originally by Miller as an independent team, they were unrecognized by the University. However, their trail of spectacular wins soon won for them the attention of the school and of Tampa as a whole. They justified their early publicity by going on and winning the state championship. This year's squad seems no less capable than last year's and has an excellent chance of repeating as champs. They have played no regular games as yet, but have won their warm-up games. Our hats are off to you, Miller, and your champions.

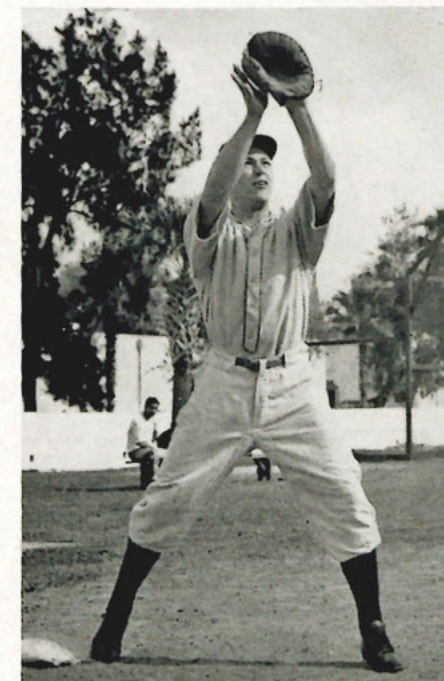

"Eagle-Eye" Jiminez waits for the pitch. Al plays shortstop on the Spartan ball club and is one of Coach Adams' most consistent hitters.

Good for two at least—this is the way Arnie Holmes looks after he unwinds at an inviting pitch. Arnie covers the hotspot at third base.

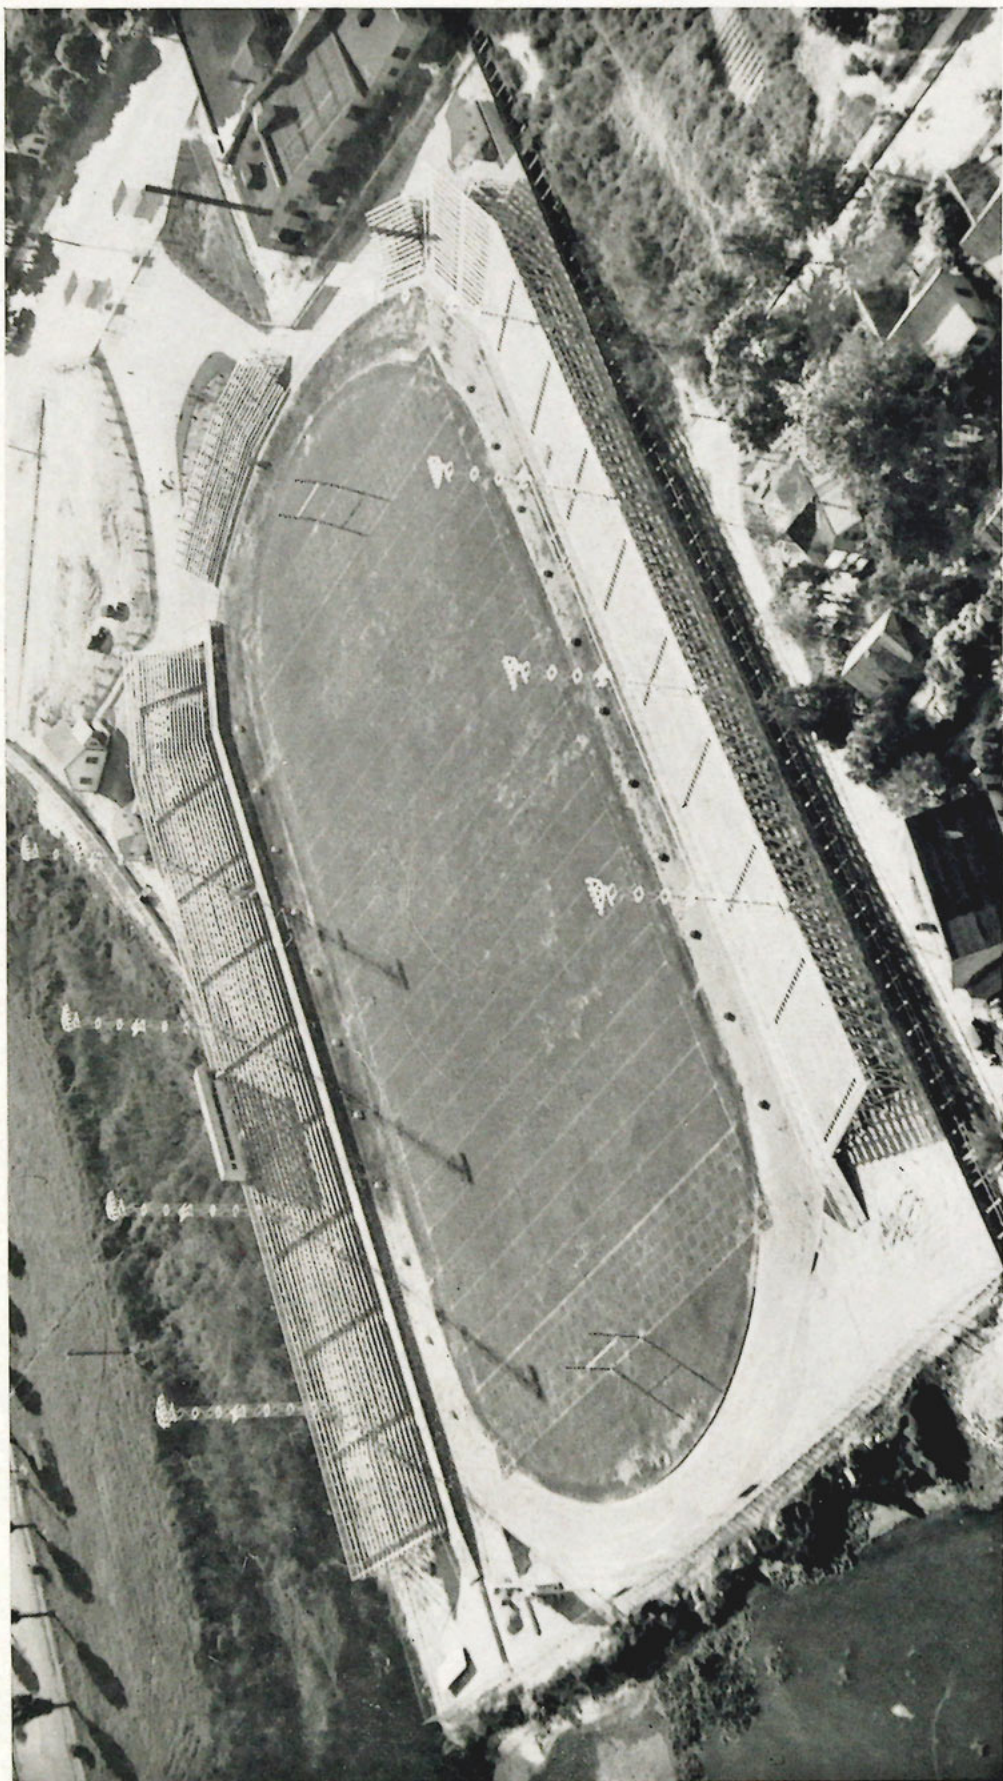

State Champs in Action

Left: The Champ gets one for a p.o. Champ Williams is one of the capable first basemen of the squad and is one of the big guns in the Spartan's batting attack.

Right: A ball team can only be as strong as its pitcher. Looking down the alley we see Johnny Clements, who helps make the Spartans a plenty strong club.
