### Ten Students Represent TU In Whos Who

6 Senior, 4 Juniors  
Chosen by Faculty  
And Senior Class

Six seniors and four juniors were chosen this week by the faculty and the senior class to represent the University of Tampa in "Who's Who in American Colleges and Universities."

Those selected are Celeste Dervaes, Odessa Dietrich, Marie Mitchell, Albert Smith, Lusgan Roddy and Champ Williams, seniors; and Mary Sears, Gloria Gutierrez, Bill Gaventa and David Webb, juniors.

Students were chosen not only on the basis of scholastic standing but also because of outstanding service to the school.

#### Their Records

Celeste Dervaes, a member of Delta Kappa sorority, was the first girl in the South to make a CAA solo flight. She has been secretary of her sophomore and senior classes and corresponding secretary of Delta Kappa for two years.

Odessa Dietrich, president of Alpha Gamma sorority, is an outstanding athlete among University of Tampa girls. She has played on the varsity volleyball and basketball teams for three years and is a member of the Physical Ed Club. Odessa is also a member of Phi, Honorary Scholastic society.

Marie Mitchell, president of Sigma Theta Phi sorority, is a member of Phi Honorary Scholastic society, and was faculty editor of the Moroccan last year. She is on the Pan-Hellenic council.

#### Football Star Honored

Champ Williams has been an outstanding player on the University of Tampa football team. He is a member of Sigma Kappa Nu fraternity, the Physical Education club and the Baptist Student Union.

Albert Smith and Lusgan Roddy have been outstanding scholars at the University.

Mary Sears is president of the Ellen H. Richards Home Economics club and is historian of Delta Kappa sorority. She is a member of Phi society and the 313 Masquers.

Gloria Gutierrez, secretary-treasurer of Sigma Theta Phi sorority and vice president of the Spanish Club, is a member of Phi society and an outstanding girl athlete.

#### He's a Three-Point Student

Bill Gaventa, president of the Baptist Student Union, holds the only straight 3.0 average in school and is a member of Phi society. He is lab assistant in the chemistry department and a member of the 313 Masquers and the Math Club.

David Webb, secretary of Phi Alpha Band fraternity, is also treasurer of Beta Chi fraternity and treasurer of the Baptist Student Union. He has been a member of the Pan-Hellenic council for two years.

Students, chosen last year for "Who's Who" were not eligible again this year.

### Mark Ball Named Junior Rotarian To Represent T. U.

Mark Ball, president of the senior class, was chosen Tuesday as Junior Rotarian representing the University of Tampa.

Mark is president of Tau Omega fraternity and vice president of the student council. He is an honor roll student and was top man in the C. A. A. course last summer.

Last year Mark was chosen as a junior representative in "Who's Who in American Colleges and Universities."

### Sophomores Elect Albers; Cooksey Heads Frosh

Seniors in Tie for  
Vice President;  
Anderson Elected

Olin Cooksey, of Monticello, was elected president of the freshman class and Tom Albers, of Dayton, Ohio, was named sophomore president in run-off elections at the University of Tampa Wednesday.

Raymond Bless, of Cincinnati, was elected secretary of the freshman class. Beth Hotchkiss, of Tampa, was elected vice president in the first primary two weeks ago. Other sophomore officers are Beverly Bond, vice president, and Jewel Fernandez, secretary, both of Tampa.

Andy Anderson, is the new vice president of the junior class, and the secretary, Jimmy Whitehead, was elected previously.

Margie Segall, of Tampa, and Florence Flanders, of Macon, Ga., tied for vice president of the senior class, necessitating a vote by the student council to break the tie. Mark Ball, president, and Celeste Dervaes, secretary, both of Tampa, also were selected before.

### Rho Nu's Blemish Skins' Record To Lead in Grid Race

In one of the most thrilling games played in Tampa U.'s intramural football program yesterday, the defending champions, Rho Nu Delta, eked out a hard earned 13-12 victory over the hitherto unbeaten S. K. N. team.

The Rho Nu's scored on long pass plays from Jimenez, their star and ex-Loyola end, who snagged long heaves out of the arms of his opposition.

Frederick, captain and star for the Skins, led the Skin attack as they played most of the game in R. N. D. territory, missing many scoring chances because of passes being dropped by Skin receivers.

Beta Chi shoved itself into the picture by trouncing a scrappy Sigma Eps 20-6. The oncoming B. X.'s showed a better offense over passing to score at will.

### Junior Class To Present Carnival Day

Entertainment Will Be Highlight of Week's Program on Campus

Spooks, fortune-tellers, jitterbugs, barkers—that's what many members of the junior class will be next Thursday night at the junior day carnival.

There will be three main attractions. The carnival will begin at 7 o'clock. After the carnival comes the spook show and finally, as a climax, the dance.

#### And a Hall of Horrors

The carnival, for which most preparation has been made, will consist of side shows, refreshment booths, a movie, football, a shooting gallery (with darts for guns), a fortune teller, grab bag and soft drinks.

The spook show, next on the program, will consist of a hall of horrors. It will be held in the basement band room and anyone who misses it will certainly regret it, according to R. B. Fordyce, junior president.

The dance comes last on the program. It will be held in the ball-

### Spartans Ready For Teachers Tomorrow

### Homecoming Program Is Announced

Football, Reception by The Mooneys, and Pep Rally Are Highlights

It's going to be the greatest University of Tampa homecoming in history!

That's the word that came from leaders of the University Alumni Association as they completed plans for the big week-end of entertainment Nov. 6-7-8.

Billy Ailor, vice president of the association, said more interest is being shown in this year's event than ever before, and students on the campus are cooperating 100 percent to do their part in welcoming back graduates and former students.

#### Football Is Highlight

Highlighting the program will be the football game between the Spartans and the Stormy Petrels of Oglethorpe University at Phillips Field on Friday night, but that is only a small part of the round of activities planned for the occasion.

Dr. James E. Hooney, president of the University, has announced plans for a reception he and Mrs. Mooney will give in honor of the alumni at the opening event, Wednesday night, Nov. 6.

It marks the first time a president of the University has received ex-students at homecoming. Dr. Mooney said he is anxious to meet the alumni, and alumni leaders said they are anxious to meet the new head of the institution.

#### Pep Rally and Bonfire

The success of Thursday night's program will depend largely on how well the present students cooperate. A pajama parade and big pep rally and bonfire have been planned following the annual meeting of the Alumni Association at which new officers will be elected and student interest is necessary to put this phase of the program over, Ailor declared.

Students also can help by having their organizations enter attractive floats in the street parade scheduled for Friday afternoon to promote public interest in the football game.

This will be one of the largest football processions ever seen in Tampa, alumni leaders predicted. Mayor Chancey, President Mooney and other dignitaries will head the parade.

Will Go Into Game as Favorites After Three State Losses

By TOM JOHNSON

The Tampa U. Spartans will return to home grounds tomorrow night when they meet the South Georgia Teachers on Phillips field after having played two games on the road.

The Higgins boys came out of the Rollins encounter with just a few bruises and will go into the game full strength and favorites to win their second game of the year.

"Crook" Smith's eleven has played the University boys three times, dropping two games in 1936 and 1938, 27 to 0, and 40 to 0, respectively. In 1934 they upset our boys 19 to 12.

#### Loss to Rollins

The Spartans last week lost to Rollins Tars by the lopsided score of 39-0 in a game featured by a tricky offense and a good passing attack by the Rollins eleven.

Coach Higgins probably will start his first team but will throw in a number of reserves in order to test their ability so he can start a winning streak which he hopes will carry through to a victory over Rollins in Tampa's second game with the McDowell boys here in Tampa.

#### Two Major Casualties

Only two major casualties will keep the team from being at its full strength—Vic Hatch, out with a broken ankle and Paul Hance, with a dislocated vertebrae.

South Georgia has a strong team this year and the Teachers probably will give a good showing for a team that was considered only a breather in early-season predictions.

Tampa seemed to have a let down in Orlando last Friday night although the Spartans clicked for 14 first downs, the number collected by the Tars.

#### Beynon, Hatch Out

With the absence of Howard Beynon, hard-plunging fullback, and Hatch, passer of accuracy, the Spartans collapsed on defense and the Winter Park crew scored at will in the first half enough to roll up a comfortable lead. But they were held in check during the second period.

With their spirit still high, the Spartans figure to get into the groove with a convincing victory Saturday night.

### B. S. U. Group Leaves For State Meeting At DeLand Today

Fifteen Baptist students will leave this afternoon for the state B. S. U. convention at Stetson university in DeLand.

The program will open this evening at 7:30 o'clock and will close Sunday afternoon at 3:30 o'clock. Southwide speakers on the program will be Mary Nance Daniel, B. S. U. secretary, B. B. McKinney, music editor of Baptist publications, and Dr. C. Roy Angell of Miami.

Tampa U. students making the trip are Hilda Sweet, Margaret Davis, Mary Laura Lindsay, Dot Wadsworth, Florence Moore, Betty Mae Johnson, Maelma Cowley, Betty McCord, Alice June Wright, Eleanor Baillie, Bill Gaventa, Mary Eleanor Mercer and Willie Ione Mercer. Bernice Horne, a University of Tampa graduate, and Helen Mathis, a former Stetson student, will also make the trip.

### New Activities Plan Points To Reorganized Campus Life

From the office of the President yesterday was announced the appointment of Miss Ruth Moffat, instructor in physical education, as director of student activities, with an outline of the duties of the newly created office. An outline also was made of the duties of the dean of women, Miss Caroline Melber.

Some major points in the program of the director of student activities are as follows:

Conferences with the Dean of the University on social activities to meet the needs of individual students and student organizations, enlisting their cooperation in planning a program of activities for each throughout the year, and maintaining a social calendar of activities.

She shall pass upon students' and

clubs' petitions for meetings and activities, providing for their adequate supervision, and shall confer with student committees and the Student Council on the University's social and recreational life.

She shall confer with the President, the Dean and with students on development and administration of the recreation room and on other social and recreational facilities.

Study of the social needs of special groups of students will be made with a view to providing adequate activities for these students; class activities will be arranged, and a study of problems arising from hazing will be made, with a view toward a revision of the freshman rules for the creation of a positive program

## THE ALUMNI AND ITS SCHOOL

The alumni of any university or college form an integral part of the expansion and development of the university's program.

We are dependent upon our alumni to bear the name and represent this university in all parts of this nation. It is vital to the university's interests that the group function in a manner fitting its ultimate success. Every possible form of cooperation should be extended to the alumni in their program.

We are indebted to our alumni for the work they have carried out in the past so efficiently. The success of homecoming next month rests to a large extent upon their shoulders. Your cooperation is enlisted on behalf of the alumni to make this the greatest homecoming ever staged here.

## SPEAK UP, EVERYBODY

We haven't got any cheers that roll 'em in the aisles. They're nothing to write home about, because they already know 'em at home.

Our stock yells were swell while they lasted, but they've served their time. Now let's make way for something new and more sensational.

It's the novelty of a yell that hits home, that sets the stands in a frenzy, that drives our gridders deeper into enemy territory.

You've all been around and you've all got ideas for new antics for our cheering section. Put them down on paper—the yells, the actions and the follow-ups. Drop them in the box in The Minaret office.

It's your team; it's your cheering squad; it's your Minaret. Come in and put over your ideas.

## TO THE WINNERS

The sophomores and freshmen elected their class presidents Wednesday night. Congratulations to the winners, and to those elected to other offices, in the first election and the run-off.

Their friends, too, are congratulating them today. But there is something else besides congratulations to be thought of after an election. There is the responsibility that the office carries with it. It should be taken seriously.

*A freshman class always has before it the goal of being the best, most active, and most patriotic freshman class the university has had. Whether it attains this goal rests mostly with its president. And the realization of the goals of the sophomores likewise stands or falls with the class president.*

So, officers, don't just accept the outcome of the election as an honor that your fellow students have bestowed upon you. Take it, too, as a vote of confidence they have given you—confidence in your leadership, initiative, ability, character and aggressiveness. They'll expect you to show those qualities in accepting the responsibilities of your vote. Don't let them down.

## JUNIORS SOLVING A PROBLEM

The Junior class and its president, R. B. Fordyce, deserve a word of praise for their early and vigorous activity toward building a fund to finance the junior-senior banquet.

This is an annual problem with the junior class and its successful solving is the real test of the ability of the class president. R. B. is going to solve the problem.

*First on their program is the Junior Jook, after the dance Saturday night. It has received a lot of publicity, and the student body is expected to turn out en masse for it.*

## JUILLIARD HONORS TAMPA U.

The coming of Miss Mary Haverstick to the University music department from the Juilliard Foundation, New York, is indicative of a progressive forward step taken by the University to meet the ever expanding cultural needs of this community. The Juilliard Foundation has long been noted for its contributions to classical music. We are indeed fortunate.

## Greetings, Prof

By FRANK MANISCALCO

With so much talk and preparation today on national defense, and in consideration of the part physical education will play in connection with this, we thought it worth while to drop whatever football comments we had for this week and devote this space to an editorial discussion believed to be beneficial to all university students.

What has led us to this particular subject is the discovery of how so many students here at the university insist on being exempted from the physical education requirement; how so few have successfully met the physical standards as set by the navy, army and air corps.

From the earliest times intellectual training in education has been emphasized more than the physical structure. But today, thanks to Messrs. Hitler and Mussolini, we see a pronounced effort to elevate necessity above reason. Under the two dictators' leadership, government is used mainly to exploit fully the social forces that play upon the materials of man.

Not so long ago we had a chat with Coach Nash Higgins, a strong advocate of an efficient and vigorous physical education program through the states. He stressed the merits of physical education, the education of students and the product that social institutions may hope to develop through a nation-wide recreation program.

Coach Higgins pointed out the sacrifice and cost this nation must go through in order to protect our democracy from the totalitarian powers. And how the youth today, comparatively, are physically unfit for modern day developments in this world crisis.

Today there is no place for non-producing elements. The Nazi philosophy is one of survival of the fittest. All are made to fit their particular environment. The preservation of physique and endurance have helped push Germany ahead . . . and without such we do not see how they could have succeeded in their conquest.

The issue is so clear that it now becomes the duty of intellectuals to wage war upon intellectualism and propose a new emphasis upon physical

education and the whole range of its allied movement in health and recreation.

Certainly no society can ignore today the necessity for vigorous physique, strength, courage and endurance. None of us would care for a world without freedom to think . . . which would ultimately be the result in neglecting the above essentials for existence.

In the light of this discussion we think we must educate to and insist upon a much more rugged and vigorous physical education program than we are getting now. Something should be done to discourage Tom, Dick and Harry from excusing himself from health recreation. Something should also be done to correct little Johnny's mother or relatives from running to the teacher when he had to take an extra lap around the field and his side ached.

No one can honestly deny that we are physically lazy, physically illiterate, and that we allow athletes to represent us, some of whom do not have any decency whatever to keep away from jook joints, smoking and the opposite sex. Civilization needs men who work and work hard for what they are getting . . . not by just sitting on a cushion and saying: "The world owes it to me." Nations lose not only on the battlefields but in any other field where weaknesses in vigor and vitality exist.

In 1939, 37 of our states required by law that facilities for, and instruction in, physical activities be provided in all public schools, and in half of our states there is a director of such work in the state department of education.

Adequate preparation is required of teachers in this field; more than 200 institutions are furnishing training to the extent of a major course and there is ample opportunity in many of them for more extended study. In the same year you find 500 teachers in colleges and universities and 20,000 in the public schools.

"Are they strict in your college?" "Strict? You remember Brown? Well, he died in class, and they propped him up until the lecture ended."

## Junior Jook To Be Held Tomorrow After Football Game

The Junior class will entertain members of the student body at the annual "Junior Jook" tomorrow night in the University ballroom from 10 until 12 o'clock, after the football game.

Proceeds from the dance will go to the Junior-Senior banquet fund.

R. B. Fordyce, junior class president, is in charge of arrangements.

## New Activities Plan To Aid Campus Life

(Continued from Page 1)

for freshman and sophomore relationship.

To Aid With Publication  
 Other activities will concern publication of a student handbook; conferences with student editors, and the working out of a plan for selection of the publication staffs.

"It is hoped that the line dividing the curricular and the extra-curricular activities will become in time less sharp and that all student social and recreational activities will be carried on in such a manner as to contribute to the individual student's growth and development at the University," the outline stated.

The dean of women, it is pointed out, shall take a lead in developing a tradition of social courtesy and competence among the students, and shall act as official hostess of the University at general gatherings, in the absence of the wife of the President of the University.

For Constructive Cooperation  
 In charge of the women's dormitory, the dean of women shall encourage care and attractive decoration of rooms, advise with students on individual problems, help them plan their informal recreational life; confer with the Dean and advise him on disciplinary problems.

The entire program, it is noted, calls for a close and constructive cooperation between the Dean of the University, the dean of women, director of social activities, the business manager, faculty members and advisers, student leaders, heads of student groups and organizations, and, in University social affairs when necessary with the wives of the President and the Dean, in a program to build up the social, personal, recreational and general campus life on a sound, healthy and interesting level for the benefit of the institution and of each individual student.

**He's Merry**

No, Not 'Cause He Feels Good—'Cause That's His Name

"Oh, me!" These were the first words uttered by Merriwether Williams, better known as Merry, when he learned he had been chosen for an interview.

Merry is 19 years old, five feet eight, and weighs 138. He has curly blond hair and beautiful blue eyes. And best of all, girls, he has no "steady"—down here, at least.

Merry came all the way down from the old red hills of Washington, Ga., to become our drum major. He lives in the dorm, and likes Tampa U. and Florida very much.

Rat Williams is quite interested in the great outdoors. He likes all sports, but plays only tennis. For a hobby, Merry has turned to nature study. By the way, his favorite subject is biology, and his favorite color is green.

He is on S. K. N. pledge, likes dancing, and plays the bass horn. When asked his views on conscription and politics he said he wouldn't form any until he was 21.

## MSO Honored At Football Party

The Young People's department of Hyde Park Methodist church is entertaining the Methodist Student organization with a football party Friday night at 8 o'clock in the recreation hall of the church.

Clever invitations inviting the members to attend football practice were sent out and the hall will be decorated to appear like a football field. Football helmets will be the favors. Dr. Bunting and Dr. Berry, faculty advisors, and President Mooney, Dean Hale and Dean Sanford have been invited to attend.

## Tau Omega Frat Will Hold Formal Pledging Ceremony

The Tau Omega fraternity will hold its formal pledging ceremony at a breakfast next Tuesday morning at a downtown hotel.

Those in charge of the breakfast are John Brandenberger, Walter Shiver and Charles Barrow.

Mark Ball, fraternity president, will act as master of ceremonies. Talks will be given by Mr. Willard B. Phelps, fraternity adviser, and Wilnot Paxton, former president of the fraternity.

## Delta Kappa Sorority Entertains for Pledges At Its Annual Prom

Mary Frances Mathis Presides at Pledging Service at Woman's Club

Pledges of the Delta Kappa sorority were honor guests Saturday night when the sorority gave its annual prom dance at the Tampa Woman's club. Music was furnished by Val Antuono and his orchestra.

A formal pledging service was held preceding the dance with Miss Mary Frances Mathis, president, presiding. She was assisted in the services by members of the sorority.

Refreshments, consisting of punch and cookies, were served to the guests during the dance.

Members, pledges and their dates who attended were the Misses Frances Alderman, Celeste Dervas, Margaret Davis, Jewel Fernandez, Yolonda Finney, Elsie Gill, Bertie Elinor Helms, Priscilla Hunt, Sooky Jackson, Mary Merle Jones, Lucie Lee Marsh, Mary Frances Mathis, Mary Sears, Emma Jane Sacey, Frances Sessions, Hilda Sweat, Kitty Ann Sweat and Bunny Wolf.

Alma Hanson, Frances Alexander, Virginia Richelieu, Lola Ann Sparkman, Ann Kelly, Beth Hotchkiss, Caroline McDowell, Jean Pryor, Dot Hill, Elizabeth Edwards, Carol Thomas, Mary Cantrell, Louise DeLoach, Margaret Dickinson, Ella Beth Laird, Betty Jo Mims, Belle Myers and Dottie Leonard.

Junior Spence, Paul McCloskey, Jack Bedingfield, Sonny Stearns, Bill Reid, Collins Whitehead, Mortimer Torres, Jack Williams, Jack Lunden, Jimmy Whitehead, Jules Curry, T. L. Ferris, Cecil Reed, Howard Beynon, Sylvanus Hankins, Walker Gilmore, Joe Mills, R. B. Fordyce and Art Burrows.

Paul Myers, Henry Vest, Jim Daniels, Johnny Wainwright, Paul Cooper, Floyd Dobbins, Walt Frederick, Mervin Beattie, Charles Barrow, Andy Anderson, Merriwether Williams, Collins Johnson, Bob Thomas, Lincoln Dowell, Dick Wozniak, Willard Driskell and Tom Healy.

Chaperones for the affair were Dr. and Mrs. Maurice B. Cramer and Mr. and Mrs. Jessie Keene.

He—Does your conscience bother you?  
She—No.  
He—Well, it bothers me.

## The Social Spotlight

Dear Maudie:

Social events refuse to step out of the picture even tho' six weeks exams are in full swing this week around ye old classrooms. I've been nosing around and got this dope on the coming events.

Skin pledges will be the first to entertain the members when they throw a big wiener roast tonight at Egypt lake. It promises a good time to be had by all.

The Class of '42 (junior class to you) will start its series of events planned for the Junior-Senior banquet fund with a little bit of music tomorrow night at the big "Junior Jook" after the Tampa U.-Ga. Teachers games. So all ye jitterbugs and rug-cutters come out and swing your partners!!!

T. O. pledges are planning an "astounding event for the members" according to what we hear from one of the pledges. What it is and when it is could not be dug out of said pledges. Let you know more when I get the lowdown.

M. S. O. will entertain new members at a big shindig tonight at the Hyde Park Methodist church. All Methodists are invited to come over and enjoy the fun. Entertainment for the eve is being kept a secret until 8 o'clock.

The Deke dance turned out to be a top notch affair altho' some of the girls and their dates got mixed up on their proms. But great fun was had by all. Surprise of the evening came at 12 o'clock when the orchestra leader got up and wished Jimmy Whitehead a "Happy Birthday." That's one time birthday wishes came during the first moments of the celebrated day.

Say—that bus trip to Rollins was really something! Sitting on back seat of the bus was like having a box seat at the opera. And talking about opera—you should have heard the new Tampa U. glee club composed of a variation of voices in a variation of keys, and singing every ditty and operatic piece that came to their mind. Concert was under the direction of Art Burrows.

Other scenes seen—Jake Dunn heckling the cheerleaders and every one else on the bus... Hilda Sweat relating the story of the great big pussy cat and the little bitty mouse. ... Mr. Wiltse turning out to be the loser in the big card game... Glenn

McRae yelling for the bus driver to stop so he could brush his teeth.

Beattie and Burrows teaching the Misses Jackson and Mathis the technique... "Rat" Carleton getting knocked out by Kitty Grant's baton. ... J. Whitehead, "Rat" Carleton and David Webb hollering for someone to open the windows and let in some air. ... Paper fights and jam sessions by bus passengers.

"Cutie" Cantrell getting very embarrassed when the dirt column was read aloud in unison... Jim Huber demonstrating how to use snuff and then suffering from a spasm of sneezing.

Such was the trip to Rollins! Must run along now. See you at the game.

Love— M. M.

## Mrs. Margaret Ansley Is Guest Speaker at Home Ec. Luncheon

Mrs. Margaret Ansley, supervisor of the Child Welfare Center of Tampa, was guest speaker at a luncheon given by the Ellen H. Richards Home Economics club last Thursday.

Definite plans were made for the club's new project of the year which will be to cooperate with the Child Welfare Board of the County in organizing small clubs for underprivileged children.

Members attending the luncheon were Virginia Schneck, Lorraine Nicholson, Louise Bledsoe, Sarah Morgan, Geniere Sultenfuss, Mary Sears, Ellen Rice, Frances Sessions, Lucile Bull, Jackie Jameson, Mary Cowley, Mrs. Ansley, Dr. Denton and Miss Caroline Milber.

## SKN Pledges To Entertain Members

Sigma Kappa Nu pledges will entertain members and their dates at the annual pledge wiener roast, tonight at 8 o'clock, at Lake Egypt.

Jack Dromey, pledge president, and Jim Huber are in charge of arrangements.

Lieut. and Mrs. Lee and Dr. and Mrs. Donald D. Bode will chaperone the affair.

## Alpha Psi Omega Has Monthly Luncheon

The October meeting of Alpha Kappa cast of Alpha Psi Omega, national honorary dramatics fraternity, will be in the form of a luncheon meeting at Ritencliff cafeteria tomorrow at 12:30 o'clock. The upstairs private section has been reserved.

Alumni members are particularly asked to attend.

## Delta Kappa Sorority Holds Luncheon at Tyrolean Tavern

The Delta Kappa sorority held its regular bi-monthly luncheon yesterday at the Tyrolean Tavern. Miss Mary Frances Mathis was in charge of arrangements.

Members and pledges attending were the Misses Mathis, Ann Kelly, Elizabeth Edwards, Margaret Davis, Lucie Lee Marsh, Mary Cantrell, Sooky Jackson, Phyllis Flanagan, Frances Alderman, Hilda Sweat, Kitty Ann Sweat, Alma Hanson, Mary Merle Jones, Hilda Bethea, Celeste Dervas, Jewel Fernandez, Lola Ann Sparkman, Beth Hotchkiss, Yolonda Finney, Mary Sears and Jean Pryor.

# 313 To Give "First Lady"

## First Semester 3-Act Comedy Deals With Capital Political Life

"First Lady" left the favorites "Little Women" and "Stage Door" at the post as possibilities for the university's three-act play to be presented by the 313 Masquers during the first semester. "First Lady" is a clever comedy dealing with Washington politics. Written by Katherine Dayton and George S. Kampman, it revolves around the manipulations and devices used by a Washington matron to advance her husband in the great game of politics. This comedy had a long and successful run on Broadway. It went to Hollywood and was filmed with Kay Francis in the title role. Walter Winchell classifies the play as public entertainment No. 1.

Since this is election year and politics and presidents are more than ever in the limelight, "First Lady" was considered as the ideal play for the masquers' production. Tryouts for parts will be forthcoming with practice beginning around the first of November. The play will be given in the auditorium on Tuesday, Dec. 10.

The one act plays produced by the dramatic technique class have all been cast and are proceeding smoothly.

## Junior Class Will Hold Carnival Day

room and music will be provided by the University swing band.

The price of admission to each concession will be 10 cents, but a 25-cent ticket will admit one person to all three attractions.

Costumes are urged of those who attend, but they are not required. Prizes will be awarded to the two couples wearing the best costumes.

Mary Collura will be cigarette girl for the affair. Bill Gaventa is slated to run the spook show; Olga Martinez and Mary Merle Jones will be fortune tellers, and Tom Johnson, Emory Mikell and David Webb are in charge of booths. Jimmy Whitehead heads the dance committee.

Professors Harry Dobson, Cornelius Steinberg and C. H. Laub will select the two winning couples in the jitterbugging contest, and will award the prizes.

Others assisting in the program, which is open to the general public as well as students, are Kitty Ann Sweat, Gloria Gutierrez, Frances Sessions, Elva Parodie, Lula Blake Gibson, Doris Akard, Mary Eleanor Mercer, Louise Griffin, Mary Sears, Catherine Whiteside, Geneva Roberts, Eileen Gutierrez, Alice Lee Sewell, Mary Collura, Juanita Guerra and Lorraine Nicholson.

## 'Names Is News'

They Had 'Em at Baptist Students' 'Rodeo' Last Thursday

All the desperate characters of the wild west gathered at the First Baptist church last Thursday when the Baptist Student union held its opening party in the form of a rodeo.

Moose-Face Marge (Margaret Davis) greeted the guests and labeled them for the rest of the evening. Then she put them in the care of Slap-Happy Sal (Hilda Sweat) and Hare-Lip Harry (Bill Gaventa) for the games.

Nugget and Handsome Henry (Mary Laura Lindsay and Russell Dixon), cooperated to win the prize for not calling people by their real names. A highlight of the program was a song by Callous Callie (Frances Alderman) accompanied by Troublesome Tess (Jo Price) at the piano.

The dramatic touch was provided by Gruesome Gus (Bill Fricke) when he rendered the selection "Mary Had a Little Lamb."

Among the other guests were Flap-Jack Fanny (Frances Sessions), Goose-Neck Gwen (Lucie Lee Marsh), Flop-Eared Phil (Page Nichols), Pinto Pete (R. B. Fordyce), Doleful Dora, (Betty McCord), Addle-Brain Allie (Alice June Wright), Angling Ann (Mary Eleanor Mercer) Poker Face (David Webb) and Ace (Doug Belden, the Spartan's mascot).

## Freshman Girls Defeat P. H. S. in Volley Ball Game

The Freshman volleyball team triumphed over Plant high in an exciting game Tuesday night at Lee playground. The varsity, however, were less fortunate in their game with the Sparks and lost.

Marilyn Leoy and Murill Yarbrough did good work for the Freshman, while Deltina Diaz and Alice Lee Sewall played outstandingly for the varsity.

Lineups were:

Freshman—Wanda Waters, Evelyn Fernandez, Marilyn Levy, Murill Yarbrough, Jean Webb, Hosophine Pullara and Norma Rollins.

Varsity—Louise Griffin, Alice Lee Sewall, Deltina Diaz, Dolores Menendez and Margie Segall.

## Alpha Gams Win From Dekes, 2 to 1

Dolores Menendez starred for the Alpha Gamma and Alma Hanson for the Delta Kappa sorority in an exciting volleyball game with the Alpha Gam's nosing out the D. K.'s with scores of 15-10, 5-15, 15-6.

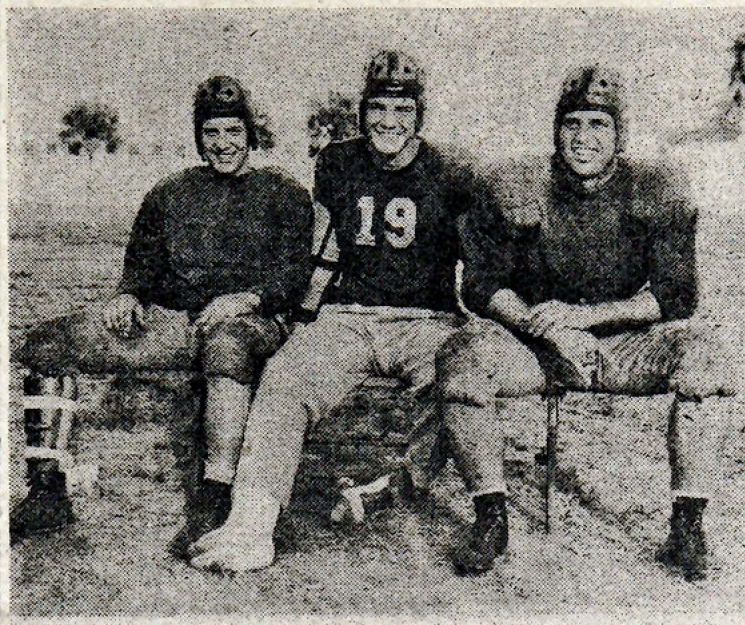

Menendez was high scorer, serving 25 points, while Hanson served 11 straight points.

Line-ups were:

Alpha Gamma—Nell Clemons, Dolores Menendez, Margie Segall, Odessa Dietrich, Marie Sherman, Deltina Diaz. Substitute—Kathryn Perdicaris.

Delta Kappa—Alma Hanson, Celeste Derveas, Emma Jane Sacrey, Mary Merle Jones, Frances Alderman, Hilda Sweat. Substitute—Kitty Ann Sweat.

## Meet The Frosh Gridders

—Minaret Photo.

**DANIEL, Jim** — Guard, two years captain of Henry Clay high school team, Lexington, Ky. He's an outfielder in baseball, swims the 880-yard dash, is a basketball guard, and throws the javelin in track meets. A four-letter man, he should be a power in Spartan athletics next year.

**WEINER, Tex** — Right tackle, made all-scholastic team in Philadelphia, but all he got in the Miami freshman game was a fractured leg. His Big Moment in high school football came as a freshman when he stole the ball as his team backed its own goal line on the two-yard line, and scampered 98 yards for a touchdown.

**FANTEL, Jules (Fatso)**—Center, from Lakeview high school, Chicago, after three years of service there. In track he's a weight man and hammer thrower. He's majoring in physical education, and wants to coach. He's another potential hot spot in the 1941 Spartan line.

## Music Room To Be Recreation Center, Mooney Announces

The music room is to be converted into a recreation room in the near future, Dr. Mooney told students in assembly Tuesday.

In outlining his plans for the school for the coming year Dr. Mooney said the faculty is no stronger than the student body and the student body is no stronger than the faculty and administration. For this reason he asked that all who are connected with the school work together for their mutual benefit.

Mr. Wiltse led the assembly in group singing to close the program.

## Phi Honor Society Elects New Members

The faculty committee of the Phi Society, national junior Phi Beta Kappa, headed by Dr. Becknell, held its second election meeting Wednesday to determine members of the freshman class whose academic records renders them eligible for the organization.

The Phi society was established here last year, and the first installation was held last spring at regular assembly exercises. Its purpose is to recognize scholastic achievement in the freshman year. It was founded at Colgate university 18 years ago and now has a membership of about 20 schools.

The next public ceremony will be held Nov. 12 at assembly at which new members nominated yesterday, will be inducted into the society.

**THE WAY TO MORE SMOKING PLEASURE**

Today, more than ever, people are taking to Chesterfield because Chesterfield concentrates on the important things in smoking. You smoke Chesterfields and find them cool and pleasant. You light one after another, and they really taste better. You buy pack after pack, and find them definitely milder.

For complete smoking satisfaction you can't buy a better cigarette

## Keep Off!

We Don't Mean the Grass,  
We Mean Freshmen, From  
The Smiley Walk

The bid to fame of one University of Tampa alumnus is a crooked, one-foot block walk winding its way from the building across the campus to the drug store.

Unofficially, it's known as the "Smiley walk"—and freshmen beware!

The legend goes that John Henry Smiley, one of the most illustrious politicians ever to grace these portals, made a wild promise in his campaign for presidency of the student body. Much to his surprise and everybody else, it came true.

Back in 1935, Smiley was running for president against Billy Logan and Don Giunta. The race got hot, and Smiley got desperate.

"If you elect me," he declared, "I'll build a walk to the drug store so you will not have to plow through all that dirt several times a day."

The inducement clicked, and Smiley swept into office. Came Fall, and students back to the University. There was this little walk some WPA workers had constructed during the summertime, and everybody was happy. Only ones who were not were the freshmen, who were ruled off. Thus, a tradition was born.

Smiley later married another Tampa U'er, the former Miss Lucille Musgrove, and they now have a family and live in Pierson, on the East Coast.

## Sigma Theta Phi Alumnae Entertains Pledges and Members

The Alumnae of Sigma Theta Phi sorority entertained the new pledges and active members at a Halloween party last Friday at the home of Miss Winifred Watson, 311 East Fern street.

Novelty games were played at which Miss Norma Rollins, Miss Dot Thonneson, and Miss Wanda Waters won prizes.

Those attending were: Pledges—The Misses Norma Rollins, Marion Neil, Dot Thonneson, Billie Wilkinson, Alice Lee Sewell, Wanda Waters.

Members—The Misses Elva Parodie, Sarah Barnes, Louise Griffin, Beverly Bond, Lorraine Nicholson, Jackie Jameson, Juanita Guerra, Sarah Morgan.

Alumnae—The Misses Beth Hornsby, Winnifred Watson, Mary Frances O'Berry; Mrs. D. B. Wilder, Mrs. Bob Johnson, Mrs. Gettis Smith, Mrs. Bill Horne, Mrs. H. C. Claton, jr., Mrs. Joe Wilson, Mrs. Lloyd H. Gillette, Mrs. Carl Terry and Miss Caroline Melber.

## Music Association Offers Piano Team As First Concert

Luboschutz and Neminnoff, well known Russian duo piano team, will be presented at the Municipal Auditorium, Thursday evening, Nov. 14, at 8 o'clock, as the first of four concerts to be sponsored by the Civic Music Association. The series is open to many students through University arrangement.

During the coming months Tampa will be honored by such famous classical musical attractions as the Kolish String Quartet, one of the greatest string quartets showing today.

The unique part of this well known quartet is that all their music is done from memory. Amie Jamieson, soprano of radio and opera fame, will give a concert as well as Efram Zimblist, violinist of great note.

The students of Tampa University are urged to attend, as these concerts will be to their advantage. The Civic Music Association has gone to great trouble and expense to bring these famous classical musicians to Tampa.

All students who have paid their school fees will be admitted without charge. To show our respect, as well as appreciation, we ask the students to all attend and dress for the occasions. The main purpose of these concerts is to improve our cultural knowledge of music.

And there was the girl who was so afraid of her shadow that she visited a specialist—a reducing specialist.

## Alpha Gamma Pledges To Honor Members At Formal Dance

**Affair Will Be Held Saturday Night at Villa Del Rio; Hostesses Are Announced**

Pledges of the Alpha Gamma Sorority will honor active members and their dates at a formal dance at Villa del Rio Saturday night at 8 o'clock.

Invitations have been issued to the officers of the other sororities and fraternities, as well as alumnae members of the sorority.

Chaperons will be Dr. and Mrs. Kenneth K. Berry, sorority sponsors, and Mr. and Mrs. Jesse L. Keene.

Pledges who will act as hostesses are the Misses Gloria Runtton, Betty Holton, Katherine Perdicaris, Ena Robb, Helen Berwanger, Bette Wellacott, Dottie Rosenfarb and Nita Medina.

## Sigma Theta Alumnae Entertain at Annual Homecoming Luncheon

As part of the Homecoming celebration the alumni of the Sigma Theta Phi sorority will give a luncheon at the Tampa Terrace hotel at 1 o'clock Saturday afternoon. Members and pledges of the active group at the University are invited.

The annual S. T. P. Harvest Moon ball will be given Friday, Nov. 15, in the University ballroom from 9 to 12 o'clock. Val Antuano's orchestra will furnish the music.

## Beta Chi's To Have Dance November 22

The Beta Chi fraternity completed plans for a dance last Monday night at the regular meeting, to be held at the Hellenic Center, Nov. 22, after the Tampa U.-Rollins game.

Paul Myers, David Webb and Val Antuano are in charge of arrangements.

## In This Corner

By EYE CUE

Few people are aware of what a truly wonderful place our own dear lobby is. It's little day-by-day dramas, its humor, its sarcasm and satire; its strictly Tampanatical characteristics all seem lost in the humdrum scuffle to make classes, dodge professors, see what Margie has on and whom she is with, or just stake a claim on a table in the bookstore. At any rate, rare is the individual who can view the University of Tampa figuratively and perceive its unique panoramic individualities.

Quiet, Brandenberger! Mr. Eye Cue is on the verge of explaining the wherefore and why of this column. Any more pedantic outbursts like that and you will be deprived of your qualifications as a lobbyist.

A lobbyist, incidentally, is one of those quaint persons who is more of a permanent fixture around the place than that nude statue which often serves as a hiding place for you and your cigarette when a dean appears unexpectedly.

Check the flooded portion under the drinking(?) fountain for more evidence of untimely entrances by deans. As we were saying, a lobbyist rarely attends classes, rarely studies, in fact, rarely leaves the place except to eat or sleep. Of course the people who eat in the bookstore and at the training table fall in the sleep category.

There have been occasions where "Ye Old Lobby" acted as Morpheus for early morn' jokers. But don't tell Jimmy Whitehead I told you so.

Our tongue instinctively went into our collective cheeks on hearing this little gem, but as it is purportedly true we'll pass it on to you.

A Great Dane wandered into a class room the other day and sprawled at the lecturing professor's feet. The mentor looked up from his notes and said absent-mindedly, "May I have your class card, please?"

Now we realize that it isn't possible for the University to know all its students intimately, but even the boys at the Ford plant are quick to notice a wrong screw in the wrong place. After all we have to draw the line somewhere.

Just as a word of warning, if you happen to see a suspicious character snooping around lobby gatherings with a notebook and pencil, don't be alarmed. In all probability, this individual will be a member of Dr. Cramer's Creative Writing class who's assignment is to collect rare specimens of conversation hither and yon.

In parting, just remember:

"Do right and fear no man,  
Do not write and fear no woman."

Respectfully yours,  
EYE CUE.

## Delta Kappas, Past Present and Future, To Have Luncheon

Active and alumni members and pledges of the Delta Kappa sorority will celebrate Homecoming at a luncheon Friday at 12:30 o'clock at the Jacaranda Tea room.

Decorations carrying out the homecoming theme will be used and corsages will be presented to those attending.

The committee in charge of arrangements is composed of the Misses Mary Frances Mathis, Lucie Lee Marsh, Yolanda Finney, Jewel Fernandez and Mary Merle Jones.

Miss Mathis, toastmaster, will greet the alumni and Miss Betty Jo Mims, alumni president, will respond.

"Joe fixed up a blind date for me last night."

"You mean your pal Joe?"

"No, my former pal Joe."
