## New Moroccan Queen Chosen

The annual Moroccan Queen contest was held this past Monday night in the International Room in the Student Union. The girl chosen by the judges as queen will reign over the school for the duration of the year.

The judges selected this year are well known in the Tampa area, Roy Nelson of WLCY, Jean Morris of WFLA, Walter Rhodes of WTVT, and Mary Hotsberger, a fashion coordinator from Maas Brothers.

They judged the girls in several areas: beauty, school attire, sportswear, formal wear, personality, school activities and scholarship.

In order to qualify as a candidate, the girls had to be juniors, or seniors with overall C averages.

There were twelve girls in the contest this year.

Moroccan Queen Penny Donaghue represented the Newman Club. Miss Donaghue, who is the President of the Girls' Dorm Association, comes from New York.

## Headliners Back Again For Second Homecoming Celebration

Chairman George Watson has released plans for the University of Tampa's annual Homecoming Celebration, which will take place on October 24, this year's opponents being the "Blue Hose" of Presbyterian College, whom the Spartans defeated last year (26 to 0).

This year's celebration will contain more live entertainment than in any previous year. The Town Criers of Georgia Tech have been contacted for the Friday night Hootenanny, and the Headliners, who were such a great success last year, have been recontracted for two shows at the Saturday night Homecoming Dance again this year.

Chairman of the Homecoming Queen Committee, Jack Doherty,

has announced that judging of the Queen will be held Friday, October 9 at 7:00 p.m. and the five finalists will be announced Friday, October 16, at 12 noon in the Student Union Building.

In addition the complete schedule for the weekend festivities is as follows:

Monday, October 19: Judging of lawn displays (morning and evening).

Thursday, October 22: All student dance — parking lot or Student Union, depending on weather.

Friday, October 23: Finishing of floats.

6:30 — Alumni Association Barbecue — Student Center.

7:30 — Pep Rally — Introduction of football team.

8:00 — The Town Criers of Georgia Tech. Announcement of Homecoming Queen and Court.

Saturday, October 24: 9:30-12:00 — Free coffee, cokes, and doughnuts in Student Center, sponsored by Student Congress.

12:00-12:30: Line up of University of Tampa Homecoming Parade.

12:30 — Homecoming Parade.

2:30 — Kick-off. Spartans vs. Presbyterian. (Spartan victory.)

Homecoming Queen will flip coin for starting team. Half time festivities: Welcome speech by Dr. Delo. Band music, Tampa band; announcement of winning floats and lawn displays; presentation of trophies.

(Cont. on Page 3)

## Largest Greek Rush Seen In University's History

by Wallace Brown

If you have come to the conclusion that college life can become pretty hectic, consider the plight of the Greek Community. In the short space of one month, they are faced with the tasks of conducting the biggest and best Rush ever conducted at the U. of Tampa and with transforming the campus into an appropriate scene for a rousing Homecoming. Even Ulysses, if faced with a choice between this and fighting the Trojan War, would surely jump head first into the nearest wooden horse.

With Open Rush not ending until Sunday, October 18, no information on the sites or dimensions of the various formal Rush parties can be determined at this time. The dates, however, have been set and are as follows:

Monday, October 19, Sigma Phi Epsilon; Tuesday, October 20, Tau Epsilon Phi; Wednesday, October 21, Pi Kappa Phi; Thursday, October 22, Theta Chi; Friday, October 23, Tau Kappa Epsilon.

Conclusion of the last Rush Party

marks the end of Rush Period.

As to display themes, well, really now; even the Greeks of yesteryear felt it best to say little about a certain "wooden horse" display. Times have changed, however, and I don't think we need beware of the gifts these Greeks bring to the U. of Tampa campus.

## Dean Lucille King Appointed State Chairman FFWC

Lucille King, dean of women, has for the third time been appointed State Chairman of Education for the Florida Federation of Women's Clubs.

Dean King recently attended the fall board meeting, where she presented a program in education.

Dr. John Outerson, the new head of Tampa U's education department, was a featured speaker at the meeting.

## Dr. Duane Locke Named Judge In Poetry Contest

Dr. J. Duane Locke, associate professor of English at the University of Tampa and a nationally-recognized poet, has been named as the judge for the Jordan Davidson Poetry Awards for 1964, which are to be given for the best poems submitted by college undergraduates in the Southeast.

The two cash prizes, made available by Jordan Davidson of Miami Beach, are \$50 for first place and \$25 for second place. Barry College of Miami is sponsor of the poetry contest, which is open to undergraduate college students in Florida, Alabama, Georgia, Kentucky,

Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Virginia and West Virginia.

Closing date for entries in the contest is November 1, and announcement of awards will be made in December. Preliminary judging will be done by the Barry College Poetry Committee. Winning poems will be published in "Orbit," the Barry College campus literary magazine.

Dr. Locke is editor of the new "University of Tampa Poetry Review," a quarterly magazine representing works by poets from the United States and in Mexico.

## NOTICE

TO ALL STUDENTS: IF LOCAL ADDRESSES WERE NOT REPORTED AT REGISTRATION OR IF YOU HAVE CHANGED YOUR ADDRESS, PLEASE NOTIFY YOUR RESPECTIVE DEAN'S OFFICE IMMEDIATELY.

The Headliners

## Traffic Problems On The Decrease

Mr. C. Maloone, the traffic policeman, says "Traffic conditions have improved."

Mr. Maloone also states the early morning hours present some congestion. This congestion is due to the students going to 8:00 classes, coupled with the rush of people, who work downtown. With this exception traffic problems seem to be at a minimum.

Also the fairgrounds are open from 7 a.m. to 6 p.m. This area is located at the northwest boundary of TU's property.

"I hope the students continue to co-operate with me, and I shall certainly try to co-operate with them," Mr. Maloone concludes.

### "MINARET MAID OF THE WEEK" "Connie"

Transfer Connie Tokarski came to the University of Tampa from Alvernia College in Reading, Pa. Apparently with no idea of being in the Southland to soak up the sun, she is attempting to tackle a medical technology major.

Dr. Griffin Keynotes Conference

## First Leadership Conference Studied

The results of last year's Minaret Leadership Conference have been tabulated and now are being carefully studied.

The conference entertained many suggestions and controversies. Out of these differences we have taken a cross section of the answers.

Each delegate at the conference was presented with a form composed of several questions. The delegates were to answer the questions by giving what they felt were the correct answers.

The compiled results and the questions and answers are as follows:

1. Did the panel members stick to the theme, 'The Improvement of Campus Communications'? Yes 19. No 11.
  2. Was this truly a representative panel? Yes 25. No 5.
  3. Were the delegates to the conference truly representative? Yes 25. No 4.
  4. Was the conference profitable? Yes 30. No 0.
  5. If yes, how often do you feel that similar conferences should be held? Answers varied; however, popular opinion favors more meetings.
- How could future conferences be improved?
1. More participation by independent students.
  2. More representation from the organizations.
  3. Limited discussions.
- Ideas proposed for improving campus communications.
1. Central office for information.
  2. More publication of student newspapers.
  3. Utilize central bulletin board.
  4. Devote more space in student newspapers to organization news and pictures.

## From The President's Desk . . .

by Alyce Spohn

To increase the intellectual efforts and service to society in the years ahead, all facets of the University curriculum will undergo examination this year, President David Delo announced recently.

In connection with the curriculum study Dr. C. Doren Tharp, former Vice President of Academic Affairs at the University of Miami, will visit Tampa U. October 19, 20, 21.

Dr. Tharp, who is also a former President of the Florida Association of Colleges and Universities, will talk with a special committee composed of faculty, administrators, alumni, trustees, and students.

He is the first of a series of educational experts to visit Tampa this fall. These men will attempt to make suggestions toward designing an academic program and operational pattern suitable to the students' future needs.

Members of the committee will also visit other small private colleges to see successful programs first hand.

Although there will be some new subjects added, President Delo states that the emphasis of the proposed changes is on a transition to independent study and to the application of knowledge.

A keynote of the program will be the library, expected to be completed by next year. This will provide the students with materials and opportunities for research in depth into their particular field of interest.

President Delo points out that knowing how to learn is more important than how much can be crammed into a person's head in four years.

He goes on to say he would like to see the students have a chance to apply their knowledge. For example, the student excellent in chemistry should have the opportunity to test his understanding of facts in a research laboratory.

President Delo wishes to remind us, "The success of this college and the quality of the intellectual program rests with each administrator, each faculty member and each student."

## Prof. Philips Announces Cast For "A Visit To A Small Planet"

by Odis Richardson

Prof. Marvin Philips, Director of the Falk Theatre, announced the selection of the cast for the University Players first production of the season, "A Visit To A Small Planet." An all University student cast has been selected for the production.

Gore Vidal's three-act comedy farce promises you a wonderful evening's entertainment. You shall be delighted and overwhelmed by your jaunt to "A Small Planet."

The show opens November 5, 6 and 7, at the Falk Theatre. The cast includes:

Bob Thompson as Kreton, Clinton Summersill as Powers, Richard Reith as Roger, James Wiley as Conrad, Rita Owens as Reba, Helen Malozi as Ellen, Allen Gold-

berg as Aid (Captain), Michael Hyman as Delton No. 4, Larry Feinberg as TV Tech, William Sevell as TV Tech.

All stage craft, crew work, lighting, publicity, location of props and other backstage assistance will be accomplished by members of The University Players. Prof. Philips will design and direct building of the sets.

See you at curtain time.

## Cropsey Appointed Administrative Ass't. To V.P. Dr. Walker

E. H. Cropsey, formerly of San Antonio, Texas, has been appointed as administrative assistant to Dr. Charles R. Walker, Jr., vice president for academic affairs at the University of Tampa.

Cropsey received a Bachelor of Science degree in Business Administration from Trinity University, San Antonio, in 1917. Prior to accepting his new position, he was special agent for the Tampa office of a national insurance company. He is a veteran of three years of active duty with the U.S. Army, having served in Korea.

Mr. and Mrs. Cropsey and their two children reside at 14812 Daisy Lane, Tampa.

## 25,000 EUROPEAN JOBS

Grand Duchy of Luxembourg — 25,000 jobs in Europe are available to students desiring to spend a summer abroad but could not otherwise afford it. Monthly wages range to \$300 and jobs include resort, office, child care, factory, farm and shipboard work. \$250 travel grants will be given to the first 5000 applicants. Job and travel grant applications and full details are available in a 36-page illustrated booklet which students may obtain by sending \$2 (for the booklet and airmail postage) to Dept. O, American Student Information Service, 22 Ave. de la Liberte, Luxembourg City, Grand Duchy of Luxembourg.

## Organization News

### TKE

Soon to come around the corner is Fall Rush. The Epsilon - Beta Tekes are well prepared. Our rush committee of Dave Murphy, Carl Terry, and Don McFall have a few surprises stored away for our final rush party which will be held on October 18. All the brothers as well as the rushees are eagerly awaiting.

Last Friday we had our first party of the year. Saturday we supported the Spartans at Phillips Field, as we plan to do every game to come.

Congratulations to Judy Bonnets who will represent Tau Kappa Epsilon as homecoming queen for 1964.

### TEP

At their first football game, Tau Epsilon Phi found that it was not playing an ordinary game of rag football, but a game where its opponent was out for "blood." As a result, TEP did shed blood on that field on October 6 and the relations between two fraternities went to an all time low.

If little incidents such as this persist, will a "better Greek community" survive at Tampa? We say no! no! one-hundred times no! The hatred, the hidden anti-Semitism,

the non-conformity and all the other factors detrimental to a better Greek community remind us of John F. Kennedy's famous words:

"Those who foolishly sought power, by riding the back of the tiger, ended up inside."

### Theta Chi

The brothers of Theta Chi, now including their '64 spring pledge class, have already started off what is bound to be their most active year. Miss Penny Donaghue was chosen as Theta Chi's representative in the homecoming queen contest and Miss Sharon Weinstein will be the brothers' representative for Moroccan queen. Under the able intramural leadership of Brother James Caruth the Theta Chi dealt a mighty defeat to their first football opponents, the Pi Kaps. Brother Lou Litus, also, gained valuable points for the brotherhood by placing second in the intramural fencing match. With Brother Paul Sachetti again at the head of the social committee a full year of activities and another successful fall rush is assured. From here, it looks like this is going to be a banner year under the red and white flag.

### DPE

The Phi Rho pledge chapter of Delta Phi Epsilon sorority is anxiously anticipating a successful year, functioning as a non-sectarian sorority.

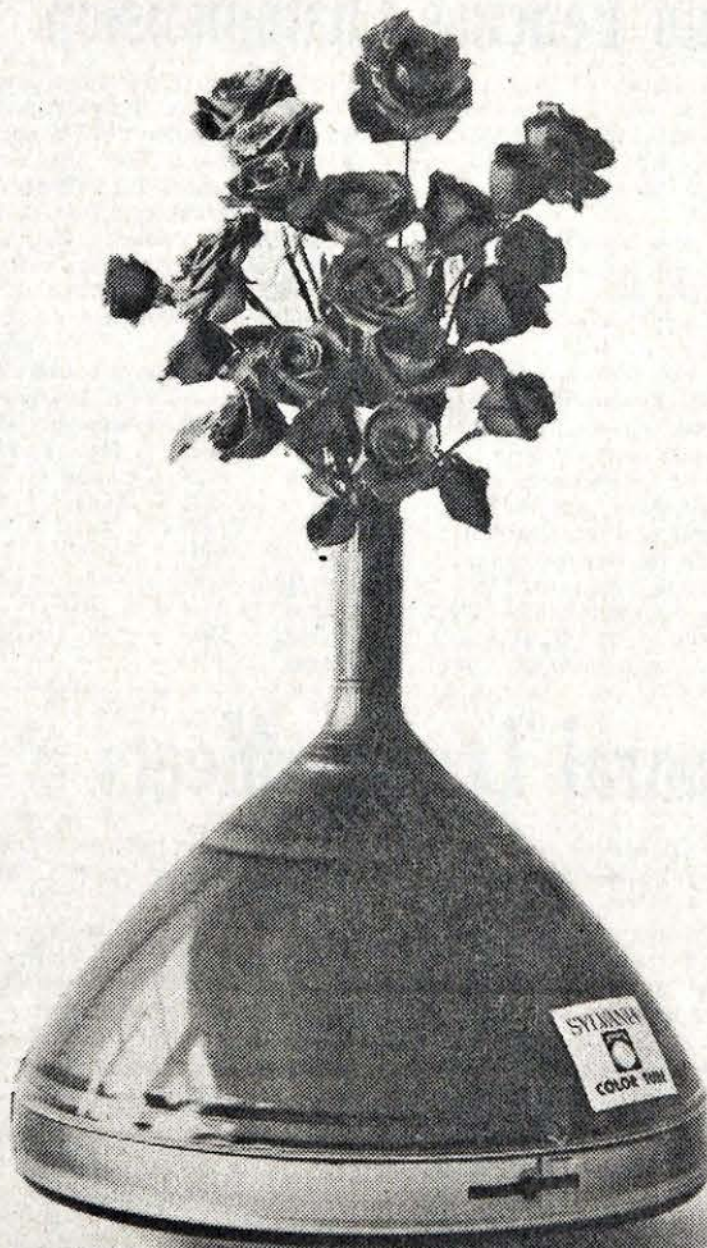

Very special congratulations are in order for Miss Sharon Weinstein, who was recently engaged to Mr. Ken Bozak and will also represent us in the competition for Homecoming Queen. Sharon was also honored by Theta Chi fraternity by being chosen as their nominee for Moroccan Queen. Sharon serves her school in many ways and manifests her feelings of loyalty, as well as her sorority's, as a member of the cheerleading squad.

### ZTA

With the 1964 fall semester in full swing, Zeta Tau Alpha is actively and optimistically on the move.

Our felicitations go to Sister Judy Bonitz on her election as vice president of our chapter.

The Zeta Script Dance was the event of Saturday, October 10 after the McNeese game. All tickets purchased in advance had a chance for the drawing of a steak dinner for two.

## OUR FUTURE IN COLOR TV LOOKS ROSY

The Color TV market is in full bloom — and GT&E along with it.

The reason? Our Sylvania subsidiary has made dramatic advancements in the performance standards of color TV sets.

In developing these new receivers, Sylvania drew upon the vast research facilities of GT&E. One result: the Sylvania

"Color Bright 85" picture tube using a revolutionary new red phosphor that increases brightness on the average of 43 percent over the industry standard.

Our Sylvania Electronic Components Group is one of the two largest suppliers of receiving tubes and picture tubes . . . used by 7 out of 10 TV set makers.

As a major factor in all phases of communication through sight and sound, it is small wonder that GT&E has become one of America's foremost corporations.

If you're looking for a young, aggressive company with no limit to its growth, you may wish to view GT&E in the light of your own future.

## SPORTS BILLBOARD

by Mike Moore

WHEN THE GOING GETS TOUGH THE TOUGH GET GOING — might be a good thing for the Spartans to remember. They have lost four straight ball games now but they still have six to go. In the Jacksonville game we made too many mistakes, in the VPI and Memphis games we looked good although we didn't win. In the last game we didn't come anywhere near the form we had in the two previous games. McNeese did not have a better team than ours but it appeared that their players wanted a win worse than ours. Everyone who has seen our football team knows we have a better one than the one that played at Phillips Field against McNeese.

Any team can have an off night, perhaps this is what happened in the McNeese game. Four straight losses is enough to take the heart out of "weak" men, we will all be waiting to see if the Spartans have the determination to fight back.

November 24 is Homecoming and the game will be at 2:30 in the afternoon with Presbyterian. The Blue Hose have been a fairly soft touch in the past few years but this year they have the best team they have had for six years.

WDAE radio will carry the game between the Spartans and Southwest tomorrow night. That is 1250 on your dial and you don't want to miss it because it should be a good game. Our hand goes out to John Hines and Paul Kelly and the rest of the people who have done such a great job of building student spirit this year.

The quote of the week — Val Johnson: "We want a win, we are tired of reading the financial report in the Sunday papers." Good luck to the Spartans against Southwest and let's get the second victory of the season against Presbyterian on the 24th.

Mighty Midget Tom Doan leads the Spartan defense.

## Ron Gagnon of Pi Kappa Phi Wins Fencing Championship

Ron Gagnon of Pi Kappa Phi Fraternity won the University of Tampa Intramural Fencing Championship held at Howell Gymnasium on Wednesday, October 7, 1964.

The new champion drew a bye in the first round of the single elimination meet. A forfeit in the second round allowed Gagnon to gain the semi-finals. Gagnon defeated Steve Hartman of Tau Epsilon Phi Fraternity by a score of 3-1 in the semi-finals and then defeated Lou Litus of Theta Chi Fraternity 3-0 for the championship.

Second place position went to Lou Litus of Theta Chi Fraternity. Lou defeated Esposito of Tau Kappa Epsilon Fraternity, Dane McMahon of Lykes Hall, and Marty Steinberg of Tau Epsilon Phi to gain the runner-up spot.

October 17, the University of Tampa Spartans take on Southwest Louisiana in Lafayette. The Spartans and the "Battling Bulldogs" have met twice before and Tampa has yet to beat the tough Gulf States Conference team. The Bulldogs' general outlook for this season is real good as Head Coach Russell Faulkinberry begins phase No. 4 of his five year rebuilding program. "We will be much improved over last year," he stated. The big Bulldog mentor has experience on his side this year with 19 returning lettermen including seven starters back.

The Bulldogs can be expected to employ the Wing-T flip-flop offense against Tampa. On defense they are expected to use the Tennessee wide tackle six. Faulkinberry feels his defense will be more versatile, "salty," tougher and bigger. The backfield averages about 185 pounds per man and is very fast. The Bulldogs can be expected to do more running than passing, especially against the tough Spartan pass defense.

Their backfield is led by half-back Lonny Price. Price made the All Gulf States Conference first team last year as a sophomore. He led the Bulldogs in five departments: rushing, scoring, pass receiving, punt returns, and kickoff returns. 1963 marked the first time he ever played football, high school or college. He is very fast and has the potential of becoming one of

the best backs in Bulldog history.

The Spartans will be counting on the fine passing arm of Val Johnson and the running of Larry Maier as their one-tow punch. Head Coach Sam Bailey says, "We will be ready for Southwest. They always have a tough club and are especially hard to beat on their home field."

## Women's Intramural League Meets

The organizational meeting of the Woman's Intramural League was held on Monday, October 5.

Miss Ruth Bragg, head of the league, announced the first games would be held on Monday, October 12.

The first sport of the season will be co-ed volleyball. There are six teams in the league: Newman Club, Delta Sorority, Zeta Tau Alpha, Alpha Chi Omega, Delta Phi Epsilon, and an Independent team.

Girls rules will be used for the games which will be double elimination tournaments with a two out of three games match. There will be six players on each team, each team having no more than three boys.

Play-offs will be held on Mondays and Wednesdays at 4 p.m. on the back courts.

Miss Bragg said that she would appreciate it very much if the team captains would please check the bulletin board outside the physical

education office for further details concerning the day and team they will be playing.

If there is anyone who is interested in tennis, there will be a mixed tennis doubles tournament after the volleyball season.
