Senior's Crown King And Queen At Banquet

**Celeste Dervaes and
Paul McCloskey Are
Crowned at Ceremony**

Paul McCloskey and Celeste Dervaes were crowned king and queen of the senior class of the University of Tampa at the juniors' annual dinner and dance at the Palm Room last night.

The election marks the second occasion in the last two weeks that Miss Dervaes has been named to royalty. She was crowned queen of May at the annual Front Porch Frolics recently.

Maids of the court, selected from each of the three lower classes, were Priscilla Hunt, junior, escorted by Jack Williams; Jewel Fernandez, sophomore, escorted by Walt Frederick and Jean Pryor, freshman, escorted by Paul Myers.

The program carried out the theme of royalty, beginning with introduction of all seniors as lords and ladies of the court. Jimmy Whitehead, termed Lord Great Chamberlain of the Crescent of Sparta and Bob Anderson, Honorable Knight of the Crescent of Sparta, presented the royal court.

R. B. Fordyce, president of the junior class, welcomed guests, followed by a short address by President J. E. Mooney, who was named Lord High Chancellor of the Crescent of Sparta. Priscilla Hunt gave the toast to the seniors, with response by Mark Ball.

Dedication of the 1941 Moroccan, yearbook, to Prof. Harry Dobson, was made by Mary Frances Mathis, editor-in-chief.

The program of entertainment, with Bill Gaventa as master of ceremonies, included Jack Armstrong, baritone; Ella Beth Laird and dancers and readings by Hilda Sweat.

Juniors in charge of the affair were Bob Anderson, Priscilla Hunt, Lula Blake, Gibson Gibson, Cora Shields, Mary Merle Jones, Geneva Roberts, Tom Johnson, Mary Collura, Jimmy Whitehead, Bill Gaventa, Kitty Ann Sweat and Mary Sears. Heralds were John Wainwright and Robert Wilson.

Members of the Ann Hasseltine Y. W. A. and their dates were guests at the Mabry home on Twin Lakes Friday night for a wiener roast and program.

Following supper and a recreation period, a program presenting the various phases of summer service was presented by a group of the Y. W. A. girls.

Those attending were Mary Eleanor Mercer, Betty McCord, Florence Moore, Eleanor Baillie, Alice June Wright, Bernice Horne, Ruth Morgan, Jo Price, Marie Lewis, Bunny Wolf, Willie Ione Mercer, Kathryn Perdicaris, Mary Laura Lindsay, Russell Dixon, Bill Gaventa, R. B. Fordyce, Billy Wester, Don Cameron and Jack Freeman. Mrs. Ralph Mozo, Y. W. A. counselor, chaperoned.

Francis R. Todd, grand president of Kappa Kappa Psi, national honorary band fraternity, came from Cincinnati to induct the local Phi Alpha group, as the Alpha Sigma chapter of Kappa Kappa Psi. The formal induction ceremony took place at the American Hellenic Center Sunday afternoon.

Lyman Wiltse and John A. Forlong were inducted as honorary members. Stetson university members assisted Mr. Todd in the induction ritual.

Daniel S. Sanford, David E. Bunting, Harry Dobson, Stephen F. Park and James E. Mooney were special guests at the banquet that followed.

New members of Kappa Kappa Psi are Billy Martin, Arthur Burrows, David Webb, Jacob Dunn, Jack Williams, Stephen Solak, Alton Rine, Charles Slocum, Page Nichols, Percy Spence, Louis Hausrath, Glenn McRae, James Dunn, Billy Webb, Bill Fricke, Billy Hayes, Jim Taylor, Robert Bretz, Russell Dixon and Norman Light.

Dr. Mooney Honored As Lecturer

**He's Chosen As Frick
Educational Speaker
In Pittsburgh Area**

President Mooney returned this week from a hurried trip to Washington, Philadelphia, Pittsburgh and New York, which included a series of lectures and conferences with a number of officials of educational institutions and national defense committees.

Selected for the Henry C. Frick scholarship in 1934 which included a course of study in Europe, Dr. Mooney has been chosen every two years since for a week of lectures in Pittsburgh to high school students.

Addresses 17,000 Pupils

He addressed 17,000 high school pupils in 10 lectures on "How Hobbies Help," based upon the theme that "nothing in the world just happens; everything is brought about."

He indicated that a great deal of the creative force of the world in writing and the arts has come about through avocational interests. "Frequently these hobbies have opened the ways to notable careers," he said.

Previous lectures have been in the field of aviation. Those making the selection of the lecturer were a com-

'41 Moroccan Hailed As Super De Luxe

Hi, Harry!

So, You See, This Inter-
view Had a
Purpose

By ALICE JUNE WRIGHT

Quite unaware that he was soon to be a celebrity, Harry Dobson said, "Oh, go way. Interviews are silly—and besides I'm scared of red pencils."

So changing from a red to a green pencil, the reporter continued to heckle him until he sat down at a book store table and with the help of all in the room, related in semi-serious style the story of his life.

Mr. Dobson is a Florida cracker, who, at times, has wandered far from the sand and sandspurs, but finally got back to entertain Tampa U. students with first-hand accounts of the musicians under whom he has studied.

Studying in the Damrosch school, Mr. Dobson was a pupil of Buldrini and of Dr. Pratt whose textbook he now uses in his course in music history. After that he traveled extensively in Europe studying and attending musical concerts and "having a good time."

When accused of just having a good time in Europe, Mr. Dobson philosophically remarked, "What was a good time then would be considered studying now by you kids!"

**Dedicated To Harry
Dobson, It Will Be
Distributed Today**

Dedicated to Harry A. Dobson at the junior-senior banquet last night, the 1941 Moroccan will be ready for distribution in the business office at 3 o'clock this afternoon.

Frances Mathis, editor of the annual, presented the first copy to Mr. Dobson, Tampa U.'s "popular joker" and music professor.

Copies also were presented to Dr. and Mrs. James E. Mooney, Dean Sanford, Dean Bunting and R. B. Fordyce, business manager of the Moroccan staff.

"Bound in red with gold script, the yearbook carries out no particular theme other than magnifying student activities in the university," Miss Mathis explained. The book contains 192 pages this year.

First Hall of Fame

This year's annual differs from those of previous years most noticeably in the feature section. Instead of class notables, the section presents the university's first Hall of Fame composed of the outstanding members of the graduating class.

Those in the Hall of Fame are Francis Alderman, Celeste Dervaes, Marie Mitchell, Frances Mathis, Mark Ball, Zeno Stalnaker, Paul Myers, Dick Sleichter and Champ Williams.

Only those students whose accounts are up to date in the business office will be eligible to get their annuals today, according to G. K. Straus, business manager. Part time students may secure one by paying \$3.

Pictures On Sale

All Moroccan pictures will be placed on sale in the annual room next week. Large pictures will be 35 cents and smaller ones correspondingly priced. Day for the sale will be posted on the bulletin board.

Members of the editorial staff were Frances Mathis, editor; Marie Mitchell, assistant editor; and Bernice Wolf, Jackie Jameson, Jimmy Whitehead, Frances Sessions, Frances Alderman, David Webb, Beverly Bond, Lola Ann Sparkman, Norma Myers, Yolanda Finney, Billie Wilkinson, Marie Sherman and Jack Goodson.

Business Staff

The business staff was headed by R. B. Fordyce. His assistants were Lucie Lee Marsh, Mary Collura, Mary Merle Jones, Carol Neef, Alice Lee Sewell, Glen McRae, Gloria Gutierrez, Mervin Beattie, Louis Hausrath, Carl Brorein and Theo Tsangaris.

For the first time in Moroccan history advertisements passed the \$700 mark. This amount was \$200 over the actual expenses.

Students wishing to buy annuals should see Lucie Lee Marsh at once. Only 50 copies are available for \$3. The remainder will be sold for \$3.76. More than half of the first 50 already have been sold.

Students Take Over Assembly, Sponsor Pan-American Event

The regular assembly was under the direction of the members of the Pan-American league who sponsored an "Askit-Basket" quiz on Latin-American affairs.

Questionnaires containing twenty-five true or false statements were handed out to students and were later answered by Zeno Stalnaker for checking.

The remainder of the program was open for the quiz. Volunteers were asked to participate, the selection being six boys and six girls. Those taking part were: Don Cameron, Dick Sleichter, Ted Bravakis, Joe Mills, Allan Young, and David Webb; Katherine Perdicaris, Gloria Runton, Lucie Lee Marsh, Katherine Bishop, Judith Benson, and Elizabeth Erwin.

Final scores resulted in a victory for the girls, 7 to 6½.

TAMPA U. SENIORS ELECT ROYALTY—Paul McCloskey and Celeste Dervaes (top) were crowned king and queen of the senior class of Tampa U. last night and their maids, lower row, left to right, are Jean Pryor, freshman; Jewel Fernandez, sophomore, and Priscilla Hunt, junior class.

DR. MOONEY URGES COLLEGE TRAINING

President Mooney, in the latest issue of "This Week in Defense," bi-monthly publication of the University, offers the following advice to men and women of college age:

Students or prospective students who have planned to continue their work in the University next year or who have been in doubt as to their plans, are urged not to interrupt their training unless it is imperatively necessary. We shall need in this country as never before all the trained personnel that can be mustered to cope with problems that will inevitably follow in the train of current world wide distress and disorder. You young men now in college or just out of high school are the nation's most valuable reserve. We must not unnecessarily deplete this reservoir.

It is far better for your own good and the country's that the training you are now receiving be carried forward arduously and without interruption to logical objectives, than that it be thrust aside for some more immediate appealing pursuit.

Likewise, the University Administration is advised and stands ready to endorse all applications for deferment that come within the latitude of the proper regulations according to the local draft board. It is pointed out to the administration that such procedure is a part of patriotism and it is on that basis that it invites the cooperation of students concerned.

And in line with the consensus of administrators of colleges and universities in this country, we must not permit tension of the times unnecessarily to disrupt normal procedure.

The administration is molding the University's program at every turn to national defense needs without abandoning fundamental studies, and it asks the cooperation of its students, of prospective students, and their parents in the pursuance of this policy.

Therefore, it would seem advisable to encourage you to attend college to avail yourself of the advantages of higher education. Particularly, if the students follow the courses which lead toward a preparation or training as necessary men in activities necessary to the national defense.

Seniors Plan Graduation

Class Rings Ordered, Commencement Plans, Program Announced

With commencement time rapidly approaching, the seniors are busy with the many details of their farewell.

The class rings have been ordered from Attleboro, Mass., and should be here very soon. The announcements, which are being printed at the Tribune press, will be ready in about a week and a half.

Activities Begin June 8

The round of senior activities will begin June 8 with the baccalaureate sermon, which will be held in the Municipal auditorium at 3:30 o'clock.

Immediately following the baccalaureate address the faculty women's club of the university will entertain at a tea in honor of the graduates and their guests at the university.

Sanford's to Entertain

Dean and Mrs. Sanford will entertain the seniors at a garden party at their home, 2313 Bristol avenue, the afternoon of class day from 3:30 to 5:30 o'clock.

Class day exercises, featuring an address by Dr. Mooney and the traditional ivy planting, will take place Monday morning, June 9. That night a concert of choral and instrumental selections will be presented in the university ballroom.

The climax of these activities, graduation exercises, will be held June 10, when 70 students will receive diplomas.

Carroll Thomas Is Elected I. R. C. Prexie

The International Relations club unanimously elected Carroll Thomas president at a call meeting Wednesday afternoon. Other officers elected are Carl Lauther, vice president, Alice Lee Sewell, secretary and treasurer, and Richard Schwartz, program chairman.

A supper meeting has been arranged for 6 o'clock Thursday, May 22.

Community Players Organized in Tampa

Community Players of Tampa—a new semi-pro group of thespians, embracing all the relative arts of the theater, and sponsored productions presented on six-week schedule, has been organized recently, under the direction of Phil Terry.

With New Orleans as northern office—all the gulf coast cities are covered and now with Tampa as the southern office, units in numerous Florida and Georgia cities will be functioning.

The players plan their initial performance in Tampa next week-end, with variety program of 18 acts, and followed by two hours of dancing to the music of the Community Playhouse orchestra. The second production scheduled will follow six weeks later—"Our Town," for which Mr. Terry is now casting.

All those interested in participating in any angles of this work, are urged to register at once in the secretary's office of the Community Players, in the Lafayette Arcade Bldg., 442 W. Lafayette St.

Grads - To - Be Express Sorrow at Departing From Alma Mater

Although wisecracks and blunt remarks have been made about our soon-to-be alma mater, we seniors will, with a full heart, regret in many ways taking our departure from the university.

In expressing some of the things that the seniors will miss most, I hereby quote:

Frances Sessions: In winter time, I'll miss the friendly fireside gatherings around the big fireplace.

Paul Myers: (He just laughed, and your reporter just looked at Jean.)

Lucy Lee Marsh: (With arms extended fully—in her dramatic interpretation class way) Everybody.

Markus Ball: Whatever it is, I'll be glad to miss it.

Sarah Morgan: (Like Paul Myers, she just laughed heartily. What did that mean?)

Zeno Stalner: It will be so different not going to the bookstore daily for a conglomeration of advertising. (But from other sources I hear that is not what he's really going to miss: (Quote):

It'll be our daily arguments—not daily advertising!

Virginia Richelieu: (Just one word) Johnnie!

Paul McCloskey: I'm going to miss not having such a little amount of something to do.

Jackie Jameson: Loafing in the lobby will be a thing of the past. I'll certainly miss it!

Billy Martin: All the gay life of the dormitory, sleepless nights and cramming—but not the former as a result of the latter—they will all be gone now.

Margie Segall: (For such a quick retort, only a name) Dr. Freeman!

Allan Young: Not a darn thing!

Lois Crespo: (In a low whisper) The library.

Mary Frances Mathis: I'll miss the whole business, honestly. I'd like to start all over.

And so closes some of our 52 graduates' opinions and honest ones, I think, in expressing last thoughts of "our" university.

We, the Frosh

By EUGENE ZIZLINSKI

Hooray! only two weeks left of school and then back to the Windy City—if I ever get there. Paul Morano, Fred White and I are planning to go back to Chicago in a super model "T." Paul plans to purchase this bit of antiquity and attempt the 1300-mile trip . . . Wish us luck—for we'll need it.

Here it is May 16, 1941, and the freshman footballers haven't as yet received their numeral jerseys for last season's services . . . They all want to know what's holding them up and when if ever will they be awarded.

Give a guy a piece of candy and he'll take all of it—that's Stalner. Just as a courtesy I always mention Leo at least once in my column. And then this week he has the nerve of telling me he isn't represented enough. That isn't all, for he goes around trying to neck (?) with Kitty Bishop and also brag about his so-called pretty oil landscape paintings so he can get his name in We, the Frosh. Boy! what people will do to get their name in type . . .

Congratulations to Doyle Bluemie, future sophomore prexy, and Paul Fernandez, sophomore council representative . . . also to freshman rep Doug Forster, who is showing the upper classmen how baseball should be played . . . If you can't fall asleep ask Don Cameron to tell you one of his favorite tall-stories . . . if that doesn't help you count sheep tell "Butch" Wilson and he'll put you to sleep—or else!

Did you know that Raymond Diaz has boxed professionally and his opponents have convinced him he should seek a college education so that he could try his hand in another profession . . . Did you know that Abreu was attending Georgia Tech last year . . . Did you know that Miss Jewel taught dancing professionally—so she tells me . . .

Enough for this time . . . see you next week.

Final Exam Schedule To Be Posted Monday

A final exam schedule will be posted the first of next week according to Mrs. Holland, dean's office secretary.

Tentative schedules were distributed to professors this week to check for conflicts, most of which have been eliminated in the final schedule.

Any student still having a conflict should report it to the dean's office this week.

"Schedules for summer school classes will also be out next week," Mrs. Holland said.

"Collich Life!"

"BUT, CHEE, DEAN! I JUST DON'T HAVE TIME TO GO TO CLASS!"

Faculty Staff for Summer Term To Include Two New Instructors

Although June 10 spells vacation and rest to the majority of students, many will continue to pursue studies at summer school, which begins June 12.

Two new professors appear on the faculty staff for the summer. Prof. Robert Lafollette, head of the history department of the Ball State Teachers college at Muncie, Ind., will teach history. At the same time Professor Laub, head of the Tampa university history department, will teach at the Ball State Teachers college in an exchange arrangement.

Miss Florence R. Stumpf, director of music for Hillsborough county, will teach Methods of Teaching Music in the primary and intermediate grades

and also in the high school grades if there is a demand.

Among the interesting courses scheduled for the summer are Business 305, to be taught by Professor Leinbach, and Geography 210, with Professor Phelps as the instructor.

Business 305 will treat the recent economic and labor issues, financial management, and commercial problems associated with the national defense program. This course should especially appeal to those who follow the international situation closely.

Geography 210, a geography of Florida, will deal with man's social, economic, and historical activities in Florida as influenced by his physical and biological environment.

mittee composed of officials from Pennsylvania College for Women, University of Pittsburgh, public schools of Pittsburgh and a group of notable citizens.

New Training Program

Dr. Mooney discussed plans with officials in Washington on the possibility of a new movement, where youths of draft age would be trained in universities, receiving at the same time training in military science and regular university work. The program is at present under the consideration of the war department and the national council of education.

Dr. Mooney devised the plan to take care of the great number of boys of university age who lose one or more years through drafting. The president said that approximately 15 percent of university boys in the United States will not return to school in the fall, because of the draft.

Confers with Byrd

Dr. Mooney conferred with Rear Admiral Richard E. Byrd in New York and invited him to attend the university commencement exercises where he will be given an honorary degree.

The president also talked with Alexander J. Stoddard, superintendent of public schools in Philadelphia, discussing plans to encourage northern high school students to take their university training in the south.

B. X. "Bowery Brawl" Scheduled for Next Friday in Ballroom

The Mestee Jean Pryor, Louise Griffin and Celeste Dervaes will sponsor the seventh annual Bowery Brawl to be given by the Beta Chi fraternity next Friday, in the University ballroom.

The ballroom will be decorated to furnish bar room atmosphere of the gay nineties. There will be a waltz contest and also prizes for the best costume. Only those wearing costumes will be admitted.

Val Antuono's orchestra will furnish music.

Chaperons will be Dr. H. C. Laub, Dr. and Mrs. K. K. Berry and Mr. and Mrs. Louis Zengidig.

Those in charge of arrangements are Paul Myers, Dick Sleichter, Doyle Bluemie and Arthur Schiro.

Newly-elected officers will be introduced during the evening.

Elsie Gill Heads Art Club

Elsie Gill, sophomore, is new president of the Brush and Palette club. Wilcie Liner is secretary, Marion Nell, treasurer, and Alice Lee Sewell, publicity director.

The club will meet soon to draw up a new constitution and make extensive plans for next year. The Brush and Palette club will take charge of the enlarging of the art department and making it more adaptable to the students' needs.

S. K. N.'s To Entertain At Gardenia Dance Tonight at Palma Ceia

Tonight Sigma Kappa Nu fraternity will present its eighth annual Gardenia ball on the patio of the Palma Ceia Country Club. According to tradition, each member will be presented with a single gardenia which he in turn will present to his date during the S. K. N. no-break dance as the orchestra plays "Little White Gardenia." The fraternity under the leadership of Jack Williams has prepared a surprise for S. K. N. dates which is novel to this campus.

Members of the faculty who will act

as chaperons are Mrs. Elizabeth Connally, Prof. and Mrs. Lyman Wiltse, Dr. and Mrs. Donald Bode. Other members of the faculty will be in attendance.

During the course of the dance, new officers of the fraternity for the coming year will be announced.

The sponsors chosen for the occasion are Miss Mary Cantrell, escorted by Jack Goodson, Miss Marie Myers, escorted by Johnny Wainright, Miss Elsie Gill, escorted by Collins Whitehead, and Miss Mary Frances Mathis, escorted by Jack Robeson.

Music will be furnished by Manuel Sanchez and his orchestra. Admission will be by invitation only.

The Social Spotlight

Dear Maudie:

What an exciting week-end this turns out to be! The Jr.-Sr. banquet, S. K. N. Gardenia dance, and the Alpha Gamma spring dance coming one right after the other. But do we love it!

Posies and congratulations to the court of the Junior-Senior banquet. Royalty was carried out to the Nth degree. There were more royal titles running around than there is in the whole British Empire.

The S. K. N. dance promises to be swellelegant. Everything about it is a secret except the names of the sponsors and the skins certainly displayed good taste when choosing them.

We're simply petrified with curiosity to know who the A. G. officers are. But they won't even drop a hint until the dance tomorrow night. Who said girls talk a lot!

Queen Celeste of the House of Der-vaes was a lovely and quite regal queen of the Front Porch Frolics. The program was excellent, especially an off the record specialty number by Barrymore.

We're all thrilled about Phi Alpha, local band fraternity going national. It now is the Alpha Sigma chapter of Kappa Kappa Psi, national band fraternity. Tampa U. now boasts four national organizations: Kappa Kappa Psi, national band fraternity; Alpha Psi Omega, national dramatics fraternity; Phi, national freshman scholastic organization, and the Quill club, national literary organization.

There was more excitement at the S. T. P. progressive supper Friday night! Sarah Morgan sure gets around. She just dreams dates up out of thin air—deserted by the original date at eight-thirty, by 8:33 she had expropriated a better substitute.

Silence isn't always golden as Wanda and Dixie discovered when they ignored the warnings of umpteen couples who swarmed upon them at the water's edge.

Fare thee well until tonight at 9:30. B. B.

Miss Nita Medina, Miss Dolly Menendez and Miss Betty Holton will sponsor the third annual spring dance of the Alpha Gamma sorority, to be given tomorrow night at 9 o'clock in the ballroom. Music will be provided by Val Antuono's orchestra.

A spring theme will be carried out in all the decorations and details, with the sorority colors of green and white predominating.

The feature of the dance will be the introduction of the newly elected sorority officers. Retiring officers are: Miss Odessa Dietrich, president; Miss Kitty Cappello, vice president; Miss Mary Collura, secretary; Miss Anna

SPARTAN SPOTLIGHT

By TOM JOHNSON

DISCUSSION:

Unconfirmed rumors have it that there may be a get-together of all the Florida state colleges for a proposed "Florida" conference. Like the "Big Ten" in football, this group will select a head from one of the universities in the state and he will act as czar of the league. This action sounds good and let's hope it goes through, Coach Stewart!

My reason for backing it is that it will do away with canceling of so many minor sports games, like Stetson was forced to do with our baseball team. If Tampa had received these games as forfeits instead of unplayed games, the Spartans would have had a chance to repeat for the baseball title. As it is, those games are gone.

This conference would set up rules and regulations, hire umpires and referees, and decide on any disputed decisions or controversies between intra-college teams. Here's hoping.

COUPLE LEFT—Tampa's baseball nine still has three games left with the Pensacola nine. Florida beat the Navy flippers easily. Tampa should repeat, we hope.

FORWARD—The intramural program is behind schedule, so Miller Adams has been forced to play off some contests on Saturdays. The track meet will be held tomorrow at Plant field.

DRAFTEES—According to Coach Stewart's remarks, some of our star footballers for next year may be serving Uncle Sam instead of Uncle Flucie.

Lost?—What happened to Tampa Cincy Reds?

FOUND—What happened to Brooklyn? Answer Larry MacPhail.

GOOD-BYE NOW—Good luck to Tampa U.'s graduating senior athletes on their venture into the unknown.

WARNING—Watch out for our football team next year. You students can tip Gators, Tars, Hurricanes, to be prepared for the blitz.

Am I right, Coach Stewart?

DID YOU KNOW?—All of Tampa's baseballers are playing baseball in independent teams in the various leagues around Tampa. John Comparato is manager of the Brandon outfit in the West Coast league.

WHY NOT have intramural bowling teams, mixed teams or otherwise?

HOT TIP—It's Whirlaway in the Belmont race tomorrow!

Swim Meet Set for Tuesday at Cuscaden

The swimming meet for both men and women will be held Tuesday afternoon at 3 o'clock at Cuscaden Park. There will be an admission fee of 10 cents. All students interested are asked to sign up with Miss Moffatt as soon as possible.

There will be several events and entrants may enter as many as they desire. Some of the events already scheduled are the 50-yard dash and 75-yard dash free style; 50-yard dash and 75-yard dash breast stroke; distance in diving and different kinds of dives.

Tampa, Southern B. S. U. Groups To Hold Retreat

The University of Tampa Baptist Student Union and the B. S. U. of Southern College will hold a joint fall retreat at State park in September.

Plans for the two or three day meeting will be completed before the close of school and arrangements made for the out-of-town council members to come back in time for it. The last issue of the B. S. U. News will come out next week, according to Alice June Wright, editor. The paper will be continued next year under the direction of Mary Laura Lindsay and Maeima Cowley.

At council meeting this afternoon one of the new council members will be awarded the money in the Ridgecrest fund to help defray his expenses to the Southwide assembly at Ridgecrest June 11-19.

"DON'T BEAT ME, FREDDIE—"

POLEY McCLINTOCK wept as he turned over his drums to Fred Waring on the "Chesterfield Pleasure Time" program, but Waring got a big bang out of it. He's no pitcher but he has a high baton average. Waring's Pennsylvanians were born when Poley and Fred Waring played together in a Boy Scout band back in Tyrone, Pa. Now they do radio audiences a good turn five nights weekly on N.B.C. stations.

Youth Leaders Will Forum Youth Forum At Univ. of Tampa

First steps toward organization of a youth forum in Tampa were taken at the University of Tampa yesterday when a group of prominent leaders and educators discussed plans to bring the city's boys and girls together for open discussions of outstanding problems.

Those taking part represented the city's high schools, churches, the university and various youth character-building organizations.

They meet again next Thursday morning at 9:30 o'clock, at which time an advisory council will be appointed to select the best plan for the forum.

Orchestra, Chorus To Present Concert

The University orchestra and chorus are working hard on their joint concert to be presented the night of June 9, official Class day. Lyman Wiltse has planned this program for the benefit of visiting relatives and friends of the graduates.

The highlight of this program will

be the presentation by Mary Haverstick and the orchestra of Frans Liszt's "E Flat Piano Concerto."

J. A. Griffin Makes Library Gift to T. U.

The gift of a splendid reference set has recently been made to the University library, through Mr. J. A. Griffin. The 13-volume set of the Cambridge Modern History has just been received and is ready for use. This is one of the best-known basic works in the field of history, and should be of use to all professors and students of the University, whether or not they are actually engaged in work in the field. The material included in the volumes covers the history of all nations from the Renaissance to the twentieth century, and is treated, not just as a succession of dates and events, but as a process of "continuous development."

Of particular interest at this time, with the repetition of many of the conditions existent in the United States in 1914, are four volumes of Ray Stannard Baker's work, Woodrow Wilson, Life and Letters. The volumes, received as a gift by the library, include those on Neutrality, 1914-1915; Facing War, 1915-1917; War Leaders, 1917-1918, and Armistice.

Miss Thompson recently attended the Florida Library association convention, held at Clearwater Beach, and was named chairman of the membership committee for the ensuing year.
