

*One of These Lovely Young
Ladies To Be Homecoming Queen*

One of these beautiful young Co-eds will be chosen to reign as Queen of Homecoming. She will be crowned at an impressive coronation ceremony Friday night. This event will take place during the Annual Homecoming Dance which is being held at Davis Islands Coliseum. The young ladies from left to right are: Miss Mary Esther Bartlett, Miss Pat Batts, Miss Ann Ruth Beck, Miss Shirley Rhodes and Miss Gloria Gonzalez.

Annual Homecoming 1950

CALENDAR OF EVENTS

THURSDAY, NOVEMBER 9, 1950

8:00 P.M.—Presidents Reception—University Ballroom

FRIDAY, NOVEMBER 10, 1950

All Day—Registration of Alumni at Hillsboro Hotel.

4:30 P.M.—Fish Fry—Sheldon's Ranch—West end of Cypress St.

6:00 P.M.—Start of Freshman Pajama Parade—University of Tampa Campus.

7:30 P.M.—Bonfire and Pep Rally—Rear Parking Lot of the University Campus, between Main Building and Arts Building

9:00 P.M.—Homecoming Dance—Coliseum, Davis Islands—Music by Don Francisco and his Orch.

11:15 P.M.—Coronation of the University of Tampa's 1950 Homecoming Queen—Coliseum, Davis Islands.

SATURDAY, NOVEMBER 11, 1950

7:30 A.M.—Fraternity and Sorority Breakfasts.

9:30 A.M.—Diaper Set Hoedown at Hillsboro Hotel.

11:15 A.M.—University of Tampa Homecoming Parade.

12:00 Noon—Fraternity and Sorority Luncheons.

2:30 P.M.—Football Game, Tampa Spartans vs. Delta State College—University Stadium, Phillips Field.

5:30 P.M.—Start of Alumni activities at Hillsboro Hotel—Cocktails, Alumni Business meeting, Alumni Banquet and Alumni Dance.

9:00 P.M.—All Greek Letter Dance—Zendah Grotto Building, Drew Field.

SUNDAY, NOVEMBER 12, 1950

11:00 A.M.—Alumni Religious Services—Churches of Tampa.

**Annual Homecoming Events
Scheduled To Start Tonight****PRESIDENT NANCE
HELPS ORGANIZE
ALUMNI IN N. Y.**

After delivering seven addresses in Asheville, Milwaukee, and South Bend, Indiana and holding conferences and organizing the New York Chapter of the University Alumni Society, Dr. Nance has returned to his varied and strenuous administrative duties at the University.

Dr. Nance's three weeks' schedule ended in New York on October 29, the day after the Soviet Foreign Minister Andre Y. Vishinsky had scathingly condemned him before the United Nations for a statement he made several weeks ago on total preparedness of our country against the possibility of a war with Russia. Vishinsky said Dr. Nance should be "president of a mad house—and put in a strait-jacket."

Press Conference

At a press conference in New York, Dr. Nance replied: "When Mr. Vishinsky uses the term 'strait-jacket' he uses a term familiar to all peoples who have come under communist domination. Mr. Vishinsky himself, is in a straitjacket. He is only repeating some of the things said about me two months ago over Radio Moscow. Mr. Malik and Mr. Vishinsky are peeved that they cannot put all members of the United Nations in a straitjacket. If the Communists should ever dominate this country, we would all be wearing spiritual and political straitjackets."

Dr. Nance's original recommendation was to the effect that war should be made so horrible and so total and unrestricted that the little peoples all over the world—including Russia—would rebel against the stupid leaders who involve them in war.

**FACULTY MEMBERS ON
ADVISORY COUNCIL**

Dean M. C. Rhodes, Dr. Robert L. Mohr and Dr. Zoe Cowen attended a meeting of the Florida Teacher Education Advisory Council held in Gainesville, Oct. 26 and 27, to study the need for re-evaluating the general education and special requirements for certification of teachers. The opening address was given by Supt. Thomas D. Bailey of the State Department of Education.

The council, which is composed of representatives of all universities and colleges in Florida, the State Department of Education, and the public schools of the state, will hold its next meeting probably in January, in Tallahassee.

*Festivities Will Include
Dances, Banquets, Game
and Parades*

The greatest Homecoming in the history of the University of Tampa will occur this week. Final plans have been made and arrangements completed for entertaining the largest gathering of Alumni and students for our 19th annual Homecoming. This event promises to be the most gigantic and stupendous yet.

Festivities will get underway on Thursday evening at 8:00 o'clock with the President's Reception in the University Lobby and Ballroom. Dr. and Mrs. Nance will entertain the 2500 returning Alumni, guests and students, with assistance from the faculty and administrative staff.

Alumni Registration

Friday morning the Alumni will register, beginning at 9:00 o'clock, at the Hillsboro Hotel, which will serve as headquarters for all off-campus activities. Each sorority and fraternity will entertain their respective Alumni at their "suites" set up in the Hillsboro, where luncheons and cocktail parties will ensue during the lunch hour.

During the afternoon, Mr. and Mrs. Raymond Sheldon will be hosts at their ranch in Ballast Point at a barbecue and fish fry for all Alumni and students. The fry will start at 4:30, when the Alumni will be joined by students and guests around the barbecue pits.

Students will leave the fish-fry at 5:45, and prepare for the annual Pajama Parade and Spartan Bonfire. The P. J. Parade will form at the University at 6:00 P.M., and follow a route through downtown, where they will traipse through the large theaters and lead cheers for

their Alma Mater. The parade will end at the University campus, where a gigantic bonfire will be started and the cheerleaders will lead a pep rally, climaxed by the burning of an effigy of a Delta State "Greenie."

Annual Homecoming Dance

A highlight of this Homecoming will be the annual Homecoming Dance, to be held at the Davis Islands Coliseum, Friday evening at 9:00 o'clock with music by Don Francisco and his Orchestra. The Dance will be climaxed by the crowning of the Homecoming Queen, who will reign over the remaining festivities. The Coronation promises to be a real highlight, the theme being the Spartan conquest and their stealing of fair Helen, who will be represented by the Queen. Her Court will serve as the fair goddesses in her attendance during her rule as goddess of the Spartans.

The Children's Party on Saturday morning will start the activities of this final day. At 9:30 o'clock all children will gather in the Ballroom at the Hillsboro Hotel, where they will be greeted by a clown and seated around the tables, decorated as a circus.

The Big Parade and Game

At 11:15 o'clock Saturday morning, the Homecoming Parade will form at the University. Colorful floats depicting the theme of the Homecoming, convertibles with gay streamers and bearing the lovelies of the campus, and innovations of all descriptions will be jockeyed into position. The procession, which will be led by the Honorable Curtis Hixon, Mayor of Tampa, and the Homecoming Queen, will proceed from the University over Cass Street and wind through downtown Tampa, returning over Lafayette Street to the University.

The committee of judges will be stationed at the west end of Lafayette Street bridge and from this vantage point will choose a winning entry from the women's and men's organizations. The Student Senate will present a cup to the winners from the two divisions.

Luncheons and cocktail parties by the sororities and fraternities will fill the interim period between the Parade and the Homecoming Game. With the kickoff at 2:30 o'clock at Phillips Field, the annual

(Continued on Page 10)

WELCOME, ALUMNI!

THE MINARET

The Minaret is the official publication of the student body of the University of Tampa, it is published bi-weekly during the school year at no cost to the student body.

The staff welcomes comments and criticisms. Address all correspondence to The Minaret, room 209, University of Tampa, Tampa, Florida.

FACULTY ADVISOR DR. H. G. BAKER

MEMBER OF INTERCOLLEGIATE PRESS

Welcome, Alumni

It's always good to see the old faces of yesteryear back around the campus again. And each time that you return you probably first take cognizance of the improvements which have been made during the passing years. This year you will no doubt notice that great strides have been made only very recently.

It is with profound pride this year that we welcome you, Alumni, as the greatest improvements in our history have been made during the past year. We want you to recognize them, appraise them and leave the campus only with a feeling of intense esteem for your Alma Mater.

We are, indeed, proud to show these phenomenal advancements. Our imminent accreditation has been of the utmost concern, and innumerable modifications had to be made. Toward that end, the faculty was increased, the library expanded, a snack bar added and architectural changes made. All of this was accomplished in the short period of a few months, so we are more than happy to have you see them.

The new Spartan Snack Bar has proven the delight of the entire student body. It serves as lounge, lunchroom and at times a faculty meeting room and is utilized from early morn until late evening. Murals depicting student life and shields representing the sororities and fraternities adorn the walls and a juke box has been added for atmosphere and enjoyment. We want you, too, to share in this new improvement.

A tour of the Chemistry, Physics and Biology laboratories will reveal many recent changes and addition of equipment. We are now prepared to offer instruction in the field of science which will equal any school in the state. This is one of our most prized improvements.

Our sports program has been greatly improved upon, also. It goes without mention that the University of Tampa is truly proud of its football team this year. We have received invaluable support from you, our Alumni, which has made it possible for our sudden rise to this position of note. And, on the agenda, is a football game to make you proud of your labors.

In addition to these many advancements, you will also see many new faces—some of them old, but many of them very young. You will become aware of the spirited atmosphere which prevails among the student body. You will suddenly realize that, indeed, "THERE'S SOMETHING NEW AT TAMPA U."

You're Losing

It has been brought to the attention of The Minaret by several clubs and other campus organizations that students are neglecting to read the main bulletin board.

The parties in question can site individual cases in which hardship has been wrought on both sides by this lacadaisical attitude. Ask some of your friends when they have last scanned the board. In fact ask yourself that question.

There are many notices, signs, advertisements and publicity posters on the board, but right beside them there may be a notice that you are wanted in the Dean's office.

Remember also that sometimes something in the way of free entertainment may be offered.

YOU ARE LOSING IF YOU DON'T READ THE BULLETIN BOARD.

Preparedness

Sgt. Robert B. Burns, University of Tampa student now serving with the First Marine Division in Korea, was with the Marines at the Inchon landing and took part in the advance to the South Korea capital, Seoul, and the capture of that city. In the following article, based on his thoughts during the Korean campaign, he sets forth some of his conclusions on the subject of World Peace.

On a beautiful hillside surrounded by the natural beauty of a Korean forest, and overlooking the small harbor of Inchon, Korea, lies the United Nations Cemetery. There are buried here the bodies of five hundred Americans, who died on the battlefield while fighting for a great and worthy cause. They were Americans, that is true, but they now represent a principle somewhat greater than a mere country or its government. They died for the greatest cause of all, one for which the people of the world have been fighting for centuries, World Peace.

These same men, as well as the hundred thousand who were fortunate enough to survive, all showed signs of wonderment when they were told they were going overseas. These same men all asked the question "What are we doing here?" when they hit the beach. The question then had no answer, and the morale was lower than low. The attitude was not the same as it was in the forties when Japan was our enemy, and all reflected their bitterness to Washington.

Perhaps they were justified. Politics are hard to understand. The bitter truth, however, unfolded and enlightened all—we were caught again with our proverbial pants down. We have tried to accomplish World Peace without the help of two most important factors—God and Preparedness.

Now is the time to wake up, not tomorrow. A movement back to the church is needed greatly, not only in other countries, but in the United States as well. True, the trend has started in that direction, but much has yet to be done. We have tried preaching to the world of Freedom by spending untold billions of American dollars. This proved adequate for a while, but how long is one able to buy friendship? Only through understanding will we be able to show the world the way. This can be accomplished through Education. If money is to be spent, then it should be to educate the people, and not to indoctrinate them to the evils of the dollar bill.

The question of military preparedness is almost as important as that of religion. The United Nations has talked much of an International Armed Force for the benefit of stopping aggression. So far, and this is most evident in view of the present Korean War, nothing has been done. True, this organization has been hampered by the endless vetoes of a country which knows nothing about religion or living, but everything about the military. This veto is legal according to the constitution of that body. A trend has resulted, but a trend is not enough. What about the member nations? Have they kept up the strength of their Armed Forces? The answer is evident. The United Nations war in Korea has been made up, until recently, of United States and South Korean forces. Not only that, though; the United States forces were in part made up of civilians who were

(Continued on Page 10)

Wake Up & Think

By Pankey Hall

We need an honor system at the University of Tampa. There is so much cheating on examinations here that one wonders just what value they have in determining what a student's knowledge of a given subject really is.

Most students who cheat on examinations are not conscious of the degradation which they bring upon themselves. Students have told me that they cheat only because everybody else is cheating, and that is the only way to get a fair grade. What a sad commentary this is on our ethical standards! Is there any moral difference between cheating on examinations and stealing money? Or, perhaps more apropos, poor sportsmanship on the athletic fields? Isn't any student who will do one more apt to rationalize his action in doing the other?

In the June, 1950, issue of The Atlantic was an article by a student of the University of Virginia. In the article this student, J. R. Robertson tells about the honor system at his school. Below are quoted portions of his article:

"Every University of Virginia first-year man has heard of the honor system before ever coming to Charlottesville. Now he and his classmates are about to meet the system face to face.

"First there is a formal speech by a man chosen from among the University's most distinguished figures, in which he discusses honor, its practice at Virginia, and what one of the speakers called 'a matter less congenial to honor at Virginia' (that is to say, the procedure which is followed in the event that a breach of honor occurs).

"When the assembly is dismissed to numerous classrooms where small groups have a chance to ask questions of leaders of the student body and to sign the simple honor card saying that they understand the system and want to live under it. The questions last a long time—long enough for every person to see the system as it is: a positive force working to develop men of integrity and to bring freedom from mistrust to all of University life.

"The honor system works in the University of Virginia. A professor giving a quiz or examination walks into the classroom, distributes the questions, waits to see if there are any doubtful points he can clear up, and disappears. The students do the rest.

"Two of them may look at each other, laugh, and ask, 'How did he ever think that question up?' Under the honor system, different groups of students put down their pens and walk out of the room for a coke and a discussion of the basketball team. Relaxed, they return to do battle with the questions.

"At Virginia there is none of the constant irritant of a watching proctor, none of the strain of an enforced silence, none of the weariness of three hours in a hard seat.

"University honor extends beyond the purely academic. The three violations of it are cheating, stealing, and lying.

"The word of a student of the University of Virginia is accepted as the truth. That means that any Charlottesville merchant will cash a student's check if he has the currency to do so.

"There are also, occasionally, the 'less congenial' aspects of the system that the first-year men hear about, the result of the few misfits in any group of society. The Cavalier Daily carries a black-bordered notice of such things: 'The Honor Committee regrets to announce that a student has been dismissed from (this or that department). The offense was (naming it).'

"The procedure, one which gives every possible chance to the accused, is something like this. If any student sees another committing what appears to be a breach of honor, he directs the attention of at least one other student to the action. If the two are agreed that there are grounds for suspicion, they confront the suspect. If he can give a satisfactory explanation, the matter goes no further; if not, the accusers present the case to the President of the Honor Committee.

"This committee consists of the student president of each department of the University, plus the vice-president of the department of the accused—a court of students deciding for the students. The tribunal allows the defendant to have any student he chooses to assist in his defense, and any witnesses he wants in his behalf. If the accused is acquitted, the records of the trial are burned and handshakes are exchanged all around. If he is convicted, he leaves the University at once.

"The black-bordered notices appear rarely at the University. They always bring a look of concern to the faces of all the readers. The student body is depressed to find that there are some who cannot meet its standard, but at the same time satisfied to know that the standard is being maintained."

Would you like to live under such a system at the University of Tampa? If so, write to The Minaret right away.

Guess Who?

Basic Fact Is Praise

Uphold Your College

By Freddie Spencer

What makes a college great?

The answer can be summed up in two simple words: the students. There are conditions, but the basic factor remains appraisal by the students. It is only through praise and a high degree of honor of your school that it can be rated as great.

Have you ever stopped to think

how degradation of your school will reflect upon you; or that your education will be measured by the name you give your school? It might be wise to consider those facts before advancing personal opinions of the school. You should be left with but one alternative:

Why are Harvard and Yale, among others, thought of as such superior institutions of learning? Is it by reason of the subjects taught or the high scholastic rating of those schools? Partly, yes; but the basic fact is that the graduates have praised their Alma Mater and have maintained such a high degree of honor for their school that it has become the accepted fact that the school is superior. So, why should you not praise your college with vigor and unrelenting strength?

The University of Tampa has made stupendous strides in the last few years and is gaining its place among the institutions of higher learning in the state. It is time due recognition is extended to our college. You can help to further this cause and bring recognition throughout the United States.

A good place to start this campaign is at our annual Homecoming, where Alumni and guests will be gathered from all over the country. Point out to them the great scholastic advances which have been made and our pending accreditation. Cause them to see the far-reaching effects our sports programs have had. Show them the extensive improvements in our building and laboratories. There are many other ways in which you can be of utmost service to your school.

But, no matter what your manner of praise, you should be proud to state that you are a member of the student body of the University of Tampa.

A professor brought a copy of the final to be made up at the examination office. The girl read it and said to the professor:

"Sir, this is exactly the same examination that you gave last semester."

"That's all right," replied the professor, "we've changed the answers—Courtesy of Mr. Dodd."

THE ATOM AREA

All the worlds great scientists; have already created our doom.

A world of dead decaying life, and grey limitless gloom.

And those who caused the conflict, to make the earth our tomb.

After World War II, all nations worked for peace.

Their plan was simple; to make world conflicts cease.

But there were powers upon the earth,

That felt the cause of Democracy a mirth.

The battle was short and quick, the results were a horrible sight.

The land was burned and torn and filled with pitiful plight.

Then the earth was quiet; the era of atoms was past.

For the first time since its beginning;

the earth was at peace at last.

"A fine and arresting drama. A trenchant and stinging performance by Marlon Brando. Striking . . . affecting . . . rewarding"—New York Times.

New Drama Group To Perform In Dec.

There's something new at Tampa U. It is Las Farces organization sponsored by an ambitious group of students who have dedicated their time to producing melodrama. The charter has been obtained and the organization is on a 60 day probation to prove its worth Dr. Greenbie, faculty advisor, says, "The members are bubbling with ideas."

The colors are green and white

and the daisy is the Las Farces flower. The organization is financed by assessments and there are no dues.

Membership is limited to fourteen, five of which are boys. The newly elected officers are: George Fairbanks, President; Marian Terry, Vice-president; Dot Cleotelis, Secretary; Marjorie Christianson, Treasurer; and John Maddox, Sergeant-at-Arms. Other members are Gale Hunt, Ann Jones, "Bert" Dumas, Charles Koch, Mickey Smarse, Marian Motz, Mickallee Slavin, and Bobby Graham. There

is still a vacancy for one boy. Students will be tapped for membership.

The first production will be presented around the first of December, "Where Is My Wandering Boy Tonight". Admission will be 25 cents.

APOLOGY

The Minaret wishes to apologize to the Sigma Kappa Nu fraternity for the omission of two of their pledges in the last issue of The Minaret. The pledges who were left out were Raymond Griffin and Robert Roland.

Campus Interviews on Cigarette Tests

Number 5...THE GNU

"I gnu the answers...but I wasn't talking!"

The debating team couldn't make much use of this non-talkative baby...but one look at his "literary leanings" tells you that tests don't buffalo him. 'Specially those tricky cigarette tests! As a smoker, you probably know, too, that one puff or one sniff—or a mere one-inhale comparison can't prove very much about a cigarette!

Why not make the sensible test—the 30-Day Camel Mildness Test. You judge Camel mildness and flavor in your own "T-Zone" (T for Throat, T for Taste) ...for 30 days. Yes, test Camels as a steady smoke and you'll see why...

The two pretty young ladies, Lena Moore Gantt and Glen Massey holding the hat in the center of the group are both head majorettes. They have been doing a wonderful job in planning new routines to help make a colorful half time at the Homecoming game.

At our Homecoming game this Saturday, the University of Tampa's six attractive majorettes will be resplendent in new uniforms. They will consist of gold lame jackets which are sleeveless, red pleated skirts, black tights and black accessories. They are planning and practicing some new drills with the band that promise to be unique.

They put on a grand performance last week with their "fire batons", and are expecting to twirl their way through another intricate drill at the half of the game with Delta State.

Glenn Massey and Lena Moore Gantt are co-heads of the majorettes. They are both seniors and

Doctor E. C. Nance Sixth U. of T. Head

In the 19 years since the founding of Tampa Junior College, now the University of Tampa, six men have served as head of the institution.

Frederick H. Spaulding, former principal of Hillsborough High School, took office as president of Tampa Junior College in 1931 and held that post through 1933, when the school assumed its present form. He continued as president of

have both been majorettes for three years.

The other majorettes are Georgia Reed, a Junior, Joan Irvin, a Sophomore, and Carolyn Welch and Liz Schwartz, both Freshman.

the University until his resignation in June, 1936.

Morris S. Hale, then dean of the University, directed the institution's affairs from 1936 until the spring of 1937.

Dr. John Harvey Sherman was president of the University from 1937 till June, 1940.

Dr. James Elliott Mooney served as president from the summer of 1940 until January, 1944.

Dr. M. C. Rhodes, dean of administration of the University, was acting president from 1944 to the spring of 1945.

Dr. Ellwood C. Nance has been president of the University of Tampa since 1945.

CLUB NEWS

Baptist Student Union

The Baptist Student Union Halloween party held at Dr. and Mrs. Baker's home was enjoyed by all who attended. A large number of students from the university had a good time. Prof. Hobart T. Grace, faculty advisor, and his wife assisted Dr. and Mrs. Baker in hospitalities.

Traditional Halloween games were played including a Chamber of Horrors and a ghost telling story. A pie eating contest was held. Freddie Spencer to the amusement of all, won the contest and was given another pumpkin pie for a prize.

Refreshments were served by a witch, a ghost and a fortune teller.

The party ended with the closing service and a song.

Newman Club

The Newman Club cancelled its last meeting to attend the triduum in honor of our Blessed Mother at Our Lady of Perpetual Help Church. The Pope in a world wide address, proclaimed the dogma of the Assumption. That is, Mary was taken bodily into Heaven. All over the world, services were held so Catholics could pay tribute to the Mother of God.

The meetings of the club are held Wednesday evenings. Catholic students are invited to attend.

Canterbury Club

The Canterbury Club, an organization for Episcopalian students of the university, has made plans for a weekly coffee hour, from four till five-thirty every Thursday afternoon.

The officers for this year are: Jack Thatcher, president; Marjorie Oglesby, vice-president and secretary; Elizabeth Berenguer, treasurer and parliamentarian; Father Brickman, chaplain.

WELCOMES THE ALUMNI

Alumni Spotlight

A large number of Alumni will be returning to the campus for Homecoming this year and among them will be Rudy Rodriguez.

The first semester of the University of Tampa as a 4-year college found Rudy entering as a freshman. This was in the year 1933.

A resume of his 4 years from 1933 to 1937 finds Rudy winning

Rudy Rodriguez

many coveted awards, especially in athletics. He played 4 years of football and made All-State team two of these years. Rudy also won letters in basketball, baseball and track. The record finds Rudy listed in Who's Who Among Students in American Colleges and Universities.

Before graduating from school Rudy worked with the City of Tampa Recreation department and continued to work with them until 1940. In this year (1940) he started in business with Florida Sporting Goods and is now president and general manager.

The war came along and Rudy served 18 months in the U.S. Navy before being given an honorable medical discharge.

Rudy's home is here in Tampa and he and his wife have 2 children. A young girl named Rhea Diane and the young boy is called Rudy, Jr.

Of course, Rudy is not only a home man but a civic minded person as well. He is a member of

FREE MOTION PICTURE

University of Tampa students are invited to see four celebrated motion pictures next week at the Tampa Public Library, Seventh Ave. and Franklin St. The programs, arranged by the library in observance of National Book Week, will begin at 7:30.

The films are:

Dickens' "David Copperfield," with W. C. Fields, Basil Rathbone and Roland Young, Tuesday, Nov. 14; Hawthorne's "The House of Seven Gables," with Vincent Price and George Sanders, Wednesday, Nov. 15; Bizet's opera, "Carmen," filmed in Italy with members of La Scala Opera, Thursday, Nov. 16; Shakespeare's "Romeo and Juliet," with Leslie Howard, Norman Shearer and John Barrymore, Friday, Nov. 17.

several civic clubs, such as the Kiwanis Club, chamber of commerce, American Legion Post Number 5 and a group of other organizations.

Rudy at the present time is running for President of the University of Tampa Alumni Association.

New Infirmary On Fourth Floor

As one of the factors necessary to become accredited, the University needed an infirmary. Now there are two, one on the fourth floor and one on the third floor.

The room on the fourth floor before being turned into an infirmary was a memorial room dedicated to the memory of Lt. Hendry H. Hardin, U.S.M.C.R. Lt. Hardin lost his life in the Pacific in 1944.

The father of Lt. Hardin donated the furniture in the room and also gave a plaque, in memory of his son, to be placed in the room.

The new infirmary contains two beds, complete bathroom, heat lamps, medicinal supplies and bandages. The infirmary will be used for the treatment of minor illness and any other injuries which are not very serious. If the sickness requires special care the students will be sent to Municipal hospital.

Presidents Of The Alumni Association

Claire Pittman, president of the Alumni Association of the University of Tampa will have his name added to the long list of past presidents this weekend. He will join the ranks of past presidents with such familiar names as Prof. Miller Adams, 36-37, Bill Moody, 39-40, Hampton Dunn, 40-41, Al Yorrkunas, 41-42, Bob Morales, 43-44, Crockett Farnell, 45-46, Chip Bergwin, 46-47, Albert Moshell, 47-48, John Cox, 48-49.

Two well known grads are candidates for the president's office. Doyle Blueemle, graduate of 48, at present is collection manager of the Personal Loan Department at the First National Bank, and Rudy Rodriguez, graduate of 37, is president and general manager of the Florida Sporting Goods Company.

The retiring officers have to be well commended for their very fine work as Alumni officers, and we are sure that whoever the new

Be sure to come out for the Spartans' Homecoming game against the Delta State Greenies and help the University of Tampa's Cheerleaders urge the team on to victory. Of course the two mascots chosen by the cheerleaders are not in the picture, but you will be able to see them if you come to the game Saturday.

What's new in the field of sports? Why it's those two mascots the cheerleaders have chosen to provoke a sure win for the University of Tampa over Delta State at the Homecoming game. Those two adorable additions to our charming squad are Christine Gerbing, age 5, and Joe Bartlett, age 6. They will be dressed in Tampa U. regulation cheerleader outfits.

Be sure to come out and watch them as they lead the school in cheering. The cheerleaders are also planning to do some extra things with the band. Be sure to come out and back up our faithful cheerleaders.

In case you'd like to reacquaint yourself with these girls, they are: Betty Hayes, head cheerleader; Mary Esther Bartlett, co-head cheerleader; Mitzi Hoffer; Louise Jenkins; Pat Batts; Sue Shaffer; Joan Jacobson and Gladys Bevins. The cheerleaders also want to express their thanks to all those who have co-operated in the very successful pep parades held by the school for the football games.

Young Americans To Get Jobs Rely On Government

It's unfortunate but true that too many young Americans have gotten into the habit of relying upon the government to get them a job.

That conviction is expressed in the September American Magazine by one of the country's up-and-coming young business executives, Eugene Gilbert, founder and president of the Gilbert Youth Research Organization.

Research, he relates, shows that "60 percent of the boys in high school and college want the government to guarantee that they get a job."

In a signed article entitled "If I Were Looking For A Job" this successful 24-year old, Chicago-born executive draws upon his own experiences to give some helpful advice to young men and women. The "pie-in-the-sky" philosophy that produced easy pickings during war, and immediate postwar, years no longer prevails, says Gilbert whose article adds:

"If I were looking for a job today, I'd start out with all the enthusiasm I could muster to find my opportunity and sell myself. I'd start out by knowing the product or abilities I have to sell. You aren't likely to get hired if you have no idea what you want to do or can do.

"By being enthusiastic you unconsciously let your prospective employer know about yourself. Sometimes that's all that is needed to get the job."

It should be kept in mind, he says, that very few people are ever antagonized by real enthusiasm.

To those confused about the type of work they want or their abilities, Gilbert's advice is take an aptitude test or examination that will help discover your potentialities.

His article points out that such organizations as Chambers of Commerce, the National Association of Manufacturers, the Department of Labor and the Department of Commerce can supply information that not only will help one determine what he wants to do but in what locality he's likely to find the type of work desired.

PROFESSOR STEVEN PARK

Prof. Stephen F. Park began his teaching career at the University of Tampa in 1939. On Nov. 14, 1950, he will present his Twelfth Annual Composition Recital. The recital is one of the highlights of the music department activities. There is no admission, and the students are cordially invited to attend.

Professor Park was born in Austin, Minnesota. In 1929 he received his Bachelor of Arts at the University of Nebraska, and in 1939 he completed his Master's Degree in Music Composition at the University of Michigan. From 1938 to 1939 he was head of the Music Department at Lincoln College, Lincoln, Illinois.

In 1947 Professor Park was elected president of Florida Composition League and for the past three years has been chairman of the Federated Music Clubs.

Professor Park's Compositions include solos for piano, violin, and voice, many chamber works for strings and woodwinds, ballet music, a piano concerto, chorale ensembles, and symphonies.

The presentations of Professor Park's compositions have not been restricted to Tampa. Symphony No. 1 was performed at the Nebraska Composers Festival in 1949. At the recent meeting of the State Music Teachers in Jacksonville, three of his piano intermezzi were presented.

NEW YORK HEADS LIST OF OUT OF STATE STUDENTS

Students from 23 states, exclusive of Florida, and four foreign countries—Cuba, Guatemala, Brazil and Guam—are enrolled at the University of Tampa this semester, records in the Dean's office show.

New York leads with 31 representatives. In second place is Ohio with 24, Pennsylvania has 19, Massachusetts has 15, and New Jersey has 12.

Sixty-one students from the other states are distributed as follows: Alabama, 4; California, 3; Connecticut, 2; Georgia, 4; Illinois, 2; Indiana, 6; Kentucky, 4; Maine, 3; Michigan, 5; Missouri, 3; Montana, 1; New Hampshire, 1; North Carolina, 9; South Carolina, 3; Tennessee, 2; Virginia, 4; District of Columbia, 1; and West Virginia, 4. Florida naturally provides the greatest number of students, 879. Of these, 755 are from Tampa.

Distant Guam provides two students; Cuba, Guatemala and Brazil furnish one student each.

The total enrollment for the semester is 1046. This figure includes regular students only and does not embrace those students registered in the Adult Evening courses.

It's fair to share

Just as sharing a soda helps young love—sharing a party line helps improve telephone service.

If party-line neighbors use their telephone sharingly—space calls fairly—hang up the receiver carefully—better service for everyone is bound to result.

Why not prove it on your party line?

Spartans Meet Delta State Team In Homecoming Tilt

By Walt Weber

The climax to the University of Tampa's 19th annual Homecoming will spread its enthusiasm and spirit over the business section of Tampa Saturday morning in its annual pre-game celebration and parade.

Gay floats created by members of various sororities and fraternities will compete for the coveted loving cup. Sparkling, bouncing cheerleaders; high stepping, baton twirling majorettes; thunderous bands and happy students will transform the city into one big campus.

"Beat Delta State!" is the chant and the Circus will do it!

This traditional pre-game parade has grown from a handful of students into one of the University's

biggest fun feasts.

Alumni and Students

Alumni and students alike will join in the festivities in making the climax to this year's Homecoming the greatest in our young University's history.

The fighting Spartan team will be readied for action against Delta State come Saturday. The gridiron battle will be hotly contested in a wide open, fast moving ball game.

Delta has tasted defeat but twice against three very strong opponents. Tampa has blemished its record by two losses. The Spartans handed the Livingston Team a part marginal defeat last Saturday night with a score of 41-39. Livingston defeated Delta State 22-7. Tampa by reason of statistics of unpredict-

able upsets voids all past experiences as records fall in the dust leaving the outcome to be decided on the gridiron.

Clock Work

Delta State clicks like clock work when they take to the air. Quarterback Forster, number 20, has fine control of the pigskin and Woodall No. 21 is another part of Delta's fine football machine. His spot and long range passes rate him a triple-threat man. Lipe at fullback and Barrett at right half will present a danger to Tampa Spartans when either is in possession of the ball. Both are very fast and deceptive runners who gain every inch of ground they can run or steal.

Head Coach Gene Chadwick, a Miss. State grid star, achieved

fame under Bernie Brerman. Coach Chadwick has been at Delta State for three years. Bobby Earbour, a little All-American star for the Greenies during the four past years is Chadwick's first assistant. They have built a fine gridiron team which should never be underestimated.

Delta Accumulative Score Schedule

Sep. 15—Quachita	27-0
Sep. 23—Livingston State	7-22
Sep. 30—Miss. Southern	19-13
Oct. 7—Memphis Naval	75-6
Oct. 14—Arkansas State	19-6
Oct. 20—Sw. Mo. State	47-7
Oct. 28—Evansville	6-19
Nov. 4—Western Ky.	17-27

The gridiron Spartans, who have

cost Coach Sinkwich many a restless night, are in prime condition for the Homecoming. The big fast Tampa team under the expert tutelage of Head Coach Sinkwich has ironed out most of the rough spots in its offensive and defensive maneuvers.

Line Coaches Sam Bailey and Marcelino Huerte have put the linesmen through every conceivable maneuver possible. This season almost every man on the line figured in some very colorful plays.

John Vardin, back field coach improved the backs with continuous drill. The backfield in the past has proved that his tutelage has been responsible for many a sly T. D.

Spartan Sports Spice

By JOHN MARZOLF

Saturday afternoon the Spartans will field their high scoring eleven against Delta State Teachers College in what should be a fine ball game. Delta has a fine record this season and will be fighting hard to try and stop the Tampa offense. The Spartans on the other hand will be seeking revenge for the one-sided defeat at the hands of the Greenies last year.

So far this season the Spartans have been playing before very good crowds, and Saturday's Homecoming crowd should break the 12,000 record that was set at the Stetson game. The students can do their part in getting the people out for the game by urging their friends to be on hand. Anyone who is there Saturday will not be sorry, because the previous games have shown the fans plenty of excitement before the final whistle had sounded.

So far we have left the picking of winners and losers to other people, but we will try our hand again this week. Here in Tampa let's stick to the Spartans, who should beat Delta by two touchdowns. Up in DeLand, Florida State University will take on high-scoring Stetson. Stetson has played a pretty rough schedule this year, so we'll pick the Hatters in a close game. Florida took a terrific beating at the hands of Kentucky and will have a hard time beating Georgia. The Bulldogs have played good ball this year and should get past the Gators by two touchdowns.

Last Saturday night Tampa grid followers saw one of the wildest games in football history, when the Spartans won in the last five seconds. Many fans began to leave their seats and start for the exits when Livingston took a 39-35 lead with only a minute left to play. Then they turned to look over their shoulders and saw a fine exhibition of passing by John Lahosky and receiving by Aplin, Sequella and King. The four combined efforts to move the ball 68 yards in a very few seconds for a score which gave the locals a 41-39 victory.

Lou Sequella lived up to the early season publicity when he put on a fine running show for the fans. His classy running had many fans saying that he was a touchdown difference in any of the Spartans' previous games. We can't forget the fine play which looked very much improved over the Appalachian game two weeks ago.

Last week the sports department of The Minaret received material on the Quantico Marine team. The Marines have one of the best service teams in the nation this year and will give the Spartans plenty of trouble when the two meet on Saturday, November 18 in Alexandria, Va. According to their roster they are loaded with stars, most of whom have played a good amount of ball at the Naval Academy, Holy Cross, North Carolina, College of the Pacific, Indiana and other colleges throughout the country.

Some of the most outstanding players in the Marines' lineup are: Eddie LeBaron, who won national acclaim for his fine passing and quarterback tactics. Bill Hawkins from Navy, received a great deal of recognition on his fine play against Army when he scored two touchdowns and gave Navy a 21-21 tie with the Cadets. Hosca Rogers who was a blocking back for Charlie Justice at North Carolina last year. Ferrell who starred for three years at Holy Cross. These among many others will face the Spartans in Virginia.

Here is another reminder to urge your friends to come and see the Spartans play Saturday afternoon. This Homecoming game of the Spartans should be one of the best games this season.

LULL BEFORE THE STORM

Leathernecks Have Color

Quantico Marines To Entertain Locals At Alexandria, Va. In Away Game

On Nov. 18 the Spartan eleven will play the toughest opponent of the 1950 season, if previous records reveal anything, when they tackle the Quantico Marine eleven in Alexandria, Va.

The Marine squad is studded with top college stars from all over the nation. Leading the pack of ringers is Little Eddie LeBaron former All-American from the College of the Pacific. Another on the list is Bill Hawkins who scored two touchdowns in the 21-21 tie ball game with Army a few years ago. These are only two of the greats who adorn the tough Marine outfit.

So far the Leathernecks have won seven games while dropping only one. Their record so far goes something like this; Xavier U., 13-34; Bolling Field, 55-0; V.P.I., 61-21; Waynesburg College, 31-7; Niagara U. 34-13; Dayton, 7-0; Scranton 41-21; and Youngstown, 34-13. The game with Xavier was played just a few days after some of their top stars came to the base. The team had had insufficient time in practice to develop co-ordination.

Tampa, on the other hand, has given their opponents plenty of talk about throughout the season and should give the Marines a run for their money. The Spartan mentors will be able to tell more about the Quantico eleven after the Marines meet Camp Lejeune tomorrow night.

The offense of the local ball club has strated to click and should make the Marines hustle when the Tampans are in possession of the ball.

TAMPA-DELTA STATE STARTING LINE-UP

Offensive Line Up

The probable starting line up for the Spartans' offensive team will include: Left End, Holand Aplin; Right End, James Hill; Left Tackle Tom Mahin; Right Tackle, Ernest Reed; Left Guard, Ed Cassella; Right Guard, Jack Barker; Center, Jack Jennings; Quarterback, James Jackson; Left Half, Lou Sequella; Right Half, Charles Harris; Fullback, Jim Mathis.

(Continued on Page 10)

Chi's SKN's Have Three Wins Each In Intramurals

By Evan Karpel

The Sigma Kappa Nu's continued to dominate the Intramural Football League as they ran over the Independents on Nov. 2, smashing their way to a 26-0 rout.

The Sigma Kappa's left little doubt in the minds of their opponents as to who was boss, as they roared off to a quick touchdown on the opening kickoff. The blocking and the all-round play of the Sigma Kappa Nu team did much to discourage the Independents, although the latter played a good ball game in holding down the top team from scoring more points. Thus far the Sigma Kappa's haven't been scored upon.

BX TIE SKIN

Meanwhile, the Beta Chi's have won two games during the past week to share the spotlight with the Sigma Kappa's. On October 31, they held the Ace Club scoreless and smashed across 19 points to win 19-0 from the Ace's. It was their first defeat and, incidentally, their first game of the season.

On November 2, the Beta Chi's chalked up their second victory of the week as they ran over the Kappa Sigma Kappa's to the tune of 26-0.

Rho Nu Takes Second Place

Previous to the Beta Chi-KSK contest, the Rho Nu Delta team held to their second place standing as they beat the forlorn Tau Omega squad 12-6 in a close battle. Tau Omega still hungers for a win.

Big Battle Coming Up

The big game between the Sigma Kappa's and the Rho Nu Delta's, which will be played on November 14, might decide first place standings by the time the next Minaret is out.

Elkins New Director

Herbie Elkins, who was named the new senior director of Intramurals by Coach Miller K. Adams, is given congrats by the Sports Dept. of the Minaret, and we feel sure that he will do a fine job.

Standings:

	Won	Lost
Sigma Kappa Nu	3	0
Beta Chi	3	0
Rho Nu Delta	2	0
Independents	1	2
Ace Club	0	1
Kappa Sigma Kappa	0	2
Tau Omega	0	3

Tough On Weak Hearts

Lahosky's TD In Last Five Seconds Gives Tampa Win Over Livingston

A quarterback sneak by John Lahosky in the last five seconds gave the Tampa Spartans a 41-39 win over a powerful Livingston State Teachers eleven at the University of Tampa Stadium, Saturday night.

Over 7000 fans watched one of the wildest scoring duels in Tampa football with the two teams scoring 80 points in the 60 minute affair. Most of the large crowd braved the cold, stormy weather to see the Spartans gain their fourth victory under the direction of Coach Frankie Sinkwich. This was the third home win for the locals against one loss.

Tampa wasted little time finding pay-dirt as they moved for a score the first time they got possession of the ball. After a Livingston punt went out of bounds the Spartans moved 58 yards for a score. Harris went around end for the final three yards. Perrette's try for the extra point was good.

The visitors got back into the ball game with a 60 yard touch-down run by Jones. The extra point try was good and the score was tied. Lou Sequella, who had been out of the Spartan lineup since the first game of the season, grabbed the kickoff on his own 37 and was brought down from behind on the Livingston 19 yard line. Two plays later Harris took a pass from Jackson in the end-zone for another Tampa TD. Perrette kicked the extra point and the Spartans had a 14-7 lead.

Tampa scored their third touch-down near the end of the first period. A 58 yard drive for the score was climaxed when Jim Hill took a pass from Jackson, in the end-zone, to pick up the final yards.

Chicko put the Spartans in scoring position again, when he returned Livingston's punt from the Tampa 35 to the visitors' 18 yard line. Jackson then found Aplin in the clear on the goal and he scored the fourth Tampa touchdown, just after the start of the second period.

From early in the second period until the end of the first half it was all Livingston, as the visitors scored three touchdowns to move within only two points of Tampa at halftime. Keeney scored the first of the second period scores when he raced 59 yards for the score. A

few minutes later the Statesmen pounced on King's fumble on the kickoff and moved to the nine with Keeney picking up the yardage for the score. A pass interception gave Livingston the ball on the Tampa 40, and the visitors scored again. Ezzell went around end for 11 yards to climax the drive and bring Livingston within two points of the locals at halftime. The score: Tampa, 28, Livingston 26.

In the third period both teams found it hard to start a scoring drive. On the first play of the fourth stanza, Tampa got the ball on the Livingston 34 after a short punt. A series of running plays moved the ball to the one, where King plunged over for the score, Perrette converted, and the Spartans led 35-26.

Livingston came right back with a score, after a 78 yard drive climaxed with a 14 yard pass from Colet to Jones for the score. A few minutes later a Tampa fumble was recovered by Boone on the locals' 43. A pass from Hicks to Jones covered the whole yardage, and with a perfect kick for the point Livingston grabbed a 39-35 lead.

After the kickoff Lahoskey threw a pass that was caught by Aplin on the Statesmen's 30 yard line for a first down as the fans went wild with only 45 seconds left in the ball game. Lahoskey then threw a strike to Sequella on the 14. After one incomplete pass, Lahoskey found King on the Livingston one. On the next play Lahoskey dove over for the score. Final score Tampa 41, Livingston 39.

Tampa	21	7	0	13	41
Livingston	7	19	0	13	39

Three University of Tampa students—Robert B. Bruns, Pat Mus-to and Pete Spencer—are members of the same company of the First Marine Division in Korea.

They write that they all plan to return to Tampa when the job is done over there, and they wish Dr. Nance, Dr. Rhodes, the faculty and the students a good season, academically and athletically, at Tampa U.

Elkins Named New Intramural Head

Coach Miller K. Adams announced last week that he had named Herbie Elkins as senior director of Intramural Sports, replacing Bernie Cohen, who was too busy in his school studies to take on the job.

Herbie, who is a senior and hails from a little town in Massachusetts, played basketball when Coach Adams was holding the reins of the cage team.

2. Guess Who?

Future Looks Bright

Spartan Crew To Start Practice This Month, Trubiano Begins Fourth Year

Crew practice will begin some time near the end of Nov. Coach Art Trubiano will be back again this year, making this his fourth year at U. of T. The coach is a graduate of the University of Tampa and Harvard University.

Most of last year's crew will be back trying for their seats in the shells. Rowmen returning from last year's crew are Capt. Bill Stalnaker, Stroke Bob Brorein, Tony Jonatis, Al Geohagan, and Robert Yates. All of these men are fine rowmen.

Last Year's Wins

Last year Tampa U. won the State Championship in crew and came in fourth in the Dad Vail Regatta. The crew will try to capture the crown again this year and place first in the Dad Vail Regatta. The Tampa University Crew won nine races in eleven starts. Coach Trubiano will tell you it was the finest crew he has ever coached. This season, he expects even a finer team.

This year Tampa U. will pull its sweeps against Boston U., Dartmouth, Amherst, Washington and Lee, Rollins, Rutgers, Florida Southern and La Salle.

The first meet of the season may be against Yale on New Year's Day here on the Hillsborough River. This meet, however, may not come off.

The Jr. Varsity crew will have most of the last year's rowmen back this year. It will be one of the best J.V.'s in the country.

Coach Trubiano wishes that all the men at the University interested in crew would be sure to turn out when practice starts. Two small men are needed to fill the big jobs of coxswains.

Annual Homecoming-

(Continued From Page 1)

Homecoming program will enter its final stage. This highlight should prove a fitting climax to a great event, with the defeat of the Delta State "Greenies" by the University of Tampa Spartans. During the half-time period, the Queen and her Court will be presented to the expected crowd of 12,000 in attendance.

Alumni Banquet and Dance

Following the game, the Alumni will convene at the Hillsboro Hotel for their annual Banquet and Business Meeting. The Banquet will be an important event, with Daniel Sullivan as the guest speaker on the program. This will be followed by an informal Alumni Dance on the Roof Garden.

The Panhellenic Council will sponsor an all-Greek dance Saturday evening at 8:30 o'clock at the Zenda Grotto, Drew Field. All sororities and fraternities will participate in this affair, with music

being furnished by Manzy Harris and his Orchestra.

Several churches in the city have planned special programs for Sunday morning to commemorate this annual event of the University. Alumni and students will be in attendance at their respective churches.

With the close of the 19th annual Homecoming program, Alumni will depart for all parts of the country and students will resume their pursuit of knowledge, but all will be in agreement that this was the most beautiful, gayest and best Homecoming ever staged at the University of Tampa.

(Into the construction of the Tampa Bay Hotel, now the home of the University of Tampa, went 452 carloads of bricks, 3041 barrels of lime, 2949 barrels of cement, 2244 tons of steel, 69½ tons of iron, 232 boxes of tin, 242 kegs of nails, 5050 feet of iron cornices, 689,500 feet of lumber, 1700 square feet of stone dressing, 28 granite columns and many tons of other material.

TAMPA-DELTA LINE-UP

(Continued from Page 8)
Defensive Line Up

The Defensive probable starting line up includes: Left End, Jim Mitchell; Right End, Jack McCluney; Left Tackle, John Natyshak; Right Tackle, Dick Mace; Left Guard, Jack Marley; Right Guard, Ernest Rubio; Center, Mike Rovnak; Fullback, Tom Battaglia; Quarterback, Dan Sliman; Halfback, Fred Pancoast; Hallback, Vince Chicko.

G. G. CLUB

This is a newly formed organization at the University of Tampa. The officers are: Warren White, president; Chuck Koch, vice-president; Tom Boyle, secretary-treasurer; and Jess Richey, sergeant-at-arms.

The Club meets every Wednesday night and all male students are cordially invited to attend.

Gloria Gonzalez is being sponsored by the G. G. Club as a candidate for Homecoming Queen.

FOR ALL FROSH PLEASE READ

By Alma Paulet

Did you ever see jailbirds walking the street at night or sleepwalkers that have neglected to put on walking attire? The only excuse for this is the annual Freshman Pajama Parade during Homecoming.

This event will take place Friday night, Nov. 10. All frosh will meet at the school at 6:00 P. M. and be led by Marshall Warren White. The parade will march through town and terminate at the parking lot in back of school for a bonfire and pep rally in which the burning of the Delta State Greenie in effigy will take place.

The cheerleaders and band will be on hand to lead the rats in cheers during the parade as well as at the rally.

The pajama parade and bonfire should meet with much gayety, surprise and good hearty pleasure for all concerned.

(Continued from Page 2)

hauled in to save the face of a bad defense policy. Must this always be the case? What is the matter with a program of Universal Military Training? It is much better to prepare the youth today than to have him die on a battlefield tomorrow. After our fighting forces are up to strength, we can then use Teddy Roosevelt's policy of "Speak softly and carry a big stick." Today our stick is made of paper. Let's wake up and mold a steel stick. Better late than never.

Burned Up

A freak shower-room accident sent veteran Navy tackle Jim Hunt to the Academy's hospital with second degree burns.

Hunt slipped on the soapy floor while taking a pre-work-out shower Sept. 18. He threw out his hands, attempting to break the fall, and grabbed the hot water faucet—turning it on himself full force.
