DR. NANCE PRESIDES OVER WASHINGTON CONFERENCE

Will Represent T. U. At A.A.C.U. Meeting

Dr. E. C. Nance, President, University of Tampa left for Washington, D. C. over the holidays where he presided over the Domestic Issues Sessions of the Washington Conference on Public Affairs, January 4 and 5 at the Mayflower Hotel.

Speakers on the program include Minister G. T. Glazebrook of Canada; Senator George Smathers of Florida; Senator Estes Kefauver of Tennessee; Senator Joseph McCarthy; Mr. Robert Gordon, Briefing Officer to Sec. of State, John Foster Dulles; and the Ambassadors of India, Bolivia, Sweden, South Africa, Yugoslavia, Great Britain, Mexico, Uruguay and El Salvador, and Francis W. Carpenter, Associated Press Representative at the United Nations.

Urgent Problems

The purpose of the Conference is to consider most urgent problems, special, political and economics of the Western Hemisphere.

After the Washington Conference, Dr. Nance represented the University of Tampa at the annual conference of the Association of American Colleges and Universities, meeting in Cincinnati, Ohio, on January 12-14, 1954.

Bible Class Holds Memorial Service For Dr. Goodbar

Dean M. C. Rhodes was the principal speaker Sunday at a service of the McMullin Bible Class of Hyde Park Methodist Church in memory of the late Dr. Joseph E. Goodbar, head of the department of business administration of the University from 1949 to 1952, and former teacher of the class.

Others who spoke were Dr. Rudolph Gruber, of New York; B. M. Newton, Sr., present teacher of the McMullin Class; and James B. Gibson, Jr., a former teacher of the class, who was in charge of the service.

Qualities Given

Dean Rhodes named integrity, unselfishness, and love of humanity among the qualities that gave greatness to Dr. Goodbar's character, and read passages from some of Dr. Goodbar's speeches illustrating these qualities.

A photograph of Dr. Goodbar, presented to the class by Mrs. Goodbar, was unveiled at the service, which a number of members of the University attended.

DR. E. C. NANCE

CALENDAR FOR ACADEMIC YEAR FEBRUARY - AUGUST 1954

- January 18-22, Approval of courses for current students
- January 25-28, Final examinations for first semester
- January 25-29, Registration of current students for second semester
- January 28, Commencement, 8:00 P.M.
- February 1, Registration of new students for second semester
- February 2, Classes begin for second semester
- February 2, Registration limited to 15 hours, or less
- February 3-6, Registration limited to 12 hours, or less
- February 6, last day for change of course without penalty
- February 8, Gasparilla holiday
- February 8-13, Registration limited to 9 hours, or less
- February 13, Last day for change of course or late registration
- February 27, Last day for 80 per cent refund
- March 13, Last day for 60 per cent refund
- April 2, Mid-semester marking period
- April 2-4, (inclusive) Spring recess
- May 30, Baccalaureate Service
- May 31 - June 3, Final Examinations
- June 4, Class Day; 10:00 A.M.
- June 4, Commencement
- June 14, Registration for summer session—Classes begin
- August 6, Term ends.

T.U. Publications To Receive Letters

Members of the staffs of the annual and Minaret may now be able to work for a school letter. Although the final word has not been given, everyone is hopeful that it will be. It will not only induce better production of the newspaper but we will have a better newspaper and yearbook also.

LITERATURE CLASS MAKES RECORDING

Students of Dr. C. W. Logue's class in Contemporary Literature have recorded for future broadcast over station WTUN Vachel Lindsay's poem "The Congo." The recording was made under the direction of Justine McCurdy and narrated by James Q. Roop, who also served as technician.

Noted Churchman Will Be Speaker At Commencement

22 Will Graduate In Midyear Class

Twenty-two seniors will receive degrees Jan. 28 at the fourth mid-year commencement exercises of the University.

They are:

Bachelor of Arts—Jack Gordon Breit.
Bachelor of Science—Roy Rex Arden, William Whytal Bennett, Jr., Robert S. Boucher, Angel Bustelo, Richard Davis, Kenton Dean Foster, Lura Mason Huglin, James William McAlister, Harry Charles Martin, James Starling Matthews.
Michael Tassos Milonas, Louis Anthony Minardi, Melba Mosher, Raymond Stewart Oliver, Nick Vasile Papafakis, Robert Washington Rawlins, Jr., Paul Arnold Rigsby, Stephen Richard Rogers, John Benito Sanchez, James Michael Simcik, Helen Tomlinson.

FRENCH GROUP HONORS OFFICERS

The French Club of the University of Tampa held a banquet January 9, at the Valencia Gardens Restaurant in honor of five French officers, temporarily stationed here for special training with the Air Force.

Professor Fernandez, faculty advisor was in charge of the arrangements with Claude Blumeneau, president. A centerpiece of miniature French and American flags was on the banquet table.

Guests attending the dinner were, Jean-Paul Faraud, Algiers; Alain de Bourbonloun, Paris; Joel Milandre, Algiers; Paul More-Chevalier, Bellene-Orne; and Jean Urcun, Casablanca. Other guests included Dr. Jean Gouzon and Christiane Ligonnet of St. Petersburg, formerly of Paris, France; and Prof. and Mrs. Fernandez. Members of the club attending were Martha Thraifkill, Joyce Curry, Diane Cushman, Luann Carter, Pat Widden, John Tierman, Dixie Patterson, and Joyce Newell.

Members of the French Club and their guests assembled at the home of Barrie O'Dwyer after the banquet for a brief discussion, the purpose of which was to enlighten each other in order to obtain a better understanding between the French and American ways of life.

SORORITY GIVEN SCHOLARSHIP FUND

The Zeta Tau Alpha Fraternity alumni have raised a two hundred scholarship loan fund. It is for the benefit of the active members of the sorority. They are able to use this to further their education only. The money was acquired by projects and donations. The projects being a white elephant sale, a magazine drive, and Christmas card sales. A large donation was received from Mrs. O. G. Sexton, a prominent alumnus.

Fourth Midyear Exercises To Be Held Jan. 28

Dr. Ralph W. Sockman, pastor of Christ Church, New York, will give the address at the fourth midyear commencement exercises of the University of Tampa Friday, Jan. 28, at 4:30 P.M. in the Assembly Room.

Dr. Sockman is president of the Church Peace Union, a Carnegie foundation, and is chairman of the World Peace Commission of the Methodist Church. He is director of the Hall of Fame for Famous Americans, and was recently appointed associate professor of practical theology at Union Theological Seminary. He is a trustee of Ohio Wesleyan University, Syracuse, and Drew Seminary.

In a recent poll conducted by the Christian Century, he was named one of the six foremost clergymen of all denominations in this country. He was a delegate to the first Assembly of the World Council of Churches, held in Amsterdam in 1948, and is a member of the Central Committee of the World Council of Churches, which met this year in Lucknow, India. Currently he is president of the Protestant Council of New York City.

Dr. Sockman was born in Mt. Vernon, Ohio, and graduated from Ohio Wesleyan University. He continued his studies at Columbia University, from which he received the degrees of master of arts and doctor of philosophy.

associated himself actively with the Madison Avenue Methodist Episcopal Church, now Christ Church, as a layman. Having completed his logical Seminary, he joined the Madison Avenue staff as an associate minister in 1916, and in the following year came into the full pastorate of the church which he has now served more than 30 years in his first parish.

Dr. Sockman is heard on the National Radio Pulpit broadcast each Sunday at 10 A.M., from October to May, over the NBC network.

He is the author of many books, the most recent of which, "How to Believe," was a Religious Book Club selection and also a selection of the Lutheran Readers' Club.

140 Have Received Degrees at Midyear

This year's midyear graduating class of 22 will be the fourth in the history of the university of Tampa, and will bring to a total of 140 the students to graduate at midyear. The commencement will be held Jan. 28 at 4:30 P.M. in the Assembly Room. Dr. Ralph W. Sockman, nationally known Methodist minister and author, will make the address.

The first midyear commencement held at the University was in 1951, when the Hon. J. Hardin Peterson, former member of Congress, addressed 50 graduates.

Mr. Peterson was followed in 1952 as midyear commencement speaker by Everett R. Clinchy, president of the National Conference of Christians and Jews. The graduating class totaled 37.

Last year 31 students graduated at midyear, and were addressed by Jean A. Teslof, artist.

THE MINARET

The Minaret is the official publication of the student body of the University of Tampa. It is published bi-weekly during the school year at no cost to the student body. The staff welcomes comments and criticisms. Address all correspondence to the Minaret, Room 205, University of Tampa, Tampa, Florida.

HAPPY NEW YEAR

If opportunity knocked would you let her in or would you reject her? Now is the hour of decision.

We are entering the New Year of 1954. Will it be used better than other years have been? Or perhaps other years have been more perfect for you than they have for us.

Now we have a New Year, clean and fresh. What each person does with it is for him to determine. Opportunity is knocking. Make the most of it.

You can make 1954 the best year ever or the worst. In your own case, the decisions lie with you alone.

Each one of us has been given the same amount of TIME. In TIME allotted we are all equal. In the use of it we differ. We can procrastinate, relax and delay in doing what we know we ought to do and must do. On the other hand it is possible to do our best each day and to have no regrets in the future. A job done when it arises is easier to do than a job put off to the last minute and dreaded in the delay.

The decision is yours. Be careful. Be happy. Make this a truly HAPPY NEW YEAR.

WE'RE TELLING YOU AGAIN

Yes we're telling you again. Study hard. Get ahead. We've been telling you all year but our editor says tell you again. Perhaps it won't be to bad because you probably won't read it anyway. But if you have gotten this far we suggest you stop right now. Some of us study occasionally and have heard ourselves referred to as rather odd characters.

There are so many things in this nation of ours that we all pretend to believe in, and yet we do nothing about them. Why? Is it that we haven't thought these obvious truths through? Perhaps we have become used to the "modern" method of classing the old truths as platitudes, yet this doesn't gainsay their truth.

Semester examinations are only a week away. Students must be ready or they will fall by the wayside. It is an important matter for many students, whose draft status will be governed by their scholastic standing. Many others will want to use their record as a basis for attending other schools. Some will want to enter graduate schools. There are even a few who will want to get jobs on the basis of their education.

You are making your record now. You can't undo neglect. Time lost can never be regained. Of course rush "cramming" can help but time is short.

But there is hope. A new semester is coming. We can start fresh. Of course there will probably be no change. But then we can make a few resolutions to study harder, and we'll feel better until we break them.

At any rate, you can try to improve as we will try to improve. Perhaps one of us will make it.

BULLETIN BOARD NEEDS ATTENTION

The bulletin board in the Lobby of the University is definitely in need of improvement and care. To the hundreds of students who use this means of communication daily, it is only a confusing, unsightly scene and aids little in its purpose.

What impression of the University does the bulletin board give to the school's many visitors?

There must be a remedy for the situation.

Why not add a set of glass doors, with locks, to prohibit the placing of unsightly and unwarranted notices upon the board?

Could the bulletin board not be divided into three sections, one for permanent notices, another for short-term notices, the third for miscellaneous notes?

Why doesn't one of our fine organizations shoulder the responsibility or organizing and caring for it? It needs care—NOW.

FACTS and FIGURES ABOUT 1952

1. Three out of four traffic accidents involved passenger cars.
 2. Most accidents occur during clear weather and on dry roads.
 3. Nine out of ten vehicles in accidents were in apparently good condition before they crashed.
 4. Eighty per cent of vehicles involved in fatal accidents were traveling straight ahead.
 5. Saturday was the most dangerous day of the week in which to drive.
 6. Speed was the principal cause of traffic accidents.
 7. Young drivers were involved in almost 25 per cent of the year's fatal accidents.
 8. One out of four vehicles involved in serious accidents was driven by a professional.
 9. A total of 42,920 men were the drivers in fatal accidents to 3,400 women drivers, and 1,882,760 men were the drivers in non-fatal accidents to 223,240 women. (Your attitude and skill, not your sex make you a superior driver.)
 10. Jaywalking killed most pedestrians, next was walking on rural highways, and third was coming from behind a parked car.
 11. Jaywalking injured the most pedestrians, next was children playing in the street, and third was coming from behind a parked car.
 12. There were: 37,600 deaths; 2,090,000 injuries; 609,410 casualties from speeding; 274,080 pedestrian casualties; 415,720 drivers under 25 years of age involved in serious accidents.

You'll Find These Books On Special Shelf In Library

Do you know where to find the newest books in the Library? Miss Thompson has placed a bookshelf at the left of the door just as you enter the Library, and this is the first stop for all general interest books received. Many of the following books which have been recently received are there right now. Why not make a habit of just checking to see what's new?

"How to Write Advertising That Sells," Bedell; "A Basic Guide to Lettering," Buckley; "Peace in Their Time: The Origins of the Kellogg-Briand Pact," Ferrell; Forty Key Questions About Our Foreign Policy Answered" by Herbert Hoover; "The Reading Interests of Young People," Norwell; "Education Through School Camping," Manley; "Complete Book of Etiquette," Vanderbilt.

"Decorating the Small Apartment," Ogg; "Sewing Magic," Picken; "Training the Local Announcer," Gould; "A Century on Wheels: The Story of Studebaker, A History, 1852-1952," Longstreet; "Germany: Two Thousand Years" Reinhardt; Who's Who in American Art, 1953; Aircraft Yearbook, 1952; American Universities and Colleges, 6th ed., 1952; Encyclopedia of Educational Research, revised, 1950; Commodity Yearbook, 1952.

PARTY LINE

We noticed something different
As we entered school today;
Students carried notebooks,
And from classes no one strayed!

We racked our brains for reasons
And finally did secure
That in one week a students FATE,
EXAMS were almost due!!

E is for effort! That's a good excuse!
X marks the spot! Where I fell after I got my grades.
A is for anxiety! Waiting for the results.
M is for military! Where they'll be if they can't hold a "C."
S is for Sophomore! Again?!!
Christmas brought lots of things including goodies and engagement rings.

RECOGNIZE THE TUNE?

MANY TIMES—I wish I had done my homework!
RAGS TO RICHES—When the Freshmen become Sophomores!
YOU'RE FOOLING SOMEONE—Cheating on exams.
YOU ALONE—Must earn your grades!!!
YOU, YOU, YOU—No, no! Dr., not me!!
FROM HERE TO ETERNITY—From beginning to end of a Science lab.
I WON'T BE HOME ANY MORE—After my folks see my grade cards.

JUST A WORD

by PAUL R. UPTHEGROVE

After having questioned many of the students of the University it seems that one of the most popular complaints is the lack of student activities controlled completely by the people who attend classes here. Even though I agree with the majority, I can hardly say that they have a right to this complaint, since an all student project has been suggested, and only a few have been interested enough to offer their services. How, then, can we blame the Faculty and Administration when they give us an opportunity to prove our adulthood and sense of responsibility if we don't take advantage of this privilege?

The all student project I'm referring to is OZARK MUSICAL; a musical that could build a reputation for student activities, and a better relationship between the SCHOOL and the COMMUNITY. Most of us don't realize the importance of establishing good relations with the city of Tampa, or the benefits we could derive from such a move. Scholarships, student awards, and enlargement programs depend largely on donations from the citizens of this community; therefore, whenever we fail to support a student project—fail to support school-community relations, we are refusing an opportunity to help ourselves!

Regardless of the field in which your talent lies we can use you. There are many phases in such a program, and a look into some of these would be well worth your time. Why don't YOU try!

BEHIND THE SPORTS DESK

by HANK DI STEFANO

Tomorrow night, the University of Tampa "Spartans" tackle the Florida Southern "Mocs" at the Armory. The Florida Southern quintet edged the "Spartans" in their previous meeting by a score of 57-52 in wild game at Lakeland.

Let's show the team that we are still behind them tomorrow night at the Armory. Game time is 8 P.M.

HUERTA RETURNS

Our head football coach, Marcelino (muscles) Huerta, has recently returned from Cincinnati, where he attended a coaches convention. Anyone interested on new grid rules and regulations can contact coach Huerta at the Athletic Department.

WHAT IS WRONG WITH THE STUDENTS AT THE UNIVERSITY OF TAMPA?

What could be the possible reason for such a sagging attendance? Could it be that our cagers aren't putting forth the effort in their games? Could it be that other events overshadow Tampa's games? I hardly think so. A team is as strong as its weakest member, and you, the students, weaken the team by not attending the home games. Lack of attendance is one cause for a losing team. You wouldn't want the University of Tampa "Spartans" to have a lack of attendance and, above all, you wouldn't want the "Spartans" to have a losing team, would you? Be a part of the team and crowd at the same time. Support the team! Attend the games!

F.S.U. INJURIES NOT SERIOUS

This column was sure glad to hear that none of the Florida State University basketball players, coach, and trainer were seriously injured in an automobile accident two weeks ago while enroute to Miami for a game with the University of Miami.

At this time I would like to express my sincere appreciation in behalf of the athletic department to Mrs. June Craft, Milt Green, and Chris Lampe who, along with yours truly, greeted the University of Havana basketball team at the airport upon their arrival last week.

While on the subject of the Havana basketball team, I would like to mention that upon talking with a few of the players, I found out that three-fourths of the group were studying medicine.

It is rumored that the Spartan football team will play the University of Mexico in Mexico City next year.

FREE CHESTERFIELD GAME OF THE WEEK

A carton of Chesterfield cigarettes will be given to the student or students choosing the score or near correct score of the following basketball games.

Jan. 30—Maryland
Feb. 5—Mercer
Feb. 12—Miami
Feb. 19—Stetson
Feb. 22—Miami

Scores must be submitted on empty Chesterfield wrappers regular or king size. Your score must be in by 9:00 P.M. the day before the game. Box will be in the bookstore.

The Basketball Team

Coach Sam Bailey is at the helm for the 4th year here at the University of Tampa. With four returning lettermen and several good prospects, and three ex-Spartans, our hard-working Basketball Coach is turning out a well-conditioned and hustling ball club. His basketball experience consists of Fort Myers High School basketball team; one year at the University of Georgia plus two years of semi-pro basketball in Georgia; and coaching of the Richmond Van Guards and Georgia All-Stars. The Spartans will be a threat on the hardwood under Coach Bailey's tutoring!!

Centers on the Basketball Squad

Chuck Jarczyński (6'7", 215 lbs.) is performing on the hardwood for the third year. Last year Chuck averaged 9.5 points per game, hitting for 201 points in 21 games. "Skyscraper" Chuck, who hails from Arnold, Penna., has been a tireless worker and is the number one man on rebounds. He should have a great year this season!!

Al Saferstein (6'3½", 180 lbs.), a New York City product, can play both center and forward equally as well. Al is another good rebound man with plenty of spring in his legs. He should be quite an asset to the Spartan five this year.

Bill Bosworth (6'5", 165 lbs.) is a Freshman hailing from Jacksonville, Fla. and played in the All-Star game while at Andrew Jackson High. Bill has the height to control those backboards as the season continues.

Jess Davis (6'3", 215 lbs.) and **Braxton Pounders** (6'5", 250 lbs.) are a couple of gridders who will perform for the Spartan five this season. Jess is a Junior from Miami, Fla., and "Buster" is a Sophomore from Sawyerhood, Ohio. Both boys have tremendous ability to make their height and eyes a factor for Tampa opponents to contend with! Next issue: The Forwards!

I PREDICT

(Football) Record to date: 41 Wins, 13 Losses, 7 Ties. Perc. .759.

Basketball, Saturday, January 16.

1. Tampa over Florida Southern (avenge that defeat!)

2. Auburn over Alabama (height is factor!)

3. Florida over Miami (a Friday night victory!)

4. Mississippi over Georgia Tech (Ole Miss wins!)

5. LSU over Tennessee (LSU too fast!)

6. Vanderbilt over Miss. State (an upset!)

7. Kentucky over Tulane (no match for Cats!)

Fort Homer Hesterly tomorrow night — Spartans versus Moccasins!

No one really grows up till he ceases to want something for nothing.

The most one can teach another is to lead him to take control of his own life.

Spartans Bow To F.S.U. In 73-63 Game

INTRAMURAL NEWS

As of January 8 here are the Handball and Horseshoes results. In Handball, Klimis (Kappa Sigma Kappa) has reached the finals with Cassella (Tau Omega) and Mathis (Tau Omega) slated to play a semi-final match. The winner of the Cassella-Mathis match will meet Klimis for the Intramural Handball Championship.

On the Horseshoe Pit scene, Minahan (Tau Omega) is in the finals and Hoover (Independents) meets deafening champion Joe Cooper (Kappa Sigma Kappa) in a semi-final match. The winner of the Hoover-Cooper contest will play Minahan for the Intramural Horseshoe Championship.

By the time this copy hits the lobby, Intramural Basketball will be underway. Teams entered thus far are Ace Club, Tau Omega, Sigma Phi Epsilon, Sigma Kappa Nu, Rho Nu Delta, Kappa Sigma Kappa and the Independents.

GIRL'S SPORTS

by SHIRLEY KEENE

A.G. vs. Z.T.A.

Alpha Gamma rode the unerring marksmanship of Josie Fernandez to a 33-23 victory over Zeta Tau Alpha in a basketball tilt recently.

Fernandez hooked 28 points through the cords to capture high point honors. Judy Moore led Zeta Tau Alpha with 19 points.

Ind. crush A.C.O.

The Independents captured a 40-17 victory by sweeping past Alpha Chi Omega. Taking a lead in the first quarter, the Independents breezed along with a comfortable margin all the way. Spearheading the attack for the Independents was Shirley Keene, who connected with the cords for a total of 23 points. High scorer for the A.C.O.s was Charlotte Brunke with 12 points.

Ind. beat A.G.

With Pat Alvarez leading the way, the Independents swept past Alpha Gamma 35-12. Alvarez took top honors by splitting the nets for 16 points and was followed by teammate, Shirley Keene, who bucketed 14 points. Josie Fernandez was high point for Alpha Gamma with 9 points.

Belgium is the most densely populated country in Europe.

Spartans Whip Havana After Dropping Four

The Spartan quintet returned to the win column last Friday when they downed the visiting "Cubans" from Havana by a score of 115-65 at the Armory. Before tangling with Havana, the Spartans made a disastrous trip North, where they lost three straight games.

The Spartans lost to Loyola of the South 78-57. It was a loosely played first quarter that enabled the Loyola quintet to grab a lead they never relinquished. Tampa played even ball with Loyola the rest of the ball game. Leading the Spartan attack with 21 points was Howard Bernstein. He was followed by Jarczyński and Brooks who scored 13 and 12 points respectively.

The Tampans then traveled to South Eastern Louisiana where they lost to the Louisianians by a score of 90-64. The game may have proved costly for the Spartans when Mac Williams reinjured his knee. It may be that Williams will be out for the rest of the season. It was in the fourth quarter that Louisiana ran away with the ball game. Bernstein again led the scoring with 15 pints. He was closely followed by Jarczyński, Bryan, Brooks, and O'Breasy who scored 11 points.

Meet Seminoles

The Tampa Spartans started the trip back home, and on the way stopped in Tallahassee to play the Florida State "Seminoles." It was again of first quarter jitters that sent the Spartans down to their third straight defeat by a score of 74-58. This time it was Marty Brooks, a senior, who scored 20 points to lead the Spartan offensive scoring. Big Chuck took second scoring honors by dropping 12 points through the hoops.

Defeat Cubans

Coach Sam Bailey's quintet returned home last Friday hoping to return to the win column in a game against the University of Havana at the Armory. There was never a doubt of what the outcome of the game would be. The Spartans ran away with the ball game and went ahead and defeated the "Cubans" by a score of 115-65. For the third time in four games Bernstein led the Tampa scoring with 20 points. Coming in for second place scoring honors was Louis O'Breasy who scored 13 points.

Tangle with Mocs

The Spartans next home game is tomorrow night at the Armory when they tangle with the Florida Southern "Mocs." In the last meeting at Lakeland, the "Mocs" nosed out the Spartans in a wild game that practically ended in a free for all.

Roving Reporter

by LEROY DREW

Is the attendance system as employed at the University of Tampa an unnecessary restriction, or is it a necessary and good thing which works to the benefit of the student?

The system which is now in use permits each student to be absent from any course a maximum of two weeks, which is the equivalent of double the number of absences that the course carries semester hours of credit. After the maximum number of absences the student is dropped from the course. Classes before and after holidays count as double cuts.

Many colleges and universities use similar systems, but there are some which require only that the student attend class enough to pass the course. Under this system, attendance depends upon the capabilities and capacities of the individual students interviewed were in favor of the cut system now being used in two respects: they felt that double cuts before and after holidays were unjustified, and they were in favor of excusing absences due to sickness.

The oldest form of taxation in the United States is the general property tax.

Letter to The Editor

To the Editor:

I stood there staring at the bulletin board. By my side stood several other curious onlookers. Glancing casually over the area, I noticed it was composed of vacant thumbtacks; signs of various descriptions, some the size of brief cases, others the size of playing cards, some scribbled together with common pencils, crayons, water colors, some neatly typewritten, and some printed.

As my mind drifted to and fro, it read the following leads: "Leaving for New York, will take five;" "Books for sale: Int. to Education, etc.;" "Private tutoring in Math. Contact etc.;" "Tuxedo for sale, also sportcoat. Cheap." . . .

My confusion would ease at intervals as my eyes scooped up neatly typewritten notices with signatures of verification. These I considered and took for granted had a meaning or had a word of importance to say; probably from the administration of the University.

I stood there bewildered, rustling through some of the notices. Then it came. The spell was broken—the bell rang.
Student

T.U. STUDENTS EXCHANGE VOWS

Miss Virginia Lee Arango, daughter of Mr. and Mrs. Leonidas Arango, 207 South Packwood Ave., Tampa, became the bride of Stanley Richard Wlekinski, son of Mrs. Stanley Wlekinski of East Chicago, Ind., and the late Mr. Wlekinski, Sunday, Jan. 3, at 6 P.M. in Sacred Heart Church. The Rev. Francis J. Kness officiated.

Mrs. Thomas J. McKenna, sister of the bride, was matron of honor, and bridesmaids were Mrs. Curtis Larmoh and Miss Kathleen Pette-way. Jim Caravella served as best man, and groomsmen were Bob Boucher and Bud Leigh.

Both Mr. and Mrs. Wlekinski are former students of the University of Tampa. Virginia graduated June 5, 1953, and Stanley on Aug. 7, 1953.

A Poem

Builder Henry B. Plant
Lacked a crystal ball
Thin walls do not
A studio make . . .

Violin's screeching
Heard during lecture
Practice a necessity
Consideration is too!
Other rooms, other hours
Should be made available

John Keats wrote;
"Heard melodies are sweet, but
those unheard are sweeter . . ."
Especially during
Geoffrey Chaucer!

— Bob Hancock

Your hands on the Future!

When you grip the wheel of an Air Force jet, your hands are on a fast, high flying future that leads to the top in jet aviation.

● Once behind the controls of an Air Force jet, you leave the humdrum of everyday life . . . soar far above the cares of the crowd into a bright new future of adventure and excitement. You're part of a select flying team, playing for the highest stakes of all . . . mastery of the Jet Age! You'll win too, because you've been trained to win. You have confidence in yourself, in your fellows, and in your plane, the fastest and safest flying equipment in the world.

As an Air Force Aviation Cadet, you get in on the ground floor of jet aviation, learn jet flight with the latest equipment and best instructors. You graduate as an Air Force lieutenant earning over \$5,000 a year . . . a man thoroughly prepared for leadership in both military and com-

mercial aviation. Join the many fine young men who keep their hands on the future. Train as an Aviation Cadet!

You may be eligible

To qualify as an Aviation Cadet, you must be at least a high school graduate. However, you will be of more value to the Air Force if you stay in college, graduate, and then volunteer for training. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

★ **Win an Air Force Commission**
★ **Earn over \$5,000 A Year**

HERE'S WHAT YOU DO:

1. Take your high school diploma or certificate of graduation and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination at government expense.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

WHERE TO GET MORE DETAILS:

Contact your nearest Aviation Cadet Selection Team, Air Force ROTC Unit or Air Force Recruiting Officer. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.
