

# Benefit dance is big success

## Johnson progressing

Flat on his back for almost six months, University of Tampa senior Richard Johnson from Stamford, Conn., stands tall among his peers. Sidelined with head injuries sustained in an automobile accident last March, Johnson was cheered by UT's Debbie Stringham of Long Island, and Charles Smith of Highland Park, Mich., who presented him with a check for \$320 raised at the Back-to-School benefit dance last Saturday. The money is intended to help pay high hospital bills accumulating since the mishap. Johnson is making slow but steady progress, and soon will be transferred to an extended care unit for further rehabilitation. Hopefully he will join his friends on the Spartan campus soon.

## SGA thanks students

On behalf of the Student Government Association and everyone who was involved in the benefit dance for Richie Johnson, SGA would like to express a sincere thanks. The dance held Saturday, September 5 was an overwhelming success with proceeds totaling \$320.00 and attendance of over 500 people.

Tuesday, September 8, Chuck Smith, representing the Student Government Association, presented the check to Richie.

Another dance has been scheduled in October for Richie's benefit. This dance will be sponsored by the Inter Fraternity Council.

Once again SGA would like to thank the student body for making this the tremendous success it was.

## TU tops Delta State

By Rick Barrett  
staff writer

The Spartans began their 1970 season a little better than last year. It was apparent that Delta State came to play, but by the middle of the third quarter, Tampa's weight and depth advantage proved too much for the Statesmen from Mississippi.

Delta State won the toss and received the kickoff. The ball exchanged hands several times during the first five minutes and the first touchdown came as a result of the defensive play that had thus far dominated the game. It was Delta's ball at their own 14 after a fumble recovery by Armstrong. On

third down with nine yards to go, Delta's QB, Bradberry, went back to pass and was tackled in the end zone by Noah Jackson who recovered his fumble for a touchdown. The extra point try was missed and the score was Tampa 6 — Delta State 0.

(Continued on Page 6)

## Gronlund's idea good: "Special City Nights"

It's now official. The University of Tampa will hold "Special City Nights" honoring Clearwater, St. Petersburg and Sarasota during Spartan football games this fall.

Robert B. Gronlund, UT vice president for development and public relations, who conceived the idea, said the decision to proceed was made after meetings with Chamber of Commerce representatives and other civic leaders in those cities.

Sarasota Night will be Sept. 26 when the University of Tampa plays New Mexico Highlands; Clearwater Night is Oct. 10 for North Texas State and St. Petersburg Night is the Xavier game on Oct. 24.

Gronlund said the "nights" are designed to (1) provide special recognition to the neighboring city; (2) show that Tampa Stadium is an area facility serving the entire Sun Coast, and (3) focus attention on the University of Tampa and its Spartan football team which has brought national attention to this area.

The \$6 package offered "Special City Night" fans includes two-way bus transportation, the game ticket, football program and a badge and Spartan ribbon with the name of the city. A barbecue also is planned in Tampa, with tickets for the meal a separate cost.

"We have been delighted with the tremendous enthusiasm the program has generated in those cities," Gronlund said. Gronlund, UT president Dr. David Delo, Athletic Director Sam Bailey and Development Consultant Edward Snee were among University officials present at the meeting in Sarasota last week.

"Although it was our first official meeting there," Gronlund said, "we were informed that six busloads already are committed to the game. Each bus holds 45 persons."

The "special night" includes an invitation to a band from that city to perform in pre-game and half-time ceremonies and recognition during the game.

## Generation '70 held Oct. 2nd and 3rd

by Terry Hadler  
staff writer

The renowned composer, Norman Dello Joio of New York, has been commissioned to compose a work for chorus and orchestra to be presented in Generation 70.

Generation 70 is a two day music, art, and theater festival that will take place at Curtis Hixon Hall on October 2 and 3.

The Tampa University Choruses, the Spartan Serenaders and Madrigal Singers, headed by Malcolm Westly; The University of South Florida Choruses; and the Tampa Oratorio Society will combine to make up the chorus to sing with the Florida Gulf Coast Symphony as orchestra.

All will participate in Norman Joio's **Evocations**. **Evocations** is a two part work combining Viet Nam political tensions with a promise for the future.

The first segment, **Visitants at Night**, concerns itself with the death of our young men. Its emotions are captured in

phases such as, "Do you rest well, dear killed on the hill - the hill, that hill at Saigon."

The second movement entitled, **Promise of Spring**, has an optimistic outlook on what is to come. This feeling is aided by phrases such as, "Spring wills that you shall sing - new songs" and "Spring in the world makes all things new." The words were written by the poet Robert Hillier.

Spartan Madrigal Singers

## Durmout, Staubach, Treen honor recipients

Three University of Tampa students with potential for outstanding achievement in the years ahead received a financial and academic lift at the opening convocation for UT's 40th year.

For Douglas Wayne Dumont, a senior from Pittsburgh, Pa., the "lift"

was an \$800 Crown Zellerbach Foundation Scholarship grant.

Richard Edward Staubach, a sophomore, is \$200 richer as winner of the Borden Freshman Prize for 1970.

And Edward William Treen III, won the honor of being selected the first winner of the Ellwood C. Nance Memorial Scholarship worth \$500.

The Crown Zellerbach scholarship went to Dumont, who has a 3.892 grade average.

Key to the Borden award is the No. 1 grade average in the freshman class. Staubach accomplished the feat.

Leadership in athletics and academics led to the choice of Treen for the Nance award.

## RETREAT WITH Nancy

My three year's experience at the University of Tampa makes me feel very confident in eliminating the rumor that Tampa falls a little short in the entertainment field. In fact, a great many Tampa grads are known to be searching for excuses to lure themselves back to the "fun city".

Beginning with things close at hand, outside of the Retreat where only the vintage pros are found, there's the Island Club on Davis Island. As the natives will tell you, this is only a Thursday and Sunday night attraction, and you must be 21 to get in.

The Islands Club has many patrons and the music is usually good. The dance floor is quite small and as anyone will, or won't confess, you get to know your brothers and sisters quite well.

The same type of entertainment can be found at Dino's on Dale Mabry. The atmosphere is slightly more psychedelic, with strobe lights, and a bar loaded with

lots of unattached people.

Girls only need to be 18 to get in if they don't drink, and guys have to be 21.

During the football season, the Patio is one of the most favorite play places on the strip. The Patio features conservative young athletes playing bouncers and, as in the past years, free beer nights.

Now for those on a low-budget income, and prefer an atmosphere of a slightly degenerated saloon, there are two new campus spots that have burst upon the scene.

An all-time favorite of the selective set is the Tab Inn, which is located on Armenia. Beers are only a quarter, and Spot, the proprietor, has installed a first-class jukebox for nightly entertainment.

The atmosphere here is also psychedelic and for those who desire to see familiar faces falling off bar stools, or going down for the count, you've found a home at the Tab.

Guys and girls must be 21 to be admitted and must have two ID's available at the door.

Last but not least on the circuit is the Red Dog Saloon. This is the only beer and wine club in Tampa where one can find the "Ripple Queens".

Here, the patronage is strictly upper-class degenerate, and for those who desire a little exercise, the place is loaded with pin-ball machines.

As with custom, The Red Dog, colloquially known as the "Crimson Canine", rings with the sound of modern jukebox. If you're a "regular", the Ripple's flowing, but newcomers must show ID's.

Naturally this is only one type of entertainment in our area. Tampa Municipal and Clearwater beaches are the best on the Gulf Coast and Hillsboro State Park can't be beat for picnics and picture-taking.

1971 promises to be a good year; welcome to the University of Tampa.

Welcome Back, Students...

# Campus NEWS

Barry R. Lydon

Tickets for local theatres are on sale for students in the Student Center Office for \$1.25 each. These tickets are good for the three downtown theatres, Tampa, Palace and Florida; the Hillsborough I; and the Hillsborough II Drive-in.

For the second year in a row Delta Sigma Pi will operate a check cashing service in the lobby of the Student Union every weekday from 10:00 am to 3:00 pm. The Student Union Office will cash checks from 3:00 pm to 11:00 pm daily and all day weekends.

Rules governing this student service are on page 12 in the Student Handbook.

Chartered Buses to all home games leave in front of the Student Union at 7:15 pm. The cost is 75c round trip. Tickets will be sold every Friday and Saturday before each home game in the Student Union Office.

Student football tickets will be distributed only on the night of the game at Gate 2 of the East Stands. Students will no longer be able to pick up their tickets ahead of time in the Student Union.

The change is an attempt to put a stop to or at least cut down on the scalping of Student tickets. A few University students were pick up by Tampa police last year for scalping tickets. Date tickets will still be available for \$1.00 and an I.D.

Another reason for the change is to reserve sections J and I. for University students and their guests.

In view of the traffic and parking problems on campus, specific policies have been adopted in order to provide some measure of order and control. Observe all campus traffic and parking signs. Maximum speed on campus is 15 MPH.

Students, faculty, administrators and employees of the University are required to obtain appropriate parking decals.

**VIOLATION PENALTIES ARE TO BE PAID TO THE UNIVERSITY CASHIER (Hours 8:30 AM to 5:00 PM Monday thru Friday) in the Business Office. All fines are to be paid within 72 hours. Failure to respond to a violation notice within 72 hours will carry an additional fine of \$5.00.**

Appeals may be made to the Student Traffic Court. They must be submitted within five days. The Court will render a decision which shall be final.

The University Security Force has the responsibility for enforcing traffic regulations. The Security Department is located on the ground floor of Howell Hall.

## TEST DATES FOR NATIONAL TEACHER EXAMINATIONS ANNOUNCED

College seniors preparing to teach school may take the National Teacher Examinations on any of the four different test dates announced today by Educational Testing Service.

New dates for the testing of prospective teachers are: November 14, 1970, and January 30, April 3, and July 17, 1971. The tests will be given at nearly 500 locations throughout the United States, ETS said.

Results of the National Teacher Examinations are used by many large school districts as one of several factors in the selection of new teachers and by several states for certification or licensing of teachers. The school systems and state departments of education which use the examination results are listed in an NTE leaflet entitled "Score Users" which may be obtained by writing to ETS.

Prospective teachers should contact the school systems in which they seek employment, or their colleges, for specific advice on which examinations to take and on which dates they should be taken.

The **Bulletin of Information for Candidates** contains a list of test centers, and information about the examinations, as well as a Registration Form. Copies may be obtained from college placement officers, school personnel departments, or directly from National Teacher Examinations, Box 911, Educational Testing Service, Princeton, New Jersey 08540.

The organizational meeting of the International Relations Club will be held on Thursday, Sept. 17 at 7:30 p.m. in the International Room of the Student Center. The club is being reorganized this year because of the large number of students from other countries on campus this year.

## National Write Hanoi day spurs Tampa U. students

The University of Tampa, in a joint effort with the Bay Area Red Cross Chapters, will hold a Write-Hanoi campaign on Thursday, Sept. 17.

A booth will be placed in the lobby of the Student Center with form letters enabling students either to sign their names or write comments urging

North Vietnam to abide by the terms of the Geneva Treaty which North Vietnam signed in 1949. These terms are to:

- 1—release names of all prisoners of war
- 2—release prisoners who are seriously ill or injured
- 3—permit an impartial inspection of prison

4—permit mail between prisoners and their families

Sharon White, sister-in-law of the late astronaut Edward S. White II, and wife of James White, listed as missing in action but reported to be a prisoner in North Vietnam, will make an appearance at 11 a.m. in the International Room of the Student Center to discuss the prisoner problems.

Jeff Onore, student  
(Continued on Page 5)

## National Honor Society welcomes new students

On behalf of Alpha Chi, the National Honor Society, we wish to welcome our new freshmen class and new faculty members, as well as, the rest of the student body, faculty and staff.

The purpose of Alpha Chi is to promote and recognize the scholarship and those elements of character which make scholarship effective for good among the students in the academic divisions of colleges and universities in the United States and neighboring countries.

The membership of Alpha Chi is selected from the top 10% of the junior and senior class by vote of the faculty and student membership. Also, they must have attended the University of Tampa for a minimum of one year.

Sponsors of AX are Dr. Marlon Ellison and Dr. Robert Harder. The new elected officers are Raphael Raoul Garcia, President; Lourdes Martin, Vice-President; Eileen

## Fraternally yours

# Greeks prepare for frosh

## T E P

The brotherhood of TEP bids welcome to all students attending the "Harvard on the Hillsboro," but better known as the University of Tampa.

## What are you into TEP?

Take 25 "Out a sight" guys all searching for fun, excitement, and fraternal friendship. Combine them with a new fraternity house, a young, thriving brotherhood, young, devoted leadership, new ideas and high expectations. A fraternity of real character, of national origin where the motto "TEP's are TOP's" is taken realistically. This frat is what is called TEP and TEP is what is tops at Tampa.

## T K E

The Tekes wish to welcome everyone back to the Harvard on the Hillsboro. The fraters got off to a fine start this year with Tommy Teke cheering the Spartans to victory over Delta.

Congratulations are extended to our new officers: President, Raisin; Vice-President, Rusty; Historian, "Big L"; and Secretary, Andy.

Is it true that Lucci is using brass knuckles as a wedding ring? Who undressed Charlie? Is Dickson bucking for a job at Busch Gardens? Is Rosie married? Is Mrs. Rosie? Is the Georgia Peach rotten?

## D Phi E

The Deepers would like to welcome everyone back to campus with the hope that this year will bring much success to all. This semester opened with elections of officers — President, Helen Bailey; Vice-President, Terri Shamblin; Junior Active Advisor, Barbara Oster; Rush Chairman, Ronni Pearl; Secretary, Terry Milonas; and Treasurer, Barbara Weinstein.

Helen Bailey has just returned from our International Convention in Maryland with a complete modernization of our former pledge program and rituals. This "new look" promises to be the coming scene in Greek organizations across the country, and D Phi E is proud to initiate it at Tampa.

Congratulations and best wishes are in order to alumna Janice Wells and Fred Senftleber on their engagement, and to Anita Alvarez and Tom on being pinned.

## Z T A

Zeta Tau Alpha would like to welcome all back from their summer. Newly elected officers: Nicki Fairlamb, Pres.; Joyce Hatfield, Vice Pres. and Pledge Trainer; Jan Swarez, Sec.; Karen Chapple, Treas.; Suze Izac, Ritual; Maureen Start, Membership chairman; and Candy Summergrade, Hist. The first project of the semester is a car wash, September 19th at Steve Standard.

We would like to congratulate Cindy Shaw and Her John on getting engaged. Better luck next time, Laura.

Are the Zetas looking for a new home on Hyde Park Ave.? Zetas have developed a new game while watching football, "Switches". Our closing remark that will be imprinted on the minds of 2nd floor Smiley Hall Girls forever: "Oh my God! Lola is here!"

## Sig Ep

The brothers and little sisters of Sig Ep wish to welcome all students to the university.

Congratulations to brother Rodney Dobler on a job well done as the chairman of the orientation committee, despite popular belief?

The Sig Ep word for the year is "determination"; determination to be the best at everything we attempt.

As we look into the fraternity life we see brother Scott Behre blazing his way through the freshmen girls as "Onion Man". The brothers are sorry that Gerry Henkel totaled out his new Vette on the way down to school. Has anyone seen Dave Walker's magic bus? We would like to congratulate Lola on her taste in cocktail attire. Happy Birthday Hoffer the Boffer. Always remember one thing, stay happy.

The first meeting of the Minaret staff is scheduled for Monday, September 21, at 9:00 p.m. in the Student Union, Room 4.

Anyone interested in writing, photography, editing, layout or typing for the Minaret is welcome to attend.

The most powerful instrument on any university campus is its newspaper.

The Minaret needs YOU as much as you need it!

## Delo shows concern '70

A "hard-line" attitude toward campus disrupters was advocated by University of Tampa President David M. Delo in order to assure the survival of institutions of higher learning.

Dr. Delo, speaking at the opening convocation for the 40th school year of the University, said the most liberal institutions have suffered the greatest from "confrontations, riots and other illegal activities" because of a "dilution of central authority."

For this reason, he predicted a "strengthening of administrations and their authoritarian powers over the next few years because the present pattern has been found wanting."

Although Dr. Delo agreed it would be "very unfortunate," he warned: "Where administrations will not or cannot do the job, I would not be surprised to see boards of trustees or legislatures stepping into the breach."

He called for closer ties between students and faculty, noting the University of Tampa was taking steps to place greater student representation on faculty committees, enlarging the counselling systems and holding weekly meetings in the Student Center with interested students.

While advocating a greater student and faculty role in University business, Delo took an opposite view with regard to using the campus as a political podium.

"It decidedly is not a place for political propaganda or political campaigning," Dr. Delo said. "The institution itself must be neutral and its staff and students should utilize the classrooms and the campus for the purpose intended — the search for knowledge."

Dr. Delo, whose 12 years of consecutive service as president of the University of Tampa is a rare feat in these times of short tenure of college presidents, emphasized he does not believe in a "more lenient code of justice for college students."

He predicted the 1970's will be "a trying period for all higher education," but particularly "the private colleges like the University of Tampa." It will take patience, motivation, dedication, cooperation and hard work to reach the desired goals, he said.

All student organizations are requested to fill out a Student Organization Data Report (in quadruplicate) and turn it in to the Dean of Students before October 1. Blank copies of the report may be obtained from Miss Bennett in the Dean of Student's Office (Room 363, Plant Hall). Failure to submit reports could result in the revocation of official status at the university or omission of the name of the organization in the forthcoming year-book.

Dr. David M. Delo

## West, Onore attend conference

Dr. Charles R. West Jr., Dean of Students and Jeff Onore, President of the Student Government Association will attend the second annual President to Presidents Conference in Washington, D. C. September 25-27.

The conference, sponsored by the Association of Student Governments is held to assemble the leaders of the campus and the nation to explore the problems that plague the nation.

West and Onore will confer with such figures as President Richard Nixon, Secretary of Defense Melvin Laird, Secretary of Interior Walter Hickel, Director of Selective Service Dr. Curtis Tarr, Secretary of State William Rogers, Attorney General John Mitchell, and other presidential advisors.

Present members please attend because voting of new members will take place. The results of the 1970 Fall selection will be announced at our second meeting on Oct. 8 at 4:00 p.m. same location. New members will be notified by mail.

## Write Hanoi

(Continued from Page 3)

body president heading the UT campaign, said the action is intended to show that students are interested in events of national and international significance, both on and off campus, and intend to be more active in the future.

# Three alumni in Outstanding Young Women

The University of Tampa Alumni Association has announced that Miss Donna Blaess, Mrs. Sondra Klementis Kutzman and Mrs. Sandra Link MacVane have been selected to appear in the 1970 edition of Outstanding Young Women of America. They were nominated earlier this year by the association.

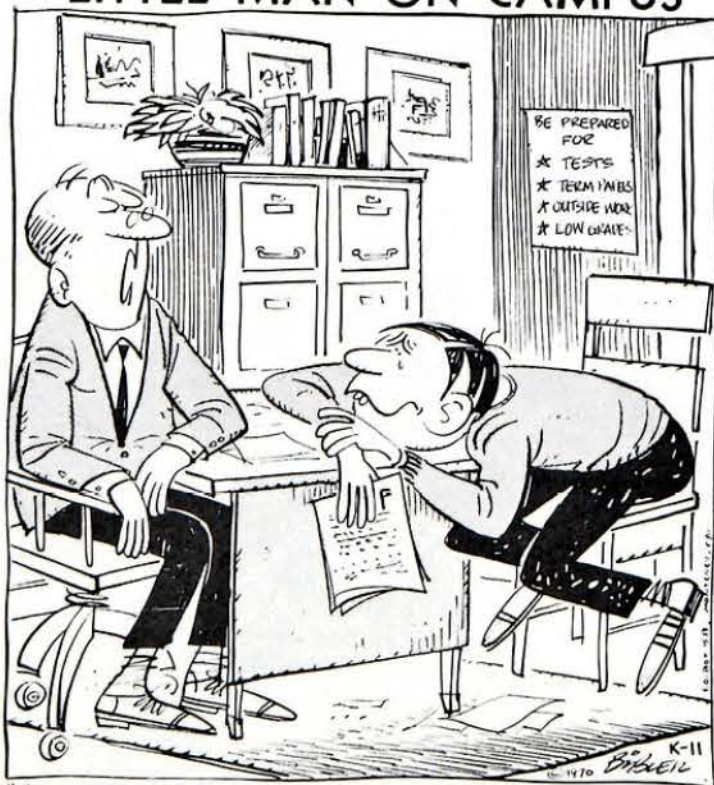

All three women are recent graduates of the University and were very active in

campus affairs.

Now in its sixth year, the Outstanding Young Women of America program, designed to recognize the abilities of women between the ages of 21 and 35, was conceived by the leaders of the nation's major women's organizations.

The program recognizes those young women who contribute to the betterment of their communities, professions and country.

# Spartans overpower Statesmen 45-12

(Continued from Page 1)

The defense allowed a first down on the next play, then stopped the Statesmen on their own 42. The next 9 plays produced a 58 yard march for the second touchdown. This six pointer came after a pass interference call against Delta that gave Tampa a first down on the nine yard line. Bruce Brown carried the ball up the middle for the touchdown and Soper converted to make it 13-0.

Delta State took advantage of the Spartans' young secondary to complete several passes culminating in a 22 yard touchdown pass in the second quarter. The PAT was no good and the score was Tampa 13, Delta State 6.

After receiving Delta's kickoff, Lew Pytel led the team from the Tampa 31 to the Delta 29 where an attempted pass was intercepted by Stamm of Delta on the 10 yard line. Delta punted and the kick was blocked by Sammy Gellerstedt at the 2 yard line. Leon McQuay crossed the goal for Tampa's third touchdown of the evening. The PAT was no good and left Tampa ahead 19-6.

Delta State's Bradberry led the Statesmen to their second TD with a series of short passes, hitting Day in the end zone from the 11 for the six pointer with less than a minute left in the half. PAT was no good and the halftime score was 19-12, Tampa leading.

The third quarter was filled with punts, flags, and incomplete passes. Toward the end of the third quarter the wear and tear began to show on the Statesmen when Eddie Caldwell received a Delta punt on the 30 yard line and

scampered 69 yards to the Delta five. His run was nullified by a penalty. The Spartans, under the direction of Buddy Carter ran through

and around the Delta State line from their own 38 to the Delta 2 where Carter punched it over for his first TD of the season. The PAT

was no good and Tampa led 25-12.

The fourth quarter saw 3 more touchdowns on the scoreboard. The first came

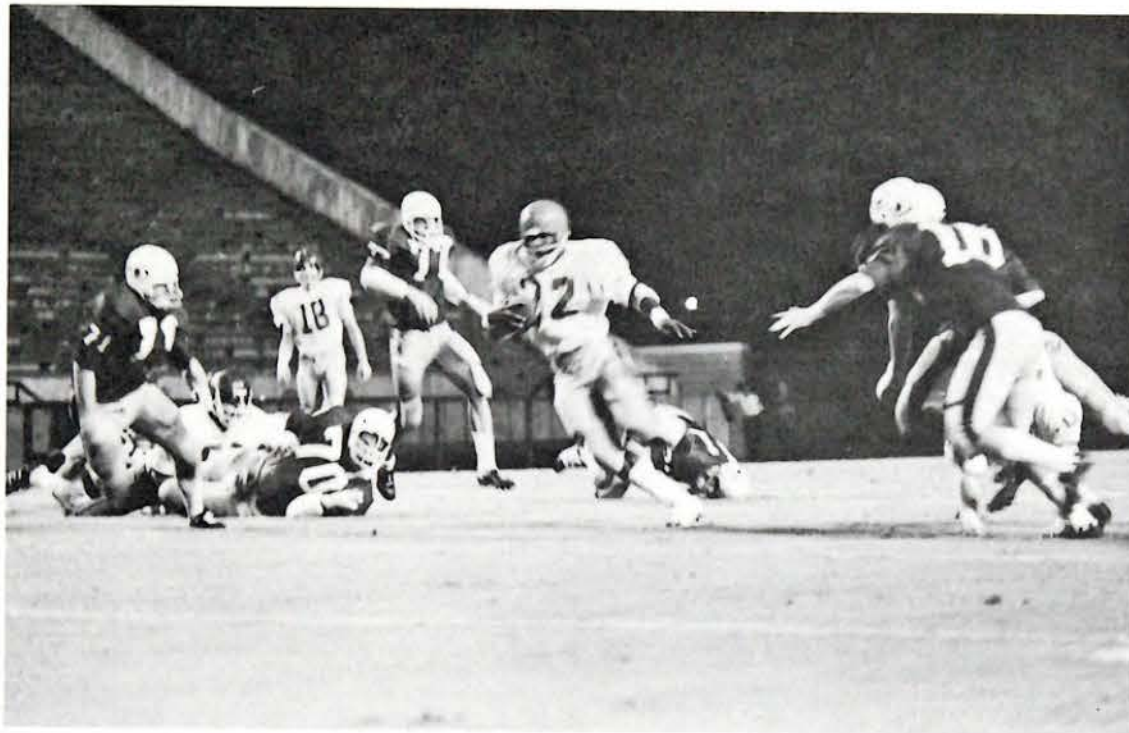

from a recovery of a fumble on the Delta State 34 where Pytel passed to Willie Miller at the 3 yard line. Bob went around left end for 3 yards and 6 points. PAT was no good leaving the score 31-12, Tampa leading.

On the next set of downs Delta State moved the ball to the Tampa 22. Their drive was stopped by Wayne Jones' interception and 29 yard return to midfield. Carter used backups, Moorehead and DuBoise to score with DuBoise going the last 17 yards up the middle. Soper's kick was good and Tampa increased its lead to 38-12.

After receiving the kick, the defense held again and forced Delta to punt. Jones returned the ball to the Delta 41. Again sparked by the running of DuBoise and Moorehead, the Spartans scored with DuBoise carrying. Soper again converted and the game ended Tampa 45, Delta State 12.

Gellerstedt, Jackson, Brown, and Smith shook the opposing team loose from the ball to give it to the offense and hold the Statesmen to only 20 yards net rushing. The defensive secondary was weak, however, Wayne Jones intercepted two passes (one called back) and ran back 4 punts for 56 yards.

All-American candidate Leon McQuay, led all rushers with 117 yards and an average of 6.5 yards per carry. DuBoise had 42 yards for a 7 yard average and Ken Moorehead 55 yards for 5 yards per carry. Coach Curci indicated that he was satisfied with the running of the backs and that the back-ups, DuBoise and Moorehead, performed especially well.

Photos by Bob Moss
