TRIAL AIR RAID IS SUCCESSFUL

Precaution Movie To Be Shown Friday

The University of Tampa held its first practice air raid under the supervision of the war council Thursday.

It proved to be quite successful and other practice raids are planned for the future. Captains appointed to be stationed at various parts of the building are: Ed Howell, Ed Miller, Mervin Beattie, George Curry, Ed Baranowski, Johnny Kauffman, David Webb, Carroll Thomas, Glenn McRae, Paul Fernandez, Al Jimenez, Doyle Bleumle, Warren Watson and Junior Thorton.

Rules governing these raids are as follows: General: 1. Keep cool at all times; 2. Put all lights out unless prepared with blinds; 3. Lie down if not in shelter; 4. Never rush when in a crowded building. Specific rules for university: 1. Be alert and listen for unusual bells or whistles; 2. Read signs and obey captain's instructions; 3. Go to designated sections; 4. Remain quiet and sensible in shelters; 5. See bulletin board for building plans, which designate the best building exits and location of air raid shelters; 7. For time being the air raid shelters will be in the basement of the University.

Note: Everyone must abide by these rules (students and professors). All students not obeying rules will be tried by judiciary.

The assembly Tuesday will be devoted to explanation of air raid practices and picture shows on various units of air raids will be given every Friday.

Tampa University To Continue C. P. T. Training Course

Last week President Mooney received the following confirmation of his recommendation: "Washington has granted you special permission to allow you to enroll any college student without regard to scholastic credit if otherwise qualified."

While in Washington in December and in January President Mooney made this appeal to the Civil Aeronautics authority through its administrator, Mr. Stanton.

These suggestions were made in view of the fact that the army had lowered its air corps admission requirements and that universities and colleges were low on numbers now available for training. This has been especially true in this university.

This special permission to the University of Tampa makes it possible for the university to build its quota to meet the present assignment. At the time the grant was made Tampa U. had met only a part of the quota and there was a possibility of losing the assignment.

Key Club To Entertain At State Convention

Members of the Key club at the university will act as hosts to the visiting members of other Key organizations from Florida colleges when the state convention meets in Tampa, March 26.

Leading the plans for entertainment of the groups will be a dance for all members and their dates in the university ballroom, March 26. Omar Wilson is in charge of arrangements.

Other social activities to be given for the convening members will be a barbecue, a fish fry, and a banquet at the Columbia restaurant.

Faculty and Varsity Squad To Clash at "Y"

Tomorrow night at 7:30 the International Relations club is sponsoring a basketball game between the faculty and the varsity squad at the Y. M. C. A.

Dean D. Edisson Bunting will captain the faculty squad. Cheer leaders will be present and all students are urged to attend.

Admission will be 15 and 20 cents.

DAUGHTERS FOR DEFENSE—Sigma Kappa Nu "daughters" are going in for a defense theme this year, after their "adoption" at the annual ceremony on the first day of spring Saturday. They are, left to right, rear, Rosalie Mathis, Ann Simpson, Phyllis Ramage, Bette Campbell, Alva Parodie and Hazel Malcolm; front, Judith Benson, Nancy Marsh, Jane Hughey, Marilyn Levy, Mary Foster Perry and Judith Alexander of Hillsborough high school.

Juniors and Seniors To Hold Annual Banquet on May 14

The Junior-Senior banquet and dance will be held May 14 at the Hillsboro hotel Roof Garden according to plans made at a meeting of the Junior class last week.

Glenn McRae, president, is general chairman of arrangements.

The decoration committee is headed by Jane Hughey with Elsie Gill, Charles Slocum, Walter Brown, Ann Simpson, Dot Thonnesen, Billy Webb and Nouna Hitchcock assisting.

Gulila Bottari and Sherman Reed will handle invitations.

Chairman of the entertainment committee is Wanda Waters, assisted by Laura Hester Hofman, Billy Hayes and Ruth Morgan.

Stephen Solak and Mervin Beattie will handle place and orchestra booking and Nita Medina and Arnold Holmes will arrange the menu.

There will be an important meeting of all Juniors after assembly tomorrow in the recreation room.

June Hunt Elected Masquers' Vice Pres.

The 313 Masquers held a meeting Thursday night in the dramatics room and elected June Hunt as first vice president.

"A New School For Wives" was presented by dramatic students and was well received by the club members.

The dramatic club has been invited to present weekly radio programs in the near future.

Temporary Minaret Staff Edits This Edition

A temporary staff was appointed to edit this edition of the Minaret. The staff is as follows:

Editor Jane Hughey
Associate Editor .. Eugene Zielinski
Managing Editor Nouna Hitchcock
News Editor Shirley Abell
Editorial Editor Don Cameron
Society Editor Esie Gill
Fashion Editor ... Gulila Bottari
Sports Editor Robert Nelson
Girls Sports Editor .. Marilyn Levy
Feature Editor Pat Washburn
Assistant Feature Editor Frances Alexander

Sigma Kappa Nu Adopts 12 Daughters

Mrs. Mary Givens Gets Great Ovation At Last Recital

Mrs. Mary Haverstick Givens, instructor in piano at the University, gave her fourth recital Tuesday night at 8:15 o'clock in the University ball room.

Included in her recital was Haydn's "Andante con Variazioni," a composition typical of the classical period. Familiar to every music lover was the "Pathetic Sonata" of Beethoven, so titled because of its great force and tragic passion. The sonata is written in three movements, which express turmoil, pathos and humor.

The theme and variations of the Schuman composition, "Etudes Symphonie" is quite different from that of Haydn and each variation has a style of its own. The "Etudes Symphonie" is one of the largest of piano works and requires all the technique and musicianship at the command of the performer.

The complete program: "Andante con Variazioni," (Haydn); "Sonata, Opus 13" (Beethoven); "Etudes Symphonie" (Schumann); "Intermezzo, Opus 118, No. 1," "Intermezzo, Opus 119, No. 1," "Rhapsody, Opus 79, No. 2," (Brahms); "La Soiree dans Grenade," "Jardin sans la Pluie," "Golliwogg's Cake Walk" (Debussy); and "Scherzo, Opus 13," (Chopin).

Mrs. Givens, who is a graduate of the Juilliard School of Music, will present a concerto with the University of Tampa orchestra next month.

Methodists To Have Guest Speaker Thursday

Rev. John Branscomb of the First Methodist church will be guest speaker at the bi-monthly luncheon of the Methodist Student organization in the cafeteria Wednesday.

A delegation of 10 students from the university attended the state conference in Gainesville March 20-22.

All Methodist students are automatically members of this organization.

The Sigma Kappa Nu fraternity adopted 12 new daughters on Saturday, the first day of spring. This is the fourth annual daughter day celebration. The 12 new daughters were notified of their adoption in the traditional manner; seals of adoption and slippers were left at their doorsteps at 12 o'clock Friday night. Carrying out the patriotic theme selected, the "daughters for defense" received military boots with spring flowers and American flags in them, which they wore Saturday tied around their necks with silver and black ribbons, the fraternity colors.

Pictures of the new and old daughters were taken Saturday on the front porch of the University. The daughters will be guests of honor at a luncheon and informal dance today at 12 at the American Hellenic center. The table decorations are tiny toy soldiers, cannons, and airplanes; and the place-cards are little American flags which run up and down the flagpoles.

Miss Sooky Jackson, one of the first daughters adopted, will make a speech of welcome to the new daughters. Rabbi Zielonka, the fraternity sponsor, will speak on the part the fraternity will play in the defense program of the University.

New daughters and their "daddies" are Ann Simpson and Fred Lenfestey; Nancy Marsh and Merriweather Williams; Judith Benson and Harold Williams; Jane Hughey and George Curry; Judith Alexander and Dan Shaw; Marilyn Levy and Roy Parodie; Phyllis Ramage and Charlie Heinmiller; Bette Campbell and Bob Johnson; Mary Foster Perry and Hazen Carleton; Hazel Malcolm and Sherman Reed; Elva Parodie and Dick Woxniak, and Rosalie Mathis and Norman Light.

Old daughters who will attend and their escorts are Sooky Jackson and Jack Williams; Dottie Ann Kelly and Johnny Wainwright; Elsie Gill and Murray de Loach; Dot Hill and Glenn Philson; Frances Alexander and David Foster; Mary Cantrell and Jack Goodson, and Beth Hotchkiss and Frank Fagan. Honor guests will be Dr. and Mrs. James E. Mooney and Rabbi and Mrs. David Zielonka.

The committee in charge of arrangements was Jack Williams, Dan Shaw and Sherman Reed.

VARSITY SHOW PRESENTS...- ON APRIL 8

It's Story of Ideal Day in Army

Never a serious moment is promised in the Varsity Show the combined dance and music departments of the University will present in the auditorium on April 8 at 8:15.

Satire, uniqueness, and vivacity will prevail throughout the entire presentation which will include some of the best talent from Tampa U.

"Three Short and One Long" is the name for the production and the theme will develop around the idea of a day in the army as a soldier would like to have it. Further plans are being completed for the show with up-to-the-minute ideas and suggestions being made.

Steven Solak is in charge of the music with Charles Slocum assisting in the musical arrangements and Bill Hayes in charge of dialogue. Members of the 12-piece dance band and the instruments they will play are as follows: Norman Light and Val Antuono, alto sax; Andy Jelares, and Steve Solak, tenor sax; Charles Slocum, clarinet; Bob Price, Lee Beinhorn, and David Webb, trumpet; Bill McCollum, and John Corbin, trombone; Page Nichols, string bass; Charles Heinmiller, piano.

Certain dance groups will participate and will be included in an act entitled "The Girls That I Would Like To Have Known." Norma Rollins and Joe Mills will take part in "Katie" with a chorus composed of Delores Garcia, Corinna Gehart, Jane Gibson, Martha Goddard, Nancy Guinta, Wilcie Linn, Mary Jennise Williams, and Muriel Yarbrough. Mary Merle Jones will have the part of Annie Rooney in the number of the same name assisted by a girls' chorus which includes Fannie Mae Belagaw, Hilda Bethea, Helen Frank, Betsy Howard, Betty Jean McCord, Dot Pettion, Winnong Sledzinski, and Pat Berg.

In "Gipsy" Virginia Morris will have the lead assisted by Betty Savu, Gulila Bottari, Louise Griffin and Mary Collura. Gulila Bottari will also be "Susie" in the number of the same name.

"Dinah" will feature Miriam Quarles and Roy Parodie who will be backed-up for the number.

Nouna Hitchcock will take the lead in the number "Sweetheart of Sigma Chi" and will be assisted by a chorus composed of Bud Reinert, Leslie Lowery, Mary Collura, George Curry, Elsie Gill, Doyle Bleumle, Betty Campbell, Warren Watson, and Gulila Bottari.

The Rhuma and Jitterbug dancers (Continued on Page 4—Column 1)

James Nesworthy Works on Survey

James Nesworthy, dean of men, assistant professor has begun the work on an important survey of NYA accomplishments among graduates of the several colleges in the state of Florida.

The survey will, when completed, show the benefits of NYA support to college students. It will propose to show that among college graduates who have had the advantage of NYA funds greater service is being rendered the country as a whole, and that much talent would have been lost had not the NYA aid been available to these young men and young women.

This important assignment which Dean Nesworthy has undertaken, is a part in a plan of President Mooney and other members of the state NYA advisory board to demonstrate the vital need for the continuance of NYA support in colleges. The final report will be sent to Washington.

The appeal has been granted and our quota has been raised, \$500 for this program. Students interested should contact the office for information.

CAFETERIA IS REDECORATED

The cafeteria which was opened for the first time last fall has filled a definite need at the University and at the same time has furnished a meeting place for students. It has helped in a practical way of satisfying a recognized need and at the same time helped to develop a common interest for a good college spirit.

The cafeteria was attractively decorated when it was opened but due to weather conditions the walls became rather unattractive. President Mooney, Mr. Walsingham, Mrs. McWilliams and Mr. Braswell got in a huddle and decided that if at all possible the walls should be made permanently more attractive. Wood paneling seemed to be the solution but to complete such a job would necessitate considerable expense. A solution was found, however—John Dolcator of the Kraus Lumber company and a friend of our president solved the problem by furnishing the lumber to redecorate the cafeteria. Mr. Dolcator not only furnished the lumber but had it milled to the correct length. Attractive mirrors and rustic side lights helped to add a spirit of cosiness and warm spirit.

Having the idea, making the plans and getting the lumber were only parts in the complete production of such a fine job. It took the combined efforts and effective work of Mr. Walsingham and his expert crew of helpers to give us the splendid new cafeteria finish we so much appreciate. Let's all support our cafeteria!

T. U. GOES FORWARD

The improvement campaign is on, students. Whether you have noticed it or not, there have been a number of marked improvements about our campus lately.

The greatest improvement has been in our cafeteria. Almost overnight it was transformed into a very cozy home-like eating place. The marked improvement in appearance and the plan to install a wider variety of food and to be served by waitresses has met with an enthusiastic approval by the students. Besides all this there was the installation of our much needed lobby phone and the successful oil heaters in the juke room and the library. We have also heard rumormore of a swimming pool and gymnasium on our campus that will materialize when the opportunity presents itself.

TO THE DRILL DODGERS

It is all right for those of you that have legitimate excuses from the Dean's office to miss military drill. It is to those of you that miss because of sheer laziness or hard-headedness that this is directed. This military training has numerous advantages. It gives you a chance to get good, much needed exercise, since we have little chance for exercise while coming to college. Then there is the fact that later when you are drafted or volunteer into the military services of our country, this primary training you are receiving now will make it possible to advance and learn more rapidly.

In case you don't know this training is coming along fine and to keep it that way full cooperation is a necessity.
D. R. C.

DEFENSE SAVINGS BOND AND STAMP DRIVE

Today, within the University, a Defense Savings Bond and Stamp Drive is beginning. The success of this drive depends upon you, as an individual. It can be a success only if you cooperate by buying bonds and stamps.

There is a booth in the Book Store and a girl to sell at all times.

Carroll Thomas, as head of the committee, is counting on your wholehearted support.

In this small way we can help our country in its time of need. Let's do our part.

COMMUNITY CHEST

Each year the city of Tampa takes part in the Community Chest drive. This drive is to raise funds for care of the needy, give care to the sick, and sponsor welfare work in general.

It is the duty of every citizen of Tampa to do his part in making this drive a success. The Community Chest makes Tampa a better place in which to live—it enlightens burdens and brings cheer to many who would not have it otherwise.

Come on, students! Be good citizens. Back your Community Chest drive!

Daughter's Day

This Week In Defense

It may be of interest for some of us to note that President Roosevelt, in a letter to state governors has proposed that speed limits of 40 miles per hour be established throughout the country to conserve on rubber.

Furthermore, our President has proposed that each enact regulations requiring the frequent checking of tires to insure repair and retreading at proper times.

Whenever in this emergency a certain regulation concerning the rationing of personal things comes about we should accept this rationing as a means to bring about a victorious close of this war at an early date. Too many of us take these regulations as asking us to make additional sacrifices.

It is well that we read the following words recently spoken by the commander-in-chief of our army and navy: "On the road ahead there lies hard work—gruelling work—day and night, every hour and every minute... ahead there lies sacrifice for all of us."

"But it is not correct to use that word, The United States does not consider it a sacrifice to do all one can, to give one's best to our nation, when the nation is fighting for its existence and its future life."

A little later in the same speech he continued: "It is not a sacrifice for the industrialist or the wage earner, the farmer or the shopkeeper, the trainman or the doctor to pay more taxes, to buy more bonds, to forego extra profits, to work longer or harder at the task for which he is best fitted—rather is it a privilege. "It is not a sacrifice to do without many things to which we are accustomed if the national defense calls for doing without it."

Dr. Lantz Has Active Part in Defense Work

As a member of the state committee of nutrition, Dr. Amelia Lantz had an active part in helping plan Nutrition Week in Florida which was proclaimed by Governor Holland.

Dr. Lantz also spoke on the national state and county war organization of nutrition over station WFLA. With Miss Melber, Dr. Lantz represented the university home economics department at the district nutrition meeting in St. Petersburg.

Dr. Lantz and Miss Melber spoke at the meeting of the American Association of University Women last week, the former speaking on "Nutrition", the latter on "Consumer Education."

RING DANCE IS BIG SUCCESS

T. O. Dates Receive Frat Ring

The Tau Omega fraternity held its third annual ring dance and banquet at the Hillsboro hotel roof garden March 13. The banquet was highlighted by the unique and exquisite decorations which consisted of three floral arrangements of pink roses, blue delphinium and white narcissus, depicting the ring theme.

The president, James Whitehead, introduced the honor guests: Jack Williams and Miss Suzanne Jackson; Ed Howell and Miss Wanda Waters, and Roy Pinch. Jacob Dunn, of Savannah, former fraternity president, was introduced and given an ovation.

Professor Willard B. Phelps, faculty advisor, who escorted Mrs. Phelps, was presented a gift by the fraternity. Dean Harry Dobson, honorary member, and Mrs. Mary Haverstick Givens were also introduced. Mr. Whitehead then presented the sponsors, Sarah Barnes, Bunny Wolf and Marilyn Aungst with bracelets.

The outstanding event of the dance was the impressive "ring dance" in which members and their dates passed through a large silver ring as the orchestra played the fraternity song, "Roses of Picardy." Each member, as his name was called, took a small ring, bearing the emblem of the fraternity, from the large ring and placed it on the finger of his date.

Dances were reserved for the Sigma Kappa Nu, Beta Chi and Rho Nu Delta fraternities.

This affair is always a memorable one and is already being anticipated for next year.

I. R. C. Material Is In Browsing Room

Through the kindness of the International Relations club, material in the Browsing room has been augmented by the placing in the room of the club's collection of books, pamphlets and magazines, making available to all of us this material which has, heretofore, been used by club members only. This collection is for use only in the browsing room.

Much up-to-date information on national and international affairs is included, furnishing excellent background data on the present war.

STATIC

Did you ever see such a big family as the Skins are proudly boasting of today? And Sooky is so cute in her "big-sister" role.

We sure are sorry to lose Collins Whitehead. He leaves quite a place for someone else to try to fill—especially a place in Elsie's heart, which we're betting won't accept substitutes.

Another Collins was in town for a while last week. C. Johnson, we mean, who is now with the parachute battalion. When asked how he felt on his first jump, Collins replied with his usual show of enthusiasm, "The same as all the other jumps." We sure miss Collins around this year, but he's doing right by our Uncle Sammy, so we've no kick coming.

Moffatt is about to lose her head completely trying to find a time when all her dancers can practice. Bud Reinert always manages to be rowing when a rehearsal is called. But since our boys did so well in their race Saturday, we can overlook that.

Dan Shaw kinda wandered away from the co-eds when Cupid nailed him. He's pinned Judy Alexander, a student at Hillsboro Hi. Another of our boys who's true to his first love is Howard Turner, who has been "going steady" with a girl back home for five years.

Something new has definitely been added in the case of Bettie Berlin. It's a lovely diamond, and we hear she and Don are taking the big plunge next month. Vic Hatch and Marian Buffa are also members in good standing in the "rock society."

Jack Williams is in possession of an article which he thinks is pretty valuable—at least it's made of rubber. He's offering it for sale to any girl around Tampa U. who likes to be patriotic. It's the red, white, and blue decorated you-know-what Charlie Heinmiller wore at initiation.

Jimmy Whitehead really was a big dealer, at least one night last week. He talked to Rosalyn, his girl friend in Columbia, Ga., for six minutes on the 'phone. Of course, Jimmy is a big shot all the time anyway.

COLLEGE ON \$1.00 A DAY

Food: Sponge it off your relatives in town. \$0.00.

Room Rent: Keep the benches warm. \$0.00.

Laundry: Do your own. \$0.00.

Entertainment: Sunday concerts in park. \$0.00.

Cigarettes: Bum from your friends. \$0.00.

Clothes: Borrow roomies. \$0.00.

Beer: Get some apple juice in the book-store. It is so old it has fermented. \$0.00.

Haircuts: Use the old bowl. \$0.00.

Cokes, dates, jooking. \$1.00.

SIGMA EPS BEAT BETA CHI

Tau Omegas Defeat Sigma Kappa Nus

Playing very fast ball, the Sigma Eps defeated the Beta Chi's for the first time by a score of 16-11. The game was one of the hardest fought during the entire tournament, the Beta Chi's trying to keep up their winning streak.

Cryan and Del Donne, forwards, and Testner, guard, shared the top-scoring honors for the Sigma Eps with four points each.

Rippa, forward, chalked up six points for the Beta Chi's to lead the scoring of his team.

An excellent Tau Omega team beat a very much improved Sigma Kappa Nu team by the score of 16-11. With both teams playing cautious basketball, the scoring was very evenly divided between all of the players. Every member of the T. O.'s scored at least one basket.

Munson, guard, lead the Tau Omega team's tallying with six points, while Shaw, forward for the S. K. N.'s, made six points also. The Sigma Kappa Nu team played some of its best ball, although defeated.

The Sigma Epsilon team continued its winning streak by defeating the T. O.'s, 24-17. It seems that the more games that they play, the better the Sigma Eps play. Evidently practice does make perfect, at least in this case.

Testner and Munson, forwards, lead the scoring of the Sigma Eps by scoring seven points each. These boys played very good ball throughout the game.

Lee Beinhorn, forward for the Tau Omega's, headed the top scoring list with three baskets and one free throw to his credit.

At this stage in the University of Tampa basketball tournament, the Beta Chi's and the Sigma Eps are tied for first place. They have both won five games and lost one.

The box scores for the above games are

Player—	Pos	G	F	TP
Beta Chi				11
Rippa	f	0	6	6

SPARTAN SPORTLIGHT

The heavyweight championship of the fourth floor was decided recently when "Two Ton" Layfield and "Abe Simone" Weiner changed blows. The outcome of their struggle is not definitely known, but if looks were to decide the outcome, Weiner had to wear dark glasses for several days.

Two scholarship boys, Bud Fuller and Art Spoltore, recently passed physical exams to become members of the United States marine corps reserve. These boys will be followed by Willard Knight, Paul Straub, Jules Fantei, John Clements and several others, who will journey to Orlando next month to take the exam. Knight, wanting to be sure he passed the exam next time, had a minor operation on his thumb.

Recent visitors to Tampa U. were Bill Brennan, uniform and all, Tom Albers, a cadet, but without his uniform, and Bob Bowen. Bowen is an officer in the infantry, but will transfer to the air corps in a couple of weeks.

Spring football will start again in less than two weeks. The fellows are anticipating a great time, since they heard Coach Joe Justice is bringing in about 25 or 30 high school boys for tryouts. If there is anything they like better it is to deflate the heads of some high school stars.

Gregory "Doc" Lucas dropped in overnight last week to take his physical for draft classification, and to see "his boys." Doc will be back next year to tape ankles and so forth, and Coach Justice will find a very valuable man. We all like the "Little Doc."

Muezzin To Be Published in Magazine Form

A plan to publish this year's "Muezzin" in magazine form, was discussed at a meeting of the editorial staff of the Quill club in Dr. Cramer's office last Thursday night. The magazine is a yearly publication of the club. It is printed to present student expression through poetry, short stories and essays on any subject the student may choose to write on. All students or faculty members who are interested in writing are urged to submit manuscripts, on or before Friday, April 10. Those submitting manuscripts used in the "Muezzin" automatically become members of the Quill club. The editorial board is made up as follows: Dr. Cramer, faculty advisor, Mirium Quarles, editor, Don Cameron and Klemme Jones, business managers, and Geoffrey Sterling and Alice June Wright, manuscript readers. Geology "Studes" Dig Up Fossils In Old Quarry

Last Monday morning several geology students went on a field trip to an old quarry near Brooksville. Here they dug up many fossils.

After they left the quarry, they went to a cave north of Brooksville, near Chinsegut. They tied a rope to

a large tree near the entrance to the cave, then they started down. At one point they were 160 feet below the ground. Although it was one of the coldest days, the temperature inside the cave was very warm. They saw many pools, the water in which was so clear they could see to the bottom of one which was 95 feet deep. They noticed many albino crawfish in these pools. The boys found several openings near the back of the cave.

Those making the trip were Mervin Beattie, R. B. Fordyce, Carl Lauther, Bill Hebert, Joe Mills and Prof. Willard B. Phelps.

Sigma Theta Phi Sorority To Hold Kid Dance Friday

A "kid dance" will be given by the members of the Sigma Theta Phi sorority Friday night at 8 o'clock in the university ballroom. The dance will be open to the public and those attending are urged to wear "kid" clothes. The ballroom will be decorated according to the theme of the dance.

Hostesses for the affair will be the Misses Dorothy Bickner, Marilyn Aungst, Betty Savu, and Shirley Abell.

At a recent meeting of the sorority plans were discussed for the beach party and for future affairs of the group. On Sunday afternoon the pledging service was held for Miss Angie Spoto who was unable to attend the former service.

Varsity Show

(Continued from Page 1)

of the show will be the following couples: Mary Collura and Pat del Conne; Guila Bottari and Leslie Lowery; Bette Campbell and Doyle Bluemle; Olga Martinez and Joe Hagey; Virginia Morris and Warren Watson; Nouna Hitchcock and Bud Reinert; Elsie Gill and George Curry; Fannie Mae Belagaw and Joe Cermeno; Dot Giles and Harry Hill.

One part of the show will depict the evolution of the dance band from the honky tonk piano player to the modern swing band through the various distinctive styles of Dixieland, Blues, Rag-time, Corn, Jazz, Sweet Swing, Swing and Boogie Woogie which will climax the entire show.

"South American Way" will be sung by Jimmy Whitehead, who portrays the personality of Caramel Veranda (Carmen Miranda). "Recitation in Rhythm" will be given by Daisy Lewis and Joe Mills during the evolution of the dance band.

Those working on the script are Bill Hayes, Virginia Morris, Steve Solak, Gloria Runton, Lee Beinhorn, and James Whitehead.

THEY'RE 'KID HOSTESSES'—These four 'campus kids' will be hostesses for the Sigma Theta Phi sorority "kid dance" Friday night. They are, left to right, Marilyn Aungst, Betty Savu, Shirley Abell and Dorothy Bickner.

ALPHA GAMMA HOLD PARTY

Pledges of the Alpha Gamma sorority honored the members of the sorority and their dates at an informal party Saturday night at the home of Eloise McSwain.

Entertainment consisted of a treasure hunt, bunco playing, dancing and singing.

You trust its quality

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY TAMPA COCA-COLA BOTTLING COMPANY

There's something pleasantly exciting about ice-cold Coca-Cola. Delicious taste that charms and never cloy. Refreshment that brings a happy after-sense of thirst contentment. You trust the quality of the real thing ...Coca-Cola.

FASTER than the blink of any human eye, the amazing stroboscopic camera catches Dorothy Lewis in one of her brilliant routines on the ice of the Iridium Room in New York's Hotel St. Regis.

B. J. Reynolds Tobacco Company, Winston-Salem, N. C.

1/30,000 OF A SECOND!

It takes high-speed photography to "stop" Dorothy Lewis's flashing blades, but it's easy to see her preference for Camels

DOROTHY LEWIS studied ballet from the age of 4, and her routines on the ice combine the artistry of the dancer with the speed of the skater. Her cigarette combines extra mildness and flavor. She smokes slower-burning Camels.

MISS LEWIS works out all her routines first in ballet slippers. Many's the Camel cigarette she smokes as she relaxes. "Yes, I smoke a good bit," Miss Lewis says. "I've found Camels milder by far. And with their full, rich flavor, Camels always taste so good."

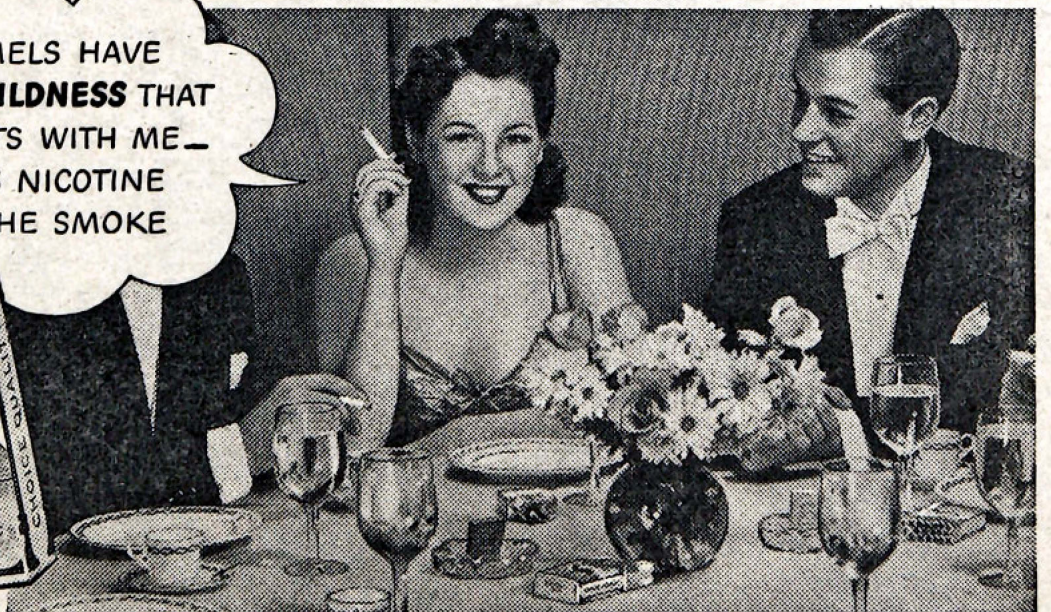

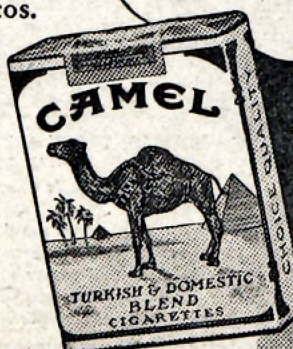

"The more I smoke, the more I appreciate Camels," says Miss Lewis at a late supper with friends at the St. Regis. "Their cool, rich flavor is all the more enjoyable because Camels are so mild—with less nicotine in the smoke." You, yourself, try Camels. You'll like everything about this slower-burning cigarette of costlier tobaccos. You'll like that grand flavor—and you'll like knowing that there's less nicotine in the smoke (see below).

The smoke of slower-burning Camels contains

28% LESS NICOTINE

than the average of the 4 other largest-selling cigarettes tested—less than any of them—according to independent scientific tests of the smoke itself!

CAMELS HAVE THE **MILDNESS** THAT COUNTS WITH ME—LESS NICOTINE IN THE SMOKE

CAMEL the cigarette of Costlier Tobaccos
