

# Alumni Bulletin

PUBLISHED BY THE UNIVERSITY OF TAMPA ALUMNI ASSOCIATION

FOR APRIL 1951

## You Are Eligible To Be A Member

In order to answer inquiries as to who is eligible to become a member of the University of Tampa Alumni Association, the following information is given.

It is not necessary to be a graduate of the University of Tampa in order to become a member of the Alumni Association. The Alumni files are set up as "Graduate" and "Non-Graduate" Alumni, which means that enrollment for one semester in a regular college credit course at the University of Tampa is all that is necessary for participation as a non-graduate member. As you can see, this opens the way for a very large membership, with a consequent strong Alumni Association. It has been estimated that a potential membership of 8000 is currently available to this Association.

The Alumni office has information cards on approximately 1500 former students, and is striving in every way possible to get further information that will increase its files. Of course you know that the easiest way for us to get this information is for you to mail in to us here at the University any change of address, change of name, or other information about yourself, and if you know of someone who could be a member, let us know that, too. Since participating members are the lifeblood of this organization, it cannot be stressed too strongly how vital it is that you help us assume the responsibility of adding to the membership. We are interested in you here at

Arrangements have been made for the Alumni Bulletin to be published as a part of The Minaret in the future. This will give the Alumni members news of the school, and will acquaint the regular students with the activities of the Alumni Association. It will come to you monthly, and we solicit contributions from any member.

## Alumni Members At Tallahassee

We are justly proud of the fact that the Alumni Association boasts two members who from now on out will be entitled to have their mail addressed to them as "The Honourable" rather than just plain "Mr." They are none other than F. S. Clair Pittman and Tom Johnson, who were elected as State Representatives for Hillsborough County at the polls this past May, and are now at the State Capitol where the 1951 Session of the Legislature has convened.

When we asked Clair's wife, Alumna Lola Jane, if she were going with Clair, she said "Sure, and the four boys are going, too." Newlywed Tom is going to beat the housing shortage by taking his own trailer.

We feel confident that these two are giving careful consideration to each measure that comes before the Legislature and will do their utmost to serve honorably and wisely the best interests of the people of Hillsborough County and the State of Florida.

### HERE AND THERE

Recently welcomed back to Tampa alumni folds is Mrs. Frank Robinson, Jr., who with husband "Monk" and baby daughter are currently residing at 3810 San Juan St.

Mrs. Walter Douglas, the former Loraine Oglesby, left March 23 with baby daughter, Beth, to return to Chicago, Ill., after a short visit with her parents.

## Let's Go, Alumni! This Is THE Game

Friday night, April 6, the University of Tampa Spartans are playing the University of Miami Hurricanes at Phillips Field, and we, the Alumni Association, are sponsoring the game. For weeks a hardworking Athletic Committee headed by Crockett Farnell, as Chair-

### Alumnae Chapters Give Rush Parties

Two of the Alumnae Chapters of University of Tampa sororities aided their active groups during the recent rushing period by giving parties.

The Delta Kappa Alumnae gave a party at the Villa del Rio, the theme of which was an "Indian Oiw-Wow." In the pavilion was a teepee and games were carried on there. The food was very appetizing, being chicken and yellow rice. Jean Myers and Hilda Mills did the honors, and fun was had by all.

Sigma Theta Phi Alumnae members assisted with the annual Hobo Party which is traditional with this group. Hobo dress was used for the party, with active members taking care of the entertainment and atmosphere, and the alumnae providing refreshments. Alumnae members are planning a canasta-bridge party for the last week in April, with Nancy Taylor in charge of the committee on arrangements. Included on her committee are Mrs. J. D. Cox, Mrs. James Ghiotto, Mrs. Harold Campion, Mrs. George Lyons, and Mrs. W. F. Jenkins, Jr.

Yvonne Mills, Gus Muench, Carlisle Hutchinson, Margaret High Selph, George Corrigan, Frank Accurso, Myrna Wallace, Dorothy Knight, William C. Henry, Alice A. Campion.

Six of our Alumni are attending Stetson University, but write that they certainly want to maintain their University of Tampa Alumni membership and be on our mailing list. They are: Gerald A. Arnowitz, Michael J. Buscemi, Frank Ragano, B. C. Sidwell, Vincent Thornton, and Clayton M. Tittsworth.

Jeanette Andrew, Gettis Smith, June Bryan, Shirley Stevens, Clifford E. Hammond, C. V. Handley, Mary Frances Manucy, Alexander Kaiser, Virginia Watson, Genevieve Gumaer, Milford Rhines, Clyde Bergwin, Lyle Chamberlain, Gus Jimenez, Leone Johnson, Robert Clinton, W. Kendall Baker, Manuel Miranda, Jim Whitney, Marie M. Whitney, James E. Hackney, George A. Canary.

Lucian C. Martinez, W. G. Gun-Moe, Joe Carr, John Eddison, Stel-

man, has been in there fighting to get this game lined up, and it is felt by many that the support given this game will largely determine whether or not we will have football at the University again next year. Crockett says he really appreciates the hard work of Rudy Rodriguez, Bill Fisher, Dr. Paul McCloskey, Braulio Alonso, Clyde Bergwin, Bud Pepper, and others, and sends this urgent message to the members of the Alumni Association:

"We are soliciting the help of all members of the Alumni Association in an endeavor to make this game a huge success. As you know, this year the Alumni Association undertook the project of financing the training table in order to have athletics at the University. It has been a terrific load on a few to raise the money necessary to feed the boys on the football team, but we feel that the fact that the Alumni Association stuck to their promises even though the going was tough, contributed a great deal to the team. We particularly wish to acknowledge the fine cooperation we have received from Paul Myers, Athletic Director of the University, to help put this game over."

Tickets to be sold by Alumni members may be secured from Paul Myers at the University Athletic Building, or call any of the above-named committee members. But by all means, COME to the game yourself and see that somebody else comes, too.

**LET'S MAKE THIS GAME AN OUTSTANDING EVENT OF THE WEST COAST!!**
