

# Falk features 'Funny Girl'

The Cinderella story of the ugly duckling who became America's favorite Funny Girl will open at the University's Falk Theatre at 8:30 p.m. Saturday, March 22, when the national tour production of "Funny Girl" makes its first and only appearance in this area.

Tickets to the fourth presentation in the Theater Artists Series are free to students and are avail-

able now at Falk Theatre.

The play is a musicalized biography of one of the greatest stars to walk down Florenz Ziegfeld's staircase in the revues dedicated to "Glorifying the American Girl," but Fanny Brice was no beauty. She was gawky, clumsy and gauche, as well as being the funniest girl of our time. In addition, she was the singer of such

## Wiley Resigns

Dean of Women, Betty Wiley, announced her resignation last week effective with the coming academic year.

Dean Wiley, formerly dean of girls at Tampa's Plant High School and originally a math teacher, has been with the University of Tampa for three years. During this time, she has served as advisor to the Student Govern-

ment Association along with Dean of Men, Alvin Terry.

"I don't know yet where I'll go from here," she commented, "but I'll be at the University until August, so I'll have plenty of time to look."

She added, "I've enjoyed working with the students here; I've always tried my best."

## Calendar change for fall

by Mike Hyman  
Staff Writer

A three week Christmas vacation! School ending the first week in May! Sounds impossible doesn't it? It's not according to Dr. Harold Grutzmacher, vice president for academic affairs. Starting next semester, a revised calendar will go into effect at the University of Tampa.

Under the new calendar, registration will be Sept. 3-5 with classes starting Sept. 8. Pre-enrollment deposits for the next semester will be due Dec. 3-5, with pre-registration Dec. 8-10. Final exams will be held Dec. 13-18, with graduation Dec. 21. Registration for the next semester would be held Jan. 14-16, with classes starting Jan. 19.

Final exams will be held May 2-7.

With the new revised calendar there will still remain the normal holiday schedule for Thanksgiving, Christmas, Gasparilla Day and Easter. However with the Christmas vacation there will be no need to return for finals, since the finals will be over with before the vacation period starts.

The semesters will remain the standard 16 (Continued on Page 2)

## Delo cites need for dress code

By John J. Kearney  
Staff Writer

President David M. Delo, in a recent interview, reiterated his feelings concerning student dress and its effect upon the University.

Delo made it clear the very existence of the University can be dependent upon the student and what he represents to the community. "It is from this representation the community derives its opinion of the University and ultimately pledges or withholds much needed support, he said. "Without this support progress is stifled and existence is threatened.

Delo feels the student as a member of a private institution has acknowledged willingness to obey certain rules that are of mutual benefit. These are rules designed for the majority and to guide the minority.

A neat and clean appearance is impressive, he added. "Running wild without any guide lines is not the solution. Therefore it is desirable to have a dress code to insure perpetuation of the standards adhered to by the University and the majority."

## The Minaret is great any way you look at it

## Betty Wiley will be missed

We'll miss you, Dean Wiley.

We've had our differences - and aired them, because we knew you'd listen.

You've heard us demand change and things changed since you've been Dean of Women. Curfews were extended, dress regulations relaxed (a victory for sweat-shirts), women were allowed to live off-campus.

Yours is an unappreciated job. It seemed you were caught in the middle. It fell upon you to explain our feelings to other administrators, then give us their reply in return. Either way, you would bear the brunt of criticism.

You were never inaccessible to any girl who needed help. Invariably those who turned to you felt they had been treated fairly.

We will continue to demand change from your successor. We hope she will also listen.

## 'Funny Girl' here

(Continued from Page 1)

songs as "My Man" and "Rose of Washington Square."

The score that Jule Styne and Bob Merrill created for "Funny Girl" doesn't contain any of Fanny Brice's old numbers. Instead they have created new ones, notably "People." Other songs include, "You Are Woman," "Sadie, Sadie" and "Don't Rain on My Parade."

Isobel Lenmart's book

for Funny Girl tells of the comedienne's early days in the theatre and her career during and after World War I as star of the Ziegfeld Follies. Early in the show Fanny sings "I'm The Greatest Star," but it is only to convince herself, since she has just been fired from the chorus of a lower East Side music hall.

## Financial aid loans extended

The deadline for applying for Financial Aid in the form of applying for either scholarships or NDEA loans will be extended. A new combined application form has been designed and will be ready for distribution after April 1st. Students who desire to apply for the above, please come by the Financial Aid Office and pick up the NEW applications, after April 1, 1969.

## Calendar change explained

(Continued from Page 1)

weeks with one week allocated for registration and final exams and fourteen weeks for the academic year.

A two session summer school program is also in view with each session lasting six weeks according to Dr. Grutzmacher.

## OPINION

### VIGIL PLANNED

On April 12, 1969 there will be a twenty-four hour, nation-wide, peaceful vigil to express American student opposition to the war in Vietnam. The protest will begin on each college campus across the nation at nine-o'clock Saturday morning and will terminate twenty-four hours later.

In order for this to have the necessary national impact it is essential that your college or university or you as an individual support this movement.

Take the initiative on your campus and organize a peaceful vigil. On April 12 congregate in mass and in your own way show your concern with American involvement in the war.

For further information contact: Mike Carlis, 253 E. Wheeling Street, House C, Washington, Pennsylvania 15301 - phone: 222-9554, area code 412.

### RELIGIOUS MOVEMENT

With the coming of Father Leo van den Oetelaar, who is the "messiah" who resurrected the once dying Newman Center on campus, religious minded students have been looking toward a way in which they can participate even though they are not Roman Catholic. In my talks with Father Leo about this matter, the idea of an ecumenical movement on campus and a joint effort of all the religious organizations to get together seems to be a very intriguing project, as well as a very profitable one. We would be able to do so much good by putting our heads together, dissolving the archaic prejudices between denominations and coming up with an organization which would have the potential of being one of the most successful groups that could exist on this campus.

Many of the problems between denominations are ones in which all we would have to do to dissolve them would be to get together and talk them over. Dissolutions could be a vital part of such an organization. In learning about one another's ways and beliefs, we could learn about ourselves and how much alike all the religious denominations are.

If you want to put your religion to work for you and not just be a "Sunday Christian" or a "Saturday Jew", and if you want to gain a better understanding of what you believe, why you believe it, and how you could strengthen your belief it would be to your advantage to get active in this campaign.

It is my hope, as well as the hope of Father Leo, that someday we could hold inter-denominational services on this campus. We need people to get the ball rolling. Father Leo is available at the Newman Room, Room 1 on the circle.

Jewish students can get in touch with Rabbi Zeilonka. Methodist students can get in touch with Rev. Doggett at the Hyde Park Methodist Church. Christian Scientists can get in touch with Mr. Sparrowhawk or at the First Church of Christ, Scientists. Baptists can get in touch with Judy Woolridge at the B.S.U. room 15 on the circle on Thursday evenings. There are Presbyterian, Lutheran, and Episcopalian groups on the rise.

Episcopalians can get in touch with me, Anthony Quaglieri, 210 W. Platt Street, 251-1616. I am in the Episcopal Student Center in Room 14 on the Circle on Monday's from 6-7 p.m.. Father Williams from St. Andrew's Church is also available.

It will be the ultimate aim of this organization to make human beings out of students, not to make students "holy joes". This organization will increase your gain on human fulfillment, increase your knowledge of the people around you, and bring to grips with your religious convictions. If there are any students who are interested in becoming instrumental in the formation of this movement please contact me as soon as possible.

Anthony Quaglieri

### WOMEN'S RIGHTS

My joy couldn't have been more complete when I read in the last issue of the Minaret that this fall coeds over 21 may request permission to live off campus. I have heard of this being done in the past, but when Delo Hall opened up this school year for coeds there wasn't a necessity for girls to reside off campus, and those granted permission were called back on. In all fairness, I hope the same procedure won't be repeated in the future. Once a girl is granted permission it seems poor ethics to take that permission away. If extra dormitory rooms are available it can be given to either new students or reserved for future use in the advent of room changes. It is not right that the 21 year old coed should suffer inconvenience and be bounced around like a yo yo on a string because of the University's need for money.

I fully understand Dean Wiley's ruling that students file for permission each year if they wish to continue living off campus. At least it is more comprehensible to recall a student once a complete new dormitory opens up and the student has resided off-campus for a year. But when a student has made arrangements for an apartment one month and finds out the next month that he or she must live on campus because of a matter of a few rooms being available, I cannot comprehend or condone.

Dean Wiley should be commended, for she must certainly feel that it is high time the University recognize that the 21 year old senior girl is an adult and should not be subject to some of the same rules that govern the female lower classman. I have always believed the 21 year old girl should have later curfews than the other girls on weekends, (and except for Delo girls) this has never been done. Dean Wiley pioneered the way by granting Delo girls a 2:00 a.m. curfew on weekends last fall. I have faith in future years that senior girls at Tampa University will be awarded and granted the full privileges so deserving of their class rank. After all—how many female students ever reach their senior year in college?

Cynthia Ann Wittsitt

# Food committee hears gripes

by Tish Schroeder  
Staff Writer

To keep the food price down and to acquire quicker and more efficient service for students are the goals of a food service committee established on the University of Tampa campus.

Students wishing to offer suggestions or complaints pertaining to the

food service, both cafeteria and snack bar, should talk to his dormitory representative or Chairman Bill James. The initial meetings have instigated the following changes: a coffee pot is now located in the main dining area at all

meals, a salad plate for "dieters" has been added to the serving line, both serving lines are now open for breakfast and on week-ends. There has been a rearrangement of the personnel and more variety is offered in the food, and an

adjustment in the dish washing equipment has been made. It has been suggested by the committee that the portions of food be increased, and "special" nights have been halted because of student disapproval.

According to James, the committee is working toward the approval of a food scholarship. This would be awarded to students authorized to be proctors in the cafeteria during meal time. The purpose of this would be to observe both students and personnel.

Committee members are Mrs. Charlotte Pratt, director of food services; Dean Betty Wiley, dean of women; Alvin Terry, dean of men; Morris Pennock, cafeteria manager; Andrew Gordon, head chef; Bill James, committee chairman and eight student representatives from the five dormitories.

The student representatives are: Howell Hall, Susan Heibner; Smiley Hall, Sue Huff and Susan Bashaw; McKay Hall, David Basarich and Cliff Devlieg; Lykes Hall, Jim Foye and Delo Hall, Lucy Avery and Bob Brittan.

## Hippie party Sunday

by Larry Bucking  
Staff Writer

A hippie party is scheduled for Sunday, March 23 at the UNDERGROUND. Prizes such as peace symbols, love beads and posters will be awarded to the best hippie, and popular records will be awarded to dance contest winners.

The party, featuring rock band, "42nd Street Candy Store," will begin at 7:30 p.m. There is an extended curfew until 11:15 p.m. for girls who present ticket stubs to the house mothers.

An advanced ticket sale in the student center lobby will be held all day Thursday and Friday. Admission is 50¢ per person and 75¢ for couples.

Record hops are held each night at the UNDERGROUND from 7:30 - 10:00 o'clock except on March 25 when there is an extended curfew until 11:15. The UNDERGROUND is run by the Program Council and managed by Gayle Levine, Alan Nadel, Barry Lydon, and Adrienne Luxner.

After Easter, the Program Council is bringing a meditation expert to lecture on man's relationship to the universe, mind ex-

(Continued on Page 8)

## Grutzmacher attends conference

by Mike Hyman  
Staff Writer

Dr. Harold M. Grutzmacher, vice president for academic affairs, recently represented the University of Tampa at the National Conference on Higher Education. The conference, sponsored by the American Society for Higher Education, was held in Chicago. The theme was "Agony and the Promise of America." Talks on such topics as "Moral Dilemma," "Higher Education," and "The Problems of American Life" were held.

## Chemistry lab revamped

by Dennis F. Hill  
Staff Writer

The acquiring of two new chemistry professors and the changing of the courses required for a chemistry major were initiated this year in the reorganization program of the chemistry department, according to Dr. Richard Narski.

Dr. Narski said the revamping of the chemistry facilities and the acquiring of a new professor to replace David Willis who will teach general science are also part of the renovating process.

Research, with undergraduates, said Dr. Narski, has begun this year with high hopes for the future.

Dr. Narski, who received an organic chemistry degree from the University of Iowa, has been added to the staff. Another new staff member, Dr. Donald Roe, received his degree in physical chemistry at the University of West Virginia.

The non-chemistry majors, starting this year, were able to take Chemistry 102 and 103 to fill their science requirements for graduation. Chemistry 102 and 103 deal primarily with a basic knowledge of

chemistry. Next year chemistry majors will begin with Chemistry 150 and 151 in their freshman year. Analytical Chemistry 200 and 201 in their sophomore year and Physical Chemistry 350 and 351 and Organic Chemistry 230 and 231 in their junior year. The Introduction to Chemical Research 450 and 451 will be their senior year requirement, Dr. Narski said.

The laboratory facilities, including an always improving library, were ren-

ovated to give the student the best possible working conditions. Three important laboratory pieces; the emission spectrograph, the infrared spectrometer and the ultraviolet spectrometer, were added to the chemistry laboratory, he added.

Willis, chemistry professor, will teach general science in the 1969-70 school term. Dr. David Ford, who is finishing work at Syracuse University, will replace Willis in the chemistry department commented Dr. Narski.

## Spanish room furnished

by Peter J. Marzouca  
Staff Writer

The Spanish Club undertook the project of decorating the Room of the Republics (Room 234, Plant Hall) which theme is the great liberation of the Latin American countries led by Simon Bolivar in the early nineteenth century, according to Dr. Eustasio Fernandez, club director.

There is a portrait of (Continued on Page 8)

Left to right: Dr. Delo, Dr. Fernandez and Dolores Bolivar, President of Spanish Club and a distant relative of Simon Bolivar. She is from Cuba. They are pointing at flag of Honduras.

# SGA election candidates

## Student Government President

### Jim Bernhardt

Jim Bernhardt, Junior Class President, wishes to announce his candidacy for the President of the 1969-1970 Student Government Association.

Since Jim has been at the University of Tampa, he has been very active in student life on this campus. He joined Pi Kappa Phi Fraternity during the spring semester of 1966 and has held numerous fraternity offices since that time. Last year, Jim was elected Junior Class President and was chosen to be the Chief-Coordinator of

Jim Bernhardt

the House of Representatives Research and Evaluation Committee.

An experienced man is what the University of Tampa needs in the S.G.A. Presidential office and Jim meets the qualifications. Jim knows what the students want and need, and he has been an influencing factor in the S.G.A.'s continuing attempt to change the dress code. Jim is a man who will work for the students, and will not become a puppet of the administration.

So remember, on election day, it'll be a sin if you don't vote for Jim (Bernhardt — President of S.G.A.). He's right for the job!

### Herb Knowlton

Herb Knowlton is a junior majoring in English and minoring in history and philosophy. In Herb's three years at the university, he has taken an interest in the various aspects of university life. The scope of his activities extend to the position of Student Government Vice President.

Herb Knowlton

As a Brother in Sigma Phi Epsilon Fraternity he has

held the office of Vice President. Currently Herb is the President of his fraternity.

Through the years Herb has become familiar with the procedure of student government. After one year as representative to the house he was elected Vice President of the Student Government Association. This year Herb was the chairman of the 68 Homecoming Committee.

As a liaison to the administration and student member to various standing committees, Herb has worked to promote the changes that have occurred. The experience he has gained is very necessary for a more efficient Student Government Association.

## SGA Vice President

### Jeff Onore

Sophomore class president Jeff Onore is one of two elected officers on this year's S.G.A. executive board who was a class officer last year. Aside from being a class president two years in a row, Onore has widened his scope and contributed greatly to University workings. Onore, in his two years at this school, has been co-chairman of freshman orientation and has been design-

Jeff Onore

nated to be chairman next fall, has served on the Special Events Committee and Minaret staff, and has been publicity manager for Homecoming '68, and was recently elected vice president of the Inter-Fraternity Council.

Onore said, "I have held these offices and have been pleased in the result. I am aware of the Administration's needs and feel that I have proven myself to the extent that any request I make cannot be ignored. I've done all the straight things — now I'd like to request some changes."

### Roger Sofer

There were many reasons why I chose to run for the office of Vice President of the Student Government Association. This position requires good leadership quality and the willingness to work hard at a job.

I believe that I have these

Roger Sofer

leadership qualities. It's hard to keep a fraternity strong, but it's even harder to start one. As one of the original AEPI's on this campus, you know that I enjoy a challenge. I am not the type of person who will sit by and watch nothing get accomplished.

Homecoming plays a very important part in our school year. I know that I can do the job that YOU want and do it well. All I ask is that you give me the opportunity to work towards the best homecoming the University of Tampa has ever had.

Remember! Vote as if YOUR entire homecoming depends upon it. It does!!

## Coed Vice President

### Donna Blaess

As candidate for Speaker of the House, Donna Blaess is the only qualified person. Any individual who has worked with her in any position she has held will testify to her competency, dependability, and ability to see any task through to a successful completion.

As Chairman of the 1968-69 Orientation Committee, Donna displayed her ability to organize and carry out any large scale responsibility. She devoted her time and energies to her obligation carrying it through until the last detail was in order.

Donna Blaess

Donna has never accepted a position for a name and then shunned the responsibility entailed as many persons tend to do. A clear example of this is not only the work she did with orientation, but her consistent dedication to the House of Representatives, association with the Moroccan Annual, and faithful willing execution of any job she has undertaken.

The merits of Donna's character are well known. Her opinions and ideas are

respected because those who know her realize she is not a flighty person and uses her judgment before she speaks. Donna is the most sincere candidate and the one who is willing to take on the responsibility as well as the title of Speaker of the House. She is enthusiastic and when elected will go many miles before she sleeps.

### Mary Pratt

Mary Pratt is a candidate for the Speaker of the House of Representatives. Her qualifications are many and well known for she has represented her fellow students as Vice-President of the freshman and sophomore class, delegate to the Southern Universities Student Government Association's National Convention. She has worked on and headed many important committees of the SGA, she served a year in the House of Repre-

Mary Pratt

sentatives and two years ago Miss Pratt had the honor to preside over the senate of the Legislature for the State of Florida in Tallahassee.

Mary stresses strong unification and individual as well as group student responsibility as the solution to an effective student government and as a formation which changes in policy can be made.

Miss Pratt's interest in student government does not stop with the school year, this summer Mary visited and met with leaders from seven colleges and universities. These meetings and others have enabled her to effectively constitute student government policies on our campus.

### Lynne Benson

Lynne Benson, a sophomore from Ft. Lauderdale, is running for Secretary of

Lynne Benson

the Student Government. Since arriving here her freshman year, Lynne has joined a number of organizations. She is a member of Alpha Chi Omega and was secretary of her pledge class. She is a current member of Civinettes and a voting member in Panhellenic. She was also in the House of Representatives from 1968-1969. She served for two years as a secretary in a high school organization and was also employed by the school district as a secretary.

Lynne has had a great deal of experience with and meeting the public through various employment since high school.

Lynne's interest in student government is a deep one with a concern for the students and a desire for a better student government.

### Liz Pica

Liz Pica, candidate for Secretary of Student Government is known to be a qualified and interested member of our Student Government Association. Her reliability and enthusiasm have been tried and proven through her active interest in Student Affairs.

At the recent Southern University Student Government Association convention, sponsored by the University of Tampa, Liz volunteered her time to work in the capacity of Secretary. She carried out her job efficiently and gained both experience and knowledge about Student Government affairs.

As a member of the House of Representatives, Liz has demonstrated her loyalty, interest, and sense of responsibility to the students she represents. Her attendance

Liz Pica

record has been almost spotless, and she is one of the two representatives from Howell Hall who have not been suspended for lack of attendance. Her attendance record alone testifies for her dedication and interest.

Many more words can be written about Liz Pica to describe her many qualifications for the office she seeks. She is organized, and is the type of person who will see her responsibility through to a successful completion. In conclusion, if you want a person who is qualified and has a sincere interest in the position she seeks — elect Liz Pica.

# Present campaign platforms

## Student Judge

### R. Scott McGrew

My name is R. Scott McGrew, and at the present time I am living on Treasure Island. I am pursuing a double major in philosophy and economics, and after graduation plan to go on to either law school or pursue philosophy further in graduate school. After graduation from Valley Forge Military Academy I attended Upsala College for two years, and transferred to Tampa the spring semester of 1968. I am vice-president of the Philosophy Club and a member of the Treasure Island Chess Club.

R. Scott McGrew

Having been a student here for three semesters I feel that it is time that the emphasis be shifted off of such trivia as haircuts and dress onto academic performance. As Student Judge I will have the opportunity to try to correct certain injustices that are hampering the full development of the students. College should be a place for fulfillment and enlightenment, and not a home-away-from-home corrective institution. It is a place of independence not of dependence. It should broaden the student's views, not deliberately stifle them. However, certain rules are necessary to avoid an anarchist state, and those rules I do plan to support with my decisions.

Thank you for any cooperation that you might be willing to give to me.

### Fred Pollock

Fred Pollock is a junior, history major from Newark, New Jersey. He served as Secretary of his pledge class in Theta Chi Fraternity. Fred is an associate member in good standing of Phi Alpha Theta, Honorary His-

Fred Pollock

tory Fraternity and is now serving as their alternate in the House of Representatives.

As a Student Judge, Fred will keep abreast of all that is happening on campus and will judge fairly and without prejudice in his proceedings.

## Sally Yavornick

In several of the positions that I have held at the University of Tampa, such as President of Alpha Chi Omega and Chairman of its Board of Standards, I have been placed in situations where I have had to judge the merits and the integrity of a number of students.

Sally Yavornick

"As a student judge, I would keep an open mind and ignore rumors. I would strive to act as a 'third person' — not as a student nor a friend, but as a judge, and insofar as my power allows, I will stand for due process of law.

The prosecutor in each case will have to prove to me as a judge that the person accused is truly guilty, for I believe that a person is innocent until proven guilty and that the accused has nothing to fear but the facts and that he will be given a chance to explain his case.

In the words of a famous judge, "Justice, with truth and an open mind as its foundation, can never fail to solve any case."

### Sue Zawaski

Sue Zawaski is a candidate for student judge. Her interest in working for the students is proven by her work as president of Civinettes, an active member and now president of Zeta Tau Alpha, member of the House of Representatives,

Sue Zawaski

and several other organizations on campus. Every job Sue has undertaken has been done with much enthusiasm and has been done well.

She is open-minded and will listen to both sides. She understands administrative policies and sees and feels the students' wants and needs. She, therefore, would have a workable communication which is so essential for this job.

The position of student judge is not one of prestige; it is a job of student concern. This is a job for someone that not only cares, but who also will take a firm stand for what he believes in. Sue Zawaski is the one

who will do this. She is competent, interested and ready to work for and with the students of this University as student judge.

## Senior Class Pres.

### John Livingstone

As the only candidate for senior class president, John Livingstone has expressed the interest and desire to have a job, get it done and do it well. The lack of interest displayed by the rest of the future senior class, proves that John (Stone) is the man for the job.

A Business major from Bloomfield Hills, Michigan, John has been an alternate to the House of Representatives, a member of the Orientation Committee for two years and is now serving as President of the Theta Chi

### John P. Livingstone, II

Fraternity. He also served as Social Chairman of the Fraternity.

The office of Senior class President is of great importance to the effectiveness of Student Government and the organization of the Senior class. John is the best man for the best senior class in the history of the university.

## Senior Class V. Pres.

### Jody Krueger

A history major from Cleveland, Ohio, Jody Krueger is a man with time and purpose. As a member of the House of Representatives he has gained valuable knowledge and experience. While pledging Theta Chi Fraternity, Jody served as Secretary of his pledge class. As an active brother, Jody is currently serving as Vice-President of the fraternity.

Jody has proved to be organized and effective as a leader and conscientious in his work. He is trustworthy and if there is a job to be

Joseph D. Krueger

done, he does it quickly and successfully.

As Vice-President of the Senior class, Jody will assist and support the President and take an active part in Student Government.

## Junior Class Pres.

### Tom Imms

Born in Philadelphia, Tom Imms now resides in Ft. Lauderdale. Tom came to Tampa University as a freshman in September of 1967. He played varsity football his freshman year and is currently a member of the J. V. Crew. This year Tom pledged Sigma Phi Epsilon Fraternity. As a pledge he held the office of Secretary of his pledge class. Tom, now a brother, holds the office of social chairman.

Tom academically holds a "C plus" average. He is carrying a double major in History and Economics. He hopes to attend law school after his graduation from the University of Tampa.

Tom would like to see a more effective and active liaison between the Administration and the Student Government Association. He expresses an active interest in improvements in the existing dress code and a more effective Student Government voice in school policies.

Tom Imms

He concerns himself with the passage of an up-to-date workable constitutional system for the betterment of the Junior Class. Tom states that, "Through the Student Government Association is the best way to act upon necessary changes and complaints voiced by the student body." Tom welcomes you to stop him on campus to ask him about his duties and aims. Rememoer, the "I" stands for interest. VOTE for TOM IMMS for JUNIOR CLASS PRESIDENT.

### Ed Lilley

An Economics and Business major from Wallingford Hills, Pa., Ed Lilley is a man of action. This has been proved consistently in his fine record since entering the university.

Ed served very effectively as President of the Spring '68 pledge class of Theta Chi Fraternity. As an active, he is now serving on the Board of Standards and Social Chairman of the fraternity.

Edward Lilley

Ed has gained valuable experience in Student Government as a member of the House of Representatives. He is currently an alternate for his fraternity in I.F.C.

Ed Lilley is conscientious and meticulous with a great interest in bettering the student situation on campus. He is running for junior class president.

## Junior Class V. Pres.

### Tony Gaudio

A sophomore Business major from Cleveland, Ohio, Tony Gaudio has the experience and energy to make Student Government an instrument of strength and power at the University of Tampa.

Tony gets his experience from many sources, he is Secretary and former Historian of Theta Chi Fraternity. He served on the Orientation Committee and was Chairman of the Registration Committee for the Florida State Student Government Association Convention. Tony has been active in the House of Representatives and is now serving on the House committee for the revision of the dress code. He is running for junior class vice president.

Tony Gaudio

Intelligence and organization contribute to a well-rounded and successful student government leader. In three semesters of college, Tony has had nothing less than a 2.0 average, being named to both the Dean's List and Honor Roll here at the University of Tampa and also at Bowling Green University. Tony is presently an active member of Ulema, the Scholastic Honor Society.

No one has exerted more energy and spirit than Tony as he cheered the football team on to victory, as the University's first "Joe Spartan."

### Mark Tand

A native of Syosset, N. Y., Mark came to the University in the fall of 1967 as a music major after graduating with honors from high school in that field.

In high school, he took a very active part in student government, holding such offices as sophomore vice president, junior class vice president and president of the student government in his senior year.

(Continued on Page 6)

# Election soon

(Continued from Page 5)

Since coming to the University of Tampa he has been representative of Lykes Hall for two years. A major portion of his time is spent

Marc Tand

on the fourth floor, singing in all the University vocal groups.

He can not make any far fetched promises for the next up coming year, but will try to serve his class in the best of his knowhow.

Regardless who you vote for in this election, PLEASE VOTE!

## Soph. Class Pres.

### Rodney Dobler

Rodney Dobler is 18 years old. He was born in Ocean-side, Long Island, where he still resides. He is majoring in accounting and minoring in economics.

Rodney realizes the time and effect that is involved in the office of president, he is willing to give of himself for the betterment of the student interest. He is interested in the present dress code and expresses his willingness to work for provi-

Rodney Dobler

sions. He feels the best instrument for change is through the Student Government. He will work to gain more student participation in administrative policies. Rodney believes that he is competent and can do a thorough job as sophomore class president. He also hopes that everyone will support the SGA by voting Thursday and Friday.

### Maureen Startt

Maureen Startt, a freshman from Baltimore, Maryland, is seeking the office of president of the sophomore class. Having various positions of leadership behind her in high school, and an active interest in clubs and student government at the University, she feels quali-

fied for this position. Maureen's most valuable qualification, however, is her honest concern for student government and student rights.

She started attending House of Representative meetings her first semester on campus and as her interest and enthusiasm for Student Government grew, she also attended the Executive meetings on Mondays. She was an active participant in the S.U.S.G.A. Convention which most of the representatives and officers failed to even attend. Through the structured discussions groups, and many informal consultations, she learned a great deal about the functions, operations, and responsibilities of a student government on a college campus.

But a more important item to Maureen is that the students realize their responsibilities and allegiance to their student government, through their officers.

Maureen Startt

Too many officers have been status-seekers and position holders which can only account for the apathy among the students. Maureen feels an obligation to her class to put her strong enthusiasm and ideas toward a working Student Government by being president of the sophomore class, 1969-1970.

Vote Maureen Startt, for a start in electing active officers.

## Soph. Class V. Pres.

### Andy Bers

Tennyson once stated, "The old order changeth, yielding place to new." As expressed in the recent dress, "Opinion poll," the student body of the Univer-

Andrew Bers

sity of Tampa want changes. The opinion poll also reflects student's deep dissatisfaction with their lack of participation in student affairs.

The basic flaw lies not with the students, but with

lack of power of the Student Government (SGA). The reasons for this is not the responsibility of its leadership or politics. The basic inefficiencies are built into the SGA structure, which does not permit itself a voice in the making of University policy; policy which should be decided by the students, faculty and administration.

SGA was formed because the administration realized that legislative bodies were necessary to convince students they were attending a democratic institution, thus creating the illusion that the student had an influence in his University. Actually, students and faculty have only the power to suggest policy to the school President and Board of Trustees.

However, now much is being done concerning social and academic reform.

I feel fortunate that as a member of the dress committee, I have been able to participate with the faculty and administration concerning the dress code. Out of these and other discussions with the administration, I feel confident in saying new ideas are developing and new policies are forthcoming.

Henry Clay once remarked, "I would rather be right than President."

Today with your help, I feel I can be both.

## Mary Jane Romeo

I am a second semester freshman and a resident of the city of Tampa. In the fall, I hope to serve my fellow students in the office of vice president of the sophomore class.

I sincerely believe I am qualified to hold this office. My qualifications include an above B average and a back-

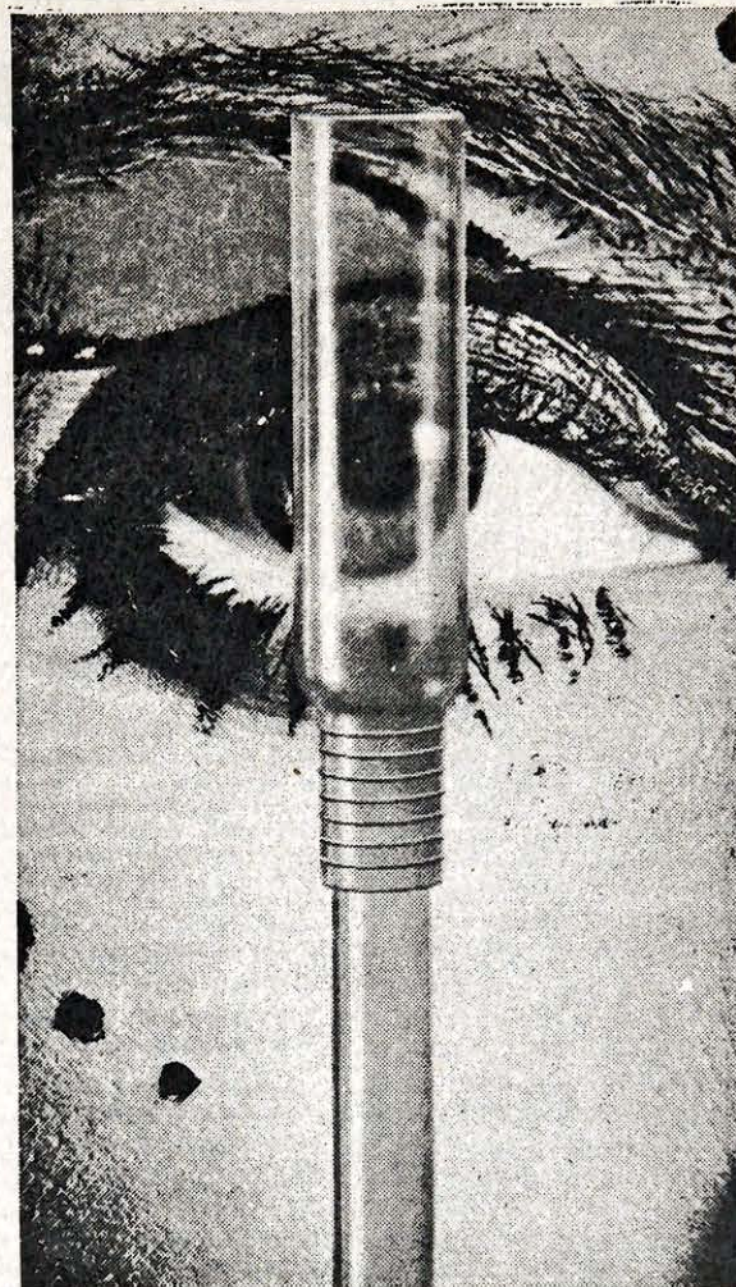

Mary Jane Romeo

ground in student government, attained through three years of active participation in high school student council.

My activities as a freshman at the University of Tampa include Alpha Chi Omega sorority and majorette.

## CLASSIFIED AD

RIDE TO NEW YORK OR BOSTON WANTED for Spring Break. Leaving around March 28. Call Nancy at 256-9771.

## Playtex invents the first-day tampon™

(We took the inside out to show you how different it is.)

Outside: it's softer and silky (not cardboardy). Inside: it's so extra absorbent...it even protects on your first day. Your worst day!

In every lab test against the old cardboardy kind... the Playtex tampon was always more absorbent. Actually 45% more absorbent on the average than the leading regular tampon.

Because it's different. Actually adjusts to you. It flowers out! Fluffs out. Designed to protect every inside inch of you. So the chance of a mishap is almost zero!

Try it fast. Why live in the past?

## Canned heat 'spirited'

by Larry Bucking  
staff writer

The five members of the Canned Heat, California's contribution to contemporary blues, were interviewed before their performance recently at McKay Auditorium. Their Tampa debut completed a tour of Florida cities consisting of Miami, Orlando, Cocoa Beach and Tampa.

Al Wilson, "The Blind Owl", plays guitar and harmonica, and sings lead in "On the Road Again", "Goin' Up the Country" and "Time Was". Bob Hite, 24, has performed with several jug bands. He's known as "The Bear" a name given to him by P. J. Proby. Drummer Frank Cook has worked with Shirley Ellis and Dobie Gray, as well as jazzmen Chet Baker, Elmo Hope, and Charlie Haden. Bassist Larry Taylor has backed the Monkees on many of their hits. As a studio musician, he is in great demand. Lead guitarist Henry Vestin was formerly with the "Mathers."

"The Bear" declined an interview as he had laryngitis and wanted to save his voice for the show.

QUESTION: How do you classify your music?

AL: Its blues influenced, not pure blues, but close. "Genesis is the only exception."

QUESTION: Who inspired your music?

AL: John Lee Hooker.

QUESTION: Do you prefer performing live, or doing studio work?

AL: We enjoy both. Each has its good and bad sides.

QUESTION: How do Florida audiences appeal to you?

AL: Excellent - we love the South. It's one of our favorites.

QUESTION: Jimi Hendrix wasn't pleased with his reception down here.

AL: Well, the audience didn't like him, so he didn't like them. It was a mutual feeling.

QUESTION: I've heard many groups compare you to the Cream. How do you feel about that?

AL: We're similar when

Clapton leads. Its more blues than rock. When Jack Bruce leads, its more rock than blues.

QUESTION: How did you like doing the Miami Pops Festival?

AL: We loved it; performed better than usual.

QUESTION: I saw you on "Happening '69" and it seemed like sort of a joke.

AL: It was a big joke. You can't pretend to play live. Once we sat and read  
(Continued on Page 8)

## Kirk kicks off project '70

Reelected for president of the Young Republicans Club was Lester Wolfe: Peter Burch, Vice President: Bill Fields, treasurer: Cathy Carter, Recording Secretary: and Beth Fairclough, Corresponding Secretary. The Young Republican's representative to the House will be Bill Fields, and as alternate Beth Fairclough.

The Young Republicans of the University of Tampa require 9,000 signatures on the Ballot 70 Project petitions requesting that the voting age be lowered to 18 years. The out off date is June First: 200 signatures were secured March 7, and 8 at West Shore Plaza and Britton Plaza.

Monday February 24, Governor Kirk spoke at The Hawaiian Village: UTYR's attended. It was there that they had their kickoff for Project 70: Cathy Carter addressed the various YR's clubs attending.

The District II Board of the CYR's met at USF March 9. Attending from Tampa were Peter Burch, delegate for UT, Cathy Carter, Campaign Chairman for the district, Bill Fields, and Beth Fairclough; District II Vice Chairman.

Meetings are held on Thursday at 9:00 P.M. for all students who are interested in becoming active in The Republican Party.

## Drama loan granted

Cornelius Callaghan, retired engineer and philanthropist of New York City, has donated money to the University of Tampa to be used as a loan-scholarship for students majoring in Speech and Drama.

Callaghan, a friend for many years of Miss Blanche Yurka, star of stage, screen and televis-

ion, has stipulated that his donation be called "The Blanche Yurka Scholarship Loan." The scholarship loan will be available to any junior or senior student who shows exceptional ability in drama or speech correction. The amount is sufficient to pay all of the recipient's expenses through two years of college.

## 108 art pieces exhibited

by Thom Clark  
Staff Writer

Nan Kirby, a senior art major, walked off with 4 of 11 awards presented recently at the Student Art show at the Latin Quarter Gallery of the Ybor City Chamber of Commerce.

She received two the six awards of equal merit for an untitled acrylic painting and a ceramic pot titled, "Metamorphic."

Jack Casey, freshman, won an award of equal merit for an acrylic painting, "Man #1."

Also displaying an acrylic painting which capped a top award was Brian Riba, senior who showed "New Sun Over Chagrin Falls."

Rudy Grant's "2001," a mushroom sculptured from ceramic and wood, was an award winner as was "Oblation Supreme", an acrylic painting by Christopher Keyes.

Miss Kirby also won two honorable mentions for a black and white acrylic painting and a ceramic pot, "Marie." Casey also

took an honorable mention for an acrylic, "Internal Woman."

"Chagrin Movement," on acrylic by Riba also won an honorable mention as did Gary Trainer's "Composition," a ceramic pot."

The majority of 108 pieces of work by the students were paintings, ceramics, and colleges. The ten pieces sold during the reception and other sold until the end of the show support the Kappa Pi local art scholarship awards.

## Democrats sponsor vote drive

by Barbara Babcock  
Staff Writer

The "Young Democrats" are helping to sponsor a statewide "Vote 18 Drive." The issue is not whether 18 year-olds should be allowed to vote, but to allow this issue to be voted upon, and put on the ballot for the next general election. Signatures of registered voters are needed.

To sign one not need be Democratic, nor in favor of the 18-year-old vote. General interest in favor of presenting such a ballot for the public is needed to place the issue on a statewide ballot.

The booth will be set up in Plant Hall March 20-21.

A membership drive held during the week of March 3-7, acquired 21 new members of "Young Democrats".

Pat Brown, President of the "Hillsborough County Young Democrats", and Mike Sierra, Vice President were guest speakers at the March 10 meeting.

A wide variety of art media is displayed in the student show. The ceramic pot on page 1 is by Rudy Grant.

# Group counseling comes to TU

A counseling group whose central purpose is to provide an outlet for students to voice their opinions and channel their feelings over the conflicts and tensions engulfing young people today, has been established at the University.

The idea of the counseling group originated with Cindy Whitsitt, a junior, and Tony Quaglieri, sophomore, who contacted Robert Mortenson, Assistant Director of the Guidance and Placement suggested starting a counseling group and to ask if he would be advisor.

"Mrs. Morris (head nurse of the infirmary) has repeatedly told me", said Mortenson, "that the kids that come in every day don't need medicine, just someone to talk to and listen to them." Because of this increasing need by students, Mortenson agreed to set aside an afternoon a week to listen and counsel those who need it.

Professor Fred Fisher of the Sociology Department

ment and Dr. Curtis Gigash, head of the Psychology Department, cooperate by channeling students who desire or need special counseling. Eventually Mortenson plans to invite some of these students to the counseling group.

One student involved in "group counseling" com-

mented that she had never seen a group so well planned and received by Tampa students.

Some of the topics the group plans to research and discuss are: Success-nature of youth concept vs. "establishment" view, the need for fulfillment, the role of conscience, student revolution, world revolution, personality growth, conflict, and anxiety.

"I hope we can sponsor

various speakers and accomplish some practical good on this campus," said Miss Whitsitt, who hopes the group will eventually attain club status.

The counseling group meets on Friday in Room 4 of the Student Center at 3:00 p.m. Mortenson stated the main goals of "student counseling" to be achieved are open-mindedness, honest communication, and that each member not judge his fellow member so that all can grow together as a cohesive unit, each learning from the other.

## Beer Bizarre Friday

Thom E. Clark  
staff reporter

The annual Beer "Bizarre" sponsored by the Guilders of the Tampa Bay Art Center is being held at 7:30 p.m. March 21, at the TBAC and is subtitled "Psychedelic Scene". Tickets are on sale at the Center for persons over 21 at \$3 each. Free beer is provided, and a service bar will be available.

## Canned heat

(Continued from Page 7)

newspapers with our music playing in the background.

QUESTION: Who is your favorite rock group?

AL: Hendrix.

QUESTION: Do you feel that your new release "Time Was" will be as successful as "Goin Up The Country"?

AL: Its starting very slowly, like "On the Road Again", sort of a creeper.

QUESTION: How long have you been on tour?

FRANK: One month. This is our last gig.

QUESTION: Where are you headed now?

FRANK: In two weeks, we go back to California, then to Australia and possibly New Zealand.

QUESTION: Is your music big down there?

FRANK: Yes, very big.

QUESTION: In one word, characterize your music.

AL: "Spirited".

Canned Heat received a standing ovation in the almost filled auditorium. Clad in green utility pants, orange shirt and leather vest, 300 pound "The Bear" danced around on stage to 30 minutes of "Boogie Music" which brought the house down.

## Spanish room furnished

(Continued from Page 3)

Simon Bolivar, the great liberator himself, hanging on the right wall to the front of the room. Other portraits are of General Jose de San Martin, liberator of Argentina and Chile and Protector of Peru, and General Francisco de Miranda, another general in this movement for liberation.

The Spanish Club is now looking for a portrait of the poet Jose Marti, considered the George Washington of Cuba, to hang in the room, says Dr. Fernandez.

The club also adorned the walls of the room with flags of Mexico, Honduras, Argentina, Uruguay, Venezuela and Peru, reports Dr. Fernandez.

## Hippie party Sunday

(Continued from Page 3)

pansion, and reincarnation. According to authority Barry Patch from Miami, "Man is in the aquarian age — he will come to understand many of the mysteries of life." Patch will be presented in the International Room on Thursday, April 17.

For best seat selection at the Grass Roots concert, buy tickets at the UNDERGROUND or in the student center office. Sharon Obenreder will hostess the show and sing popular selections such as "Both Sides Now," "Those were the Days" and "Angel of the Morning." The Grass Roots presently have a hit record on the WLCY survey.

## Religious week spurs generosity and love

Roman Catholic Father Bordonave, chief speaker at the Religious Emphasis Week convocation on campus (and pastor of Tampa's Sacred Heart Church), said the main purpose of the week is not to prove the existence of God, but "to see if we can get a sense of God and to see the necessity of having this sense of God in our lives."

Rabbi Zielonka, head of the religion department was master of ceremonies for the event, held in Falk Theatre, March 5. Representatives from four other religions—Methodist, Baptist, Catholic and Christian Science — spoke briefly about their different activities on campus.

The turnout was about 100 students.

The University's Madrigal Singers conducted by Malcom Westly sang a hymn, and the four representatives spoke.

Father Bordonave spoke of religion as "a bond uniting man into God." If we are really looking for love, he said, the only way to find it is through this union with God.

He spoke of getting a "touch of the Almighty" through spiritual experiences as looking at the sunset, a friendship, and such. He said these religious experiences leaves us a feeling of peace and contentment, but also one of inadequacy.

"What we are seeking is not in the sphere of the material," he said, "but in the sphere of the spiritual." Generosity, love and compassion are found in the spiritual sphere, he added.

Father Bordonave stated that justice comes from man by his "God Consciousness." People really interested in serving and loving their God should see in their fellow man a reflection of God and means by which they can love God. We need not be a religious fanatic, but just be conscious and aware. This is the answer to many problems that exist today, and college students have the opportunity to look for the answer to the world's problems.

In a concluding point of his speech, Father Bordonave said all should "bring a sense of God to everyone with whom we come in contact."

## Student enrollment increased

by Mike Hyman

A total of 2219 students representing 36 states, 14 foreign countries, and the District of Columbia are enrolled in the University of Tampa for the Spring, 1969, semester. This is an increase of 290 students over last semester according to Jerold Scaglione, counselor for admissions.

A little less than one quarter of the total student body is composed from the Tampa Bay area or 815. The remaining 1404 students hail from 35 states with New York 286, New Jersey 258, and Pennsylvania with 132, making up about half.

29 students representing 14 foreign countries are also seeking degrees from The University. These countries are Canada with 7, Puerto Rico 4, Jamaica 2, Kuwait 2, Venezuela 2, Costa Rica 2, Thailand 2, and 1 each from Greece, Ecuador, England, Bolivia and the Republic of China.

These figures are not totally accurate according to Scaglione, since those students residing off campus and those married have listed Tampa as their home city and the state from which they are a resident of, and not the state in which they do live.

## ALPHA SIGMA ALPHA

Congratulations to our new sister, Nancy Mendendez, on being the newest addition to our sorority. The ASA's are in the news again as a result of being the winners of the Alpha Chi Omega Scholarship Award. This award is given to the sorority with the highest academic average for the year. We want to thank the Alpha Chi girls for graciously giving it up after several years of ownership.

The Panhellenic Council has a new vice president. Our own Chris Miller will serve as vice president. The new officers elected to guide us next year are: Chris Miller, President; Peggy McLane, Vice President; Kathy Roy, Recording Secretary; Barbara Kanaszka, Corresponding Secretary; and Mary Kelley as Treasurer.

Congratulations to the winners of last week's flag football games, this time, girls, you are to chase the other team. Public are invited to attend this week's game at no cost at the Davis Island Playground on Columbia Drive. AXO plays D Phi E at 10 a.m. and ASA goes against ZTA at 11 a.m.

## TAU KAPPA EPSILON

TKE has plenty of fun planned for the coming months. Greek weekend is March 21-23 which includes parties, picnics, and chariot races. Two parties are sched-

uled for each month. TKE weekend will be held May 16-18.

The fraters would like to congratulate their new pledges. Congratulations to Bruce Crim and Liz Muller who are lavaliered, and to Greg and Bobbi who are pinned. The TKE basketball team should be congratulated for an undefeated season in the Greek league. The team consists of Watson, Sverdlow, Smitty, Patroni, Boydman, Lenny and Coach Calder.

## Miscellaneous:

Does Farmer Sverdlow always plow straighter furrows after dark? Was Tab's death suicide or homicide? B. H. says he's free to date again. Neumann bids each pledge good luck but little does he know that the pledges are wishing him good luck. Is Smitty really interested in curing his insomnia? Is Goodwill Rotella's "slak shak?" St. Patrick's Day shall return claim Foley, Walsh, Pratt, McKenzie, Glynn, McKenna, and Murphy. R.C.H.

## DELTA PHI EPSILON

Delta Phi Epsilon proudly announces the addition of nine new pledges: Helen Bailey, Dee Blount, Dottie Branch, Karen Cave, Sherry Gelin, Gladys Rosenblum, Barbara Rubin, Marcy Spielberg and Joan Willard. D Phi E seems to be acquiring quite a variety, which is fine, since we not only ac-

cept, but look forward to becoming a spice of life. Who knows the changes we'll be going through...?

Other changes include the election of new officers: President - Kuci Lopez, V.P. - Sandy Cohen, Pledge Mother - Sue Bornet, Rush Chairman - Pam Willetts, Rec. Sec. - Janice Wells, Corr. Sec. - Brenda Braun, Treas. - Barb Weinstein.

Congratulations to Georgia Hopper and Tony Spinelli, (Delta Sigma Pi) who recently became pinned... and finally, a message from the Duck — "Quack..."

## ALPHA CHI OMEGA

The sisters of Alpha Chi Omega would like to congratulate Janet Lewis on becoming Moroccan Queen and Kathy Driscoll, Lady in Waiting. We would also like to congratulate our spring pledges; Debbie Andes, Lorraine Duthie, Linda Sheppard, Cathy Martin, Joann Kaczmarek, Mary Jane Romeo, Nancy Hellreigel, Shirley McMullen, Mary Ann Lacko and Melinda Cunningham.

Congratulations also to Alpha Sigma Alpha on obtaining the highest scholastic average for last semester.

The best of luck to Sally Y., Jo Ellen F., Sue B., Janice D., and all of our other new officers. We are anticipating an exciting year.

Cupid has struck again at Tampa U. — congratulations to Linda and Bernie on being pinned, and Patsy and Fred on their engagement. Pam and Bill are counting the hours to their big day — and what's happening with... on or off, on?

Ask Tully about her night in court, and Carol if she's getting along with "Hugo."

Good luck to all who are running for offices — especially Sally, Lynne and Mary.

## SIGMA PHI EPSILON

It has been quite a while since we have reported what has been going on at the Sig Ep house. Since our last report much has happened: Election of officers took place; Herbie Knowlton was elected president, Tom Attard, vice-president; Dick Johnson, treasurer; and Frank Ciotti, secretary. Tom Imms was elected social chairman.

The brotherhood would also like to extend congratulations to five new brothers: Tony Cutreno, Eddie DelVecchio, Chuck Hain and Tom Imms.

We would like to congratulate Frank Ciotti and Beth on the announcement of their wedding, March 29, and Nick and Candy, June 14. The big question is who is next? Only foo-bar knows.

Brother Doug Howell has done a terrific job as house manager. The house now has a new coat of paint and all the rooms have been fixed-

up — except the pig pen. No one will dare go in there alone.

Rush is over and again we had a very successful rush party. The brothers would like to thank Deno Ketrumbus for the fine speech he gave at the rush party. We knew we got a lot of good boys because of him.

Sig Ep Quickies: Where does Stevie go on weekends? I heard they asked Joe Mancusi to drive at Sebring this year. Well, Joe? Hey Tom, are some in and some out, or are they teeth? Ask John Couroux about the special. Finally, who is the writer of this column? Again, only foo-bar knows. Until later, stay healthy.

## PATRONIZE

## ADVERTISING

will be headed by designer Tony Negron, and stage manager will be Bruce Corner.

When asked about the production Petti said, "Hamlet can be paralleled to the typical college student who faces many problems with his family and friends." Also when asked about performances and attendance, Petti said, "Many students from many countries are expected to enjoy the production, as many as 14 productions will be necessary to encompass the many high schools and organizations in the area." A one-hour color TV show presented by WFLA recently highlighted several scenes in the play.

## Drama Dept. to present "Hamlet"

The University of Tampa drama department is presenting "Hamlet," April 23 - April 26, at Falk Theater. The play is under the direction of Vincent Petti, assistant professor of drama. Gail Most will assist him as student director.

The role of "Hamlet" will be played by Hugh Shepard. Playing the female lead will be Mary Quigley as Ophelia.

The costume department

## WANTED: Crew to explore a new world!

Vast unknown territory, rich potential. Some space travel. Ingenuity, adaptability essential. Challenging opportunity. Rapid advancement for adventurous college graduates.

The new world? A small solar planet named Earth. Not visible to the unimagined, but many can see it now. And—it's exciting!

The new world will be colonized by 90% of all the scientists known to history... and by technicians, specialists, teachers, writers, and many we can't name—because half the jobs there, ten years from now, do not even exist today!

How can you qualify for the expedition?

Acquire skills needed for today's jobs — in college or special school. Then keep up with the knowledge explosion by continuing education — in seminars, adult education and TV courses, on-the-job or armed services training.

When you're set to take off, you'll go a long, long way. Bon voyage!

## Visiting hours changed

The Student Government Association, along with the agreement of the female residents, has had the visiting hours in the women dormitory lobbies changed.

The recommendation drafted by Dave Basarich, changed the visiting hours, with discrepancies between Howell Hall and Smiley Hall.

Smiley Hall — Monday - Friday, 12:00 noon - 10:00 p.m.  
Saturday - 9:00 a.m. - 1:00 a.m.  
Sunday - 9:30 a.m. - 10:30 p.m.

Howell Hall - Friday - 12:00 noon - 10:00 p.m.  
Monday - Thursday - 6:30 p.m. - 10:00 p.m.  
Saturday - 9:00 a.m. - 1:00 a.m.  
Sunday - 9:00 a.m. - 10:30 p.m.

The new hours permit male students to enter the lobby, have a resident paged, and visit in the lounge. Although Howell Hall is affected on only one day by the change, paging may be done Monday - Thursday at 12:00 noon - 10:00 p.m. by any female. Males are permitted to enter the lobby at 12:00 noon only on Fridays. Reasons for this is that the residents of Howell Hall have no other lounge facilities for their own use. This was agreed upon by the residents.

The recommendation was voted on by the residents concerned, and was approved by a majority.

## Tampa tennis team upsets Western Illinois

by Jack McWilliams

The Spartans varsity tennis team broke a three game losing streak and upset Western Illinois University here March 12. The Spartans netman played Western to a 4-4 draw before the No. 3 doubles team finally clinched the match in a split-set victory.

Tampa was seriously handicapped by the absence of the talent of Charles Neff.

The scoring was:

1. Ken Mackewiak 6-3, 6-1  
Sandy Cadel

## Ski team looks for good year

by Bill Fainberg  
staff writer

With the addition of world champion Alan Kempton, the T.U. ski team is getting ready for a busy spring season.

The team has been practicing in the Hillsborough River, and most of its members seem to be getting in very good shape.

Team captain Tom Muscatello said they are hoping for another successful season this year.

In 1968 the team won the Southern Intercollegiate Title, at Cypress Gardens.

Some of the schools which the team will face, are: University of Florida, Rollins College, Florida Atlantic University, Stetson, Polk J.C. and U.S.F.

New officers, are: Buffy Sopkiw, co-captain, and Molly Wigginton as Secretary.

Kathy Raab, the team's superfan said this is one of the best college ski teams in the South, and the student body should support the group.

2. Ben Branner 6-0, 6-2  
Oscar Strue
3. Hal Stupp 6-3, 6-3  
Hal Masoncup
4. Carlos Rivera 7-5, 6-3  
Bob Michals
5. Jack McWilliams 6-3, 7-5  
Bill Wallinger
6. Mark Rosenthal 6-1, 6-2  
Marvin Cluts
1. Mackewiak-Strue  
7-5, 6-3  
Cadel-Branner
2. Masoncup-Rivera  
6-3, 3-6, 6-1  
Stupp-Rosenthal
3. McWilliams-Michals  
2-6, 6-1, 6-3  
Wallinger-Cluts

The varsity team is carrying a eight man roster this season, with four returning lettermen; Sandy Cadel, Ron Brenner, captain, Jack McWilliams, and co-captain, Charles Neff. Four promising new players are on the team this year; Bob Michals, Hal

# Tampa wins intramural basketball tournament

The First Annual Major's Club Invitational Intramural Tournament of Stars was captured Saturday evening by the University of Tampa Intramural All-Stars under the direction of Phys. Ed. Coach Dave Hayes in an 85-71 dumping of the University of South Florida Stars.

In the opening games before a crowd of over 100 people the S.F. team soundly trounced Florida College 97-50. U.S.F. jumped out to a quick lead and were never to be challenged as F.C. could neither match the rebounding of the Southerners nor

stay with their fast breaks.

Tampa found a rough road in defeating Florida Presbyterian College in a 76-72 thriller. Bob Hanna led the game scorers with 25 points. "Nails" Levine and Gary Christy, tallied 14 and 13 points respectively, and Chris Meister while hitting for 11 points also pulled down timely and valuable rebounds. But it was Norm "Pop" Soash who hit two fouls with 51 seconds left and then Bob Hanna, with only 26 seconds left on the clock, hit two more free ones to preserve the victory.

In the consolation game Friday evening, Presbyterian captured 3rd Place by overwhelming Florida College with a 107-66 clobbering. Andy Garr led the St. Pete team with 27 points as they ripped into F.C. right from the opening tap and were never to be challenged.

In the Championship Game, Gary Christy was one of the game's big stars as he tossed in 28 points, in the 85-71 victory. Steve Virgillo, the Lykes Hall star, tallied for 16 points as he teamed with Christy in opening up the USF defense. Jeff Sverdlow, the TKE ace, tossed in 14 points and led the squad in rebounds. The well-balanced Tampa offense and the tight defense resulted in a 41-25 half-time lead, and from this point USF never came closer than within 8 points of the Tampa cagers.

The Phys. Ed. Dept. deserves a lot of credit for presenting a fine Tournament, but it's just a shame that so few students were at Howell Gym for the action.

## Football players awarded

Last Tuesday evening at the Annual Spartan Awards dinner Jim DelGazio was awarded outstanding Player of the Year. Other award presentations made were; Ron Brown, Little All American, for Best Defensive Lineman, Dick Nittinger, Best Offensive Lineman. Monk Coleman was named Best Offensive Back, while Best Defensive Back was awarded to Ed Johnson. Pat Turner was tagged as the Most Improved, while Matt McVane was given the "Spirit Award."

The crew team meanwhile is finding it rough to break into the win column. Against E. Carolina the Spartans were a half boat ahead at the mid-way point, but the race was lost because of a faulty rudder.

The baseball team now holds a 1-2 record and the Spartans will challenge S. Illinois, Duke and Harvard. All home games are now played at the Fair Grounds.
