

## EXAMINATIONS TO BE STARTED NEXT SATURDAY

### Schedule Announced by Dean Hale

Along with the many other annual events of the University of Tampa come the annual final examinations which will get underway a week from today.

They will begin Friday, May 29, and run through Saturday, June 6. Examinations for seniors scheduled after May 27, by special arrangement with the instructors, will be given ahead of the time scheduled, according to an official announcement by Dean Hale. This is necessary in order that the grades for the seniors be in the dean's office by Friday, May 29. All examinations are expected to be taken at the time scheduled and those who do not take them at that time will be required to pay the customary penalty.

#### Requirements Given

Dean Hale also makes the following announcement concerning examinations: "According to arrangements made at the time of registration, all payments covering tuition, fees, room rent, etc., are due. Those who are delinquent should make settlement at the business office immediately. According to college regulations, no students will be permitted to take final examinations until full payment has been made. Students are being urged to see to this matter to save any possible embarrassment. Lists of those eligible for exams will be prepared Monday, May 25. This is necessary to avoid last minute rush."

And here is the definite examination schedule as released from the dean's office:

Friday, May 29—9:30 to 12, English 102, English 103, English 313; 3:30 to 6:30: Education 231-233 (Music); 1:30 to 4:30: Chemistry 201, Chemistry 203, Chemistry 300, and Chemistry 101 (all sections).

Saturday, May 30—9 to 12: English 101 (all sections), English 201, English 421, Education 205, and Education 111-113 (Art); 1:30 to 4:30: Accounting 101, Accounting 201, Hygiene (all sections), Education 201, and German 202.

#### Week Beginning June 1

Monday, June 1—9 to 12: Math "D," Music 107 (all sections), Education 208, Journalism 201, Economics 201 (day section); 3:30 to 6:00: Physical Education (all sections); 1:30 to 4:30: Physics 101, English 100, French 21, and Education 321.

Tuesday, June 2—9 to 12: History 101 (all day sections), History 201 (day sections), Management 300; 3:30 to 6:30: Latin 21, Latin 301; 1:30 to 4:30: Spanish 21 (all sections), German 21, French 101, Journalism 101.

Wednesday, June 3—9 to 12: Mathematics 100, Mathematics 201, Mathematics 305, Accounting 100, Psychology 101, Geography 105; 1:30 to 4:30: Sociology 201, Sociology 301, Sociology 401, Mathematics 103.

Thursday, June 4—9 to 12: Biology 200, Psychology 320, Archeology 101, Insurance 401, Mathematics 203; 1:30 to 4:30: Economics 200, History 203, Spanish 101, Education 100.

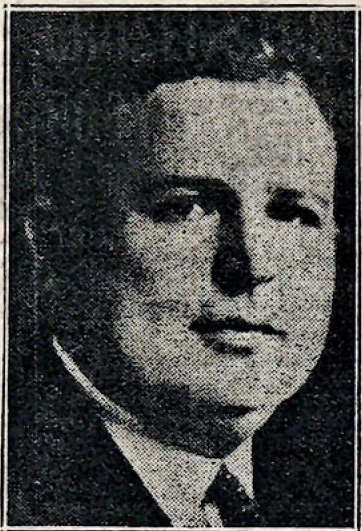

Friday, June 5—9 to 12: Geology 101, Economics 305, History 100, English 301; 1:30 to 4:30: Psychology 100, Geology 201.

Saturday, June 6—9 to 12: Government 201, French 203, Bible 203; 3:30 to 6:30: Spanish 301, Biology 101; 1:30 to 4:30: Physics 201, Economics 103, Spanish 201, Physical Education 213.

Night class examinations have been arranged as follows:

Monday night, June 1—English 401, English 101, English 403, and Marketing 320; Tuesday night, June 2—Law 301, History 201, Economics 201; Wednesday night, June 3—English 105; Thursday night, June 4—History 101.

### To Receive Degree

GOVERNOR DAVE SHOLTZ

Who will receive the degree of doctor of civil law from the University of Tampa at its annual commencement exercises in June. Governor Sholtz will also deliver the commencement address to the graduating class.

### VINES COLLIER, JR. FORMER STUDENT, IS MAKING GOOD

Vines Collier, jr., a student at the University of Tampa last year, is making a name for himself in the field of physiology.

Dean Hale is in receipt of a booklet entitled "Studies on the Cytoplasmic Components in Fertilization" which was written by Collier while attending school here. It has been published by the Oxford University Press in England, which is an honor for any writer of text books. Especially is it noteworthy when a youth has his work accepted by that press.

On the fly leaf of the 24-page text booklet is the author's name underneath which is written "University of Tampa, Florida." This again makes the University score outside of the state and also the nation.

Collier is now Senior Technician in the Department of Physiology at Georgetown University, Washington, D. C., and is on a full time salary. He is also enrolled in the graduate school of the University and is working toward an M. S. degree at night. He received his B. S. degree at the University of Tampa in 1935 and was laboratory assistant while attending school here.

The students and faculty are justly proud of the young man who is doing such splendid work after leaving the University of Tampa.

### ART CLASSES TO PRESENT EXHIBIT OF YEAR'S WORK

Norman Borchardt, art instructor of the University of Tampa has announced that the annual art exhibit will be held May 25 at the University ballroom. There is no admission and the public is invited to attend.

Classes in commercial art, book illustration, art appreciation, and landscaping will contribute drawings for the exhibition.

A large mural oil painting conglomerating University characters and scenes will be featured in the display. Charcoal pastels, water colors, oils, and tempera were used by the student artists in producing the pieces of art. Many expressed themselves in the modern trend.

A pretty young nurse was selling poppies. A salesman told her that he would give her a \$5 bill for a poppy provided she would promise to nurse him if he ever went to her hospital. She agreed.

"By the way," the salesman asked, "where is your hospital?"

"I am at Queen Charlotte's Maternity hospital," meekly replied the pretty nurse, putting the five-spot into the box.

## WRESTLERS AND BOXERS DECIDE CHAMPIONSHIPS

### Intramural Tournaments at Benjamin Field

#### BULLETIN

Sam Alfieri defeated Willie Godwin for the heavyweight championship title at Benjamin Field last night. Manuel Ramirez won over Albert Day in the featherweight class; Curly Johnson defeated Albert Hand in a lightweight wrestling match; Conrad Bishop defeated Lafayette Ingram for middleweight champion; and Paul Alfieri won over Orris Beynon.

Willie Godwin, rugged pivot man and fullback of the University of Tampa football eleven, was forced into an extra five-minute period before he could pin Ray "Tiny" Hurn, 235 pound tackle, in a torrid wrestling session to cop the heavyweight title of the campus at Benjamin Field last Wednesday night.

#### Beynon Wins

In the semi-final bout, Orris Beynon, all around athlete from Youngstown, Ohio, decided Otto Reiner, Sigma Kappa Nu hope, in a rough match. Both men are light-heavyweights. Beynon, Beta Chi boxing ace, floored Reiner twice in the final round of their scheduled three round bout.

Unleashing all the mad fury characteristic of a wounded beast, Don V. Giunta, diminutive president of the Rho Nu Delta fraternity, came back to register a knock out win over Curly Johnson, Sigma Kappa Nu fighter, in the second frame of their scheduled three round bout. Bloody and dazed from a first round attack at the hands of the slim Johnson, Giunta weathered the blows enough to pound out a win over his opponent.

Bob Morales, University of Tampa welterweight boxing champion, easily retained his title by stopping Buddy Gainer in two frames. The Sigma Kappa Nu battler was no match for the crafty Beta Chi titleholder who floored him with a right to the jaw. Morales weighed 146 and Gainer, 144.

In a heavyweight boxing match, Sam Alfieri, Rho Nu Delta representative in that division, took a three-round decision from Howard "Swede"

(Continued on Page 3)

## GEOLOGY STUDENTS GET CASKET FOR "MAE WEST"

The department of Geology and Archeology announced today the receipt of a special cabinet to accommodate the skeleton familiarly known to students as "Mae West."

Robert F. Webb, instructor, said, "This casket, the gift of Mr. Coarsey of the Tampa Casket Company, enables us to continue our program of exhibiting Indian burials in the exact position in which they were intended."

"One peculiar method of burial is in the crouching position with knees drawn up and arms crossed over the breast. We call this a 'primary vertical flexed burial.' We shall have it on display the first of next week. This is the third type of burial to be exhibited in our museum."

"The other two, now on display are the vertical bundle burial and the horizontal bundle burial, both secondary types; that is the body was exposed until the flesh was removed and the bones being buried later."

The classes have been doing extensive study and work at the Indian mounds near Tampa and in the northern part of the state. It is the hope of the department to some day have the best museum of any school in the state and in the South.

The courses offered by Prof. Webb are one of the most popular groups given at the University. Larger facilities will be necessary later on if the department continues to grow.

### Retiring

JOHN H. SMILEY

Walter Hoy, elected in the annual student election last week, will succeed Smiley as president of the student body and head of the student council next year. Smiley has done outstanding work during his term, and will receive his B. S. in commerce degree in June.

## TAMPA U. PICNIC TO BE GIVEN BY FRESHMEN CLASS

The Freshman class are to be hosts to the rest of the student body at the annual University of Tampa picnic this afternoon from 1 o'clock to 5:30 o'clock, at the Temple Terrace swimming pool.

The swimming meet sponsored by the intramural department will provide excitement and entertainment for the afternoon. All in the swimming meet will be admitted free to the pool. Others will have to pay 25 cents. A big picnic lunch will be served at the conclusion of the day's events. Each student who expected to attend was asked to give 20 cents to help defray expenses of the meal by yesterday at noon.

Dick Spoto, president of the Freshman class, is in charge of the affair and is being assisted by Leah Mae Hunter.

Dean Hale issued the following announcement concerning the picnic: "The annual University picnic which is being sponsored this year by the Freshman class will be held Friday afternoon, May 22, at Temple Terrace. Classes will be dismissed between the hours of 12:30 to 6 o'clock. All classes scheduled to meet after 6 o'clock will meet according to regular schedule."

## STUDENT OF ART PRODUCES MURAL OF UNIVERSITY

The Minaret believes in giving every man his due. Credit should be given Richard Greene for his mural on the University of Tampa. Greene is only a first year art student, but his work has already shown great promise.

This oil painting depicts a cross-section of college life. Radiating from the carefully executed heads of President Spaulding and Dean Hale may be seen: the minarets and the entrance to the University; boys and girls grouped around Esmeralda; an art class "in action," a cheering squad and the active grandstand at a football game; a class being taught by a professor; a boy burning the midnight kilowatts; a sleeping lad heedless of a vibrating alarm clock; the University band on parade with Greene in the lower right hand corner tooting his horn. Greene undertook a heavy task, but he is working with a vigor that overcomes all obstacles.

According to Mr. Borchardt, head of the art department, the mural along with the efforts of other art students will be placed on public exhibition about the middle of this month.

## WALTER HOY IS CHOSEN STUDENT BODY PRESIDENT

### Annual Election Shows Student Interest

Walter Hoy, graduate of Lakeland high school, was elected president of the University of Tampa student body in the annual elections held recently. He defeated Luther Sparkman, of Dania, by four votes in the most interesting race of the campaign.

The race was so close the votes were counted four times by the election committee for accuracy. Hoy won by a vote of 145 to 141.

A record number of ballots were cast showing the increased interest of the students in their own government and the advancement of politics on the campus.

Hoy is prominent in athletics and social activities on the campus. He has won three letters in varsity football, very capably holding the position of end on the Spartan eleven. He has also participated in intramural athletics. He is a member of the Sigma Kappa Nu fraternity, the Fencing club, the University Yacht club, and is secretary and treasurer of the "T" club.

He has won elective offices twice before, being vice president in both his freshman and sophomore years.

#### Other Results

Other results of the election are as follows: Adolph Ramirez won the presidency of the senior class over Ed "Red" Means by 21 to 15 in a hotly contested race. Jay Toulme won the vice presidency from Melita Quinby by 18 to 17. Wenona Manson was unopposed for secretary of the class.

For the two senior representatives to the student council Phil Patterson paced the ticket with 27 votes, and Mary Eve was elected with 22 votes, eliminating Manuel Ramirez who had 19 votes.

Ray Newell, with 39 votes, and Jimmy Lindsay, with 19, advanced to the second primary for junior class president by eliminating John Schaub and Hampton Dunn. In the run-off Newell defeated Lindsay by 50 to 34.

Alice Wilson won the junior class vice presidency by defeating John Donnell by 56 to 30. Roma Cassidy defeated Lois McGucken 56 to 28 for office of secretary.

For junior class representative Crockett Farnell and Edna Johnson went into the run-off election by eliminating Ed Plummer and Jeanie Trice. Farnell was elected over Miss Johnson 50 to 34.

#### Kelly Wins

Bruce Kelly led the sophomore ticket in the first election for president and was in the run-off with Joe Mazeka with Leah Mae Hunter and Anthony Freedy eliminated by small margins. Kelly won by 54 to 41.

The vice presidency is in a deadlock between Buford Lindsay and Marvin Lassiter, who each received 61 votes in the first election. A special meeting of the student council, with President Spaulding presiding, will be called to decide the winner.

Maurine Powell was elected secretary without opposition. Helen Windham and Bill Dmytryk went into the second election when Evangelina La Fuente was eliminated in the first. Dmytryk won by a vote of 60 to 35 in the run-off.

This campaign was one of the most spectacular and surprising ones ever staged at the University. Officers for the freshman class of next year will be chosen at the fall election next September.

Pledges who will become members of the Sigma Theta Phi sorority tonight are the Misses Griffin, Berry, Hamiter, Martin, Neef, Thrasher, Allison, Vickers, Manson, McLeod and Torkelson. They will be honored with a dance at the U. ballroom after the initiation ceremony.

## THE MINARET POLICY

To give full support to all activities that will prove beneficial to the University.

To encourage the growth of social fraternities and sororities on our campus.

To strive for a better understanding between students and faculty members.

To do our part in making student government a complete success.

To support the Spartan athletic teams and advocate a well rounded physical education program with a complete list of minor, as well as major, sports activities.

To help publicize the University of Tampa in every way possible.

And to present news stories in an unbiased and straightforward manner.

## THE IDEAL COLLEGE MAN

Ten cardinal "commandments" that go to make up the "ideal college man" have been enumerated by the Rev. John A. Berens, dean of men at Marquette university, Milwaukee, and an instructor and advisor of boys and young men for more than 20 years.

"Give me the student who answers to these requirements," Father Berens said, "and I will show you the ideal young collegiate. Nor need he 'bend over backwards' to approach these qualifications. Any normal, growing boy is a candidate for the title."

Father Berens' "commandments" are as follows:

1. He should have a strong ambition to succeed, together with the determination to overcome obstacles.
2. He should take part in the normal activities of extra-curricular affairs, but without excess in them.
3. He should possess qualities of leadership, but this does not imply that he must be a class officer or hold office in campus organizations.
4. He may do outside work if he must, but it is better to save money for one or two years after preparatory school, and then to enter college.
5. As to character, he must possess the qualities of honesty, uprightness, courage and fidelity.
6. He must be temperate.
7. Inasmuch as the countenance reflects the quality of the soul, he must give an outward appearance of pleasantness. He need not be good looking or a Beau Brummel.
8. He must be neat in appearance and in habits.
9. He must be mature. A boy who appears immature at the age of 18 should delay entering college. A year or two of work would bring him into contact with the difficulties of life; he would learn the value of money and develop a better outlook on education.
10. He must conduct himself in such a manner as will give evidence of a sincere, Christian gentleman.

## IS YOUTH TO BLAME?

Recent attacks, from certain quarters, on the youth movement to create world-wide peace is an attack on the youth of the world for not being pacific, but, for thinking!

Is youth to blame because it has an ideal, forced to the front by the greediness of a few? Is youth to blame because it loves life better than making a few billion dollars for someone else?

To be sure peace movements of the past have failed; and, failed to the extent of some 13,000,000 of the world's finest citizens dying an ignominious death from 1914-1918, in shell holes, in Flanders, Belleau Woods, etc. But, after each debacle, the peace movement is greater than before it.

Surely, in this day and age, when to be intelligent one must know how to think and demonstrate that ability, youth cannot be condemned as being unpatriotic because it has thought out an ideal and is striving towards this ideal. A part of youth's ideal is a situation where men will no longer kill men for the personal enrichment of a few, but will strive to live together and love one another, and practice what the greatest scholar of all time, Christ, set down as the second great commandment, "Thou shalt love thy neighbor as thyself."

Youth is no less patriotic than its forefathers—it will defend its interest, that's what its forefathers did in a world of scarcity. Its interests are to live, at least, a semi-sane life and to cooperate in a world of plenty, and not to kill each other.

It is now defending this interest by showing everyone that war is a needless waste of life and they do not wish their lives wasted in that manner. It is defending its interests with straight, clear, intellectual thinking, and attempting to make truth the biologists and psychologists definition between man and primitive beast—one is supposed to be able to think, the other is not. —The Miami Hurricane.

Oh, Yeah!

## OUT OF THE NIGHT

Well—my fine friends and those who me friend—I am back again—

I have one suggestion to make—the University of Tampa has an employment bureau and many other such departments—I think they should install a "matrimonial bureau." Certainly no other college of its size can boast of the same or greater number of marriages in the first three years of existence. This "disease" is evidently contagious as even a professor has been smitten (or bitten) by the "love bug".... I will attempt to point out a few of these cases. I cannot tell all as there have been so many, but some of the outstanding ones are:

1933-34—Wilbur Gunnoe\* and wife, Martha Campbell\* and Bert McCulloch.

1934-35—Sue Cox\* and husband, Don Robbins\* and Marie Willis\* Marcus Hall\* and Katherine Newton.

1935-36—Miller Adams\* and Carolyn Maness\* Bill Moody\* and Catherine Phillips, Harry McCartney\* and Geneva Burnside, (pending) Dr. D. D. Bode\* and Margaret Stone, and (pending) John Henry Smiley\* and Lucille Musgrove\*

'N that ain't the half of it. There are many more. Both that have happened and that are pending. The star (\*) means that they have been affiliated with the University. So this is the real reason why boys and girls go to college!

I have been told that there are two or three more that will be announced at some future date. I do not feel equal to publishing their names.

And now for romance, pure and undiluted.

Take that notable example of Sybil Cate and Charlie Ammons. There is a wonderful example of love! And there is Mary Glenn Coarsey and pugilistic Lafayette Ingram. There is no doubt about it. The beach does things to people.

Virginia Mills and Buck Buchanan seem to be very much engrossed in each other's company.... Have you screwed up courage enough to turn over the ring yet, Buck?

The Smiley's seem to have a monopoly on the love angle when you consider Irene Smiley and Red Means. The widely advertised Florida moonlight seems to have done its part.

Lois McGucken and Warren Baker are doing very well. In fact, very very well, indeed. Even there are rumors of their joining the above parade. Remember, my friends, they are just rumors and I am sure that when they do decide that they will yell it from the house tops and not keep it quiet for several months.

The suspense is also almost killing in the case of Ann Thrasher and Sumner Painter. But take it easy.... they will also tell when it happens but not before.

Then there is the latest, the very latest in school romances!... That of Virginia "Half Pint" Morrow and Phil Patterson.... Ain't love grand? Especially the calf-eyed and the moon-eyed type! Don't let me discourage you though. Love is a grand old cus-

tom and marriage is even a greater institution.

I see an alumnus, Marcus Hall (SKN) and wife traipsing over the city. Marcus used to write a column similar to this when the U. was not a U. but a junior college out on Central avenue. To tell the truth, it was he who broke me into the delicacies of this column and look what it started!

Every year, spring fever has hit us worse than the flu. According to statistics compiled by Professor Hurn, midget of the Spartan gridders... the U. will fall short a little this year. Hurn states that supply must equal demand and there are too many people that caught this illness 'way back in October, so the demand won't be as great. It's a shame to see our record ruined. Tsk! Tsk!

There is an outstanding girl athlete that really seems to be going places.... Competition is even so great that rumors state that boys are even fighting over her.

As a last touch to the matrimonial agency, just think how the enrollment of students would rise if one were installed! Farewell—

It has been said that Napoleon kept a mirror such as the one in the Gentlemen's Reading and Writing Room in the museum above his office desk so he might at any time observe the activities of his secretaries even though they were behind him. This mirror referred to is a convex mirror—said to be hand cut and polished.

Interesting what-nots: Turkish water-bottles. Turkish Trumpet (porcelain). Chinese water-bottles (now converted into electric floor lamps). All in the Second French Room.

Elephant Incense burner (Chinese) said to date back from the Ming dynasty—in the Cabinet Room.

Two large green vases said to have been made by monks in Tibet. The history of a monk's life is depicted in the characters in relief on the sides. It is said that they are covered with powdered emerald with crushed emerald around the edges.

Rugs: In the Third French Room of the museum there are three small rugs—one Persian and two Turkish.

## Beg Your Pardon!

In the last issue of the Minaret an omission was made that the staff regrets very much. In the account of class favorites named, the names of Ray Newell and Jimmy Lindsay were unintentionally omitted as the outstanding male members of the sophomore class. We apologize for this error and extend our congratulations to the two worthy gentlemen who were selected.

Although the staff takes every precaution possible to prevent these mistakes, they do slip in occasionally. However, the Minaret is glad to make corrections in the earliest issue after they occur.

Yeh, another two going one. Smiley will be walking up the aisle of graduation and down the aisle of matrimony; then he'll honeyspoon it during vacation. There'll be two others looking over the crops of diamonds soon... Speaking of marriages—Patti Burton was asked which she liked the better: church weddings or elopements. She said, "It's much easier to walk down an aisle than it is to climb down a ladder." But then, Patti admits that she likes ceremony... Ruth Davis, Plant co-ed, has been playing detective with Feaster Norwood, and she's right pert at the job too... Shella and Trawick's rotating has got us worried... Does Frank Lane know that Betty Jo has been Tit TAT toeing it?... Anne way has been Jimmy-ing it with a Miamian who sends her telegrams... Here's a tip: Helen Walker likes her men 'mean'—not a goody-goody in a carload... Betty Dickinson says Roddy does things to her, but what does that do to Harry? Harry escorted a red-haired Georgia gal to the Freshman-Junior prom at Gainesville.

Walter Hoy and all other winning candidates express sincere thanx to their voters... Kitty Lea has grinded extra hard to deliver you one fine annual Commencement day... Hampton Dunn took over the duties of a reporter at the Times... Have you read "Which Way Parnassus" by Percy Marks?

Gold digger Glenda Farrell has "The Law in Her Hands" Saturday, Sunday, and Monday at the Park. Ruth Chatterton is back on the screen in "Lady of Secrets," the other feature. Florence Rogers and Elinor Saxon received the free Park theater tickets this week.

For MEN only:

This is to prove to Mildred Allison that women are curious.

Mildred said she bought a wicked gown for the S. K. N. dance tonite—her way of proving that men are curious... Do you know Min? Min who? Minaret. Com'on let's all laugh at that one—Joyce Turner wrote it... "Out of the Night" has come to light again. Betty Stone has been taking time out for things in general. Me-thinks her name and Eldon's should be among the list of "that ways" in her column... Tate and Rehlinger is a new blossoming out too... The art exhibit takes place next Monday. Lucy Jackson refuses to display one of her masterpieces which now occupies the little adjoining room to the art studio. The drawing is titled "Bathtub Susie"....

Well, so long, see ya at the Frosh picnic and S. K. N. dance.

Pete—I see where a scientist has discovered that meat-eaters are twice as active as vegetarians.

Heinie—I could have told him that. The way prices are they have to be if they want any meat to eat.—The Pathfinder.

## THIRD ANNUAL SWIMMING MEET THIS AFTERNOON

### Loving Cups To Be Given Winners

With several loving cups being donated by the University's swimming coach, Johnny Upson, for the third annual intramural water meet at Temple Terrace this afternoon, Spartan swimmers are busy preparing their strokes for the occasion.

The large silver loving cup will be awarded to the championship aquatic team and will become a permanent trophy of the team that takes the meet three times. A smaller cup is being awarded also. The intramural gold medal will be given to the high point man of the meet.

Miller K. Adams, director of the intramural department at the University of Tampa, expects that the entry list this year will be the largest in the history of the meet, six teams having already been entered.

#### Stars on Program

The cream of the crop among University of Tampa tankmen will be included in this afternoon's affair which will be connected with the annual freshmen picnic at the Temple Terrace area. Members of the Spartan aquatic team are eligible to compete in the meet this year. Outstanding among the entries will be Jay Toulme, Mississippi water star, Linus Upson, brother of the famous swimming coach, Virgil Harris, Ronald Graf, and others.

Teams which have indicated they would enter this year's classic are: Beta Chi, Sigma Epsilon, Rho Nu Delta, Pink Elephants, Plebes, and Sigma Kappa Nu fraternity.

Events which have been scheduled for the 1936 aquatic meet include the 50 yard dash, 50-yard back stroke, 90-yard medley, 50-yard breast stroke, under water swimming, low board diving, 120-yard relay, and the 100-yard free style.

#### Many Entries

Entries received include Willie Godwin, Henry Bloom, Dick Spoto, Joe Mazeika, Bill Rhoden, Roger McNamara, Bob Morales, Orris Beynon, James Mandula, Ray Newell, and Bill Pittman of the Beta Chi fraternity. Sigma Kappa Nu tankmen are Glover Beazley, Clarence Young, Curly Johnson and Conrad Bishop. George Aubert, Ronald Graf, Jay Toulme, Red Means, Milford Rhines, Cotton Clinton, James Galbraith, Virgil Harris, Al Van Fleet and Luther Sparkman have entered for the Pink Elephants.

Americus Spoto, Adolf Ramirez, Manuel Ramirez, and Robert Trantomana will represent the Rho Nu Delta fraternity. Sigma Epsilon pins its hopes on Linus Upson, Mike Wilkerson, Rudy Rodriguez, Ed Bridges, etc.

### Boys' Ping Pong Tourney Near Finals

The first annual ping pong tournament at the University of Tampa has reached the quarter-finals. Only four clubs are represented in the tourney which will finish next week.

Curly Johnson, Sigma Kappa Nu ping pong wizard, downed Albert Day, Beta Chi ace, in a gruelling match last week. The scores were 21-18, 21-11. He is to meet the winner of the Orris Beynon-Tony Freedy encounter. Both Youngstown, Ohio, ping pong artists have easily outwitted their opponents to reach the present stage of the tournament.

Glover Beazley, another Sigma Kappa Nu player, will be pitted against Billy Pou, a fraternity mate, for the right to meet the winner of the Dick Powell-Americus Spoto clash. His win over Wally Hoy placed him in the quarter-finals. Dick Powell, defeated Jay Toulme, Pink Elephant upstart, to meet Spoto this week.

During the rush hour in a downtown cafeteria a meek little man left his seat at the crowded table to get a second cup of coffee. When he returned he found a great hulking brute in his place.

"No," growled the bigger man in response to the timid request, "I won't give you this seat until I am through eating."

"Very well," agreed the smaller man, "but I don't suppose you would mind giving me my slab of pie you're sitting on?"—The Pathfinder.

## SPARTAN SPARKLES

By MANUEL RAMIREZ

The 1935-36 "sports parade" at the University of Tampa undoubtedly had one of the most hectic seasons that the infant institution has had since its founding in 1931. Although not winning more triumphs than were necessary to attract the attention of the athletically minded world, the Spartans played more spectacularly during the past scholastic year than ever before. If anything, the Spartans of 1935-36 displayed more color than ever before.

Even though the 1935 gridiron season did not prove as successful as in previous years, the University of Tampa Spartans were considered highly successful for their heroic stand against such teams as the Western Kentucky Teachers' college, Cumberland university and Lebanon Valley. The crowning climax in the past football season, however, occurred when the University of Tampa was conditionally accepted by the S. I. A. A. conference. This step indicates the rapid progress made by the Spartans in three or four years of football warfare.

The local grididders dropped five football tilts in 10 games, but Tampa fans may be assured that these defeats were at the hands of gridiron elephants which were developed in past years. It takes time to build a strong football machine in any college and the University of Tampa has had only three genuine football editions. However, the fact still stands that the Spartans have won 19 tilts since the inauguration of football in this institution and have dropped only 11 defeats with two deadlocks.

#### Spartans Win

Such teams as the Miami Hurricane, Rollins college, Newberry, Alabama State Teachers' college, and the South Georgia State Teachers' college were spanked by the 1935 Spartans.

Beginning the basketball season with a new coach, George K. Straus, and dropping the first game by a 40-18 score, the University of Tampa Spartan cagers certainly saw no

gleam of hope for a successful campaign on the hardwood floor. But Coach Straus immediately took the situation well in hand and molded a smooth fast-breaking cage team which was soon to be heralded as a promising quintet by state sports writers. The 1936 basketball team, minus the services of a few crack stars of previous years, went through a rather hard season to cop only four games in 13 tilts. But these defeats meant little to the Spartan dribblers who conquered Mercer university, 42-38; Southwestern Louisiana, the team that handed Tulane a defeat before its encounter with the locals, Southern college, and the St. Petersburg commercial champions, Cooksey's Independents.

#### Go to Finals

To top the season, the Spartans went to the finals in the Florida state A. A. U. basketball tournament at the Davis Island coliseum. The Red, Gold and Black quintet dropped its final game of the year to the Gulf Oil five of Gainesville, 30-23.

Since the termination of the gridiron and basketball seasons, the Spartans have been somewhat idle as far as intercollegiate competition is concerned. Track, boxing, wrestling, cross-country, baseball and tennis have been swept aside for some reason or other, but it is the sincere hope of this department that next year may bring to the University of Tampa a bigger and better intercollegiate program for the idle Spartans.

By DOT TALBOT

Miss Dot Sanford was crowned tennis queen of the University for 1936. Her path to the championship was not easy and her victory is well deserved.

Miss Margie Dennis was the other finalist in the tournament, and her match with Miss Sanford was the high light of the event.

Dot took the first set, 6-3, the second went to Margie, 6-4, and in the deciding set games went to deuce time and again, ending finally at 10-8, with Dot leading.

Margie reached the finals by defeating Miss Betty Dickinson, 6-1, 6-3, in a second round match, having drawn a bye in the first. She defeated Miss Mickey DeWolf, outstanding basketball player, in the semi-finals, 6-1, 6-2.

Dot got to the finals by a first round win over Miss Jeanie Trice, 6-1, 6-0, then took Miss Helen Windham in short order, 6-0, 6-0, and a close win over Miss Mildred Rupe in the semi-finals put her in the championship match. Mildred won the first set but Dot rallied in the second set and took the last two.

There were 20 girls competing in the women's singles this year. Miss Sanford was presented with a silver medal from the intramural department.

The University women's tennis team lost their first outside contest,

DOT

six matches to one, at Clearwater last week.

Clearwater Wreckers allowed the locals not a single match during the whole contest, however, one match went to three sets. Miss Marjorie Dennis and Dot Talbot, playing Miss Maggie May Flowers and Dot Dimmitt, won the first set, 6-0, but lost the next two, 3-6, 3-6.

Miss Mickey DeWolf lost two straight sets to Ruth Crawford, 6-0, 6-0. Miss Dot Dimmitt of Clearwater defeated Miss Dot Sanford, 6-3, 6-2.

Miss Marjorie Dennis of the University lost to Miss Maggie Flowers, city champion of Clearwater, 16, 2-6. Miss Elizabeth Armstrong, of Clearwater, defeated Miss Dot Talbot, playing in the first match of the evening, 6-4, 6-3.

"Birdminton" and "Ping Pong" tournaments are scheduled for this week with two entrants from each of the girls' intramural teams. Winners will receive points which go toward the winning of the intramural plaque by the championship team.

A diamond ball game will be played by two teams composed of all girls eligible to compete for the diamond ball medal which is awarded to the outstanding player. The game is scheduled for the first of next week.

University women swimmers will have the chance to show their stuff at the annual meet at Temple Terrace today. Each swimmer may enter three events and the relay. Two entrants from each team may sign up. The events scheduled for the meet are: 50-yard free style, 50-yard back stroke, 50-yard breast stroke, 90-yard medley, relay, and diving.

## Cross-Country Meet Will Be Staged Tomorrow Afternoon

Only 10 men have entered the second annual University of Tampa cross country classic which will be held here tomorrow afternoon. The map of the course may be obtained at the athletic department.

The event, originally scheduled for last fall but which was postponed because of lack of interest, will be run over the same course which the runners had two years ago. The start will be held at Plant field and the runners will circle the half mile track once and then go out into the street through the eastern gates. From the gates, the harriers will pursue the course of the Plant park around the southern end of the main building of the University. They will run by the bear's cage, cross the brook and then proceed along the side of the river bank until the tracks. From there, the runners will go back to Plant field and again run around the track and finish in front of the grandstand.

Gerald Hotchkiss, Spartan long distance ace in 1934-35, who was timed at 10:42.4 for the course two years ago, has probably set a record which will stand for a while. Shack Shackelford, former state A. A. U. cross country champion, finished a strong second in the 1934 event. Neither of the two men will be back to defend their coveted laurels.

The intramural board recently met and decided to give places to the first four men only. The 5, 3, 2, 1 scoring system will be applied and the team having the highest total points will be awarded the event.

Men entered in the 1936 classic include Manuel Ramirez, Oswald Delgado, Lincoln Dowell, Bill Rhoden, Willie Godwin, George Aubert, Curly Johnson, Clarence Young, Byron Wilson and Phil Patterson.

## Field Trip Made By Geologists

On Wednesday afternoon, the first year class in Geology journeyed up to South Lake, near Groveland to inspect the drilling operations now in progress there.

The class was the guest of the development company. The purpose of the trip was to inspect modern drilling equipment, methods of drilling and sampling, and to see the drill cores on file at the well. A lecture on Florida oil possibilities was given the class by the technical advisor of the development company.

#### FEDERAL FUNDS FOR COLLEGES

Federal funds for the completion of 465 campus building projects have been allotted by the Works Progress Administration after approval by President Roosevelt and assistant WPA administrator Aubrey Williams. The federal government is providing \$6,120,414 for these projects, while the institutions are providing \$1,343,505. Exactly 14,935 workers (some of whom are students) are being given employment on these projects, which will provide 68,778 man-hours of labor when completed. Mr. Williams is also administrator of the National Youth Administration which is giving 118,889 under-graduates employment at \$15 per month and 4781 graduate students employment at from \$25 to \$30 per month.

## RHO NU DELTAS, SIGMA EPSILONS WIN BALL GAMES

Led by "Big Mike" Wilkerson whose bat cracked three hits in five trips to the plate, the Sigma Epsilon Engineers took a 9-5 diamond ball tilt from the hapless Plebes in nine innings. This was the first game of the annual diamond ball tournament at the University of Tampa. In the second tilt last Tuesday, the Rho Nu Delta Trojans bowed to the Pink Elephant outfit by the score of 12-5.

In the first encounter Tuesday afternoon, Tiny Hurn of the Sigma Epsilon club allowed only seven hits and struck out five. Long Plebe leading hitter, could only get one hit off the invincible Hurn.

"Red" Means, Pink Elephant shortstop, enjoyed a batting afternoon in the Rho Nu Delta clash. He connected Ramirez's deliveries for two home runs and a single to lead his teammates at bat. Sparkman, first baseman, also hit safely three times. Charles Sierra and Daniel Acosta, Trojan players, connected safely three times apiece in five official trips to the platter.

The score by innings:

First Game:		R	H	E
Sigma Epsilon	022 000 330	9	13	2
Plebes	000 012 000	5	7	4
Second Game:		R	H	E
Pink Elephants	412 000 005	12	13	2
Rho Nu Delta	301 010 000	5	10	3

## Boxers and Hippos Decide Championships (Continued from Page 1)

Stephens. His brother, Paul Alfieri, 174-pound fighter, won a technical knock out win over Luther Sparkman, Pink Elephant ace. The bout was stopped in the second round.

Virgil Harris, 158 pounder, won over Harold Balcom, 150, in a gruelling eight-minute mat bout.

The biggest upset of the evening took place when Conrad Bishop, 168-pound boxer of the Sigma Kappa Nu fraternity, pounded the judges' decision over Jay Toulme, Mississippi batter, after they had fought to a draw in the regular three-round bout.

In another boxing match, Lafayette Ingram, 166 pound champion last year, easily outpointed C. S. Moore, Louisiana fighter, in three rounds.

Johnny Nevers, 155-pound Illinois Beta Chi flash, won a wrestling match from Ed Bridges in eight minutes.

## Yearbook Final Copy Goes to Press

Final copy for the Moroccan, first yearbook of the University of Tampa, was taken to the Tribune Press, the printers, on Monday of this week and it will be just a short while before the publication will appear. It is hoped to distribute the books on the class day which is held by the Senior class. The day set is June 9.

Every member of the staff worked many hours last week preparing the copy and they feel relieved now that the burden is off their shoulders.

## "THE SOCIAL SPOTLIGHT" THIS WEEK

By KITTY LEA

DEAR MINERVA:

"Lotta Chatta" had everyone guessing when she mentioned that a couple of University students would be the next to announce their engagement. For awhile guessing was the favorite pastime and Smiley sat around and guessed with all of us.

Saturday night at the Rho Nu Delta dance Lucille and Smiley announced their engagement and were swamped with congratulations. Lucille blushed beautifully and they both looked so happy.

The Rho Nu Deltas put all the other dances to shame as far as decorations went. Flags from Latin-American countries were hung around the room and a huge American flag formed the back drape for the orchestra. The new officers of the fraternity were introduced and several speeches were made.

School seems strangely peaceful now that all the electioneering is over. Ray Newell is now president of the junior class. Bruce Kelly is sophomore president and Crockett Farnell is junior representative.

Many students worked very hard on the annual and the staff thanks them. Theodore Lesley worked two nights on it, and Carmen Moran wrote the school history.

June 3 is the date set for Margaret Stone's and Dr. Bode's marriage. They will be married at the St. Andrew's Episcopal church. All of us wish them the best luck in the world. They met soon after Dr. Bode came to Tampa last fall and have gone together ever since.

More nice things are planned. Friday afternoon the Freshmen picnic will be held at Temple Terrace. A swimming meet will furnish plenty of excitement and entertainment. Last year some of the swimmers tried something new and swam with their cigars in their mouth.

Friday night the Sigma Kappa Nus are giving a dance at the Yacht club. Marjorie Dennis, Marian Torkelson and Mary Glen Coarsey are the sponsors for the dance.

Monday night some of the Delta Kappas ushered at the dance recital given by Marguerite Youman's dancing classes. The recital was a big success and was followed by a dance.

The big affair of next week will be the Junior-Senior banquet. The plans for it are still somewhat vague but we feel sure it will be a big success. Last year it was outstanding because many of the boys turned out for it in tuxedos and looked ever so handsome. This year the boys are to wear semi-formal dress.

Now that it has started raining again John Donnell's new rain capes should sell in a hurry. They are transparent and look like little Red Riding Hood's cape. You can get them in beautiful shades of red, green, blue and colorless.

We expect grand things from the Student Council next year. Walter Hoy is president of the student body, Adolph Ramirez is president of the senior class, Mary Eve and Phil Patterson are the senior representatives, Crockett Farnell is junior representative and Bill Dmytryk is sophomore representative. Mary can maintain the council during football trips.

You'll hear more from me next week. I'm going to the fights now and can't wait to see how they will come out.

As ever,  
PSYCHE.

### Personals

Miss Charlotte Anne Thompson, librarian, left last week for Michigan.

Miss Irene Smiley, of Pierson, is visiting Miss Lucille Musgrove, whose engagement to John Henry Smiley was recently announced.

Milford Rhines spent the week-end in Largo.

Tony Freedy spent Sunday at Clearwater.

Mrs. Rosario D'Angelo is planning to spend the summer in New York.

# SOCIETY

## Engagements Announced

MISS MARGARET STONE

MISS LUCILLE MUSGROVE

The two young ladies above have recently announced their engagements which are of interest to the students of the university. Miss Margaret Stone will wed Dr. Donald D. Bode on June 3rd and Miss Lucille Musgrove, former student, will marry John Henry Smiley, president of the student body, sometime this summer.

## Student Body President, Instructor, To Marry Soon

Two engagements announced recently will be of much interest to the students of the University of Tampa.

Mr. and Mrs. D. D. Musgrove, 214 South Delaware avenue, May 16 announced the engagement of their daughter, Miss Lucille Musgrove, to John Henry Smiley, son of Mr. and Mrs. V. L. Smiley of Pierson. No definite date has been set for the marriage which will take place during the summer.

Miss Musgrove, who was born in Lake City, has lived in Tampa since early childhood. She was graduated from Plant high school where she was voted the "prettiest" girl of her class. She also attended the University of Tampa where she was a member of the Delta Kappa sorority.

Mr. Smiley, a native of Crescent City, attended school in Pierson. He entered the University of Florida where he was a member of the Delta Chi fraternity, and later attended Oglethorpe University in Atlanta, Ga. He is a member of the graduating class of the University of Tampa and is president of the student body. He was voted one of the most popular boys in his class and is assistant editor of the Moroccan, the University year book. He is a junior member of the Tampa Rotary club and is a member of the Junior Chamber of Commerce.

The announcement of the engagement and approaching marriage of Miss Margaret Gould Stone to Dr. Donald Denby Bode was made by the mother of the bride-elect, Mrs. Arthur L. Stone, 151 Baltic circle, Davis Islands. The wedding will take place on June 3 at 4:30 o'clock at the St. Andrew's church, with the Rev. John B. Walthour officiating.

Miss Stone was born in Erie, Pa., and came to Tampa about 10 years ago. She attended the Washington Seminary in Atlanta and the University of Georgia in Athens. She received her L. L. N. degree from the latter college. She is a member of the Kappa Delta sorority.

Dr. Bode is the son of Mr. and Mrs. F. L. Bode of Memphis. He is a graduate of Southwestern in Memphis, receiving his B. S. degree at that college. He later took post graduate work at the University of Virginia at Charlotte, receiving his M. S. and Ph. D. degrees from the latter college.

He is a member of the Theta Nu Epsilon social fraternity and is head of the Department of Chemistry at the University of Tampa. After their marriage the couple will reside in this city.

## Sigma Theta Phi's To Have Party Soon

Sigma Theta Phi sorority held its regular bi-monthly meeting Tuesday evening at the University to complete plans for the informal party which is to be given tomorrow night at the home of Miss Marian Torkelson on Azele street, for members and their dates.

Additional plans were made and completed concerning the annual banquet to be given in June. At this time the new officers of the sorority, which have been kept a secret until now, will be formally installed and introduced.

## Delta Kappas Plan Invitation Dance

Tentative plans for an invitation dance to be given Friday, June 5, were made Tuesday night at the Delta Kappa sorority meeting. Preceding the dance formal initiation of pledges and installation of officers for next year will take place.

Naomi—You know, the more I think about it the more certain I am that I married a fool.

Harry—Perhaps you did, my dear. You know that when you married me you said few people were so much alike as you and I.—The Pathfinder.

We have unexcelled facilities and capacity for executing large or small orders for all styles of photo-engraving. Our very reasonable prices are in keeping with present-day conditions.

## Sigma Kappa Nus To Give Annual Spring Dance Tonight

The Sigma Kappa Nu fraternity will have its annual spring dance tonight at the Tampa Yacht and Country club. About two hundred folded invitations, with a flower design embossed on the front, have been issued. A floor show will entertain and the newly elected officers will be announced. Silver and black boxes of candy will be given to each of the sponsors who are Miss Marjorie Dennis, escorted by John Donnell, Miss Marian Torkelson, escorted by Dean Wilson, and Miss Mary Glen Coarsey, escorted by Lafayette Ingram.

White gardenias, the fraternity flower, will be given to each member's date during one dance for members and their dates only.

Miss Dennis will wear a blue printed chintz with a high stand-up collar and a flared skirt. Her accessories are of ivory. Miss Torkelson will wear a princess model gown of flowered pink organdie and a ruffled cape of the same material. Her accessories are silver. Miss Coarsey's gown is of pink chiffon with a shirred yoke effect and cape sleeves. Her accessories are gold.

Bruce Kelly's orchestra will play. Chaperons are Mr. and Mrs. Miller Adams and Mr. and Mrs. Louis Nava.

A luncheon was given yesterday and plans for a private social affair were discussed.

## "313 Masquers" Presents Comedy As Final Show

The "313 Masquers" Dramatic club will present its final production of the year next Tuesday evening, May 27, in the music room of the University.

A three-act comedy, "Aunt Abby Answers an Ad," is the title of the play to be given by a group of students under the direction of Mrs. Elizabeth Connally, dramatic instructor. No admission will be charged.

Members of the cast of the play are as follows:

Aunt Abby, a dyed-in-the-wool old maid, Frances MacNamara.

Lucindy Lovejoy, her maid-of-all work, Idelle McMillan.

Horace Harter, her unwelcomed suitor, Jimmy Lindsay.

Anna Ansley, her niece from the city, Helen Windham.

Lillian Lorraine, Anna's girl chum, Lella Turner Clark.

Billy Barberton, engaged to Lillian, Trueman Hunter.

Bobby Barrington, Anna's boy friend, Clarence Young.

Mrs. Purrviance, a tourist, Anne Way Peebles.

Horace Harkwell, a lovely widower, Bert Hernandez.

Essie Ebbercole, a tattletale, Dolly Quinn.

Members of the club are going on a picnic tomorrow afternoon at Lake Carroll. Swimming will be enjoyed, after which a huge picnic supper will be served.

## Rho Nu Delta To Install New Officers at Lunch

The Rho Nu Delta fraternity will conclude its scholastic year's program of activities by giving the fourth monthly luncheon next Tuesday noon in honor of Judge Castiglia of the juvenile court. President Frederic H. Spaulding and Dean M. S. Hale will also be guests of honor at this occasion.

The newly elected officers of the fraternity will be installed at the luncheon. Benigno Miyares, president; Charles Sierra, vice president; Manuel Ramirez, secretary, and Edward Plummer, treasurer, are the new executive officials who will be installed Tuesday. The retiring officers are Don V. Giunta, president; Adolf Ramirez, vice president; Manuel Ramirez, secretary, and Georgia Giglia, treasurer. The new set of officers will be read the oaths of the fraternity by Louis A. Nava, Rho Nu Delta faculty advisor.

A musical program will be presented by members of the fraternity at the luncheon.

Members and pledges who are expected to attend the luncheon Tuesday noon are George Giglia, Don V. Giunta, Hugo Goodyear, Bert Hernandez, Evelio Lopez, Benigno Miyares, Edward Plummer, Adolf Ramirez, Manuel Ramirez, Torino Scaglione, Charles Sierra, Robert Tramontana, Teobaldo, Zaccchini, Joseph S. B. Coniglio, Hasus Castro, Braulio Alonso, Karl Anderson, Oswald Delgado, Louis Guerra, Cecil Henriquez, Aurelio Prado, Paul Alfieri, Sam Alfieri, Daniel Acosta, Americus Spoto, Manuel Vasquez and Edwin Bridges.

## Seven Members Awarded Keys in Pre-Medical Club

Several outstanding members of the Pre-Medical club were presented gold keys with the club insignia engraved upon them at a meeting of the organization last Monday evening.

Members who received keys were Prof. Robert F. Webb, faculty advisor, Robert Clark, Emrys Sheppard, A. D. Young, W. K. Gipson, John Briley and Arthur Whiteside.

Dr. G. J. Perdigon, prominent Tampa dentist, was guest speaker at the meeting. He spoke on the profession of dentistry.

The group met in the Geology laboratory. Arthur Whiteside is president of the local group.

## University Band In Final Concert

The University of Tampa band will make its final appearance before a public audience next Sunday afternoon in the bandshell at Plant park, beginning at 3:30 o'clock.

The concert at that time will feature the orchestra division. The band has appeared on many programs and in parades all over the west coast this year.
