New Officers of Delta Sigma at the Installation Ceremonies

## Delta Sigma Pi Officially Installed on T.U. Campus

by Al Waters

A chapter of the international professional fraternity of Delta Sigma Pi was added to the list of Greeks on the campus on Saturday, January 26. A total of forty men were made active members of the Epsilon Rho chapter of the professional fraternity during ceremonies held at the American Hellenic Center.

Dignitaries called on for speeches were led by J. D. Thompson, Executive director from the central office in Oxford, Ohio, and Monroe Landreth, Director of Southeastern Region from Charlotte, North Carolina. Other speakers included Dr. James Covington, Dr. Carlos Weiman, John Hanna, Col. Frank Hutchins and Mike Kovach, who received the charter as the chapter's first president.

The officers inducted included President, Bob Munz; Senior Vice-President, Ilmars Izilna; Vice President, Jere Munz; Treasurer, Jim

Smalley; Secretary, Bob Miller; Historian, Al Waters and Chancellor, Joe Dervacs. Mike Kovach, Jim Pettus and George Bollinger were officers last semester. Adviser William Czerwinski was among those made active.

Among other members in Epsilon Rho are Jeff Corbman, Phil Davis, Bob DeRidder, Ralph Dunham, Don Frye, Ron Gognon, Jeff Garson, Ron Haws, Edward Imperato, Bill Kaufman, Soterios Kyriakow, Frank Lyons, Bob Miloshevsky, Bill Motsett, Pete Peck, Denis Petretti, Howard Phillips, Hoke Pigott, Joe Pullara, Neil Rowsey, Richard Russo, Anthony Suarez, John Tracy, Harry Prout, Jeff Wallberg, Dave Wabrath, Bob Warren and John Zabaski.

The official Ritual Team was composed of chapters from Florida State University, University of Miami and the University of Florida. It all was led by Delta Iota chapter of Florida Southern.

## Fifty-Seven Students Take Part in February Graduation

This past February 1, fifty-seven students were graduated from the University of Tampa, one receiving a Bachelor of Arts degree and the remainder, Bachelor of Science degrees.

Four students were graduated cum laude, which requires an overall B plus average in college. They are Janice Mae Hornaday and Rose Marie Swain, of Tampa; Patricia Ann Miller, Valrico; and Patricia Ann Rawls, Brandon.

The graduates will receive their diplomas at June commencement exercises, as no mid-term graduation ceremonies are held at the University.

The graduates and their hometowns are:

**BACHELOR OF ARTS:** Adrian Alfonso Elvira Bradley, Tarpon Springs.

**BACHELOR OF SCIENCE:** Norma Yvonne Boza, Lindsey Earl Bramlett, Shirley Piper Bullock, William Ray Busler, M. Alan Chameides, Frances Richards Chappell, George Bowman Church, Jr., Wil-

liam John Davenport, Dorothy Crinna Ellis, Donald G. Frye, Jr., Jacqueline Bettis Gaither, Edward Franklin Giunta, Mary Frances Grimaldi, Sam Guggino, Charles Wesley Harndon, Janice Mae Hornaday, Kenneth Charles Kane, Russell Sage King, Patricia Greene Lane, Stewart Hansen Long, Elaine Marichal, Joseph Raymond Mickler III, Robert Drew Mohr, Nora Palheiro, Sylvia Diane Penzato, Walter Irwin Percy, Jr., James Granville Pettus, Lionel Raphael Polo, Augusto Ramos, Jo Ann Randazzo, Albert Rodi, Jr., Rene Rodriguez, Sandra

(Cont. on Page 2)

## On-Campus Enrollment Now Listed At 1,781

Total on-campus enrollment for the spring semester at the University of Tampa is 1,781, Dr. Willis J. Dunn, director of admissions and registrar, has announced.

This number includes both day and Evening Division students. Although an exact breakdown between full-time and part-time student enrollment figures has not yet been completed, Dr. Dunn estimates that approximately 1,250 full-time students and approximately 531 Evening Division students have been registered.

This total enrollment figure does not include two credit education courses which will be taught off-campus and for which registration has not yet taken place. Dr. Dunn expects an enrollment of from 50 to 55 students in these two classes, which would bring total enrollment figures to approximately 1,836. This was the total enrollment figure for the spring semester of 1962.

Full-time student enrollment at the university for the 1962 fall semester, was 1,306.

## Music Department Offers Instrumental Clinics at T. U.

The Music Department of the University of Tampa will continue its series of instrumental clinics with the presentation of David Weber, distinguished New York clarinetist and clinician, Saturday, March 2, at 1:30 p.m. in the university ballroom.

The clinic will be open to the public and although of primary interest to clarinetists, all instrumentalists and instructors as well as the general public are invited.

Weber has been one of the outstanding clarinetists in New York for many years and presents clinics throughout the country regularly. He has performed with all of the symphony orchestras in New York and is a recording artist for the major record company orchestras.

## Harriet Aronson on Ted Mack Hour

Nation-wide audiences heard the voice of Harriet Aronson on Sunday, February 24 at 12 noon on Channel 13, WTVT. Harriet is one of our own coeds and appeared on Ted Mack's Amateur Hour, singing "Red, Red Robin."

Harriet, a freshman, is a native New Yorker. After starting her training at the Star Time Television Show in New York City, she studied under Al Griener for six years, during which time she appeared for many benefit performances, at private parties, and wedding receptions. She met Connie Francis, also a former Griener student. She also knows Bobby Darin and Alice Lon who once was vocalist for Lawrence Welk.

## Greek Organizations Take 96 in Spring Rush

Spring rush came to a climax yesterday with the five fraternities on campus giving bids to 73 men. From all indications, the rush parties were the most elaborate ever held.

Sorority rush ended last Friday mid tears and screams of joy at Dean King's office, when 23 campus beauties accepted bids. Below is a list of the women that have pledged this semester.

### Alpha Chi Omega

Mary Ellen Alexander of Port Charlotte, Katherine W. Emrick of Ashland Kentucky, Linda Kay Johnson of Tampa, Diana L. Kurre of Scotch Plains, N. J., Barbara Ann Meister of East Gary, Indiana and Judy Lee Orovic of Spartanburg, Pa.

### Delta Zeta

Leona Bittner of Chicago, Ill., Nancy Berenguer of Coral Gables, Estela Gual, Marlene Loreda, Jeanie McBryde, Yolanda Menendez of Tampa, and Marilee Curen of Brandon.

### Zeta Tau Alpha

Suzanne Janet of Nassau, Bahamas, Marsha J. Bryant of North Apollo, Pa., Mary Jane Day of Washington, D.C., Lorriane Guida of Tampa, Beth Johnson of Nassau,

Bahamas, Maria Kladis and Glenna Jean Osborne of Tampa, Wendy Jane Salichs of Floral Park, L.I., N. Y., Judy Ann Spencer of Culpepper, Va., and Agnes Trautman of Belle Harbor, N. Y.

The following are the men to receive bids to fraternities.

### Pi Kappa Phi

Brian M. Billingham of Tampa, Dan Carroll of Princeton, New Jersey, Arthur Chiodo, Buffalo, N. Y., Douglas Dallier, Tampa, Bernard D'Arcy Absecon, N.J., Mario DeLuca, Bergenfield, N.J., Robert DeMar, Riverside, Conn., William Devitt, Blue Bel Pa., Clifford B. Finkle, Caldwell, N.J., Ronald Taganon, Hartford, Conn., James Gorman, Bloomfield, Conn., Otto (Bubba) Gragnani, Richmond, Va., Gordon Hare, Villa Park, Illinois, Robert Hiltonen, Danvers, Mass., James Holmes, Titusville, Florida, Richard Jester, Waldwick, N.J., Kenneth Meyer, Malverne, L.I., N.Y., Michael Orfinik, Garden City, N.Y., Louis Pasetti, Tampa, Joseph Pizzano, Harrisburg, Pa., Philip Powers, Jackson Heights, N.Y., Donald Shumway, Northboro, Mass., James Stephenson, Ashland, Ky., William Terri, Bronxville, N.Y. Richard Whitney, Westboro, Mass.

(Cont. on Page 6)

## University Enters State Art Exhibit

The Florida State Fair brought much happiness and color with it, despite the gloomy weather, and one of the brightest spots was the newly redecorated and arranged Art Gallery where five faculty members and four students of the University of Tampa displayed their works. Three were prize winners in the annual Fair art competition.

Exhibitors were as follows: Wallace F. Green, Chairman, Department of Art; Alfred E. Nash, Harold Nosti, Frank Colson; (all instructors in Art); Joe Testa-Secca, Lecturer and Artist-in-Residence.

Students were: John M. Murray, winner of a \$500 prize, and student assistant; John D. Witt, senior art major; Mrs. Anne Echelman, and Mrs. Bonnie Hughes Broadway.

Harriet's ultimate goal is a singing career. And, her education here at Tampa U. is very important to her. She is majoring in physical education.

We can help her by voting. Each vote counts. Send your vote on a post card to:

Original Amateur Hour  
Box 191  
Radio City Station  
New York, N.Y.

Let's do this! She certainly deserves our votes for a job well done.

A later article will concern Pam Seifert, who, along with Harriet, was chosen to be on Ted Mack's Amateur Hour and will appear in April.

# MINARET

The Minaret is published bi-monthly by the students of the University of Tampa, Tampa, Florida  
Member: National Advertising Service, Inc., Florida Intercollegiate Press, Associated Collegiate Press, Intercollegiate Press.

## Letters To The Editor

Dear Editor:

Much work on the part of many people went into planning the program for Religious Emphasis, in an effort to make it beneficial for all faiths. The programs were not well attended by students or faculty even though there was a wide variety of well prepared activities.

Student and faculty attendance was not what it should have been for the Tuesday Interfaith Convocation. How would you like to be the speaker and see an over abundance of empty seats? The Panel discussion held in the Ballroom Wednesday gave facts concerning the religious approach to the problems of race throughout the nation in which we are all interested. Again, poor attendance. IS THIS THE PATTERN OF ATTENDANCE THAT REFLECTS THE STANDARDS OF OUR CAMPUS?

This 'Letter to the Editor' is to show that the one thing wrong with activities of the past week was the LACK OF PARTICIPANTS. Something should be done to TIE students, administration, and faculty into a group to take part in religious life on campus. Religious Emphasis Week should not be discontinued, especially in times like the present when moral values are vital!

DICK DAVISON

## The Typically

### Modern Traveler

Theres little enough by the sea,  
That is, little enough for me.  
Id rather be high  
Where the hills touch the sky.  
Theres little enough by the sea.

Theres little enough in the city;  
At least, for me, its a pity  
That buildings should rise  
And cut off the skies.  
Theres little enough in the city.

Theres little enough on a ranch,  
At least not if its just a dude branch  
Of that wide, wooly west  
That the bad-men infest.  
Theres little enough on a ranch.

Theres little enough on a farm;  
Id be afraid I would come to harm  
And a red kerchief pull  
On a color-mad bull;  
Theres little enough on a farm.

Theres little enough to please me,  
If out in the air it must be;  
So Ill sit in my chair  
And change channels there —  
And watch the whole world on the TV.

— Rita E. Owen

## FEB. GRADUATES . . .

Blanche Rodriguez, Charles Edward Rose, Gerald Harrell Stead, Rose Marie Swain, John Emerson Terrell, Frank Jerry Vacanti, Louise Loper Whitener, Bernice Phyletus Wright, all of Tampa.

Also, Henry Grady Sweat, Jr., of Balm; Patricia Ann Rawls, Brandon; Elaine Katherine Korenek and Edward Samuel Sullivan, Largo; Jennie Campisi Ciccarello, Limona; Arthur Dean Burroughs, Orlando; Ellen Richman Fleece, Robert Halvorsen Hoel, Roberta Jean Kidd, Howard Raymond Zimmerman, St. Petersburg; Constantinos Kopelousos, Starke; Mary Maxine Greenwald, Treasure Island; Patricia Ann Miller, Valrico; Layden Theodore Rieke, Auburn, Ind.; L. T. Louis, Jamestown, N.Y.; and Peter Joseph Sargolagos, Preveza, Greece.

## Greeks Get Together

### DELTA SIG

Brother John Hanna, former T.U. Student Body President, should be commended for his work as the founder and first president of the old business club.

Brother Mike Kovach, last president of the Business Club and First President of Epsilon Rho, is given thanks for his services, which were above and beyond the call of duty. Mike was the one man that did the most to make this organization what it is. He really hustled and worked hard — he even washed the dishes after the initiation banquet. He graduated in early February, but in appreciation of his services the members are getting him a life membership in Delta Sigma Pi.

To brothers Bill Moulis, Ilmars Dzilna, Jim Pettus, Steve Kyriakou and Gus Kopelousos thanks is extended for their outstanding jobs in putting on the installation . . . Congratulations to Brother Richard Russo on his recent marriage . . . The work of brothers on registration was a tremendous success . . . Despite the administration worry about the type of job that would be done, the brothers conducted the business accounting part of it extremely well. After it was over the administration was well pleased and commented that it had run the smoothest ever . . . Big events coming up soon . . . beginning with rush party March 9 . . . interested Business and Accounting majors should look into this . . . sign up for rush in the Dean of Men's office Monday and Tuesday, March 4 and 5.

### SIGMA PHI EPSILON

Newly elected officers for the 1963 year were recently inducted into Sigma Phi Epsilon. They are: Tony Yelovich, President; John Hines, Vice President; Joe Mucklevitz, Secretary; Don Koechlin, Comptroller; and John Reinhold, Historian.

Congratulations to Tex Jones, George Moran, Ed Vitali and Bob Kalmin, who became brothers in Sigma Phi Epsilon recently.

Congratulations also to Terry Underwood, Will Gillonardo, and Vaden Bessent who became engaged over Christmas vacation.

Congratulations to brother Tex Jones and Joyce Wainwright who are pinned.

We would like to thank Pete Mariani and his committee for a very successful rush party.

### PI KAPPA PHI

We would like to announce that Brother Roger Howard is running for Student Body President. His qualifications are many and will appear at a later date in the Minaret. Jim LoBiondo is also running for sophomore class president. Much thought should be given by every student here at the University concerning these elections as in the past it mostly has been a popularity contest.

Charles Cullens and his committee have been doing a very fine job in planning our social events. Some of the events which will be coming up this semester are the Barefoot Ball, Shipwreck, Western, Pi Kapp Weekend (March 29, 30, 31,) and Daughters Day which will receive much publicity from our National Office.

Congratulations are extended to Brother John Rumpf and Jeanne Hartmular who were pinned over the Christmas holidays.

Coach Morizzo has announced that the basketball team has been practicing quite regularly. Intramurals this year have set up the schedule so that the games will be held at 4:00 and 5:00. Good luck is extended to both the coach and team which consists of the following brothers: Mike Zidek, Aaron Dowd, George Cudhea, John Rumpf, Dave Villari, Eugene Chelbicki, Leo Diaz, Don Small, Rich Nicolosi, and Bob Olmstead.

Brother Joe Pullara, chairman of the rush committee, has set up a very fine party for the prospective rushees. Held on Wednesday night the 20th of February a fine time was had by both brothers and rushees. The evening consisted of many fine times with stress put on exactly what fraternities are and what they offer you as a prospective. Our very active advisers, Professors Baker, Hyde, and Cyzewski, stressed this highly.

At this time I would like to congratulate brother George Clements who has graduated this month. George has been active in the fraternity holding down the presidency two different semesters and being on many other committees. But above all George has received such awards as the Borden scholarship, member of Phi Society and has an overall average for four years of 2.45. Plans are now being made for George's future which will be the marrying of Laura Lee Baker on the 16th of March.

Congratulations to Dick Perrier who was recently appointed News Editor of the Minaret.

### ZETA TAU ALPHA

We hope that you all enjoyed a nice semester break and are already to join in the activities which take place during this spring semester.

Cookie Mendez will represent the University on February 23 as candidate for Latin Fiesta Queen. We wish Cookie the very best of luck!

We are all very proud of our newly decorated sorority room in the women's dorm.

Wedding bells rang for Miss Roseanne Chinchett and Dean Burroughs Saturday, February 23, 1963. Two of our sisters have announced a June wedding, Darlene Jones andd Jean Lackovic. The new grooms respectively are Tony Belec, a former Pi Kappa Phi at the University and Al Frankel a Sigma Phi Epsilon pledge. We wish Roseanne and Jean all the happiness in the world. To our June brides the very best.

We welcome sister Jean Lackovic back from her stay in California.

Installation of new Zeta officers was held on Monday night. They are as follows: President, Evelyn Raible; Vice President, Kittie Lyon; Secretary, Barbara Scalzo; Corresponding Secretary, Jane Staples; Treasurer, Nancy Mooney; Historian, Nancy Streeter; Membership Chairman, Eileen Cassel. Congratulations to our new officers!

## From The Editor's Desk

### Absences: Excused Or Not?

College students are adults, and as adults they have rights. However, they also have responsibilities. Among the latter are the responsibilities and regulations set up to protect rights, and the responsibility to the teachers who have the awesome task of transmitting the world's knowledge in four years.

The student comes to college, it is hoped, with a definite objective: learning. Fun has its place, but it should not be primary; or, if it is, it should not be allowed to interfere with the goal-striving of others.

A current problem which is connected with the subject discussed in the last editorials — late dismissals, and the teacher's responsibility as well as the student's — is students who will not and do not care to attend classes regularly, or who enjoy the 'stage entrance' prospects of entering late continually.

It is the opinion of some students that, having paid the fees for courses, they are not obligated to attend class unless they feel like it. "After all," some will insist, "we are paying for it. Why should a teacher care if we don't come. He has less work to do." This entire theory is a fallacy. The tuition which students pay is remarkably small for the privilege of being let in 'on the ground floor' of knowledge: the opinions of men who have studied for years in order to learn. The amount of money which is paid to a professor cannot compensate for his devotion to teaching entirely. A professor can just as easily turn to research and let the youth do their own digging. The field of human knowledge is no where near fathomed. There is much more, other than teaching, that qualified teachers can do.

R.O.

That points out a loop-hole in the 'I'm paying for it' theory. As for the idea of a professor having 'less to do' because a student is habitually late or absent, this is a fallacy not at all humorous to professors. A teacher has the responsibility of teaching a certain required amount of basic knowledge to a student in order to credit him for it. When a student is late or absent, the burden of bringing a student up to date is placed on the professor. He must do special work in order to bring the student up to the level of the class in general. Why should he care? It doubles his work, and may even hinder the progress of the class in general.

The student has a responsibility, after paying the tuition, to complete his part of the contract between teacher and pupil: he must regularly attend class.

As the students are aware, there is a rigid ruling for absences at the University of Tampa. A teacher reports a student having a certain number of 'cuts,' and the student is advised of this fact. A student exceeding the number of absences allowed in his class is automatically dropped from the course, and may be reinstituted at the professor's discretion.

(Continued on Page 3)

## Senior Notables

At this time the editors and staff of the Minaret wish to extend their congratulations to those seniors who were elected by their classmates to represent their class and school as the Senior Class Notables List for 1963. They are:

*Best All Around* — Theresa Papia and George Nousiainen.

*Most Intellectual* — Jeanette DeGuzman and George Clement.

*Most Likely To Succeed* — Donna Beniger and Sam Rampello.

*Most Popular* — Ginger Sutton and Ernest Stout.

*Most Talented* — Pam Seifert and Constantinos (Gus) Kopelousos.

*Best Looking* — Cookie Rodriguez and Lefty Lewis.

*Most Athletic* — James Neve.

*Most School Spirit* — "Sis" Ferlita.

## Editor's Desk . . .

(Continued from Page 2)

This system may seem to some students to be a bit harsh: some students have valid reasons for a large number of absences. It seems to them unfair that they should be dropped from the course, even temporarily. Nevertheless, the ruling should not be 'flexible' in order to allow some students special privileges.

The problem of excused absences here becomes apparent. Officially, some professors insist on no 'excused absences,' but absences are allowed for school functions such as athletics and organizational functions. There can be little doubt that students engaged in performing for the school in some capacity should be excused from class. Excused absences however, can also apply to students absent for valid reasons, but not for school functions. There appears at the moment to be no absolutely set rule on this: some teachers accept students' words on illness or accept documented proof of validity of absence; other teachers allow no such 'excuse,' officially there are no excused absences other than for school functions. Students do not always know where they stand.

Should there be excused absences such as mentioned above? Students are human. They have reasons for being late, for failing to meet 'appointments' just as do businessmen, housewives, and everyone else. It seems that the student, being an adult, should be allowed to provide an excuse if necessary, but as an adult he should not depend on excuses. The fact that a student is ill does not minimize the problems of a professor or a class which is incomplete. Some classes require that everyone be present. Some teachers depend on particular students on a particular date for some specific work or assignment.

A student has, as noted earlier, a responsibility. It does not seem too troublesome to this editor for a student, when able, to take the time to notify his professors of his inability to attend class. A businessman who is unable to have lunch with an associate notifies him of it. In the same way, a student who knows that he is being counted on, or expected for, some particular piece of class-work, report, or occasion has the obligation to his professor to attempt to notify the professor of the circumstances preventing him from attending.

This does not mean that a student who has car trouble must drop everything and run for the nearest phone. It does mean, however, that whenever possible a student should consider his professors as businessmen engaged in important work and treat them in the same manner he would associates. It is good manners, and good policy, to inform a professor of circumstances, rather than come up later with 'excuses'.

If professors are informed early, there will be no need of 'excused absences.' The best way to solve a problem is to eliminate it.

### ATTENTION STUDENTS

## From The Dean

1. Students who forget their University I.D. cards will either have to obtain the card BEFORE being served or pay for the meal. Cafeteria personnel do not have the authority to make exceptions.

2. Boarding students who lose their I.D. cards must pay for their individual meals until they obtain another I.D. card in the office of the Dean of Men. There is a \$5.00 administrative charge for each new card. Students who lose their cards, obtain new cards, then find their old cards are not entitled to refunds. Lost cards should be reported immediately to both the Cafeteria Director and the office of the Dean of Men.

3. When a student misbehaves in the cafeteria, the Food Service Director, or his designated representative, will obtain the student's I.D. card and submit it (together with a written report) to the cognizant personnel dean. Dress regulations will be strictly enforced at all times. No person improperly attired may enter the cafeteria or be served. Any violation of this regulation may result in suspension from the cafeteria for from 3 to 10 days and/or referral to the Disciplinary Committee.

4. Students MAY NOT be excused from boarding because of employment, personal food preferences, psychological inability to eat certain meals, etc.

Michael A. DeCarlo

## Unofficial Withdrawal of Student

From time to time students decide to leave school before completing the semester and do so without withdrawing officially from the University. A withdrawal is effective only when accomplished according to University procedure. Students who intend to leave must initiate action in the office of the Dean of Administration.

Failure to check-out officially may not only affect the student's status but his grades, refunds, and the opportunity for re-admission or transfer to another institution. All charges continue until withdrawal is approved and completed.

Michael A. DeCarlo

## Tampa Art Gallery Features Local Artist Harrison Covington

Sunday, Feb. 17, marked the opening of the University of Tampa Art Gallery adjacent to the Falk Memorial Theatre.

The gallery, acquired at the same time as the theatre, has undergone remodeling and is nearly completed. The art gallery has been named the University of Tampa Charles LaMonte Gallery after LaMonte, president of LaMonte - Shimborg Builders who supervised and coordinated the building renovation and donated a major portion of construction materials.

The gallery designed by Mark Hampton, well-known local architect, is a modern, functional gallery facing Lafayette Street. The building also contains a work room, kitchenette and storage space, and has an entranceway connecting it to the Falk Theatre.

The exhibit at the opening and showing now until March 8 is a one-man show of the paintings of Harrison Covington, Tampa artist and a member of the faculty of the University of South Florida.

When this showing is concluded, monthly art exhibits will be held during the academic year.

The gallery, which is sorely needed since past exhibitions have been crowded into the ballroom, will be an important facet of the art program which is expanding rapidly at the University.

by Professor Butler

An attorney who practiced law in a small town in Mississippi, went to the state capital, Jackson, to investigate the facts and the law of a case in which the law firm of which he was a member had been employed. He registered in one of the principal hotels of the city as he planned to be there several days. He had an appointment in the morning in question with a young lady secretary. He was to meet her at the State Law Library for the purpose of briefing the law in his case. Early that morning, while taking a shower bath, hot or boiling water struck his body, and in an effort to get away from it he fell in the bathtub and was injured. His injuries consisted of five fractured ribs which required his hospitalization for about five days. Later some fluid developed in his left chest and this necessitated more time in the hospital. He was completely disabled for about four months. His medical and hospital bills amounted to more than \$1000.

The law firm, of which this injured man was a member, had elected to come under the Workmen's Compensation Law, so the

(Cont. on Page 5)

### Oarsmen Making Ready

"Cruising down the river . . .", as the song goes, is just the term to describe the University of Tampa Crew Team. That river is the Hillsborough, just a stone's throw from the Spartan Room, and Coach Bill Stalnaker and his team have been traversing its waters quite frequently in the past few weeks.

The schedule is as follows: March 23, Florida Southern and Jacksonville at Lakeland; March 27, Purdue University in Tampa; April 4, Amherst College in Tampa; April 6, Florida Southern in Tampa; April 20, Jacksonville in Jacksonville; April 27, State Title Race in Tampa; May 4, Rollins at Winter Park.

## University Concert Choir Begins Spring Programs

On Tuesday, February 19, The University of Tampa Concert Choir gave a public concert in Lakeland. The choir, directed by Mr. Malcolm Westly, Assistant Professor of Music, featured a program of varied music including the following selections:

Cry Out and Shout, Knut Nystedt; The Paper Reeds by the Brooks, Randall Thompson; Alleluia and Say Ye to the Righteous, as well as Three Fuguing Tunes by William Billings, selections from two musicals (Camelot and Carousel, and Madame Jeanette by Alan Murray, a musical adaptation of an old French legend.

Popular numbers were also performed: Moon River, Exodus Song, Music Man Medley, and the closing Battle Hymn of the Republic.

The Concert Choir, always in demand, has performed this year before the District Meeting of Rotarians as well as the Christmas party of Tampa Yacht and Country Club.

Looking forward, on April 2, the General and Community Choruses in cooperation with the Concert Choir will present "The St. John Passion" by Johann Sebastian Bach, an outstanding oratorio. This oratorio, the first of the two by Bach on the Passion, is considered the most concise and dramatic of them, and it is set apart by its highly theatrical and cunningly expressive build to climaxes.

Two beautiful arias are included in the "St. John Passion," the contralto "Tis Finished" (Es ist vollbracht), and the bass aris Consider, My Soul (Betrachte, meine Seel).

Tampa can look forward eagerly to a performance of a magnificent piece of music by a harmonious, well-trained choir, led by the widely experienced Mr. Westly.

## Faculty News

The appointment of Dr. Robert E. Wean as chairman of the University of Tampa's department of biology has been announced by Dr. David M. Delo, university president.

Professors Nash and Nosti were honorable mention winners at the competition, Nash for his oil painting "The Sleeping Ugly" and Nosti for a mosaic in the crafts and sculpter division.

For those who enjoy a little classicism in their art, the Exhibit this year included some old masters brought up from the Ringling Museum. Included were works by Corot, Gainsborough, and other members of the English School of Art, as well as traditional famous artists.

The opportunity to see and contrast classic and modern art was excellent and this year's Art Exhibition at the fair was quite a successful one.

### Dr. Plate Visits

The Ambassador of Paraguay to the United States, Dr. Juan Plate, made a brief visit to Tampa Friday, February 15.

While in Tampa Dr. Plate visited the points of interest and attended an informal reception in his honor in the Rawlings room of the University of Tampa. Present to welcome him were Dr. David M. Delo, university president; members of the university's administrative staff; faculty members interested in the university's program for foreign students and student leaders.

## Gasparilla Theme For "Music On the River" Concert

The University of Tampa Band opened the Gasparilla festivities with its "Music on the River" concert on Sunday, February 10, in the University's Falk Memorial Theater.

Again this year the band saluted the Gasparilla celebration with an all-Spanish program. The music, however, was different than that in last year's concert. The University Band was cited last year for presenting the only all-Spanish music program during the Gasparilla season.

The concert featured Spanish marches, such as "Conquest" from the Captain of Castille by Alfred Newman, "Espana Rhapsodie!" by Chabrier, "Lady of Spain," "Ritual Fire Dance," Rimsky-Korsakov's "Capriccio Espagnol," and Ravel's "Bolero."

Soloists for the afternoon were John Singleton, euphonium, who played "La Virgen De La Macarena;" a trombone trio played Co-field's "Trombrere," and Gilbert De Meza, trumpet, played "Pavanne."

Because of the condition of the band shell and benches in Plant Park, Professor Hunter Wiley, conductor of the band, scheduled the concert in the Falk Theatre. The concert was open to the public without charge.

## Non-Credit Courses Offered To Women

Two non-credit courses of particular interest to women will be offered by the University of Tampa's General Studies Division during the spring semester.

They are Legal Secretaries, which will begin Wednesday night (Feb. 27) and will continue for 12 weeks, and Poise and Self-Improvement to be held each Saturday at the university.

The Legal Secretaries course is a training program for young women desiring to become legal secretaries and also is designed to augment the education of the legal secretary. Co-ordinated by Miss Cosette Contenti, the course will take up legal terms, forms and procedures. It had an enrollment of some 50 women last fall. The class will meet each Wednesday night at the university from 7:30 until 9:30.

Enrollment will be accepted in the Evening Division office at the University of Tampa after 1 p.m. on or before the date of the first class meeting.

Joan Torretta, prominent charm school director and fashion commentator in the Tampa Bay area, teaches the Poise and Self-Improvement Course. This class offers instruction in make-up and skin care, visual poise, social graces, wardrobe styling, and many other self-improvement subjects. The classes are designed so that each student receives individual attention. Beginning immediately, enrollments will be accepted on Saturdays in Room 228 in the University of Tampa's main building. A class particularly for high school girls is held from 10 a.m. until noon and one for career women and homemakers from noon until 2 p.m.

Women of Delta Zeta looking over Scrap Book, including pictures of 1962 Best-All-Around Homecoming Float and 1962-63 Moroccan Queen, Theresa Papia.

## Delta Zeta Women Boast Largest National Sorority

To every college woman the story of woman's fight for equal educational privileges with man should be of interest. And to every Greek letter woman the story of the rise and growth of women's secret organizations is also of significant importance.

Delta Zeta is a product of this twentieth century. She was founded on October 24, 1902 at Miami University in Oxford, Ohio. Delta Zeta is the largest national sorority, having a total of 142 chapters, 232 alumnae chapters, and 48,000 members, and is among the top ten Greek organizations throughout the United States.

Delta Zeta was founded on the principles of love, friendship, understanding and above all, sisterhood. Her founders aimed high and have now worked up to the largest national sorority.

The Delta Zeta pin has received many favorable comments from persons other than members, expressing their judgment that it is exceptionally artistic, effective and suitable for use by women. The pin is a Roman lamp, placed at the top of an Ionic column in which are set four pearls. Three wings extend from either side of the lamp which bears a diamond in its flame. The Greek letters DZ appear in black enamel on the bowl of the lamp.

Delta Zeta has had many "Adventures in Friendship," or philanthropies. In 1922 she assisted the underprivileged in Kentucky, paying the salary of a teacher and helping to build two schools. During World War II Delta Zeta was engaged in local and national projects. Delta Zeta gave the first hearing aid to an underprivileged child. Since that day 130 children have received aids from Delta Zetas. Delta Zeta gives a scholarship for study in Audiology. Another adventure in friendship is Gallaudet College, Washington, D.C. Gallaudet is the only college in the world for the deaf.

Theta Upsilon sorority just re-

cently merged with Delta Zeta. This will add another philanthropy, which is assistance to the Navajo Indians.

Delta Beta Chapter of Delta Zeta was installed at Tampa U. on May 28, 1954. It was originally Alpha Gamma, local sorority. Alpha Gamma was founded in 1936.

Ever since her installation at Tampa U. Delta Beta has received various honors.

Since the beginning of homecoming celebrations in 1949, Delta Zeta's have had three homecoming queens. The 1953 Homecoming Queen was DZ Vilma Fernandez. In 1957 it was Joyce Capitano, and in 1958 DZ's again had a homecoming queen in Yolanda Orea.

In the year 1960 DZ Eileen Gomez was elected Queen of the Latin-American Fiesta. Most important of her many prizes was a trip to Europe.

Last year, then reigning president, Sharon Weaver, was chosen Outstanding Delta Zeta in the state of Florida.

Delta Beta's most recent awards

## Legislature Charters Zeta Tau Alpha

Zeta Tau Alpha was founded at what is now known as Longwood College, Farmville, Virginia, on October 15, 1898. By understanding the economic Virginia of that day, we can appreciate why the girls who were to be our Founders made the choice that they did. The Civil War had broadened the conditions and opportunities for women all over the United States, but teaching was still the only genteel occupation open to them at that time. Naturally these Virginia daughters, facing the necessity of selecting a remunerative profession, turned to the first and only normal school in Virginia as the logical place to prepare for this occupation. Thus, in 1894, we find the first Zeta Tau Alpha names — those of Maude Jones and Odelle Warren, appear on the enrollment lists. Other founders were Alice Coleman, Ethel Coleman, Ruby Leigh, Frances Smith, and a few others.

When the first secret meetings were held they were not only a thrill, but a challenge as well. Before the final Greek name was decided and other such matters, two brothers from William and Mary College, Plummer Jones, Kappa Alpha, and Giles Smith, Phi Theta Psi, were asked to be the group's consultant-collaborators. From that October 15, 1898, the Zeta's influence and service spread, and on March 15, 1902, a bill was passed through a special session of the legislature which made Zeta Tau Alpha the first women's fraternity to be chartered in the state of Virginia, and the only one ever chartered by a special act of the legislature.

Zeta Tau Alpha became a member of NPC in February, 1909, which meant that the chapters were to be restricted to universities and larger colleges for women. This opened the door for the Zetas nationally.

The officers of the Gamma Sigma Chapter of Zeta Tau Alpha Sorority at the University of Tampa are as follows: President, Janet McGee; Vice President, Joy Canter; Secretary, Pat Fussell; Treasurer, Sally Giroir; Historian, Darlene Jones;

include Best All-Around float in the 1962 homecoming parade and also 1962-63 Moroccan Queen, Teresa Papia.

Delta Zeta, ever since her installation at T.U. has been represented in the dancette squad. For the year 1962-63 there are five on the

(Cont. on Page 5)

Membership Chairman, Nancy Streeter; and Ritual Chairman, Ada Addison. The other Zeta sisters are: Norma Boza, Brenda Callahan, Kittie Lyon, Cookie Mendez, Nancy Mooney, Maxine Oliver, Lola Pius, Evelyn Raible, Barbara Scalzo, LaVerne Bowen, Eileen Cassel,

Jane Staples, and Cecilia Tillman. Many of our girls are quite active around the T.U. campus. Janet McGee is presently secretary of I.F.S.C. and Pan Hellenic. She is also Senior squad. These five are: Teresa Papia, head dancette; Beverly

BY O. E. SCHOEFLER, ESQUIRE's Fashion Director

Winter isn't really going to go on forever...it just seems that way. And by now, you've probably noticed some gaps in your cold-weather wardrobe. So, what better time to fill in those gaps...and to help you here is a review of this Winter's newest fashion ideas. What's new? Quite a bit.

**SUITS ON THE SCENE...** this Winter offer enough variety to suit any discerning young man with ideas about fashion. Dark blue unfinished worsted is your best bet for the basic, go-anywhere suit. It's equal to all but the most formal after-dark occasions, as is dark gray sharkskin bird's-eye worsted. (Bird's-eye is a tiny geometric pattern of small diamond shapes with dark center dots.) Pin stripes, especially in dark blues and browns, are playing a successful revival this year, and are due for a long run. The much more casual, soft muted glen plaids are most often seen on the fashion scene in light and dark tones of gray.

**WINTER WEIGHTS** — All wool materials, or blends of wool and polyester fibers make for lightweight warmth in today's suits. No matter what your great-aunt says, horse-blanket Winter weights just aren't necessary anymore, even for horse-blankets. The silhouette of your new lightweight Winter suit is natural shoulder, with straight-hanging, center-vented jackets remaining the rule. 3-button models are most popular with men on campus, and trim, tapered trousers, either belted or in the newer, self-belt variety, are all pleatless for a slimmer look.

**SHORT SNAP STYLING** — Short snap-tab collars on dress shirts are the front-runners in fashion today, followed closely by button-downs, both featuring barrel cuffs and button-back neckbands. While checking that wardrobe of yours, check out your shirts: make sure there are enough for a change every day—particularly in white broadcloths, the staple of your shirt supply. A few discreetly striped oxfords will lend fashionable and sophisticated variety to your stock. And both provide the right background for foulard and wool challis ties printed in soft, muted patterns.

**DAY IN, DAY OUT...** nothing cuts Winter chill like a flannel shirt, both for warmth and for warmly colorful good looks. They're either all-wool or blends of either wool-and-cotton or wool-and-polyester fibers. Oversized tartans and solid colors, classically styled with medium spread collars, are standouts for comfort and good looks.

**BREATHES THERE A MAN WITH SOUL SO DEAD...** he can't use one more sweater? If so, he can't be found on any campus we know of. Shetland pullovers in heather tone mixtures or in vibrant colors are the hardy perennials of the pullover breed, and are always in fashion. But if you're looking for something new, try one of the new Tyrolean-influenced heavy-knits. These lively patterned pullovers have V-necks that button up snugly against the Wintry winds. Cardigans, now available in lighter-than-ever-weight yarns, are fast becoming year-round favorites. Button one up against the icy blasts now, and get the bonus of casual good looks over your cotton sport shirts this Summer.

**SHEEP STRAYING FROM THE FOLD** ...are liable to wind up in shearling jackets or knee-length outercoats. Handsome bulky stadium coats with shearling lining are this year's fashion pace-setters. Cotton pile lining under smooth fabric shell is another fashionable way to fight frost. Newest of all is the quilted nylon jacket in bright blue or black. Lightweight and warm, it features a zippered front and parka hood for extra protection and trim good looks.

**RAIN MAY NOT HURT THE RHUBARB** ...but it can dampen more than your spirits if you're not ready for it. We'll see you next month, with a look at the latest in rainwear. See you then.

1962 Homecoming Queen Yolanda Gonzalez (ZTA) congratulating 1963 Homecoming Queen Cookie Mendez (ZTA).

## Selective Service Test Listed For Student Deferment

The University of Tampa will be an examination center for the Selective Service College Qualification Test, which will be given at some 500 centers on April 18.

The purpose of the three-hour written examination is to provide evidence for the use of local Selective Service boards in considering deferment of a registrant from military service as a student.

Any Selective Service registrant who is a full-time college student and has not previously taken the test may apply. Applications and information bulletins may be obtained from any Selective Service Local Board. Applications should then be mailed in accordance with instructions in the bulletin.

Results of the test will be sent to the student's local draft board.

Interested persons should get in touch with the Selective Service board with which they are registered for additional information.

## ZETA TAU ALPHA ...

(Cont. from Page 4)

Class Representative and a Dancerette. Pat Fussell was honored with being the first girl drum majorette at T.U. and has held the position for two years. Kittie Lyon was also chosen to be the first Golden Girl of T.U. Kittie is also Sophomore class secretary-treasurer and Corresponding secretary of Student Congress.

Sally Giroir was second maid in the Moroccan Court and resides over second floor of Howell Hall as Dorm Council. Evelyn Raible is also a dorm councilor on fourth floor.

We also were honored to have two of our girls chosen as Pi Kap Daughters: Sally Giroir and Brenda Callahan.

Two of our other girls are dancerettes: Barbara Scalzo and Maxine Oliver. Last year Ada Addison was chosen TKE Pledge Sweetheart.

We are proud to say that we have won the upper two divisions of floats in the Homecoming Parade for the past two years. They are: Best All Around and Best Sorority Float.

Even our Junior Actives are finding their places in the activities around the campus. Eileen Cassell is President of the French Club and Sissy Tillman is a cheerleader.

Littlest, but not least, is Cookie Mendez. She won for us Homecoming queen sponsored by the Pi Kappa Phi Fraternity. Cookie also is flag carrier for the University of Tampa.

We would like to pay tribute at this time to one of the most outstanding girls of Zeta Tau Alpha Sorority. Last year she was head dancerette, editor of the Minaret,

## Four Students Jaycees Cite

Students at the university from other countries are being honored by members of the Tampa Junior Chamber of Commerce under a newly-inaugurated program of the Jaycees.

The Jaycees are inviting two such students at a time to their regular dinner meetings at a downtown hotel with the purpose of promoting friendship and understanding with these students. The project is sponsored by the Jaycees' international relations committee, headed by Robert Gordon.

Thus far, four students have attended these dinner meetings. The first two were Salim Halta and Baheej Masri of Jordan. Salim, who addressed the group, is now a member of the Jaycees and of its international relations committee.

On Thursday, night, Feb. 21 Fouad Nassim and Fred Shaaravi of Iran were guests at the Jaycees dinner meeting at the Tampa Terrace Hotel.

The Jaycees are planning other activities in connection with our students from other countries and are to be commended for their fine civic spirit and interest.

## KNOW THE LAW ...

(Cont. from Page 3)

attorney submitted his claim. He contended that he was injured in the course of his employment because that is what made it necessary for him to be in Jackson and away from home. He relied on some cases involving travelling salesmen in which compensation had been awarded. The lower court affirmed the order of the Commission and allowed the compensation. It was appealed.

**THE COURT HELD:** The award of compensation was reversed and the claim was dismissed. The Supreme Court of Mississippi said, "It would be a strained construction to hold that a lawyer injured outside working hours and while engaged in such a personal act as bathing received his injuries out of and in the course of his employment."

To be eligible for workmen's compensation under the law it is necessary that the disabling injuries be incurred in the course of one's employment. *Breland & Whitten vs. J. J. Breland*, Mississippi, 1962, 139 So. 2d 365.

and Homecoming Queen. Yoli was also elected Best Looking and Best All Around in the Senior Class Notables. She will graduate in February. To Yoli Gonzalez we wish the best of luck, success, and happiness in her new and most important role as a wife.

## Yelovich Heads List of 1962 Football Awards

by Al Waters

The University of Tampa football dinner was held recently at the Hillsboro Hotel in downtown Tampa. The dinner was in honor of the 1962 squad and awards were presented to the "cream of the crop."

Junior Tony Yelovich copped two awards. The little All-American Honorable Mention walked out with the top award. For his superb play at center and linebacker, the G-I, 200-pounder was presented the Most Valuable Player Trophy. He also received the most popular lineman award.

Quarterback Vaden Bessent, also a junior, was given the outstanding back award for his great play at his key position.

Max Davis, a recent professional signee and rugged tackle, took the outstanding lineman honors.

Blaine Turner, who during his years here has played almost every position on the field, was chosen the most underrated player.

Roan Perez, safety expert and offensive quarterback - halfback - fullback, was the most popular back.

Pete Meoli, Larry Maier, Blaine Turner and Dick O'Brien were given awards for outstanding achievement both scholastically and athletically.

## DELTA ZETA ...

(Cont. from Page 4)

Ardisana, Marie Boykin, Eileen Gomez and Jennie LiCalsi. We are also honored to have had a past head cheerleader, Gail Davis Bailey.

Delta Zeta is proud of her progress on the campus of the University of Tampa. She is striving to make Delta Beta chapter bigger and better than ever before.

Neglected Neighbors of the North

As we look to our often neglected neighbors to the north, we suddenly see a storm of political fireworks emerging. At the heart of this eruption stands overly ethnocentric Prime Minister Diefenbaker, fuming and blaming the United States for his government's political shortcomings and failures. In our attempt to simply urge Canada to live up to its 1958 agreement in which she agreed to arm with nuclear weapons, we ran headlong into the Prime Minister's accusation of "unwarranted intervention in Canadian affairs," an accusation in which validity seems to be accepted as truth by only Diefenbaker himself. His Conservatives have been able to sit on their laurels, up to this time, but now are either going to have to make a fast re-evaluation of their overly nationalistic diplomacy or else find themselves leading Canada into the most serious break with the United States since the War of 1812. Diefenbaker is finding out, as did Macmillan in Nassau and Mr. K. with Cuba, that Canada is dealing with a new strong-willed America, which will no longer tolerate being white washed with sonorous oratory.

With the dissolution of Parliament, there seems little doubt, that a vicious battle will ensue, to see which direction Canada will be directed in in the future. If Prime Minister Diefenbaker is re-instated it's evident that we'll witness an era of Canadian nationalism whose philosophy will be riddled through with slogans of Anti-Americanism. This obviously will set well with Canadian business interests, who for years have complained that they were being exploited

bly Yankee Corporations. On the other hand, if Lester Pearson's liberals seize the reins of power, this will be so because Canada's third party, the New Democrats, has aligned itself with the Liberals, supporting a platform pledging greater cooperation with the United States.

If we were to make a political prediction; it would be that Pearson will emerge from the elections as Canada's new Prime Minister and carry with him a new, forward looking government. Canadians, resentful as they may be of United States' power and prestige, are nevertheless realistic enough to know that isolationism as well as ultra-nationalism are regressive policies in an ever shrinking world and thus will put into power those who will attempt to give Canada greater international importance.

The Liberals, however, have a hurdle which they must overcome if they expect to win this election; a hurdle which is non-political but ever important in contemporary personality races. That obstacle lies with Pearson himself, for though he may be superlatively qualified for the Prime-Ministership, he has a speech defect in the form of a lisp. It will be interesting to watch this race and see if Pearson will be able to overcome the silver-tongued oratory of John Diefenbaker as President Kennedy overcame deeply ingrained religious prejudice in winning the last American election.

As we sit and play the part of the deeply interested observer, we can only hope that Canadians will vote for greater co-operation with the U.S. and thus hold to their custom of voting for the party and not the personality.

Pat Cummings Named "Miss University of Tampa Wings of Gold"

Miss Pat Cummings, University of Tampa senior and daughter of Mr. and Mrs. R. M. Cummings, 7601 Highland Avenue, has been named "Miss University of Tampa Navy Wings of Gold" by the Fly Navy Recruiting Team from the Naval Air Reserve Training Unit, U. S. Naval Air Station, Jacksonville. As such, she will represent the group at all Navy functions in this area.

Making the official presentation to Miss Cummings was Lt. Comdr. Phil Greene, USNR, of the Naval Air Station at Jacksonville, who pinned the Navy wings of gold on Miss Cummings in ceremonies at the University Tuesday.

The statuesque, brown-haired coed is majoring in pre-medicine at the University and hopes to become a doctor, proving again that beauty and brains DO go together.

Eloise Cozens Teaches Creative Writing Course

Mrs. Eloise Cozens, well-known Tampa writer, will again teach her "Creative Writing" course for the University of Tampa's General Studies Division beginning Tuesday night (Feb. 26) at the university.

The eight-week non-credit course, which will be conducted each Tuesday night from 7:30 until 9:30, will offer instruction in both fiction and non-fiction writing. Open discussions and question and answer periods will highlight the course.

For instruction in fiction writing, John Gallishaw's "Twenty Problems of the Fiction Writer" will serve as guide and partial textbook. Mrs. Cozens' own book and her experiences as a published author will serve as a guide to the writing of non-fiction.

Mrs. Cozens will include discussion of how to write to sell, and where to market writings.

The instructor is the author of "Writers, Here's Your Bonus," and "Have Faith in Your Ability," the latter concerning public speaking. She also has had articles and stories published in numerous magazines.

She was the first woman on the editorial staff of the Florida Times-Union, was a feature writer 13 years for The Miami Herald, and was publicity director for the Salvation Army USO during World War II. She has had considerable experience in radio work, with emphasis on womens programs.

Mrs. Cozens is well-known in Tampa for her activity in the community, and as public relations director for the United Fund of Tampa. She is editor of "Florida Women of Distinction."

Registration for the course may be made in the Evening Division office at the University of Tampa after 1 p.m. weekdays on or before the date of the first class meeting. Additional information may be obtained by calling the office after that hour.
