## "WELCOME, OLE GRADS

## FIRST AID UNIT IS ORGANIZED BY DR. RHODES

### Fire and Air Raid Wardens Lead Group

A first aid unit has been formed under the direction of Dr. M. C. Rhodes. This unit has met and elected four boys and two girls to act in case of blackouts and air raids,

Those boys elected and serving as fire wardens are Dick Levick, Harry Ashworth, Don Storm, and Robert Price. The two girls chosen were Ruth Morgan and Jayne Lee. These boys and girls that were elected are residents of the dormitory.

In case of a blackout, two boys, Robert Price and Dick Levick, will act at the Lafayette street bridge and the Cass street bridge. They are supposed to have been certificated in first-aid, or taking it now.

Serving as licutenants are Eleanor Fisk, Dorothy Thonnesen, Moore and Claude Wilson. They will act with assistance to this unit.

Two meetings were held at the university last Thursday. One was held for the boys under the direction of Dr. Rhodes; the other being held for the girls under the direction of Miss Moffatt. The purpose of this meeting was to sign up at least 48 volunteers for the defense unit. 24 boys and 23 girls have signed up.

For the first-aid headquarters, a room will be fixed up in the basement. It is hoped that this will get under way soon.

For those who haven't had a firstaid course, and are interested in tak-ing one, a class is being held Tuesday and Thursday nights from 8:30-10:30 and on Thursday from 10:30-12:30. An additional class may be given, although it is not definite yet.

Bob Howard is student coordinator in charge of volunteers who wish to contribute to the Blood Bank. All students who wish to contribute are he will make arrangements for them to go to the Municipal hospital. However, all students under 21 years of age are asked to get their parent's

written consent,
Bonds and stamps will be sold at the university to help the national emergency. The S.K.N.'s scrap dance also contributed to the national emergency. We hope that other organ-izations will take similar action along

### **Bob Kasriel Takes** Officers Training

Bob Kasricl, former student body president at Tampa U. and for the past two years instructor of math, left last Saturday for Cambridge, Mass. to enter the Massachusetts Institute of Technology. Here he will study meteorology, becoming a second lieutenant in the army air corps, after completing his officer's training course.

Bob, a popular member of the faculty, who graduated from Tampa U, in 1940 and stayed on at the university to teach, also held the position of coordinator of the war training courses, guidance director of men and director of the placement bureau. He was a member of the administration.

Oh, Boy! What A Week-End!

### Alumni President Bill Moody **Greets Students**

It is with mixed feelings of pleasure and nostalgia that we alumni return to the University of Tampa campus for our eighth

annual homecoming.

Needless to say, we are most happy to be with you again, but we are nevertheless sad that our visit with you must of necessity be so brief—that we have only a the spirit which made college so enjoyable during our student

We are happy to find that there still prevails on the campus the same fine spirit among the student body and our fighting Spar-tans which has played such an important part in the development of the university; the spirit which has made our teams and student body gracious in victory and left them unbowed in defeat in past

This year many alumni are un-able to attend this celebration. They are playing a bigger, more dangerous game in other parts of the world with the same determined spirit which is a living part of the tradition of this school. To them we pay respectful homage and sincerely hope that they can be with us at this celebration in more joyous time. For the students of today, we

can only hope that you can enjoy this homecoming celebration as much as we will because of your fine hospitality.

Sincerely— BILL MOODY, President, U. of Tampa. Alumni Association.

## Park To Present Original Compositions at Recital

### Freshman Pajama Dance Is Tonight In Student Room

The Freshman class had its regular meeting last Tuesday and plans for a Freshman dance, to be held today, were discussed. Janice Harmon, chairman of the dance committee and Kitty Martin, Betty Jo Adair, Bob Crossland, Gene Dooner and Bud Williams are planning the entertainment and decorations. The music will be supplied by a Freshman band and admission will be free.

The newly-elected officers of the Freshman class are: Bob Howard, president; Worth Littell, vice president; Catherine Bowen, secretary, and Betty Garrison, student council representative.

A publicity committee under Chairman Henry Caballero and composed of Catherine Bowen, Betty Jo Adair, Martha Jane Coler, Nina Garcia, Cherry Lee Konersman, Susan Frye, Peggy Pepper, Janice Harmon, Betty Marshall, Esther Baker and Teddy Velousis, has been created to publicize the activities of the Freshman class.

### Mary Lefler Is Home **Economics Club Head**

Last May the home economics center officers, Mary Lefler, president; Nita Median, vice president; Maelma Cow-ley, secretary; Dot Giles, treasurer, and Aida Reina, reporter, were elected. Since that time they have been working together to prepare and carry out a plan of work for the club. The study and efforts are built around foods and day Nov. 22 and the problems involved due to the war. giving Service.

### Program To Be Nov. 17 in Ballroom

Stephen P. Park, assistant professor in music theory, will present a program of his original musical compositions in the University ballroom ay night, Nov. 17. This the third annual presentation of his own creations.

Prof. Park's works were written last summer for the piano and symphony orchestra.

Vocal selections by Louis Torres and Laura Hester Hoffman will be on the program also. A string quartette com-posed of Jack Terrana, Ruth Morgan, Dante Bernadini and William Hayes

will play several selections. Professor Park was graduated from the University of Michigan with de-grees of A. B. and Master of Music. He has been named as one of Flor-ida's composers whose numbers will be included in a collection of music by the state's own musicians,

### Freshman To Lead Gala Parade Tonight

The University of Tampa has its "welcome" mat spread and its hand outstretched to welcome back the students of days gone by. It's the eighth homecoming of Tampa U. Alumni

From the lowliest freshman to the most exalted alumnus, the University of Tampa yesterday turned out "en force" to welcome back the Alumni. colorful homecoming activities will be climaxed tomorrow by the annual football game with Rollins at Phillips field.

The freshman class and the band will meet tonight at 8:00 p. m. in the lobby to start the pajama parade. The freshmen will leave the university clad in pajamas and will conga in a parade through the downtown sections.

After parading downtown the fresh-

men and the band will return to the university for a pep rally at 9 p. m.

After the pep rally the freshman class will give a dance, honoring the upper classmen, at the ballroom. The music for the dance will be provided by a freshman band under the leader-ship of Alton Lowe. There will be no admission to the dance and a full program has been prepared by the various committees of the freshman class. The Alumni association will announce its newly elected officers and directors at the freshman dance.

Tomorrow it will be open house in

fer the indignities of rat courts, and can look human with lip stick and bobby pins, I find that being a freshman is a great experience. After six weeks, I can finally walk through the lobby without my knees beating against each other like the sound of Gene Krupa's drums.

Getting through the above room is essentially important as the center of university life lies on the other side of it. Ah, yes, this is the place where freshmen learn all the boys that are to be found in college-and the place where all the freshmen are to be found! The Student Union room is also the center of learning. Here everyone does his assignments for the following week, learns the latest dance steps, and the words to the new-est song hits. Here he tortures himself trying to learn tomorrow's chemistry to the tune of "He Wears a Pair

of Silver Wings."

It's really wonderful if you can do it—I can't! But, until mid-term exams make their appearance. I'll go blithly on my way a happy, ignorant, little freshman.

Eighty percent of the men in the new freshman class of the University of Michigan's college of literature, science and the arts have been enrolled in mathematics or physics courses, or both.

He'll graduate in '44.

### Victors Are Undefeated and Boast 4 Wins

Beta Chi fraternity won the Tamps U. intramural touch football title yesterday by scoring a touchdown in the last quarter to defeat a scrappy Tau Omega eight, 6-0, at Phillips field.

In the second game, Sigma Kappa Nu upset Rho Nu Delta beating them 19-0, to win their first encounter in four starts.

The Chis went through the season undefeated playing only one tie and winning four games. According to the Dickinson system which is used by the Intramural department, the second and third places will not be decided until the end of the tournament.

Beta Chi scored its only touchdown late in the last period when Bud Rein-ert, standing on his 33-yard line, shot a short pass to Victor Schell who lateralled to Jack Tanner. The try for extra-point failed.

### Omega Threatens

Tau Omega threatened repeatedly and halted the Chi's drives by pass in-terceptions. Tau Omega defense broke up the Chi's plays and threw Reinert for losses when he failed to spot his receiver.

Tau Omega drove deep into enemy territory in the second period when Edwin Baranowski clicked with passes to Brockman, Beinhorn and Bretz. But they failed to make the necessary yardage for the first down and Beta Chi soon ran the ball out of the danger zone.

The Chis took to the aid in the first quarter when laterals clicked for three first downs. The combination of Reinert to Tanner to Mick was good for 20 yards. Passing over the other end, Reinert shot a flat pass to Schell who lateralled to Wally Hague. Both combinations tallied first downs but failed to set up a scoring threat.

Beta Chi lined up in this order: Schell, Mick, e; Loftis, Frank, g; Williams, c; Reinert, Tanner, Moshall,

Tau Omega: Bretz, Brockman, e; Beinhorn, Jack, g; Pepper, c; Baran-owski, Price, Fernandez, backs.

### Five-Man Game

Lacking men on each team, Sigma Nu and Rho Nu Delta played a game of five-man touch football. SKN upset the Rho Nu's, 17-0, and knocked them out of the race for second place with three touchdown passes.

Early in the second quarter Poage connected a long pass to Tom Bissonnette who ran 30 yards for the first touchdown. Poage again spotted his receiver and shot another pass for the second score.

Runs by Rosette and Frank Villa-rosa, Rho Nu, failed to materialize into scoring threats. The final touchdown came in the fourth period when Poage again passed to Bissonnette who ran it over the goal line.

The lineups:

Sigma Kappa Nu: Carpenter, Bissonnette, e; Curry, c; Harvey, Pope,

Rho Nu Delta: Vasquez, Pinera, e; Dossey, c; Neuwirth, Rosette, backs.

## Coach Vines Names Starting Lineup for Homecoming Tussle

THE TAMPA SPARTANS will be in tip-top condition when they meet the Rollins Tars tomorrow. After a week of tough scrimmages, Coach Vines has selected the following players to start the homecoming game: Bill Lassan, left end; Fleming Thornton, left tackle; Val Dziewguc, left guard; Wallace Gillett, center; Bud Fuller, right guard; Glenn Reed, right tackle; Joe Kaptur, right end; Jim McFee, quarterback; Willard Knight, left halfback; Fred Hancock, right halfback; Paul Straub, fullback.

## Coach McDowall's Tars Are Confident of a Victory

AFTER DROPPING A TOUGH GAME to the Miami Hurricanes and upsetting the Jacksonville Naval Air Base, the Rollins Tars will try their bag of tricks against our Spartans. Shown above are some of the probable starters: Orville Thomas, left end; Fred Mandt, left tackle; Ed Friedson, left guard; Ed Acreer, right guard; Gus Koulouris, right tackle; Red Harris, right end; Paul Meredith, quarterback; Sam Pugh, left halfback; Quentin Bittle, right halfback; Grady Ray, fullback; Calvin Peacock, halfback.

### Coach Vines' Eleven Defeats Drew by 21-13

### Matherly Scores Three Spartans Face **Markers** in Contest

Coach Vine's Spartans defeated a tough Drew field eleven, 21-13, paced by the brilliant running of their 150-pound tailback, U. G. Matherly, who made all three touchdowns.

Matherly accounted for the three tallies in the first half of the game when he raced 55 yards for the first score, 53 for the second, and 50 for the final one. The small back consistently shot around end and through the line for considerable gains.

Most of the Spartan's trouble came from tough, heavy Julie Pane, former California Aggie fullback, who re-peatedly plunged through the line. Pane scored both touchdowns, the first in an off tackle play good for 28 yards, and the other in a run wide around end.

In the first minute of play, Matherly took the ball from center on the 45, and raced off tackle for the first score. Later, Matherly broke loose and ran 53 yards for the second tally, while the final score was made when the ace back shot through tackle for 50 yards. Straub's three conversions

Going back to the first game of the season, the University of Florida Ga-tors set back Vine's gridders, 26-6. Forced to use freshmen because of injuries, Coach Vines green team gave a pretty good account of itself. Paul Straub, reliable fullback, made the only Spartan touchdown.

The University of Miami thoroughly routed the Tampa eleven by a score of 65-6. That game was just one of those things, although the Spartans did their best.

The Spartan eleven defeated the Alabama State Teachers, 27-0, in a hard fought game, Co-Captains Junior Thornton and Bill Lassen starred throughout the game at left tackle

TAMPA U. TEAM ROSTER

## Rollins With 3 Wins, 3 Losses

With a record of three wins and three losses under their belts, the Spartan eleven are elated to give the tough Rollins team a good fight for their money tomorrow afternoon at Phillips field.

In previous seasons, the Spartans show a record of 38 games won, 42 lost, and five tied for a total of 1255 points for Tampa U. against 906 for their components.

their opponents.
In 1933, the first year of play, the gridders turned in a record of six wins, two losses, and two ties which they have not been able to equal up to the present time. That year the Spartans defeated Bowdoin, Southern, Miami, Stetson and Haskell in shutouts.

The next year the Tampa eleven won seven and lost four losing a tough game to Rollins by the score of 6-2 Among the vanquished were Miami, Alabama, Newberry, Birmingham-Southern, Navy Base and Bowdoin. The Spartans broke even in 1935

with five games on either side of the fence. Tampa U, set back Georgia Southern, Miami, Newberry, Rollins and the Alabama State Teachers.

In 1936 the Spartan gridders won five, lost three, and tied two; 1937 they won four and lost five; 1938 showed three wins and seven losses; 1039 they won two and lost seven; 1940 had three losses and six defeats, and 1941 the Spartans won three and lost three, not counting the last two

### FOOTBALL NICKNAMES

But what nicknames for the foot-ball boys. Remember the mole in Dick Tracy, note any resemblance to him and Bud Fuller? Well, never-theless, they call Bud "The Mole." How about Frank Straner's thick eyebrows? He is appropriately named "Beetle". The co-captain, Junior Thornton seems to be the rugged, open-country boy, for they call him Plow Boy—(Anyway he really plows through those lines). The other co-captain, Bill Lassen is known as Bull Lassen (you know Bull Larson in the

## and left end respectively. The score does not give the real

funnies). The former coach gave Willard Knight, one of our best play-ers, the name, "Shave Tail."

### Delta Kappas Trim the Alpha Gams

THE ALPHA GAMMA SORORITY defeated the Delta Kappas in the first game of the girls' intramural volleyball tourney. Teddy Velousis is shown as she scores a point for her team. However, in the second game Delta Kappa came from behind and defeated the Alpha Gams.

## DELTA KAPPA'S Kitty Predicaris Heads Cheerleaders Organization After WIN VOLLEYBALL INTRA-MURALS

### Basketball Will Start November 19

The undefeated Delta Kappa team placed first in the girls' intramural volleyball tournament which closed last Thursday. Sigma Theta Phi ran a close second by only having been defeated by Delta Kappa, while Plebettes and Freshmen tied for third place. This tie will be played off seconding in the pear titue. sometime in the near future.

The next major sport to be played will be basketball which will start Thursday, Nov. 19. On that day the Freshmen will play Sigma Theta Phi and Delta Kappa meets Alpha Gamma.

Along with the major sports a single elimination tournament in table tennis will be run off. The following girls have signed up so far—Betty Marshall, Janis Harmon, Catherine Bowen, Kitty Ann Sweat, Lois Sanchez, Margie Casal, Elsie Gill, Marion Neil, Cherry Konersman, Virginia Hebert, Alba Pelaez, Muriel Yar-brough, Teddy Velousis, Jane Gibson and Marilyn Levy, In this group Kitty Ann Sweat and Jane Gibson shall probably be seeded. All other girls interested in playing please sign up in Miss Moffatt's office immedi-

As a whole girls' intramurals have been a great success. Many have shown undying interest, Many girls iterest, The following girls have acted as intra-mural managers and should be recognized for their fine work in getting out teams — Virginia Smith, Delta Kappa; Angie Spoto, Sigma Theta Phi; Muriel Yarbrough, Alpha Gamma; Jane Gibson, Plebettes; Frances Cone, Freshmen; and Marilyn Levy, general manager.

This is the first time since the days of former Mickey O'Berry (now Mrs. Fred Manucy) that the cheerleading squad has been headed by a girl-namely Kathryn Perdicaris. She has done a fine job even though the majority of the members are green. There are only two people on the squad besides Kathryn that have been cheerleaders for the University before-Kitty Ann Sweat and Dot Giles. These two girls have helped Kathryn a great deal in building up a peppy team.

The other members of the squad have done very well and will be back stronger than ever next year. These are: Nita Medina, Ellen Mooney, Margie Casal, Joe Fernandez, and P. J. Harvey.

## Homecoming Activity

The Spartanettes due to too much outside activity have not had the chance to show up their best volleyball ability this year in the city tournament. After Homecoming excitement has died down the girls plan to get down to "brass tacks" and put forth a good team for the rest of the season.

The freshmen also have had a pad start. They will undoubtedly do bet-ter later—after all they are new.

Many girls have shown interest in varsity sports and will probably have a very successful year.

HOWARD BEYNON

A second lieutenant came into the lobby the other day. I heard someone say, "Why, didn't he used to be captain of the Spartans?" Another said, "Yes, he used to be in the 313 Masquers, too. Every time they had a play, he always managed to be somwhere on the stage." Still another said, "I remember him. He used to be in that Beta Chi barbershop quartet that always kept the lobby alive.

When he was asked how he liked army life, Howard replied, "I had an edge on the other boys . . I got previous military training at the dog track!" The only thing was that he had too much spare time. After all, he only had classes from 5 a. m. to 8 p. m. and classes from 7 to 9—after the standard for the boys. studying for two hours, he could do anything he wanted to.

We are all sorry to hear that Howard asn't playing football any more. However, he did manage to break a football for the army. "I kicked the ball, but it hit a gun and broke into bits." We remember when Howard bits." We remember when Howard used to break up the Spartan opponents just like that.

We are all very proud of Lieutenant Beynon. And in case any of you want his address, well, just ask the Japs— they can tell you!

### The Band Marches On

Which is the greatest cheering section at the football games? The BAND. Who puts in that certain BAND. punch at parades and in pep rallies? THE BAND. Who entertains you with

concerts in the park on Sunday on those cold wintry days? THE BAND. All in all, our band is a pretty good thing and aside from this they are a democratic organization. musicians come from as far north as Maine, and as far south as Miami. In between come those from Chicago, Tennessee and Georgia

Of course, the man behind the band, behind each musician, is Director Lyman Wiltse, formerly concert-master of the Kansas City Symphony orchestra. All a band ever accomplishes, is due entirely to the efforts of its director. More than a director, how-ever, Mr. Wiltse is a friend to all. When a band is judged on the

marching field, or in parades, the praise or blame is laid on the drum major. So it is with our drum-major, Jack Brockman. But, through his grand work more praise than blame has come his way. Jack hails from Tarpon Springs, where he was drum major of that high school. More than anyone else, Jack Brockman and Mr. Wiltse deserve everyones highest praise and hopes for continued success,

From the band have risen one national music fraternity and one "nope to be national" music sorority. The band fraternity is the well known, Kappa Kappa Psi, headed by William Webb. The sorority is Alpha Mu
Tau, Now only a local sorority, it
has nevertheless put in application to join the ranks of the National
Sigma Alpha Iota, Last year's president, the new officers not yet having been elected, was Mrs. Wanda Waters

Somehow, it just makes one burst with pride when they see their Ole Alma Mater's band play such an important role in the affairs of the school and city. Our University Band is one of those bands. Aside from playing in the Gasparilla, La Verbena, Armistice and Festival of the States parades, they also play in all of the University pep parades, radio programs, football games and weekly concerts during the winter months. You can see by these example that every-one is very proud when they see the red, black and gold uniforms of the University of Tampa Band.
