## STUDENTS TRAVEL

TAMPA REPRESENTED AT NATIONAL - STATE MEETS

### Tampa Sends Nine To Miami Meeting

Nine University of Tampa students are in Miami this week attending the annual convention of the Florida Intercollegiate Student Government Association and Florida Intercollegiate Student Press Association, which opened a three-day program Thursday.

The Student Senate, the Moroccan, and the Minaret are each represented by three delegates. Eleanor Ebsary and Shirley Keene are alternates from the Senate with Rey Yvars as senior member. Representing the Moroccan are Mike Capitano, senior delegate, with Charley Nundy and Jack Caplinger. Joyce Newell and Bernard Shufelt are the Minaret's alternates with senior voter Sally Villar.

Stetson University in DeLand was host last year, when three University of Tampa students were elected to state offices. Jim Berfield is this year's president of FISGA, and Bob Eustace the FIPA president, with Jack Caplinger as secretary.

Aims of the association are to unite Florida colleges and help them to profit from others' mistakes.

### National Inspection For Local Chapter

The Sigma Sigma Sigma sorority will have a national inspection by Murial Minard on October 27th through the 29th. During Mrs. Minard's visit the Beta Sigma Chapter will be busy with workshops, receptions and a general round of festivities in her honor.

Mrs. Minard is from Orlando, Florida, and is the Sigma Sigma Sigma Director of Social Service. She was appointed to the position in 1953. She is a member of the Alpha Tau Chapter at Wilson Teachers College, Washington, D. C. She served her chapter as TRIANGLE

### FROSH ELECTION

After a week of spirited campaigning, the freshman class last Friday elected Rosemary Rogers vice-president and Ida Felicione secretary, but failed to choose a president and a Senate representative. The latter officers will be named today in run-offs between Richard Lobo and Robert Swirbul for president, and Carol Brown and Sally Correll for representative.

### HOMEcoming TO OPEN WITH "PINK RIBBON"

The Homecoming schedule of events for the 1954 season will officially open with the presentation of a three act play at the Dome Theater, Thursday evening, November 18 at 8:25. A major production of the department of drama is a traditional "must" in the Homecoming activities of the majority of colleges and universities throughout the country, and it is hoped that such a tradition may be started at the University of Tampa.

The play, "Pink Ribbon," a light comedy, was written by Frances Allen (Mrs. D. M.), director of the department of drama at the University of Tampa. Mrs. Allen studied at Cornell College and Iowa University, where she majored in dramatics and the speech arts. For the past 10 years she has been directing civic theater productions for the Twin City Players of Benton Harbor and St. Joseph, Mich.

To quote Mrs. Allen, "Pink Ribbon" was written strictly for the market, and purely for entertainment purposes. The story revolves around two young women who have rented a studio apartment in New York City. Although it is a fifth story walk-up and the girls must share the kitchen and bath with the tenants renting the apartment across the hall, the studio has two windows and a skylight, and "where else could you get all that on a working gal's salary?" Complications arise when the girls discover that the occupants of the other apartment are two young men.

"Pink Ribbon" was presented professionally this summer in a barn theater at the Sister Lakes Playhouse, Sister Lakes, Mich. Press notices described the play as "refreshing as a spring morning, and mature as a fall night."

rol Brown and Sally Correll for representative.

Candidates who participated in the election last week were Richard Lobo, Philip Rotolo, and Robert Swirbul for president; Robert Neal and Rosemary Rogers for vice-president Ida Felicione and Valentine Greco for secretary, and Carol Brown, Sally Correll and Janice Robertson for

### Shufelt Attends Washington Meet

"How can we improve our paper?" That was the question at the meeting of the Associated Collegiate Press held in Washington last week, according to Bernard E. Shufelt, editor of the Minaret. He said the second question of interest to all the delegates was the problem of "segregation or integration" in the public schools.

He said that most delegates felt that the integration of colored students, at least at the college level would cause no serious problem. Most delegates felt that a large portion of the problem was accentuated by rabble rousers. He said that many southern delegates shared this view.

"The attitude of the southern delegations", he said "seemed to be a revelation to many of the northern group. They had their note books out all the time." He said he was pleased with the attitude of the Yankee contingent. They don't think the Supreme Court can or will try to force integration in a rapid, unworkable manner. They felt time should be given for the southern states to work out their own problems.

Shufelt, the delegate of the University of Tampa, said that the Minaret would profit by his attendance at the meeting. He said he learned a great many things which would be passed on to the staff at their regular meetings. It was emphasized that the Minaret holds a unique position is college journalism, since it is free from faculty or administration censorship. He said the only rule laid down here was that the publication treat both sides fairly in case of controversy, and be careful that the facts are correct. Many papers are under faculty committees and boards of publication.

A rump convention was held by representatives of some southern schools to form a new group on the basis of segregation. The announcement was made at a banquet that southern representatives would meet. Colored delegates from Dixie showed up, not knowing the intent, and the whole proceeding was shortened to the appointment of a committee to take the necessary steps.

### Sororities Hold Receptions

By Joyce Newell  
DELTA ZETA

The Delta Zeta sorority honored its three founders by giving a banquet at the Columbia Restaurant on Oct. 23. Actives as well as alumnae participated in the celebration.

At last glance the Delta Zetas were in second place in the intramural race after defeating Zeta Tau Alpha sorority in a volleyball game recently.

Three of the DZs are candidates for Homecoming Queen this year. The sorority is hoping that it will again be honored by having one of its girls receive the coveted crown worn by Vilma Fernandez last year. Those sponsored are Nancy Trousdale, sponsored by Delta Zeta sorority; Peggie Garcia, sponsored by Rho Nu Delta fraternity; and Mary Jo Capitano, sponsored by Sigma Phi Epsilon fraternity.

#### ALPHA CHI OMEGA

Mrs. Gladys D. Power, past national president of Alpha Chi Omega and of National Panhellenic Council, was welcomed to the University of Tampa at a reception given in her honor on Oct. 21. The reception was given by the University Panhellenic Council.

Preceding the reception, the University of Tampa chapter of Alpha Chi Omega welcomed Mrs. Powers in the chapter room, where the active members became acquainted with her. Thursday there was a Panhellenic Workshop over which Mrs. Powers presided, answering questions and explaining the policies of National Panhellenic to the University of Tampa Panhellenic Council.

Eleanor Ebsary was elected by the Student Senate as a delegate to the FISGA (Florida Intercollegiate Student Government Association) convention, held at the University of Miami, and Joyce Newell was selected as a delegate to represent the Minaret at the FISPA (Florida Intercollegiate Student Press Association) convention, Oct. 28-30.

(Continued on Page 3)

For the first time in the history of the University of Tampa, a sorority and fraternity are giving a script dance jointly. Alpha Chi Omega and Tau Kappa Epsilon will give their Jungle Dance on November 12.

The dance, to be held in the University lobby after the Livingston game, will feature jungle decor. Costume will be optional and tickets will be on sale at the door.

#### SIGMA PHI EPSILON

Sigma Phi Epsilon fraternity sponsored their second annual Bowery Brawl Saturday night in the University Ballroom. The decoration theme was a typical bowery bar with a wonderful band and great intermission entertainment.

The clock radio was awarded to Tony Agliano, W. E. Tims was the winner of the two steak dinners.

The following men picked up bids for S.P.E.:

Cunningham, Edmund  
Hollon, John A.  
Payne, M. L.  
Santa Cruz, Stephen  
Scott, Marvin  
Thury, Joseph L.  
Worley, Alvin

Dick Cole is pledge captain, and Bill Sams will serve as pledge lieutenant.

#### RHO NU DELTA

Miss Peggy Garcia R.N.D. candidate for home coming queen was presented at the script dance held in the University lobby.

Seven men picked up Rho Nu bids, they are:

Bode, Cesar  
Gonzalez, Manuel  
Maniscalco, Epifanio  
Celestino, Miranda  
Polo, Lionel  
Souto, Joe  
Tomas, Wilfred

#### SIGMA KAPPA NU

Sigma Kappa Nu fraternity led the field of pledges with 11 men picking up bids last week, they were:

Brown, B. J.  
Duray, Ed  
Eagen, David  
English, Tom

## Come One Come All Tonight's The Night For Golddigger Ball

Tonight for the first time in the history of the University of Tampa, Sigma Sigma Sigma Sorority will present the "Gold Diggers' Ball" at Ybor City's Cuban Club ballroom. The girl invites the boy, pays for the ticket, buys the boy a corsage, and if so choses, may take him out for dinner before the dance. During the evening she will perform the small courtesies that are usually performed by the boy; such as opening doors for the boy, pulling out his chair and lighting his cigarettes, and any other small items of that nature that might arise. In other words, everything will be completely reversed for one evening.

Tickets are \$1.25 a couple, you can buy them from any Sigma Sigma Sigma sorority member and they

will also be on sale at the door. Music will be furnished by Victor Ruiz and his Orchestra. The dance will last from 9:30 to 12:30.

Honored guests will be: Dr. and Mrs. E. C. Nance, Dr. and Mrs. M. C. Rhodes, Mr. and Mrs. Boyd B. Burnside, Mr. and Mrs. Karl King, Mr. and Mrs. William Weldon, Mrs. Johnnie Pate, Mrs. Mae Avery, Mrs. Eva Ellis who will be welcomed this evening as a new sponsor for the sorority and Mrs. Molly Ferrarra, the Alcaldesa of Ybor City. Invitations have been extended to all the Administrative staff and Faculty members.

Chaperones for the evening will be Dr. and Mrs. James W. Covington, Mr. and Mrs. Eustasio Fernandez, and Miss Daphne Myers.

# As We See It--

## WELCOME

The Minaret takes pleasure in welcoming to the University of Tampa Campus Mrs. Murial Minard. Mrs. Minard has been on the campus several days now for an annual inspection of the Beta Sigma Chapter of Sigma Sigma Sigma. It is always a pleasure for the University to be hosts to visitors from out of town particularly when one is so charming. We hope that her stay has been pleasant and that she will return again.

## THANKS MR. DARBY

The Minaret offers a belated thank you to Mr. Ben Darby. Mr. Darby has always been a good friend of the University of Tampa and has at all times done his utmost to support the University not only financially but with friendly words and with good deeds. It has been brought to the Minaret's attention that every shirt pressed by Ben Darby Cleaners carries a cardboard insert with the schedule of football games printed on it. They are also wrapped with a paper tape which says "Help the University of Tampa Beat" whatever team we are playing at that time.

It is also known by the Minaret that Mr. Darby does these things on his own initiative, without any urging from the University officials. The Minaret wishes to thank again Mr. Darby for the many wonderful things he has done for the school and to silently pray for more friends like Mr. Darby.

## STUDENT STUPIDITY

In the last student assembly we all witnessed and some of us participated in what should be considered as a lack of good college students behavior.

It happened that after a short speech by Mr. Frank M. Traynor, vice president of the Florida Portland Cement Co. and trustee of Tampa U., a picture was projected.

Some students, a little after the movie was started, began to talk in a loud tone that made it hard to follow the picture. Some others started to clap and talk in similar tones, embarrassing not only to our Administration but the rest of the students that were interested in the movie.

It is too bad that we don't know how to behave as real college students. We should take pride in our position as college students and act accordingly instead of acting as kids that don't have sense and patience enough to pay respect to a distinguished visitor and trustee of our University.

## IGNORANCE FOLLOWS BIGOTRY

Hasty steps were taken at the ACP convention, to form a southern group with the issue of segregation as its only advantage. We think it is a foolish move. The group could offer nothing but bigotry and prejudice.

The present Associated Collegiate press provides news coverage on a national scale, evaluation of the effectiveness of current papers and yearbooks, and general assistance at the professional level. It is led by a strong and devoted group from the University of Minnesota, School of Journalism.

Submitted publications (ours was not submitted) are rated annually along with yearbooks. They provide a service evaluation whereby a publication may be rated and criticized, issue by issue. The whole goal is to improve student publications.

A weak rump organization founded on prejudice could provide none of this. In fact, we feel it would be a waste of time and money for us to participate.

## KNOW YOUR LIBRARY — USE IT TO ADVANTAGE

If you are entering the noble halls of Tampa U. this semester for the first time, we hope you will make use of these facts concerning our Library.

Please note first of all that Saturday hours are incorrect as given in the Student Handbook. Library hours are 8:30-5:00 Monday through Friday; 7:00-9:30 Monday through Thursday nights; 9:00-12:00 Saturday mornings. During scheduled assemblies and college holidays the library is closed.

All circulating books are located in the left and right hand alcoves, which open from the main reading room. A fine of 5 cents per day is charged for each day after two-week checking-out period. But a book may be renewed once for that same length of time.

The central section of the main reading room is for reference books, which may be used only in the Library. They may be identified by 'R' above Dewey number.

Reserve books are kept in the reserve and magazine room. A card file for these books is on the reserve desk. One book per subject

is the maximum withdrawal. The time limit (from seven days to overnight) is stamped in the back of each book.

Overnight books cannot be withdrawn until 4 P. M. and must be returned the following school day when school opens. A fine of 10 cents for the first hours overdue has been set. With 25 cents after 9:30 A. M. on the day the book is due, the fine increases at the rate of 25 cents for each additional day. Other reserve books have a fine of 10 cents per day.

# FASHION FANCIES

By

Joan Hickey and Camille Cappolino

The newest look this season is the "Dior Look" with bosom and waistline diminished and skirt length unchanged. For college wear skirts and sweaters which are furled or embroidered in interesting new shapes and knits are still tops on the campus. To add to these the smart coed will pick a pair of basic flats or black buck loafers.

The country-city suit of tweed or solid colors with a belted waist is the beginning wardrobe of so many smart women. This basic outfit can be transformed into an entirely new creation by adding a smart blouse, sweater, angora collar, colorful neck scarf, or the newest fad—the long, dangling colorful beads.

The newest evening dress style of Paris is the bouffant tiers on formal gowns. These bouffant tiers are used on everything from net blouses to ball gowns. The gowns are entranced by trimmings of embroidered satin contrasting with the color of the gown. Now the smartest evening shoes are meant to jewel the clothes they are worn with. Some look as though they wear the price tags of minor jewels. Gold brocade and gold kidskin sandals are very popular on the college dance floor.

This season fashion will have an easy, almost loose sort of look. There are few acutely fitted lines. This is especially true of jackets and coats. Simplicity and elegance are the keynotes of good taste in choosing one's wardrobe this fall.

Jersey and tweed are the top fashion wise fabrics this season. Blacks and greys are the smartest colors for the best dressed women.

## Alexander Stuckey Dies In 90th Year

Alexander Preston Stuckey, of Tampa, father of Dr. Alan P. Stuckey of the department of history and political science, died Sept. 22 after a protracted illness. He was in his 90th year.

Mr Stuckey was born in 1864 near Timmonsville, S. C. He was a lumberman and turpentine operator prior to 1920, and afterward engaged in the real estate business. He had been a resident of Florida since 1888.

In his young manhood Mr. Stuckey spent a number of years in the Southwest, and in 1882, when 18 years of age, as night telegraph operator in San Antonio he had the exciting experience of handling Army dispatches concerning the Apache chief Geronimo, who was then at war with the white settlers and who, after his capture and escape, surrendered to Gen. Nelson A. Miles.

## MIDDLETON-DENSMORE

Miss Nancy Pat Middleton, daughter of Mr. and Mrs. H. Victor Middleton, 3601 South DeLeon St., and the Rev. Warren I. Densmore, son of Mrs. Gertrude Densmore, of South Dundee St., were married October 18 in St. Mary's Episcopal Church in Palma Ceia.

The Rev. Mr. Densmore is rector of St. Mary's Church and a member of the instructional staff of the university.

The service was read by the Rt. Rev. Henry I. Louttit, bishop of the diocese of South Florida.

## TAMPA ALUMNA RETURNS HOME

A visitor to the campus this week was Lt. Dolores F. Schjaastad, USNR, University of Tampa graduate, who is presently on duty with the Office of the Chief of Naval Operations in Washington, D. C.

Lieutenant Schjaastad was listed in the Navy Times several months ago as one of the three Wave line officers of the Naval Reserve recommended for promotion to lieutenant. Her service career began in 1944, when she enlisted in the Spars, Women's Reserve of the U. S. Coast Guard Reserve, as apprentice seaman. She received successive promotion in the Coast Guard, was advanced to chief yeoman in 1946, enlisted as chief yeoman in the Naval Reserve the same year, and was commissioned lieutenant junior grade in 1950.

A former secretary of the Hillsborough County Welfare Department, Lieutenant Schjaastad attended the School of Social Work of the University of Tennessee after graduation from the University of Tampa, and she has recently continued her studies in the social service field at the School of Social Service of the Catholic University of America.

## Student Featured In St. Pete Times

Doris Duryea, University of Tampa junior, who commutes from St. Petersburg, is the subject of an article that appeared last summer in the Sunday Magazine of the St. Petersburg Times. Entitled "Lady in a Hurry," and written by Lorna Carrol, the article describes the busy life and many responsibilities of the St. Petersburg student, who nevertheless finds time to make straight A's in her university studies.

### Absent at both meetings: Joyce Newell

## Senate Will Elect Editors in Spring

Editors of the Minaret and Moroccan will in the future be elected in the spring semester with the Student Senate class elections.

This ruling was made recently by the Senate, which at the same time set up other regulations concerning the Minaret and Moroccan in order to avoid late publication and give more honor to the office of editor.

To be eligible to run in the election for the office of Minaret editor, a student must be a junior or a senior carrying at least 12 semester hours, the Senate voted.

The Moroccan will be edited by a member of the junior class only, and therefore only full-time junior students can be candidates for the office.

## Methodist Elect

The Methodist Student Union held an election of officers at their October 14 meeting. The following officers were elected: President, William Lamp; Vice Pres., Nancy Hoopingarner; Secretary, Barbara Harding; Treasurer, Dick Johnston; Public Relations, Charles E. "Bud" Fisher; Food Chairman, Judy Goldsmith. The Faculty Advisor for the coming year will be Mrs. Robbie Wooten.

Regularly scheduled meetings of the Methodist Student Union are held every other Thursday at 11:30 in the organization room above the library. All students with any Methodist affiliation are invited to attend the meetings. Religious advisor for the meetings will be the Rev. Patrick McBride.

## TOMMY KING CHOSEN TRAFFIC GROUP HEAD

At a meeting held Oct. 1 and 2 of the Regional Youth Traffic Safety Association, Tomy King, a sophomore at Tampa University, was elected president. The meeting, which was held in St. Petersburg, was made up of representatives from 13 Southern states.

The Association's purpose is to try to remedy the appalling traffic toll by means of organizing the youth of Florida and other states into associations dedicated to this purpose.

Assisting King in the duties of running this organization will be Bobby Wood of Tuscaloosa, Ala., and Robert Holden of Moultrie, Ga.

## WHEN WILL WE PARK

By Richard Shawver

"The parking situation will eventually be worked out by means of systematic distribution of available space," said Dean Rhodes in a recent interview given this reporter. "However," he added, "the problem is continually growing with the addition of many new enrollees to the student body."

Hearing much comment in regard to the parking problem, the Minaret sent a reporter to dig into the source of the trouble and present the facts to the student body. Dean Rhodes and others who are responsible to the students for maintaining adequate parking facilities were contacted and the result was that the reasons for the chaotic conditions were uncovered.

Ernest Segundo, our student parking commissioner, has been trying in vain to find a solution, but the obstacles that confront him are unsolvable unless more space is obtained. The city has granted the University parking rights on the west and north sides of the campus, but this is only a portion of the needed space. The students may also park on the west side of the auditorium except on days when the space is assigned to various groups who are using that building. On these days it is almost impossible to

find a parking space unless the student comes early. From this it can be seen that trying to park all of the cars in the now available space is like putting ten pounds of potatoes in a five-pound bag.

A plan has been laid out and will soon be initiated. This system will obligate all students and faculty members who drive to pay a parking fee of one dollar, which will cover an entire semester. With the payment of this dollar, a parking space will be assigned the individual. Anyone else parking there will be sub-

## SUCCESS STORY FOR TWO...and how it started

Joanne Dru started her career as a model of teen-ager clothes. But it was her 6-year study of dancing that won her a part in a Broadway musical... which led to film stardom in Hollywood.

There she met John Ireland, ex-marathon swimmer, amateur actor, stock player, Broadway star—now a brilliant director. Today they are man-and-wife partners in sparkling new screen hits.

ject to a small fine. The distribution of available space will be in this order: Faculty first, for they are necessary to the class, and if they have to spend all of their time looking for a parking space it will not hurt one individual, as in the case of a student, but it will hurt twenty or thirty individuals, as can easily be seen. Next will come the seniors, then the juniors, then sophomores, and last the freshmen.

"This will seem unfair to some students, but my hands are tied," said Dean Rhodes. "We have no other choice except to put this plan into effect, for even though it may work a hardship upon some, it will relieve the situation on the whole."

TIMES THIS YEAR**

Princeton, N. J., September 17: The Law School Admission Test required of applicants for admission to a number of leading American law schools, will be given at more than 100 centers throughout the United States on the mornings of November 13, 1954, February 19, April 23, and August 6, 1955. During 1953-54 some 8200 applicants took this test, and their scores were sent to over 100 law schools.

A candidate must make separate application for admission to each law school of his choice and should inquire of each whether it wishes him to take the Law School Admission Test and when. Since many law schools select their freshman classes in the spring preceding their entrance, candidates for admission to next year's classes are advised ordinarily to take either the November or the February test, if possible.

## BEHIND THE SPORTS DESK

By HANK DISTEFANO

The University of Miami was hit hard recently, not by "hurricane Hazel" but by the N C A A rules and regulations, when they were found to be violating a certain rule. For that, the "Hurricanes" were placed on a one year probation, thus eliminating any possible chance for this year's great Miami football team to appear in a post-season bowl game on New Year's Day. It was a tough break for the "Hurricanes," but let's hope that they will learn to obey the N C A A, and not get out of line again.

This week, the University of Tampa "Spartans" have a well earned open date to prepare themselves for the tough East Carolina club which will be in town on November 5th. The Carolina club will be out to take revenge on the "Spartans" this year, for we were the ones to drop them from the unbeaten ranks last year. The "Spartans" have so far this season played great ball, especially the reserves, who in the last three games have seen most of the action.

In a recent meeting held at Rollins College, a new baseball and basketball conference was formed. The conference will be composed of all the colleges and universities in Florida, with the exception of the University of Florida which is not permitted to join because of the S.E.C. At first, it was believed that the University of Tampa would not join the new loop, but in nosing around, (like a reporter usually does), I found out that we are not only going to be members, but that Coach Sam Bailey of our own University of Tampa had a very big part in helping to form such a conference. The reason that the University of Tampa was not represented at the meeting, like the newspapers stated was because at the last minute, Coach Sam Bailey could not attend because of other business.

## CHICADO SPARKS

By Tony Saladino

Riding the crest of a 3 game win streak, the University of Tampa "Spartans", led by Head Coach Marcelino Huerta, will begin hard work for next week's clash with tough East Carolina at Phillips Field.

On October 15, the "Spartans" football team revenged last year's 14-7 loss at the hands of Stetson as they soundly trounced the "Hatters" from Deland 64-9 before approximately 8500 grid fans. The intra-state battle marked the second consecutive time that the Huertamen passed the 60 mark in a game. Previous to the Stetson fracas, the high scoring Tampa team bowled over the helpless Georgia Teachers by a score of 67-7.

Fred Chicado, speedy "Spartan" back, personally squared accounts with the Hatter griders as he scored two touchdowns to lead the team.

In the 1953 game, Chicado suffered a broken arm. Don Herndon, fleet Freshman from Wauchula, Florida also scored twice for the Spartans. Joe Zalupski, star guard, suffered a broken jaw as a result of a third quarter injury in the game.

In their most recent outing, Coach Huerta's charges didn't quite reach the 60 mark, but went on to win their 4th game of the season as they stopped the Troy State Teachers 26-0.

Bob Gambrell, another freshman from Wauchula crossed the goal line twice to spark the victory.

Coach Huerta's red, black, and yellow clad team now possess a season record of 4 wins and only one loss.

Hats off to a great team and a great coaching staff.

I guess by now, most of you have noticed a few of the signs which reads Spar-Spar Sez. Apparently the Spar-Spar members intend to remain anonymous and do their work with no intention of receiving public acclaim. This seems to be a very commendable idea and this writer hopes their enterprise will be a great success.

The two top games played since the last edition were the RND-SKN encounter and the SKN-INDEPENDENT skirmish. In the RND-SKN game, which ended with the RND's on the long end of a 12 to 6 score, Leto (RND) crossed the SKN goal line twice. Bill Bosworth (SKN) scored on a pass from Stanley Hines (SKN) with neither making the extra point tries.

In the other game, played on that day, the ACE CLUB, led by Bello (ACE) and PeeWee Ashburn (ACE), downed the TKE's with a 20 to 0 score. Bello (ACE) scored 2 touchdowns and 1 point after on passes and PeeWee Ashburn (ACE) scored on a running play. Smith (ACE) scored the other point after on a pass play. The RND's scored a win by forfeit over the TO's and the SPE's also scored a forfeit win over the TKE's since the last issue.

In a real thriller, the SKN's scored a 13 to 8 win over the INDEPENDENTS with Stanley Hines pitching 2 touchdown passes and throwing for 1 point after. His receivers on the passes were Dean Goldsmith and Bill Bosworth, lanky SKN receivers, Bosworth also caught the point after pass. Billy Shields, (INDEPENDENTS) threw a TD pass to Robert Perdomo for the INDEPENDENTS score. A safety was scored by the INDEPENDENTS for the other points. In the other game, the ACE CLUB took the TO's by a 21 to 0 score. Pee-Wee Ashburn was the difference as he threw a TD pass to Ronnie Pinner, caught a TD pass to TD from Sharver and intercepted a pass and ran for a score. Sharver threw a point after pass to Ronnie Pinner and Bello caught Jerry Cuervo in the TO end zone for a safety.

As this issue of the Minaret goes to press, the SPE's take on the RND's and the ACE CLUB plays the SKN's in what should be tight games.

## SPORTS VIEWS

By CHARLIE ARCHIBALD

The SPARTANS, sporting a 4 wins, 1 loss record, have a 3-game win streak going with victories over South Georgia, Stetson and Troy State before the home folks. Two of the wins, South Georgia (67 to 7) and Stetson (64 to 9) were definite routs with the Troy State game (26 to 0), a warmup game before the rugged second half of the SPARTAN schedule. East Carolina, a repeat on the sked from last year, will be plenty tough to beat. In 1953, our squad knocked the Pirates from the unbeaten ranks by an 18 to 13 score. The East Carolina team will be seeking revenge for last year's loss at the hands of the SPARTANS.

After East Carolina comes Livingston, Appalachian (Homecoming), and Florida State on successive weekends . . . Tampa takes a rest this weekend before the game with the Pirates.

The injury list is growing with Joe Zalupski, Jim Gallogly, and Fred Chicado the latest additions. . . The SPARTAN point average per game is 38.8 with the opposition average 14 points per game.

Sport View predictions for the next 2 weekends: October 30: Florida over Miss. State; Miami over Fordham; Florida State over V.M.I.; Alabama over Georgia; U.C.L.A. over Cal.; Duke over Georgia; Wisconsin over Iowa; Penn. State over Penn.; Notre Dame over Navy; Rice over Vandy. November 6: TAMPA over East Carolina (Friday night); Miami over Auburn; Florida over Georgia; Georgia Tech over Tenn.; Purdue over Iowa; Kentucky over Vandy; Michigan over Illinois; Ohio State over Pitt; Alabama over Tulane; Princeton over Harvard; So. Cal. over Stanford. Record to date: 8 wins, 2 losses, perc. .800.

Next Friday night—TAMPA versus EAST CAROLINA at Phillips Field.

## That Wamble Girl

Joyce Wamble, the switchboard operator in the lobby has been with Tampa U. quite some time. She graduated from Tampa U., receiving her degree of Liberal Arts with her major in English and minor in History. Upon graduation Joyce worked for the Wholesale Hobby Distributors until school began again this term.

A scholarship was provided for Joyce her last three years in college by working with the switchboard. Joyce is now working permanently as an operator. Joyce hopes to get her masters degree as soon as possible and teach in college.

The switchboard has 60 extensions and 10 trunks, in all there are 70 people to look out for. "Patience will help the operators out a lot," said Joyce, so bear with us and you're sure to get your party as quickly as possible.

## Student Reporter

Attention students, have you seen this headline? "Campus Chatter Around the University of Tampa." If not be sure to watch for it this Sunday in the Tampa Tribune, it will help you to know what is happening on your campus.

For three years Mike Capitano has contributed this column each week. He has to work hard gathering his information and meeting a deadline. We urge you to cooperate with him in any way possible as this will lighten his load tremendously.

## THIS IS COLD NEWS BUT YOU ARE IN IT

Yes, it's here. The 1954 Moroccan is finally here. This year's annual tends to bring the city of Tampa and the University closer together by emphasizing the University's position in the city. Thus the division pages of the book have pictures of such subjects as the University, the Gasparilla pirate invasion, tarpon fishing, and the pajama parade. The cover of the book is black with yellow letters and gray outlining.

The yearbook is dedicated to Dr. Guy G. Becknell, a member of the faculty since the founding of the University in 1931, of whom the Moroccan says: "Thousands of our

students have been instructed by his wisdom and inspired and encouraged to noble living by his sympathetic friendship."

For the first time in the history of the yearbook a student index has been used. This gives the name of every student in the book as well as the number of the page on which his name appears. An innovation in the senior pages is the use of individual academic-style portraits and on each page an informal group picture of the six seniors whose portraits appear on that page. A picture of the Board of Trustees is included in the Administration Division of this year's annual.

The staff of the 1954 Moroccan included: Bob Eustace, editor; Mike Capitano, associate editor; John

Borbridge, advertising manager; Jayne Anderson, organizations; Larry Pitcher, photographer; Florentine Benitez, class editor; Charles Archibald, sports editor; Liz Schwartz, art editor; and Jack Lamb music editor.

## Bowl Queen Race

More state-wide collegiate competition in Miami's 1955 Orange Bowl Queen race than in past years is predicted by contest officials.

"Considerable interest also has been registered by collegians in a \$500 scholarship which goes to the

winner along with a smart wardrobe and other awards," Chairman Mansfield told the Minaret.

Orange Bowl Queen hopefuls were urged to submit three required photos and accompanying personal information well in advance of the Nov. 6 deadline to enter the contest. They should be sent to the OBC News Bureau, 615 S. W. Second Ave., Miami 36, Florida.

The 21st annual Orange Bowl Queen and four princesses will be selected in Miami, Nov. 13. All agree to devote their full time to the Orange Bowl Festival in Miami, Dec. 26 through Jan. 3.

What makes a Lucky taste better?

# "IT'S TOASTED" to taste better!

College smokers from coast to coast prefer Luckies to any other brand. Luckies lead, and by a wide margin, according to the latest, biggest college survey. Once again, the No. 1 reason: Luckies taste better. They taste better because Lucky Strike is the cigarette of fine tobacco . . . and "It's Toasted" to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better. This explains the Droodle below, which is: Eskimo seminar enjoying Luckies in badly built classroom. Like all real cool people, Eskimos know Luckies taste better. So, get the better-tasting cigarette . . . Lucky Strike.
