Circle K Taps New Members

Circle K, honorary service fraternity, tapped fifteen new members last week. The new members are: Bob Martoski, Dick Wolbert, Jess Brown, Curtis Crofton, Bill Hereford, Don Herndon, Jack Windt, Al Berry, Mario Maffeo, Jerry Strickland, Tom Rogers, Dave Herndon, Charlie Archibald and Austin Curry.

The Circle K. was installed on the University of Tampa campus in the Spring of 1955.

The organization's main objective is to cooperate in crediting and maintaining sound public opinion and high idealism which makes possible the increase of righteousness, justice, patriotism and good will.

Junior Rotarian

Mario Maffeo, senior class Junior Rotarian, informed the Minaret that among his guests to the Rotary luncheons this semester were Hank DiStefano and Vince Chico.

The Rotary Club meets each Tuesday for luncheon at the Tampa Terrace Hotel. Maffeo brings one guest to each luncheon "When you see a Rotary pin on some gentlemen, you are looking at a man who represents you and is constantly striving for the betterment of Tampa," Maffeo stated.

Students Say Dance Was A Big Success

by Jack Windt

What was your reaction to the Homecoming dance?

This question was asked some of the members of the senior class during the week, and this was their answers.

Tom Mahin, Captain of the football team, "Best I've seen in four years."

Jerry Davis, her answer was just one great big, "S-I-G-H."

Bill Hovance, "Too much bull, and not enough music."

Bryan Webb, "The best we have ever had, hope we'll have more like them in the future."

Ann Aulick, "The best in the past two years, but the band cost too much for what we got."

Vilma Fernandez, "I thought it was excellent."

Mary Fink, "I thought it was great, bigger and better than ever."

Chuck Koch, "Band was excellent, dance was excellent, too many announcements, also the game was over at 10:30, dance started at 10:00, then with announcements, dancing was about an hour and a half. I suggest the games be played in the afternoon—if honorable business men in town permit."

After talking to the students around school, the majority of the opinions were that the dance Friday night was the best one ever given by the school, and suggested that there be more given like it.

TO BE HONORED AT GAME

MARCELINO HUERTA

Tampa Seeks 8th Victory; Huerta to be Honored

by BILL KIRBY

Minaret Sports Editor

The biggest crowd of the season is expected to gather at the University's Phillips Field Saturday night to see just how good the Spartans and the Florida State Seminoles really are.

For FSU, the game will give the Indians a chance to prove to a skeptical audience that they have really gone Big Time. And for Tampa, it will be a chance to show fans that its whopping scores over its opponents are not just accidents.

The Bowl-Bound Spartans, who have won seven games and lost only one this season, will be after their third win in the eight-game series that dates back to 1948.

FSU took the first three contests by 33-12, 34-7 and 34-19 scores but Tampa won in 1951 by a 14-6 score and in 1952 by a 39-6 margin. In 1953 FSU posted a 41-6 victory and last year edged by, 130.

This is the game the Spartans want most to win and their spirit in their drills over the past two weeks is proof of that. They are in top shape for the contest.

It will be the final regular game of the season for both teams. Tampa is certain of a bowl game if the Cigar Bowl game is renewed this year. Last year, the Spartans beat Morris Harvey for the Cigar Bowl championship. Last year, the Spartans beat Morris Harvey for the Cigar Bowl championship.

The Spartan starting lineup will have Bill Sefcik and Dickie Harte at ends, Tom Mahin and Bob Lovely at tackles, Ed Duray and Bill Post at guards, Ted Greene at center, Bill Minahan at quarterback, Don Herndon and Tom Spack at halfbacks and either Bob Gambrell or Jack Mackie at fullback.

Tampa beat Appalachian, 38-0, in homecoming in its last game as Herndon scored three touchdowns and set a new school individual yardage record of 619 yards. Also counting were Tom Spack, Bill Shields and Bob Gambrell. Gambrell and Herndon made the extra points.

Coach Huerta, who is ending his sixth season with the Spartans, will be honored at the game by the Quarterback Club. Huerta has been at the helm for four years and was assistant to Frankie Sinkwich, Georgia stars, in his first two years here.

STUDENT BODY PRESIDENT REPORTS ON FALL ACTIVITIES OF SENATE

by Charles E. Archibald

Student Body President

An effort to make 1955-56 a banner year for the student body has been put forth by the Student Senate of the University.

Among the accomplishments of the representative group has been more interesting student assemblies with the Sophomore Class Officers' assembly, a tal-

ent show starting off in October. The Homecoming Assembly served its rightful purpose of informing the student body of Homecoming Activities and giving the student body an opportunity to vote for their choice for the Homecoming Queen and her Court.

In December, a Christmas Assembly is planned with the Junior Class Officers and the Music Department combining their talents.

In January, the Freshman Class Officers will have charge of the student assembly program and they are readying for this activity.

The Sophomore Class has charge of the Rat Week keeping the Freshmen active during this period.

A P.A. system was procured this year, which was allotted for by last year's Senate and is being used by the cheerleaders at the football games.

Also, in a coordinated effort with the Homecoming Committee, the Senate put on an extensive promotional program during Homecoming by purchasing bumper strips publicizing Homecoming; purchased cards welcoming the Alumni, with the placards being distributed

Letters From Colonel Spartan of the University

Our Praise To Dr. James W. Covington

The University of Tampa has come a long way in twenty-five years, as can be seen in *The Story Of The University of Tampa*. The book started by the late C. Herbert Laub and completed by James W. Covington is without a doubt the most constructive item and the most appraising piece of material ever to be put out by the University.

It is indeed a pleasure to read over the pages and learn how our alma mater grew

and is growing; to marvel at how the University survived the war years; who some of the former students were, some of Tampa's leaders and outstanding citizens and the process in which we became accredited.

A gain we tip our hats to the two great gentlemen professors who put the many hours of hard labor into producing the University of Tampa's, GREATEST STORY EVER TOLD.

Dean Burnside Speaks

As Chairman of the Homecoming Committee, I would like to take this means of expressing my appreciation to the many who made this year's "show" a success. Many who did yeomans work can not be named individually but there are some whom I feel should be cited for their special efforts.

I doubt if many of you realize the tremendous amount of time and effort needed to put over the whole "show." This year by creating a combined Homecoming Committee composed of faculty, student senate, and alumni representatives, it was possible to coordinate things much

better than when we had these three groups all interested and working hard but not always in touch with each other.

Charles Archibald, as Student Body President and President of the Senate began plans thru the Student Senate last Spring. He and Mary Lou Roose were the representatives from the Senate on the general over-all committee this year. Charlie remained as cool, calm and collected during the stress of all the meeting and the personal checking of details as if Homecoming was just as easy as umpiring a sand-lot baseball game.

Many of the Senate contributed greatly to the over-all success; Bill

Hereford who handled parade arrangements and Dave Hernandez who planned and executed the dance decorations certainly should receive special mention.

The arrangements for the Homecoming Dance were given by the Senate to the Interfraternity-Sorority Council. In June of last year a special dance committee began investigating possibilities of having a "name band." It was not until later in the summer, after many meetings; that Mary Lou Roose and her committee were able to get a good deal all signed for on the dotted line.

Ernest Segundo as president of the IFSC was always on the ball and took over himself the job of planning and taking care of the seating arrangements at the dance. The alumni representatives on the general Homecoming Committee were Wm. (Bill) Fisher and Wallace (Bud) Pepper.

Bill Fisher not only arranged the various alumni events but brought the Quarterback Club to the University for luncheon on the East Veranda as a "kick-off" for Homecoming week.

Faculty members on the Homecoming Committee were Capt. Bassler, who handled publicity; Mrs. Pate who handled the Children's Party and who, of course, did all the purchasing for all the supplies etc. needed; Professor Ben Scherer who handled the decorations end; and Dean King who arranged the President's reception with the aid of the women from the Business office who did a superb job with the refreshments at the reception.

Robert Martoski, and the Minaret Staff, certainly put out a fine Homecoming edition — one that everyone can be proud to have sent anywhere.

Those of you who participated in any way in the Homecoming events this year will agree, I believe, that on the whole it was one of the best. There are always things that happen which we would like to correct another year and I hope that any student, alumnus or faculty member will feel free to offer suggestions for the betterment of Homecoming next year.

"A Blem'ish on the Student Body"

by Pattie and Pene

Hello Mr. and Miss Tampa U. and all the bums in the lobby! . . . Attention! All girls interested in dating Jack Windt. There will be a meeting in the lobby Dec. 2nd at 12:30.

... Note — he is the owner of a 1955 Buick Century . . . Boquets to the Inter Fraternity-Sorority Council for the splendid job they did on Homecoming. Everyone was in fine spirits at the game and dance . . . Upon arriving back from Thanksgiving vacation we found many of the students running around in the park trying to lose all those extra pounds acquired at the dinner table on the 24th . . .

Not only did he escort her to the Coronation, but everywhere else, it seems . . . Nick Watovitch and Pat Kelly are still going strong . . . The band is planning a Front Porch Frolic following the Christmas

holidays, and we are all looking forward to it with much anticipation . . . The crowd has moved from the Capri to the Chatterbox this year . . .

A recent survey shows that 99-44/100 per cent of those asked think that the night clubs should stay open much, much later than the usual three o'clock. No sooner do you get there than they turn off the lights and stand at the door waiting, not too politely, for you to leave . . . A P&P Prediction . . .

Football scores around the nation — Jodunk U. 66—Maryland 0 Tampa U. 67—Florida State 0 . . . Seriously, wouldn't it be great? Anyway, get out and support your team and help them STOMP THOSE SEMINOLES. ! ! ! . . .

Freddy the Fish wanted to see his name in print, so here it is . . . Fred Girgis.

Board of Control Draws Criticism

The recent ridiculous order by the State Board of Control for the University of Florida and Florida State University to play football by 1956 brings to mind the recent pressure brought to bear by local groups for Tampa U. to become a member of the State family.

It seems obvious that people should realize the extent of control that any political subdivision may exert on branches of its own administration. When the founders of our nation spoke of free education they meant free in the sense of freedom of religion. Not free to be given away like a thing of no value. Education is a precious thing to be earned but free in that it may follow the dictates of the conscience.

A wise man once said "he

who pays the piper calls the tune." So it seems to be when a political organ enters the administration of our state schools and tells them where and how to schedule their athletic contests.

Florida can be proud of its state schools, of the contributions of hundreds of graduates all over these United States, but not proud of anyone who forgets the problems of political administration and interferes with two well run universities.

UNIVERSITY RECEIVES EQUIPMENT FROM FORMER PLANT ENGINEER

H. J. Toelle, former plant engineer of Tampa Shipbuilding Company donated to the University of Tampa several pieces of valuable equipment for use in the science laboratory.

Among the equipment received were a Standimeter, a range finder used in measuring the mast of a ship or other subjects ranging in size from fifty to two hundred feet, and for measuring longitude while aboard a ship.

Other equipment received consisted of a Micrometer Caliper with a range of ten to one hundred and one millimeters, Vernier Calipers of unusually

large size, inside-outside calipers with curved scales capable of not only measuring the outside of objects, but also the diameter of holes, which are parallel line instruments for drawing parallel lines with the highest accuracy possible, and a Passable (similar to a caliper). The Passable has an enlarged scale on the handle.

Most of the equipment is of German origin brought over after the War. Dr. Becknell is very grateful for the donations, as most of this equipment can not be bought in the United States. Dr. Becknell placed a minimum value of three hundred dollars on the material.

Bonanzagram Goes To Sixty Dollars

Deadline Is
TUESDAY, DEC. 6, 7:30 P.M.

The Bonanzagram enters the sixth issue of the MINARET, without anyone winning.

The puzzle is now worth sixty dollars to the person who posts the correct answers.

The contest is open to all students taking 12 hours or more, professors and administration of the University of Tampa. The editor-in-chief of the MINARET is the only student on the staff not qualified to enter the contest.

The deadline for this puzzle is Tuesday, December 6, at 7:30 P.M. at the MINARET office.

Miss Annen was a copy writer on the advertising staff of Caville & Company, a large cosmetic firm with international connections. Tom Larue, her fiance, had been recently hired and put in charge of special sales and promotion. He had been working day and night, thinking up fresh ideas, in the hope that he would make good and they could be married soon. One morning, when the I.B.M. operator failed to report for work, an emergency job came up and Miss Annen, who knew how to operate the machine, volunteered to run the necessary cards through. Going out for some supplies, she was passing the open door of the president's office when she heard Tom's name mentioned. Understandably, she lingered and list-

ened. Tom was leaving that morning for a mid-West sales conference, and she wanted to let him know quickly all she had heard. Back at the I.B.M. desk, she scribbled the news on a blank card. Just then, Miss Grimm, the office busybody, strolled over, and the flustered girl, in order to avoid gossip, flipped the card into the machine as if she were working. She had no time to rewrite the message before Tom rushed in for a hurried goodbye. She slipped the card to him, but it was full of I.B.M. punch holes which had cut out a number of important letters. However, on the plane, Tom managed to complete the words and read the message. Can you do the same?

SENATE SHOWS MUCH LEADERSHIP AND INITIATIVE

(Continued from Page 1)

to the merchants in the city; and bought the large, canvas sign which was spread across Franklin Street preceding Homecoming.

This year, for the first year the Homecoming Skits acquired a name to be used as long as the skits exist — "Spartan Splash" with a trophy being awarded to the winning skit.

Phillips Field

A survey was conducted by the Senate at Phillips Field to show the condition of the seats and aisles at the football field. This survey was turned over to the Athletic Department for distribution to the committee in charge of the facilities.

To try to stimulate interest in the hiring of students of the University, the President of the Student Senate had the opportunity to speak to the Sertoma Club of Tampa. The businessmen present at the meeting were receptive to this method of public relations.

Minutes Posted

The Minutes of the meetings are posted on the bulletin board for all students to read for the first time this year thus giving the student body an opportunity to find out what goes on in this legislative body.

Also any student who so desires may question members of the Senate on business pertaining to the Senate following the

regular meetings, which are held on Mondays at 12:30 in Dean King's office.

Improvements have been forthcoming in the building partly due to a stimulated interest in the Senate with better lighting and heating in the process. This has been a problem for a number of years within the Senate.

Officers

Officers of the Student Senate include: Charles Archibald, Student Body President; Seniors: Henry Distefano, President; Bob Martoski, Vice-president; Shirley Keene, Secretary; Connie Felicione, Representative and Mike Menendez, Representative. Dave Janaski and Bryan Webb were elected by the Senior Class to serve as representatives while Distefano

and Menendez are interning.

Juniors: Rey Yvars, President; Ray Wagner, Vice-President; Mary Lou Roos, Secretary; Bill Bosworth, Representative.

Sophomores: Dave Hernandez, President; Rosemarie Rogers, Vice-President; Earl Cambas, Secretary; Bill Hereford, Representative. Freshmen: Ray Porcaro, President; Larry Lucas, Vice-President; Gloria Otero, Secretary; Beth Carr, Representative.

Officers of the Senate within the group are Charles Archibald, President; Henry Distefano, Vice-President; Rosemarie Rogers, Secretary; Bill Hereford, Treasurer and Connie Felicione, Corresponding Secretary.

Committees

This year standing committees are set up with the following Publications: Rey Yvars, Rosemarie Rogers and Gloria Otero. Constitution: Rey Yvars, Bill Hereford, Connie Felicione and Ray Porcaro. Grounds: Henry Distefano, Dave Hernandez and Dave Janaski.

Elections: Bob Martoski, Connie Felicione, Rosemarie Rogers, Mike Menendez, Bryan Webb and Beth Carr. Publicity: Ray Wagner and Mary Lou Roos. Budget: Bill Bos-

worth, Shirley Keene, Bill Hereford, Earl Cambas, Larry Lucas.

Sign Control: Bob Martoski, Shirley Keene and Rosemarie Rogers. The Parliamentarian of the Senate is Bill Hereford.

This year the Student Senate is striving to keep a closer tie with the Alumni and Administration with Charles Archibald and Mary Lou Roos serving as representatives. This year attendance at Senate meetings by members is at an all-time high, representative of the spirit within the group and the student body!

"What Will University Be Like In 1980?"

by E. Earl Cambas

In my opinion, the University of Tampa will be basically the same, except for a few changes such as I have listed below. Perhaps the school won't be exactly like I have outlined, but I do believe that it will be very nearly so.

1. There will be new dorms: The University will have bought the Bayshore Royal Hotel for the men's dorm and the Tampa Terrace Hotel for the Women's dorm. . . . Since the dorms will be a good distance away from the main campus, the university will provide Cadillac limousines and chauffeurs for all students who live in the dorms. The fee for living in the dorm will be \$20.00 per month; room and board.

2. The main building will be universally air-conditioned and heated. (The dorms will also be air-conditioned and heated.)

3. The New Spartan Room will be on the penthouse of the main building and will feature cocktails in the evening and mixed-drinks during the course of the day.

4. There will be elevator service up to the 18th floor

5. There will be television in all class rooms so that the students can watch T.V. if the Prof's. lectures become boring. (at 25c per 1/2 hr.)

6. The faculty will have a new addition—A man for each class room whose sole duty will be to waken the students at the end of each class period.

7. There will be no science classes on Thursdays so that the science Profs. can take the day off to go Nuclear Fission.

8. In the year 1980 our wonderful football team will win all of its games. The boys will trounce over such tough rivals as Lutz, Memorial, Sligh, Wilson and Madison.

9. And finally — the juke box will have the latest hits on it. . . . "The Charleston," "Honeysuckle Rose," "Walkin' My Baby Back Home."

10. Liberace will be the new head of the music department and the University band will be under the capable direction of GEORGE. MOTHER will lead the chorus.

218 Years of Military Service Represented Among Seven Retired Colonels at T. U.

Seven retired colonels, representing the Army and Air Force, are now students at the University of Tampa and have a total of 218 years of military service.

These students, with their individual years of military service are: Dache M. C. Reeves, 41, John Borbridge, 38, James Deery, 35, Alexander A. Doback, 36, Rudolph W. Broedlow, 35, Henry C. Jones, 35, and William L. Burbank, 33 years.

Three of these colonels; Deery, Dorback and Burbank are graduates of the United States Military Academy, the remaining four obtained their commission through a training camp or by way of one or the other of the reserve components of the Army.

All of these retired officers have distinguished military records. Colonel Reeves, the senior of the group, was awarded the Distinguished Service Cross, the nation's second highest award for bravery and heroism in action against the enemy. He received this award while a balloon pilot during World War I. Two of these officers were awarded the Silver Star Medal for gallantry in action; three were awarded the Legion of Merit for exceptional meritorious service in action against the enemy; two were awarded the Bronze Star Medal for meritorious service in battle, and two were awarded the Combat Infantry Badge.

In addition to wards made by our government, one of this student group, is an honorary Officer of the Order of the British Empire (O.B.E.), and was awarded the Cross of Valour, Italy.

When asked the question — Why are you attending university after retirement, these colonels give simple but thoughtful answers. "To pick up my education where war interrupted, or, learning never stops."

ASSETS INSURED . . . Linda Cristal, Argentine movie actress, was insured for \$800,000 when Hollywood signed her to star in "Comanche."

Future Teachers To Hold Annual Christmas Party

Come December 8th at 7:30 P.M. the Future Teachers of America will hold their annual Christmas Party. All members and friends are cordially invited to attend.

A good-will table is to be set up, all people attending the party will be asked to bring a can, box or package of food to provide baskets for the needy.

Twelve Members Initiated Into Kappa Pi

Alpha Alpha Theta Chapter of Kappa Pi initiated twelve new members at a candlelight ritual this past week.

Richard Reece, president read the ritual and was assisted by Carol King, Glenwood Lamb, Dorothy Kennedy and Myldred Bates. New members were presented with paint brushes tied in colors:

Following the ritual those received into membership were complimented at a coffee hour at the Crystal Ball Restaurant.

Honorees included: G. DeLois Anders, Arnaldo Berdeal, Rita M. Bodo, Flores Bottari, Lucretia Carter, Judy Grey, Kenneth Graves, Suzanne Harting, Jack Jesmer, Clem Omichinski, Edwina Slavney and Imogene Stokes.

Student's Attention Drawn To Graduate Tests

Princeton, New Jersey, October, 1955: — The Admission Test for Graduate Study in Business, required for entrance by a number of graduate business schools or divisions throughout the country, will be offered on three dates during the coming year, according to Educational Testing Service, which prepares and administers the test. During 1955, many students took the test in partial satisfaction of admission requirements of graduate business schools which prescribed it. Among these institutions are the graduate business schools or divisions of the following universities:

Carnegie Institute of Technology
Columbia University
Massachusetts Institute of Technology
Northwestern University
Rutgers University
Seton Hall University
Syracuse University
University of Chicago
University of Michigan
University of Pennsylvania
Washington University (St. Louis)

A candidate must make separate application for admission to each business school of his choice and should inquire of each whether it wishes him to take the Admission Test for Graduate Study in Business and when. Since many business schools select their entering classes in the spring preceding their entrance, candidates for admission to the 1956 classes are advised to offer the February test, if possible.

The tests will be administered on February 2, April 14, and August 18 in 1956. Applications and fees must be filed with the Admission Test for Graduate Study in Business, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey, at least two weeks before the testing date desired.

Princeton, N. J. — Special — The Graduate Record Examinations, required of applicants for admission to a number of graduate schools, will be administered at examination centers throughout the country four times in the coming year, Educational Testing Service has announced. During 1954-55 more than 9,000 students took the GRE in partial fulfillment of admission requirements of graduate schools which prescribed it.

The GRE tests offered in these nationwide programs include a test of general scholastic ability and advanced level tests of achievement in sixteen different subject matter fields. According to ETS, candidates are permitted to take the Aptitude Test and/or one of the Advanced Tests.

Application forms and a Bulletin of Information, which provides details of registration and administration as well as sample questions, may be obtained from college advisers or directly from Educational Testing Service, 20 Nassau St., Princeton, N. J., or P.O. Box 27896, Los Angeles 27, California. A completed application must reach the ETS office at least fifteen days before the date of the administration for which the candidate is applying.

Submit as many entries as you wish—but with each entry include the picture of the Viceroy Filter Tip torn or cut from the backs of two (2) Viceroy packages.

- 3 Contest open to all students attending colleges and universities in the U.S.A.
- 4 Contest closes midnight, January 31, 1956. Entries judged by The Reuben H. Donnelley Corporation on the basis of aptness of thought, originality and interest.
- 5 Prizes listed elsewhere in this ad. Winners of the ten Thunderbirds will also be permitted to designate the school organizations to which Brown & Williamson Tobacco Corporation will award RCA Victor Color TV Sets! Write the name of the organization you want to receive this award on your entry.

SPORTS CORNER

by Bill Kirby

Tampa meets Florida State Saturday, and an issue of great importance to Tampa patrons concerning a 1956 contract, has been thrown right in the middle of a big muddle created by the meddlesome Board of Control.

FSU's athletic director, Dr. Howard Danford, and Coach Huerta will meet while the Seminoles are in town this weekend to negotiate for a game next year. Despite the honorable intentions, FSU is not expected to sign anything with Tampa until it is sure just how far the Board of Control intends to go to force a Gator-FSU game.

If the board is prepared to carry out one of its proposals, or threats, that if Florida Coach Bob Woodruff and Danford can't get together on a contract for next year that the schools should get new athletic directors, Tampa is bound to become a direct victim of the board's greed.

The board is thinking only of the monetary value in relation to the two universities, not what would benefit the state as a whole.

FSU and Florida both have tentative 10-game schedules for next year and they would have to drop a team to be able to play each other. Tampa is the most likely victim on FSU's schedule.

Sure, we would all like to see FSU play Florida. But those things just don't happen overnight and they must be worked out, sometimes taking years to reach a suitable agreement. After all, we're not convinced that FSU is Big Time yet, and a glance at its record this year against some of the Big Time schools tends to back up this statement.

Agreed, that the athletic departments of the two schools haven't done everything in their power to get together, that is not an excuse for the Board of Control to step in. If the Board should do anything, it should help the schools get together on a satisfactory basis for splitting the money derived from such a contest. That is the main objective between them.

Here is little FSU, all fired-up after making its first start as a supposedly Big Time team this season, wanting to take half the cake. It wants an even split on all proceeds. Florida however, feels that it should collect a greater part of the profits. And since FSU had to take the short end of, say, a 60-40 split for the first year or so, as the game progressed in rivalry, the Seminoles would be in a better position to negotiate for equal shares for all. Those two years would give it a chance to prove itself.

We hope Tampa will be able to throw a monkey wrench into the situation and put a crimp in the aspirations of the Board of Control by beating the Seminoles Saturday night. Not because we wouldn't like to see a Seminole-Gator game, but because we don't want it at the expense of Tampa U.

Football Team Turns Down Bid To Tangerine Bowl; Oarsmen Get Letters

The Spartans, climaxing another great football season when they play the Florida State Seminoles at the University's Phillips Field Saturday night, have turned down a bid to the Tangerine Bowl.

The Spartans voted against playing in the game as host team so that they could catch up on their studying.

However, they agreed to play in the Cigar Bowl game if it is held this year.

The Spartans have made two appearances in the Cigar Bowl and have won both games. In 1953 they trimmed Lenoir Rhyne, 21-12, and last season rolled over Morris Harvey, 21-0.

Sixteen members of the Spartans 1954 rowing teams

were awarded letters by Coach Bill Stalnaker at an assembly last week.

Varsity crewmen receiving numerals were Dick Hoskins, Dale Nabors, Bob Philon, Larry Mason, Herb Vater, Charlie Meyer, Frank Schabert, John Alfano, Ronnie Pinner, John Donnelly and Coxswain Jerry Voyer and Manager Jerry Conte.

Junior varsity letter winners were Art Blau, Dick Chatlos, Joe Hewlett and Pete LaBruzze.

This season's hopefuls met with Stalnaker last Monday to lay initial plans for the coming season. The newcomers will take to the water next week and the old-timers will start practice later.

Forty-five Girls Live in Dorms

by Fran Prochazka

Forty-five girls, representing twelve states and three foreign countries, are utilizing the University of Tampa's dormitory facilities for women during the current school term, according to Miss Marcella Hanley, director of the Women's Dormitory.

Miss Hanley stated that this is one of the largest groups to be accommodated on the campus in the school's history, which is indicative of the university's increasing enrollment.

Of the forty-five now living in the dormitory, nearly half have come from various towns in Florida, while the remainder represent such states as North Carolina, South Carolina, W. Virginia, Pennsylvania, Michigan, Georgia, Illinois, Ohio, Alabama, and Massachusetts.

Coming to the University of Tampa from abroad are Doris Cathern of Mexico City, Hi Sook Hwang of Seoul, Korea, and Yolanda Quintero of Sincelo, Columbia, South America.
