STUDENT OPINION POLLS TO OPEN SOON

Dean Reports 921 Are Now Enrolled

Enrollment this semester at the University of Tampa is 921, the office of Mrs. Sylvia Harbert, registrar, reports. Of this number 631 are men and 290 women, the former constituting 68.5 of the total.

Tampans number, 653, and 132 students from other parts of the state bring Florida's total to 785. The remaining 136 students come from 25 other states and several foreign countries, Ohio leading the out-of-state groups with 24, Pennsylvania being second with 21, and New York being third with 16.

Of the 921 students enrolled, 310, or 33 per cent, are veterans.

The figures given do not include enrollment in the Adult Education Center.

Debate Society Plans Broadcasts

The University of Tampa Debate Society under the direction of Mr. Roy A. McGillivray, is planning a series of round-table discussion radio broadcasts. Thru the facilities of the University Broadcasting System, now being created, they will present a weekly, fifteen minute program designed to stimulate discussion on important problems of local and national interest.

A recent participant in a radio discussion with the University Debate Society was the West Point Debate Council. Enthusiastic audience reaction to the recent discussion with West Point has provided us with the incentive to continue to present similar programs in the future. Arrangements are now being made with the University of Pennsylvania for another round-table discussion which will take place April 10th.

Members of the University of Tampa Debate Society participating in these intercollegiate discussions are: John Mattex, Ernest Dossey, Dell Tribble, Larry Pitcher, Bill Newell, Ralph Hower, and Louis Dichtas.

"WHO'S WHO" IN AMER. EDUCATION

In addition to his present administrative position, WHO'S WHO refers to President Nance's work as former Dean of Chapel and Professor of Biblical Literature of Rollins College, his extensive articles in various magazines and Journals as well as to his dynamic lectures on 'Education for a Sane World.'

Professor Goodbar has been distinguished as a corporation attorney, a prolific writer, as well as a world traveler.

Dr. Goldsmith, Associate Professor of Biology, is mentioned as an author, scientific investigator and as having been Department Head, Director of Summer School and Dean of the Atlantic Division of the University of Georgia.

Professor Becknell, of your Physics Department, was formally connected with Syracuse University, University of Pittsburg, and Northwestern University. His hobby as investigator into new aspects of Elizabethan Literature is bringing him current fame and meriting him a place among American educators.

UNIV. CHORUS

The University of Tampa Girls Chorus took part in the Faculty Rtcital held Wednesday night, March 19. They sang three selections; "My Heart is a Silent Violin", "Lilacs in the Rain", and "It's a Grand Night for Singing."

They will entertain the Rotary Club on April 8, at noon.

PATRICIA HARRIS JOHN NANCE WED

Miss Patricia Ward Harris, daughter of Mr. and Mrs. Robert H. Harris of 111 S. Fielding Ave., and John Scott Nance, son of Dr. and Mrs. Ellwood C. Nance, were united in marriage March 6 in a service conducted at Hyde Park Methodist Church by Dr. Nance, father of the bridegroom.

The bride was attended by Miss Marjorie McPherson as maid of honor. The bridesmaids were Mrs. Avron Bryan, sister of the bridegroom, Miss Camilla B. Oelkers and Miss Lucia Randall.

Stanley Crocker attended Mr. Nance as best man. The ushers were Edwin Bray and Emmanuel Suarez, and the groomsmen were Joseph P. Freeman, Harley Martin and J. B. Hickey.

The couple will reside in Macon, Ga., where Mr. Nance is stationed at Warner Robins Air Force Base.

Spartan Wives Give Scholarship

The Spartan Wives amateur show presented March 7th earned more than enough to provide a scholarship for some worthy student.

The entertainment included a skit by Tom and his troupe of dancers, a creative dance by Frank Cali, and several very clever amateur acts. They played to a packed house.

The success of the show was due to carefully planning of Pres. Lois Hoppe, Mrs. R. Apple and members of the club as well as to the lively antics of Tom Battaglia, who MC'd the program and the fine entertainers who showed up to compete for the many prizes offered.

Prize winners were Bobby Lord, Dick Block and Jim Lewis, Gretta Hoyt, and Sylvia Boyd.

A check will soon be turned over to President Nance for the scholarship fund. A similar program will be offered by the Spartan Wives next year who plan to make it an annual event.

GAY SONGS AND DANCES COMING

"Greetings from Vienna" is the title of a gay medley of Austrian folk songs, folk dances and Viennese music to be presented in costume by 19 Austrian university students and teachers Saturday night, March 29, at 8 o'clock and Sunday afternoon, March 30, in the Municipal Auditorium. The Austrians, whose visit here is sponsored by the University of Tampa, are members of the 3rd Austrian Goodwill Group to North America, other groups having toured the United States in 1949-50 and 1950-51.

MINARET TO SET UP A POLLING PLACE IN LOBBY

The Minaret wishes to announce that it will conduct student opinion polls to find out what the student thinks about various questions concerning national affairs, foreign affairs, local affairs and questions concerning the University of Tampa. These polls will be conducted by members of the Minaret staff and all information received from individuals will be treated in a confidential manner and used in the compilation of statistics only! The statistics which are gleaned from the Minaret student polls will be published in the Minaret for the information of the student.

If there is any question concerning anything which you would like to have presented to the student body, merely submit it to the editor and if the staff approves we will investigate and submit a tally of opinions.

The polls will be opened a sufficient length of time to reach most of the students at the University of Tampa. The polls will be open daily and the subject in question will be presented to as many students as possible before the publication of the next Minaret. Results of all polls will be printed in the Minaret. These polls are conducted for your benefit. Support these polls and your opinions will be heard! Send in questions which you think should be considered by each and every Tampa U. student and the Minaret will try to reach as many as possible to give you the general opinion of the Tampa U. Student Body.

These Questions To Be Asked In Forthcoming Poll

Would you pay a higher student activity fee (at least \$10 more per year) to improve present activities and creat new activities?

Which activities would you like to see added:

Better assembly programs (paid entertainment and lecturers).

An annual all student dance with a name band.

A student magazine publication.

Begin a film classics club and show movies once a week.

Which present activities would you like to see improved?

More money in Athletic Fund.

More money in the Moroccan Fund.

More money in the Minaret Fund.

Who do you think would make the best president of the United States?

Should the United States begin an all-out offensive in Korea?

THE MINARET

The Minaret is the official publication of the student body of the University of Tampa and is published bi-weekly during the school year at no cost to the student body.

The staff welcomes comments and criticisms. Address all correspondence to The Minaret, room 209, University of Tampa, Tampa, Florida.

Editor's Commentary

STUDENTS LACK INTEREST IN MINARET

One of the reasons for the delay in publication of the Minaret this semester was the lack of interest on the part of the students. To publish the Minaret a staff of enthusiastic people who want to work is a prime necessity. At the time of this writing there are fewer than four people who have made contributions to this issue of the Minaret. There still remain three days until the copy deadline and I'm hoping that enough material will be brought in to complete the paper.

NEWS AGENTS NEEDED

I would like to take this opportunity to ask that all organizations who desire to publish anything in the Minaret should elect an agent to the Minaret. The function of this agent would be to supply the Minaret with news of events and activities of his or her organization. These agents can check the bulletin board for the Minaret deadline and turn in any stories or notices about their organizations before the deadline. Later on a box will be provided in the lobby for this purpose.

CONGRATULATIONS

The Minaret would like to congratulate ALPHA PHI EPSILON, the journalism fraternity, for the wonderful job they have done in turning out the STUDENT DIRECTORY of THE UNIVERSITY OF TAMPA. This was a major accomplishment and the efforts of this organization and Dr. Baker advisor to the organization, are to be commended. Particular recognition should be given to Jocelyn Cooper, who spent a great deal of time in compiling the directory.

NEW MINARET BULLETIN BOARD

You will soon see a bulletin board with two drop boxes attached placed in the downstairs lobby opposite the main staircase. Its purpose is to facilitate getting copy on time. DEADLINE for each issue will be THURSDAY P.M.

Any student with hot news may drop it in the box underneath the bulletin board. Staff reporters will also be able to get their copy into the hands of the staff easier by using the box.

Getting news about organizations has always been one of the main headaches of the Minaret. If your organizations publicity man will drop his news in the box before deadline we will print it. From now on the main responsibility will be yours. The box will be there, we will pick up from it every day and if your copy is there it will be printed. No copy, No News!

At times the box will also be used to receive suggestions and opinions of students about how they like the paper, the school, etc. Now, let's see some real hot copy coming in. We're eager, are you?

We want to thank Professor Bignell and his Industrial Arts students for constructing the bulletin board and box for us. They did a fine job.

ALPHA MU TAU PLEDGE

The Alpha Mu Tau Honorary Music Sorority held formal pledging Friday night, March 14, in the Alpha Mu Tau room at the University.

The pledges are: Barbara Floyd, Martha May, Clarice Monce, Anna Reeves, Jean Replogle, Helen Tomlinson, Gertrude Trice, and Emily Van Bever.

After the ceremony, the members entertained the pledges at a coffee at the home of Miss Bettye Robinson, 6010 River Terrace.

KSK NEW PLEDGES

The new Kappa Sigma Kappa pledges are:

Roy Arden
Jack Breit
Maurice Conner
Rorace Englehardt
Jack Haefeli
George Klimis
Jack Lamb
Tom Mariani
Charles Milo
Bill Newell
Frank Rey
Celio Rodriguez
David Romero

HAVE YOU HEARD?

banging going on up on the second floor these past few weeks? Well, that was the carpenters knocking themselves out to replace the old interior of the ex-Speech-English room. (Hope they replace walls all over the place!) Anyhow . . . the sum results of all this sweating will eventually be our new radio station to be known as **THE UNIVERSITY BROADCASTING SYSTEM**. Professor McGillivray, Speech and Radio director, says formal announcements and a story about it will be ready soon.

HAVE YOU HEARD . . . about the remarks made by President Nance in auditorium recently? . . . He said, quote "it would cost eight hundred and forty thousand dollars to remodel the building . . . and . . . it's not an impossibility" unquote. He also mentioned that we would need a half million dollars more added to the endowment fund if a post graduate course were offered . . . and that three million dollars would be necessary to put the University on its ideological feet to live up to their dreams . . . I wonder, is this also "not an impossibility"? **HAVE YOU HEARD . . .** any unnecessary reverberating noises from the fourth floor lately? . . . No, . . . for some reason it's quieter now . . . have the boys up stairs lost their exuberance?

HAVE YOU HEARD . . . about all the good food you are going to get when the University takes over operation of the cafeteria? (Apologies to cook Harry Seeley.)

HAVE YOU HEARD . . . about the new 500-car parking lot to be built on the west side of the building? . . . No, and we haven't either!

HAVE YOU HEARD . . . about the locker space being planned for students to leave their surplus books in over night? . . . When you do let us know!

WHAT HAVE YOU HEARD . . . in school, in class, in the halls, anywhere? . . . BRING IT IN . . . we can use it!

ADVICE FROM THE PAST

ATTENTION TEACHERS

"Teachers of today just go on repeating things in a rigmarole fashion, annoy the students with questions, and say the same things over and over again. They do not try to find out what the students natural inclinations are, nor do they try to bring out the best in their talents. Only through education does one come to be dissatisfied with his own knowledge, and only through teaching does one come to realize the uncomfortable inadequacy of his own knowledge."

You'll be saying that the above quotation is just another sample of the yappy-yapping being done by lay critics of our educational system. NOT SO! The above quotation is a free translation, done into the current vernacular from an original text which looks like it might have been produced by a hen whose feet were smeared with black paint. The truth of the matter is that it was really the writing of an old fellow by the name of Confucius, who jotted it down about 2400 years ago.

How nice it would be if future generations could look back and see the wonderful things we are planning to do with their money—if we can figure out some way to take it from them.

Editor

Meet your Editor-in-chief, Bill Newell who was recently appointed by the student Senate to get the Minaret back into operation. Bill is a transfer student, having had one year at the University of Pennsylvania and three semesters at the University of Florida. He served as staff photographer on Penn Pix, student publication and was a contributor to the Florida Alligator while at Florida. He has written for the Times and Tribune in Tampa and has several years experience as a photographer. He has worked as photographer for the Knoxville Journal in Knoxville, Tennessee.

Bill has been here at the University of Tampa one semester and during that time he served as a member of the Minaret Staff. Anyone interested in getting on the staff should talk to him as soon as possible.

Associate Editor

.....and this perspiring individual is your new Associate Editor, Larry Pitcher, whom Bill recently appointed to this key position on the Minaret staff. He is new at the University this year, but is already well known among us. Larry is re-educating himself after spending fifteen years as a portrait and commercial photographer in the Chicago and the Southern area. He is familiar with newspaper work, having worked on the "Night Hawk," camp newspaper at Hammer Field, Fresno, California and more recently as staff photographer and reporter for the St. Petersburg Independent. His value to the staff can already be seen when you view the new bulletin board to be used by the Minaret. It was thru his efforts that this board was made available.

Inspiration Corner

WHICH WAY IS UP?

What shall we wish for this day? Nothing that will bring pain or privation to our fellow men, but only the prime necessities, and those few priceless things that will help us radiate more of the splendor of life.

One of our first and most manifest duties is to be cheerful. To be cheerful ourselves is a most effectual contribution to the good spirits of others. If possible we shall try to be happy today, realizing that tomorrow never comes, that we live perpetually in the here and now.

We will not dwell upon past unhappiness, which would avail us nothing and beget us little but grief. Neither will we compare past with present joys, to the detriment of the present ones, or else we let the sorrows and longings of by-gone days embitter the present congenial hour.

We will not cry out in rebellious discontent at our lack of freedom. Only the selfish and useless are entirely free, or fancy themselves to be. He who is worth anything in this world is bound to his fellows by a hundred chains.

We will not be discouraged if the way up is slow, so long as we are rising. To be climbing, that is the thing!

We will not be utterly cast down if a shadow appears in our pathway, nor will we lose faith. A cloud cannot cast a shadow unless the sun is shining beyond it.

We will not make too heroic resolutions, beyond our strength to perform, lest they become but shameful memories.

We will try by words and deeds to show a livelier appreciation of the good that comes our way. A thankful heart magnifies the joy of every blessing. We will be careful not to underestimate opportunities and conditions that are ours, in comparing them with what may seem more desirable.

We will strive to cultivate more intelligently the art of giving, and to understand the truth that what we keep we lose; what we spend is only an exchange of commodities; but what we give away remains forever ours.

We promise ourselves that each day of this year shall be the fresh beginning of a better and truer life.

We will not repeat a pledge to abstain from wrong; we shall leave the words unspoken and do only that which is right.

We will watch our step. We cannot journey without leaving footprints, and others will follow the way we have trod, because we have marked a path.

Most of all, we will be faithful to those we love, and to those who have reposed their trust in us. If peace of mind be the only reward, we shall never ask for more.

Campus Interviews on Cigarette Tests

No. 36...THE OTTER

A usually mild-mannered and easy-going lad, he really made the fur fly when he realized the trickiness of most of the so-called cigarette mildness tests! He knew there was one honest test of cigarette mildness. Millions of smokers everywhere know, too — there's one true test!

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke — on a pack-after-pack, day-after-day basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why . . .

After all the Mildness Tests . . .

DATE - BAIT?

With their guarded hearts and horn-rimmed glasses,
They are guides and teachers of the masses.
And though you'd like them for your very own
They must work and live alone.
Except in mutual trtasure of the mind
They belong to all mankind.

So turn your wiles to better game—
Perhaps some one with lesser fame.
For Covington and Laub you should not wait
Or you'll be left outside the gate.
These two scholars are married to books
And have no interest in lovers or cooks.
Sunsan—For Lonely Hearts Club

That a man is "level-headed" is unimportant. But we ought to note carefully how low the level is.
It takes at least two to make a bargain, but only one to make a whale of a mistake.

DO YOU CONFUSE THESE WORDS?

"Slovenly" implies lack of neatness or order, and so does "slatternly." But in reference to personal dress or appearance, "slovenly" strictly applies to a man, and "slatternly" to a woman, though the distinction is not always observed.
* * *

If you explicitly name something, you REFER to it; if you identify something without actually mentioning it, you ALLUDE to it. "I know she has a brother, but she never refers to him." "He says his rent is overdue, alluding, I suppose, to the fact that his check hasn't come."
* * *

"Repellent," literally "driving back," in its figurative sense means "causing distaste or dislike," as "a repellent manner," "a repellent personality." "Repulsive" has the same general meaning, but is a stronger word, often synonymous with "disgusting," as "a repulsive face," "repulsive features."

DELTA KAPPA PLEDGE

The Delta Kappa's held formal pledging Monday, March 17th, in their sorority room. Afterwards the pledges' mothers entertained their daughters at a banquet at the Cricket Tea Room. Miss Marcella Hanley, sorority advisor, and Miss Margaret L. Doty, Dean of Women, were honored guests.

Pledges and mothers are as follows: Scotty Bailey, Jayne Anderson; Connie Byars, Mary Jo Marzolf; Joan Calvin, Mary Frances McMurray; Camille Cappolino, Chloe Snow; Barbara Dameron, Liz Schwartz; Marilyn DuBose, Joyce Boothby; Eleanor Ebsary, Pat Neff; Marian Griffin, Helen Tomlinson; Beth Ann Griffith, Joan Irvin; Sylvia Geurard, Joan Jamerson; DeEtta Harris, Georgia Danahy; Joan Hickey, Ardelle Austin; Jeannette Jones, Eleanor Carden; Martha Nash, Lou Randall; Sally Wolfe, Dot Cleotelis; Keith Van Bever, Barbara Billet; Joyce Wamble, Joan Jacobsen.

BASEBALL

Coach Marcelo Maseda had practice scheduled to start formally recently at MacFarlane Park. Practice has been held up because of the inability to get the playing field in good condition. Most of the players have been working out on their own, however, and expect to report in pretty good condition.

Candidates for the team include. Dipanfilo, Pancoast, Patterson, King, Lahosky, Mahin, Xiques, Pitisci, Alfonso, Hiers, Spicola, Rodriguez, Urso, Cazin, O'Neal, Diez, Steinberg, Col-lentine, Dawson, Fernandez, Peck and Sliman.

Coach Maseda urges every one interested to come out for the team and help put Tampa U. back in the top spot in base-ball in the state. A schedule of about 30 games has been lined up with some of the strongest college and service teams in this area.

INTRAMURALS

SOCCER:

In the championship game played at Plant Field, the Ace Club defeated a scrappy SKN team, 3-2. This was a well played ball game, being decided in the last minute by Bob Sharp's second field goal of the day. Sharp was the individual star for the day and received outstanding help from team mates Col-lentine, Brooks and George. Standouts for SKN were Pan-coast, Royal, and Aplin.

In the semi-finals, SKN defeated a good RND team and Ace Club beat the BX.

BADMINTON:

Al Cazin of the Independents will meet Jim Mathews of SKN for the championship in this event. In semi-final games Cazin won over Ben Scherer also of the Independents, and Mathews defeated Ray Stewart of BX.

BASKETBALL:

Defending champs RND, paced by its captain, Tom Spicola, is making a determined bid to regain the title this season but they are being pushed hard by BX and TO.

Have You Seen The Hand-book That Tells About Occupational Outlook?

All students—and especially those who are undecided about the selection of a major or of next-semester courses—can get a great deal of helpful information in the 1951 edition of the **Occupational Outlook Handbook**, according to Secretary of Labor Maurice J. Tobin.

This publication, prepared by the U.S. Department of Labor's Bureau of Labor Statistics in cooperation with the Veterans Administration, contains up-to-date information on the facts needed in career planning for more than 400 occupations. The data on immediate and long-range employment outlook will be of special interest to college students since America's mobilization efforts in the last year have changed employment prospects for nearly every job in the country, whether or not it is related to defense. These data, together with those on training requirements, may help students make a wiser selection of a major and courses.

To supply a background for long-range educational and career planning, over-all trends in population and employment in the U. S. are presented showing the changing nature of occupational and industrial life. A chapter on interpreting the information and obtaining additional facts about occupations, and a list of occupations appropriate to persons with certain types of abilities and interests will also be helpful.

The **Handbook** (BLS Bulletin 998) will soon be available in the library or placement or counseling office on many a college campus, as well as in the nearest public employment service office.

Personal copies of this 575-page, illustrated **Handbook** may be purchased from the Superintendent Documents, Washington 25, D. C., for \$3.

INTRAMURALS

With basketball season coming to a close the D.K.'s, S.T.P.'s and Independents all ended in a tie for first place. On March 13th the D.K.'s, defeated the Independents, 36-32 for a chance to meet the S.T.P.'s who drew a bye in the playoffs.

High scorer for the D.K.'s was Alica Thomas with 25 points while Hermi Lopez led the Independents with 20 points. Turning in good performances as guards were Frances Stevens of the D.K.'s and June Hundley of the Independents.

Next on the list of intramural competition for girls is tennis, followed by badminton and softball.

Last weekend Tampa was host to the State Basketball Tournament. Tampa was represented on an all star team. Tampa U. was represented on this all star team by Pat Wilson.

ATTENTION GIRLS!

Fla. State Sports Day - April 5th

Just in case there may be a few girls around who haven't heard about it, there is going to be a big State sports day on April 5th. Tampa U. girls will take part in the sports day which is to be held at Florida State University. The girls will leave Tampa at noon and they are prepared to bring home some laurels. The contests to be held at this meet, among which are softball, volleyball, basketball, tennis, swimming, bowling, badminton and golf, will be held all day Saturday, April 5th, 1952. Any girls interested in going on this trip may get further information from Miss Brill. We hope to have a team entered in each contest.

Alpha Gamma To Give Away A Dog

The pledges of the Alpha Gamma sorority will soon begin "Operation Humanity". The first undertaking of these girls will be to find a home for a fine five months old terrier puppy whose name is Alpha Gamma.

Applications are being taken by the pledges for a home for this poor little dog. Certain strict requirements have been set up for prospective owners of this dog. The owner must keep him in the house. The owner must have children. The new owner must have been a previous dog owner and the applications for this dog must have the approval of the sorority advisor and sorority father.

Pledges of Alpha Gamma who will take part in this new operation are: Cynthia Jo Ramos, Helen Valdes, Zoraida Alonso, Violet Corces, Jennie Caltagirone, Rose Marie Agliano, Pauline Rametta, Jocelyn Cooper, Pauline Papia, Martha May, Anita Riek, and Rita Jackson. They can be identified by their brooms with the Alpha Gamma stickers which will be part of their equipment this semester.

BSU GUEST AT GAINESVILLE

Fourteen members of the Baptist Student Union from Tampa were guests of the BSU at the University of Florida, March 7, 8 and 9th. The U. of F. BSU was also host to Florida State, Miami and Florida Southern the same weekend.

The three day session included a semi-formal banquet, tour of campus and Gainesville's new modern BSU home, a picnic at Camp Wau-burg, a message by Rev. J. R. Noff-singer, pastor of the First Baptist Church, a Sunday church service and a piano and organ concert. The Gainesville BSU chapter were gracious and entertaining hosts.

Here at Tampa our own BSU chapter is growing stronger every week. Any student who is interested in a young peoples group working thru the BSU is invited to join whether they are Baptist or not. At present weekly morning-watch meetings are held in the Rawlings room on Wednesdays at 8 a.m. We have been having a good attendance and would like to see YOU there next time . . . and bring a friend.

And have you heard about the absent-minded girl violinist who kissed her violin goodnight and took her bow to bed?

The genetics department could be of great help in solving the help shortage in the Minaret office if they could find a good "writer cat" to go with this "typing cat" which chanced to stray in the other day. Perhaps such a crossing would produce a few "copy cats" and maybe a "re-write cat". We can use them—cats or humans!

Dr. Cowen Announces Student Teaching Assignments In Elementary Schools

Dr. Zoe Cowen, head of the Department of Elementary Education, of the University of Tampa, has announced the placement of the majors in elementary education for intern teaching in the Hillsborough County Schools.

The interns will remain in the public schools for approximately two months and then will return to the campus of the University of Tampa for a series of final seminars on teaching.

Dr. Cowen says most of the interns will begin their teaching on March 17 and will spend the entire school day in observation, participation, and actual teaching under the direction of experience classroom teachers.

The interns with the school and grade to which they are assigned and the directing teacher with whom they will work are:

"BIG SHOW" NEEDS HELP

This year's student production, "Big Show", is under way. The success of last years production was due to the able assistance of the property men, stage managers, set decorators, leg men, and others who were the 'behind the scenes' big wheels. This year we need more wheels. Freddie Spencer, this year's director, says he now needs more men to help with this work. Pankey Hall, director of last years show told this reporter that he simply could not have produced a show at all if he didn't have all the ample back-stage help he did. Is there among you some one who will step forward and volunteer for just a few hours spare time to make 'Big Show' a success?

All students who work with these productions really enjoy themselves. You meet new friends, have fun working together and get a tremendous 'kick' out of it all looking back at the job well-done. That's what they need. How about it are you willing? Freddie is the tall, lanky blond you see rushing around the campus. If you don't know him just ask to have him pointed out.

Any member of the Student senate will inform him that you are willing to help. Come on, let's get behind this . . . it's our own production you know! Let's show them we have the spirit, and can do a good job!
