

ANNUAL ELECTION TO BE HELD TODAY

PRES. SPAULDING QUITS AS HEAD OF UNIVERSITY

Trustees Vote To Award Him Honorary Degree

Frederick H. Spaulding, first and only president of the University of Tampa, resigned last week, the resignation to take effect at the close of the term, June 15.

After adoption of a resolution in which the trustees expressed appreciation for Mr. Spaulding's work, it was stated no definite action had been taken toward the election of his successor. Mr. Spaulding said he had no immediate plans for the future.

The board voted to award Mr. Spaulding the honorary degree of doctor of education, to be bestowed at graduation exercises in June. The honorary degree of doctor of civil law will be awarded Governor Sholtz, who will be the commencement speaker.

Letter of Resignation
The Spaulding letter of resignation, dated April 9, was presented to R. J. Binnicker, as chairman of the board of trustees, and read as follows:

"Realizing several years ago the great need that existed in Tampa for a college where our young people might obtain the benefits of higher education, I undertook to create such an institution. I have been president of this college since its beginning and during this time I have given unstintingly of my strength and professional ability. Today the college is a reality and is rendering valuable service to the youth of Florida. My dearest wish is to see the university continue to grow and prosper and occupy an ever increasingly important place in the life of the city and state.

"Having accomplished my purpose, it is possible that a change in administration might work to the advantage of the university, and with this hope I herewith tender my resignation as president of the University of Tampa, to become effective at the close of the present academic year."

Vote Appreciation
Roland A. Wilson voted against the motion to accept the resignation. But he at once offered the resolution expressing appreciation for Mr. Spaulding's work in the university and with the music festival.

"Mr. Chairman, I move the adoption of a resolution," Mr. Wilson stated, "expressing this body's appreciation for the work Mr. Spaulding has done as president of the University of Tampa since its founding in 1933, in bringing it to its present successful state, and for his commendable work in connection with the Florida state music festival."
It was adopted unanimously.

University of Florida Frat Men Visit Here

Seventeen members of the Delta Sigma Pi, business administration fraternity at the University of Florida, visited the University of Tampa Saturday on a two-day inspection of various businesses here to add practical information to their classroom instruction.

The group was headed by Dr. S. R. Dietrich, faculty member, and Peyton Yon, Tallahassee, president of the Beta Eta chapter of the fraternity. The tour was arranged by Marvin Weeks, Tampa member.

Visits were made also to the Leiman-Weidman Box company, the Cuesta Rey cigar factory, the Pointsettia Dairy Products company, The Tampa Tribune, Tampa Theater, Florida Portland Cement company and the Tampa Shipbuilding & Engineering company.

CLASS FAVORITES ELECTED WILL BE IN 1936 ANNUAL

Progress on the first yearbook of the University of Tampa, "The Moroccan," is rapidly being made as nearly all the photographing has been completed and only a few details must be attended to before turning final copy over to the printers.

Kitty Lea, editor-in-chief, states that the new publication is certain to appear before students depart for summer vacations and that every effort is being made to rush completion of the annual.

Saturday special class meetings were called to select the most popular members of each of the four classes, and the winners' photos will appear in the feature section of the book.

Students chosen as the most popular in the senior class are: John H. Smiley, president of the student body; William Marbourg, senior class president and business manager of the annual; Kitty Lea, editor of the yearbook and president of the Delta Kappa sorority; and Miss Edenia Delaney, student council representative of the class.

The most popular juniors are Phil Patterson and Walter Hoy, university athletes; Miss Verna Vining and Miss Marjorie Dennis.

Selected most popular in the sophomore class are Jeanie Trice, recently elected "Miss University of Tampa" in a Minaret contest; and Edna Johnson, president of the Sigma Theta Phi sorority.

Most popular freshmen are Bill Dmytryk and Richard Spoto, members of the freshman football team; Edith McLeod and Helen Windham.

Board of Trustees Re-elect Officers For Another Year

Following the annual meeting of the Board of Trustees this week, it was announced that the board re-elected all officers and members. F. H. Conn and David E. Smiley, editor of the Tampa Times, were chosen new members of the board.

Officers re-elected are: R. J. Binnicker, chairman; Charles F. Blake, secretary; and Ernest Maas, treasurer. Members of the executive committee of the board are Carl D. Brorein, J. A. Griffin, George B. Howell, Frank D. Jackson, Ernest Maas, J. S. Mims and John B. Sutton.

Other members of the board are Dr. W. P. Adamson, John G. Anderson, jr., H. P. Baya, W. G. Brorein, A. L. Cuesta, jr., D. B. McKay, James T. Swann, S. E. Thomason, James Herbert Thompson, Roland A. Wilson, sr., V. V. Sharpe and D. Hoyt Woodbery. Announcement was made very few, if any, changes would be made in the faculty next semester.

Student Associations Elect New Officers

Newly elected officers of the Florida Student Government association are: John Esterline, University of Miami, president; Dan Hill, St. Petersburg Junior college, first vice president; Mary Miller, Florida State College for Women, secretary; Sue Whitaker, Florida State College for Women, treasurer; and Ralph Gibbs, Rollins college, chairman of the 1937 convention committee.

Officers of the Press association are: John Daar, University of Miami, president; William Chambers, University of Florida, vice president; Helene Keyman, Rollins, secretary; and Eleanor Williams, Florida State College for Women, treasurer.

These groups were elected at a joint session of the two associations in Miami recently. The 1937 convention will meet at Rollins college in Winter Park.

Cups were awarded for the best college publications as follows:

Literary magazine, Flamingo of Rollins; newspaper, Sandspur of Rollins; annual, Flastawoco of Florida State College for Women.

Student President Candidates

WALTER HOY

LUTHER SPARKMAN

Biographic Sketches of Presidential Candidates

Believing that the past records of the two candidates for student body president will be of vital interest to the electors today, the Minaret reporter has secured a few facts concerning the academic and social activities of Luther Sparkman and Walter Hoy. Both men are well qualified for the position they seek and it will be a matter of choice as to the one selected. It is expected to be a very close race. Look these records over:

WALTER HOY
Hoy was born in Jacksonville in 1913, and resided in that city the first four years of his eventful life.

From the gateway city he moved to Lakeland where he has since lived and attended grammar, junior high, and senior high school.

He was prominent in athletics and social activities during the three years he attended Lakeland high. He was awarded letters three years for his outstanding play on the "Dreadnaught's" football team, and played on the state champion teams of 1929, 1930.

Hoy served as treasurer for the Sphinx club, a social organization for two years, and was also secretary and treasurer of the "L" club composed of lettermen athletes. He was also a member of the Hi-Y club.

Coming to the University of Tampa three years ago, Hoy has participated in many activities of the institution.

He has won a letter three years playing football with the Spartans and has won statewide recognition for his fine offensive play at the end position. He has also participated in intramural athletics.

He is a member of the Sigma Kappa Nu fraternity, the fencing club, the University Yacht club, and is secretary-treasurer of the "T" club.

He has won elective offices twice in annual elections, being vice president in both his freshman and sophomore years.

LUTHER SPARKMAN
"Sparky" was born in Tampa on April 16, 1913, and live here five years.

From Tampa he moved to Dania, Fla., five miles south of Fort Lauderdale, where he has resided since, and attended grammar and high school.

He was president of the graduating class of 1930 and president of the Spanish club while attending Dania high.

Sparkman was an outstanding athlete of the school having lettered in three major sports. He won awards in football two years, baseball three years, and baseball three years. He was also outstanding in social life.

After graduating from high school, Sparkman attended Berry College in Rome, Ga., during the school term of 1930-31.

The next two years he did not go to college but was employed and accumulated enough funds to attend school the following year.

He came to the University of Tampa in 1933 and has been active in student activities during his three years here.

Sparkman has won three letters in football, and one in basketball, playing for the Spartans. He is an end in football and a forward in the cage game. He holds the record in the intramural shot put. Is a member of the "T" club, the Pink Elephant team, and the Methodist church.

31 CANDIDATES SEEK OFFICES; INTEREST HIGH

Polls Open at 10 o'Clock; Returns at Dance

A hot and furious political campaign will be climaxed today when students of all classes go to the polls this morning to cast their ballots for the various officers to be elected.

Voting will take place in Room 135 and the polls open at 10 o'clock and will close at 8 o'clock tonight. The ballots will be counted immediately by the election committee and results will be announced at the Sigma Epsilon barn dance to be given in the ballroom.

The committee which will conduct the election is composed of Mrs. Selina Klein and Dr. C. H. Laub, faculty members, J. S. B. Coniglio, Dean Wilson, Mary Eve, Margaret Hitchcock and Paul Mitchell. Wilson is chairman of the group.

Students qualified to vote have been listed and posted on the bulletin board. It is expected that the largest percentage of voters ever to turn out will take part in the voting today. Because of the concentrated political campaigns and the growing interest in student government, over 90 percent will probably vote.

Two for President
Only two candidates have entered the race for president of the student body—the only office voted for by the entire school. They are Walter Hoy and Luther Sparkman, both outstanding Spartan athletes and prominent in campus activity.

In the senior class, Adolph Ramirez and Ed "Red" Means are opponents for the presidency of the class. Melita Quinby and Jay Toulme are candidates for vice president. Two student council representatives are to be chosen from Phil Patterson, Mary Eve and Manuel Ramirez. Wenona Manson is unopposed for secretary.

One of the most interesting races in the 1936 campaign is that for president of the junior class next year. Four students have announced: "Honest" John Schaub, a cheerleader; Hampton Dunn, Minaret editor; Jimmy Lindsay, sophomore class representative; and Ray Newell, an athletic manager. Alice Wilson and John Donnell are running for vice president of the class. Lois McGucken is without opposition for secretary. Jeanie Trice, Crockett Farnell, Edna Johnson and Ed Plummer have announced for student council representative.

Interest in Sophomores
Much interest has been shown in sophomore class races also as many candidates have announced for the offices. Joe Mazeika, Leah Mae Hunter, Bruce Kelly and Anthony Freedy are running for vice president. Marvin Lassiter and Buford Lindsay have run for vice president. Maurine Powell is automatically elected secretary as she has no opponents. Helen Windham, Evangelina LaFuente and Bill Dmytryk are running for student council representative.

Election officials have declared that the voting will be carried out in a clean, efficient manner and that there will be no fraud permitted.

Sigma Theta Phi Elects Officers for Next Year

The Sigma Theta Phi sorority held its regular semi-monthly meeting Tuesday night for the election of new officers, which will be kept a secret until they are formally installed at the annual banquet, June 5.

Plans were made and discussed concerning the banquet. Tentative plans were made for a party, and for another dance.

SCHAUB AND DUNN MAKE INTERESTING WAGER ON RACE

So confident are both John Schaub and Hampton Dunn of their victory in the junior class president race they have made an interesting "bet" that will be noticed by students in all classes.

The one who loses has promised to give the winner a free ride in a wheelbarrow from the university, down Lafayette street, up Franklin street and return as a reward. They have agreed that if neither go into the run-off the bet will be off.

Last week, Schaub, in order to prove his "honesty" jumped from the Lafayette street bridge with his clothes on.

Several other publicity stunts have been pulled by the youthful politicians and has made this one of the most interesting elections ever held at the University of Tampa.

Mrs. Moore Hurt; Will Not Graduate

Classmates and other friends of Mrs. Leila Moore regret very much that she is suffering with injuries from a recent automobile accident, and that she will be unable to complete school this semester.

Doctors have stated that she will be in bed for several months with a broken hip, which, of course, will prevent her continuing her academic studies.

Mrs. Moore was a candidate for a B.B. degree in education and would have graduated with the senior class in June had the accident not occurred. It is the hope of her many friends that she will have a speedy recovery.

THE MINARET POLICY

- To give full support to all activities that will prove beneficial to the University.
- To encourage the growth of social fraternities and sororities on our campus.
- To strive for a better understanding between students and faculty members.
- To do our part in making student government a complete success.
- To support the Spartan athletic teams and advocate a well rounded physical education program with a complete list of minor, as well as major, sports activities.
- To help publicize the University of Tampa in every way possible.
- And to present news stories in an unbiased and straightforward manner.

VOTE—AND VOTE

Today the students of the University again have an opportunity to express their desires in electing officers to fill the various campus positions next year.

This brings with it the responsibility of each student to vote for the persons whom he thinks will do the most for the school. Voters should realize their duty and go to the polls and let their "conscience be their guide."

It seems that heretofore there have been various factions and groups that have more or less controlled the student elections, and this should be avoided if possible. When you, Mr. and Miss Voter, cast your ballot, do not vote for any one only because he is a member of your club or is a special favorite of yours unless you honestly believe that the person is well qualified for the office he seeks.

In a young institution, as in all schools, cooperation is vital for its success and this should be considered when heads of the various classes and student body are elected. We are fortunate at Tampa U. in having student government and freedom of student opinion, therefore we should not abuse this privilege, but rather use it by selecting officers who will do most to make the school outstanding and who will cooperate with the school officials at all times.

While on the subject of politics and elections, there is another matter which should be discussed among the students. Every college student who has reached the age of twenty-one should exercise his first duty as a citizen—that of voting in the public elections.

The battle of clean government is now in the hands of the young men and women of the nation and the results will depend on how the youths respond. If they are aloof and uninterested in the government then it will continue in the hands of racketeers who will eventually wreck the present form of people's government.

The young voters should be interested enough to study the platforms of the various candidates and investigate their past records before considering them for a public office. Those who have already registered to vote should see that their poll taxes are up to date and go to the polls on election day to do their part in the governing of the country.

THANKS, MR. SPAULDING

Students of the University of Tampa regretted very much to learn of the action of President Frederick H. Spaulding in resigning as head of this young institution.

We agree with a statement made by one of the faculty members—"that he has done more than any one man to establish and develop the University as a permanent organization in Tampa."

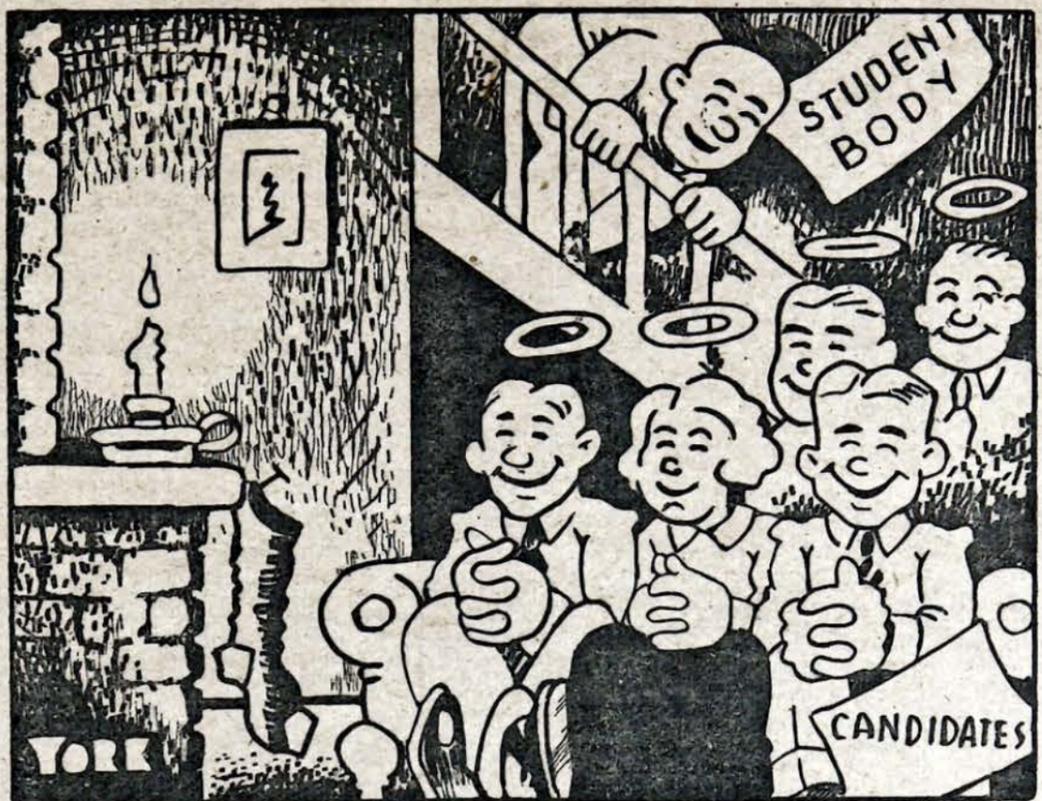

It was through the foresight and work of this man that led to the founding of our alma mater and we believe that he is largely responsible for the success of it thus far. It was Mr. Spaulding's desire to create a college in Tampa where our young people might obtain the benefits of higher education, and we know that it was no selfish motive that he worked unceasingly to realize this.

In addition to being primarily responsible for its founding, he is to be commended for the splendid work he has done since its incorporation. As stated in his letter of resignation he has "given unstintingly of his strength and professional ability" to develop the university.

Besides having so successfully led the college since it was organized, he has been fundamental in securing students through his efforts as director of the Florida High School Music Festival. Through this annual affair which has been held at and sponsored by the University of Tampa scores of students have been attracted to matriculate here. It is the greatest publicity project conducted by the school.

We believe that the students and faculty of the University are very appreciative of his efforts and the work he has done.

Farewell Party for Frank Morse Given

Frank Morse, who returned to his home in Vermont Sunday, was honored at a farewell and birthday party at Lake Carol beach last Thursday evening.

Swimming was enjoyed by the guests followed by games and a singing contest, with the girls competing against the boys. Mrs. R. N. Powell, who chaperoned the party, acted as judge and pronounced the girls winners, giving the boys the well-known gong.

Those attending were Mrs. R. N. Powell, Miss Dorothy Talbot, Miss Virginia Morrow, Miss Dolly Quinn, Miss Gwen Blake, Miss Maurine Powell, Miss Louise Taylor, Miss Marjorie Dennis, Miss Stella Rogers and Miss Mickey DeWolf.

Frank Morse, Dick Powell, John Schaub, John Donnell, Otto Reiner, Delmain Hathaway, Hampton Dunn, Charles Cannon, Louis Zendigue, Doc Cravon, Orris Beynon and Adolf Ramirez.

PARTANETTE

By DOT TALBOT

Tonight the tennis team of the Women's Athletic association will meet the Clearwater city team there on the new illuminated courts. The match starts at 7:30 p. m.

This is the first outside contest scheduled for the team. The next meet will probably be with the Tampa Women's Tennis association here. Other matches are being sought with the high schools and other colleges.

Four singles matches and two doubles matches will be played in tonight's contest. Members of the team in the order of their ranking are Marjorie Dennis, Dorothy Talbot, Dot Sanford and Mickey DeWolf.

Diamond ball captains were selected at a meeting of the W. A. A. recently. Miss Kitty Lea will organize the Delta Kappa team; Miss Edna Johnson will captain the Sigma Theta Phi; Miss Frances Keating, the Physical Educators, and Miss Carmen Fernandez, the Freshmen.

An elimination tournament will be held to determine the winners of the diamond ball championship.

An election of officers for next year was held at a meeting of the W. A. A. Tuesday.

Mrs. Selina will remain as sponsor of the association. It was under her leadership that the club was organized this year.

Miss Mary Eve was elected as the new president; Miss Dorothy Talbot, vice president; Miss Jeanie Trice, secretary; and Miss Helen Windham.

Voting was done by secret ballot by the members of the W. A. A.

Class managers were also selected by vote of the members, and are as follows: Senior—Carmen Moran; junior—Frances Keating; sophomore—Mickey DeWolf. A freshman manager will be chosen next fall.

The semi-finals of the women's tennis tournament have been reached with the favorites still holding their own. Miss Marjorie Dennis, one of the seeded players, defeated Miss Mickey DeWolf in a quarter-final match this week. Miss Mildred Rupe meets Miss Edna Johnson in a quarter-final and the winner will play Miss Dot Sanford. The victor in this match will meet Miss Dennis in the finals.

PINK ELEPHANTS CAPTURE ANNUAL FIELD DAY MEET

Paced by Ed "Red" Means and Luther Sparkman, the Pink Elephant tracksters overcame an early Rho Nu Delta lead to cop the third annual intramural track and field meet at the University of Tampa last Saturday afternoon. The 1936 track champions captured six first places in both divisions of the meet to total 63 1-4 points. Four new intramural records were hung up in the meet.

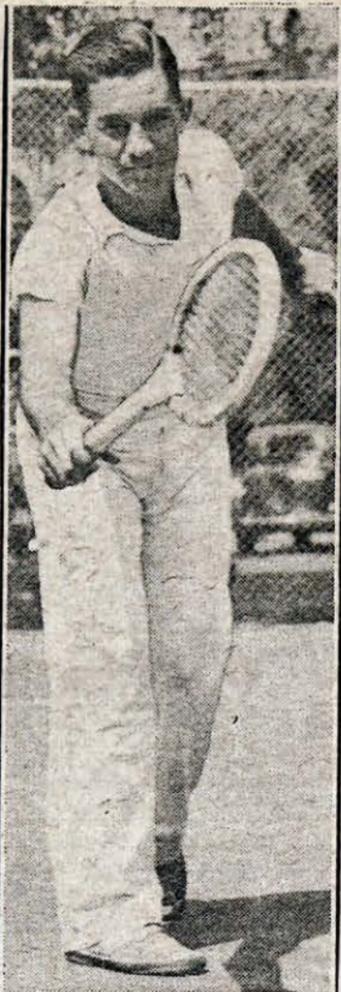

The Rho Nu Delta fraternity took second place with 45 1-2 points. The runners-up were led by Robert Tramontana, high point man of the "B" division, and Adolf Ramirez, who was second to Willie Godwin in high point honors of the "A" division. The Beta Chi and Sigma Kappa Nu fraternities were tied for third place with 44 points each and were followed by the Sigma Epsilon Engineers. Last place went to the Plebes.

Four Records Noted
Although several new records were established at Saturday afternoon's meet, only four will be officially recognized. Oswald Delgado, Rho Nu Delta ace distance runner, set a new mile run of 5:19 as compared to 5:21 established last year by Manuel Ramirez of the same fraternity. Willie Godwin of the Beta Chi fraternity established a new discus mark of 108 feet. The former record of 105 feet and 5 inches was held by Crockett Farnell, Sigma Kappa Nu trackster. Ray Newell, Beta Chi pole vaulting ace, cleared the bar at 10 feet, 2 1-2 inches to break the old record of 10 feet which was held jointly by Billy Newkirk and Chester Morgan. "Strawberry" Cox, Sigma Epsilon engineer, leaped to a new mark of 20 feet, 7 inches to break the old record of 20 feet, 4 inches held by Adolf Ramirez. Other marks which were lowered were the century dash and the 220-yard dash. These, however, will not be officially recognized because of the uncertainty of the time watch used in the meet.

High point honors of the "B" or non-varsity division went to Robert Tramontana of the Rho Nu Delta fraternity. Tramontana, who will be awarded a gold medal for his feats, placed first in the 100-yard dash and captured second place in the 220-yard dash and the running broad jump, to total 11 points. Sparkman and Means of the Pink Elephants and Delgado of the Rho Nu Delta fraternity followed Tramontana with eight points apiece. In the "A" or varsity division, Willie Godwin, Beta Chi all-around athlete, won the high point honors by scoring 12 points. Willie took the javelin and discus events and placed third in the pole vault.

Pole Vault—Morgan, Pink Elephants, first, 10 feet 2 inches; Johnson, Sigma Kappa Nu, second.

Tennis Champ

EARL HATCHER

Who upset diminutive Albert Day, a favorite in the men's singles tournament of the intramural activities, in the finals match held recently. The scores were 6-3, 2-6, 6-1. The men's doubles, women's singles, and mixed doubles tourneys are now in progress.

Earl Hatcher of Beta Chi's Takes Tennis Tournament

Earl Hatcher, Beta Chi's jack-of-all-trades, scored a convincing upset victory here last week when he defeated the carrot-topped Albie Day, a fraternity brother, to cop the tennis championship in the men's singles at the University of Tampa. Hatcher defeated Day 6-3, 2-6, 6-1.

Although the game was listless at times, Earl Hatcher's consistent returns overworked the favorite of the tournament to win the match. Both players played a careful game of tennis with Hatcher gaining the nod in various departments of the game. Both racquetees played the same style of tennis with Hatcher changing his usual fast game to compete with Day's method of attack. Day, who is a finished artist at returning, could not compete with the new champion's volleys which were well placed throughout the match.

Hatcher advanced to the finals by eliminating Means of the Pink Elephants, 6-0, 6-2. Young of the Sigma Kappa Nu fraternity, 8-6, 9-7. In the quarter-finals, Hatcher defeated James Bryan of the Sigma Kappa Nu fraternity, 6-4, 5-7, 6-1, to advance to the semi-finals. In the semifinals, the 1936 tennis champion took straight games from Billy Pou of the Sigma Kappa Nu fraternity to meet Albert Day in the finals. The score was 9-7, 6-1.

Albie "Red" Day advanced to the finals by scoring wins over George Kayton, 6-2, 6-1; John Henry Smiley, 6-3, 6-3; Jack Williams, 6-3, 6-4, and Nelson, 6-1, and 6-4.

By MANUEL RAMIREZ

Tennis, recognized now as one of the most popular sports in America is fast becoming the outstanding sports activity at the University of Tampa, according to the numerous tennis tournaments held here in the past few weeks. The recent men's singles tourney, which was won by Earl Hatcher, the present consolation singles and doubles tournament, and the planned mixed doubles contest all point to the fact that the sport is destined to stay here for a long while.

Although the University of Tampa is not officially represented by a tennis team, any and all the students can bet their last dime that the sport is favored above any other. Swimming, golf, diamond ball, boxing and wrestling, ping pong, and track have all been pushed to the background as this new wave of tennis is foremost in the thought of the students at the University of Tampa.

Enthusiasm Not New

However, this sudden enthusiasm for the sport is not a 1936 outburst. Late in the second semester of the 1934-35 scholastic year, a University of Tampa five-man tennis team consisting of Louis Sullivan, Lamar Bretton, Albert Day, Bill Laird, and James Turner, was organized by none other than the eccentric "Wild Bill" Culbreath, now business manager of the athletic department, professor of journalism, sponsor of the Minaret, promoter, etc. Culbreath's first tennis team toured over the state and parts of Georgia in search of new conquests and came back to the University of Tampa with several court and tennis victories. Ever since the formation of that first University of Tampa net team, students here have looked with favorable glances at the enticing tennis courts which seem to beckon all university students to belt the bouncing ball from fence to fence.

Today, the intramural department of the University of Tampa has done its share towards the regulation of tennis encounters on the open court. The recent men's singles tourney is being heralded as one of the most successful events on the intramural department's 17 sports program. In fact, the sport was so well carried out that many men clamored for another tournament in which they might display their wares. Now the men's consolation singles tourney is going under way as a result of the interest shown in the sport. The mixed doubles which will be played here soon is another added feature to the wide and extensive intramural program which is sponsored by that department.

Girls in Tennis

Speaking of tennis reminds us that for the first time in the brief history of the University of Tampa in the sports world a women's tennis team will represent this institution. A tennis team, coached by Mrs. Selina Klein, director of women's athletics at the university, will take the court at Clearwater tonight in a gruelling match with the Clearwater Tennis club. Led by Dot Talbot, the women's tennis aces of this school will soon be making a name for themselves in the athletic map. Other women racquetees who will make the trip tonight include Marjorie Dennis, Mickey DeWolf, and Dot Sanford.

In the course of life, we always meet obstacles which are at times very hard to overcome. The same holds true for athletics. In last week's track and field meet, there were many bitter arguments as to the outcome of the annual intramural affair. For the last time, let us repeat that the Pink Elephants won the coveted title and that the Rho Nu Delta fraternity was second. Third place honors went to

the Sigma Kappa Nu and Beta Chi fraternities. However, these results are the real McCoy as far as straight track scoring is used. But for intramural scoring purposes, which after all governs the whole sports system here, the Sigma Kappa Nu fraternity placed second instead of the Rho Nu Delta Trojans. The intramural board which controls the athletic program at the University of Tampa had decided before the meet that the number of points awarded to the winners of the affair should be divided equally between the two divisions which were installed at the meet. This means, then, that the score of the winning team in either division would be divided into the number of points allotted that division in order to find the value of each point scored during the meet. The best thing that each team can do is to consult the bulletin issued by the intramural department at the beginning of the present semester and figure on the basis of two divisions with an equal amount of points for each division.

Another Spartan crashed into the sports limelight here recently. We speak of none other than the ever-ready "Honest" John Schaub, who decided to pull a Steve Brodie stunt here last week by jumping off the Lafayette bridge. Too bad we do not have the measurements of the Brooklyn bridge so that "Honest" might have a claim to the bridge jumping distance championship.

Plebes Captain Has Best Batting Ave.

Emory Sheppard, peppery Plebe captain, leads the "Big Six" diamond ball hitting race with a .600 batting average at the end of the first four weeks of play, according to official statistics. Long, a teammate, is second in the hitting honors.

Sheppard, whose hitting is unhampered by the fact that he is playing with a poor team, has batted safely nine times in 15 trips to the plate. His teammate, Long, started his batting spurt in the last two weeks. Joey Mazaika, Beta Chi star player, is third with an average of .538. Rudy Rodriguez, Sigma Epsilon Engineer, takes fourth place with an average of .533. He is followed by Rosie Bloom who is batting at a .533 clip also. Patterson, Sigma Kappa Nu shortstop, follows with .529. Luthy Sparkman, Pink Elephant all-around athlete, and Willie Godwin, Beta Chi swatsmith, follow with a .500 batting average.

PLEBES IN UPSET WIN OVER FRAT; ENGINEERS LOSE

Pouncing upon the deliveries of Luther Sparkman with furious delight, the Plebes scored the first major upset of the 1936 diamond ball season by spanking the Pink Elephants, 10-9, Tuesday afternoon.

The Sigma Kappa Nu fraternity eked out a close 4-3 win over the Sigma Epsilon Engineers in a second game. Chancey, hurler for the winners, allowed only five hits during the session.

SOCIETY

"THE SOCIAL SPOTLIGHT" THIS WEEK

By KITTY LEA

The close of school is drawing near. The nearer it comes, the more everyone seems to be seized with the desire to get together and do things. The rest of this month promises to be just a whirl of nice parties.

Last Friday night the Sigma Theta Phi kid dance was a lot of fun. Most people started off with a big bang, entering by way of the slide. The pink lemonade and candy suckers were greatly enjoyed. Prizes for the cutest costumes went to Ann Way Peebles, Leah Mae Hunter, Dean Wilson and Dick Young. They made darling children. Ann Way's little girl curls were really an achievement.

Sunday a big crowd went to the beach in the bus. They carried a lunch, played baseball, swam, sunned themselves, and had a grand time. On the way home Swede and Buddy Gainer acted out the numbers on the Amateur Hour. It's a shame Major Bowes couldn't have seen them, cause I know he would have enjoyed it. The sermon of the evening was contributed by Ray Newell. He was applauded now and then by loud amens. Part of this sermon was going on when they carried Helen Windham home, and it seems that quite a few of her neighbors are wondering just what kind of friends she has.

Dot Burnett, Eleanor Irseh, Ginger Roberts, Red Means, Herky Hoy, and Marion Lee spent last week-end at a house party at the beach. Can that Roberts-Lee romance be getting under way again?

Another group of students spent Sunday at the Museum at Sarasota. A sigh of relief, cause I believe the travels of the week-end have been completely covered.

Tuesday the Women's Athletic association elected its new officers. They are: president, Mary Eve; vice president, Dot Talbot; secretary, Jeanie Trice; treasurer, Helen Windham; senior intramural manager, Carmen Moran; junior intramural manager, Frances Keating; sophomore intramural manager, Mickey De Wolf. With officers like that the W. A. A. should go a long way next year.

Tuesday night the Sigma Kappa Nu's had a theater party and then went to the El Dorado and had a big dinner and dance. All of it was fun, but the dinner and dance were extra and unusual fun. Eddie Ford dedicated "Is It True What They Say About Dixie" to the S. K. N.'s and their dates during the show.

When you enter the school lobby it looks as though a political meeting were in full swing. Some of the cutest signs belong to "Honest" John Schaub and Leah Mae Hunter. We have two men of the hour, Herky Hoy and Jay Toulme. Ad lib (Kippy) Moore) drew up a novel sign for Luther Sparkman. The real prize goes to Alice Wilson who is passing out little cards saying "Don't be a sucker," vote for Alice Wilson, with a sucker attached to them.

Thursday night a crowd from school went for a hayride and ended up at Lake Ellen for a swim and picnic. It was a lovely night, and everything progressed merrily.

Tonight the Sigma Eps are having a barn dance in the University Ballroom. Square dancing will be part of the fun. The figures will be called in the old-fashioned way. Mr. Thompson and the boys are going to use the money made from the dance to plant a tree in the park as a memorial to Mr. McCurdie.

We are very happy for Dr. Hincley's sake but we feel awfully sorry for ourselves because next year he will be at Harvard. We realize even now how badly we will feel when he is gone. The saddest part about it is that it is a loss that will grow upon us day by day. We are not only going to miss a grand friend, but a kind and inspiring guide in our readings of the great literary masters.

Sigma Epsilon Organization Memorial Dance Tonight

The Sigma Epsilon society, well known for the fine dances given at the University of Tampa in past years, will again entertain tonight in the University ballroom with its first script "barn dance." Prizes will be offered for the most original costumes worn at the ball.

The Sigma Epsilon organization, composed of men who are working for the University of Tampa, can well be remembered for its originality. In 1933, the club gave its first dance, "the janitors' ball," which was considered by many as the outstanding affair of that school year. Late in the second semester of the same year, the organization gave the popular "sanitary engineers' ball," which was also a highlight of the first scholastic year at the new University of Tampa home. Last year, the Sigma Epsilon group held the first "Bowery ball" at the University. This dance also proved to be a fun-maker. Although tonight's dance will be a script affair, the members of the Sigma Epsilon assure everybody that the dance will be worth the while.

Sponsors for tonight's dance will be Miss Mary Goulding, Miss Margaret Hitchcock of the Sigma Theta Phi sorority, Miss Angelina Martino, and

Miss Jane Pearson of the Delta Kappa sorority.

Several new features will characterize this year's Sigma Epsilon dance. In the first place, the affair will be strictly a costume ball in which prizes will be awarded to the most original boy and girl costumes. Judges will be the chaperons, Dean and Mrs. M. S. Hale, Mr. and Mrs. Richard S. Berry, Mr. and Mrs. Louis A. Nava, and Mr. and Mrs. Marshal Thompson.

Another feature of the ball will be the annual student election returns which will be announced in the dance hall every half hour or so. Old-time square dancing will be enjoyed by all during the dance. A period will be devoted to this feature which will be led by experts of that type of dancing. The main event of the evening, however, will be the first annual hog calling contest for the championship of the University of Tampa. Among the entrants in this contest are Billy Hand, Sigma Epsilon, Lafayette Ingram, Sigma Kappa Nu, Marvin Nelms, Sigma Epsilon, and Chet Morgan, Pink Elephant loudspeaker.

The hall will be adequately decorated for the occasion. Moss and farm implements will adorn the sides of the ballroom and hay will probably be used instead of benches or chairs for resting purposes.

Music will be furnished by Deacon Rhines and his Clergymen.

"Night in Spain" Dance To Be Given By Rho Nu Delta

The Rho Nu Delta fraternity, the youngest Greek letter organization on the campus at the University of Tampa, will give its first annual invitation dance, "Una Noche En Espana," Saturday night, May 16, in the University ballroom. The Founders' day ball will commence at 9 o'clock.

The Rho Nu Delta dance, undoubtedly the first of its kind ever to be held at the University of Tampa, will be given in honor of the first year of existence of the new fraternity. Honor guests will include Mayor R. E. L. Chancey, Nick J. Falson, and various consuls of Pan-American countries. Chaperones for the occasion will include President and Mrs. Frederic H. Spaulding, Dean and Mrs. M. S. Hale, Mr. and Mrs. Louis A. Nava, and Mr. and Mrs. F. G. Spicola. Sponsors for the dance will be Misses Olga Pardo, Evangelina La Fuente, Idelle McMillan, Janie Trice of the Delta Kappa sorority, and Edenia Delaney of the Sigma Theta Phi sorority.

Besides a talk by Mayor R. E. L. Chancey, a floor show by the dance team of Bert Hernandez and Laura Del Rio will be included in the evening's program.

Students Enjoy Beach Party Sunday

A large group of University of Tampa students enjoyed a beach party at the Coarsey cottage in Indian Rocks beach last Sunday. The group assembled at the university early Sunday morning and made the trip by bus. Phil Patterson and Ray Newell were in charge of arrangements.

Students who attended were: Howard Stephens and Dot Talbot; Bob Tramontana and Maureen Powell; Ray Hurn and Mary Goulding; Rudy Rodriguez and Ruth Alexander; W. B. Rhoden and Fern Fry, of Valdosta; John Smiley and Lucille Musgrove; Cotton Clinton and Jeanie Trice; John Donnell and Marjorie Dennis; Hampton Dunn and Helen Windham; Marvin Chancey and Sarah Knight; Adolf Ramirez and Merlyn Vickers; Phil Patterson and Virginia Morrow; George Aubert and Mary Earl Berry;

Delta Kappas To Honor Pledges at Luncheon Soon

Tuesday the Delta Kappa Sorority will have a luncheon honoring the pledges at Hale's upstairs dining room. The pledges are Mary Eve, Betty Dickinson, Carmen Moran and Betty Jo Mims.

The sorority is making plans for parties to be carried on during the summer months.

Betty—Darling, I can hardly wait to see that dream of a hat you said your husband promised to buy you.
Peggy—You'll have to wait, my dear. That hat is still just a dream.—The Pathfinder.

Sigma Kappa Nu Fraternity Has Dinner and Dance

The Sigma Kappa Nu fraternity entertained at a theater party and dinner dance Tuesday night. Members and their dates attended the Tampa theater and then went to the El Dorado inn for dinner.

A bronze plaque was presented by the intramural athletics board of the University of Tampa to the fraternity, which won the intra-mural football championship this year.

A large, metallic insignia plaque, used as a reflector, was suspended above the head of the table, and the fraternity insignia was embossed in silver and black on the place cards and the prom cards for the dance that followed. Music was provided by Cliff Hunter's orchestra.

Members and their dates present were Bill Logan, Miss Evelyn Robson, Buck Buchanan, Miss Virginia Mills, Bill Reid, Miss Marguerite Howard, Byron Wilson, Miss Gwen Merrill, Walter Hoy, Miss Dot Talbot, Otto Reiner, Miss Helen Windham, T. L. Ferris, Miss Betty Dickinson, Lafayette Ingram, Miss Mary Glenn Coarsey, John Donnell, Miss Marjorie Dennis, Dick Young, Miss Virginia Holmes, Dean Wilson, Miss Anne Way Peebles, Clark DePury, Miss Gwen Blake, John Schaub, Miss Helen Bremer, Buddy Gainer, Miss Charlotte Schultz, Warner Fussell, Miss Edith Loughren, Jim Bryan, Miss Helen Hennington, Jack Harding, Miss Dot Marsely, DeWitt Trawick, Miss Stella Rogers, Pud Criddlebaugh, Miss Jeanie Trice and Mr. and Mrs. Miller Adams.

A luncheon was held yesterday for members and pledges. Plans for the spring dance were discussed.

Riddler—Do you think a man should confess all his thoughts and actions to his wife?

Fiddler—That would be a waste of time. She already knows all his thoughts and her neighbors will tell her all his actions.—The Pathfinder.
